The high bidder shall deliver ten percent (10%) of the Purchase Price less the initial money deposit, whichever is greater, to CWS by cashier's/certified check payable to CWS Marketing Group, Inc. or by bank wire transfer. Within three business days, should the high bidder fail to deliver the earnest money, Seller shall have all rights and remedies provided in the Terms of Sale, including the right to retain the initial money deposit and any other deposits or payments made by the high bidder as liquidated damages.

The successful bidder's deposit(s) will be retained as the initial payment for the property. Personal or business checks, bank letters, or letters of credit will not be accepted. Cashier's checks made payable to the bidder's name CANNOT be accepted. The bidder who placed the bid accepted by the Government, is legally bound to pay for property awarded to him/her in accordance with the successful bid. Payment of the full purchase price must be made within the time specified on the auction site.

PLACE AN AUTO BID: When placing an "Auto Bid" the website will bid on your behalf up to your determined maximum bid amount in the preset bid increment. The system will bid at the preset increment until the bidder's maximum bid is exceeded. At that point the bidder will be notified that he/she has been outbid (if that option is selected when registering). In the event that multiple bidders leave the same "Auto Bid" the system will recognize all bids at that amount and the one placed first will be given the high bid. Others with the same "Auto Bid" will be notified that they are outbid and must bid again.

AUCTION OVERTIME: Overtime bidding occurs automatically when a bid is placed within the last 5 minutes of an auction. The auction will remain open until an entire overtime increment (5 minutes) has passed without any bidding.

CONSIDERATION OF BIDS:
The Government reserves the right to reject any or all bids, and to waive any technical defects in bids. Property is sold with a minimum reserve price unless the property is, in explicit terms, offered without a minimum reserve price. If the minimum reserve price is not achieved, the Government may withdraw the property at any time before the sales contract is executed.

FINANCING:
The buyer is responsible for obtaining his or her own financing arrangements as required. The Government does not provide financing for the purchase of any property offered under these Terms and Conditions.

Bidders are strongly recommended to investigate and secure financing arrangements, if required, prior to bidding on a public offering.

Failure to obtain financing during the closing process does not relieve the buyer of his/her legal responsibility and obligation for completion of the contract. Failure to comply with all provisions of the sales contract regarding closing may result in termination of the contract because of buyer's default and may result in the forfeiture of any earnest/deposit funds.

CLOSING:
Closing will be held within 30 calendar days of the date the Government signs the sales contract accepting the Buyer's offer. Closing may be held sooner, with mutual agreement of Buyer and Seller. Only the Seller may, at its discretion, exceed closing beyond 30 calendar days. Closing costs including, without limitation, transfer taxes, documentary stamps, recording fees, and escrow fees will be paid by the Buyer and Seller in accordance with the customs of the county in which the property is located. In the event Buyer desires title insurance, it will be at the Buyer's expense.

GOVERNMENT DEED:
Clear Title will be transferred via a Government Deed. Liens and other encumbrances will be paid by the Government. Title Insurance is available at Buyer's expense.

DEFaults:
Failure to make required deposit or final payments and/or comply with the time frames specified on the website shall be deemed default of the high bidder and may result in cancellation of the contract and forfeiture of any rights, title, and interest the Buyer may have acquired. In that case, title of the property will remain with the Government and will result in the forfeiture of the deposit. If the default occurs because of failure to make the required deposit, the buyer shall be liable to the Government for liquidated damages in the amount of that deposit.

PROPERTY OFFERED FOR SALE IN SECRET SERVICE, OR H/S/C:
In accordance with 18 USC Section 1661(b) and 21 USC Section 851(h) of the Comprehensive Crime Control Act of 1984 and Department of the Treasury Policy, forfeited (real) property will not be sold to the defendant or person(s) acting as his/her agent. A real property sales contract may be cancelled by the Government in compliance with the above statutes or policy.
