1	<p>"2008 23'" LOA Angler 2300 Center Console, Hull ID# ANGD0132H708, Reg# PR7255AC, Fiberglass, Reinforced Plastic Constructed, Blue Hull Sides, Off-White Decks, Top Rigged with all Aluminum Supported Top. Deep-V Hull. Propulsion: One Transom Mounted gasoline Yamaha Four Strokes Outboard 250 HP, Model# F250TXR SN# 1021186 Stainless Steel (3) blades propellers. Engines hold firm on their mounts. Installations in compliance with ABYC and current regulations Center Console: All FRP constructed fitted with an all aluminum T top frame found secured to console and sole. Access to the console interior with a storage area. Console Equipment: (1) Yamaha Single Lever Controls (1) Ritchie 4 Compass (1) DC Fuse control panel (2) Engines Electronics gauges (1) Car Stereo (1) Standard VHF Radio Aft Cockpit: Aluminum framed Helmsman seat. All FRP sole non-skid finished w/recessed hatches for bait well, batteries boxes and misc. mechanical, electrical, and bilge pumps Fuel System: (1) 210 US gal approx. Aluminum tank, located aft under cockpit sole (2) Racor fuel filters and water separators USCG approved fuel lines, system inspected where accessible and appears sound, no obvious leaks noted. Electrical System: 12 VDC for starting engines and ship service, power supplied by (4) Wet cell marine batteries rigged to a perko shut off safety switch, Overload protection wiring and installations suitable for marine service. Installations in compliance with ABYC standards and current regulations. Bilge pumps: (1) Rule 2000 gph electric automatic/manual submersible bilge pump. Pumps found operational at the time. Steering System: Sea star single station hydraulic marine steering system, found in good operative condition. As reported in Dec, 2016."</p>	Zayas, Fernando [1116]	\$ 27,560.00
2	<p>"2013 Spider Open Fisherman Center Console, 22' 6 LOA Hull ID# LUQ00038B2713, Reg# PR8278AC, Mfg: Luquillo Boats Inc. (PR) Molded Fiberglass, Navy Blue Hull painted with grey deck with white bottom. Has some scratches, no apparent structural damage observed around the hull and underbody. Deep-V Hull Fore Deck: Fiberglass non skid area with a small forward storage compartment with a 16 X 12 approx.access with an interior area approx. of 3 square foot. Deck cleat found secured to deck & running light There is an open area of 3 X 4open deck sole with a fiberglass settee with the fuel tank under. Propulsion: Two 2012 Transom Mounted gasoline Yamaha Outboard 90 hp Model # F90EBET Enduro Four stroke Port side serial # 1058354 Model # F90EBET Enduro Four stroke Starboard serial # 1058351 Aluminum (3) blades propellers (found in good condition). Engines showing all characteristic of operational condition Center Console Equipped with: (2) Yamaha electronic Tachometers (1) Yamaha 704 single Lever Control (1) Hydraulic pump & alloy steering wheel (1) Bilge pump switch (1) 3" compass There is a storage area under the console of (16 X 24) with polymer access doors found secured and in good condition. There is a Fuel tank under the cockpit sole. Then more aft is an water tight transom area and a open space of Fiberglass. Bilge pumps: Rule submersible 1500 GPH with auto switch Steering System: Seastar hydraulic steering system, found in good operative condition. . Fuel System: One FRP 60 US Gallons fuel tank located under the cockpit deck. Electrical System: 12VDC system basic with 3 fuses panel for overload protection. System rigged for two w/Twin 2012 Yamaha 90HP O/B Engines. Note: starboard side sheer section scratched, rub rail damaged., Port side engine propeller damaged. As reported Nov. 2013"</p>	leguillow, luis [1068]	\$ 27,070.00
3	<p>2017 22' 8" LOA Skiff Open Fisherman Center Console, 22' 8" LOA, Hull ID# FMB00002A717, Reg# PR9935AC, Fiberglass, Off White Hull painted with deck and bottom. Minor scratches. Deep-V Hull Propulsion: (2) 2013 Transom Mounted gasoline Yamaha Outboard 90HP. Mdl# F90BET Enduro Four Stroke Port side SN#1066016, Mdl#F90BET Enduro Four Stroke Starboard SN1065394, Aluminum (3) Blades propellers. Fore Deck: Fiberglass non skid area with a small forward storage compartment with a 16" X 12' approx access with an interior area approx 3 square feet. Deck cleat found secured to deck and running light. Open area of 3'X4' open deck sole with a fiberglass settee with the fuel tank under. Center Console Equipment: (2) Yamaha electronic Tachometers (1) Yamaha 704 single Lever Control (1) Hydraulic pump and alloy steering wheel (1) Pandora Sterio (1) 3" Compass. Storage area (16"X24"). Fuel tank under the cockpit sole.under the console with polymer access doors. Fuel tank under the cockpit sole. Bilge Pumps: (2) Rule submersible 2000 GPH with auto switch. Steering System: Seastar hydraulic steering system. Fuel System: One FRP 60 US gallons fuel tank located under the cockpit deck. Electrical System: 12VDC system basic with 6 fuse panel for overload protection. System rigged with two batteries. Notes: average wear around the vessel hull, Center console acrylic door broken. As reported October 2018</p>	Trinidad, Javier [1119]	\$ 30,580.00
4	<p>Outboard Engine, Mercury, 40 HP, SN# 1B771688, 2006 model year</p>	Zayas, Fernando [1116]	\$ 210.00
5	<p>(2) Suzuki Outboards: Model DF175AP; Port Engine: Serial #17503P-810582, 3x16x2; Stbd Engine: Serial #17503P-910065; Engine Covers Labeled as 140 HP; Serial #'s identify them as 175 HP; Overall condition appears to be good w/ very little use.</p>	JAYS MOBILE MARINE	\$ 18,510.00
6	<p>Yamaha Outboard Engine, 60 HP, SN#: DETACHED</p>	Rosado, Jairo [1060]	\$ 1,230.00
7	<p>Yamaha Outboard Engine, 40 HP, SN# 1252033</p>	Payan, Fernando [1123]	\$ 2,110.00
8	<p>Yamaha Outboard Engine, 60 HP, SN# 6K5KL1058781</p>	Cruz, Raymond [1088]	\$ 2,040.00
9	<p>Yamaha Outboard Engine, 30 HP, SN# 61TKL100412</p>	Hernandez, Jose [1026]	\$ 1,120.00
10	<p>Yamaha Outboard Engine, 75 HP, SN# 6GJKX1013091</p>	Luna, Rafael [1028]	\$ 2,610.00
11	<p>Yamaha Outboard Engine, 40 HP, SN# 1097496</p>	Hernandez, Jose [1026]	\$ 1,440.00
12	<p>Yamaha Outboard Engine, 60 HP</p>	Hernandez, Jose [1026]	\$ 940.00

13	1993 29' MAKO 290 Sport Fisherman: Hull ID MRK0002WI293, Reg# FL6489RH, Fiberglass, Main Propulsion: 1993 Yamaha gasoline outboard, V6, saltwater cooled, Model port L250TXXR and starboard 250TXXR, SN# port 701338 and starboard 703055. 250 HP at 5500 RPM. Fitted with electric start, alternator, power tilt/trim, Teleflex Ltd. hydraulic steering and three (3) blade stainless steel propellers. Note: Port engine inoperative, tiller arms are rusted, paint is peeling around lower edge of engine cowls and fiberglass is exposed. General Deck Layout: Bolt fastened fiberglass bow pulpit with an anchor roller chock, rope locker, forward deck, walking decks on both sides, superstructure, raised forward cockpit deck, starboard console, molded port passenger and starboard helm bench seats with storage below, aluminum framed hardtop, lower cockpit, transom fitted with a port fish box, center baitwell, starboard transom gate and an aluminum transom engine bracket.
