Definition:	This represents the total number of Federal employees within the agency that require PIV credentials but have not yet been issued the credentials	This represents the total number of Federal employees that have not previously undergone a background check.	This represents the number of Federal employees with background investigation currently in process.	This represents the number of Federal employees within the agency that require PIV credentials with completed/adjudicated NACI (or equivalent with background investigation).	This represents the number of Federal employees with PIV credentials issued. (This amount plus the "Number of Employees requiring PIV credentials" should represent the agency's full Federal workforce requiring routine access to Federal facilities and information systems.)	This represents the number of contractors within agency that require PIV credentials but have not yet been issued the credentials	This represents the total number of contractors that have not previously undergone a background check.	This represents the number of contractors with background investigation currently in process.	This represents the number of contractors within the agency that require PIV credentials with completed/adjudicated NACI (or equivalent with background investigation).	This represents the number of contractors with PIV credentials issued. (This amount plus the "Number of contractors requiring PIV credentials" should represent the agency's full Federal workforce requiring routine access to Federal facilities and information systems.)	This represents the number of other individuals within agency that require PIV credentials but have not yet been issued the credentials.	This represents the total number of other individuals that have not previously undergone a background check.	This represents the number of other individuals with background investigation currently in process.	This represents the number of other individuals within the agency that require PIV credentials with completed/adjudicated NACI (or equivalent with background investigation).	This represents the number of other individuals with PIV credentials issued. (This amount plus the "Number of other individuals requiring PIV credentials" should represent the agency's full Federal workforce requiring routine access to Federal facilities and information systems.)
