## **IMPORTANT NOTICE REGARDING CREDIT CARD PAYMENTS**

**VSE Corporation cannot accept payment in excess of \$99,999.99 on any one credit card in the buyer's name.** Purchases over this amount must be split out so that the remaining balance over \$99,999.99 can be paid for with another credit card(s) (in the buyer's name), cash, cashier's check or bank wire.

For example, if purchases total \$150,000 a buyer could put \$99,999.99 on one credit card, and then pay the remaining balance of \$50,000.01 on another credit card, in cash, cashier's check or bank wire (or any combination of those methods.)

*Please also note:*

- Make cashier's check payable to "U.S. Department of Treasury/VSE Corporation".
- Be advised that bank wires can take up to 24 hours to be processed. Plan accordingly to ensure that you meet final payment deadlines.

# NOTICE TO BUYERS OF IRS-CI

In accordance with 18 USC Section 1963(f) and 21 USC Section 853(h) of the Comprehensive Crime Control Act of 1984 and U.S. Department of the Treasury policy, forfeited property will not be sold to the defendant or person(s) acting as his/her agent.

Property will be released to successful bidders after review of records.

Buyers of **IRS-CI** property need to be aware that IRS has up to 3 business days to approve purchases.

**However, final payment must still be made by the date indicated in the Payment Details and Deadlines Section of the printed catalog.**

Please call (609) 395-2880 to find out if IRS has approved you as the high bidder and has released your lot(s) for pick-up.

**SEALED BID SUBMISSION, PAYMENT DETAILS & REMOVAL DEADLINES  
POMPANO BEACH, FL – DECEMBER 11, 2013**

**SEALED BID SUBMISSION:**

Sealed bids may be submitted in person or by registered mail. To make a sealed bid, download, print, and fill out the written bid form from [www.treas.gov/auctions/treasury/gp](http://www.treas.gov/auctions/treasury/gp). Mail completed form along with payment to 2951 NW 27<sup>th</sup> Avenue, Pompano Beach, FL 33069. Bids must be received no later than 4:00 p.m. EST one day prior to sale date. The only acceptable method of payment will be cashier's check. **Make cashier's check payable to U.S. Treasury/VSE Corporation** for the full bid amount. Reference the PDF version of the catalog to verify the lot number of the item(s) you wish to bid on and verify that a single item you wish to bid is not lotted with other merchandise. **If the item you wish to place a written bid on is lotted with other merchandise you must bid on the entire lot, not the individual item.** Unsuccessful bids will be returned within five (5) business days via registered mail. As written bids are received prior to the auction start, they may be used as the opening bid for said lot during the live auction. If numerous written bids are received for one lot, the highest written bid will be used as the opening bid.

**TAXES:**

Florida State sales tax of 6% will be applied to applicable lots. No sales tax is collected on deposits; sales tax is due on the total transaction when the full purchase price is ultimately made. A duly executed, notarized affidavit exempts non-Florida resident dealers from Florida sales taxes. This exemption applies to property that will be transported outside the state of Florida by the nonresident dealer for resale and for no other purpose. A notarized affidavit accompanied by a copy of the buyer's current resellers tax exempt certificate exempts transactions from Florida sales tax.

An affidavit example can be found at [http://www.treasury.gov/auctions/treasury/gp/pompano\\_main.html](http://www.treasury.gov/auctions/treasury/gp/pompano_main.html)

Both Florida and out of state bidders must present a copy of their current tax exempt certificate for each auction at the time of registration to be exempt from taxes.

**PAYMENT:**

Full payments for purchases under \$10,000 are required by 3:30 p.m. EST on the day of the sale. Failure to provide full payment of purchases under \$10,000 by 3:30 p.m. EST on Wednesday, December 11, 2013 will result in a buyer default.

In purchases of \$10,000 and greater a minimum deposit of \$10,000 is required on the day of sale. Once a buyer's purchases reach \$10,000, an **immediate** deposit of \$10,000 is required once the winner is confirmed. No deposit will be accepted prior to a buyer becoming the successful bidder.

The remaining balance for purchases of \$10,000 and greater must be made by 3:30 p.m. EST on Friday, December 13, 2013, at 2951 NW 27<sup>th</sup> Avenue, Pompano Beach, FL 33069. Bank wires may be used for final payment. **NO EXTENSION FOR FINAL PAYMENT.**

Electronic bank transfer for final payment of purchases must originate from an account of the registered buyer/bidder or the business the buyer represents. The transfer must include the bidder number and all applicable auction sale lots. Any electronic bank transfers received from an account other than that of the registered bidder will not be accepted and will be returned to the originating bank. **BANK WIRES MAY TAKE UP TO 24 HOURS TO PROCESS.**

**CHANGE:**

Change will not be made for more than 10% of the purchase price.

**NOTICE TO BUYERS OF IRS-CI PROPERTY**

In accordance with 18 USC Section 1963(f) and 21 USC Section 853(h) of the Comprehensive Crime Control Act of 1984 and U.S. Department of the Treasury policy, forfeited property will not be sold to the defendant or person(s) acting as his/her agent. Property will be release to successful bidders after review of records. Buyers of IRS-CI property need to be aware that IRS has up to 3 business days to approve purchases. **However, final payment must still be made by the date indicated in the payment Details and Deadlines.** Please call (954) 861-5730 to find out if IRS has approved you as the high bidder and has released your lot(s) for pickup.

## SALE OF GOVERNMENT PROPERTY GENERAL SALE TERMS AND CONDITIONS

---

**NOTE :** These Terms and Conditions of Sale were developed prior to the creation of the Department of Homeland Security and are being provided for general information and content. These are the Terms and Conditions of Sale that are currently in use. These Terms and Conditions of Sale are currently under review and are subject to change.

### 1. GENERAL INFORMATION:

The placement of a successful bid at a Department of the Treasury auction establishes a legally binding contract between the successful high bidder and the Treasury Department. The auctioneer's announcement of the high bid amount and the bidder's number establishes the contract which may be subject to final acceptance by the Government. This contract is bound by these Terms and Conditions as well as special terms and conditions published by the Contractor for the specific auction and other Federal regulations governing contracts for the purchase of government property. The successful bidder is legally bound to pay for property awarded in accordance with his/her bid.

The contractor is acting as the agent of the Government with respect to the sale of Government property.

### 2. ELIGIBILITY OF BIDDERS:

The Bidder warrants that he/she is not:

- (a) under 18 years of age;
- (b) an employee of any department or agency of the Federal Government prohibited by the regulations of that agency from purchasing property sold hereunder;
- (c) an agent or immediate member of the household of the employee in (b), above;
- (d) the contractor, subcontractor or vendor, their agent or employee who has access to information concerning the property to be sold at U.S. Department of the Treasury auctions that is not generally available to the public;
- (e) presently debarred or declared ineligible for the award of contracts by any Federal agency in accordance with 41 CFR 101-45.6;

(f) or the party or representing the party(s) from whom the property was seized and/or forfeited.

The contractor's subcontractor may not act as agent for a third party in purchasing Department of the Treasury property that is or has been in their custody or control. For breach of any of these warranties, the government shall have the right to cancel the contract without liability.

### 3. REGISTRATION OF BIDDERS:

All persons wishing to participate in the bidding process of the sale are required to obtain, completely fill out, and turn in a bidder registration card at the sale site prior to sale.

An individual's signature/initials on the bidder registration card is an acknowledgment of his/her full and complete understanding of all terms and conditions of the sales contract and his/her agreement to be bound thereby. The sales catalog and sales brochure may also contain terms and conditions constituting part of the sales contract. Each bidder must present a Government-issued photo ID as a prerequisite of registration (i.e. driver's license, military ID or passport).

Each bidder will be issued a bidder number along with a sales catalog upon completion of registration. Each registered bidder is solely responsible for the use of his/her bidder number and any use by another person is presumed to be with the consent of and contractually binding on the registered bidder.

**NOTE :** These Terms and Conditions of Sale were developed prior to the creation of the Department of Homeland Security and are being provided for general information and content. These are the Terms and Conditions of Sale that are currently in use. These Terms and Conditions of Sale are currently under review and are subject to change.

The registrant agrees that, should the registrant be the successful bidder on a lot, the following information regarding the transaction shall be published on the U.S. Department of Treasury auction website:

- 1). The registered bidders name;
- 2). The lot number;
- 3). The lot description; and,
- 4). Purchase price of lot.

Electronic Freedom of Information Act Amendments of 1996 (5 U.S.C. 552 (2000)).

#### **4. VIDEO RECORDING:**

The Contractor may videotape the conduct of sale which may be utilized in dispute resolution processing and for other purposes as needed.

#### **5. INSPECTION OF PROPERTY:**

The bidder is invited, urged, and cautioned to inspect the property prior to submitting a bid. The failure to inspect property shall not constitute cause for cancellation of sale. The property or a representative sample of property will be available for inspection at the places and times specified by the contractor. Absolutely no access to property is allowed without prior contractor authorization.

#### **6. ORAL STATEMENTS AND MODIFICATIONS:**

Announcements may be made on the day of the sale to clarify property status, catalog descriptions, or other information specific to a lot or item. These announcements take precedence over sales catalog information pertinent to that

property, but do not alter in any way the basic terms and conditions of sale. An errata sheet will be distributed to provide bidders with an up-to-date posting of lot additions, deletions, or modifications. The errata sheet information replaces the applicable corresponding information in the sales catalog.

Further, no interpretation of any provision of the sale contract, including applicable performance requirements, shall be binding on the Government unless furnished or agreed to, in writing, by the Contracting Officer.

#### **7. ADDITION/WITHDRAWAL OF PROPERTY:**

The Government reserves the right to withdraw from sale any of the items listed in the sales catalog/brochure or to sell at auction items not listed.

#### **8. PROPERTY DESCRIPTIONS:**

The Government warrants to the original Purchaser that the property listed in the sales catalog for bids will conform to its description. This warranty is in place of all other guaranties and warranties, express or implied. The Government does not warrant the condition, quality, or merchantability of the property or its fitness for any use or purpose. The condition of items offered varies from "NEW" to "SALVAGE." The Purchaser understands and agrees that all property is purchased and accepted "AS IS, WHERE IS" and "WITH ALL FAULTS."

The amount of recovery under this provision is limited to the purchase price of the inaccurately described property. The Purchaser is not entitled

to any payment for loss of profit or any other money damages, including special, direct, indirect, incidental, or consequential.

For Purchasers claiming recovery under the warranty of description, no refund will be made unless the Purchaser:

- a) submits a written notice to the Contractor within 30 calendar days of the date of removal that explains in what manner the property was inaccurately described.
- b) If the government agrees, then a full refund of the money received will be returned.

If a misdescription is determined before removal of the property, the Government will keep the property and refund any money paid. If a misdescription is determined after removal, the Government will refund any money paid if the Purchaser takes the property at his/her expense to a location specified by the Contractor. The Purchaser must maintain the property in the same condition as when removed.

### **9. OFFERING OF PROPERTY FOR AUCTION AND SUBMISSION OF BIDS AND AWARD:**

(a) The auctioneer will offer each item/lot in accordance with catalog sequence or by special announcement. All bidders will communicate their bid amounts orally or by such other means as may be recognized by and acceptable to the auctioneer.

(b) A lot will be sold to the highest bidder upon acceptance of the final bid amount by the Government. In the event the bidding does not exceed the Government's minimum reserve price, the auctioneer will close the bidding subject to acceptance by the Government.

For open and progressive voice auction sales, it is the bidder's responsibility to pay attention to items being offered for sale and to bid on those items in which he/she is interested.

(c) In the event of a dispute as to the amount bid, item or item number, and/or paddle number of the Bidder, the Government reserves the right to reoffer the item in question. Once the Government accepts a bid, a contract is established and the Purchaser may not withdraw the bid. The auctioneer will not accept unilateral conditions asserted by the high bidder.

(d) The invoice, as to the name and number of the Purchaser, and the amount of the bid shall be prima facie evidence of these facts of the sale, and all disagreements will be resolved in accordance with such records;

### **10. COLLUSION:**

Practices that eliminate competition, such as collusive bidding, may warrant criminal, civil, or administrative action against the participant(s) and may be referred to the Department of Justice in accordance with 41 CFR 101-45.317.1.

### **11. CONSIDERATION OF BIDS:**

The Government reserves the right to reject any or all bids, and to waive any technical defects in bids. All property is sold with a minimum reserve price unless the goods are, in explicit terms, offered without a minimum reserve price. If the minimum reserve price is not achieved, the Government may withdraw the goods at any time until the completion of sale.

The Purchaser agrees to the publication of his/her/company registered name, lot number, lot description and purchase price on the U.S. Department of Treasury auction website. Electronic Freedom of Information Act Amendments of 1996 (5 U.S.C. 552 (2000)).

### 13. DEPOSITS:

The Purchaser agrees to make deposits in accordance with the instructions in the sales catalog/brochure. The Purchaser agrees to pay for property awarded to him/her in accordance with their successful bid.

### 14. FINAL PAYMENT:

Full payment of the purchase price must be received by the Contractor within the time specified in the sales catalog/brochure and prior to the release of any property.

In addition to the forms of payment listed in paragraph 12, bank wires may be used for final payments. Any electronic bank transfer must originate from an account of the registered bidder or the business the bidder represents. The transfer must include the bidder number and all applicable auction sale lots. Any electronic bank transfers received from an account other than that of the registered Purchaser will not be accepted and will be returned to the originating bank. All final payments must be made and received by the date and time specified in the sales catalog/brochure or the bidder will be placed in default of the contract.

The Purchaser agrees to the publication of his/her/company registered name, lot number, lot description and purchase price on the U.S. Department of Treasury auction website. Electronic Freedom of Information Act Amendments of 1996 (5 U.S.C. 552 (2000)).

All purchasers are responsible for the payment of any and all applicable taxes imposed by any state, country, county, or political subdivision.

The Purchasers may be required to pay such taxes to the cashiers at time of sale or to tax officials after purchase is made. If sales taxes are required, presentation of proof of payment will be required prior to property release.

### **16. ISSUANCE OF PAYMENT/RELEASE DOCUMENTATION :**

Upon receipt of full and final payment for each purchase, the Contractor shall provide the Purchaser with a receipt of each deposit or payment. Sale receipt(s) and release documents will only be issued in the name/company name of the registered bidder.

### **17. PREPARATION FOR SHIPMENT, LOADING AND REMOVAL:**

(a) The Purchaser is responsible for making all arrangements for the packaging and removal of their purchases. When property is described in the sales catalog as being boxed, packed, crated, skidded, or in containers, the Government does not warrant that the property, as packaged, is suitable for shipment. Segregation, culling, or selection of property for the purpose of effecting partial or incremental release will not be permitted. No partial release will be permitted. The Purchaser shall remove the property at his/her expense.

(b) All Purchasers or their authorized representatives will be required to present sale receipt(s) and release document(s) prior to the

initiation of any shipment preparations. If a Purchaser designates a representative agent, broker or transporter to pick up their sale property, the Purchaser must prepare and sign an authorization letter identifying the agent to act on their behalf. All property stored at commercial warehouse facilities must also be picked up by the time specified in the sales catalog/brochure and an appointment should be scheduled in advance. The failure to pick up property by the specified time will be declared a default against the Purchaser as specified in paragraph 23.

A representative sample from large, commercial quantity "Export Only" lots (greater than ten cartons) may be released to the Purchaser upon full payment if the sample is available at the sales center.

All Purchasers are responsible for complying with all applicable federal licensing and permit regulations prior to exportation. The failure of the purchaser to obtain necessary licensing will not result in the return of any monies tendered for the goods.

The Contractor shall provide a copy of the required procedures for export, when available from the Government, to the Purchaser at the time of final payment. Unless a different period for removal is applicable with respect to goods or conveyances that are sold "For Export Only," the purchaser will have 60 days from auction day to remove the property from the United States or purchaser will be deemed in default and the property will be resold by the Government as provided in paragraph 23 of these Terms and Conditions of Sale.

All forms required for exportation may be obtained at a nominal cost from the U.S. Government. The Contractor will offer no assistance whatsoever.

### **20. LIMITATION OF GOVERNMENT LIABILITY:**

Except for reasonable packing, loading, and transportation costs (such packing, loading, and transportation costs being recoverable only when a return of property at the Governments cost is specifically authorized in writing by the Contracting Officer or other costs authorized in writing by the Contracting Officer) the measure of the liability of the Government under any provisions of the terms and conditions in any case where liability of the Government to the Purchaser has been established shall not exceed the refund of such portion of the purchase price as the Government may have received.
