

## **Workplace Committee Report**

To Members of the Research Committee: Tahira Hira, David Mancl, Mary Schapiro, Ignazio Salazar, Cutler Dawson and Charles Schwab and their staff and mine I offer my gratitude for the hard work they have done.

Since the last meeting the Workplace Committee reached its goal of bringing the criteria for the Workplace Honor roll to the full Council for a vote. Our Committee now looks forward to begin work on the report to the President of the United States.
