MEMORANDUM FOR BUREAU CHIEF PROCUREMENT OFFICERS

FROM: Thomas A. Sharpe, Jr. *Thomas A. Sharpe, Jr.*
Senior Procurement Executive
Office of the Procurement Executive

SUBJECT: **Department of the Treasury Affirmative Procurement Program Plan**

Purpose: This Acquisition Bulletin (AB) provides the attached December 2009 Department of the Treasury Affirmative Procurement Program (APP) Plan for bureau implementation. The APP Plan has been updated to incorporate the acquisition-related requirements of Executive (EO) Order 13514, Federal Leadership in Environmental, Energy, and Economic Performance dated October 5, 2009 -- in particular sections 2(h) and 2(i), which contain goals associated with advancing sustainable acquisition, and promoting electronics stewardship, respectively.

Effective Date: This AB is effective immediately.

Expiration Date: This AB will expire when cancelled or superseded.

Cancellation: This AB supersedes and cancels AB 08-01.

Background: The requirements in EO 13514 are in addition to the requirements contained in EO 13423, Strengthening Federal Environmental, Energy, and Transportation Management. The new EO builds on the ongoing sustainability efforts in the Federal community. It contains goals for reducing greenhouse gas emissions by Federal agencies, as well as new or expanded goals for energy and water efficiency, sustainable acquisition (green purchasing), high performance/sustainable buildings, electronics stewardship, fleet management, waste diversion/recycling, toxics reduction, use of environmental management systems, and advancing regional and local integrated planning efforts.

Required Bureau Action:

1. Comply with bureau requirements contained in the APP Plan.
2. Update bureau supplements to the APP Plan as needed so that bureau supplements:
 - a. identify the types of bureau products and services to which EO 13423 and EO 13514 apply, and

- b. provide bureau-specific procedures for acquisition of products and services that meet the requirements of EO 13514, EO 13423 and its Implementing Instructions, and this Treasury APP.
