**ARTICLE II**  
**DESCRIPTION OF RIVERSTONE AT NAPLES**

Section 1. GENERAL PLAN OF DEVELOPMENT. Riverstone at Naples comprises the Property encompassing, or which will encompass, Lots and Association Property, as more particularly defined by this Declaration and, in addition, lands which Declarant may add, but shall in no way be obligated to add, by one or more Supplemental Declaration(s). The Property initially declared hereunder is described in Exhibit "A" attached hereto. It is presently anticipated that Riverstone at Naples will contain both single-family Homes (which may include zero-lot line Homes) and Condominium Units. Notwithstanding the foregoing, Declarant has reserved the right to modify its plan of development of Riverstone at Naples (including, without limitation, the right to modify the site plan of Riverstone at Naples and the right to supplement, change or reduce the recreational facilities, amenities and the number of homes and Home product types to be constructed within Riverstone at Naples) and/or the right to add land to Riverstone at Naples or to withdraw land from Riverstone at Naples, all in Declarant's sole discretion. Therefore, in the event Declarant modifies its plan of development of Riverstone at Naples, adds land to Riverstone at Naples and/or withdraws land from Riverstone at Naples, the number of Lots, the layout of Lots and/or the size of Lots within Riverstone at Naples may change and the Assessments required to be paid pursuant to this Declaration may increase or decrease, as applicable. Declarant's general plan of development further contemplates that such Homes shall be whatever types of structures Declarant may choose which are in conformance with this Declaration. Declarant's general plan of development of Riverstone at Naples may also include whatever facilities and amenities Declarant considers in its sole judgment to be appropriate to Riverstone at Naples, as well as any changes thereto.

Additional Property will become a part of Riverstone at Naples if, and only if, Declarant in its sole discretion adds Additional Property to Riverstone at Naples by recording a Supplemental Declaration to such effect. Declarant hereby reserves an easement for ingress and egress and for utilities and drainage over, under and across the Property for the benefit of any Additional Property; provided, however, no such easement may be granted upon any portion of the Property that lies directly beneath a Home.

Declarant expressly reserves the right as to the Property to (i) commence construction and development of the Property if and when Declarant desires; (ii) develop the Property (including, without limitation, the recreational facilities and amenities) upon such timetable as Declarant, in its sole discretion, chooses; and (iii) modify the plan of development of the Property (including, without limitation, the right to modify the site plan and/or master plan of Riverstone at Naples and the right to change the recreational facilities, amenities, the Home product types and the number of Homes to be constructed within Riverstone at Naples) in such manner as Declarant, in its sole discretion, chooses. Nothing contained herein shall be construed as obligating Declarant to construct Riverstone at Naples according to the present plan of development nor as obligating Declarant to declare any Additional Property to be Property.

Section 2. ASSOCIATION PROPERTY. The Association Property shall consist of (a) the property indicated on the Plat and Additional Plat(s), if any, as Association Property or as property reserved for or dedicated to the Association, and (b) any other property designated as Association Property in this Declaration or any Supplemental Declaration. The Association Property shall be used for recreational and social purposes as well as other proper purposes by

the Association and the Owners and their family members, guests, invitees and tenants in accordance with the Riverstone at Naples Documents. Association Property may not be altered, modified, removed or replaced by Owners or their family members, guests, invitees or tenants. The portions of Riverstone at Naples described in this Section 2 shall constitute Association Property and shall be used solely in accordance with the covenants, restrictions, reservations, regulations and burdens imposed upon the Association Property including, without limitation, the following:

(1) Recreation Tract. Riverstone at Naples is planned to contain one recreation area (the "Recreation Tract") as designated on the Plat or Additional Plat(s), if any. The Recreation Tract shall be part of the Association Property and shall be used for recreational purposes by the Association, and the Owners and their family members, guests, invitees and tenants. Such portions, if any, of the Recreation Tract upon which Declarant has constructed or hereafter constructs Improvements shall be kept and maintained for use in a manner consistent with the nature of such Improvements located or to be located thereon. The Recreation Tract shall always be kept and maintained by the Association for recreational uses or beautification and attendant uses (e.g., parking spaces within the Recreation Tract shall be used for proper purposes by those using the recreational facilities but only while using such facilities), and shall be used for such purposes and not for residential, commercial or industrial construction of any kind. The Recreation Tract shall be maintained, administered, operated and, ultimately, owned by the Association.

Declarant reserves the right, but shall not be obligated, to construct additional recreational facilities upon the Recreation Tract, and to modify or reduce the facilities and amenities planned for the Recreation Tract. Declarant, at its sole discretion, hereby expressly reserves the right to reduce and/or modify the planned facilities, and to determine the timing of construction of the recreational facilities and installation of amenities. The decision as to whether to construct additional recreational facilities or amenities, to modify the planned facilities or amenities, and/or to reduce the planned facilities or amenities and/or the timing of the construction thereof shall be in the sole discretion of Declarant. Notwithstanding anything contained herein, neither Declarant nor the Association makes any representations whatsoever to commence, complete or construct any of the recreational facilities within any specific time period.

(2) Lakes. The Lakes shall always be kept and maintained as lakes for water retention, drainage, irrigation, littoral plantings and water management purposes in compliance with all applicable governmental requirements, including, without limitation the Water Management District requirements. The Lakes shall be a part of the Association Property and shall be maintained, administered, operated and ultimately owned by the Association. In furtherance of the foregoing, Declarant hereby reserves and grants an easement in favor of the Association throughout all portions of Riverstone at Naples as may be necessary for the purpose of accessing, maintaining and administering the Lakes, and no Owner or any Neighborhood Association governing a portion of Riverstone at Naples shall do any act which may interfere with the performance by the Association of its obligations hereunder.

Water levels in the Lakes within and adjacent to the Property may rise and fall significantly due to among other things, certain natural causes including, without limitation, rain, sun, and fluctuations in ground water elevations within the Property and areas surrounding the

Property. Accordingly, Declarant nor the Association has any control over such water levels or ground water elevations. Each Owner, by acceptance of a deed or title to such Owner's Lot, hereby releases Declarant, the Association and the County from and against any and all losses, claims, demands, liabilities, damages, costs and expenses of whatever nature or kind (including, without limitation, Legal Fees), related to, arising out of and/or resulting from water levels in the Lakes regardless of the cause thereof.

DECLARANT AND THE ASSOCIATION SHALL NOT BE OBLIGATED TO PROVIDE SUPERVISORY PERSONNEL, INCLUDING, BUT NOT LIMITED TO, LIFEGUARDS, FOR THE RECREATION TRACT, THE LAKES, AND/OR ANY OTHER PORTIONS OF THE ASSOCIATION PROPERTY. ANY INDIVIDUAL USING THE RECREATION TRACT, THE LAKES, AND/OR ANY OTHER PORTIONS OF THE ASSOCIATION PROPERTY SHALL DO SO AT HIS OR HER OWN RISK AND HEREBY HOLDS DECLARANT AND THE ASSOCIATION HARMLESS FROM AND AGAINST ANY CLAIM OR LOSS (INCLUDING, WITHOUT LIMITATION, THOSE FROM PROPERTY DAMAGE, INJURY AND/OR DEATH) ARISING FROM SUCH USE.

EACH OWNER, BY THE ACCEPTANCE OF A DEED OR TITLE TO A LOT, ACKNOWLEDGES THAT THE LAKES ARE EXTREMELY DEEP AND ARE DANGEROUS. NEITHER DECLARANT, THE ASSOCIATION NOR ANY OF THEIR RESPECTIVE OFFICERS, DIRECTORS, PARTNERS, COMMITTEE MEMBERS, EMPLOYEES, MANAGEMENT AGENTS, CONTRACTORS OR SUBCONTRACTORS (COLLECTIVELY, THE "LISTED PARTIES") SHALL BE LIABLE OR RESPONSIBLE FOR MAINTAINING OR ASSURING THE SAFETY, WATER QUALITY OR WATER LEVEL OF/IN ANY LAKE, POND OR OTHER WATER BODY WITHIN OR AROUND RIVERSTONE AT NAPLES, EXCEPT AS SUCH RESPONSIBILITY MAY BE SPECIFICALLY IMPOSED BY, OR CONTRACTED FOR WITH, AN APPLICABLE GOVERNMENTAL OR QUASI-GOVERNMENTAL AGENCY OR AUTHORITY. FURTHER, NONE OF THE LISTED PARTIES SHALL BE LIABLE FOR ANY PROPERTY DAMAGE, PERSONAL INJURY OR DEATH OCCURRING IN, OR OTHERWISE RELATED TO, ANY WATER BODY, ALL PERSONS USING SAME DOING SO AT THEIR OWN RISK. ALL OWNERS AND USERS OF ANY PORTION OF RIVERSTONE AT NAPLES SHALL BE DEEMED, BY VIRTUE OF THEIR ACCEPTANCE OF A DEED OR TITLE TO OR USE OF, SUCH PROPERTY, TO HAVE AGREED TO RELEASE THE LISTED PARTIES FROM ALL CLAIMS FOR ANY AND ALL CHANGES IN THE SAFETY, QUALITY AND LEVEL OF THE WATER IN SUCH BODIES. ALL PERSONS ARE HEREBY NOTIFIED THAT FROM TIME TO TIME WILDLIFE MAY INHABIT OR ENTER INTO WATER BODIES WITHIN OR NEARBY RIVERSTONE AT NAPLES AND MAY POSE A THREAT TO PERSONS, PETS AND PROPERTY, BUT THAT THE LISTED PARTIES ARE UNDER NO DUTY TO PROTECT AGAINST, AND DO NOT IN ANY MANNER WARRANT OR INSURE AGAINST, ANY DEATH, INJURY OR DAMAGE CAUSED BY SUCH WILDLIFE.

(3) Streets, Drives, Roads and/or Roadways. The "Streets," "Drives," "Roads" and/or "Roadways" are those portions of the Property designated on the Plat or Additional Plat(s), if any, as a street, driveway, road or roadway, and which are reserved for or dedicated to the Association, but specifically excluding any street or roadway dedicated to the public on the Plat or Additional Plat(s), if any. The Streets, Drives, Roads and/or Roadways

shall be used as private roads by Declarant, the Association and the Owners, their family members, guests, invitees and tenants in accordance with the provisions of this Declaration, but subject to non-exclusive easements for public and private utilities, as provided on the Plat or Additional Plat(s), if any. The Streets, Drives, Roads and/or Roadways shall be maintained, administered, operated and ultimately owned by the Association. Notwithstanding anything to the contrary, each Owner shall be responsible for the maintenance, repair and replacement of the driveway serving such Owner's Lot, including that portion of the driveway in a Street, Drive, Road and/or Roadway, if any, unless the driveway was damaged by the Association in the fulfillment of its obligations and duties under this Declaration.

(4) Landscaped Areas or Grassed Areas. The "Landscaped Areas" and "Grassed Areas" are those portions of the Property designated on the Plat or Additional Plat(s), if any, as "OS" tracts or as open space, and are to be used, kept and maintained as such by Declarant, the Association, and the Owners within Riverstone at Naples, their family members, guests, invitees and tenants, in accordance with the provisions of this Declaration. No Improvement, landscaping or other additions or deletions are permitted to be made or installed by any Owner in a Landscaped Area or Grassed Area. The Landscaped Areas and Grassed Areas shall be ultimately owned by the Association and shall be maintained, administered and operated by the Association in accordance with the requirements of this Declaration and the appropriate governmental agencies.

(5) Street Lights. The "Street Lights" and any associated facilities placed within the Property and any street lights and associated facilities placed within public rights of way by agreement between the Declarant or Association and the public utility responsible therefor, are or shall be installed by the Declarant, and, if installed, will be repaired, replaced, relocated, maintained and owned by the public utility responsible therefor, but the Association shall be responsible to pay all fees associated with such installation, repair, replacement, relocation and maintenance, and for the furnishing of electricity thereto, at a set rate pursuant to a street lighting agreement entered into or to be entered into with the public utility. Nothing in this Declaration shall be construed to require Declarant to install Street Lights within Riverstone at Naples.

(6) Decorative Street Lights. Declarant reserves the right, but shall not be obligated, to install "Decorative Street Lights" in or near the entranceway and gatehouse to Riverstone at Naples. The Decorative Street Lights, if installed by the Declarant, shall be repaired, replaced, relocated, maintained and owned by the Association. If installed, such Decorative Street Lights will not be typical of what may be installed around the Lots. Nothing in this Declaration shall be construed to require Declarant or the Association to install Decorative Street Lights within Riverstone at Naples.

(7) Gatehouse, Entranceway and Entry Gate. Riverstone at Naples may include a gatehouse, entranceway and entry gate installed by Declarant or the Association. Such gatehouse, entranceway and/or entry gate shall be deemed Association Property and shall be administered, operated, maintained, repaired and/or replaced by the Association and the expense thereof shall be included as an Operating Expense. The gatehouse, if any, may or may not be staffed, as determined in the sole discretion of the Association. All other portions of the entranceway shall also be owned and maintained by the Association. Neither Declarant nor the Association makes any representations whatsoever as to the security of the Property or the

effectiveness of any gatehouse or entry gate. All Owners agree to hold Declarant and the Association harmless from any loss or claim arising within the Property from the occurrence of a crime or other act. The Owners acknowledge that the gatehouse and entry gate are designed only to restrict vehicular access to Riverstone at Naples and will not be able to prevent crime. Notwithstanding anything herein to the contrary, neither Declarant nor the Association makes any representations whatsoever to commence, complete, construct or staff any gatehouse or entry gate within any specific time period.

(8) Buffers. The "Buffers" are those portions of the Property which run along the outer perimeter of the Property, or adjacent to certain Streets, Drives, Roads and/or Roadways, and are designated on the Plat or Additional Plat(s), if any, as "BT" tracts, "Buffer Tracts" or as buffers. Buffers shall be maintained by the Association in accordance with the provisions of this Declaration and the requirements of the appropriate governmental authorities. In order to preserve the aesthetic image of Riverstone at Naples and to help maximize the Owners' use and enjoyment thereof, no Improvements, landscaping or other additions and/or deletions are permitted within the Buffers without the prior written consent of the Association and appropriate governmental agencies, excepting any Improvements, landscaping or other additions made or installed by Declarant and/or the Association, such as, but not limited to, berm, landscaping, sod, signs, walkways, walls and light poles.

(9) Drainage System. Except as provided in the Association Documents, the Drainage System within Riverstone at Naples is a private drainage system. The Drainage System will also be designed to and used to provide legal positive outfall for rainwater runoff from certain portions of Logan Boulevard (a public road right-of-way outside Riverstone at Naples). The Association shall be responsible for all costs associated with all cleaning, maintenance, repair and replacement of any portion of the Drainage System necessary to maintain the system in its original condition and use. The County is not obligated to pay or reimburse the Association for any of the costs or expenses associated with the operation, maintenance and repair of the Drainage System.

As part of the Drainage System, Declarant has caused or will cause to be constructed within the geographic area shown on the Plat, drainage canals, lakes and/or drainage retention/detention ponds. The Drainage System is part of the overall drainage plan for Riverstone at Naples. The Association shall have unobstructed ingress to and egress from all drainage retention/detention ponds and lakes at all reasonable times to operate and maintain said ponds, lakes and conservation easements in a manner consistent with its responsibilities. No Owner shall cause or permit any interference with such access and maintenance. No Owner shall interfere with or modify the Drainage System in any way.

The Association shall operate and maintain the Drainage System for the Property as part of the Association Property, and comply with conditions of the Water Management District Permit for the Drainage System, including, without limitation, perpetual maintenance of all signage required by the Water Management District Permit. The Association shall, when requested by Declarant, accept transfer of the Water Management District Permit(s) applicable to the Property. The conditions of the Water Management District Permit includes, among other things, monitoring and record keeping schedules and maintenance, which the Association shall be responsible for.

The Association shall hold and save Water Management District and the Declarant harmless from any and all damages, claims, or liabilities which may arise by reason of the operation, maintenance or use of any facility authorized by the permit.

The Association shall at all times properly operate and maintain the systems of treatment and control (and related appurtenances) that are installed or used to achieve compliance with conditions of the Water Management District Permit, as required by Water Management District. This provision includes the operation of backup or auxiliary facilities or similar systems when necessary to achieve compliance with the conditions of the Water Management District Permit and when required by Water Management District rules. The Association shall submit inspection reports in form and at the times required by Water Management District, in accordance with the permit issued by Water Management District.

In the event of the termination, dissolution or final liquidation of the Association, the responsibility for the operation and maintenance of the Drainage System must be transferred to and accepted by an entity which would comply with the Water Management District Rules, and be approved by Water Management District prior to such termination, dissolution or liquidation.

The District has the right to take enforcement action, including a civil action for an injunction and penalties, against the Association to compel it to correct any outstanding problems with the Drainage System facilities or in mitigation or conservation areas under the responsibility or control of the Association.

It is expected that certain portions of the Drainage System will serve the drainage needs of adjacent lands not owned by Declarant and not within the Property subject to this Declaration including, without limitation Logan Boulevard. Declarant and the Association each reserve the right to grant such drainage and/or use easements and rights as Declarant may deem necessary or appropriate for accomplishing the drainage needs of the Property and/or lands owned by others provided that such agreements shall not unreasonably interfere with the use of the system by the Owners.

The Drainage System is designed to provide drainage for the Property. Neither the Association nor Declarant shall have any liability whatsoever to any Owner for claims or damages alleged by an Owner due to water levels in the Lakes being below normal or otherwise unacceptable to the Owner. Aesthetic appearance of the Lakes is secondary to their intended drainage function, and during periods of prolonged drought or other unusual weather events water levels in the Lakes may recede, and neither the Association nor Declarant shall have any liability for such conditions.

(10) Irrigation System(s). The central irrigation system(s) serving the Association Property, any or all of the Lots within Riverstone at Naples as described in Article VI, Section 7 hereof.

(11) Conservation Areas, Preserve Areas. The "Conservation Areas" and "Preserve Areas" are those portions of the Property designated on the Plat or Additional Plat, if any, in this Declaration, any Supplemental Declaration, or in any conservation easement deed or other instrument now or hereafter recorded against any portion or portions of the Property, as conservation areas or tracts, preserve areas, tracts or buffers, wetland areas or tracts, or

mitigation areas or tracts. The Conservation Areas and Preserve Areas, if any, shall be used, kept and maintained as such by Declarant, the Association, and the Owners within Riverstone at Naples, their family members, guests, invitees and tenants, in accordance with the requirements and restrictions contained in this Declaration or any Supplemental Declaration, and pursuant to any permit, conservation easement deed or other instrument now or hereafter recorded against any portion or portions of the Property, or as required by any appropriate governmental or quasi-governmental agency or entity having jurisdiction over the Property (collectively the "Conservation Documents and Requirements"). The Association shall be responsible for monitoring and maintaining all Conservation Areas and Preserve Areas in accordance with the Conservation Documents and Requirements and as more fully set forth in Article XIII hereof. In furtherance of the foregoing, Declarant hereby reserves and grants an easement in favor of the Association throughout all portions of Riverstone at Naples as may be necessary for the purpose of accessing, maintaining and administering the Conservation Areas and Preserve Tracts, and no Owner or any Neighborhood Association governing a portion of Riverstone at Naples shall do any act which may interfere with the performance by the Association of its obligations hereunder.

(12) Right to Add Additional Improvements. Such portions of the Association Property upon which Declarant has constructed, or Declarant or the Association hereafter constructs, Improvements shall be kept and maintained for use in a manner consistent with the nature of such Improvements located, or to be located, thereon. Declarant and the Association reserve the right, but shall not be obligated, to construct additional facilities upon the Association Property. Declarant's decision as to whether to construct additional facilities and the construction thereof shall be in the sole discretion of Declarant, and Association's decision as to whether to construct additional facilities and the construction thereof shall be in the sole discretion of the Association.

Section 3. LAKE LOTS. Notwithstanding anything contained herein to the contrary, and subject to the rights and obligations of the Association to maintain the Lakes as aforesaid for water retention, drainage, irrigation and water management purposes for all of Riverstone at Naples and the right of the Association to adopt rules from time to time with respect to the use of the Lakes for such purposes, the Lakes shall be reserved for the private use and enjoyment of all Owners, their family members, guests, invitees and tenants, but only in accordance with this Declaration.

Only "catch and release" fishing in the Lakes shall be permitted; however, notwithstanding anything contained herein to the contrary, an Owner shall only access the Lakes from the "Lake Maintenance Access Easement" or "Lake Maintenance Easement" shown on the Plat, or Additional Plat(s), if any, which immediately abuts such Owner's Lot if the Owner's Lot is a Lake Lot (a "Lake Lot Owner"). If an Owner is not a Lake Lot Owner, or if a Lake Lot Owner wishes to access a different Lake or another area of the same Lake, access to the Lake shall be exclusively from the Lake Maintenance Access Easement abutting a Landscaped Area or Grassed Area (as those terms are defined herein) and such access shall be limited to the portion of the Lake Maintenance Access Easement or Lake Maintenance Easement and lake bank abutting the Landscaped Area or Grassed Area. If no portion of the Lake Maintenance Access Easement or Lake Maintenance Easement and lake bank abuts a Landscaped Area or Grassed Area, Owners other than Lake Lot Owners whose Lots abut the Lake shall not be permitted access to that Lake. In addition, no Owner shall be permitted access to or to fish from any Lake

Maintenance Easement or lake bank area which immediately abuts a Lake Lot owned by another Owner.

Lake Lot Owners and their family members, guests, invitees and tenants shall be permitted, at their sole risk, to operate non-motorized and electric watercraft in the Lakes. No other persons shall be entitled to operate watercraft in the Lakes. Notwithstanding the foregoing, the launching into and removal from a Lake of any permitted non-motorized or electric watercraft by a Lake Lot Owner shall be limited to such Lake Lot Owner's Lake Lot and the Lake Lot Owner shall only access the Lakes from the Lake Maintenance Easement or Lake Maintenance Access Easement which immediately abuts such Lake Lot Owner's Lake Lot. Watercraft shall be limited in size to eighteen feet (18') in length.

No planting, fencing or other Improvements or additions to the Landscaped Area or Grassed Area surrounding a Lake and outside the Lot is permitted. Other than sod, no planting, fencing or other Improvements (including landscaping) or additions shall be permitted along the Lake banks, the Lake Maintenance Easement or Lake Maintenance Access Easement of Lake Lots. No installation of sand or other materials intended to simulate a beach shall be permitted along the Lake banks or within the Lake Maintenance Easement or Lake Maintenance Access Easement or rear yards of Lake Lots; provided however, Declarant shall have the right, but not the obligation to install sand along the Lake banks (and/or within the Lake Maintenance Easements and/or Lake Maintenance Access Easements that are on or adjacent to the Recreation Tract), and if Declarant installs such sand, it shall be the Association's obligation to maintain and replace same, and the expense thereof shall be included as an Operating Expense. Swimming and the operation of motorized watercraft, other than electrically operated watercraft, in the Lakes are prohibited. Watercraft and trailers shall not be stored on the Lake banks or the Lake Maintenance Easement. Only watercraft which are permitted to be used within the Lakes of Riverstone at Naples may be temporarily stored within the backyards of Lake Lots. In addition to the use of any Lake Maintenance Easement by any Lake Lot Owner, as described above, the Lake Maintenance Easement is for the use of the Association, the County, the Water Management District and any other governmental or quasi-governmental agency for access to the Lakes for maintenance of the Lakes and littoral plantings, and other proper purposes. No alteration, relocation, removal or damage to littoral plantings, wetland plantings or upland plantings, if any, located in Lake Maintenance Easements is permitted by an Owner. The Association shall be responsible for the maintenance, repair and replacement of the littoral plantings beyond the water's edge in all Lakes. In no event shall any Owner cause erosion or change in grade of any lake bank slopes from design grade.

Section 4. COSTS. All costs associated with operating, maintaining, repairing and replacing the Association Property shall be the obligation of the Association. The Association Property shall be conveyed to the Association in accordance with the provisions of Article III, Section 6 hereof.

Section 5. PRIVATE USE. For the term of this Declaration, the Association Property (except as otherwise specifically provided in this Declaration) is not for the use and enjoyment of the public, but is expressly reserved for the private use and enjoyment of Declarant, the Association, and the Owners, and their family members, guests, invitees and tenants, but only in accordance with this Declaration.

A. Notwithstanding anything in this Declaration to the contrary, however, Declarant hereby expressly reserves for itself and its affiliates the right to use the Association Property (including, without limitation, all parking spaces within or adjacent to the Recreation Tract, if any) for such period of time as Declarant determines to be necessary in connection with the sale and marketing by Declarant and/or its affiliates of Homes in Riverstone at Naples and in any other communities developed or to be developed by Declarant or its affiliates, including, but not limited to, the holding of sales and marketing meetings, the use of "model row(s)" if one or more, and engaging in sales promotions and related sales and marketing activities for the general public.

B. Except to the extent provided herein and elsewhere in the Riverstone at Naples Documents, the Association Property shall be for the sole and exclusive use of the Owners and residents of Riverstone at Naples and their family members, guests, invitees and tenants.

C. The administration, management, operation and maintenance of the Association Property shall be the responsibility of the Association, as provided herein and in the Riverstone at Naples Documents.

D. The right to use the Association Property shall be subject to the rules and regulations established by the Association, as the same may be amended from time to time.

Section 6. PRIVACY FENCES AND HEDGES. Certain of the Lots within Riverstone at Naples on which "zero lot line" homes are constructed, as further described in Article IV, Section 6.C herein, may have privacy fences installed by Declarant ("Privacy Fences") on or along their rear and/or side lot lines (or portions thereof), with hedges planted by Declarant on either or both sides of such Privacy Fences ("Hedges"). The Privacy Fences and Hedges, if installed by Declarant (which Declarant shall have no obligation whatsoever to do) shall be the maintenance, repair and replacement obligation of the Owner of the Lot on which the same is or are installed, and may not be altered in any way or removed by the Owner of the Lot.

Section 7. MODEL ROW. Declarant hereby reserves the right to construct and/or operate a "model row(s)" in Riverstone at Naples. The "model row(s)" may contain models for Riverstone at Naples or other communities being developed by Declarant or affiliate(s) of Declarant, as Declarant and/or any of Declarant's affiliates may so determine, in their sole discretion. The "model row(s)" may also contain parking, landscaping and fencing across Streets, Drives, Roads and/or Roadways as Declarant may determine in its sole discretion. In the event that Declarant and/or any of Declarant's affiliates constructs a "model row(s)" in Riverstone at Naples, such "model row(s)" may be used for such period of time that Declarant and/or any of Declarant's affiliates determine to be necessary in its or their sole discretion including, without limitation, after the Turnover Date. Each Owner, by acceptance of a deed or title to a Lot in Riverstone at Naples, agrees and acknowledges that: (i) Declarant and/or any of Declarant's affiliates have a right to construct and/or operate a "model row(s)" even after the Turnover Date; (ii) Declarant and/or any of Declarant's affiliates have an easement over Riverstone at Naples for ingress and egress to and from the "model row(s)" and to use and show the models to prospective purchasers in Riverstone at Naples or other communities being developed by Declarant and/or any of Declarant's affiliates, for so long as such "model row(s)" exists; and (iii) Owner shall not interfere in any manner whatsoever in the sales process by Declarant and/or any of Declarant's

affiliates, including, without limitation, the carrying of signs, the posting of signs on Lots or Homes, or other types of demonstrations in or around Riverstone at Naples or any public right-of-way adjacent to the Property. Each Owner acknowledges and agrees that any such activities interfere with the quiet enjoyment of Riverstone at Naples by the other Owners, are detrimental to the value of the Homes within Riverstone at Naples, and interfere with the Declarant's and/or Declarant's affiliates' ability to conduct their business.

Section 8. COMMUNITY SYSTEMS. Declarant shall have the right, but not the obligation, to convey, transfer, sell or assign all or any portion of the Community Systems located within the Property, or all or any portion of the rights, duties or obligations with respect thereto to the Association or any other person or entity (including an Owner, as to any portion of a Community System located on/in such Owner's Lot). Without limiting the generality of this Section 8, if and when any of the aforesaid persons and/or entities receive such a conveyance, sale, transfer or assignment, such person and/or entity shall automatically be deemed vested with such rights of Declarant with regard thereto as are assigned by Declarant in connection therewith; provided, however, that if the Association is the applicable entity, then any Community Systems or portions thereof shall be deemed Association Property hereunder and the Association's rights, duties and obligations with respect thereto shall be the same as those applicable to other Association Property unless otherwise provided by Declarant. Any conveyance, transfer, sale or assignment made by Declarant pursuant to this Section 8, (i) may be made with or without consideration, (ii) shall not require the consent or approval of the Association or any Owner, and (iii) if made to the Association, shall be deemed to have been automatically accepted (with all rights, duties, obligations and liabilities with respect thereto being deemed to have been automatically assumed). In recognition of the intended increased effectiveness and potentially reduced installation and maintenance costs and user fees arising from the connection of all Lots and Association Property to the applicable Community Systems, each Owner and occupant of a Home shall, by virtue of the acceptance of a deed or title to a Lot or other right of occupancy thereof, be deemed to have consented to and ratified any and all agreements to which the Association is a party which is based upon (in terms of pricing structure or otherwise) a requirement that all Lots be so connected. The foregoing shall not, however, prohibit the Association or Community Systems provider from making exceptions to any such 100% use requirement in its reasonable discretion. WITH RESPECT TO COMMUNITY SYSTEMS, ALL PERSONS ARE REFERRED TO ARTICLE VI, SECTION 6 HEREOF, WHICH SHALL AT ALL TIMES APPLY TO THIS SECTION.

**ARTICLE III**  
**ADDITIONS TO AND WITHDRAWALS FROM THE PROPERTY;**  
**CONVEYANCE OF ASSOCIATION PROPERTY**

Section 1. ADDITIONS. Declarant may from time to time, in its sole discretion, by recording appropriate Supplemental Declaration(s) in the Public Records of the County, add any Additional Property or any other real property to the Property governed by this Declaration, and may declare all or part of such Additional Property or other property (including any Improvements thereon) to be Lots or Association Property. Upon the recording of a Supplemental Declaration, the property described therein shall be deemed part of the Property as if it were originally included therein and subject to this Declaration. Any such Supplemental Declaration may submit any Additional Property or any other real property to such modifications of the covenants, restrictions, reservations, regulations, burdens, liens and/or easements

contained in this Declaration as may be necessary or convenient to reflect or adapt to any changes in circumstances or differences in the character of any such Additional Property or other property. Nothing contained in this Section 1 shall be construed to require the joinder by or consent of the Owners or the Association to any such Supplemental Declaration; provided, however, the Association shall join in the execution of any such Supplemental Declaration at the request of Declarant. In addition, nothing herein shall require Declarant to add any Additional Property.

Section 2. DESIGNATION OF ADDITIONAL ASSOCIATION PROPERTY. The Declarant may, from time to time, by recording Supplemental Declarations in the County, designate additional portions of the then existing Property owned by it to be Association Property.

Section 3. DISCLAIMER OF IMPLICATION. Only the real property described in Exhibit "A" hereto is submitted and declared as the Property subject to this Declaration. Unless and until a Supplemental Declaration is recorded in the fashion required pursuant to this Declaration, no other property (including any Additional Property) shall in any way be deemed to constitute a portion of the Property or be affected by the covenants, restrictions, rules, regulations, burdens, liens and easements expressly binding the Property as provided by the terms of this Declaration.

Section 4. ABSENCE OF OBLIGATION. Nothing in this Declaration shall be construed to require the Declarant to add any Additional Property to the Property encumbered by this Declaration or to require Declarant to declare any portion of any properties added to the Property to be Association Property, nor shall anything in this Declaration be construed to require the Declarant to declare any portion or portions of the existing Property as Association Property, except to the extent herein specifically provided.

Section 5. WITHDRAWAL. Notwithstanding anything herein to the contrary, Declarant reserves the absolute right at any time to withdraw portions of the Property from the provisions of this Declaration by recording an appropriate Supplemental Declaration in the County. Any such Supplemental Declaration must be executed by the Declarant, the Owner of each Lot located on the Property sought to be withdrawn (if any) and each holder of an Institutional Mortgage on a Lot located on the Property sought to be withdrawn (if any), in order to be effective. Nothing contained in this Section shall be construed to require the joinder by or consent of the Owners of Lots on the portion of the Property which is not withdrawn by such Supplemental Declaration, such Owners' Institutional Mortgagees holding mortgages on Lots on the portion of the Property which is not withdrawn by such Supplemental Declaration, or the Association.

Section 6. TITLE TO THE ASSOCIATION PROPERTY. To the extent herein provided, the Association Property is hereby dedicated to the joint and several use in common of the Owners of all Lots that may, from time to time, constitute part of the Property. Except as otherwise required by applicable law, when deeds and/or title to all Lots subject to the provisions of this Declaration have been conveyed to non-Declarant purchasers or earlier at Declarant's option exercisable from time to time, as to any portions of the Association Property, the Declarant or its successors and assigns shall convey and transfer to the Association, by quitclaim deed, the fee simple title to the Association Property free and clear of any mortgages and the Association shall accept such conveyance, holding title for the Owners as aforesaid. Such

conveyance shall be subject to (i) any real estate taxes and assessments due with respect to Association Property from and after the date of recording of this Declaration; (ii) all laws, ordinances, regulations, restrictions, prohibitions and other requirements imposed by governmental authorities, including, without limitation, all building, zoning, land use and environmental laws, ordinances, codes and regulations; (iii) matters which would be disclosed by an accurate survey of the Association Property; (iv) easements, covenants, conditions, restrictions, reservations, limitations and other matters of record; and (v) the terms and provisions of this Declaration, as the same may have been modified, amended and/or supplemented from time to time

At the time of conveyance of the Association Property or any portion thereof, the Association shall be required to accept the Association Property, together with the personal property and Improvements appurtenant thereto, if any. The Association hereby agrees to accept the Association Property and the personal property and Improvements appurtenant thereto in "AS IS" "WHERE IS" condition, without any representation or warranty, expressed or implied, in fact or by law, as to the condition or fitness of the Association Property or any portion thereof, and the personal property and Improvements appurtenant thereto being conveyed. IN THAT REGARD, THE ASSOCIATION AND EACH OWNER KNOWINGLY AND VOLUNTARILY RELINQUISHES AND WAIVES, AND DECLARANT EXPRESSLY DISCLAIMS, ANY AND ALL WARRANTIES (EXPRESS OR IMPLIED) AS TO THE ASSOCIATION PROPERTY AND PERSONAL PROPERTY AND IMPROVEMENTS WHETHER ARISING FROM CUSTOM, USAGE OR TRADE, COURSE OF CONDUCT, COURSE OF DEALING, CASE LAW OR OTHERWISE, INCLUDING WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF HABITABILITY, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR ANY IMPLIED WARRANTY OF FITNESS FOR ANY INTENDED OR PARTICULAR PURPOSE.

TO THE EXTENT THAT BY LAW OR OTHERWISE ANY OF THE WARRANTIES RELINQUISHED, WAIVED OR DISCLAIMED CANNOT BE RELINQUISHED, WAIVED OR DISCLAIMED, IN WHOLE OR IN PART, ALL SECONDARY, INCIDENTAL AND CONSEQUENTIAL DAMAGES ARE SPECIFICALLY EXCLUDED AND DISCLAIMED (INCLUDING, WITHOUT LIMITATION, DAMAGES RESULTING FROM CLAIMS OF PROPERTY DAMAGE, LOSS OF USE, PERSONAL INJURY OR EMOTIONAL DISTRESS). Without limitation, the Association shall accept all Streets, Drives, Roads, Roadways, bridges and sidewalks, including, without limitation, all gutters, curbs and paver bricks located within and adjacent to the Streets, Drives, Road, Roadways, bridges and sidewalks, all as installed by Declarant, provided such Streets, Drives, Roads, Roadways, bridges, sidewalks, gutters, curbs and paver bricks perform their intended purposes. The Association and all Owners hereby further acknowledge and agree that small cracks in the Streets, Drives, Roads, Roadways, bridges, sidewalks, gutters, curbs and paver bricks as well as the ponding or collection of water following periods of rain thereon are normal and shall not be considered to be defects or deficiencies of any kind whatsoever.

The Association and each Owner acknowledges and agrees that Declarant has or will install trees, shrubs, plants and other landscaping in Riverstone at Naples consistent with a landscape plan that meets or exceeds the requirements of the County Land Development Code ("LDC") and that from the time of such initial installation, such trees, shrubs, plants and other landscaping may mature, expand, decay and/or die from time to time. The Association shall have

no claim whatsoever against Declarant, and Association hereby releases any and all claims whatsoever against Declarant, for any trees, shrubs, plants and other landscaping that have decayed or died and not been replaced regardless of the reasons therefor so long as all of the remaining trees, shrubs, plants and other landscaping, when looked at as a whole, meet or exceed the minimum requirements of the LDC.

The Association shall accept this conveyance of the Association Property (together with the personal property and Improvements appurtenant thereto) and shall pay all costs of such conveyance including documentary stamps and other taxes of conveyance, recording charges, title insurance expenses and insurance fees. The conveyance shall not, however, impair in any way Declarant's rights and easements as set forth in this Declaration.

Commencing upon the date this Declaration is recorded, and notwithstanding that title thereto has not yet been conveyed to the Association, the Association shall be responsible for the maintenance of the Association Property in a continuous and satisfactory manner without cost to the general taxpayers of the County. The Association shall be responsible for the payment of real estate taxes, if any, against the Association Property including taxes on any Improvements and any personal property thereon accruing from and after the date this Declaration is recorded.

The Owners (including Declarant as to Lots owned by it) shall have no personal liability for any damages: (i) for which the Association is legally liable, or (ii) arising out of, relating to, or in connection with the existence or use of any Association Property or any other property required to be maintained by the Association.

Subject to the foregoing, the Declarant may mortgage any or all portions of the Association Property to finance construction and development expenses provided that the mortgagee recognizes the rights of Owners under this Declaration and neither the Association nor any Owner is personally liable for paying the mortgage. In such event, neither the Association nor the Owners shall be required to join in or be entitled to consent to such mortgage. The Association Property shall be released from any such mortgage no later than the date same is conveyed to the Association.

Section 7. PARKING RIGHTS. The Association may maintain upon the Association Property parking spaces for Owners, occupants, visitors and guests. The use of such parking spaces by Owners, occupants, visitors and guests shall be subject to duly adopted rules and regulations of the Association, as the same may be amended from time to time.

**ARTICLE IV**  
**OWNERS' PROPERTY RIGHTS**

Section 1. OWNERS' EASEMENTS OF ENJOYMENT. Every Owner and family member, guest, tenant, agent or invitee of an Owner shall, except as may otherwise be provided in this Declaration, have a permanent and perpetual, nonexclusive easement for ingress and egress over, enjoyment in, and use of Association Property within the Property (except as may be otherwise specifically provided elsewhere in this Declaration) in common with all other Owners, their family members, guests, tenants, agents and invitees, which easement shall be appurtenant to, and shall pass with a deed and/or title to, each Owner's Lot. This right shall be subject to the following conditions and limitations:

Notwithstanding the foregoing, such two-thirds (2/3) vote or written assent of total voting interests shall not be required for such Improvements made for the sole purpose of preservation of, or prevention of damage to Association Property.

F. The right of the Association to dedicate, release, alienate, or transfer all or any part of the Association Property owned by the Association to any public agency, authority, or utility; and to grant any covenant, restriction or reservation against the Association Property in favor of any such public agency, authority, or utility; provided, however, no such dedication, release, alienation, or transfer shall be effective unless Members entitled to cast two-thirds (2/3) of the total voting interests agree to such dedication, release, alienation or transfer.

G. The right of the Association, without any vote of the Owners, to grant easements and rights-of-way where necessary or desirable, for utilities, water and sewer

facilities, cable television, and other services over the Association Property to serve the Association Property and other portions of the Property without vote of the Owners.

H. The right of the Declarant, Declarant's affiliates, and each of their respective officers, directors, partners, employees, agents, licensees, and invitees to the nonexclusive use of the Association Property and the Improvements thereon, without charge, for sales, marketing, display, access, ingress, egress, construction, and exhibit purposes, and to grant (without consent of the Association and/or vote of the Owners) easements and rights-of-way as provided in this Declaration.

I. The right of the Association, by action of the Board, to reconstruct, replace, or refinish any Improvement or portion thereof upon the Association Property, in accordance with the original design, finish, or standard of construction of such Improvement.

J. The right of the Association to replace destroyed trees or other vegetation and plant trees, shrubs, and ground cover upon any portion of the Association Property.

K. The right, however not the duty, of the Association by action of the Board to seek the vacation of publicly dedicated streets, if any, upon the Property.

L. The right, however not the duty, of the Association, following a tropical storm, hurricane or other Act of God, to upright and/or remove any fallen or dislodged trees on: (1) any Lot, and/or (ii) any grassed areas located between the front and/or side of such Owner's Lot and the Street; all as more particularly set forth in Article IX below.

M. The easements provided elsewhere in this Declaration, designated on the Plat, or on the Additional Plat(s), if any, including, but not limited to, those set forth in this Article IV.

N. The right of the Association to provide for the maintenance, preservation and architectural control of Lots, Improvements and other properties as set forth in this Declaration.

O. The right of the Association and Declarant and their respective employees, agents, licensees, and invitees to come upon the Property (including, without limitation, Association Property as well as a Lot even after the same has been conveyed to an Owner) as may be necessary or convenient for the Association and/or the Declarant to carry on their respective duties, obligations, responsibilities under, and all other work referred to in, this Declaration (including, without limitation, Declarant's development and construction of Riverstone at Naples and Homes therein).

P. The right of the Association to suspend the rights of Owners and their tenants, guests and invitees to use the Association Property (except for legal access) and common facilities when such Owners are more than ninety (90) days delinquent in the payment of any monetary obligation due to the Association. The Association shall also have the right to levy fines and impose suspensions against Owners or any tenants, guests or invitees for violations of the Riverstone at Naples Documents, including, but not limited to, the Association's Rules and Regulations.

Q. The right of the Association to suspend voting rights of Owners that are more than ninety (90) days delinquent in the payment of any monetary obligation due to the Association.

Section 2. DELEGATION OF USE. Any Owner may delegate, in accordance with the Bylaws, such Owner's right of enjoyment to the Association Property to the members of such Owner's family, or to the tenants who reside in such Owner's Home, subject to this Declaration, all of the rules and regulations presently in effect and any which may become effective in the future, and subject further to reasonable regulation by the Board.

Section 3. RECOGNITION OF EASEMENTS. Each Owner, by acceptance of a deed or other instrument of conveyance, recognizes and consents to the easements reserved and/or granted with respect to the Property under this Declaration.

Section 4. EASEMENTS FOR VEHICULAR TRAFFIC. In addition to the general easements for use of the Association Property reserved herein, there shall be, and Declarant hereby reserves, grants, and covenants for itself and all future Owners, their family members, guests, invitees and tenants, Institutional Mortgagees of the Property (or portions thereof), and to the Association, that all of the foregoing shall have a perpetual nonexclusive easement for vehicular traffic over (i) all streets within or upon the Property dedicated to the public use, if any (as well as alcoves, cul de sacs, and other private, paved areas abutting or serving the same), and (ii) any private Streets, Drives, Roads and/or Roadways within or upon the Property.

Section 5. ACCESS EASEMENT. Declarant hereby reserves perpetual, nonexclusive easements of ingress and egress over and across: (i) any and all streets within or upon the Property dedicated to the public use, if any (as well as alcoves, cul de sacs, and other private, paved areas abutting or serving the same), (ii) any private Streets, Drives, Roads and/or Roadways and driveways within or upon the Property, and (iii) all other portions of the Property, any of the foregoing of which are necessary or convenient for enabling Declarant to carry on and complete the work and/or exercise its rights referred to in this Declaration. All of the foregoing easements shall be for the use of Declarant, Declarant's employees, contractors and agents, Declarant's successors and assigns, Owners, and the respective tenants, employees, agents, invitees, and licensees of Declarant and Owners.

Section 6. GRANT AND RESERVATION OF EASEMENTS. Declarant hereby reserves and grants the following perpetual, nonexclusive easements over and across the Property as covenants running with the Property for the benefit of the Owners, the Association, and Declarant as hereinafter specified for the following purposes:

A. Utility and Services Easements. All of the Property shall be subject to an easement or easements to provide for: (i) installation, service, repair and maintenance of the equipment required to provide utility services other than Community Systems to the Association Property and the Lots, including, but not limited to, power, lights, telephone, gas, water, sewer, irrigation and drainage, and (ii) governmental services, including, but not limited to, police, fire, mail, health, sanitation and other public service personnel, including reasonable rights of access for persons and equipment necessary for such purposes for the benefit of the appropriate utility companies, agencies, franchises or governmental agencies.

B. Easement for Encroachment. All of the Property shall be subject to an easement or easements for encroachment in favor of each Owner in the event any portion of such Owner's Home or appurtenant Improvements installed by Declarant such as stucco, a fence or underground footer now or hereafter encroaches upon any of the Lots as a result of minor inaccuracies in survey or construction, by design, or due to settlement or movement. Such encroaching Improvements installed by Declarant shall remain undisturbed for so long as the encroachment exists. Any easement for encroachment shall include an easement for the maintenance and use of the encroaching Improvements in favor of the Owner thereof or such Owner's designees.

C. Zero Lot Line Maintenance Easements.

(1) Preamble: A portion of the Homes in Riverstone at Naples may be designed and site planned as "zero lot line" homes, such that each zero lot line Home is constructed so that all or portions of one side of such Home (and such fences or masonry walls extending from such side or sides) are situated on the side boundary lines of the Lot. Because of this design, it is necessary to provide a means by which the Owner of a Lot ("Dominant Lot") containing such a Home may have access to the "zero lot line" side of the Home (and other portions of such Owner's Lot and Home) in order to maintain portions of the Lot, the side(s) of the Home, the roof and other applicable portions of the Home and Lot, and so that rain water may run off the roof of a particular Home onto the easement area described below. Because such access must be, of necessity, over those portions of the neighboring Lot or Lots ("Servient Lot[s]") adjacent to the "zero lot line" side[s] of such a Home, Declarant hereby makes provision for the "Maintenance Easements" declared and regulated pursuant to this Section 6 (as well as similar easements for the aforesaid purposes which may, but need not, appear on the Plat).

(2) Creation and Extent of Maintenance Easement: Declarant hereby reserves a permanent and perpetual non-exclusive maintenance easement in favor of each Dominant Lot over the unimproved portion of the Servient Lot(s) adjacent to the building lines of the "zero lot line" Home located on the Dominant Lot, which building lines are co-extensive with the Lot lines dividing the aforesaid Lots ("Maintenance Easement"). Said Maintenance Easement shall be appurtenant to and pass with the deed or title of the Dominant Lot and the Servient Lot(s). The Maintenance Easement shall be only as extensive as reasonably necessary to permit the Owner of a Dominant Lot to make the uses described in the Preamble above, subparagraph (3) below and for rainwater run-off, but in no event less than the greater of seven (7) feet in width or as may be otherwise shown as a maintenance, access or similar easement on the Plat.

(3) Use and Conditions of Maintenance Easement: The Owner of a Dominant Lot, such Owner's guests, invitees, contractors, subcontractors, suppliers, laborers and other service personnel, shall be entitled to enter onto the appurtenant Maintenance Easement for purposes of maintaining, repairing and replacing portions of such Owner's Lot and Home including, without limitation, the Home's walls, roof, fence, landscaping and other installations which cannot be conveniently or properly maintained, repaired or replaced solely from the Dominant Lot. The right of each Owner of the Dominant Lot to use the Maintenance Easement shall be limited to the aforesaid uses, and such Owner shall not do anything within the Servient Lot(s) which shall cause damage to the Servient Lot(s) or any Improvement or landscaping

thereon which is not promptly and fully remedied by said Owner by returning such damaged Improvement or landscaping to the condition immediately preceding said damage, shall create an undue hazard to persons or pets located on or coming into the Servient Lot(s) or is in furtherance of any activity as to the Dominant Lot or the Home thereon which is, or would result in, a violation of the restrictions set forth in the Riverstone at Naples Documents. The Owner of the Dominant Lot shall, by virtue of making use of any Maintenance Easement, be deemed to indemnify the Owner of a Servient Lot for any and all losses, costs, expenses or damage to any person or property incurred by reason of the former's violations of the restrictions contained herein.

(4) Servient Lot Owner Duties: Owners of Servient Lots shall not make any Improvement to the Servient Lot, including, without limitation, the placement of fences or landscaping, which would unreasonably interfere with the permissible uses of any maintenance or access easement appurtenant to the adjoining Dominant Lot reserved hereby or with the flowage easement described in this Section 6. Notwithstanding the foregoing, except as prohibited under Article X, Section 16 hereof, the Owner of a Servient Lot may install a fence or landscaping thereon provided such installation is approved by the Committee pursuant to Article VIII hereof.

(5) Reciprocity: Each Owner, by acceptance of a deed or title for a Lot containing a "zero lot line" Home, hereby acknowledges and agrees that such Owner's Lot may not only be a Dominant Lot having rights across adjacent Servient Lots as hereinbefore described, but also a Servient Lot encumbered by the easement rights hereinbefore described in favor of the Dominant Lots adjacent to such Owner's Lot.

D. Easement to Enter Upon Lots. An easement or easements for ingress and egress in favor of the Association, including the Board or the designee of the Board, to enter upon the Lots for the purposes of fulfilling its duties and responsibilities of ownership, maintenance and/or repair in accordance with the Riverstone at Naples Documents, including, by way of example, the making of such repairs, maintenance or reconstruction as are necessary for the Association Property and to maintain any Lot in the event the Owner thereof fails to do so.

E. Easement Over Association Property. An easement of enjoyment in favor of all Owners, their family members, guests, invitees and tenants in and to the Association Property which shall be appurtenant to and shall pass with a deed or title to every Lot in the Property, subject to the following:

(1) the right of the Association to suspend the right to use the Association Property of any Owner and such Owner's family members, guests, invitees and tenants in accordance with the Association Documents and law;

(2) the right of the Association to grant permits, licenses and easements over the Association Property for utilities and other purposes reasonably necessary or useful for the proper maintenance or operation of the Property; and

(3) all provisions set forth in the Riverstone at Naples Documents.

F. Zero Lot Line Easement for Roof Overhangs and Encroachments. An easement or easements, as shown on the Plat and Additional Plat, if any, to provide for the roof overhang of a zero lot line Home in favor of the Owner thereof, including rights of access for persons or equipment necessary to maintain, repair and replace such roof overhang. In addition to roof overhangs, the foregoing easement shall be deemed to include an easement to allow for the encroachment of all architectural and other decorative features which are appurtenant to and have been included as part of the initial construction of the Owner's Home, which now or hereafter encroach upon any of the Lots, as well as an easement of access for persons or equipment necessary to maintain, repair and replace such improvements.

G. Drainage Easement. An easement over, under and upon all areas of the Property and/or Drainage System for access to install, operate, maintain, alter, inspect, remove, relocated, repair and/or replace the Drainage System. By this easement, the Association shall have the right to enter upon any portion of any Lot which is part of the Drainage System, at a reasonable time and in a reasonable manner, to operate, maintain or repair the Drainage System as required by the Water Management District and the Water Management District Permit. In addition, Declarant reserves and grants to the Water Management District a perpetual, non-exclusive ingress, egress and access easement over and across all private streets and roads, an all dedicated access easement created on the Plat or any Additional Plat(s), as may be necessary or convenient for the Water Management District to obtain access to and from the Drainage System, and for enabling the Water Management District to carry out any work permitted to be performed by the Water Management District under the Water Management District Permit and/or this Declaration. No Owner shall install any plantings, landscaping and/or other Improvements whatsoever in, on, over or across any Drainage Easement without the prior approval of the Committee.

H. Irrigation Easement. An easement for irrigation over, under and upon the Property, including, without limitation, each of the Lots, in favor of the Association, including, without limitation, reasonable rights of access for persons and equipment to construct, install, maintain, alter, inspect, remove, relocate, repair and/or replace the Irrigation System (or any portions thereof) installed on the Property. Notwithstanding the foregoing, in the event of any damage caused by an Owner to the Irrigation System or any portions thereof (including, without limitation, any portions of the Irrigation System located upon such Owner's Lot), the cost of the repairs and/or replacements resulting from such damage shall be paid by such Owner.

I. Drainage System Encroachment Easement. An easement for encroachment over, under and upon the drainage easements located within the Lots, as designated on the Plat and Additional Plat(s), if any, in favor of: (i) the Owner of the Lot upon which the drainage easement is located for the existence of any driveway and/or sidewalk or irrigation system or part thereof, encroaching over, under and upon such drainage easement, and (ii) the Association for reasonable rights of access for persons and equipment to construct, install, maintain, alter, inspect, remove, relocate and repair any driveway and/or sidewalk, or irrigation system or part thereof installed or located over, under and upon such drainage easement. In the event the Association requires access to any Drainage System improvements within a drainage easement located within a Lot upon which any such driveway and/or sidewalk or irrigation system encroaches, the Association has the obligation, at its own cost and expense, to remove and replace any such encroachment, and to return it to its condition immediately preceding such removal and replacement once access to the drainage easement is no longer

required. The flowage easements providing for drainage run between each of the Lots parallel to and over the side lot line thereof, draining either from the rear to the front, or from the front to the rear, of the Lots. In addition, Declarant may, but is not obligated to, convey easements to the owner(s) of adjacent properties (or portions thereof) to provide legal positive outfall for runoff from such adjacent properties.

J. Buffer Easements. An easement or easements as shown on the Plat and/or Additional Plat(s), if any, in favor of the Association for landscape, buffers, drainage and utility purposes.

K. Lake Maintenance Easements and Lake Maintenance Access Easements. Easements as shown on the Plat and/or Additional Plat(s), if any, granted in favor of the Association, the County and the Water Management District for the purpose of accessing the Lakes to perform lake maintenance and stormwater management and drainage facilities maintenance. Except as otherwise provided herein, the Lake Maintenance Easement and Lake Maintenance Access Easement are the perpetual maintenance obligation of the Association.

L. Access and Boat Ramp Easements. Easements as shown on the Plat and/or Additional Plat(s), if any, in favor of the Association and applicable governmental authorities for the purpose of accessing the Lakes to perform lake maintenance and to perform stormwater management and drainage facilities maintenance. Owners, their guests, invitees, tenants and other persons are specifically prohibited from utilizing the access and boat ramp easements for the purpose of launching boats or accessing the Lakes for recreation, enjoyment or other uses. The Access and Boat Ramp Easements are the perpetual maintenance obligations of the Association.

M. Lift Station Easements. Easements in favor of the County for ingress, egress and access to and from the Lift Station Tracts as shown on the Plat and/or Additional Plat(s), if any, as Lift Station Tracts, for the installation, repair, maintenance and service of equipment, lines and other structures necessary to supply sanitary sewer services to and from Riverstone at Naples.

N. Irrigation and Landscape Buffer Easements. A perpetual, non-exclusive irrigation and landscape buffer easement (the "Irrigation and Landscape Buffer Easement") in favor of the Association, in, on, over, under and across the easterly three (3') feet of Lots 390 through 409, inclusive, and the northerly three (3') feet of Lots 409 through 412, inclusive, all of Riverstone - Plat Two, according to the Plat thereof, recorded in Plat Book 52, Page 7 of the Public Records of Collier County, Florida, and any other Lots designated on a Plat to have an Irrigation and Landscape Buffer Easement (the "Irrigation and Landscape Buffer Easement Lots"). The Irrigation and Landscape Buffer Easement created herein shall be for installation, construction, maintenance, repair and replacement of trees, landscaping hedges and/or other landscaping materials, fencing, irrigation lines, pipes, pumps, and related irrigation facilities (collectively, the "Irrigation and Landscaping Improvements"), which may be installed by Declarant. The Irrigation and Landscaping Improvements may not be removed or altered by any Owner (except only that dead or dying trees and landscaping shall be replaced by Owner with plant material of a similar size and species). In addition, no Owner shall engage in any activity which affects the grading of any portion of the Irrigation and Landscape Buffer Easement. Except for the Irrigation and Landscaping Improvements made or installed by Declarant and/or the Association, no plantings and/or Improvements, including, without limitation, pool decks, patios, screen enclosures, hedges, trees, etc. shall be permitted within the Irrigation and

Landscape Buffer Easement, unless such plantings and/or Improvements are specifically approved by the Association. To the extent an Irrigation and Landscape Buffer Easement Lot is also burdened by a Drainage Swale Easement, as defined in Article IV, Section 7 hereof, the restrictions contained within this sub-section N shall control, and the Owner of an Irrigation and Landscape Buffer Easement Lot shall only be permitted to install Improvements within the Drainage Swale Easement and Irrigation and Landscape Buffer Easement in accordance with the provisions of this sub-section N. The Association shall be responsible for maintaining the Irrigation and Landscaping Improvements located within the Irrigation and Landscape Buffer Easement and shall be responsible to make any and all necessary repairs and/or replacements to any Owner's plantings or Improvements located within the Landscape Buffer Easement, including, without limitation, pool decks, patios, screen enclosures, hedges, trees, etc. (provided the installation of same was approved by the Association in accordance with this sub-section N), that are damaged in connection with the Association's performance of such maintenance. Notwithstanding the obligation of the Association to maintain the Irrigation and Landscaping Improvements, with the exception of replacement required due to damage caused by the Association's performance of such maintenance, any replacement of trees, hedges, shrubs and/or other plant materials within the Irrigation and Landscape Buffer Easement, for any reason whatsoever, shall be the obligation of the Owner of the Lot upon which the replacement is required. All costs and expenses incurred by the Association in connection with this Section 6.N. shall be deemed an Operating Expense.

Section 7. REAR YARD DRAINAGE SWALE EASEMENT. Declarant hereby reserves and grants a perpetual, nonexclusive drainage easement ("Drainage Swale Easement") over and across the rear five feet (5') of all "Non-Lake Lots" which for the limited purpose of this Section 7 is defined to mean a Lot in which no portion of such Lot is abutting any portion of a Lake or a Lake Maintenance Easement. The Drainage Swale Easement shall be for drainage and flowage of storm water runoff and pipes and other ancillary equipment installed to provide for such drainage and flowage. Except as expressly provided in the following sentence, no planting, landscaping and/or Improvements whatsoever, including, without limitation, pool decks, patios, screen enclosures, hedges, trees, etc. shall be permitted within the Drainage Swale Easement. Notwithstanding the foregoing, subject to approval from the Association, an Owner of a Non-Lake Lot that is subject to the Drainage Swale Easement may install a pool/spa deck, patio and/or screen enclosure within the Drainage Swale Easement on such Owner's Non-Lake Lot provided that such improvement is constructed in a manner that will not discharge storm water runoff from such improvement onto any adjacent property (including, without limitation, any adjacent Owner's Lot or Association Property). In that regard, all such improvements approved to be constructed within the Drainage Swale Easement shall be designed and constructed in a manner that will retain all such storm water runoff on such Owner's Non-Lake Lot including, without limitation, installation of a commercial grade deck drain that will collect such runoff and discharge it to the side yard of the Non-Lake Lot. In addition, each Owner of a Non-Lake Lot shall have the right to seek approval from the Association for the installation of a fence across the Drainage Swale Easement to the rear property line of the Non-Lake Lot, subject to the terms and conditions of the Riverstone at Naples Documents and the prior approval of the Association, the Committee, and otherwise in accordance with the Riverstone at Naples Documents.

Section 8. EASEMENT FOR COMMUNITY SYSTEMS. Notwithstanding anything to the contrary in this Declaration, Declarant and its affiliates and their respective designees shall have a perpetual exclusive easement over, across, upon and under the Association Property and the Lots for the installation, operation, maintenance, repair, replacement, alteration and expansion of Community Systems.

Section 9. ASSIGNMENTS; ADDITIONAL EASEMENTS. The easements reserved hereunder may be assigned by Declarant or the Association in whole or in part to any city, county or state government or agency thereof, or any duly licensed or franchised public utility, or any other designee of Declarant. Declarant, and after the Turnover Date the Association, shall have and hereby reserves the right to grant and/or reserve additional easements over, under and upon the Property or portions thereof (including the portion of Lots where no physical structure of the Home is located) which may be necessary or desirable by Declarant, and after the Turnover Date the Association. The Owners hereby authorize Declarant and/or the Association to execute, on their behalf and without any further authorization, such grants of easement or other instruments as may from time to time be necessary to grant easements over and upon the Property or portions thereof in accordance with the provisions of this Declaration.

Notwithstanding anything in this Declaration to the contrary, the easement rights granted to or reserved by Declarant hereunder are not to be construed as creating an affirmative obligation to act on the part of Declarant.

**ARTICLE V**  
**MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION;**  
**BOARD; DURATION OF THE ASSOCIATION**

Section 1. MEMBERSHIP AND VOTING RIGHTS. The Association is the entity responsible for management, maintenance, operation, and control of the Association Property. Membership in the Association shall be established and terminated as set forth in the Articles. Each Member shall be entitled to the benefit of, and be subject to, the provisions of the Riverstone at Naples Documents. The voting rights of the Members shall be as set forth in the Articles.

Section 2. BOARD. The Association shall be governed by the Board which shall be appointed, designated or elected, as the case may be, as set forth in the Articles.

Section 3. DURATION OF ASSOCIATION. The duration of the Association shall be perpetual, as set forth in the Articles. In the event of termination, dissolution or final liquidation of the Association, the responsibilities for the operation and maintenance of the Drainage System must be transferred to and accepted by an entity which would comply with Section 40C-42.027, Florida Administrative Code, and must be approved by the Water Management District prior to such termination, dissolution or liquidation.

**ARTICLE VI**  
**COVENANT TO PAY ASSESSMENTS; ESTABLISHMENT OF LIENS;**  
**COLLECTION OF ASSESSMENTS; COLLECTION BY DECLARANT;**  
**CERTAIN RIGHTS OF DECLARANT AND INSTITUTIONAL MORTGAGEES**

Section 1. AFFIRMATIVE COVENANT TO PAY ASSESSMENTS. In order to: (a) fulfill the terms, provisions, covenants, conditions, restrictions, reservations, regulations, burdens, liens and easements contained in the Riverstone at Naples Documents; and (b) maintain, operate and preserve the Association Property for the use, safety, welfare and benefit of the Members and their family members, guests, invitees and tenants, there is hereby imposed upon each Completed Lot, and Incomplete Lot, and each Completed Lot Owner and Incomplete Lot Owner, the

affirmative covenant and obligation to pay to the Association commencing from and after the first conveyance of a Completed Lot from Declarant as evidenced by the recordation of a deed in the Public Records of the County (in the manner herein set forth) all Assessments as set forth herein, which Assessments may include, but are not limited to, the Individual Lot Assessments, Service Area Assessments and Special Assessments, as applicable. Each Owner, by acceptance of a deed or other instrument of conveyance conveying a Lot within the Property, whether or not it shall be so expressed in such deed or instrument, shall be obligated and agrees to pay to the Association all Assessments in accordance with the provisions of the Riverstone at Naples Documents.

The following expenses of the Association are hereby declared to be Operating Expenses which the Association is obligated to assess and collect, and which the Owners are obligated to pay as provided herein or as may be otherwise provided in the Riverstone at Naples Documents: (1) any and all taxes and tax liens which may be assessed or levied at any and all times against the Association Property, the Community Systems or against any and all personal property or Improvements thereon; (2) all charges levied for Community Systems or other utilities providing services for the Association Property or to Owners on a bulk basis, such as water, gas, electricity, telephone, cable television, sanitation, sewer and any type of utility or any other type of service charge which is not separately billed to an Owner; (3) the premiums on policies of insurance including, but not limited to, liability and casualty insurance for the Association Property and directors and officers liability insurance for the officers and directors of the Association; (4) any sums necessary for the maintenance and repair of the Association Property and all Improvements located thereon; (5) administrative and operational expenses; (6) fees and other costs of operating, maintaining, repairing and replacing the Irrigation System; (7) all sums necessary for the maintenance and repair of the Drainage System, including, but not limited to, work within retention areas, drainage structures and drainage easements; and (8) any and all expenses deemed to be Operating Expenses by the Association and/or under this Declaration. Reserves for replacements, capital expenditures and deferred maintenance are specifically excluded from Operating Expenses. The Board may, if it so determines, include reserves in the Association's annual budget; however, reserves are not part of Operating Expenses and are therefore payable only by Completed Lot Owners. In addition, any expense which is required by the Declaration to be the matter of Special Assessment shall not be deemed to be an Operating Expense. Expenses which are required to be the matter of Special Assessment include, by way of example but not by way of limitation, the following: the cost of reconstructing, replacing or improving the Association Property or any portion thereof or Improvements thereon; any casualty loss affecting the Association or the Association Property to the extent such loss exceeds the insurance proceeds, if any, receivable by the Association as a result of such loss; any judgment against the Association (or against a Director or Directors if and to the extent such Director is, or such Directors are, entitled to be indemnified by the Association therefor pursuant to the Articles) to the extent such judgment exceeds the insurance proceeds, if any, received by the Association as a result of such judgment, or an agreement by the Association (or such Director or Directors to whom indemnification is owed) to pay an amount in settlement of a lawsuit against it (or such Director or Directors) to the extent such settlement exceeds the insurance proceeds, if any, received by the Association as a result of such settlement agreement; and Legal Fees incurred by the Association in connection with litigation (whether incurred for the preparation, filing, prosecution or settlement thereof or otherwise), except Legal Fees incurred by the Association in connection with the collection of Assessments or other charges which Owners are obligated to pay pursuant to the Riverstone at Naples

Documents or the enforcement of the use and occupancy restrictions contained in the Riverstone at Naples Documents, and except Legal Fees incurred for lawsuits not approved pursuant to Section 12 of Article XV below.

The Operating Expenses with respect to the Association Property are payable by each Owner to the Association notwithstanding the fact that Declarant may not have as yet conveyed title to the Association Property to the Association.

Section 2. ESTABLISHMENT OF LIENS. Each Assessment against a Lot, together with Interest thereon, late charges, and costs of collection, including, but not limited to, Legal Fees, shall be the personal obligation of the Owner of such Lot. Any and all Assessments made by the Association in accordance with the provisions of the Riverstone at Naples Documents with Interest thereon, late charges, and costs of collection, including, but not limited to, Legal Fees, are hereby declared to be a charge and continuing lien upon each Lot against which each such Assessment is made. Said lien shall be effective only from and after the time of the recordation amongst the Public Records of the County of a written, acknowledged statement by the Association setting forth the amount due to the Association as of the date the statement is signed. Upon full payment of all sums secured by that lien, the party making payment shall be entitled to a satisfaction of the statement of lien in recordable form. Notwithstanding anything to the contrary herein contained, in the event an Institutional Mortgagee of record obtains a deed or title to a Lot as a result of foreclosure of its first mortgage or deed in lieu of foreclosure, such acquirer of a deed or title, its successors or assigns, shall be liable for Assessments pertaining to such Lot and/or chargeable to the former Owner except and to the extent limited by applicable Florida Statutes.

Section 3. COLLECTION OF ASSESSMENTS. In the event any Owner shall fail to pay any Assessment, or installment thereof, charged to such Owner within fifteen (15) days after the same becomes due, then the Association, through its Board, shall have any and all of the following remedies to the extent permitted by law, which remedies are cumulative and which remedies are not in lieu of, but are in addition to, all other remedies available to the Association:

1. To accelerate the entire amount of any Assessment for the remainder of the calendar year notwithstanding any provisions for the payment thereof in installments.
2. To advance on behalf of the Owner(s) in default funds to accomplish the needs of the Association up to and including the full amount for which such Owner(s) is(are) liable to the Association and the amount or amounts of monies so advanced, together with Interest and all costs of collection thereof, including, but not limited to, Legal Fees, may thereupon be collected by the Association from the Owner(s), and such advance by the Association shall not waive the default.
3. To file an action in equity to foreclose its lien at any time after the effective date thereof as provided in Section 2 hereinabove. The lien may be foreclosed by an action in the name of the Association in like manner as a foreclosure of a mortgage on real property.

4. To file an action at law to collect said Assessment plus Interest, late charges, and all costs of collection thereof, including, but not limited to, Legal Fees, without waiving any lien rights or rights of foreclosure of the Association.

5. To charge Interest on such Assessment from the date it becomes due, as well as a late charge in the highest amount permitted by law, and if no such late charge is designated by law, then Twenty-Five and No/100 (\$25.00) Dollars, to defray additional collection costs.

6. To suspend the use rights of the Owner(s) in default to the Association Property, if such Owner is delinquent in payment of assessments for more than ninety (90) days, subject to the Notice and Hearing provisions in Article X, Section 1 herein.

7. To suspend the right of the Owner(s) in default to vote on any matter on which Owners have the right to vote if such Owner is delinquent in payment of assessments for more than ninety (90) days.

8. To collect any monetary obligation, including delinquent Assessments due for the Home from the rents paid by any tenant occupying the Home if the Owner has leased the Home. In such case, the tenant shall remit such delinquent Assessments and other amounts due the Association directly to the Association upon written notice from the Association that the Owner is delinquent in the payment of its monetary obligations and the tenant may deduct such amounts paid to the Association from the rent due to the Owner. The Association has the right to require Owners to use a lease addendum the form of which may be prepared by the Association, which provides, among other things, that the tenant will pay the rent due under the lease directly to the Association upon receipt of notice from the Association that the Owner is delinquent in amounts due to the Association.

Section 4. COLLECTION BY DECLARANT. In the event for any reason the Association shall fail to collect the Assessments, Declarant shall at all times have the right (but not the obligation): (i) to advance such sums as the Association could have advanced as set forth above; and (ii) to collect such Assessments and, if applicable, any such sums advanced by Declarant, together with Interest and costs of collection, including, but not limited to, Legal Fees.

Section 5. RIGHTS OF DECLARANT AND INSTITUTIONAL MORTGAGEES TO PAY ASSESSMENTS AND RECEIVE REIMBURSEMENT. Declarant and any Institutional Mortgagee(s) shall have the right, but not the obligation, jointly or individually, and at their sole option, to pay any of the Assessments which are in default and which may or have become a charge against any Lot(s). Further, Declarant and any Institutional Mortgagee shall have the right, but not the obligation, jointly or individually, and, at their sole option, to pay insurance premiums or fidelity bond premiums or other required items of Operating Expenses on behalf of the Association in the event the same are overdue and when lapses in policies or services may occur. Declarant and any Institutional Mortgagee paying overdue Operating Expenses on behalf of the Association will be entitled to immediate reimbursement from the Association plus Interest and any costs of collection including, but not limited to, Legal Fees, and the Association shall execute an instrument in recordable form acknowledging such reimbursement obligations and deliver the original of such instrument to each Institutional Mortgagee who is so entitled to reimbursement and to Declarant if Declarant is entitled to reimbursement.

Section 6.     COMMUNITY SYSTEMS SERVICES. The Association shall have the right to enter into one or more agreement(s) (“Bundled Service Agreements”) for receipt of television (via cable, satellite or otherwise), entertainment, telecommunication, internet, monitored alarm and/or other services (collectively, “Bundled Services”) for Homes in Riverstone at Naples. Any and all costs and expenses incurred by the Association under or pursuant to any Bundled Service Agreements entered into by the Association for Bundled Services will be assessed against all Completed Lot Owners. It is contemplated that there may be features and services that are or will be available in addition to and not part of the Bundled Services (each, an “Optional Service”). Notwithstanding anything to the contrary contained in this Declaration, the costs and expenses charged to the Association under the Bundled Services Agreements shall be apportioned equally, but only amongst those Homes with respect to which the Association is being charged under or pursuant to the Bundled Services Agreement except to the extent, if any, that any Owner elects to receive an Optional Service (being a service not automatically received by all Owners entitled to receive Bundled Services pursuant to the Bundled Services Agreements). Each Owner who receives an Optional Service, if any, shall be responsible for paying for the costs of such Optional Services and for any hook-up costs, any converter boxes, remote control units, and the charge therefor shall be billed directly to Owner. The foregoing shall in no way obligate Declarant or the Association to enter into any Bundled Services Agreement.

Section 7.     CENTRAL IRRIGATION SYSTEM(S). The Irrigation System for Riverstone at Naples shall serve the Association Property and each of the individual Lots, and is a single, central Irrigation System controlled by the Association. The responsibility for operating, maintaining, repairing and replacing such Irrigation System shall be governed by the provisions of Article IX below.

**ARTICLE VII**  
**METHOD OF DETERMINING ASSESSMENTS**  
**AND ALLOCATION OF ASSESSMENTS**

Section 1.     DETERMINING AMOUNT OF ASSESSMENTS. The total anticipated Operating Expenses for each calendar year shall be set forth in the budget (“Budget”) prepared by the Board as required under the Riverstone at Naples Documents. Each Completed Lot and Incomplete Lot shall be assessed its *pro rata* portion of the total anticipated Operating Expenses, which shall be the “Individual Lot Assessment” as to each Lot. The Individual Lot Assessment shall be based upon the level of service to each Lot and upon the state of the Lot’s development, with the Owners of Completed Lots paying the Operating Expenses on a twenty to one ratio (20:1) compared to the Owners of Incomplete Lots as set forth below. Therefore, the Completed Lot Owners and Incomplete Lot Owners shall share the payment of the Operating Expenses on a ratio of twenty to one (20:1). Therefore, the total anticipated Operating Expenses (other than those expenses which are properly the subject of Special Assessment) shall be divided by the total number of Completed Lots multiplied by twenty (20) plus the number of Incomplete Lots, with the quotient thus arrived at being the “Individual Lot Assessment” for an Incomplete Lot. Said quotient multiplied by twenty (20) shall be the Individual Lot Assessment for a Completed Lot. The number of Completed Lots and Incomplete Lots shall be adjusted quarterly, as needed, as hereinafter set forth. At such time as Declarant has conveyed all of the Homes on all of the Lots, each Lot shall be a Completed Lot and the Individual Lot Assessment shall be equal for each Lot. Notwithstanding anything in the Riverstone at Naples Documents to the contrary, any Assessment for Legal Fees incurred by the Association for lawsuits shall be deemed an

Operating Expense which is properly the subject of Special Assessment and not the subject of an Individual Lot Assessment so long as approved pursuant to Section 12 of Article XV, except the Legal Fees incurred by the Association in connection with the collection of assessments or other charges which Owners are obligated to pay pursuant to the Riverstone at Naples Documents or the enforcement of the use and occupancy restrictions contained in the Riverstone at Naples Documents.

Section 2. ASSESSMENT PAYMENTS. Individual Lot Assessments shall be payable quarterly, in advance, on the first day of January, April, July and October of each year, provided, however, at the Association's option, Individual Lot Assessments may be payable monthly. Individual Lot Assessments, and the quarterly or monthly installments thereof, may be adjusted from time to time by the Board to reflect changes in the number and status of Completed Lots and Incomplete Lots (thus apportioning all such Assessments and installments thereof among all Lots at the time such installment is due) or changes in the Budget or in the event the Board determines that an Assessment or any installment thereof is either less than or more than the amount actually required. When an Incomplete Lot becomes a Completed Lot during a period with respect to which an Assessment or installment thereof has already been assessed, such Completed Lot shall be deemed assessed the amount of such Assessment or installment thereof which was assessed against Completed Lots in existence at the time of such Assessment, prorated from the date the Lot became a Completed Lot through the end of the period in question. If the payment of such Assessment or installment thereof was due at the time the Lot became a Completed Lot or prior thereto, said prorated amount thereof shall be immediately due and payable. Likewise, the amount paid with respect to such Completed Lot based upon the Lot's status as an Incomplete Lot, prorated from the date the Incomplete Lot became a Completed Lot to the end of the period in question, shall be credited against the amount owed as a Completed Lot.

Section 3. SPECIAL ASSESSMENTS. "Special Assessments" include, in addition to other Assessments designated as Special Assessments in the Riverstone at Naples Documents and whether or not for a cost or expense which is included within the definition of "Operating Expenses," those Assessments which are levied for capital improvements which include the costs (whether in whole or in part) of constructing or acquiring Improvements for, or on, the Association Property or the cost (whether in whole or in part) of reconstructing or replacing such Improvements. In addition, Special Assessments may be levied against particular Lots and/or Owners to the exclusion of others. Notwithstanding anything to the contrary herein contained, it is recognized and declared that Special Assessments shall be in addition to, and are not part of, any Individual Lot Assessment. Any Special Assessments assessed against Lots and the Owners thereof shall be paid by such Owners in addition to any other Assessments and shall be assessed in the same manner and using the same 20:1 ratio as the Individual Lot Assessment. Special Assessments shall be paid in such installments or in a lump sum as the Board shall, from time to time, determine. Notwithstanding the foregoing, the levying of any Special Assessment after the Turnover Date shall require the affirmative assent of at least two-thirds (2/3) of all Members represented in person or by proxy at a meeting called and held in accordance with the Bylaws for all Special Assessments except only any Special Assessment for: (a) repair, reconstruction, or replacement of damaged or destroyed Improvements previously existing on Association Property (including, without limitation, landscaping), (b) capital improvements necessary or desirable for the sole purpose of preservation of, or prevention of damage to, Association Property, or (c) uprooting or removing any fallen or dislodged trees as set forth in Article IX below; which shall

not require such affirmative assent of at least two-thirds (2/3) of all Members. Prior to the Turnover Date, but subject to any affirming vote of the Members as may be required by the HOA Act, a Declarant-controlled Board may make a Special Assessment. Special Assessments are not included in the guarantee set forth in Article VII, Section 7 below.

Section 4. LIABILITY OF OWNERS FOR INDIVIDUAL LOT ASSESSMENTS. By the acceptance of a deed or other instrument of conveyance of a Lot in the Property, each Owner thereof acknowledges and agrees that each Lot and the Owners thereof are jointly and severally liable for their own Individual Lot Assessments and their applicable portion of any Special Assessments, as well as for any and all other Assessments for which they are liable, as provided for herein. Such Owners further recognize and covenant that they are jointly and severally liable with the Owners of all Lots for the Operating Expenses (subject to any specific limitations provided for herein such as, but not limited to, the limitation with respect to matters of Special Assessment and the limitations on the liability of Institutional Mortgagees and their successors and assigns). Accordingly, subject to such specific limitations, it is recognized and agreed by each Owner, for such Owner and such Owner's heirs, executors, successors and assigns, that in the event any Owner fails or refuses to pay such Owner's Individual Lot Assessment or any portion thereof, or such Owner's respective portion of any Special Assessment or any other Assessment, then the other Owners may be responsible for increased Individual Lot Assessments or Special Assessments or other Assessments due to the nonpayment by such other Owner, and such increased Individual Lot Assessment or Special Assessment or other Assessment can and may be enforced by the Association and Declarant in the same manner as all other Assessments hereunder as provided in the Riverstone at Naples Documents.

Section 5. SERVICE AREA ASSESSMENTS:

(a) Calculation of Service Area Assessments. Before the beginning of each fiscal year, the Board shall prepare a separate budget for each Service Area of the estimated Limited Operating Expenses which it expects to incur on behalf of such Service Area for the coming year, including any contributions to be made to a reserve fund pursuant to subsection (c) below for periodic major maintenance, repair and replacement of items that the Association maintains on behalf of the Service Area as a Limited Operating Expense. Each budget shall include, as a separate line item in the operating expense portion of the budget, the estimated cost of routine maintenance and repair of any private roads which the Association maintains on behalf of such Service Area as a Limited Operating Expense, and as a separate line item in the reserve portion of the budget, a contribution to a reserve fund for periodic major maintenance, repair and repaving of such roads. The budget shall separately reflect the anticipated sources and estimated amounts of funds to cover the Limited Operating Expenses, including any surplus or deficit to be applied from prior years, assessment income, any fees charged for use of recreational amenities maintained on behalf of the Service Area, and any other non-assessment income.

The Association is authorized to levy Service Area Assessments to fund the Limited Operating Expenses for each Service Area against all Lots in the Service Area that are subject to assessment under Article VI, Section 1, in the proportions described in this Article VII, except that, unless otherwise specified in the applicable Supplemental Declaration, any portion of the assessment intended for exterior maintenance of structures, insurance on structures, or replacement reserves which pertain to particular structures, may be levied on each of the benefited Lots in proportion to the benefit received, as the Board may reasonably determine. In

determining the Service Area Assessment rate for any Service Area, the Board may consider any assessment income expected to be generated from any property in the Service Area reasonably anticipated to become subject to assessment during the fiscal year.

Declarant may, but shall not be obligated to, reduce the Service Area Assessment applicable to any Service Area for any fiscal year by payment of a subsidy (in addition to any amounts paid by Declarant under Section 6 of this Article VII) which may be either a contribution, an advance against future assessments due from Declarant, or a loan, in Declarant's discretion. Any such subsidy shall be disclosed as a line item in the income portion of the budget. The payment of such subsidy in any year shall not obligate Declarant to continue paying a subsidy in future years, unless otherwise provided in a written agreement between the Association and Declarant.

All amounts that the Association collects as Service Area Assessments shall be expended solely for the benefit of the Service Area for which they were collected and shall be accounted for separately from the Association's general funds.

(b) Benefited Assessments. The Association may levy Benefited Assessments against one or more particular Lots as follows:

(1) to cover the costs, including, without limitation, overhead and administrative costs, of providing services to a Lot upon request of the Owner pursuant to any menu of special services which the Association may offer (which might include the items identified in Section 3(a) of Article IX) or pursuant to a Supplemental Declaration. Benefited Assessments for special services may be levied in advance of the provision of the requested service; and

(2) to cover costs incurred in bringing a Lot into compliance with the Governing Documents, or costs incurred as a consequence of the conduct of the Owner or occupants of the Lot, their agents, contractors, employees, licensees, invitees, or guests, including, without limitation, Legal Costs.

(c) Budgeting for Reserves. The Board shall prepare and periodically review separate reserve budgets for the Association Property and for each Service Area for which the Association maintains capital items as a Limited Operating Expense which take into account the number and nature of replaceable assets, the expected life of each asset, and the expected repair or replacement cost of capital items under each budget. The Board may include in the Operating Expense budget adopted pursuant to Article VII, Section 1, or the Service Area budgets adopted pursuant to Article VII, Section 5, as appropriate, a capital contribution to fund reserves in an amount which the Board, in the exercise of its business judgment, deems sufficient to meet the projected needs under each budget with respect to both amount and timing by annual contributions over the budget period.

Reserve funds, if collected, shall be held in a separate account or accounts from the operating and other funds of the Association. Reserve funds collected for each Service Area shall be segregated from reserves collected for Association Property or other Service Areas.

The reserve funds held in each account may be expended only for major maintenance, repair, or replacement of those assets covered by the reserve budget pursuant to which they were collected. Subject to such limitation, the Board may adopt resolutions regarding the expenditure of any reserve funds including, without limitation, policies designating the nature of assets for which reserve funds may be expended. Neither the Association membership nor the Board shall adopt, modify, limit, or expand such policies without Declarant's prior written consent during the Development and Sale Period.

Section 6. ASSESSMENTS PAYABLE BY DECLARANT; DECLARANT SUBSIDIES.

Each Owner acknowledges and agrees that because Individual Lot Assessments and Special Assessments are allocated based on the formula set forth in this Article VII, it is possible that the Association may collect more or less than the amount budgeted for Operating Expenses in the Budget of the Association. Except as may be limited by applicable law, Declarant has the right (at its sole election) to: (i) pay Individual Lot Assessments for the Lots owned by Declaration in the same manner as other Owners and at the 20:1 ratio described above, (ii) pay the Deficit (as hereinafter defined), (iii) subsidize the Budget of the Association as provided below by making voluntary contributions in amounts determined by Declarant in Declarant's sole discretion, and/or (iv) to be excused from payment of its share of Assessments related to its Lots if Declarant elects to guarantee the amount of Individual Lot Assessments and pay the Deficit during the Guarantee Period (as hereinafter defined) as provided in Section 7 of this Article VII below.

During the period of time that Declarant is offering Homes for sale in Riverstone at Naples and/or based on the number of Homes owned by Owners other than Declarant, Declarant may seek to keep Assessments lower than they otherwise may be by subsidizing the Budget of the Association by making voluntary contributions in amounts determined by Declarant. The amount of any such voluntary contributions may vary from time to time or may be discontinued and recommenced by Declarant from time to time. The determination to subsidize the Budget of the Association, the amount of any such voluntary contribution, the discontinuance and/or recommencement of any such voluntary contributions shall all be made by Declarant in Declarant's sole discretion and in no event shall Declarant have any obligation whatsoever to make any such voluntary contributions. Each Owner shall be solely responsible to review the Budget of the Association then in effect to determine if and to what extent Declarant is making any voluntary contributions to subsidize the Budget and thus lower the Assessments payable by the Owners that would otherwise be higher based on the Operating Expenses of the Association.

Section 7. GUARANTEED ASSESSMENT DURING GUARANTEE PERIOD. Without limiting the options that Declarant is entitled to pursuant to Section 6 of this Article VII above, and as provided in said Section 6, Declarant shall have the right to elect to be excused from payment of its share of the Operating Expenses and Assessments related to its Lots (other than Special Assessments) during the Guarantee Period, which election shall be made at the time of recordation of this Declaration by delivery of written notice thereof to Association. If so elected by Declarant, Declarant covenants and agrees with the Association and the Owners that during the "Guarantee Period" (as hereinafter defined), the Individual Lot Assessment imposed on each Owner other than Declarant during the following Time Periods shall not increase over the amount set forth for such applicable Time Period (the "Guaranteed Assessment"), as follows:

*Time Period 1* – The date of recording of this Declaration and ending on December 31 of the year that this Declaration is recorded (unless such Time Period 1 is less than 3 calendar months in which event Time Period 1 shall end on December 31 of the year following the year in which this Declaration is recorded. During Time Period 1 Individual Lot Assessments shall not exceed the Individual Lot Assessment set forth in the initial Operating Budget of the Association.

*Time Period 2* – January 1 following the year in which Time Period 1 ends and ending on December 31 of the year Time Period 2 commenced. During Time Period 2 Individual Lot Assessments shall not increase by more than ten percent (10%), from the amount of the Individual Lot Assessments guaranteed during Time Period 1 above.

*Time Period 3* - January 1 following the year in which Time Period 2 ends and ending on December 31 of the year Time Period 3 commenced. During Time Period 3 Individual Lot Assessments shall not increase by more than ten percent (10%) from the amount of the Individual Lot Assessments guaranteed during Time Period 2 above.

*Time Period 4* - January 1 following the year in which Time Period 3 ends and ending on December 31 of the year Time Period 4 commenced. During Time Period 4 Individual Lot Assessments shall not increase by more than ten percent (10%) from the amount of the Individual Lot Assessments guaranteed during Time Period 3 above.

*Time Period 5* - January 1 following the year in which Time Period 4 ends and ending on December 31 of the year Time Period 5 commenced. During Time Period 5 Individual Lot Assessments shall not increase by more than ten percent (10%) from the amount of the Individual Lot Assessments guaranteed during Time Period 4 above.

“Guarantee Period” as used herein shall mean the period commencing with the date of recordation of this Declaration and ending upon the sooner to occur of: (i) the Turnover Date; (ii) the expiration of Time Period 5 as described below; or (iii) delivery of written notice from Declarant to Association of Declarant’s termination of its election, which termination shall only be effective to terminate any Time Periods which have not yet commenced at the time such written notice is delivered. The Guarantee Period may be unilaterally extended by Declarant for one or more successive periods of six (6) months each, but in no event later than the Turnover Date provided that the Individual Lot Assessments imposed on each Owner other than Declarant shall not increase over the Guaranteed Assessment in effect at the end of Time Period 5.

During the Guarantee Period (as same may be extended), if applicable, Declarant shall be obligated to pay the difference (“Deficit”), if any, between: (a) the Operating Expenses (other than those Operating Expenses which are properly the subject of a Special Assessment) incurred by the Association during the applicable Time Period, and (b) the sum of (y) the amounts assessed as Guaranteed Assessments against Owners during the applicable Time Period, and (z) any other income of the Association. The Deficit, if any, to be paid by Declarant pursuant to this Section 7 shall be determined by looking at the Guarantee Period (as same may be extended) as a

whole, without regard to quarterly, annual or any other accounting or fiscal periods and without regard to intraperiod allocations. In that regard, in the event it is determined at the end of the Guarantee Period (as same may be extended) that there is a Deficit and Declarant has previously advanced funds to the Association in excess of the Deficit during the Guarantee Period (as same may be extended), Declarant shall be entitled to the immediate repayment from the Association of the amount of funds advanced by Declarant in excess of the Deficit. This guarantee expressly does not include Special Assessments and/or any unpaid Assessments by Owners. Special Assessments may include assessments for items such as capital expenditures or amounts needed to supplement repair expenses not covered by insurance.

After the Guarantee Period (as same may have been extended) terminates, each Owner shall be obligated to pay Assessments as set forth in Article VII, Section 1 hereof, and, commencing at such time, Declarant shall be required to pay Assessments on any Lots it owns in the same manner as all other Owners.

Section 8. DECLARANT'S GUARANTEED ASSESSMENT NOT THE OBLIGATION OF INSTITUTIONAL MORTGAGEES. Notwithstanding anything to the contrary herein contained, it is specifically understood and declared that each Owner, by the acceptance of a deed or other instrument of conveyance of a Lot within the Property, shall be deemed to have acknowledged and agreed that no Institutional Mortgagee (other than Declarant) or any successor or assign of such Institutional Mortgagee, or any person acquiring a deed or title to any part of the Property by reason of the foreclosure or otherwise of an Institutional Mortgagee shall be deemed to have made, assumed or otherwise undertaken any covenants or obligations of Declarant: (i) to guarantee the level and/or duration of any Guaranteed Assessments provided for under any of the Riverstone at Naples Documents; or (ii) to pay the difference between the actual Operating Expenses and the Guaranteed Assessments, if any, assessed against Lots and the Owners thereof during the Guarantee Period (as same may have been previously extended) as may be provided for in any of the Riverstone at Naples Documents; provided, however, that an Institutional Mortgagee may, at its option, determine to continue the obligation of Declarant to guarantee the amount of the Assessments as herein provided. Additionally, a successor declarant shall not be deemed to guarantee the level and/or duration of any Guaranteed Assessments provided for under any of the Riverstone at Naples Documents or be obligated or pay the difference between the actual Operating Expenses and the Guaranteed Assessments, if any, assessed against Lots and the Owners thereof during the Guarantee Period (as same may have been previously extended) unless such obligation is assumed in writing by such successor declarant.

Section 9. INTENTIONALLY DELETED.

Section 10. WAIVER OF USE. No Owner, other than Declarant, may exempt himself from personal liability for Assessments duly levied by the Association. No Owner may release the Lot owned by such Owner from the liens and charges hereof either by waiver of the use and enjoyment of the Association Property and the facilities thereon or by abandonment of such Owner's Home.

**ARTICLE VIII**  
**ARCHITECTURAL CONTROL COMMITTEE**

Section 1. MEMBERS OF THE COMMITTEE. Prior to the Turnover Date, the Architectural Control Committee, sometimes referred to in this Declaration as the "Committee," shall be comprised of one (1) member designated by the Declarant, which initially shall be the acting President of the Association or such President's designee. After the Turnover Date, the Committee shall be comprised of three (3) members appointed by the Board and shall hold office until such time as such member has resigned or been removed, all as provided herein. Members of the Committee may be removed at any time without cause. The Board shall have the sole right to appoint and remove all members of the Committee.

Section 2. REVIEW OF PROPOSED CONSTRUCTION.

A. No Improvements, including, by way of example and not of limitation, accessory structures, exterior lighting fixtures, brick pavers, stamped concrete, concrete flatwork, basketball goals, gym sets and play structures, buildings, fences, walls, pools, roofs, gutters or rain spouts, antennae, aerials, microwaves, reception devices, mailboxes, external enclosures or attachments (including entry screen and patio screen enclosures), or landscaping (including hedges, massed plantings and trees) shall be commenced, erected, installed, altered, modified, painted, planted, or maintained on the Property, including the Lots, nor shall any canopies, shutters, or window coverings be attached to or placed upon outside walls or roofs of any Home or building by any Owner other than Declarant, unless such Improvements have been reviewed by and received the written approval of the Committee in accordance with Paragraph B herein. Any Owner desiring to make Improvements shall submit two (2) complete sets of plans and specifications prepared by an architect, landscape architect, engineer or other person determined by the Committee to be qualified, showing the nature, dimensions, materials and location of the same together with the security deposit if required by the Committee, to be held and disbursed by the Association in accordance with Section 3 herein below.

B. The Committee shall approve proposed plans and specifications submitted for its approval only if it deems that the construction, alterations or additions contemplated will not be detrimental to the appearance of the surrounding area of the Property as a whole, and that the appearance of any structure affected thereby will be in harmony with the surrounding structures and is otherwise desirable. The Committee shall adhere to all rules and regulations promulgated by the Board with respect to any and all additions and alterations within the Property and all such rules and regulations are incorporated herein by reference. The Committee may also issue and amend from time to time rules or guidelines setting forth procedures for the submission of plans and specifications. If the proposed construction, alterations or additions are to a portion of the Improvements which the Association is obligated to maintain, said approval shall also be subject to approval by the Board. The Committee may condition its approval of proposed plans and specifications in such a manner as it deems appropriate and may require the submission of additional information prior to approving or disapproving such plans. Pursuant to the approvals for the Property granted by the County, and notwithstanding anything to the contrary in the Riverstone at Naples Documents, diversity of architectural elevation and exterior color scheme for Homes in Riverstone at Naples shall be required by compliance with the following: (i) no identical homes shall be placed next to one another (i.e., same elevation with same exterior color scheme); (ii) no more than three (3) Homes with the same elevation shall be

placed next to each other; and (iii) no more than three (3) Homes with the same exterior color scheme may be placed next to each other. A monitoring report with updated information shall be submitted to the applicable governmental authority with each building permit to demonstrate compliance with these restrictions. Additionally, all zero-lot line Homes which side yards abut the rear yard of two (2) or more Lots shall be restricted to one (1) story in height. The Committee shall have no obligation to and shall not approve (nor grant any variances for) any plans and specifications submitted if approval of same would result in failure to comply with the foregoing requirements.

C. The Committee shall have forty-five (45) days after delivery of all required materials to give written approval or rejection of any such plans and, if written approval is not given within such forty-five (45) day period, such plans shall be deemed rejected, provided however that, in any event, no such addition, construction or alteration shall be made by any Owner which is detrimental to or inconsistent with the harmony, appearance or general scheme of the Property as a whole.

D. No landscaping or other Improvements on the Lake Lots which materially interfere with the view of the Lakes by immediate neighbors who are also Lake Lot Owners, as applicable, shall be permitted. In its review of proposed plans and specifications of landscape design and materials for Lake Lots, including, but not limited to, any massed plantings, the Committee will take into consideration the effect on Lake views of such landscaping, both at the proposed time of installation and at the time when maximum growth shall have occurred.

E. There shall be a minimum two foot (2') setback requirement from the side yard lot line on the "zero lot line" side of a Home for that portion of any open patio, screen enclosed patio and/or pool deck that extends beyond the ten (10') foot masonry wall extending from such "zero lot line" side of the Home (the "Privacy Wall"). In addition, if an Owner installs or constructs such open patio, screen enclosed patio and/or pool deck between two feet (2') and five feet (5') from the side yard lot line on the "zero lot line" side of a Home, then a Hedge must also be installed by said Owner within the two foot (2') setback area along that portion of the open patio, screen enclosed patio and/or pool deck that extends beyond the Privacy Wall in order to provide a vegetative privacy barrier.

F. No plantings, landscaping and/or Improvements whatsoever including, without limitation, pool decks, patios, screen enclosures, hedges, trees, etc. shall be installed in any Drainage Swale Easement except only as expressly provided in Article IV, Section 7 above.

G. An Owner shall not plant any shrubs, trees and/or landscaping on his or her Lot and/or in any manner alter the landscaping in Riverstone at Naples as initially installed by Declarant without the prior written consent of the Committee. If an Owner receives such approval and plants any shrubs, trees and/or landscaping on his or her Lot, such Owner shall be responsible for the payment of the increase in maintenance fees for the maintaining of such shrubs, trees and/or landscaping.

H. Notwithstanding any provision in this Article to the contrary, the approval of the Committee shall not be required for any additions, changes or alterations within any Home if such additions, changes or alterations are not visible from the outside of such Home. All

changes and alterations shall be subject, independently, to all applicable governmental laws, statutes, ordinances, codes, rules and regulations.

I. Notwithstanding anything to the contrary herein contained, no construction, reconstruction, addition or alteration by Declarant shall require the prior approval or any certificate of consent of the Committee or any security deposit.

J. The Committee may set, establish and charge fees ("Review and Inspection Fees") for, among other things, processing Owner's request for proposed Improvements, review of the plans and specifications for proposed Improvements and inspection of the Improvements constructed by Owner, which review and/or inspection may be performed by third parties. The Committee may require such Review and Inspection Fees to be paid in advance (i.e., at the time of submission of the Owner's application). In the event any Review and Inspection Fees remain unpaid by an Owner, the Committee shall have the right, at its option, to: (i) not release the security deposit described in Section 3 below until all Review and Inspection Fees have been paid, or (ii) deduct all unpaid Review and Inspection Fees from any such security deposit paid by Owner. In addition (and in addition to any other remedies under and pursuant to the Riverstone at Naples Documents for a failure of an Owner to perform Owner's obligations), if any Review and Inspection Fees are not paid by Owner, the Board may levy an Assessment against such Owner for such unpaid Review and Inspection Fees, and said Assessment shall constitute a lien upon the applicable Lot and Home with the same force and effect as liens for Operating Expenses.

Section 3. SECURITY DEPOSIT FOR IMPROVEMENTS; INDEMNIFICATION. Any Owner desiring to make Improvements may be required by the Committee, depending upon the Improvements being requested and the manner of installation of such Improvements, to provide to the Committee, at the time of the Owner's submission of plans and specifications for review and approval by the Committee, a Five Thousand Dollar (\$5,000.00) security deposit to cover costs of incidental damage caused to Association Property, an adjacent Home or Lot, or any other property (whether real or personal) by virtue of such Owner's construction of Improvements. The amount of the security deposit may be increased or decreased as may be determined by the Board from time to time, and communicated to the Owners. The Committee shall have the sole discretion to determine whether a security deposit is required for the Improvements being requested. The Association shall not be obligated to place the security deposit in an interest bearing account. The Owner shall be entitled to the return of the security deposit upon: (i) such Owner's written notice to the Committee that the Improvements covered by the security deposit have been completed in accordance with the plans and specifications approved by the Committee; and (ii) the Committee's (or its duly authorized representative's) inspection of such Improvements confirming completion; provided, however, should any incidental damage be caused to Association Property by virtue of such Owner's construction of Improvements, the security deposit shall not be returned to Owner until such damages have been repaired. In the event that Owner has not repaired such damages to the Association Property to the satisfaction of the Committee, Association shall have the right (but not the obligation), after five (5) days' notice to the offending Owner, to repair such incidental damage and to use so much of the security deposit held by the Association to reimburse itself for the costs of such work. Further, the offending Owner hereby agrees to indemnify and reimburse the Association for all reasonable costs expended by the Association that exceed the security deposit, including Legal Fees, if any, incurred in connection therewith. All amounts incurred or paid by the Association to repair damages caused by and not repaired by an Owner as set forth herein shall, in addition to the other rights of the Association, be subject to a Special Assessment levied by the

Association against such Owner, which Special Assessment may be collectible in the same manner as other Assessments as set forth in the Declaration. Should any incidental damage be caused to an adjacent Lot or Home by virtue of such Owner's construction of Improvements, the Owner of the adjacent Lot (the "Adjacent Lot Owner") may, at such Adjacent Lot Owner's sole option: (a) remedy such damage and submit to the Association a receipt, invoice or statement therefor for reimbursement from the offending Owner's security deposit; or (b) allow the offending Owner to repair such incidental damage to the Adjacent Lot Owner's Lot or Home, at the offending Owner's sole cost and expense, and upon receipt by the Association of written notice from the Adjacent Lot Owner that such incidental damage has been repaired, the offending Owner shall be entitled to a return of the balance of the security deposit being held by the Association, if any.

Notwithstanding anything contained in this Section to the contrary, the Association's return of the security deposit being held by it for any such Improvements shall be based solely on considerations set forth above. The Association's return of the security deposit does not and shall not be construed to constitute a determination by members and representatives of the Committee, the Declarant, and/or the Association of the structural safety, approval or integrity of any Improvement, conformance with building or other codes or standards, or the proper issuance of governmental permits and approvals for any Improvement. By submitting a request for review and approval of proposed plans and specifications, along with the security deposit required hereunder, an Owner shall be deemed to have automatically agreed to hold harmless and indemnify the members and representatives of the Committee, the Declarant, and the Association generally, from any loss, claim, damage or liability connected with or arising out of the Improvements or alterations, and/or the security deposit (including, without limitation, the disbursement thereof).

Association shall not be liable or responsible to anyone for any damages, losses or expenses resulting from Association's holding of the security deposit or disbursement thereof unless same shall be caused by the gross negligence or willful malfeasance of the Association. In the event of any disagreement relating to the security deposit held by the Association or the disbursement thereof, Association shall be entitled (but not obligated) to refuse to disburse the security deposit (or any portion thereof) as long as such disagreement may continue, and Association shall not become liable in any way for such refusal. Association shall have the right at any time, after a dispute has arisen, to pay the security deposit (or any portion thereof) held by it into any court of competent jurisdiction for payment to the appropriate party, whereupon Association's obligations hereunder shall terminate and Association shall be automatically released of any and all obligations.

**Section 4. MEETINGS OF THE COMMITTEE.** The Committee shall meet from time to time as necessary to perform its duties hereunder. The Committee may from time to time, by resolution unanimously adopted in writing, designate a Committee representative (who may, but need not, be one of its members) to take any action or perform any duties for and on behalf of the Committee, except the granting of variances pursuant to Article VIII, Section 9 herein. In the absence of such designation, the vote of any two (2) members of the Committee shall constitute an act of the Committee.

**Section 5. NO WAIVER OF FUTURE APPROVALS.** The approval of the Committee of any plans and specifications or drawings for any work performed or proposed shall not be deemed to constitute a waiver of any right to withhold approval or consent to any identical or similar proposal subsequently or additionally submitted for approval or consent, whether such

submission is by that applicant or another applicant. Similarly, the denial of approval by the Committee of any plans and specifications or drawings for any work performed or proposed shall not be deemed to constitute a waiver of any right to approve or consent to any identical or similar proposal subsequently or additionally submitted for approval or consent, whether such submission is by that applicant or another applicant.

Section 6. COMPENSATION OF MEMBERS. The members of the Committee shall receive no compensation for services rendered, other than reimbursement for expenses incurred by them in the performance of their duties hereunder.

Section 7. INSPECTION OF WORK. Inspection of work and correction of defects therein shall proceed as follows:

A. Upon the completion of any work for which approved plans are required under this Article, the submitting party shall give written notice of completion to the Committee.

B. Within thirty (30) days after written notice of completion, the Committee or its duly authorized representatives may inspect such Improvement. If the Committee finds such work was not done in substantial compliance with the approved plans, it shall notify the submitting party in writing of such noncompliance within such thirty (30) day period, specifying the particulars of noncompliance, and shall require the submitting party to remedy such noncompliance.

C. If upon the expiration of fifteen (15) days from the date of such notification the submitting party shall have failed to remedy such noncompliance, notification shall be given to the Board in writing of such failure. Upon such notice, the Board shall determine whether there is a noncompliance and, if so, the nature thereof and the estimated cost of correcting or removing the same. If noncompliance exists, the submitting party shall remedy or remove the same within a period of not more than thirty (30) days from the date of announcement of the Board's ruling. If the submitting party does not comply with the Board's ruling within such period, the Board, at its option, may remove the Improvement, remedy the noncompliance, or proceed in court to enjoin compliance and the submitting party shall reimburse the Association, upon demand, for all expenses incurred in connection therewith, including Interest and Legal Fees. If such expenses are not promptly repaid by the submitting party to the Association, the Board shall levy an Assessment against such submitting party for reimbursement, and said Assessment shall constitute a lien upon the applicable Lot and Home with the same force and effect as liens for Operating Expenses.

D. If, for any reason, notification is not given to the submitting party of acceptance within thirty (30) days after receipt of said written notice of completion from the submitting party, the Improvement and/or alteration shall be deemed to be in compliance with said approved plans.

Section 8. NON-LIABILITY OF COMMITTEE MEMBERS. Neither the Committee nor any member thereof, nor its duly authorized Committee representative, nor Declarant, shall be liable to the Association or to any Owner or any other person or entity for any loss, damage or injury arising out of or in any way connected with the performance of the Committee's duties hereunder, unless due to the willful misconduct or bad faith of a member and only that member

shall have any liability. The Committee's review and approval or disapproval of plans submitted to it for any proposed Improvement shall be based solely on considerations of the overall benefit or detriment to the community as a whole. The Committee shall not be responsible for reviewing, nor shall its approval of any plan or design be deemed approval of, any plan or design from the standpoint of structural safety or conformance with building or other codes or standards, and no member or representative of the Committee or the Association, nor the Declarant, shall be liable for the safety, soundness, workmanship, materials or usefulness for any purpose of any such Improvement or alteration proposed by the plans. By submitting a request for review and approval by the Committee, an Owner shall be deemed to have and does automatically agree to indemnify, defend and hold harmless the Committee, the Association and the Declarant (and each of their respective officers, directors, partners, affiliates, representatives and members) from and against any and all claims, causes of action, losses, damages, liabilities, costs and expenses (including, without limitation, Legal Fees) arising from, relating to or in any way connected with the Improvement or alterations for which such request was submitted and/or the Security Deposit (including, without limitation, the disbursement thereof). Furthermore, approval by the Committee of any request does not excuse an Owner from also obtaining approvals from all applicable governmental authorities.

Section 9. VARIANCE. The Committee may authorize variances from compliance with any of the architectural provisions of this Declaration or any Supplemental Declaration, when circumstances such as topography, natural obstructions, hardship, aesthetic or environmental considerations may require; provided, however, the Committee shall not give or authorize (and the Committee is hereby prohibited from giving or authorizing) any variance with respect to: (i) the diversity of architectural elevation and exterior color scheme requirements of Section 2.B. of this Article VIII above, and/or (ii) the displaying of any signs for the sale or renting of the Home as prohibited in Section 10 of Article X below. If such variances are granted, no violation of the covenants, conditions and restrictions contained in this Declaration or any Supplemental Declaration shall be deemed to have occurred with respect to the Improvements for which the variance was granted.

Section 10. DECLARANT EXEMPTION. Declarant is hereby exempt from having to comply with the requirements of this Article VIII in their entirety.

## **ARTICLE IX**

### **MAINTENANCE AND REPAIR OBLIGATIONS**

Section 1. BY THE ASSOCIATION.

A. The Association, at its expense, shall be responsible for the operation, maintenance, repair and replacement of all of the Improvements and facilities located over, through and upon the Association Property, including without limitation, the Recreation Tract, except public utilities and Community Systems, to the extent same have not been made Association Property. Should any incidental damage be caused to any Home by virtue of the Association's failure to maintain the Association Property as herein required or by virtue of any work which may be performed or caused to be performed by the Association in the maintenance, repair or replacement of any Association Property, the Association shall, at its expense, repair such incidental damage. The Association shall not, however, be responsible for any loss of use, any hardship, an Owner's time or any other consequential or punitive damages.

B. The Association shall operate, maintain, repair and replace the Irrigation System(s), if any, serving the Association Property and/or the Lots (or any portions thereof) as it shall deem appropriate. The Association shall be responsible for the costs of operation, maintenance, repair and replacement of such Irrigation System(s), including any monthly fees and other costs of water and/or electric usage, if any. There is hereby reserved in favor of the Association, the right to enter upon the Association Property and any and all Lots for the purpose of operating, maintaining, repairing and replacing the Irrigation System(s) over, through and upon the Association Property and all of the Lots within the Property. Each Owner shall be responsible for any damage caused to the Irrigation System(s) by Owner and/or Owner's family members, tenants, invitees and guests, and Owner shall indemnify, defend and hold Association harmless from and against any and all losses, claims, damages and/or liabilities resulting from any such damage.

C. The Association shall operate, maintain and repair the Drainage System constructed over, through and upon the Property. There is hereby reserved in favor of the Association the right to enter upon the Association Property and the Lots for the purpose of operating, maintaining, repairing, and replacing the Drainage System over, through and upon the Property. The Association shall be responsible for all costs associated with its obligations relating to the cleaning, maintenance, repairs and replacement of any portion of the Drainage System as may be necessary to maintain the system in its original condition and use. In the event the Association fails to maintain the Drainage System in accordance with this Declaration and/or the Water Management District Permit, as the same may be amended from time to time, then the Water Management District shall have the right to (i) enter upon the Property and perform any required maintenance at the expense of the Association, or (ii) commence an enforcement action against the Association, including, without limitation, monetary penalties and injunctive relief, to compel the Association to maintain the Drainage System in accordance with this Declaration and/or the Water Management District Permit. The Association shall be required to reimburse the Water Management District for any expenses incurred by the Water Management District in connection with any maintenance required to be performed by the Water Management District as a result of the Association's failure to timely maintain the Drainage System. The Water Management District shall have a perpetual, nonexclusive ingress, egress and access easement over and across all private streets and roads and all dedicated access easements created on the Plat or any Additional Plat(s), as may be necessary or convenient for the Water Management District to obtain access to and from the Drainage System, and for enabling the Water Management District to carry out any work permitted to be performed by the Water Management District under the Water Management District Permit and/or this Declaration. The registered agent for the Association shall retain a copy of the Water Management District Permit for the Association's benefit.

D. The Association shall be obligated to perform the ongoing operation, monitoring, maintenance, repair and replenishment of any Conservation Areas and Preserve Areas and other mitigation areas located upon the Property, as well as performing all obligations, responsibilities and requirements required to be completed under and in accordance with the Conservation Document and Requirements (as hereinafter defined). In the event the Association fails to timely and/or properly maintain any Conservation Area or Preserve Area in accordance with the Conservation Document and Requirements, and, as a result, Declarant is unable to (i) final-out and/or close-out any approval, permit, order, condition and/or requirement that have been issued or imposed by any governmental entity in connection with the development and construction of Riverstone at Naples and all Improvements therein; or (ii) obtain a return of any

bond or surety posted by Declarant in connection with the development and construction of Riverstone at Naples, then Declarant shall have the immediate right, but not the obligation, in its sole discretion, to (a) commence an enforcement action against the Association, including, without limitation, monetary penalties and injunctive relief, to compel the Association to maintain the Conservation Areas and Preserve Areas in accordance with the Conservation Documents and Requirements; or (b) take any and all actions necessary, at the Association's sole cost and expense, to comply with and adhere to any approval, permit, order, condition and/or requirement that have been issued or imposed by any governmental entity in connection with the development and construction of Riverstone at Naples and all Improvements therein and/or to bring the Property into compliance with the Conservation Documents and Requirements. The Association hereby agrees to indemnify and reimburse the Declarant (within ten (10) days of receipt of a written invoice from Declarant) for all costs and expenses incurred by Declarant in the event Declarant takes actions in accordance with subparagraph (b) above. The rights granted to Declarant hereunder shall survive the Turnover Date and continue for such period of time as is necessary for Declarant to fully comply with all such governmentally issued approvals, permits, orders, conditions and/or requirements. This Section 1.D may not be suspended, superseded or modified in any manner by any amendment to this Declaration unless such amendment is consented to in writing by the Declarant.

E. The Association shall be responsible for the maintenance, repair and replacement of all private Streets, Drives, Roads and Roadways located upon the Association Property and there is hereby reserved in favor of the Association the right to enter upon any and all parts of the Association Property and Lots for such purpose. The Association shall also be responsible for the sod, landscaping and irrigation system located within any Street, Drive, Road and/or Roadway cul-de-sac, as applicable.

F. The Association shall be responsible for the maintenance and care of the lawn encompassed within the Lot, except as otherwise provided in Article X, Section 16 hereof. "Maintenance and care" within the meaning of this subsection shall include, mowing, edging, fertilizing and spraying of lawns, and replacement of sod. Notwithstanding the obligation of the Association to maintain the landscaping within the Lots, any replacement of trees, shrubs and other plant materials within the Lots, for any reason whatsoever, shall be the obligation of the Owners of the Lots upon which such replacement is required. In addition, any required replacement of trees, shrubs and other plant materials located on the property lines of Lots 67, 68, 147, 148 and 162 through 171 shall be completed by the Association with the species, types and sizes as determined by the Association in the Association's sole and absolute discretion, provided however the costs and expenses associated with such replacements shall be borne equally by the Owners whose Lots immediately abut any such replaced trees, shrubs or other plant materials. In that regard, the Association may levy a Special Assessment against such Lots in connection with such replacement costs and expenses, to the exclusion of all other Owners, without the need for obtaining the affirmative assent of at least two-thirds (2/3) of all Members as set forth in Section 3 of Article VII. The Association may, at its option, discontinue replacing sod on the Lots, in which event the replacement of all sod on the Lots would become the responsibility of the Owners.

Notwithstanding the foregoing, the Association shall have the right, but not the obligation, following a tropical storm, hurricane or other Act of God, to upright and/or remove any fallen or dislodged trees, at the respective Owner's cost and expense on (i) any Lot, and/or (ii) any grassed areas located between the front and/or side(s) of such Owner's Lot and the street;

on behalf of the Owner of such Lot. The Owner of said Lot shall be required to reimburse the Association for the costs and expenses incurred by the Association in connection with the uprighting and/or removal of any fallen or dislodged trees. In that regard, the Association may levy a Special Assessment against such Lot in connection with such costs and expenses, to the exclusion of all other Owners, without the need for obtaining the affirmative assent of at least two-thirds (2/3) of all Members as set forth in Section 3 of Article VII.

G. To the extent permitted by the appropriate governmental authority, the Association may, but shall not be obligated to, also provide maintenance of all city, County, district or municipal properties which are located within or in a reasonable proximity of the Property to the extent that their deterioration or unkempt appearance would adversely affect the appearance of the Property, including the right to enhance the landscaping in any public right of way.

H. The Association shall be responsible for the maintenance, repair and replacement of any Street Lights and any Decorative Street Lights located in Riverstone at Naples.

I. Neither the Association nor any Owner shall alter the slopes, contours, or cross sections of the Lakes, Lake banks and littoral zones or chemically, mechanically, or manually remove, damage or destroy any plants in any littoral zones, Lake Maintenance Easements or Lake Maintenance Access Easements except upon the written approval from the applicable governmental authority. Littoral plantings will be installed in accordance with the permitting requirements of the appropriate governmental authorities and may not be altered, relocated or removed by any Owner. The Association shall be responsible for maintaining the required survivorship and coverage of the planted littoral areas, to ensure the ongoing removal of prohibited and invasive non-native plant species from these areas, and to comply with all governmental regulations including, without limitation, all permits issued by governmental and/or quasi-governmental authorities, applicable to the Lakes, Lake banks, and littoral zones.

J. The Association, by action of its Board, may make minor and insubstantial alterations and Improvements to the Association Property having a cost not in excess of Five Thousand Dollars (\$5,000). All other alterations and Improvements must first be approved by at least two-thirds (2/3) of all Members represented in person or by proxy at a meeting called and held in accordance with the Bylaws. No alteration or Improvement may be made to the Association Property which materially and adversely affects the rights of the Owner of any Lot to the enjoyment of such Owner's Lot or the Association Property unless the Owner and all mortgagees holding recorded mortgages on such Lot consent thereto in writing.

K. All expenses incurred by the Association in connection with the services, operation, maintenance, repair and replacement described in Paragraphs A through J, inclusive, are Operating Expenses, payable by each Owner under the provisions of this Declaration concerning Assessments. Should the maintenance, repair or replacement provided for in Paragraphs A through J of this Section 1 be caused by the negligence of or misuse by an Owner, such Owner's family, guests, servants, invitees, or tenants, such Owner shall be responsible therefor, and the Association shall have the right to levy an Assessment against such Owner's Lot and said Assessment shall constitute a lien upon the appropriate Lot and Home with the same force and effect as liens for Operating Expenses.

L. The Association has a reasonable right of entry upon any Lot to make emergency repairs and to do other work reasonably necessary for the proper maintenance and operation of Riverstone at Naples.

M. The Association, being the entity responsible for the ownership, operation, maintenance, repair and replacement of the Association Property as provided in the Association Documents, hereby agrees to indemnify, defend and hold Declarant and its partners and each of their respective affiliates, shareholders, directors, officers, employees, successor and assigns, harmless from and against any and all any and all claims, damages (including, but not limited to, property damage, personal injury and/or death), liabilities, fines, liens, encumbrances, penalties, losses, and expenses (including, but not limited to, attorneys' fees and costs at all trial and appellate level proceedings and whether or not a lawsuit is commenced), arising out of or in any way resulting from or in any way connected with, resulting from and/or arising out of: (i) the Association Property, and/or (ii) any acts or omissions of the Association, its members, directors, officers, managers, employees and/or agents and their respective heirs, successors and assigns. Association's obligation to defend the parties described in this paragraph shall be triggered upon any allegation or claim being asserted that, in whole or in part, is to be indemnified or defended pursuant to this subparagraph. If any indemnified party is compelled to enforce Association's obligations in this paragraph, such indemnified party shall recover any and all attorneys' fees and costs incurred in prosecuting such enforcement action in addition to attorneys' fees and costs incurred in defending the underlying allegations or claims. Notwithstanding the foregoing, the indemnification and defense obligations in this subparagraph shall not apply to: (1) any damage claim directly asserted by the Association against the Declarant for defects in construction of improvements constructed by the Declarant on the Association Property provided such claim does not arise out of or result from any third party claim, and/or (2) any gross negligence or willful misconduct by the indemnified parties.

Section 2. BY THE OWNERS.

A. The Owner of each Lot must keep and maintain the Lot and the Improvements thereon, including equipment and appurtenances, in good order, condition and repair, and must perform promptly all maintenance and repair work within, upon and outside of such Owner's Home which, if omitted, could adversely affect Riverstone at Naples, the other Owners or the Association and its Members. The Owner of each Lot shall be responsible for any damages caused by a failure to so maintain such Lot, Improvements and Home. The Owners' responsibility for maintenance, repair and replacement shall include, but not be limited to, all of the physical structures constructed in, upon, above or below the Lot, and physical items attached or connected to such structures that run beyond the boundary line of the Lot which exclusively service or benefit the Lot and Home. Without limiting the generality of the foregoing, the Owner of each Lot shall keep all drainage structures (such as catch basins), if any, located on the Owner's Lot clear of grass, leaves and other debris. Additionally, the painting, caulking and maintenance of the exterior surface of all walls (including, without limitation, any masonry walls extended from the rear of the Home), doors, windows and roof of the physical structure of the Home shall be performed by the Owner, and the exterior surface of such walls, doors, windows and roof shall at all times be maintained in a good and serviceable condition with no damage or other defect therein by the Owner. The Owner of a Lot further agrees to pay for all utilities (including, without limitation, those provided by the Community Systems), such as telephone,

cable or satellite television, water, sewer, sanitation, electric, etc., that may be separately billed or charged to each Home. The Owner of each Lot shall be responsible for insect and pest control within the Home and the Lot. Whenever the maintenance, repair and replacement of any items which an Owner is obligated to maintain, repair or replace at such Owner's own expense is occasioned by any loss or damage which may be covered by any insurance maintained in force by the Association, the proceeds of the insurance received by the Association shall be used for the purpose of making such maintenance, repair or replacement, except that the Owner shall be, in said instance, required to pay such portion of the costs of such maintenance, repair and replacement as shall, by reason of the applicability of any deductibility provision of such insurance or otherwise, reduce the amount of the insurance proceeds applicable to such maintenance, repair or replacement.

B. In addition to the foregoing, the Owner of each Home shall be required to maintain appropriate climate control, keep his or her Home clean, promptly repair any leaks and take necessary measures to retard and prevent mold, fungi, mildew and mycotoxins from accumulating in the Home. Each Owner shall be required to clean and dust such Owner's Home on a regular basis and to remove visible moisture accumulation on windows, window sills, walls, floors, ceilings and other surfaces as soon as reasonably possible and must not block or cover any heating, ventilation or air-conditioning ducts, and to properly maintain and have serviced on a regular basis, the Home's HVAC system. Each Owner of a Home shall be responsible for damage to such Owner's Home and personal property as well as any injury to the Owner of a Home and/or occupants of the Home resulting from the Owner's failure to comply with these terms. Each Owner of a Home shall be responsible for the repair and remediation of all damages to the Home caused by mold, fungi, mildew and mycotoxins. While the foregoing are intended to minimize the potential developments of molds, fungi, mildew and other mycotoxins, each Owner understands and agrees that there is no method for completely eliminating the development of same. Declarant does not make any representations or warranties regarding the existence or development of molds, fungi, mildew or mycotoxins, and each Owner on behalf of themselves and their family members, guests, invitees, tenants, successors and assigns shall be deemed to and by acceptance of a deed or title to the Home or by use of the Home, waives and expressly releases any such warranty and claims for loss or damages (including, without limitation, property damage and/or personal injury) resulting from the existence and/or development of same.

C. The Owner of each Lot shall maintain, repair and replace as needed any fencing on their Lot, clean, maintain and repair the driveway on their Lot, and keep the sidewalk located on and/or adjacent to their Lot clean and free from any stains, trash, debris and/or impediments to pedestrian traffic.

D. If a Home is damaged by fire or other casualty, its Owner shall properly and promptly restore it to at least as good a condition as it was before the casualty occurred. Any such work shall be in accordance with the original plans and specifications of the Home unless otherwise authorized by the Board and shall be otherwise subject to all provisions of Article VIII hereof.

E. Each Owner shall keep such Owner's Home insured in an amount not less than its full insurable value against loss or damage by fire or other hazards. Evidence of such coverage shall be furnished to the Association promptly upon the Board's request.

F. If an Owner fails to comply with the foregoing provisions of this Section 2, the Association may proceed in court to compel compliance. Further, if the failure to comply relates to the Owner's obligations to maintain insurance, the Association shall be entitled, although not obligated, to obtain the required coverage itself and to levy on the offending Owner an Assessment equal to the cost of premiums, and any such Assessment shall constitute a lien upon the applicable Lot and Home with the same force and effect as a lien for Operating Expenses.

G. If a failure to comply with the provisions of this Section 2 relates to the Owner's obligation to maintain and care for the Home, landscaping or any other area required to be maintained and cared for by the Owner, then, in addition to the exercise of all other remedies, the Association or Declarant shall have the right but not the obligation, upon fifteen (15) days written notice, to enter upon the Lot of the Owner for the purpose of performing the maintenance and care referred to, set forth and described in the notice, and to levy on the offending Owner an Assessment equal to the cost of performing such maintenance and care. Any such Assessment shall constitute a lien upon the applicable Lot and Home with the same force and effect as a lien for Operating Expenses. The determination of whether an Owner is failing to properly maintain and care for the property for which he has the maintenance responsibility under this Declaration or any of the other Riverstone at Naples Documents shall be determined in the sole discretion of the Association or Declarant.

Section 3. PROVISION OF SERVICES TO SERVICE AREAS.

(a) Declarant may assign the Property and/or any property submitted to this Declaration by Supplemental Declaration, and/or any portions thereof, to one or more Service Areas (by name or other identifying designation) as Declarant deems appropriate, in Declarant's discretion, which Service Areas may be then existing or newly created, and may require that the Association provide benefits or services to the Lots within such Service Area in addition to those which the Association generally provides to all Lots. Until the Turnover Date (as provided in the Articles), Declarant may unilaterally amend this Declaration or any Supplemental Declaration to designate, modify, remove and/or re-designate Service Area boundaries from time to time. All costs associated with the provision of services or benefits to a Service Area shall be assessed against the Lots within the Service Area as a Service Area Assessment.

(b) In addition to Service Areas which Declarant may designate, the Owner(s) of any two or more Lots may petition the Board to designate such Lots as a Service Area for the purpose of receiving from the Association (a) special benefits or services which are not provided to all Lots, or (b) a higher level of service than the Association otherwise provides. Upon receipt of such petition signed by the Owner(s) of a majority of the Lots within the proposed Service Area, the Board shall investigate the terms upon which the requested benefits or services might be provided and notify the Owners in the proposed Service Area of such terms and the charge to be made therefor, which may include a reasonable administrative charge in such amount as the Board deems appropriate in its discretion (provided, any such administrative charge shall apply at a uniform rate per Lot among all Service Areas receiving the same service). Upon written approval of the proposal by Owners of at least 67% of the Lots within the proposed Service Area, and Declarant for so long as Declarant is offering Homes for sale in Riverstone at Naples,

the Association shall provide the requested benefits or services on the terms set forth in the proposal. The cost and administrative charges associated with such benefits or services shall be assessed against the Lots within such Service Area as a Service Area Assessment.

(c) The Board may, by resolution, designate a group of Lots as a Service Area and levy Service Area Assessments against such Lots to fund the costs of operating, maintaining, repairing, replacing and/or insuring certain portions of the Association Property within or adjacent to such Service Area. This may include, without limitation, the costs of maintaining any signage, entry features, right-of-way, and green space between the Service Area and adjacent public roads, private streets within the Service Area, and lakes or ponds within the Service Area, regardless of ownership and regardless of the fact that such maintenance may be performed by the Association; however, all similarly situated Lots shall be treated the same. Any such designation shall require the consent of Declarant during the Development and Sale Period.

Section 4. DAMAGE TO BUILDINGS. The Owner of any Home which has suffered damage may apply to the Committee for approval for reconstruction, rebuilding, or repair of the Improvements therein. The Committee shall grant such approval only if, upon completion of the work, the exterior appearance of the Improvement(s) will be substantially similar to that which existed prior to the date of the casualty. If the obligation for repair falls upon the Association, the Committee approval will not be required prior to the commencement of such work, so long as the exterior appearance of the Improvement(s) will be substantially similar to that which existed prior to the date of the casualty.

The owner or owners of any damaged building (including, without limitation, the Owner of a Lot and/or Home), the Association, and the Architectural Control Committee shall be obligated to proceed with all due diligence hereunder and the responsible parties shall commence reconstruction within three (3) months after the damage occurs and complete reconstruction within one (1) year after the damage occurs, unless prevented by causes beyond his or its reasonable control.

The Declarant shall be exempt from the provisions of this Section 3, provided that any such reconstruction, rebuilding or repairs made by the Declarant shall be consistent, as to the exterior appearance, with the Improvements as they existed prior to the damage or other casualty.

## **ARTICLE X** **USE RESTRICTIONS**

All of the Property shall be held, used, and enjoyed subject to the following limitations and restrictions, and any and all additional rules and regulations which may, from time to time, be adopted by the Association, except as provided in Article X, Section 18 below:

Section 1. ENFORCEMENT. Failure of an Owner to comply with any limitations or restrictions in this Declaration or any of the Riverstone at Naples Documents or with any rules and regulations promulgated by the Association shall be grounds for action which may include, without limitation, an action to recover sums due for damages, injunctive relief, or any combination thereof. Without limiting the generality of the foregoing, an Owner shall also be responsible for the payment of any and all Legal Fees incurred by the Association in connection with the enforcement of this Declaration or any of the Riverstone at Naples Documents or with

any rules or regulations promulgated by the Association, whether or not an action is actually begun. Any such Legal Fees shall be paid not later than thirty (30) days after written notice thereof and if not paid within such thirty (30) day period, shall constitute a lien upon the applicable Lot and Home with the same force and effect as a lien for Operating Expenses

Notwithstanding the rights of the Association hereunder to enforce to the terms and provisions of the Riverstone at Naples Documents, the Water Management District shall also have the right to take enforcement action, including a civil action for an injunction and penalties, against the Association to compel the Association to correct any failure by the Association to operate, maintain and repair the Drainage System in accordance with the Water Management District Permit.

In addition to all other remedies, the Association may suspend, for a reasonable period of time, any or all of the rights of an Owner or an Owner's tenants, guests or invitees to use Association Property and facilities (including, without limitation, cable television and other services provided by Community Systems) for violations of the Riverstone at Naples Documents; may suspend the rights of an Owner or an Owner's tenants, guests or invitees to use Association Property and facilities (including, without limitation, cable television and other services provided by Community Systems) and the voting rights of an Owner if such Owner is delinquent in payment of assessments for more than ninety (90) days; and may levy reasonable fines against any Owner or any Owner's tenant, guest or invitee for failure of such Owner, and/or such Owner's family, guests, invitees, tenants or employees to comply with any of the Riverstone at Naples Documents, provided the following procedures are adhered to:

A. Notice. The Association shall notify the Owner in writing of the noncompliance and set forth the corrective action to be taken. A fine or suspension of use rights may not be imposed without notice of at least fourteen (14) days to the Owner sought to be fined or suspended and an opportunity for a hearing before a committee of at least three (3) members appointed by the Board who are not officers, directors, or employees of the Association, or the spouse, parent, child, brother or sister of an officer, director, or employee of the Association. If the committee, by majority vote, does not approve a proposed fine or suspension, it may not be imposed. If the Association desires to impose a fine or suspend the use rights of an Owner, the Association shall comply with the requirements of Florida Statute §720.305(2)(a). At the Association's option, any fine may be levied on a daily basis in the event of a continuing violation without the necessity of a new hearing and without any limitation on the amount of such fine. Fines as provided in this paragraph and elsewhere in the Association Documents may exceed One Thousand and No/100 (\$1,000.00) Dollars.

B. Hearing. Should the Owner still be in noncompliance, the noncompliance shall be presented to the Board after which the Board shall hear reasons why a fine should or should not be imposed. A written decision of the Board shall be submitted to the Owner, as applicable, not later than twenty-one (21) days after said meeting.

C. Payment. A fine shall be paid not later than thirty (30) days after notice of the imposition of the fine.

D. Fines. A fine shall be treated as an Assessment subject to the provisions of the collection of Assessments as otherwise set forth herein. All monies received from fines shall be allocated as directed by the Board, subject always to the provisions of this Declaration.

E. Failure to Pay Assessments. Notwithstanding anything to the contrary contained herein, unless contrary to Florida law, Notice and Hearing as provided in Subparagraphs A and B above or elsewhere in the Association Documents, shall not be required with respect to the imposition of suspension of use or voting rights or fine upon any Owner because of such Owner's failure to pay Assessments or other charges, or any other monetary obligation due to the Association when due, if such non-payment exceeds more than 90 days.

F. Access. Suspension of use rights to Association Property shall not impair the right of an Owner or tenant of a Lot and/or Home to have vehicular and pedestrian ingress to and egress from such Lot and/or Home, including, but not limited to, the right to park.

Section 2. NUISANCES. No obnoxious or offensive activity shall be carried on or about the Lots or in or about any Improvements, Homes, or on any portion of Riverstone at Naples nor shall anything be done therein which may be or become an unreasonable annoyance or a nuisance to any Owner. No use or practice shall be allowed in or around the Homes which is a source of annoyance to Owners or occupants of Homes or which interferes with the peaceful possession or proper use of the Homes or the surrounding areas. No loud noises or noxious odors shall be permitted in any Improvements, Homes or Lots. Without limiting the generality of any of the foregoing provisions, no horns, whistles, bells or other sound devices (other than security devices used exclusively for security purposes), noisy or smoky vehicles, unlicensed off-road motor vehicles or any items which may unreasonably interfere with television or radio reception of any Owner shall be located, used or placed on any Lot, or exposed to the view of other Owners without the prior written approval of the Board.

Section 3. PARKING AND VEHICULAR RESTRICTIONS. Parking upon the Property shall be restricted to the driveway and garage located upon each Lot and designated parking areas within the Association Property. No parking on the streets or swales is permitted. No Owner shall keep any vehicle on any Lot which is deemed to be a nuisance by the Board. No Owner shall conduct repairs taking more than twenty-four (24) hours (except in an emergency or except within the garage of the Home with the garage door closed) or restorations of any motor vehicle, boat, trailer, or other vehicle upon any Lot. No commercial vehicle, trailer, recreational vehicle, boat or boat trailer may be parked or stored on the Property except in the garage of a Home located upon a Lot. No motor home, bus or tractor-trailer or any other truck larger than a full-size pickup truck may be parked on the Property, except temporarily as in the case of a moving van or other such vehicle necessary to provide service to an Owner and with the exception of any vehicles necessary for any construction activity being performed by or on behalf of Declarant.

Section 4. NO IMPROPER USE. No improper, offensive, hazardous or unlawful use shall be made of any Home nor shall anything be done thereon tending to cause embarrassment, discomfort, annoyance or nuisance to any person using any portion of the Property. All valid laws, zoning ordinances, orders, rules, regulations, codes and other requirements of all governmental bodies having jurisdiction thereover shall be observed. Violations of laws, ordinances, orders, rules, regulations, codes or other requirements of any governmental agency

having jurisdiction thereover relating to any Home or Lot shall be corrected by, and at the sole expense of, the Owner of said Home and/or Lot.

Section 5. LEASES. No portion of a Home (other than an entire Home) may be rented. All leases shall provide, and if they do not so provide then the leases shall be deemed to provide, that the Association shall have the right to terminate the lease upon default by the tenant in observing any of the provisions of this Declaration, the Articles, the Bylaws, applicable rules and regulations, or of any other agreement, document or instrument governing the Lots or Homes. The Owner of a leased Home shall be jointly and severally liable with such Owner's tenant for compliance with the Riverstone at Naples Documents and to the Association to pay any claim for injury or damage to property caused by the negligence of the tenant. Every lease shall be subordinate to any lien filed by the Association whether before or after such lease was entered into. Each Owner shall be required to use a lease addendum which provides, among other things, that the tenant will pay the rent due under the lease directly to the Association upon receipt of notice from the Association that the Owner is delinquent in amounts due to the Association. The Association has the right to require Owners to use a lease addendum the form of which may be prepared by the Association providing for, among other things, the foregoing. Even if such lease addendum is not included, each lease entered into by Owner for a Home shall be deemed to include the foregoing by this reference.

Within five (5) days following execution of a lease for a Home, but in no event later than occupancy of the Home by a tenant, Owner shall: (a) notify the Association in writing with the name of the tenant and all of tenant's family members or others that will be occupying the Home, and (b) provide the Association with a true, correct and complete copy of the lease agreement. In the event Owner fails to timely comply with the foregoing, such lease shall be null and void and of no further force or effect, and Owner shall be in violation of this Declaration. The provisions of this Section 5 shall also apply to renewals of leases. In no event shall subleases or assignment of leases be permitted.

In the event that an Owner is delinquent in the payment of his or her Assessments or other sums due and owing to the Association, the Lot shall not be leased until such amounts are paid in full or unless the Association consents, in writing, to any such lease. If the Lot is leased in violation of this provision, the Association may terminate the lease and evict the tenants in addition to imposing all other available remedies. In the event an Owner is in default in the payment of Assessments or other sums due and owing to the Association and the Owner's Lot is leased, the Association shall have the right and authority to collect the rent to be paid by the tenant to the Owner directly from the tenant. In the event such tenant fails to remit said rent directly to the Association within ten (10) days (but no later than the day the next rental payment is due) from the day the Association notified such tenant in writing that the rents must be remitted directly to the Association, the Association shall have the right to terminate the lease and evict the tenant. All sums received from the tenant shall be applied to the Owner's account for the leased Lot according to the priority established in Section 720.3085, Florida Statutes, until the Owner's account is current. All leases entered into by an Owner shall be deemed to automatically incorporate this provision and all the Owners hereby appoint the Association its agent for such purpose. The Association may, without further approval of the Owner of the leased Lot, terminate the lease for violations of the Declaration by the tenants, or the tenant's family or guests and thereafter evict the tenants from the Lot.

In addition to any notice to a tenant of a Lot permitted to be given by law, an Owner by acceptance of a deed to a Lot, does hereby irrevocably grant to the Association (and its officers, directors, designees, agents, and employees) and to any professional management or accounting firm providing management or accounting services to the Association, the right to notify, in writing, the tenant of the Lot of any delinquency by the Owner of the Lot in payment of any monetary obligations due to the Association, including but not limited to the amount thereof. Further each Owner hereby agrees and acknowledges that the disclosure of any of Owner's delinquent monetary obligations due to the Association, as provided in the preceding sentence, shall not be construed or be deemed to be a violation of the Fair Debt Collection Practices Act ("FDCPA") 15 U.S.C. Section 1692 et. seq.

Section 6. ANIMALS AND PETS. Only common domesticated household pets may be kept on any Lot or in a Home, but in no event for the purpose of breeding or for any commercial purposes whatsoever. No other animals, livestock, reptiles or poultry of any kind shall be kept, raised, bred or maintained on any portion of the Property. Permitted pets shall only be kept subject to and in accordance with such rules and regulations as shall be promulgated from time to time by the Board. Any pet must be carried or kept on a leash when outside of a Home or fenced-in area. No pet shall be kept tied up outside of a Home or in any screened porch or patio, unless someone is present in the Home. An Owner shall immediately pick up and remove any solid animal waste deposited by such Owner's pet on the Property. An Owner is responsible for the cost of repair or replacement of any Association Property damaged by such Owner's pet.

Notwithstanding the foregoing, under no circumstances shall a Pit Bull (as hereinafter defined), Rottweiler, Doberman Pinscher, Presa Canario (canary dog) or "Dangerous Dog" (as hereinafter defined) be permitted on the Property. As used in this Declaration: (i) a "Pit Bull" is defined as any dog that is an American Pit Bull Terrier, American Staffordshire Terrier, Staffordshire Bull Terrier, or any dog displaying a majority of the physical traits of any one (1) or more of the above breeds, or any dog exhibiting those distinguishing characteristics which substantially conform to the standards established by the American Kennel Club or United Kennel Club for any of the above breeds; and (ii) a "Dangerous Dog" is defined as a dog which meets any one (1) of the following criteria: (a) has aggressively bitten, attacked, endangered or has inflicted severe injury on a human being at any time whether on or off the Property, (b) has severely injured or killed a domestic animal at any time whether on or off the Property, or (c) has, when unprovoked, chased or approached any person upon the Streets, Drives, Roads, Avenues, Roadways and/or Sidewalks, or any other portion of the Property in a menacing fashion or apparent attitude of attack; provided, however, a dog shall not be a "Dangerous Dog" if the threat, injury, death or damage was sustained by a person who, at the time, was unlawfully on the Property (or any portion thereof), or, while lawfully on the Property (or any portion thereof), was tormenting, abusing or assaulting the dog or its owner or a family member; provided further, that no dog may be a "Dangerous Dog" if the dog was protecting or defending a human being within the immediate vicinity of the dog from an unjustified attack or assault.

Each Owner who determines to keep a pet hereby agrees to indemnify the Association and Declarant and hold each of the Association and Declarant harmless against any loss or liability of any kind or character whatsoever arising from or growing out of such Owner having any animal on the Property.

Section 7. ADDITIONS AND ALTERATIONS. No Home shall be enlarged by any addition thereto or to any part thereof, and no Owner shall make any Improvement, addition, or

alteration to the exterior of such Owner's Home, including, without limitation, the painting, staining, or varnishing of the exterior of the Home, including doors, garage doors, driveways and walkways, without the prior written approval of: (i) the Committee as set forth in Article VIII of this Declaration, which approval may be withheld for purely aesthetic reasons, and (ii) all applicable governmental entities. Without limiting the generality of the foregoing, and except as otherwise specifically provided herein, no planting, landscaping and/or Improvements whatsoever shall be installed or constructed in: (a) the Lake Maintenance Easements adjacent to Lake Lots, and/or (b) any Rear Yard Drainage Swale Easements on Non-Lake Lots except as expressly set forth in and subject to the terms and conditions of Section 7 of Article IV above.

Section 8. INCREASE IN INSURANCE RATES. No Owner may engage in any action which may reasonably be expected to result in an increase in the rate of any insurance policy or policies covering or with respect to any portion of the Property not owned by such Owner.

Section 9. SLOPES AND TREES. No Owner may engage in any activity which will change the slope or drainage of a Lot, including, without limitation, lake bank slopes. In that regard and without limiting the generality of the foregoing, no Owner may alter the slopes, contours or cross-sections of the Lakes, Lake banks, littoral zones, canals, or canal banks; or chemically, mechanically or manually remove, damage or destroy any plants in any littoral zones. All trees and other landscaping within Riverstone at Naples have been installed in accordance with a landscape plan that meets the requirements of the County Land Development Code. As a result, no additional trees are permitted to be planted on the Property by any Owner and no trees are permitted to be removed from the Property (other than dead or dying trees which are being replaced with trees of the same species) without the prior written consent of Declarant for as long as Declarant owns a Lot, and thereafter, without the prior written consent of the Board. Any Owner who removes or installs any tree upon their Lot which is not in conformance with the approved landscape plan shall be responsible for any costs, fines and fees imposed by the County as a result of such action. Declarant and the Association shall each (acting alone) have the right, but not the obligation, after ten (10) days prior notice and demand to do so, to remove (at such Owner's cost and expense) any trees or other landscaping installed by or on behalf of an Owner which is not in accordance with this Declaration.

Section 10. SIGNS. No sign, display, poster, advertisement, notice, lettering or other advertising device of any kind whatsoever (including, without limitation, "For Sale", "For Rent" or "By Owner" or any other signs for the sale or renting of homes) may be exhibited, displayed, inscribed, painted or affixed in public view of any portion of any building or other Improvement in the Property (including, without limitation, a Home) without the prior written consent of the Board, which consent may be given, withheld or conditioned in the sole discretion of the Board. Neither the Board nor the Committee shall consent to any type of "For Sale", "For Rent", "By Owner" or similar sign for the renting or sale of a Home so long as Declarant owns a Lot in Riverstone at Naples or so long as Declarant or any of Declarant's affiliates (or any of their respective successors or assigns) are conducting sales and marketing of Homes in Riverstone at Naples or other communities developed or marketed by Declarant or its affiliates, whichever is later. Signs, regardless of size, used by Declarant or any of Declarant's affiliates, or any of their successors or assigns, for advertising or marketing during the construction and sale period of Riverstone at Naples or other communities developed and/or marketed by Declarant or its affiliates and other signs authorized by Declarant shall be exempt from this Section 10. Such sign or signs as Declarant may be required to erect under the terms of an Institutional Mortgage shall

also be exempt from this Section 10. This provision may not be amended without the prior written consent of Declarant.

Section 11. TRASH AND OTHER MATERIALS. No rubbish, trash, garbage, refuse, or other waste material shall be kept or permitted on the Lots and/or Association Property, or other portions of the Property, except in sanitary, self-locking containers located in appropriate areas (i.e., areas not visible from the street or any other Lot other than at times of scheduled trash pick up), and no odor shall be permitted to arise therefrom so as to render the Property or any portion thereof unsanitary, offensive, detrimental or a nuisance to Owners or to any other property in the vicinity thereof or to its occupants. No clothing or other household items shall be hung, dried, or aired in such a way as to be visible from the Association Property or another Lot. No stripped vehicles, lumber or other building materials, grass, tree clippings, metals, scrap, automobile pieces or parts, refuse, or trash shall be stored or allowed to accumulate on any portion of the Property (except when accumulated during construction by Declarant, during construction approved by the Committee, or when accumulated by the Association for imminent pick-up and discard).

Section 12. TEMPORARY STRUCTURES. No tent, shack, shed or other temporary building or Improvement, other than separate construction, service and sales trailers to be used by Declarant, Declarant's affiliates, and/or their respective agents and contractors, for the construction, service and sale of Riverstone at Naples or other communities, shall be placed upon any portion of the Property, either temporarily or permanently. No trailer, motor home or recreational vehicle shall be: (a) used as a residence, either temporarily or permanently, or (b) parked upon the Property.

Section 13. OIL AND MINING OPERATIONS. No oil drilling, oil development operations, oil refining, boring or mining operations of any kind shall be permitted upon or on any Lot nor shall oil wells, tanks, tunnels, mineral excavations or shafts be permitted upon or in any Lot. No derrick or other structure designed for use in boring for oil or natural gas shall be erected, maintained or permitted upon any Lot.

Section 14. SEWAGE DISPOSAL. No individual sewage disposal system shall be permitted on any of the Property, provided that a central sewage disposal system is being operated in accordance with the requirements of the governmental regulatory body having jurisdiction over said central system.

Section 15. WATER SUPPLY. No individual water supply system shall be permitted on any of the Property, provided that one or more central water supply systems are being operated in accordance with requirements of the governmental body having jurisdiction over said central system.

Section 16. FENCES. Any fence placed upon any Lot must be approved by the Committee, as provided in Article VIII hereof, prior to installation. In no event may the Committee approve any request for a fence to be placed in any of the following areas: (a) the area between the front of a Home and the Street, Drive, Road or Roadway at the front of the Lot on which the Home is situated, or (b) any Lake Maintenance Easement. The Owner assumes complete responsibility to maintain the fence, including, but not limited to, trimming any grass, ivy or other plants from the fence. In the event the Committee approves the installation of a fence, it shall also have the right

to require installation of landscaping, also subject to the Committee's approval, at the time the fence is installed. No Owner shall be permitted to attach their fence to any perimeter fence or wall located within any of the Buffers, Landscaped Areas or Grassed Areas, or to otherwise fence in or enclose any portion of a Buffer or other Association Property.

Notwithstanding that an Owner has obtained the approval of the Committee to install a fence or landscape materials, as provided hereinabove, such installation shall be at the Owner's sole risk so long as Declarant has not yet begun or is engaged in the construction of a Home on an adjacent Lot. Declarant shall have the right (but not the obligation), in its sole discretion, to temporarily remove the fence if necessary in order to complete construction of the Home on the adjacent Lot. In the event such construction activity on an adjacent Lot or Declarant's temporary removal of the fence causes damage to or destruction of such Owner's fence or landscape materials or any part thereof, the Owner on whose Lot the fence and/or landscaping has been damaged shall be required, at the Owner's expense, to repair or replace such fence and/or landscape materials in conformance with the requirements of the Committee's approval of the initial installation of the fence and/or landscape materials and Declarant shall have no liability for any such damage or destruction. Such repair or replacement shall commence as soon as construction on the adjacent Lot has been completed and shall be pursued to completion with due diligence. For purposes of this paragraph, the term "landscape materials" shall include landscape materials located on or adjacent to any property line of a Lot, including, by way of example and not of limitation, hedges, shrubs and trees, whether associated with a fence or not.

In addition, the installation of any fence placed upon any Lot is subject to easements which run with the land. In the event that any fence is approved by the Committee and is permitted to cross any such easements, such Committee's approval is still subject to Owner first receiving written approval from the grantee of such easements and all other applicable governmental authorities. In the event the grantee of any such easement which runs with the land, its successors and/or assigns, requires the removal of any fence upon the Lot, then the Owner of said Lot shall, at the Owner's sole cost and expense, immediately remove the fence. The Owner of a Lot, when installing any fence upon the Lot, shall comply with all valid laws, zoning ordinances, codes, rules and regulations of all applicable governmental bodies, as applicable, in addition to the Committee approval required by Article VIII hereof.

Section 17. ANTENNAE. No outside television, radio, or other electronic towers, aerials, antennae, satellite dishes or device of any type for the reception or transmission of radio or television broadcasts or other means of communication shall hereafter be erected, constructed, placed or permitted to remain on any portion of the Property or upon any improvements thereon, unless expressly approved in writing by the Association, except that this prohibition shall not apply to those satellite dishes that are one (1) meter (39.37 inches) in diameter or less, and specifically covered by 47 C.F.R. Part 1, Subpart S, Section 1.4000, as amended, promulgated under the Telecommunications Act of 1996, as amended from time to time. The Association is empowered to adopt, and amend from time to time, rules governing the types of antennae which may be permitted and restrictions relating to safety, location and maintenance of antennae. The Association may also adopt (and amend from time to time) and enforce reasonable rules limiting installation of permissible satellite dishes or antennae to certain specified locations, not visible from the street or neighboring properties, and integrated with the Property and surrounding landscape, to the extent that reception of an acceptable signal would not be unlawfully impaired by such rules and provided the cost of complying with such rules would not unreasonably

increase the cost of installation of permissible satellite dishes or antennae. Any permissible satellite dishes or antennae shall be installed in compliance with all federal, state and local laws and regulations, including zoning, land-use and building regulations. Further, any Owner desiring to install permissible satellite dishes or antennae may, but is not obligated to, submit plans and specifications for same to the Committee to ensure compliance with the Association's rules governing the types of permissible satellite dishes and antennae and restrictions relating to safety, location and maintenance of satellite dishes and antennae. This Section 17 shall not apply to the Declarant.

Section 18. DECLARANT EXEMPTION Declarant plans to undertake the work of constructing Homes and Improvements upon the Property and may undertake the work of constructing other buildings upon adjacent land or other property being developed or marketed by Declarant or its affiliates. The completion of the aforementioned work and the sale, rental and other transfer of Homes by Declarant and Declarant's affiliates are essential to the establishment and welfare of the Property as a residential community. In order that such work may be completed and a fully occupied community established as rapidly as possible, neither the Owners, the Association, any Neighborhood Association governing a portion of Riverstone at Naples, nor the Architectural Control Committee shall do anything whatsoever to interfere with any of Declarant's or Declarant's affiliates' activities relating to the selling or constructing of Homes and Improvements upon the Property, the selling or constructing of other buildings upon adjacent land or any other property being developed or marketed by the Declarant or any of Declarant's affiliates, or the sale, rental and/or other transfer of Homes by Declarant or any of Declarant's affiliates. In this respect, Declarant hereby reserves the right for itself and its employees, agents, licensees, and invitees to come upon any and all portions of the Property (including, without limitation, the Association Property as well as a Lot even after the same has been conveyed to an Owner) as may be necessary or convenient to enable Declarant to carry on its work and other activities including, without limitation, Declarant's development and construction of Riverstone at Naples and the Homes therein.

In general, the restrictions and limitations set forth in this Article X shall not apply to the Declarant or to Lots owned by the Declarant. Declarant shall specifically be exempt from any restrictions which interfere in any manner whatsoever with Declarant's plans for development, construction, sale, lease, or use of the Property and to the Improvements thereon. Declarant shall be entitled to injunctive relief for any actual or threatened interference with its rights under this Article X in addition to whatever remedies at law to which it might be entitled.

#### **ARTICLE XI**

#### **DAMAGE OR DESTRUCTION TO ASSOCIATION PROPERTY**

Damage to or destruction of all or any portion of the Association Property shall, notwithstanding any provision in this Declaration to the contrary, be handled as follows:

A. If insurance proceeds are sufficient to effect total restoration of damaged or destroyed Association Property, then the Association shall cause such Association Property to be repaired and reconstructed substantially as it previously existed.

B. If insurance proceeds are insufficient to effect total restoration, and the cost of restoration exceeds such proceeds by Twenty-Five Thousand Dollars (\$25,000.00) or

less, then the Association shall cause the Association Property to be repaired and reconstructed substantially as it previously existed and the difference between the insurance proceeds and the actual cost shall be levied as a Special Assessment proportionately against each of the Lots in accordance with the provisions of Articles VI and VII herein.

C. If the insurance proceeds are insufficient to effect total restoration and the cost of restoration of the Association Property exceeds said proceeds by over Twenty-Five Thousand Dollars (\$25,000.00), then by the written consent or vote of a majority of the voting interests, they shall determine whether: (i) to rebuild and restore either: (a) in substantially the same manner as the Improvements existed prior to the damage or destruction; or (b) in a manner less expensive, and in the event of (a) or (b) to raise the necessary rebuilding and restoration funds by levying pro rata restoration and construction Special Assessments against all Lots; or (ii) to not rebuild and to retain available insurance proceeds. In the event it is decided that the damaged or destroyed Association Property shall not be rebuilt, the remains of any structure or structures shall be torn down and hauled away, so as not to be a safety hazard or visual nuisance, and the land shall be fully sodded and landscaped or otherwise treated in an attractive manner. Notwithstanding anything contained herein to the contrary, any decision not to rebuild or to rebuild in a manner which would result in a change in the Improvements shall not be effective without the prior written approval of Declarant (which approval may be given, conditioned or withheld in Declarant's sole discretion) as long as Declarant owns any portion of the Property.

D. Each Owner shall be liable to the Association for any damage to the Association Property not fully covered or collected by insurance which may be sustained by reason of the negligence or willful misconduct of said Owner or of such Owner's family, tenants, invitees and guests, both minors and adults.

E. In the event that the repairs and replacements were paid for by any Special Assessments as well as insurance proceeds and regular Assessments, then, if after the completion of and payment for the repair, replacement, construction or reconstruction there shall remain any excess in the hands of the Association, it shall be presumed that the monies disbursed in payment of any repair, replacement, construction and reconstruction were first disbursed from insurance proceeds and regular Assessments and any remaining funds shall be deemed to be the remaining Special Assessments which shall be returned to the Owners by means of a *pro rata* distribution in accordance with the collection of such Special Assessments.

## **ARTICLE XII**

### **INSURANCE AND CONDEMNATION**

The Association shall purchase and maintain the following insurance coverages subject to the following provisions, and the cost of the premiums therefor shall be a part of the Operating Expenses:

Section 1. CASUALTY INSURANCE. Property and casualty insurance in an amount equal to the then full replacement cost, exclusive of land, foundation, excavation and other items normally excluded from such coverage, of all Improvements and personal property which are owned by the Association and now or hereafter located upon the Association Property, which insurance shall afford protection against such risks, if any, as shall customarily be covered with

respect to areas similar to the Association Property in developments similar to Riverstone at Naples in construction, location and use.

Section 2. PUBLIC LIABILITY INSURANCE. A comprehensive policy of public liability insurance naming the Association and, until Declarant no longer owns any Lot with the Property, Declarant as named insureds thereof insuring against any and all claims or demands made by any person or persons whomsoever for personal injuries or property damage received in connection with, or arising from, the operation, maintenance and use of the Association Property and any Improvements located thereon, and for any other risks insured against by such policies with limits of not less than One Million Dollars (\$1,000,000.00) for damages incurred or claimed by any one person for any one occurrence; not less than Three Million Dollars (\$3,000,000.00) for damages incurred or claimed by more than one person for any one occurrence; and for not less than Fifty Thousand Dollars (\$50,000.00) property damage per occurrence with no separate limits stated for the number of claims. The Association may also obtain worker's compensation insurance and other liability insurance including, but not limited to, insurance for lawsuits related to employment contracts in which the Association is a party, as it may deem desirable.

Section 3. FIDELITY COVERAGE. Adequate fidelity coverage to protect against dishonest acts of the officers and employees of the Association and the Board and all others who handle and are responsible for handling funds of the Association shall be maintained in the form of fidelity bonds, which requirements shall be reasonably determined by the Board.

Section 4. DIRECTORS' COVERAGE. Adequate directors' and officers' liability coverage, which coverage shall be effective from and after the date the Association is created.

Section 5. OTHER INSURANCE. The Board may obtain such other forms of insurance as the Board may determine and in such coverage amounts as the Board shall determine to be required or beneficial for the protection or preservation of the Association Property and any Improvements now or hereafter located thereon or in the best interests of the Association and/or its officers and directors.

Section 6. CANCELLATION OR MODIFICATION. All insurance policies purchased by the Association shall provide that they may not be canceled (including for nonpayment of premiums) or substantially modified without at least ten (10) days prior written notice to the Association and to each first mortgage holder, if any, named in the mortgage clause.

Section 7. FLOOD INSURANCE. If determined appropriate by the Board or if required by an Institutional Mortgagee, a master or blanket policy of flood insurance covering the Association Property, if available under the National Flood Insurance Program, shall be purchased, which flood insurance shall be in the form of a standard policy issued by a member of the National Flood Insurers Association, and the amount of the coverage of such insurance shall be the lesser of the maximum amount of flood insurance available under such program, or one hundred percent (100%) of the current replacement cost of all buildings and other insurable property located in the flood hazard area.

Section 8. CONDEMNATION. In the event the Association receives any award or payment arising from the taking of any Association Property or any part thereof as a result of the exercise of the right of condemnation or eminent domain, the net proceeds thereof shall first be applied to

the restoration of such taken areas and improvements thereon to the extent deemed advisable by the Board and approved by at least two-thirds (2/3) of the total voting interests, and the remaining balance thereof, if any, shall then be distributed pro rata to Owners and mortgagees of Lots as their respective interests may appear.

Section 9. WAIVER OF SUBROGATION. As to each policy of insurance maintained by the Association which will not be voided or impaired thereby, the Association hereby waives and releases all claims against the Board, the Owners, the Declarant and the agents and employees of each of the foregoing, with respect to any loss covered by such insurance, whether or not caused by negligence of or breach of any agreement of said persons, but only to the extent that such insurance proceeds are received in compensation for such loss.

**ARTICLE XIII**  
**CONSERVATION EASEMENTS, NATURAL CONDITIONS,**  
**WETLANDS AND PRESERVES**

Owners are hereby notified that certain Lots may include, or be adjacent to wet detention ponds, jurisdictional wetlands, designated mitigation areas or designated conservation easements. It is the Owner's responsibility not to remove native vegetation that becomes established within the wet detention ponds, jurisdictional wetlands, designated mitigation areas or designated conservation easements abutting the Owner's Lot. Removal includes dredging, the application of herbicide, and cutting. Owners should address any question regarding authorized activities within detention ponds, jurisdictional wetlands, designated mitigation areas or designated conservation easements to the Water Management District, Surface Water Permitting Department. The Water Management District may authorize removal of certain exotic or nuisance vegetation upon application by Owners or the Association.

No Owner of a Lot within the Property may construct or maintain any building, residence, or structure, or undertake or perform any activity in the wet detention ponds, jurisdictional wetlands, designated mitigation areas or designated conservation easements described in the approved permit and recorded Plats of the Property, unless prior approval is received from the Water Management District.

Section 1. CONSERVATION EASEMENTS.

(a) Establishment of Conservation Easements. The provisions of Section 704.06, Florida Statutes establish the right of the SFWMD and/or the County (the "Easement Grantee") to accept easements for the preservation of the natural habitat (such easements shall be referred to herein as the "Conservation Easements"). Declarant reserves unto itself and to the Association the right to grant such easements over and upon portions of the Association Property unto the Easement Grantee pursuant to the provisions of Section 704.06, Florida Statutes. Any Conservation Easements so granted shall be subject to the requirements of Section 704.06, Florida Statutes and the Easement Grantee, and the following provisions. For the purposes of this Declaration, any portion of the Association Property encumbered by a Conservation Easement shall be referred to as the "Conservation Easement Property."

(b) Purpose. The purpose of a Conservation Easement is to assure that the Conservation Easement Property will be retained forever in its existing natural condition and to

prevent any use of the Conservation Easement Property that will impair or interfere with the environmental value of the Conservation Easement Property.

(c) Prohibited Acts and Uses. Any activity on or use of the Conservation Easement Property inconsistent with the purpose of a Conservation Easement is prohibited. Without limiting the generality of the foregoing, the following activities and uses are expressly prohibited:

(i) constructing or placing buildings, roads, signs, billboards, or other advertising, utilities or other structures on or above the ground;

(ii) dumping or placing soil or other substances or material as landfill or dumping or placing of trash, waste or unsightly or offensive materials;

(iii) removing, mowing, trimming or destroying trees, shrubs, or other vegetation;

(iv) excavating, dredging, or removing loam, peat, gravel, soil, rock, or other material substances in such a manner as to affect the surface;

(v) using the surface area of the Conservation Easement, except for purposes that permit the land or water area to remain predominantly in its natural condition;

(vi) activities detrimental to drainage, flood control, water conservation, erosion control, soil conservation, or fish and wildlife habitat preservation;

(vii) acting upon or using the Conservation Easement in a manner detrimental to such retention of land or water areas;

(viii) acting upon or using the Conservation Easement in a manner detrimental to the preservation of the structural integrity or physical appearance of sites or properties of historical, architectural, archaeological, or cultural significance;

(ix) constructing or installing utilities on, below, or above the ground without appropriate local, state, and federal permits or other authorization; and

(x) applying of herbicides, pesticides, or fertilizers.

(d) Reserved Rights. The owner of record title to the Conservation Easement Property reserves unto itself, and its successors and assigns, all rights accruing from its ownership of the Conservation Easement Property, including the right to engage in or permit or invite others to engage in all uses of the Conservation Easement Property that are not expressly prohibited herein and are not inconsistent with the purpose of the Conservation Easement.

(e) Rights of Easement Grantee. To accomplish the purposes stated herein, the owner of record title to the Conservation Easement Property shall, upon the request of Declarant or the Easement Grantee, grant the following rights to the Easement Grantee:

(i) to enter upon and inspect the Conservation Easement Property in a reasonable manner and at reasonable times to determine if the Association, the Owners and Declarant or its successors and assigns are complying with the covenants and prohibitions contained in the Conservation Easement; and

(ii) to proceed at law or in equity to enforce the provisions of the Conservation Easement and the covenants set forth therein, to prevent the occurrence of any of the prohibited activities set forth herein, and require the restoration of areas or features of the Conservation Easement Property that may be damaged by any activity inconsistent with the Conservation Easement.

(f) Successors. The covenants, terms, conditions, and restrictions of the Conservation Easement shall be binding upon, and inure to the benefit of, the parties hereto and their respective personal representatives, heirs, successors, and assigns and shall continue as a servitude running in perpetuity with the Conservation Easement Property.

(g) Restrictive Covenants Affecting Conservation Easements. No Owner or other person shall cut, remove, destroy, or otherwise disturb any plant, shrub, tree, or other vegetation within any Conservation Easement created pursuant to this Article, nor shall any person, including, but not limited to any Owner, Declarant, and the Association, deposit dirt, fill, grass clippings, trash, rubbish, tree trimmings, building materials, or other waste within such easements without the prior written consent (as evidenced by any required permit or other official certification) of the Association, Declarant, the County, and the SFWMD.

THE CONSERVATION AREAS ARE HEREBY DEDICATED AS ASSOCIATION PROPERTY AND THEY SHALL BE THE PERPETUAL RESPONSIBILITY OF THE ASSOCIATION AND MAY IN NO WAY BE ALTERED FROM THEIR NATURAL STATE. ACTIVITIES PROHIBITED WITHIN THE CONSERVATION AREAS INCLUDE, BUT ARE NOT LIMITED TO, CONSTRUCTION OR PLACING OF BUILDINGS ON OR ABOVE THE GROUND; OFF-ROAD VEHICLE USE; DUMPING OR PLACING SOIL OR OTHER SUBSTANCES SUCH AS TRASH; REMOVAL OR DESTRUCTION OF TREES, SHRUBS OR OTHER VEGETATION – WITH THE EXCEPTION OF EXOTIC/NUISANCE VEGETATION REMOVAL; ANY OTHER ACTIVITIES DETRIMENTAL TO DRAINAGE; FLOOD CONTROL, WATER CONSERVATION, EROSION CONTROL, OR FISH AND WILDLIFE HABITAT CONSERVATION OR PRESERVATION.

Section 2. NATURAL CONDITIONS; WILDLIFE.

(a) Riverstone at Naples may contain a number of manmade, natural, and environmentally sensitive areas that may serve as habitats for a variety of native plants and wildlife, including, without limitation, insects, venomous and non-venomous snakes and other reptiles, alligators, bears and other animals, some of which may pose hazards to persons or pets coming in contact with them. Each Owner and occupant of any Lot, and every Person entering Riverstone at Naples: (i) acknowledges that such plants and wildlife are indigenous to the area and are not restrained or restricted in their movements within or through Riverstone at Naples; and (ii) knowingly and voluntarily assumes all risk of personal injury and/or death arising from

the presence of such plants and wildlife within Riverstone at Naples. Neither the Association, Declarant, any predecessor Declarant, any builder, nor the members, partners, affiliates, officers, directors, shareholders, attorneys, agents, or employees of any of the foregoing, shall have any duty to take action to control, remove, or eradicate any plant or wildlife in Riverstone at Naples, nor shall they have any liability for any property damage, personal injury and/or death resulting from the presence, movement, or propagation of any plant or wildlife within or through Riverstone at Naples.

(b) The natural areas described in subsection (a) above may also contain creeks, ponds, or intermittent pools of water, muddy areas, and underbrush, among other things, all of which are important to the ecological balance and maintenance of the area as a wildlife habitat. No Owner or occupant of a Lot shall enter upon, or permit their guests or any other person acting on their behalf to enter upon, or disturb such areas in any way without the Association's or Declarant's prior written approval.

(c) Each Owner and occupant of any Lot, and every Person entering Riverstone at Naples, hereby agrees to indemnify and hold harmless Association, Declarant, all builders, and each of their respective members, partners, affiliates, officers, directors, shareholders, attorneys, agents, or employees from and against any and all of the foregoing described in this Section 2 of Article XIII including, without limitation, property damage, personal injury and/or death.

Section 3. PRESERVES.

As may be depicted on any Plat, certain tracts may be identified as "Preserve" or "Private Preserve", if any. Unless otherwise approved in writing by Declarant, the SFWMD, the County and any other governmental authorities having jurisdiction, the Preserve areas, if any, shall be maintained in their natural state in perpetuity. No Owner, member of an Owner's household, or any other Person acting, or purporting to act, on behalf of any Owner, or for whom any Owner shall be responsible pursuant to this Declaration, shall disturb the natural environment of the Preserve areas in any way without first obtaining the written consent of the Board properly approved by the adoption of a resolution describing in detail the exact activities to be conducted within the Preserve areas, the times and dates when such activities are authorized to occur, and the identities of the Persons who are authorized to so act, together with the written consent of Declarant and any governmental authority having jurisdiction over the proposed activity.

This restrictive covenant is intended in the broadest sense, and includes, but is not limited to, trimming, cutting, or mowing grass, shrubs, trees or other plants; placing grass clippings, landscape debris, household trash or other materials; storing materials, equipment, vehicles, boats, motor homes, trailers, or other items; erecting children's playhouses, tree houses, swings, or other permanent or temporary improvements; planting trees, shrubs, grass, or ground cover; releasing birds, snakes, reptiles, insects, or other animals; grading or excavating; cultivating or gardening; or dumping dirt, sand, rocks, gravel, or other inorganic or organic material on any part of a Preserve area. No hunting or animal trapping, carrying or discharging of firearms, overnight camping or campfires, operation of motorcycles or so-called "all-terrain vehicles," "dirt bikes," or other motorized vehicles, implements, equipment, or conveyances are permitted within the Preserve areas at any time.

Any Owner who violates the foregoing restrictive covenants shall be responsible for the cost of restoring the affected Preserve area to the satisfaction of the Association, Declarant, and any governmental authority having jurisdiction thereof, and the Association shall have the right to prohibit the offending party from further use or enjoyment of the Preserve areas after prior notice and hearing before the Board. Notwithstanding the foregoing, the Owners shall have the right, without prior notice, to enter the Preserve areas for hiking, birding, and other passive, nondestructive activities during the hours of dawn to dusk.

BECAUSE THE PRESERVE AREAS ARE TO BE RETAINED IN THEIR NATURAL STATE, SUCH AREAS SHOULD BE CONSIDERED HAZARDOUS FOR RECREATIONAL ACTIVITIES.

NEITHER THE ASSOCIATION, NOR DECLARANT, NOR ANY OF THEIR AFFILIATES, HAS ANY OBLIGATION TO PROVIDE SECURITY OR SUPERVISION FOR ANY PERSON USING A PRESERVE AREA, AND ALL PERSONS USING A PRESERVE AREA DO SO AT THEIR OWN RISK.

INSECTS, SNAKES, AND ANIMALS THAT MAY BE DANGEROUS TO HUMANS MAY INHABIT THE PRESERVE AREAS.

OWNERS SHOULD NOT ALLOW CHILDREN OR PETS TO ENTER THE PRESERVE AREA WITHOUT ADULT SUPERVISION.

NEITHER THE ASSOCIATION NOR DECLARANT NOR ANY OF THEIR AFFILIATES SHALL HAVE ANY LIABILITY WHATSOEVER FOR ANY CONDITION OF A PRESERVE AREA OR ANY INJURY OR DEATH OCCURRING THEREON.

THE ASSOCIATION SHALL HAVE THE RIGHT TO IMPOSE ADDITIONAL RULES AND REGULATIONS GOVERNING THE USE OF THE PRESERVE AREAS OR FOR ANY INJURY OR DEATH OCCURRING THEREON.

IF THE PRESERVE AREAS, OR THE TREES OR VEGETATION THEREON, ARE DAMAGED OR DESTROYED BY FIRE, WINDSTORM, FLOOD, DISEASE, OR OTHER NATURAL OR MANMADE EVENT, NEITHER THE ASSOCIATION, NOR DECLARANT, NOR ANY OF DECLARANT'S AFFILIATES, SHALL HAVE ANY OBLIGATION TO REPAIR OR RESTORE THE DAMAGE OR DESTRUCTION, OR TO REMOVE ANY DEAD OR DAMAGED TREES OR OTHER VEGETATION.

**ARTICLE XIV**  
**LIMITED ASSOCIATION PROPERTY**

Section 1.     **PURPOSE.** Certain portions of the Association Property may be designated as Limited Association Property and reserved for the exclusive use or primary benefit of Owners and occupants of one or more, but less than all, Lots. By way of illustration and not limitation, Limited Association Property may include entry features, recreational facilities, landscaped medians and cul-de-sacs, private roads, lakes and other portions of the Association Property primarily serving a limited area. All costs associated with ownership, maintenance, repair, replacement, management, operation and insurance of a Limited Association Property shall be a Limited Operating Expense allocated in accordance with Article VII among the Owners in the Service Area to which the Limited Association Property is assigned.

Section 2.     **DESIGNATION.** Initially, any Limited Association Property shall be designated as such in the deed conveying such area to the Association or on the subdivision plat relating to such Association Property; however, any such assignment shall not preclude Declarant from later assigning use of the same Limited Association Property to additional Lots during the Development and Sale Period. Thereafter, a portion of the Association Property may be assigned as Limited Association Property upon approval of (a) the Board, (b) Members representing a majority of the total Class "A" and Class "B" votes in the Association, and (c) Members entitled to cast a majority of the Class "A" and Class "B" votes attributable to Lots to which the Limited Association Property is proposed to be assigned or reassigned. During the Development and Sale Period, any such assignment or reassignment shall also require Declarant's written consent.

Section 3.     **USE BY OTHERS.**

Upon approval of a majority of Owners of Lots to which any Limited Association Property is assigned, and subject to such restrictions as such Owners may impose, the Association may permit Owners of other Lots to use all or a portion of such Limited Association Property upon payment of reasonable user fees, which fees shall be used to offset the Limited Operating Expenses attributable to such Limited Association Property.

**ARTICLE XV**  
**GENERAL PROVISIONS**

Section 1.     **CONFLICT WITH OTHER RIVERSTONE AT NAPLES DOCUMENTS.** In the event of any conflict between the provisions of this Declaration and the provisions of the Articles and/or Bylaws and/or rules and regulations promulgated by the Association, the provisions of this Declaration, the Articles, the Bylaws and the rules and regulations shall control, in that order.

Section 2.     **NOTICES.** Any notice or other communication required or permitted to be given or delivered hereunder shall be deemed properly given and delivered upon the mailing thereof by United States mail, postage prepaid, to: (i) each Owner, at the address of the person whose name appears as the Owner on the records of the Association at the time of such mailing and, in the absence of any specific address, at the address of the Home owned by such Owner; (ii) the

Association, certified mail, return receipt requested, at 1600 Sawgrass Corporate Parkway, Suite 400, Sunrise, Florida 33323, or such other address as the Association shall hereinafter notify Declarant and the Owners of in writing; and (iii) Declarant, certified mail, return receipt requested, at 1600 Sawgrass Corporate Parkway, Suite 400, Sunrise, Florida 33323, or such other address or addresses as Declarant shall hereinafter notify the Association of in writing, any such notice to the Association of a change in Declarant's address being deemed notice to the Owners.

Section 3. ENFORCEMENT. The covenants and restrictions herein contained may be enforced by Declarant (so long as Declarant holds an equitable or legal interest in any Lot and/or Home), the Association, any Owner and any Institutional Mortgagee holding a mortgage on any portion of the Property in any judicial proceeding seeking any remedy recognizable at law or in equity, including damages, injunction or any other form of relief against any person, firm or entity violating or attempting to violate any covenant, restriction or provision hereunder. The failure by any party to enforce any such covenant, restriction or provision herein contained shall in no event be deemed a waiver of such covenant, restriction or provision or of the right of such party to thereafter enforce such covenant, restriction or provision. The prevailing party in any such litigation shall be entitled to reimbursement of all costs thereof including, but not limited to, Legal Fees, from the non-prevailing party. The Water Management District shall have the right to enforce, by a proceeding at law or in equity, the provisions contained in this Declaration which related to the maintenance, operation and repair of the Drainage System. In addition, the Association shall be entitled to recover pre-litigation attorneys' fees and costs incurred in enforcing the Association Documents and may be collectible in the same manner as Assessments as set forth in the Declaration.

Section 4. INTERPRETATION. The provisions of this Declaration shall be liberally construed to effectuate its purpose of creating a uniform plan for the development of a residential community and for the maintenance of recreational facilities and Association Property. Article, Section and Paragraph captions, headings and titles inserted throughout this Declaration are intended as a matter of convenience only and in no way shall such captions, headings or titles define, limit or in any way affect the subject matter or any of the terms and provisions thereunder or the terms and provisions of this Declaration.

Whenever the context so requires or permits, any pronoun used herein may be deemed to mean the corresponding masculine, feminine or neuter form thereof, and the singular form of any nouns and pronouns herein may be deemed to mean the corresponding plural form thereof and vice versa.

Section 5. SEVERABILITY. In the event any of the provisions of this Declaration shall be deemed invalid by a court of competent jurisdiction, said judicial determination shall in no way affect any of the other provisions hereof, which shall remain in full force and effect, and any provisions of this Declaration deemed invalid by a court of competent jurisdiction by virtue of the term or scope thereof shall be deemed limited to the maximum term and scope permitted by law. In the event that any court should hereafter determine that any provision of this Declaration is in violation of the rule of property known as the "rule against perpetuities" or any other rule of law because of the duration of a time period, such provision shall not thereby become invalid, but instead the duration of such time period shall be reduced to the maximum period allowed under such rule of law, and in the event the determination of the duration of such time period requires measuring lives, such measuring life shall be that of the incorporator of the Association.

Section 6. CERTAIN RIGHTS OF DECLARANT. Notwithstanding anything to the contrary herein contained, no Improvements constructed or installed by Declarant shall be subject to the approval of the Association or the Owners or the provisions and requirements of this Declaration, although it is the intent of the Declarant to create a community with a common scheme of development. Notwithstanding the other provisions of this Declaration, the Declarant reserves for itself and its affiliates, and the Declarant, its affiliates and its nominees shall have, the right to enter into and transact on the Property any business necessary to consummate the sale, lease or encumbrance of Homes or real property within or outside Riverstone at Naples, including, but not limited to, the right to maintain models and a sales and/or leasing office, a construction office and/or a service office, place signs, employ sales, leasing, construction and service personnel, use the Association Property and show Homes, and the Declarant further reserves the right to make repairs to the Association Property and to carry on construction activity for the benefit of the Property, all of which activities may continue even after the Turnover Date. The Declarant, its affiliates and their respective nominees, may exercise the foregoing rights without notifying the Association and/or the Owners. Any such models, sales and/or leasing office, construction office, service office, signs and any other items pertaining to such sales, leasing, construction or service efforts shall not be considered a part of the Association Property and shall remain the property of the Declarant.

In addition, the Declarant hereby has, shall have and hereby reserves the right to enter upon the Association Property (including, without limitation, all drainage, lake maintenance, canal maintenance, Conservation Areas, Preserve Areas and utility easements whether located on a Lot or Association Property) in order for Declarant to final-out and/or close-out any and all approvals, permits, orders, conditions and/or requirements that have been issued or imposed by any governmental entity in connection with the development and construction of Riverstone at Naples and all Improvements therein (collectively, the "Community Approvals"), and for Declarant to comply and adhere to the same, and such rights shall survive the Turnover Date and continue for such period of time as is necessary for Declarant to fully comply with all such Community Approvals. Without limiting the generality of the foregoing, in exercising any such rights, Declarant shall have the right to remove and/or relocate any and all items (including, without limitation, landscape materials, fences and/or other Improvements) that may be required to be removed and/or relocated to final-out and/or close-out any and all Community Approvals without compensation to the Association or the Owners. In the event Declarant is unable to: (i) final-out and/or close-out any and all such Community Approvals as a result of Association's failure to timely and/or properly maintain any and all portions of Riverstone at Naples which is Association's responsibility to maintain pursuant to this Declaration and/or the Community Approvals, as applicable; or (ii) obtain a return of any bond or surety posted by Declarant in connection with the development and construction of Riverstone at Naples, then Declarant shall have the immediate right, but not the obligation, in its sole discretion, to (a) commence an enforcement action against the Association, including, without limitation, monetary penalties and injunctive relief, to compel the Association to maintain such portions of Riverstone at Naples as required by this Declaration and/or the Community Approvals, as applicable; or (b) take any and all actions necessary, at the Association's sole cost and expense, to comply with and adhere to any such Community Approvals. The Association hereby agrees to indemnify and reimburse the Declarant (within ten (10) days of receipt of a written invoice from Declarant) for all costs and expenses incurred by Declarant in the event Declarant takes actions in accordance with this Section 6. The rights granted to Declarant hereunder shall survive the Turnover Date and

continue for such period of time as is necessary for Declarant to fully comply with all Community Approvals.

The Declarant shall also have the right, but not the obligation, to conduct inspections and tests from time to time of all or any portion of the Association Property in order to ascertain the physical condition of the Improvements and to determine if maintenance, repair or replacement of any such Improvement is necessary. If the Declarant conducts any such tests or inspections, it shall pay all costs thereof and restore the affected portion of the Property to its condition immediately prior to the inspections and tests. The Declarant shall have such rights of entry on, over, under, across and through the Property as may be reasonably necessary to exercise the rights described in this Section 6. The Declarant's right of inspection shall exist whether or not the Turnover Date has occurred. In the event the Declarant exercises its inspection right(s), it is acknowledged by the Association and all Owners that the Declarant is performing any such inspection(s) for its own benefit and not for the benefit of the Association and/or the Owners and further, the Declarant shall have no obligation to inform the Association and/or the Owners of the result of any such inspection.

ALL OWNERS, OCCUPANTS AND USERS OF RIVERSTONE AT NAPLES ARE HEREBY PLACED ON NOTICE THAT DECLARANT AND/OR ITS AGENTS, CONTRACTORS, SUBCONTRACTORS, LICENSEES AND OTHER DESIGNEES MAY BE, FROM TIME TO TIME, CONDUCTING EXCAVATION, CONSTRUCTION AND OTHER ACTIVITIES WITHIN OR IN PROXIMITY TO RIVERSTONE AT NAPLES. BY THE ACCEPTANCE OF THEIR DEED, TITLE OR OTHER CONVEYANCE OR MORTGAGE, LEASEHOLD, LICENSE OR OTHER INTEREST, AND BY USING ANY PORTION OF RIVERSTONE AT NAPLES, EACH SUCH OWNER, OCCUPANT AND USER FOR THEMSELVES AND EACH OF THEIR RESPECTIVE HEIRS, LEGAL REPRESENTATIVES, AND ASSIGNS AUTOMATICALLY ACKNOWLEDGES, STIPULATES AND AGREES AS FOLLOWS (i) THAT NONE OF THE AFORESAID ACTIVITIES SHALL BE DEEMED NUISANCES OR NOXIOUS OR OFFENSIVE ACTIVITIES, HEREUNDER OR AT LAW GENERALLY, (ii) NOT TO ENTER UPON, OR ALLOW THEIR CHILDREN OR OTHER PERSONS UNDER THEIR CONTROL OR DIRECTION TO ENTER UPON (REGARDLESS OF WHETHER SUCH ENTRY IS A TRESPASS OR OTHERWISE) ANY PROPERTY WITHIN OR IN PROXIMITY TO RIVERSTONE AT NAPLES WHERE THE AFORESAID ACTIVITIES ARE BEING CONDUCTED (EVEN IF NOT BEING ACTIVELY CONDUCTED AT THE TIME OF ENTRY, SUCH AS AT NIGHT OR OTHERWISE DURING NON-WORKING HOURS), (iii) THAT THE OWNER, OCCUPANT OR USER IS AT RISK OF SUFFERING INJURY TO BOTH THEIR PERSON AND/OR PROPERTY AS A RESULT OF ENTRY UPON ANY PROPERTY WITHIN OR IN PROXIMITY TO RIVERSTONE AT NAPLES WHERE THE AFORESAID ACTIVITIES ARE BEING CONDUCTED. EACH OWNER, OCCUPANT AND USER EXPRESSLY ASSUMES FULL RESPONSIBILITY FOR THE RISK OF BODILY INJURY, DEATH OR PROPERTY DAMAGE SUFFERED AS A RESULT OF THE AFORESAID CONSTRUCTION AND OTHER ACTIVITIES; (iv) THAT EACH OWNER, OCCUPANT AND USER HEREBY RELEASES, WAIVES, DISCHARGES AND HOLDS HARMLESS DECLARANT, ITS PARTNERS AND AFFILIATES, AND EACH OF THEIR RESPECTIVE PARTNERS, AFFILIATES, SHAREHOLDERS, OFFICERS, DIRECTORS, EMPLOYEES, AGENTS, CONTRACTORS, SUBCONTRACTORS, SUCCESSORS AND ASSIGNS, AND ANY SUBSEQUENT DECLARANT ("RELEASED PARTIES") FROM ALL LOSSES, CLAIMS, COSTS, LIABILITIES, DAMAGES, INCLUDING COMPENSATORY,

CONSEQUENTIAL, PUNITIVE OR OTHERWISE, AND INCLUDING, BUT NOT LIMITED TO, PROPERTY DAMAGE OR BODILY INJURY OR DEATH, WHETHER CAUSED BY NEGLIGENCE ON THE PART OF ANY OR ALL OF THE RELEASED PARTIES OR ANYONE ELSE, AS A RESULT OF, ARISING OUT OF, OR IN CONNECTION WITH THE AFORESAID CONSTRUCTION AND OTHER ACTIVITIES; (v) ANY PURCHASE OR USE OF ANY PORTION OF RIVERSTONE AT NAPLES HAS BEEN AND WILL BE MADE WITH FULL KNOWLEDGE OF THE FOREGOING; AND (vi) THAT THIS ACKNOWLEDGMENT AND AGREEMENT IS A MATERIAL INDUCEMENT TO DECLARANT TO SELL, CONVEY, LEASE AND/OR ALLOW THE USE OF THE APPLICABLE PORTION OF RIVERSTONE AT NAPLES.

This Section 6 may not be suspended, superseded or modified in any manner by any amendment to this Declaration unless such amendment is consented to in writing by the Declarant. This right of use and transaction of business as set forth herein and the other rights reserved by the Declarant in the Riverstone at Naples Documents may be assigned in writing by the Declarant in whole or in part. For the purposes of this Section 6, the term "Declarant" shall include any "Lender" which has loaned money to the Declarant to acquire or construct Improvements upon the Property, or its successors and assigns if such Lender, its successors or assigns, acquires title to any portion of the Property as a result of the foreclosure of any mortgage encumbering any portion of the Property securing any such loan to the Declarant, or acquires title thereto by deed in lieu of foreclosure. The rights and privileges of the Declarant as set forth in this Section 6 are in addition to, and are no way a limit on, any other rights or privileges of the Declarant under any of the Riverstone at Naples Documents.

Section 7. DISPUTES AS TO USE. In the event there is any dispute as to whether the use of the Property or any portion or portions thereof complies with the covenants, restrictions, easements or other provisions contained in this Declaration, such dispute shall be referred to the Board, and a determination rendered by the Board with respect to such dispute shall be final and binding on all parties concerned therewith. Notwithstanding anything to the contrary herein contained, any use by Declarant of the Property shall be deemed a use which complies with this Declaration and shall not be subject to a contrary determination by the Board.

Section 8. AMENDMENT AND MODIFICATION. The process of amending or modifying this Declaration shall be as follows:

1. Until the Turnover Date, all amendments or modifications shall only be made by Declarant without the requirement of the Association's consent or the consent of the Owners so long as such amendments or modifications do not materially impair the common plan of development of Riverstone at Naples; provided, however, that the Association shall, forthwith upon request of Declarant, join in any such amendments or modifications and execute such instruments to evidence such joinder and consent as Declarant shall, from time to time, request.

2. After the Turnover Date, this Declaration may be amended by: (i) the consent of the Owners owning two-thirds (2/3) of all Lots; together with (ii) the approval or ratification of a majority of the Board. The aforementioned consent of the Owners owning two-thirds (2/3) of the Lots may be evidenced by a writing signed by the required number of Owners or by the affirmative vote of the required number of Owners at any regular or special

meeting of the Association called and held in accordance with the Bylaws and evidenced by a certificate of the Secretary or an Assistant Secretary of the Association.

3. Amendments for correction of scrivener's errors or other nonmaterial changes may be made by Declarant alone until the Turnover Date and by the Board thereafter and without the need of consent of the Association and any Owners.

4. Notwithstanding anything to the contrary herein contained, no amendment to this Declaration shall be effective which shall impair or prejudice the rights or priorities of Declarant, the Association or of any Institutional Mortgagee under the Riverstone at Naples Documents without the specific written approval of such party affected thereby. In addition, and notwithstanding anything to the contrary contained herein, no amendment to this Declaration shall be effective which shall eliminate or modify the provisions of Section 6 of this Article XV and any such amendment shall be deemed to impair and prejudice the rights of Declarant.

5. A true copy of any Amendment to this Declaration shall be sent certified mail by the Association to Declarant and to all Institutional Mortgagees holding a mortgage on any portion of the Property requesting notice. The amendment shall become effective upon the recording amongst the Public Records of the County of said amendment or any Supplemental Declaration to this Declaration which sets forth any amendment or modification to this Declaration.

6. Notwithstanding anything contained herein to the contrary, Declarant may, without the consent of any Owners, file any amendments to this Declaration which may be required by an Institutional Mortgagee for the purpose of satisfying such Institutional Mortgagee's development criteria or such other criteria as may be established by such mortgagee's secondary mortgage market purchasers, including, without limitation, the Federal National Mortgage Association and the Federal Home Loan Mortgage Corporation; provided, however, any such Declarant's filed amendments must be in accordance with any applicable rules, regulations and other requirements promulgated by the United States Department of Housing and Urban Development.

7. Any proposed amendment to the Declaration which would affect the surface water management system (including environmental conservation areas and the water management portions of the Association Property), shall be submitted to the Water Management District and any other governmental or quasi-governmental agency having jurisdiction over the surface water management system for a determination of whether the proposed amendment necessitates a modification of the Water Management District Permit for the Property.

Section 9. DELEGATION. The Association, pursuant to a resolution duly adopted by the Board, shall have the continuing authority to delegate all or any portion of its responsibilities for maintenance, operation and administration, as provided herein, to any managing agency or entity selected by the Board from time to time and whether or not related to Declarant.

Section 10. TERM. This Declaration and the terms, provisions, conditions, covenants, restrictions, reservations, regulations, burdens and liens contained herein shall run with and bind the Property, and inure to the benefit of Declarant, the Association and the Owners and their respective legal representatives, heirs, successors and assigns for a term of fifty (50) years from

the date of recording this Declaration amongst the Public Records of the County, after which time this Declaration shall be automatically renewed and extended for successive periods of ten (10) years each unless at least one (1) year prior to the termination of such fifty (50)-year term or any such ten (10)-year extension there is recorded amongst the Public Records of the County an instrument agreeing to terminate this Declaration signed by Owners owning two-thirds (2/3) of the Lots and Institutional Mortgagees holding first mortgages encumbering two-thirds (2/3) of all Lots encumbered by first mortgages held by Institutional Mortgagees, upon which event this Declaration shall be terminated upon the expiration of the fifty (50)-year term or the ten (10)-year extension during which such instrument was recorded.

In the event this Declaration is terminated or the Association ceases to exist for any reason, the Owners shall be jointly and severally responsible for the costs to maintain and shall maintain the Association Property in the manner described herein. This provision may not be amended or deleted without the prior written consent of the County and this provision shall survive the termination of this Declaration and shall run with the Property in perpetuity. Any Owner may, however, petition the Circuit Court for the appointment of a Receiver to manage the affairs of the Association in the event of dissolution of the Association.

Section 11. RIGHTS OF MORTGAGEES.

A. Right to Notice. The Association shall make available for inspection upon request, during normal business hours or under reasonable circumstances, the Riverstone at Naples Documents and the books, records and financial statements of the Association to Owners and the holders, insurers or guarantors of any first mortgages encumbering any portion of the Property. In addition, evidence of insurance shall be issued to each Owner and mortgagee holding a mortgage encumbering a Home upon written request to the Association.

B. Rights of Listed Mortgagee. Upon written request to the Association, identifying the name and address of the holder, insurer, or guarantor (such holder, insurer or guarantor is herein referred to as a "Listed Mortgagee") of a mortgage encumbering a Lot and the legal description of such Lot, the Association shall provide such Listed Mortgagee with timely written notice of the following:

(1) Any condemnation, loss or casualty loss which affects any material portion of the Association Property;

(2) Any lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association;

(3) Any proposed action which would require the consent of mortgagees holding a mortgage encumbering a Lot; and

(4) Any failure by an Owner owning a Lot encumbered by a mortgage held, insured or guaranteed by such Listed Mortgagee to perform such Owner's obligations under the Riverstone at Naples Documents, including, but not limited to, any delinquency in the payment of Assessments, or any other charge owed to the Association by said Owner where such failure or delinquency has continued for a period of sixty (60) days.

C. Right of Listed Mortgagee to Receive Financial Statement. Any Listed Mortgagee shall, upon written request made to the Association, be entitled to financial

statements of the Association for the prior fiscal year free of charge and the same shall be furnished within a reasonable time following such request.

Section 12. APPROVAL OF ASSOCIATION LAWSUITS BY OWNERS. Notwithstanding anything contained herein to the contrary, in order to prevent the Board from incurring expenses not contemplated by the Riverstone at Naples Documents, the Association shall be required to obtain the approval of three-fourths (3/4) of the total voting interests (at a duly called meeting of the Owners at which a quorum is present) prior to engaging persons or entities for the purpose of suing, or making, preparing or investigating any lawsuit, or commencing any lawsuit other than for the following purposes:

- (a) the collection of Assessments;
- (b) the collection of other charges which Owners are obligated to pay pursuant to the Riverstone at Naples Documents;
- (c) the enforcement of the use and occupancy restrictions contained in the Riverstone at Naples Documents;
- (d) dealing with an emergency when waiting to obtain the approval of the Owners creates a substantial risk of irreparable injury to the Association Property or to Owner(s) (the imminent expiration of a statute of limitations shall not be deemed an emergency obviating the need for the requisite vote of three-fourths [3/4] of the Owners); or
- (e) filing a compulsory counterclaim.

Section 13. COMPLIANCE WITH PROVISIONS. Every person who owns, occupies or acquires any right, title, estate or interest in or to any Lot except as elsewhere herein provided does consent and agree to, and shall be conclusively deemed to have consented and agreed to, every limitation, restriction, easement, reservation, condition and covenant contained herein, whether or not any reference to these restrictions is contained in the instrument by which such person acquired an interest in such property. Declarant shall not in any way or manner be held liable or responsible for any violation of this Declaration by any person other than Declarant.

Section 14. SECURITY. The Association may, but shall not be obligated to, maintain or support certain activities within the Property designed to make the Property safer than it otherwise might be. Notwithstanding the foregoing, NEITHER DECLARANT NOR THE ASSOCIATION MAKES ANY REPRESENTATIONS WHATSOEVER AS TO THE SECURITY OF THE PREMISES OR THE EFFECTIVENESS OF ANY MONITORING SYSTEM OR SECURITY SERVICE WHETHER SAME ARE PROVIDED THROUGH THE COMMUNITY SYSTEMS OR OTHERWISE. ALL OWNERS, BY ACCEPTANCE OF A DEED OR TITLE TO A LOT, AGREE TO HOLD DECLARANT AND THE ASSOCIATION HARMLESS FROM ANY LOSS OR CLAIM ARISING FROM THE OCCURRENCE OF ANY CRIME OR OTHER ACT. NEITHER THE ASSOCIATION, DECLARANT, NOR ANY SUCCESSOR DECLARANT SHALL IN ANY WAY BE CONSIDERED INSURERS OR GUARANTORS OF SECURITY OR SAFETY WITHIN THE PROPERTY, AND NEITHER THE ASSOCIATION, DECLARANT NOR ANY SUCCESSOR DECLARANT GUARANTEE OR WARRANT, EXPRESSLY OR IMPLIEDLY, THE MERCHANTABILITY OR FITNESS FOR USE OF ANY SUCH MONITORING SYSTEM OR SECURITY SERVICE, OR THAT ANY SYSTEM OR SERVICES WILL PREVENT INTRUSIONS, FIRES, DAMAGE, INJURY, DEATH OR OTHER OCCURRENCES, OR THE CONSEQUENCES OF SUCH

OCCURRENCES, REGARDLESS OF WHETHER OR NOT THE SYSTEM OR SERVICES ARE DESIGNED TO MONITOR SAME. NEITHER THE ASSOCIATION, DECLARANT, NOR ANY SUCCESSOR DECLARANT SHALL BE HELD LIABLE FOR ANY LOSS OR DAMAGE BY REASON OF FAILURE TO PROVIDE ADEQUATE SECURITY OR INEFFECTIVENESS OF SECURITY MEASURES UNDERTAKEN, IF ANY, EVEN IF CAUSED BY THE NEGLIGENCE OF ASSOCIATION, DECLARANT AND/OR ANY SUCCESSOR DECLARANT. ALL MEMBERS, OWNERS AND OCCUPANTS OF ANY LOT OR HOME, AND TENANTS, GUESTS, AND INVITEES OF ANY OWNER ACKNOWLEDGE THAT THE ASSOCIATION AND ITS BOARD, DECLARANT, AND ANY SUCCESSOR DECLARANT DO NOT REPRESENT OR WARRANT THAT: (a) ANY FIRE PROTECTION SYSTEM, BURGLAR ALARM SYSTEM OR OTHER SECURITY SYSTEM (WHETHER SAME ARE PROVIDED THROUGH THE COMMUNITY SYSTEMS OR OTHERWISE), IF ANY, RECOMMENDED BY OR INSTALLED ACCORDING TO GUIDELINES ESTABLISHED BY DECLARANT OR THE ARCHITECTURAL CONTROL COMMITTEE MAY NOT BE COMPROMISED OR CIRCUMVENTED, OR (b) THAT ANY FIRE PROTECTION OR BURGLAR ALARM SYSTEMS OR OTHER SECURITY SYSTEM (WHETHER SAME ARE PROVIDED THROUGH THE COMMUNITY SYSTEMS OR OTHERWISE) WILL IN ALL CASES PROVIDE THE DETECTION OR PROTECTION FOR WHICH THE SYSTEM IS DESIGNED OR INTENDED. EACH MEMBER, OWNER AND OCCUPANT OF ANY LOT OR HOME, AND EACH TENANT, GUEST AND INVITEE OF AN OWNER ACKNOWLEDGES AND UNDERSTANDS THAT THE ASSOCIATION, ITS BOARD AND THE ARCHITECTURAL CONTROL COMMITTEE, DECLARANT, AND ANY SUCCESSOR DECLARANT ARE NOT INSURERS OR GUARANTORS AND THAT EACH MEMBER, OWNER AND OCCUPANT OF ANY LOT OR HOME, AND EACH TENANT, GUEST AND INVITEE OF ANY MEMBER OR OWNER ASSUMES ALL RISKS FOR LOSS OR DAMAGE TO PERSONS, TO LOTS OR HOMES, AND TO THE CONTENTS OF LOTS OR HOMES AND FURTHER ACKNOWLEDGES THAT THE ASSOCIATION, ITS BOARD AND THE ARCHITECTURAL CONTROL COMMITTEE, DECLARANT, AND ANY SUCCESSOR DECLARANT HAVE MADE NO REPRESENTATIONS, WARRANTIES AND/OR GUARANTIES, NOR HAS ANY OWNER, MEMBER, OCCUPANT, TENANT, GUEST OR INVITEE RELIED UPON ANY REPRESENTATIONS OR WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE, RELATIVE TO ANY FIRE AND/OR BURGLAR ALARM SYSTEMS OR OTHER SECURITY SYSTEMS (WHETHER SAME ARE PROVIDED THROUGH THE COMMUNITY SYSTEMS OR OTHERWISE) RECOMMENDED OR INSTALLED, IF ANY, OR ANY SECURITY MEASURES UNDERTAKEN WITHIN THE PROPERTY.

Section 15. COVENANT RUNNING WITH THE LAND. All provisions of this Declaration shall, to the extent applicable and unless otherwise expressly provided herein to the contrary, be construed to be covenants running with the Lots and Homes and the Property and with every part thereof and interest therein, and all of the provisions hereof shall be binding upon and inure to the benefit of the Declarant and subsequent Owner(s) of the Homes, Lots and Property or any part thereof, or interest therein, and their respective heirs, successors, and assigns. However, the same are not intended to create nor shall they be construed as creating any rights in or for the benefit of the general public, unless specifically provided herein to the contrary. All present and future Owners, tenants, and occupants of the Lots and Homes, as applicable, shall be subject to and shall comply with the provisions of this Declaration and the Articles, Bylaws and applicable

rules and regulations as they exist and may from time to time be amended. The acceptance of a deed of conveyance of a Lot, or the entering into a lease of or occupancy of a Home, shall constitute an adoption and ratification by such Owner, tenant, or occupant of the provisions of this Declaration, and the Articles, Bylaws, and applicable rules and regulations of the Association, as they may be amended from time to time. In the event that any easements granted herein shall fail for want of a grantee in being or for any other purpose, the same shall constitute and be covenants running with the land.

Section 16. NO PUBLIC RIGHT OR DEDICATION. Nothing contained in this Declaration shall be deemed to be a gift or dedication of all or any portion of the Association Property to the public, or for any public use.

Section 17. NO REPRESENTATIONS OR WARRANTIES. NO REPRESENTATIONS OR WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, HAVE BEEN GIVEN OR MADE BY DECLARANT OR ITS AGENTS OR EMPLOYEES IN CONNECTION WITH ANY PORTION OF THE ASSOCIATION PROPERTY, ITS PHYSICAL CONDITION, ZONING, COMPLIANCE WITH APPLICABLE LAWS, FITNESS FOR INTENDED USE, OR IN CONNECTION WITH THE SUBDIVISION, SALE, OPERATION, MAINTENANCE, COST OF MAINTENANCE, TAXES OR REGULATION THEREOF, EXCEPT AS SPECIFICALLY AND EXPRESSLY SET FORTH IN THIS DECLARATION.

Section 18. CERTAIN RESERVED RIGHTS OF DECLARANT WITH RESPECT TO COMMUNITY SYSTEMS. Without limiting the generality of any other applicable provisions of this Declaration, and without such provisions limiting the generality hereof, Declarant hereby reserves and retains to itself:

(a) the title to any Community Systems and a perpetual exclusive easement over, under and across the Property for the placement and location thereof;

(b) the right to connect, from time to time, the Community Systems to such receiving or intermediary transmission source(s) as Declarant may in its sole discretion deem appropriate, in location(s) on the Property as Declarant may determine in its sole discretion, including, without limitation, companies licensed to provide CATV or satellite service(s) in the County, for which service(s) Declarant shall have the right to charge any users a fee (which shall not exceed any maximum allowable charge provided for in the applicable ordinances of the County);

(c) the continuing right to air conditioned space within and/or on the Association Property as Declarant may determine in its sole discretion to install, operate, maintain, repair and replace the equipment serving, providing or running the Community Systems, which location may include, without limitation, room(s) within any clubhouse or other Improvements constructed on the Association Property; and

(d) the exclusive right to offer and provide from time to time to the Association, the Lots and the Lot Owners, any and all Bundled Services through the Community Systems.

Neither the Association nor any officer, director, employee, committee member or agent thereof (including any management company) shall be liable for any damage to property, personal injury or death arising from or connected with any act or omission of any of the foregoing during the course of performing any duty or exercising any right or privilege (including, without limitation, performing maintenance work which is the duty of the Association or exercising any remedial maintenance or alteration rights under this Declaration) required or authorized to be done by the Association, or any of the other aforesaid parties, under this Declaration or otherwise as required or permitted by law.

Section 19. ASSOCIATION AND DECLARANT AS ATTORNEY-IN-FACT. Each Owner, by reason of having acquired ownership of a Lot, whether by purchase, gift, operation of law or otherwise, and each occupant of a Home, by reason of his or her occupancy, is hereby declared to have acknowledged and agreed to his or her automatic consent to any rezoning, replatting, covenant in lieu of unity of title, change, addition or deletion made in, on or to Riverstone at Naples by Declarant (hereinafter, collectively, the "Modifications") and, in respect thereto, each Owner of a Lot and occupant of a Home hereby designates the Association to act as agent and attorney in fact on behalf of such Owner or occupant to consent to any such Modification. If requested by Declarant, each Owner shall evidence his or her consent to a Modification in writing (provided, however, that any refusal to give such written consent shall not obviate the automatic effect of this provision). Further, each Owner, by reason of having acquired ownership of a Lot, hereby agrees to execute, at the request of Declarant, any document and/or consent which may be required by any government agency to allow Declarant and/or its affiliates to complete the plan of development of Riverstone at Naples, as such plan may be hereafter amended, and each such Owner hereby further appoints Declarant as such Owner's agent and attorney-in-fact to execute, on behalf and in the name of each such Owner, any and all of such documents and/or consents. This power of attorney is irrevocable and is coupled with an interest. The provisions of this Section 19 may not be amended without Declarant's prior written consent.

Section 20. DECLARANT'S RESERVATION OF RIGHTS. Notwithstanding anything herein or in the Riverstone at Naples Documents to the contrary, Declarant reserves the right to change the zoning of any portion of the Property now existing or hereafter changed to be other than single-family residential (e.g., multi-family residential or commercial) and/or to make such uses of all or any part of the Property as shall be permitted by applicable zoning regulations as they may exist from time to time. Declarant, however, is not obligated by this Declaration to cause any portion of the Property to be rezoned or developed for any such uses. In the event Declarant changes the zoning of the Property, Declarant hereby reserves the right to amend this Declaration or to create one or more sub-declarations subjecting such property(ies) to additional or different specified or prohibited uses.

Additionally, in the event Declarant changes the zoning of the Property or any portion thereof to a use other than single-family residential and amends this Declaration or creates a sub-declaration, in order to insure representation on the Board for various groups having dissimilar interests, Declarant reserves the right to establish voting groups for election of Directors to the Board. In such event, each voting group shall be entitled to elect one (1) or more Director(s) to the Board. Each voting group may have different voting rights as determined by Declarant.

In the event Declarant establishes other uses of or for the Property as aforesaid, Declarant reserves the right to change the method pursuant to which Assessments are shared among the

Lots and other portions of the Property. The expenses may be divided among each type of property use (e.g., single-family residential, multi-family residential and commercial) based upon, but not necessarily proportional to, the percentage of each type of property use, the level of services received by each type of property use and other relevant factors as determined by Declarant. Additionally, expenses which specifically relate to a specific property use will only be assessed against that type of property. The percentages for each type of property will be based upon the total acreage of the Property.

The portion of the anticipated Operating Expenses which are assessed against the single-family residential property shall be based on percentages set forth by the Declarant and shall be divided equally among the contributing Lots or units by dividing such portion of the Operating Expenses which are being assessed to the single-family residential property by the total number of contributing Lots or units, and subject further to Article VII, Section 1 above in determining assessments based on Completed Lots and Incomplete Lots.

The portion of the anticipated Operating Expenses which are assessed against the multi-family residential property shall be based on percentages set forth by the Declarant and shall be divided equally among the contributing multi-family units by dividing such portion of the Operating Expenses which are being assessed to the multi-family residential property by the total number of contributing units, and subject further to Article VII, Section 1 above in determining assessments based on Completed Lots and Incomplete Lots.

The portion of the anticipated Operating Expenses which are assessed against the commercial property shall be based on percentages set forth by the Declarant and shall be divided among the owners of the commercial property based upon a fractional formula, the numerator of which is the total square feet of buildings and paved areas of each commercial parcel and the denominator of which is the total square feet of all buildings and paved areas.

**ARTICLE I  
DEFINITIONS**

The following words and phrases when used in these Articles of Incorporation (unless the context clearly reflects another meaning) shall have the following meanings:

1. "Articles" means these Amended and Restated Articles of Incorporation and any amendments hereto, which amend, restate, replace and supersede, in their entirety, those certain Articles of Incorporation of the Association originally filed in the Office of the Secretary of the State of Florida on May 4, 2004 under Document Number N04000004452, as amended by First Amendment to Articles of Incorporation of the Association filed January 3, 2005 and Second Amendment to Articles of Incorporation of the Association filed July 14, 2011, all in said Office of the Secretary of the State of Florida.
2. "Assessments" means the assessments for which all Owners are obligated to the Association and includes "Individual Lot Assessments," Service Area Assessments" and "Special Assessments" (as such terms are defined in the Declaration) and any and all other assessments which are levied by the Association in accordance with the Riverstone at Naples Documents.
3. "Association" means Riverstone at Naples Homeowners Association, Inc. (formerly known as Saturnia Falls Homeowners Association, Inc.), a Florida corporation not for profit. The Association is NOT a condominium association and is not intended to be governed by Chapter 718, the Condominium Act, Florida Statutes.
4. "Association Property" means the property more particularly described in Article II of the Declaration.

The written assignment may give notice as to which rights of Declarant are to be exercised and as to which portion of the Property. In any event, any subsequent declarant shall not be liable for any default or obligations incurred by any prior declarant, except as may be expressly assumed by the subsequent declarant.

12. "Declaration" means the Declaration of Covenants, Restrictions and Easements for Riverstone at Naples, which is intended to be recorded amongst the Public Records of the County, and any amendments thereto.

MEMBERS AND VOTING

The qualification of Members of the Association, the manner of their admission to membership, the manner of the termination of such membership and the manner of voting by Members shall be as follows:

A. Until such time as the first deed of conveyance of a Lot from Declarant to an Owner is recorded amongst the Public Records of the County ("First Conveyance"), the membership of the Association shall be comprised solely of the Declarant. Until the First Conveyance, Declarant shall be entitled to cast the one (1) and only vote on all matters requiring a vote of the membership.

B. Upon the First Conveyance, Declarant shall be a Member as to each of the remaining Lots until each such Lot is conveyed to another Owner, and thereupon and thereafter each and every Owner, including Declarant as to Lots owned by Declarant, shall be a Member and exercise all of the rights and privileges of a Member.

C. Membership in the Association for Owners other than Declarant shall be established by the acquisition of ownership of fee simple title to a Lot as evidenced by the recording of an instrument of conveyance amongst the Public Records of the County. Where title to a Lot is acquired by conveyance from a party other than Declarant by means of sale, gift, inheritance, devise, judicial decree or otherwise, the person, persons or entity thereby acquiring such Lot shall not be a Member unless or until such Owner shall deliver a true copy of a deed or other instrument of acquisition of title to the Association.

D. The Association shall have three (3) classes of voting membership:

1. "Class A Members" shall be the Owners of Single Family Lots in Riverstone at Naples, with the exception of Declarant while Declarant is a Class "C" Member, each of whom shall be entitled to one (1) vote for each Single Family Lot owned.

2. "Class B Members" shall be the Owners of Condominium Units in Riverstone at Naples, with the exception of Declarant while Declarant is a Class "C" Member, each of whom shall be entitled to one (1) vote for each Condominium Unit owned.

3. "Class C Members" shall be Declarant, who shall be entitled to three times the total number of votes of the Class A Members and the Class B Members, plus one. Class C membership shall cease and be converted to Class A or Class B, as appropriate, upon the earlier to occur of the following events ("Turnover Date"):

(i) Three (3) months after the conveyance of ninety percent (90%) of the combined total of all Lots in Riverstone at Naples by Declarant, as evidenced by the recording of instruments of conveyance of such Lots amongst the Public Records of the County; or

(ii) At such time as Declarant shall designate in writing to the Association.

On the Turnover Date, Class A Members and Class B Members, including Declarant, shall assume control of the Association and elect not less than a majority of the Board.

E. The designation of different classes of membership are for purposes of establishing the number of votes applicable to certain Lots, and nothing herein shall be deemed to require voting solely by an individual class on any matter which requires the vote of Members, unless otherwise specifically set forth in the Riverstone at Naples Documents.

F. No Member may assign, hypothecate or transfer in any manner his membership in the Association except as an appurtenance to his Lot.

G. Any Member who conveys or loses title to a Lot by sale, gift, devise, bequest, judicial decree or otherwise shall, immediately upon such conveyance or loss of title, no longer be a Member with respect to such Lot and shall lose all rights and privileges of a Member resulting from ownership of such Lot.

H. There shall be only one (1) vote for each Lot, except for the Class C Member as set forth herein. If there is more than one Member with respect to a Lot as a result of the fee interest in such Lot being held by more than one person, such Members collectively shall be entitled to only one (1) vote. The vote of the Owners of a Lot owned by more than one natural person or by a corporation or other legal entity shall be cast by the person named in a certificate signed by all of the Owners of the Lot, or, if appropriate, by properly designated officers, partners or principals of the respective legal entity ("Voting Member"), and filed with the Secretary of the Association, and such certificate shall be valid until revoked by a subsequent certificate. If such a certificate is not filed with the Secretary of the Association, the Owners of such Lot shall lose their right to vote until such a certificate is so filed with the Secretary of the Association, but the Lot shall count for purposes of establishing a quorum.

Notwithstanding the foregoing provisions, whenever any Lot is owned by a husband and wife they may, but shall not be required to, designate a Voting Member. In the event a certificate designating a Voting Member is not filed by the husband and wife, the following provisions shall govern their right to vote:

1. When both are present at a meeting, each shall be regarded as the agent and proxy of the other for purposes of casting the vote for each Lot owned by them. In the event they are unable to concur in their decision upon any topic requiring a vote, they shall lose their right to vote on that topic at that meeting, but shall count for purposes of establishing a quorum.

2. When only one (1) spouse is present at a meeting, the person present may cast the Lot vote without establishing the concurrence of the other spouse, absent any prior written notice to the contrary by the other spouse. In the event of prior written notice to the contrary to the Association by the other spouse, the vote of said Lot shall not be considered, but shall count for purposes of establishing a quorum.

3. When neither spouse is present, the person designated in a "Proxy" (as defined in the Bylaws) signed by either spouse may cast the Lot vote, when voting by Proxy is allowed, absent any prior written notice to the contrary to the Association by the other spouse or the designation of a different Proxy by the other spouse. In the event of prior written notice to the contrary to the Association or the designation of a different Proxy by the other spouse, the vote of said Lot shall not be considered, but shall count for purposes of establishing a quorum.

I. Unless some greater number is provided for in the Riverstone at Naples Documents, a quorum shall consist of persons entitled to cast at least thirty percent (30%) of the total number of votes of the Members.

#### ARTICLE VI TERM

The term for which this Association is to exist shall be perpetual. In the event of dissolution of the Association (unless same is reinstated), other than incident to a merger or consolidation, all of the assets of the Association shall be conveyed to a similar homeowners association or a public agency having a similar purpose, or any Member may petition the appropriate circuit court of the State of Florida for the appointment of a receiver to manage the affairs of the dissolved Association and its properties in the place and stead of the dissolved Association and to make such provisions as may be necessary for the continued management of the affairs of the dissolved Association and its properties.

Except for Declarant-appointed Directors, Directors must be Members or the parents, children or spouses of Members. There shall be only one (1) vote for each Director.

Declarant reserves the right to replace and/or designate and elect successor Directors to serve on the First Board for so long as the First Board is to serve, as hereinafter provided.

C. Declarant initially intends that Riverstone at Naples will contain single family and condominium unit homes. Notwithstanding the foregoing, however, Declarant has reserved the right in the Declaration to modify its plan of development for Riverstone at Naples and to add land to and withdraw land from Riverstone at Naples and the change the number of types of Homes to be constructed therein.

D. Upon the Turnover Date, the Members other than Declarant ("Purchaser Members") shall be entitled to elect not less than a majority of the Board. The election of not less than a majority of the Board by the Purchaser Members shall occur at a special meeting of the membership to be called by the Board for such purpose ("Initial Election Meeting"). The First Board shall serve until the Initial Election Meeting.

E. At the Initial Election Meeting, Purchaser Members, who shall include all Members other than Declarant, the number of which may change from time to time, shall elect two (2) of the Directors, and Declarant, until the Declarant's Resignation Event, shall be entitled to designate one (1) Director (same constituting the "Initial Elected Board"). F. The Board shall continue to be so designated and elected, as described in Paragraph E above, at each subsequent "Annual Members' Meeting" (as defined in the Bylaws), until the Annual Members' Meeting following the Declarant's Resignation Event or until a Purchaser Member-elected Director is removed in the manner hereinafter provided.

A Director (other than a Declarant-appointed Director) may be removed from office upon the affirmative vote or agreement in writing of a majority of the voting interests of Purchaser Members for any reason deemed to be in the best interests of the Purchaser Members. A meeting of the Purchaser Members to so remove a Director (other than a Declarant-appointed Director) shall be held upon the written request of ten percent (10%) of the Purchaser Members. Any such recall shall be effected and a recall election shall be held, if applicable, as provided in the HOA Act.

G. The Initial Election Meeting shall be called by the Association, through the Board, within sixty (60) days after the Purchaser Members are entitled to elect a majority of Directors as provided in Paragraph C hereof. A notice of meeting shall be forwarded to all Members in accordance with the Bylaws; provided, however, that the Members shall be given at least fourteen (14) days' notice of such meeting. The notice shall also specify the number of Directors which shall be elected by the Purchaser Members and the remaining number of Directors designated by Declarant.

H. Upon the earlier to occur of the following events ("Declarant's Resignation Event"), Declarant shall cause all of its designated Directors to resign:

1. When Declarant no longer holds at least five percent (5%) of the total developed Lots for sale in the ordinary course of business and all Lots sold by Declarant have been conveyed as evidenced by the recording of instruments of conveyance of such Lots amongst the Public Records of the County; or

2. When Declarant causes the voluntary resignation of all of the Directors designated by Declarant and does not designate replacement Directors.

Upon Declarant's Resignation Event, the Directors elected by Purchaser Members shall elect a successor Director to fill the vacancy caused by the resignation or removal of Declarant's designated Director. This successor Director shall serve until the next Annual Members' Meeting and until his successor is elected and qualified. In the event Declarant's Resignation Event occurs prior to the Initial Election Meeting, the Initial Election Meeting shall be called in the manner set forth in Paragraph G of this Article X, and all of the Directors shall be elected by the Purchaser Members at such meeting.

I. At each Annual Members' Meeting held subsequent to Declarant's Resignation Event, all of the Directors shall be elected by the Members. At the first Annual Members Meeting held after the Initial Election Meeting, a "staggered" term of office of the Board shall be created as follows:

1. a number equal to fifty percent (50%) of the total number of Directors rounded up to the nearest whole number is the number of Directors whose term of office shall be established at two (2) years and the Directors serving for a two (2) year term will be the Directors receiving the most votes at the meeting; and
2. the remaining Directors' terms of office shall be established at one (1) year.

At each Annual Members' Meeting thereafter, as many Directors of the Association shall be elected as there are Directors whose regular term of office expires at such time, and the term of office of the Directors so elected shall be for two (2) years, expiring when their successors are duly elected and qualified.

J. The resignation of a Director who has been designated by Declarant or the resignation of an officer of the Association who has been elected by the First Board shall be deemed to remise, release, acquit, satisfy and forever discharge such Director or officer of and from any and all manner of action(s), cause(s) of action, suits, debts, dues, sums of money, accounts, reckonings, bonds, bills, specialties, covenants, contracts, controversies, agreements, promises, variances, trespasses, damages, judgments, executions, claims and demands whatsoever, in law or in equity, which the Association or Purchaser Members had, now have or will have or which any personal representative, successor, heir or assign of the Association or Purchaser Members hereafter can, shall or may have against said Director or officer for, upon or by reason of any matter, cause or thing whatsoever from the beginning of the world to the day of such resignation, except for such Director's or officer's willful misconduct or gross negligence.

#### ARTICLE XI INDEMNIFICATION

Each and every Director and officer of the Association shall be indemnified by the Association against all costs, expenses and liabilities, including attorney and paralegal fees at all trial and appellate

levels and postjudgment proceedings, reasonably incurred by or imposed upon him in connection with any negotiation, proceeding, arbitration, litigation or settlement in which he becomes involved by reason of his being or having been a Director or officer of the Association, and the foregoing provision for indemnification shall apply whether or not such person is a Director or officer at the time such cost, expense or liability is incurred. Notwithstanding the above, in the event of any such settlement, the indemnification provisions provided in this Article XI shall not be automatic and shall apply only when the Board approves such settlement and reimbursement for the costs and expenses of such settlement as being in the best interest of the Association, and in the event a Director or officer admits that he is or is adjudged guilty of willful misfeasance or malfeasance in the performance of his duties, the indemnification provisions of this Article XI shall not apply. The foregoing right of indemnification provided in this Article XI shall be in addition to and not exclusive of any and all rights of indemnification to which a Director or officer of the Association may be entitled under statute or common law.

ARTICLE XII

Section 1. Identification of Association

These are the Bylaws of Riverstone at Naples Homeowners Association, Inc. ("Association"), formerly known as Saturnia Falls Homeowners Association, Inc., as duly adopted by its Board of Directors ("Board"). The Association is a corporation not for profit, organized pursuant to Chapters 617 and 720, Florida Statutes.

1.1. The office of the Association shall be for the present at 1600 Sawgrass Corporate Parkway, Suite 400, Sunrise, Florida 33323 and thereafter may be located at any place designated by the Board.

1.2. The fiscal year of the Association shall be the calendar year.

1.3. The seal of the Association shall bear the name of the Association, the word "Florida" and the words "Corporation Not For Profit."

Section 2. Explanation of Terminology

The terms defined in the Articles of Incorporation of the Association ("Articles") as well as in the Declaration of Covenants, Restrictions and Easements for Riverstone at Naples ("Declaration") are incorporated herein by reference and shall appear in initial capital letters each time such terms appear in these Bylaws.

Section 3. Membership; Members' Meetings; Voting and Proxies

3.1. The qualification of Members, the manner of their admission to membership in the Association, the manner of termination of such membership and the voting by Members shall be as set forth in the Articles.

3.2. The Members shall meet annually ("Annual Members' Meeting"). The Annual Members' Meeting shall be held at the office of the Association or at such other place in the County as the Board may determine and on such day and at such time as designated by the Board in the notice of such meeting commencing with the year following the year in which the Articles are filed with the Secretary of State. The purpose of the Annual Members' Meeting shall be to hear reports of the officers, elect members of the Board (when that shall be appropriate as determined by the provisions of the Articles) and transact any other business authorized to be transacted at such Annual Members' Meeting.

3.3. Special meetings (meetings other than the Annual Members' Meeting) of the Members shall be held at any place within the County whenever called by the President or Vice President or by a majority of the Board. A special meeting must be called by such President or Vice President upon receipt of a written request from Members having the right to vote at least one-third (1/3) of the total number of votes entitled to be cast by Members at any such special meeting.

3.4. Except as otherwise provided in the Articles, a written notice of each Members' meeting, whether an Annual Members' Meeting or a special meeting (collectively "Meeting"), shall be given to each Member entitled to vote at such Member's last known address as it appears on the books of

the Association, and shall be mailed or hand delivered to the said address or electronically transmitted to the location furnished by the Member for that purpose not less than fourteen (14) days nor more than forty-five (45) days prior to the date of the Meeting. Proof of such mailing, hand delivery or electronic transmission shall be given by affidavit of the person giving the notice. Any notice given hereunder shall state the time and place of the Meeting and the purposes for which the Meeting is called. The notices of all Annual Members' Meetings shall, in addition, specify the number of Directors of the Association to be designated by Declarant and the number of Directors to be elected by the Members, if applicable. Notwithstanding any provisions hereof to the contrary, notice of any Meeting may be waived before, during or after such Meeting by a Member or by the person entitled to vote for such Member by signing a document setting forth the waiver of such notice and the attendance of any Member (or person authorized to vote for such Member), either in person or by proxy, shall constitute such Member's waiver of notice of such Meeting, and waiver of any and all objections to the place of the Meeting, the time of the Meeting or the manner in which it has been called or convened, except when his (or his authorized representative's) attendance is for the express purpose of objecting at the beginning of the Meeting to the transaction of business because the Meeting is not lawfully called.

3.5. The Members may, at the discretion of the Board, act by written response in lieu of a Meeting provided written notice of the matter or matters to be agreed upon is given to the Members or duly waived in accordance with the provisions of these Bylaws. Unless some greater number is required under Riverstone at Naples Documents and except as to the election of Directors, which shall be accomplished by plurality vote, the decision of a majority of the votes cast by Members as to the matter or matters to be agreed or voted upon shall be binding on the Members provided a quorum is either present at such Meeting or submits a response if action is taken by written response in lieu of a Meeting, as the case may be. The notice with respect to actions to be taken by written response in lieu of a Meeting shall set forth the time period during which the written responses must be received by the Association.

3.6. (a) A quorum of the Members shall consist of Members entitled to cast thirty percent (30%) of the total number of votes of the Members. A quorum of any class of Members shall consist of Class Members of such class entitled to cast thirty percent (30%) of the total number of votes of the class. Limited "Proxies" and general "Proxies" (as hereinafter defined in Paragraph 3.10) may be used to establish a quorum.

(b) When a quorum is present at any Meeting and a question which raises the jurisdiction of such Meeting is presented, the holders of a majority of the voting rights present in person or represented by written Proxy shall be required to decide the question. However, if the question is one upon which a vote other than the majority vote of a quorum is required by express provision of Riverstone at Naples Documents or by law, then such express provision shall govern and control the required vote on the decision of such question.

3.7. Not less than sixty (60) days before any Annual Members' Meeting at which elections of Directors are to occur, the Association shall mail, delivery or electronically transmit, whether by separate Association mailing or included in another Association mailing, delivery or transmission, including regularly published newsletters, to each Member entitled to a vote, a first notice of the date of the Election Meeting. Any Member or other eligible person desiring to be a candidate for the Board must give written notice to the Association not less than forty (40) days before the Election Meeting. Together with an agenda, the Association shall mail, delivery or electronically transmit a second notice of the Election Meeting to all Members entitled to vote therein, together with a ballot which shall list all candidates. Upon request of a candidate, the Association shall include an information sheet, no larger than 8 ½ by 11 inches, which must be furnished by the candidate not less than thirty-five (35) days before the Election Meeting, to be included with the mailing, delivery or transmission of the ballot, with the costs of mailing, delivery or electronic transmission and copying to be borne by the Association. The Association shall not be liable for the contents of any information sheets prepared and supplied by the candidates. Elections shall be decided by a plurality of those ballots cast. There shall be no quorum

requirement; however, at least twenty percent (20%) of the eligible voters must cast a ballot in order to have a valid election of Members of the Board. Members may not vote for Directors by Proxy. Voting by secret ballots by Members shall be conducted in accordance with Section 720.306(8)(b) of the HOA Act. Furthermore, at any Election Meeting, the "Chairman" (as hereinafter defined in Paragraph 7.2) shall appoint an "Election Committee" consisting of three (3) Members to supervise the election, count and verify ballots, disqualify votes if such disqualification is justified under the circumstances and certify the results of the election to the Board. The Election Committee shall be able to determine questions within its jurisdiction by plurality vote of all three (3) members, but matters resulting in deadlocked votes of the Election Committee shall be referred to the entire Board for resolution.

3.8. If a quorum is not in attendance at a Meeting, the majority of the Members who are present, either in person or by Proxy, may adjourn the Meeting from time to time until a quorum is present and no further notice of the adjourned and continued Meeting need be given. Except as required above, Proxies given for the adjourned Meeting shall be valid for the adjourned and continued Meeting unless revoked for reasons other than the adjourned and continued date of the Meeting with no further notice of such adjourned Meeting being required unless otherwise determined by the Board.

3.9. Minutes of all Meetings shall be kept in a businesslike manner and be available for inspection by the Members and Directors at all reasonable times. The Association shall retain minutes for at least seven (7) years subsequent to the date of the meeting the minutes reflect.

3.10. Voting rights of Members shall be as stated in the Articles with respect to the election of all Boards other than the First Board. Such votes may be cast in person, by secret ballot or by Proxy (as hereinafter defined). Proxies may also be used to vote on other agenda items at meetings at which Directors are to be elected, and may also be used to establish a quorum. "Proxy" is defined to mean an instrument containing the appointment of a person who is substituted in the place and stead of the person or authorized representative of an entity entitled to vote. Proxies shall be in writing signed by the person or authorized representative of an entity giving the same and shall be valid only for the particular Meeting designated therein and, if so stated in the Proxy, any adjournments thereof, provided, however, any proxy automatically expires ninety (90) days after the date of the meeting for which it was originally given. A Proxy must be filed with the Secretary of the Association before the appointed time of the Meeting in order to be valid. Any Proxy may be revoked prior to the time a vote is cast in accordance with such Proxy. Any proxy holder may appoint, in writing, a substitute to act in his or her place.

3.11. The voting on any matter at a Meeting shall be by secret ballot upon request of the holders of ten percent (10%) of the votes represented at such Meeting and entitled to be cast on such matter, if such request is made prior to the vote in question.

4.2. The election and, if applicable, designation of Directors shall be conducted in accordance with Section 3.7 above. Except for Declarant-appointed Directors, Directors must be Members or the parents, children or spouses of Members except that if a Lot is owned by an entity and not an individual, such entity may only appoint a partner, shareholder, member, manager, director or officer of such entity or any of its constituent entities on its behalf to be eligible to serve on the Board.

4.3. (a) Any person elected or designated as a Director shall have all the rights, privileges, duties and obligations of a Director of the Association.

(b) The term of a Director's service shall be as stated in the Articles and, if not so stated, shall extend until the next Annual Members' Meeting and thereafter until his or her successor is duly elected and qualified or until he or she resigns or is removed in the manner elsewhere provided.

4.4. The organizational meeting of a newly elected Board shall be held within ten (10) days of its election at such place and time as shall be fixed by the Directors at the meeting at which they were elected. 4.5. Regular meetings of the Board may be held at such times and places in the County as shall be determined from time to time by a majority of the Directors. Special meetings of the Board may be called at the discretion of the President or the Vice President. Special meetings must be called by the Secretary at the written request of at least one-third (1/3) of the Directors. Any such special meeting may be held in the County at such time and place as determined by the Directors requesting such meeting or in such other place as all of the Directors shall agree upon.

4.6. Notice of the time and place of regular and special meetings of the Board, or adjournments thereof, shall be given to each Director personally or by mail, telephone, facsimile or electronically transmitted if correctly directed to an electronic mail address at which the Director has consented to receive notice, at least three (3) days prior to the day named for such meeting unless such notice is waived before, during or after such meeting. Any Director may waive notice of the meeting in writing before, during or after a meeting and such waiver shall be deemed equivalent to the receipt of notice by such Director. Attendance by any Director at a meeting shall constitute a waiver of notice of such meeting, and a waiver of any and all objections to the place of the meeting, to the time of the meeting or the manner in which it has been called or convened, except when a Directors states at the beginning of the meeting, or promptly upon arrival at the meeting, any objection to the transaction of affairs because the meeting is not lawfully called or convened.

4.7. Notice of all Board meetings shall be given to the members in accordance with the HOA Act.

4.8. A quorum of the Board shall consist of the Directors entitled to cast a majority of the votes of the entire Board. Matters approved by a majority of the Directors present at a meeting at which a quorum is present shall constitute the official acts of the Board, except as may be otherwise specifically provided by law, by the Articles or elsewhere herein. If at any meeting of the Board there shall be less than a quorum present, the majority of those present may adjourn the meeting from time to time until a quorum is present. At any meeting that takes place on account of a previously adjourned meeting, any business which might have been transacted at the meeting as originally called may be transacted. In the case of the adjournment of a meeting, no further notice of the adjourned meeting need be given unless otherwise determined by the Board.

4.9. The presiding officer at all Board meetings shall be the President. In the absence of the President, the Vice-President shall preside and in the absence of the Vice President, the Directors shall designate any one of their number to preside.

4.10. No Director shall receive any compensation from the Association for acting in such capacity or capacities, unless approved by a majority vote of the Members at a Meeting.

4.11. Minutes of all meetings of the Board shall be kept in a businesslike manner and be available for inspection by Members and Directors at all reasonable times.

The Board may also hold closed meetings to the extent permitted by applicable law, including, by way of example but not by way of limitation, when the discussion at a meeting is governed by attorney-client privilege, meetings between the Board or a committee and the Association's attorney to discuss proposed or pending litigation or meetings of the Board held for the purpose of discussing personnel matters. Members shall have the right to speak on any matter placed on the agenda by petition of the voting interests for at least three (3) minutes and otherwise participate in meetings with reference to all designated agenda items in accordance with, and as limited by, the HOA Act and any rules and regulations promulgated by the Association governing the frequency, duration and other manner of Member statements, which rules may include a sign up sheet for Members wishing to speak. In the event a Member conducts himself or herself in a manner detrimental to the carrying on of the meeting, then any Director may expel said Member from the meeting by any reasonable means which may be necessary to accomplish said Member's expulsion. Also, any Director shall have the right to exclude from any meeting of the Board any person who is not able to provide sufficient proof that he or she is a Member or a duly authorized representative, agent or proxy holder of a Member, unless said person has been specifically invited by any of the Directors to participate in such meeting.

4.14. The Board may by resolution also create committees and appoint persons to such committees and vest in such committees such powers and responsibilities as the Board shall deem advisable.

4.15. Prior to the Turnover Date, any action required or permitted to be taken at a meeting of the Directors may be taken without a meeting if a consent in writing, specifically setting forth the action to be taken, shall be signed by all the Directors entitled to vote with respect to the subject matter thereof and such consent shall have the same force and effect as a unanimous vote of the Directors, provided, however, whenever assessments are to be considered, they may be considered only at a meeting of the Directors properly noticed in accordance with the HOA Act.

5.2. The Association may employ a manager to perform any of the duties, powers or functions of the Association. Notwithstanding the foregoing, the Association may not delegate to the manager the power to conclusively determine whether the Association should make expenditures for capital additions or improvements chargeable against the Association funds. The members of the Board shall not be personally liable for any omission or improper exercise by the manager of any duty, power or function delegated to the manager by the Association.

## Section 6. Late Fees

An Owner who fails to timely pay any Assessment shall be charged a late charge of Twenty-Five Dollars (\$25) by the Association for such late Assessment or such other amount determined by the Board to be charged for the late payments of Assessments provided such amount does not exceed the highest amount permitted by law. Owners shall also be responsible to pay all legal fees (including, but not limited to, attorney and paralegal fees and court costs) incurred in connection with the collection of late Assessments whether or not an action at law to collect said Assessments and foreclose the Association's

lien has been commenced. Without limitation, the Board has authorized the following initial schedule of fees for such circumstances:

(a) Reasonable attorney's fees, costs and expenses incurred in the filing of a Claim of Lien.

(b) Reasonable attorney's fees, costs and expenses incurred in the filing of a Satisfaction of Lien;

#### Section 7. Officers of the Association

7.1. Executive officers of the Association shall be the President, who shall be a Director, one or more Vice Presidents, a Treasurer and a Secretary, all of whom shall be elected annually by the Board. Any officer may be removed without cause from office by vote of a majority of the Directors at any meeting of the Board. The Board may, from time to time, elect such other officers and assistant officers and designate their powers and duties as the Board shall find to be required to manage the affairs of the Association. One person may hold any two offices simultaneously, except when the functions of such offices are incompatible, but no person shall hold the office of President and any of the following offices simultaneously: Vice President, Secretary or Assistant Secretary.

7.2. The President shall be the chief executive officer of the Association. He or she shall have all of the powers and duties which are usually vested in the office of the President of an association or a corporation not for profit, including, but not limited to, the power to appoint such committees from among the Members at such times as he or she may, in his or her discretion, determine appropriate to assist in the conduct of the affairs of the Association. 7.6. The compensation, if any, of the Directors, officers, committee members and other employees of the Association shall be fixed by the Board. Directors and officers shall not receive any compensation from the Association for acting in such capacity or capacities, unless approved by a majority vote of the Members at a Meeting. This provision shall not preclude the Board from hiring a Director or Officer as an employee of the Association or preclude contracting with a Director or Officer, or a party affiliated with a Director or Officer for the management or performance of contract services for all or any part of Riverstone at Naples.

#### Section 8. Resignations; Vacancy; Removal

8.1 Any Director or officer may resign his or her post at any time by written resignation, delivered to the President or Secretary, which shall take effect upon its receipt unless a later date is specified in the resignation, in which event the resignation shall be effective from such date unless withdrawn. The acceptance of a resignation shall not be required to make it effective. The conveyance of all Lots owned by any Director or officer (other than appointees of Declarant) shall constitute a written resignation of such Director or officer.

8.2 Except as to vacancies resulting from removal of Directors by Members, when a vacancy occurs on the Board, the vacancy shall be filled by the remaining members of the Board at any meeting by electing a person who shall serve the remaining portion of the unexpired term, provided that all vacancies in directorships to which Directors are appointed by Declarant pursuant to the provisions of the Riverstone at Naples Documents shall be filled by the Declarant without the necessity of any meeting so long as at the time such vacancies are filled, no members other than the Declarant are entitled to elect Directors.

8.3 Any Director elected by the Members (other than the Declarant) may be removed by concurrence of a majority of voting interest of the Members (other than the Declarant) at a Special Meeting of Members called for that purpose, by written agreement signed by a majority of all such Members' voting interest or by written ballot without a Meeting in accordance with Section 720.303(10), Florida Statutes. The vacancy of the Board so created shall be filled in accordance with the procedures specified in the HOA Act.

8.4 When a vacancy occurs in an office for any cause, the office shall be filled by the Board at any meeting.

#### Section 9. Accounting Records; Fiscal Management

The accounting records of the Association shall be open to inspection by Members and Institutional Mortgagees or their respective authorized representatives at reasonable times and in accordance with, but subject to the limitations of, the HOA Act. Such authorization as a representative of a Member must be in writing and signed by the person giving the authorization and dated within sixty (60) days of the date of the inspection. Such records shall include, but not be limited to: (i) a record of all receipts and expenditures; (ii) an account for each Lot within Riverstone at Naples which shall designate the name and address of the Owner thereof, the amount of Individual Lot Assessments and all other Assessments, if any, charged to the Lot, the amounts and due dates for payment

of same, the amounts paid upon the account and the dates paid, and the balance due; (iii) any tax returns, financial statements and financial reports of the Association; and (iv) any other records that identify, measure, record or communicate financial information.

9.2. The Board shall adopt a Budget (as defined and provided for in the Declaration) of the anticipated Operating Expenses for each forthcoming calendar year (the fiscal year of the Association being the calendar year) at a special meeting of the Board ("Budget Meeting") called for that purpose to be held during the month of November of the year preceding the year to which the Budget applies. Prior to the Budget Meeting, a proposed Budget for the Operating Expenses shall be prepared by or on behalf of the Board. Within thirty (30) days after adoption of the Budget, the Association shall provide each Member with a copy of the Budget or a written notice that a copy of the Budget is available upon request at no charge to the Members. A copy thereof shall be furnished to each Member, within ten (10) business days after the Association's receipt of the written request, and each Owner shall be given notice of the Individual Lot Assessment applicable to his or her Lot(s). The copy of the Budget, if requested, shall be deemed furnished and the notice of the Individual Lot Assessment shall be deemed given upon its delivery or upon its being mailed to the Owner shown on the records of the Association at such Owner's last known address as shown on the records of the Association.

9.3. In administering the finances of the Association, the following procedures shall govern: (i) the fiscal year shall be the calendar year; (ii) any monies received by the Association in any calendar year may be used by the Association to pay expenses incurred in the same calendar year; (iii) there shall be apportioned between calendar years on a *pro rata* basis any expenses which are prepaid in any one calendar year for Operating Expenses which cover more than such calendar year; (iv) Assessments shall be made quarterly in amounts no less than are required to provide funds in advance for payment of all of the anticipated current Operating Expenses and for all unpaid Operating Expenses previously incurred; and (v) items of Operating Expenses incurred in a calendar year shall be charged against income for the same calendar year regardless of when the bill for such expenses is received. Notwithstanding the foregoing, the Assessments for Operating Expenses and any periodic installments thereof shall be of sufficient magnitude to insure an adequacy and availability of cash to meet all budgeted expenses in any calendar year as such expenses are incurred in accordance with the cash basis method of accounting.

9.4. Individual Lot Assessments shall be payable as provided in the Declaration.

9.5. No Board shall be required to anticipate revenue from Assessments or expend funds to pay for Operating Expenses not budgeted or which shall exceed budgeted items, and no Board is required to engage in deficit spending. Should there exist any deficiency which results from there being greater Operating Expenses than monies from Assessments, then such deficits shall be carried into the next succeeding year's Budget as a deficiency or shall be the subject of a Special Assessment or an upward adjustment to the Budget and Individual Lot Assessment, as amended by the Board.

9.6. The depository of the Association shall be such bank or banks as shall be designated from time to time by the Board in which the monies of the Association shall be deposited. Withdrawal of monies from such account shall be only by checks signed by such persons as are authorized by the Board.

9.7. A report of the accounts of the Association shall be made annually by an accountant and a copy of the report shall be furnished to each Member who requests same in writing no later than the first day of April of the year following the year for which the report is made. The report shall be deemed to be furnished to the Member upon its delivery or mailing to the Owner at such Owner's last known address as shown on the records of the Association.

## Section 10. Rules and Regulations

The Board may at any meeting of the Board adopt rules and regulations or amend, modify or rescind, in whole or in part, then existing rules and regulations for the operation of Riverstone at Naples; provided, however, that such rules and regulations are not inconsistent with the terms or provisions of Riverstone at Naples Documents. 13.3. Notwithstanding any of the foregoing provisions of this Section 13 to the contrary, until the Turnover Date, all amendments or modifications to these Bylaws and adoption or repeal of Bylaws shall only be made by action of the First Board as described in the Articles, which First

Board shall have the power to amend, modify, adopt and repeal any Bylaws without the requirement of any consent, approval or vote of the Members.

13.4. Notwithstanding the foregoing provisions of this Section 13, there shall be no amendment to these Bylaws which shall abridge, prejudice, amend or alter the rights of: (i) Declarant, without the prior written consent thereto by Declarant; or (ii) any Institutional Mortgagee without the prior written consent of such Institutional Mortgagee; nor shall any other amendment to these Bylaws be adopted or become effective without the prior written consent of Declarant for so long as Declarant holds either a leasehold interest in or title to at least one (1) Lot.

13.5. Any instrument amending, modifying, repealing or adding Bylaws shall identify the particular section or sections affected and give the exact language of such modification, amendment or addition or of the provisions repealed. Should any adverse impacts caused by the completed surface water management system occur, the District will require the permittee to provide appropriate mitigation to the District or other impacted party. The District will require the permittee to modify the surface water management system, if necessary, to eliminate the cause of the adverse impacts.

17. Prior to any future construction of the area with conceptual authorization only, the permittee shall apply for and receive a permit modification. As part of the permit application, the applicant for that phase shall provide documentation verifying that the proposed construction is consistent with the design of the master surface water management system, including the land use and site grading assumptions.
18. A Water Use Permit for dewatering activities must be obtained for dewatering beyond May 9, 2007.
19. The Permittee shall utilize the criteria contained in the Construction Pollution Prevention Plan (Exhibit No. 2.21) and on the applicable approved construction drawings for the duration of the projects construction activities.

The Permittee shall utilize the criteria contained in the Urban Stormwater Management Program (Exhibit "E" of the Saturnia Falls Homeowners Association documents) for post construction activities. Exhibit "E" of the Saturnia Falls Homeowners Association documents, Urban Stormwater Management Program have been included in this permit by reference as Exhibits No. 4.0-4.6.
21. Grading and structural buffers adjacent to the preserve areas, as shown on Exhibit 2, shall be maintained in perpetuity.
22. The successful completion of the mitigation plan is heavily dependent on proper site grading as shown on Exhibits 2 and 3.2. Therefore, prior to demobilizing equipment from the site and prior to planting, the permittee shall provide an as-built survey and schedule an inspection by District Environmental Resource Compliance staff to ensure that appropriate elevations and slopes have been achieved.
23. The wetland conservation areas, upland buffer zones, and upland preservation areas shown on Exhibits 2 and 3 may in no way be altered from their natural or permitted state. Activities prohibited within the conservation areas include, but are not limited to: construction or placing of buildings on or above the ground; dumping or placing soil or other substances such as trash; removal or destruction of trees, shrubs, or other vegetation - with the exception of exotic vegetation removal; excavation, dredging, or removal of soil materials; diking or fencing; and any other activities detrimental to drainage, flood control, water conservation, erosion control, or fish and wildlife habitat conservation or preservation.
24. Wetland preservation/mitigation areas, upland buffer zones and/or upland preservation areas shall be dedicated as

conservation and common areas in the homeowner association documents as well as on the plat if the project will be platted. Restrictions for use of the conservation/ common areas shall stipulate:

The wetland preservation/mitigation areas, upland buffer zones, and/or upland preservation areas are hereby dedicated as conservation and common areas. The conservation/common areas shall be the perpetual responsibility of the homeowners association and may in no way be altered from their natural or permitted state as documented in Permit No. 11-02055-P from the South Florida Water Management District, with the exception of permitted restoration activities. Activities prohibited within the conservation areas include, but are not limited to: construction or placing soil or other substances such as trash; removal or destruction of trees, shrubs, or other vegetation - with the exception of exotic/nuisance vegetation removal; excavation, dredging, or removal of soil material; diking or fencing; and any other activities detrimental to drainage, flood control, water conservation, erosion control, or fish and wildlife habitat conservation or preservation.

Copies of recorded documents shall be submitted to the District's Environmental Resource Compliance staff concurrently with engineering certification of construction completion.

26. Endangered species, threatened species and/or species of special concern have been observed onsite and/or the project contains suitable habitat for these species. It shall be the permittee's responsibility to coordinate with the Florida Fish and Wildlife Conservation Commission and/or the U.S. Fish and Wildlife Service for appropriate guidance, recommendations and/or necessary permits to avoid impacts to listed species.
27. Prior to the commencement of construction and in conformance with the work schedule in Exhibit 3.5, the permittee shall provide an original performance bond in the amount of \$2,288,840.95 to ensure the permittee's financial ability and commitment to complete the proposed mitigation, monitoring and maintenance plan as shown on Exhibit Nos. 3.1 through 3.4. The performance bond shall utilize the form attached as Exhibit No. 3.8. When a performance bond is established, the permittee shall also establish a standby trust fund for deposit of all payments under bond. The bond shall remain in effect for the entire period of the mitigation and monitoring program. Notification of the District by the financial institution that the bond will not be renewed or is no longer in effect shall constitute non-compliance with the permit.
28. A monitoring program shall be implemented in accordance with Exhibit No. 3.3 and 3.4. The monitoring program shall extend for a period of 5 years with annual reports submitted to District staff. At the end of the first monitoring period the mitigation area shall contain an 80% survival of planted vegetation. The 80% survival rate shall be maintained throughout the remainder of the monitoring program, with replanting as necessary. If native wetland, transitional, and upland species do not achieve an 80% coverage within the initial two years of the monitoring program, native species shall be planted in accordance with the maintenance program. At the end of the 5 year monitoring program the entire mitigation area shall contain an 80% survival of planted vegetation and an 80% coverage of desirable obligate and facultative wetland species.
29. The areas to be temporarily disturbed by the installation of control structures in wetlands will be backfilled and replanted in accordance with Exhibit No. 2 and 3 within 30 days of installation. Monitoring of temporary impact areas shall be done concurrently with other required monitoring for Saturnia Falls, in accordance with Exhibits 3.3 through 3.5.

Maintenance shall be conducted in perpetuity to ensure that the conservation areas are maintained free from Category 1 exotic vegetation (as defined by the Florida Exotic Pest Plant Council at the time of permit issuance) immediately following a maintenance activity. Maintenance in perpetuity shall also insure that conservation areas, including buffers, maintain the species and coverage of native, desirable vegetation specified in the permit. Coverage of exotic and nuisance plant species shall not exceed 5% of total cover between maintenance activities. In addition, the permittee shall manage the conservation areas such that exotic/nuisance plant species do not dominate any one section of those areas.

32. The District reserves the right to require remedial measures to be taken by the permittee if monitoring or other information demonstrates that adverse impacts to onsite or offsite wetlands, upland conservation areas or buffers, or other surface waters have occurred due to project related activities.
33. Silt screens, hay bales, turbidity screens/barriers or other such sediment control measures shall be utilized during construction. The selected sediment control measure shall be installed landward of the upland buffer zones around all protected wetlands and shall be properly "trenched" etc, in accordance with Exhibit No. 2. All areas shall be stabilized and vegetated immediately after construction to prevent erosion into the wetlands and upland buffer zones.
34. Activities associated with the implementation of the mitigation, monitoring and maintenance plan(s) shall be completed in accordance with the work schedule attached as Exhibit No. 3.5. Any deviation from these time frames will require prior approval from the District's Environmental Resource Compliance staff. Such requests must be made in writing and shall include (1) reason for the change, (2) proposed start/finish and/or completion dates; and (3) progress report on the status of the project development or mitigation effort.
35. A) Prior to the commencement of construction and prior to recording the conservation easement and in accordance with the work schedule shown as Exhibit 3.5, the permittee shall submit for review and approval, two (2) copies of the following:

Other documents concerning the establishment and authority of the operating entity must be filed with the Secretary of State, county or municipal entities. Final operation and maintenance documents must be received by the District when maintenance and operation of the system is accepted by the local government entity. Failure to submit the appropriate final documents will result in the permittee remaining liable for carrying out maintenance and operation of the permitted system and any other permit conditions.
10. Should any other regulatory agency require changes to the permitted system, the permittee shall notify the District in writing of the changes prior to implementation so that a determination can be made whether a permit modification is required.
11. This permit does not eliminate the necessity to obtain any required federal, state, local and special district authorizations prior to the start of any activity approved by this permit. This permit does not convey to the permittee or create in the permittee any property right, or any interest in real property, nor does it authorize any entrance upon or activities on property which is not owned or controlled by the permittee, or convey any rights or privileges other than those specified in the permit and Chapter 40E-4 or Chapter 40E-40, F.A.C..
12. The permittee is hereby advised that Section 253.77, F.S. states that a person may not commence any excavation, construction, or other activity involving the use of sovereign or other lands of the State, the title to which is vested in the Board of Trustees of the Internal Improvement Trust Fund without obtaining the required lease, license, easement, or other form of consent authorizing the proposed use. Therefore, the permittee is responsible for obtaining any necessary authorizations from the Board of Trustees prior to commencing activity on sovereignty lands or other state-owned lands.
13. The permittee must obtain a Water Use permit prior to construction dewatering, unless the work qualifies for a general permit pursuant to Subsection 40E-20.302(3), F.A.C., also known as the "No Notice" Rule.
14. The permittee shall hold and save the District harmless from any and all damages, claims, or liabilities which may arise by reason of the construction, alteration, operation, maintenance, removal, abandonment or use of any system authorized by the permit.
15. Any delineation of the extent of a wetland or other surface water submitted as part of the permit application, including plans or other supporting documentation, shall not be considered binding, unless a specific condition of this permit or a formal determination under Section 373.421(2), F.S., provides otherwise.
16. The permittee shall notify the District in writing within 30 days of any sale, conveyance, or other transfer of ownership or control of a permitted system or the real property on which the permitted system is located. All transfers of ownership or transfers of a permit are subject to the requirements of Rules 40E-1.6105 and 40E-1.6107, F.A.C.. The permittee transferring the permit shall remain liable for corrective actions that may be required as a result of any violations prior to the sale, conveyance or other transfer of the system.
17. Upon reasonable notice to the permittee, District authorized staff with proper identification shall have permission to enter, inspect, sample and test the system to insure conformity with the plans and specifications approved by the permit.

18. If historical or archaeological artifacts are discovered at any time on the project site, the permittee shall immediately notify the appropriate District service center.

## 40E-4.321 Duration of Permits

(1) Unless revoked or otherwise modified the duration of an environmental resource permit issued under this chapter or Chapter 40E-40, F.A.C. is as follows:

(a) For a conceptual approval, two years from the date of issuance or the date specified as a condition of the permit, unless within that period an application for an individual or standard general permit is filed for any portion of the project. If an application for an environmental resource permit is filed, then the conceptual approval remains valid until final action is taken on the environmental resource permit application. If the application is granted, then the conceptual approval is valid for an additional two years from the date of issuance of the permit. Conceptual approvals which have no individual or standard general environmental resource permit applications filed for a period of two years shall expire automatically at the end of the two year period.

(b) For a conceptual approval filed concurrently with a development of regional impact (DRI) application for development approval (ADA) and a local government comprehensive plan amendment, the duration of the conceptual approval shall be two years from whichever one of the following occurs at the latest date:

1. the effective date of the local government's comprehensive plan amendment.
2. the effective date of the local government development order,
3. the date on which the District issues the conceptual approval, or
4. the latest date of the resolution of any Chapter 120.57, F.A.C., administrative proceeding or other legal appeals.

(c) For an individual or standard general environmental resource permit, five years from the date of issuance or such amount of time as made a condition of the permit.

(d) For a noticed general permit issued pursuant to chapter 40-E-400, F.A.C., five years from the date the notice of intent to use the permit is provided to the District.

(2)(a) Unless prescribed by special permit condition, permits expire automatically according to the timeframes indicated in this rule. If application for extension is made in writing pursuant to subsection (3), the permit shall remain in full force and effect until:

1. the Governing Board takes action on an application for extension of an individual permit,

or

2. staff takes action on an application for extension of a standard general permit.

(b) Installation of the project outfall structure shall not constitute a vesting of the permit.

(3) The permit extension shall be issued provided that a permittee files a written request with the District showing good cause prior to the expiration of the permit. For the purpose of this rule, good cause shall mean a set of extenuating circumstances outside of the control of the permittee. Requests for extensions, which shall include documentation of the extenuating circumstances and how they have delayed this project, will not be accepted more than 180 days prior to the expiration date.

(4) Substantial modifications to Conceptual Approvals will extend the duration of the Conceptual Approval for two years from the date of issuance of the modification. For the purposes of this section, the term "substantial modification" shall mean a modification which is reasonably expected to lead to substantially different water resource or environmental impacts which require a detailed review.

(5) Substantial modifications to individual or standard general environmental resource permits issued pursuant to a permit application extend the duration of the permit for three years from the date of issuance of the modification. Individual or standard general environmental resource permit modifications do not extend the duration of a conceptual approval.

(6) Permit modifications issued pursuant to subsection 40E-4.331(2)(b), F.A.C. (letter modifications) do not extend the duration of a permit.

(7) Failure to complete construction or alteration of the surface water management system and obtain operation phase approval from the District within the permit duration shall require a new permit authorization in order to continue construction unless a permit extension is granted.

Urban Stormwater Management Program for Saturnia Falls

[See Attached 6 Pages]

# URBAN STORMWATER MANAGEMENT PROGRAM

FOR

## SATURNIA FALLS

### 1.0 Introduction

This document provides details of the Urban Stormwater Management Program for **Saturnia Falls** located in **Naples, Florida Collier County (Section 16, Township 48S, Range 26E)**. This Plan discusses non-structural controls, intended to improve the quality of stormwater runoff by reducing the generation and accumulation of potential stormwater runoff contaminants at or near the respective sources for each constituent, along with significant structural components of the primary stormwater treatment system. Although many of the methodologies and procedures outlined in this document are general Best Management Practices (BMP's) which can be useful in attenuating pollutants in many types of urbanized settings, the implementation of these practices has been optimized, to the maximum extent possible, to reflect the unique character of Saturnia Falls and the surrounding hydrologic features.

Pollution prevention guidelines are provided for the areas of (1) nutrient and pesticide management; (2) street sweeping; (3) solid waste management; (4) operation and maintenance of the stormwater management and treatment system; (5) routine water quality testing; and (6) construction activities. A discussion of each of these activities is given in the following sections.

### 2.0 Nutrient and Pesticide Management

Nutrient and pesticide management consists of a series of practices designed to manage the use of fertilizers and pesticides so as to minimize loss of these compounds into stormwater runoff and the resulting water quality impacts on adjacent waterbodies. Implementation of a management plan will also maximize the effectiveness of the nutrients and pesticides that are applied.

Each homeowner must commit themselves to the practice of responsible and careful landscape design and maintenance of each lot to prevent contamination of surface waters. The guidelines included in this section are intended to help homeowners make educated environmental choices regarding the maintenance of individual yards within the community. These maintenance and management guidelines are meant to promote an attractive neighborhood that preserves the health of adjacent waterways and environmental features.

#### 2.1 General Requirements

A landscape plan must be developed for each residence. The plan must be comprehensive in nature and follow the landscape design guidelines established by the Homeowners Association and must promote revegetation of each lot as quickly as possible.

Commercial applicators of chemical lawn products must register with the Homeowners Association annually and provide a copy of their current occupational license, proof of business liability insurance, and proof of compliance with applicable education and licensing requirements. Individual employees working under the direction of a licensed commercial applicator are exempt from the educational requirements.

EXHIBIT 4.1

Only registered commercial applicators and individual lot owners are permitted to apply chemicals within the property on a private lot. All chemical products must be used in accordance with the manufacturer's recommendations. The application of any chemical product within five (5) feet of any surface water including but not limited to ponds, lakes, drainage ditches or canals, is prohibited. The use of any chemical product in a manner that will allow airborne or waterborne entry of such products into surface water is prohibited. This rule shall not apply to the use of chemical agents, by certified lake management specialists, for the control of algae and vegetation within the stormwater lakes or ponds.

## **2.2 Nutrient Management Program**

Management and application of nutrients and fertilizers in Saturnia Falls will adhere to the following guidelines:

- A. All fertilizers shall be stored in a dry storage area protected from rainfall and ponding.
- B. No fertilizer containing in excess of 2% phosphate/phosphorus ( $P_2O_5$ ) per guaranteed analysis label (as defined by Chapter 576, Florida Statutes) shall be applied to turf grass unless justified by a soil test.
- C. Fertilizer containing in excess of 2% phosphate/phosphorus ( $P_2O_5$ ) per guaranteed analysis label shall not be applied within 5 feet of the edge of water or within 5 feet of a drainage facility.
- D. All fertilizer shall be applied such that spreading of fertilizer on all impervious surfaces is minimized.
- E. Liquid fertilizers containing in excess of 2% phosphate/phosphorus ( $P_2O_5$ ) per guaranteed analysis label shall not be applied through an irrigation system within 10 feet of the edge of water or within 10 feet of a drainage facility.
- F. Liquid fertilizers containing in excess of 2% phosphate/phosphorus ( $P_2O_5$ ) per guaranteed analysis label shall not be applied through high or medium mist application or directed spray application within 10 feet of the edge of water or within 10 feet of a drainage facility.

## **2.3 Pest Management Program**

Proper maintenance of plants and turf areas will minimize the ability of pests to successfully attack landscaping. Several general guidelines follow:

- A. Apply fertilizer and water only when needed and in moderate amounts. Excessive amounts of either can cause rapid growth that is attractive to insects and disease.
- B. Mow St. Augustine grass to a height of 3-4 inches. If cut shorter, the plants may become stressed and more vulnerable to pest infestation. Each mowing should remove no more than one-third of the leaf blade, and those cuttings should remain on the lawn to decompose.
- C. It is recommended that pesticides, fungicides, and herbicides be used only in response to a specific problem and in the manner and amount recommended by the manufacturer to address the specific problem. Broad application of pesticides, fungicides and herbicides as a preventative measure is strongly discouraged.

EXHIBIT 4.2

The use of pesticides, fungicides, or herbicides is limited to products that meet the following criteria:

- A. Must be consistent with the USDA-NRCS Soil Rating for Selecting Pesticides
- B. Must have the minimum potential for leaching into groundwater or loss from runoff
- C. Products must be EPA-approved
- D. The half-life of products used shall not exceed seventy (70) days

### 3.0 Street Sweeping

This practice involves sweeping and vacuuming the primary streets to remove dry weather accumulation of pollutants, especially particulate matter, before wash-off of these pollutants can occur during a storm event. This practice reduces the potential for pollution impacts on receiving waterbodies by removing particulate matter and associated chemical constituents. Although street cleaning operations are frequently conducted primarily for aesthetic purposes, the primary objective of the street sweeping program for the Saturnia Falls is to improve the quality of stormwater runoff generated from impervious traffic areas. Street sweeping activities can be particularly effective during periods of high leaf fall by removing solid leaf material and the associated nutrient loadings from roadside areas where they could easily become transported within stormwater flow.

Street sweeping operations will be performed in Saturnia Falls at a minimum frequency of one event every other month. A licensed vendor using a vacuum-type sweeping device will perform all street sweeping activities. Sweeping activities during each event will include all primary street surfaces. Disposal of the collected solid residual will be the responsibility of the street sweeping vendor.

### 4.0 Solid Waste Management

In general, solid waste management involves issues related to the management and handling of urban refuse, litter and leaves that will minimize the impact of these constituents as water pollutants.

Maintenance of adequate sanitary facilities for temporarily storing refuse on private premises prior to collection is considered the responsibility of the individual homeowner. Local requirements for refuse collection will be brought to the attention of every homeowner at closing for the sale of the property. Information will be distributed as necessary stating specifications for containers, separation of waste by type, where to place containers prior to collection, and established collection schedules.

Fallen tree leaves and other vegetation, along with grass clippings, may become direct water pollutants when they are allowed to accumulate in swales and street gutters. All homeowners will receive periodic educational materials that address proper disposal of leaves and other vegetation to minimize water quality impacts.

EXHIBIT 4.3

## 5.0 Stormwater Management and Treatment System

The stormwater management system for Saturnia Falls is designed to maximize the attenuation of stormwater generated pollutants prior to discharge to the off-site wetland systems. Operational details and maintenance requirements of the various system components are given in the following sections.

### 5.1 Wet Detention Lakes and Lake Interconnect Pipes

The basic element of the stormwater management system consists of a series of interconnected wet detention ponds that provide stormwater treatment through a variety of physical, biological, and chemical processes. A wet detention pond acts similar to a natural lake by temporarily detaining stormwater runoff, allowing opportunities for treatment processes to occur, prior to slow controlled discharge of the treated water through the outfall structure. Pollutant removal processes in wet detention systems occur during the quiescent period between storm events. Significant removal processes include gravity settling of particulate matter; biological uptake of nutrients and other ions by aquatic plants, algae and microorganisms; along with natural chemical flocculation and complexation processes.

Maintenance of the wet detention ponds will consist of an annual inspection. During each annual inspection, the following items will be reviewed and corrected as necessary:

- A. Inspect the outfall structure and orifices to ensure free-flowing conditions and overall engineering stability of the outfall system.
- B. Review the banks of the lakes and canals to ensure proper side slope stabilization and inspect for signs of excessive seepage that may indicate areas of excessive groundwater flow and possible subsurface channeling.
- C. Physically evaluate each of the lakes and canals for evidence of excessive sediment accumulation or erosion.
- D. Inspect the planted aquatic vegetation in the littoral zone to ensure that the desired vegetation species, percent coverage, and density are maintained.

At the completion of the inspections, a written inspection report will be prepared, listing any deficiencies that need to be addressed or corrected by the Homeowners Association.

### 5.2 Stormwater Inlets, Pipes and Culverts

The grates should be unobstructed and the bottom, inside the inlet, should be clean. Check for any accumulation of sediment, trash such as garbage bags, or debris in the culverts connecting these inlets. Flushing out with a high-pressure hose may clean some sediment. Any noted blockage (due to a possible obstruction, or broken pipe, etc.) should prompt further investigation. Crushed or corroded culverts should be replaced with new ones of the same size.

EXHIBIT 4.4

### 5.3 Swales and Grassed Water Storage Areas

These provide for conveyance and/or above-ground (or surface) storage of stormwater. With age, these areas usually fill in with vegetation and sediment. Swales may need to be regraded and/or revegetated. It is a good idea to compare the existing slope and dimensions of the swale with the permitted design plans prior to the removal of excess sediment or regrading. Areas that show erosion should be stabilized with appropriate material such as sod, planting, rock, sand bags, or other synthetic geotextile material.

Regular mowing of grass swales is essential. These areas also improve water quality by catching sediment and assimilating nutrients, and recharge the underground water table. Remove any undesirable exotic vegetation. Culverts underneath driveways should be checked for blockage, and, if necessary, flushed with a high-pressure hose. After a storm, swales may remain wet for an extended period of time. This is normal and the water will recede gradually.

### 5.4 Ditches or Canals

Fill material, yard waste, clippings and vegetation, sediment, trash, appliances, garbage bags, shopping carts, tires, cars, etc. should be completely removed. Also check to make sure there are no dead trees or any type of obstructions which could block the drainage flow way.

Maintenance cleaning/excavation must be limited to the same depth, width and side slope as approved in the current permit. Making a ditch deeper or wider may trigger a need for a permit modification. Provisions must also be made to prevent any downstream silting or turbidity (*Contact the SFWMD Resource Compliance staff if you are unsure or need clarification.*) Be sure to dispose of all removed material properly so it won't affect any other water storage or conveyance system, environmental area, or another owner's property.

### 5.5 Outfall Structure (also called the Discharge Control Structure or Weir)

The outfall structure should be routinely inspected to determine if any obstructions are present or repairs are needed. Trash or vegetation impeding water flow through the structure should be removed. The structure should have a "baffle" or trash collector to prevent flow blockage and also hold back any floating oils from moving downstream. Elevations and dimensions should be verified annually with all current permit information. Periodic inspections should then be regularly conducted to make sure these structures maintain the proper water levels and the ability to discharge.

### 5.6 Earthen Embankments (Dikes and Berms)

Check for proper elevations, width and stabilization. Worn down berms - especially if used by all-terrain vehicles or equestrian traffic - and rainfall - created washouts should be immediately repaired, compacted and re-vegetated.

EXHIBIT 4.5

**6.0 Water Quality Testing**

To ensure proper operation of the overall treatment system, monitoring will be performed at one outfall (SW-1) from **Saturnia Falls** if there is a flow over the weirs. According to the proposed Water Quality Monitoring Plan, monitoring may occur 3 times a year, once during the dry season (February/March) and twice during the wet season (August/September). A manual grab sample will be collected at the SW-1 outfall location and analyzed for various constituents and parameters as described in the Surface Water Quality Monitoring Plan. Trained and certified personnel will perform sample collection and laboratory analysis. The results of the laboratory analyses will be submitted to South Florida Water Management District as part of an annual water quality monitoring report by December 31 of each year.

**7.0 Construction Activities**

A Stormwater Pollution Prevention Plan (SWPPP) has been prepared for construction activities to minimize activities contamination that may be caused by erosion and sedimentation during the construction process. The plan includes provisions related to soil stabilization, structural erosion controls, waste collection disposal, offsite vehicle tracking, spill prevention and maintenance and inspection procedures. A copy of the SWPPP is attached hereto and made a part of hereof.
