In the event money is not received from the high bidder within the time period specified, the back-up bidder will become the high bidder at the Purchase Price stated in the back-up bid contract. The back-up bidder is obligated to transmit money as stated above within three (3) business days of notification. The foregoing liquidated damages provision shall apply to the back-up bidder.

INSPECTION OF PROPERTY: The bidder is invited, urged, and cautioned to inspect the property prior to submitting a bid. Failure to inspect property will not constitute cause for cancellation of sale. Property will be available for inspection at the times specified by the Contractor. Absolutely no access to property is allowed without prior Contractor authorization. At their own expense, potential bidders may have property inspectors examine the property during regularly scheduled open houses.

LEAD-BASED PAINT: (for properties built before 1978) Disclosure of Information on Lead-Based Paint and Lead-Based Paint Hazards and the EPA pamphlet “Protect Your Family From Lead in Your Home” may be obtained by calling 1-800-424-LEAD or visiting http://www.epa.gov/lead. Buyer acknowledges responsibility for all costs associated with the abatement and remediation of any disclosed or potential hazards associated with the property.

ORAL STATEMENTS AND MODIFICATIONS: Changes may be made on the day of the sale to the property status or descriptions on the auction site. Changes take precedence over previous auction site information pertinent to that property, but do not alter in any way the basic Terms and Conditions of sale. Further, no interpretation of any provision of the sales contract, including applicable performance requirements, shall be binding on the Government unless furnished to and agreed upon, in writing, by the Contracting Officer or his/her designee.

REAL PROPERTY DESCRIPTION: The bidder understands and agrees that the property is offered, purchased, and accepted by the buyer AS IS WITH ALL LIENS, TITLES, OR OTHER ENCUMBRANCES TO WHICH THE PROPERTY IS SUBJECT. The Government and its agent make no warranties or guarantees whatsoever written, oral, or implied as to quality, condition, or habitability. All information contained on the website and marketing was derived from sources believed to be correct, but there is no guarantee. Buyer acknowledges that he/she relied entirely on his/her own information, judgment, and inspection of the property. If a legal misrepresentation is determined before the final closing on the property, the Government reserves the right to cancel the sale and refund any earnest/deposit money paid.

OFFERING OF PROPERTY FOR AUCTION/SUBMISSION OF BIDS: The placement of a successful bid at a Department of the Treasury online auction establishes a legally binding contract between the successful bidder and the Government and is subject to final acceptance by the Government. Once the successful high bid is established a final written sales contract will be prepared and provided to the individual or the individual’s agent who has placed the successful high bid in accordance with the high bid amount. A contract will be established with the recognized back-up bidder for execution.

At the conclusion of bidding, an e-mail will be sent to the successful high and backup bidder confirming the bid amount. The successful high and backup bidder shall be required to submit the necessary financial information to the Government. The successful high bidder must submit the necessary financial information to the Government. If the high bidder is unable to make the payment, the contract will be placed in default, and the high bidder must accept the terms of the Terms of Sale for Online Auctions.

CONSIDERATION OF BIDS: The Government reserves the right to reject any and all bids, and to waive any technical defects in bids. Property is sold with a minimum reserve price unless the property is, in explicit terms, offered without a minimum reserve price. If the minimum reserve price is not achieved, the Government will move the property to the best offerer at the time of sale.

FINANCING: The buyer is responsible for obtaining his or her own financing arrangements as required. The Government does not provide financing for the purchase of any property offered under these Terms and Conditions. Bidders are strongly recommended to investigate and secure financing arrangements, if required, prior to bidding on a public offering.

Failure to obtain financing during the closing process does not relieve the buyer of his/her legal responsibility and obligation for completion of the contract. Failure to comply with all provisions of the sales contract regarding closing may result in termination of the contract because of buyer’s default and may result in the forfeiture of any earnest/deposit funds.

CLOSING: Closing will be held within 45 calendar days of the date the Government signs the sales contract accepting the Buyer’s offer. Closing may be completed with mutual agreement of Buyer and Seller. Only the Seller may, at its discretion, exceed closing beyond 45 calendar days. Closing costs including, without limitation, transfer taxes, documentary stamps, recording fees, and escrow fees will be paid by the Buyer and Seller in accordance with the customs of the county in which the property is located. In the event Buyer desires title insurance, it will be at the Buyer’s expense.

GOVERNMENT DEED: Clear Title will be transferred via a Government Deed. Liens and other encumbrances will be paid by the Government. Title Insurance is available at Buyer’s expense.

DEFAULT: Failure to make required deposit or final payments and/or comply with the time frames specified on the website shall be deemed default of the high bidder and may result in cancellation of the contract and forfeiture of any rights, title, and interest the Buyer may have acquired. In that case, title of the property will remain with the Government and will result in the forfeiture of the deposit. If the default occurs because of failure to make the required deposit, the Buyer shall be liable to the Government for liquidated damages in the amount of that deposit.

PROPERTY OFFERED FOR SALE BY IRS-CL, HSI, OR SECRET SERVICE: In accordance with 18 USC Section 1963(f) and 21 USC Section 853(h) of the Comprehensive Forfeiture Act of 1994 and Department of Justice, U.S. Federal Policy, forfeited (real) property will not be sold to the defendant or person(s) acting as his/her agent. A real property sale contract may be cancelled by the Government in compliance with the above statutes or policy.
