Failure to obtain financing during the closing process does not relieve the buyer of his/her legal responsibility and obligation for completion of the contract. Failure to comply with all provisions of the sales contract regarding closing may result in termination of the contract because of buyer’s default and may result in the forfeiture of any earnest/deposit funds.

**CLOSING:**

Closing will be held within 30 calendar days of the date the Government signs the sales contract accepting the Buyer’s offer. Closing may be held sooner, with mutual agreement of Buyer and Seller. Only the Seller may, at its discretion, exceed closing beyond 30 calendar days. Closing costs including, without limitation, transfer taxes, documentary stamps, recording fees, and escrow fees, will be paid by the Buyer and Seller in accordance with the customs of the county in which the property is located. In the event Buyer desires title insurance, it will be at the Buyer’s expense.

**SPECIAL WARRANTY DEED:**

Insurable title will be conveyed via a Special Warranty deed. Liens and other encumbrances will be paid by the Government. Title insurance is available at Buyer’s expense.

**DEFERMENTS:**

Failure to make required deposit or final payments and/or comply with time frames stated in the sales flyer/brochure shall be deemed default of the high bidder and may result in cancellation of the contract and forfeiture of any rights, title, and interest the Buyer may have acquired. In that case, title of the property will remain with the Government and will result in the forfeiture of the deposit. If the default occurs because of failure to make the required deposit, the buyer shall be liable to the Government for liquidated damages in the amount of that deposit.

A real property sales contract may be cancelled by the Government in compliance with the above statutes or policy.
