

On July 22, 2014, the State of Missouri obtained a Consent Judgment against Four Seasons Industries, Inc., and John Cazzell which, among other things, required Cazzell and Four Seasons Industries, Inc. to close Underground Storage Tanks on the real property described in this Notice of Sale. To date, the Underground Storage Tanks have not been closed. A copy of the Consent Judgment is available upon request. Additionally, if any potential purchaser has questions regarding this issue, they should contact Assistant Attorney General Tim Blackwell at 573-751-8846 in the Agriculture and Environmental Division of the Missouri Attorney General's Office.
