WINNING **WINNING \$1,000 (Max: \$1,000)**

Tied Bids

1. If there are two bids placed at the same amount, the earliest bid will be the "winning bid" and the "losing" bid will receive an OUTBID message on screen at one increment below the tied bid.

EX: If both bidders bid \$500, the 2nd bidder will receive a message
OUTBID at \$400 | CURRENT \$500.

Outbid Notices

1. If a bidder is logged into the bidding page, a message will display on screen OUTBID. If you are logged out of the system, you will receive an email with the subject "You were outbid". Within the email is a link to place another bid. If you have downloaded the CWS Auctions App on your phone, you will also receive a text alert when you've been outbid.

Sort By

1. When lots begin to close the lots sort by "Time Left". Closed lots move to the end. When the auction is closed, the lots sort by "Lot Number". Bidders may sort lots by (Lot Number, Low to High, High to Low or Time Left) on the bidding screen at anytime.

Auction Soft Close

1. If a lot receives a bid within the last 3 min. it will remain open for an additional 3 min.
 - If any further bidding occurs, the extension timer will reset to 3 min.
 - If no further bidding activity occurs, the lot closes when the timer runs out.

Bidders are urged and cautioned not to wait until the final seconds of the auction to place bids. Bids not recognized by the auction software when the time expires will not be accepted.

Staggered End Times

1. Lots are staggered to end 2 minutes apart.

EX: Lot 1 is scheduled to close at 2:00pm then Lot 2 will close 2 minutes later or at 2:02pm.

How do I know I have won a bid?

1. When the auction closes, each lot will display either SOLD or ENDED.

SOLD indicates the reserve (*if there is a reserve*) was met, a payment email will be sent to the high bidder.

ENDED indicates the reserve was not met. In this case, CWSAMS will ask the seller if they will accept the high bid. If the seller accepts the high bid, an email notice confirming the approval will be sent to the high bidder, along with payment instructions.

Note: If a lot closes and ENDED is displayed, the high bidder screen will show OUTBID however, we will ask the seller to accept the high bid. You will be notified if the seller accepts the high bid.
