GENERAL INFORMATION: The placement of a successful bid at a U.S. Department of the Treasury auction establishes a legally binding contract between the successful bidder and the Government. The auctioneer’s announcement of the high bid amount and the bidder’s number establishes the contract, which is subject to final acceptance by the Government. This contract is bound by these Terms and Conditions, any Special Terms and Conditions published by the Contractor for the specific auction, 19 CFR Customs Duties Part 162, and all other Federal regulations governing contracts for the purchase of Government property, which may be found at http://www.acquisition.gov/faq/. The successful bidder is legally bound to pay for property awarded in accordance with his/her bid.

CWS, the Contractor, is acting as the agent of the Government with respect to the sale of Government real property at these auctions. The Contractor may videotape the auction and record phone bidding to assist in any future contract resolution actions.

ELIGIBILITY OF BIDDERS: The Bidder warrants that he/she is not: (a) under 18 years of age; (b) an employee of any department or agency of the Federal Government prohibited by the regulations of that agency from purchasing property sold hereunder; (c) an agent or immediate member of the household of the one listed in (b), above; (d) the Contractor, subcontractor or vendor, or their agent who has access to information concerning the property to be sold at U.S. Department of the Treasury auctions that is not generally available to the public; or (e) presently delinquent or delinquent for the purpose of the award of contracts by any Federal agency in accordance with 41 CFR 101-45.6.

The Contractor’s subcontractor may not act as agent for a third party in purchasing U.S. Department of the Treasury real property that is or has been in their custody or control. For breach of this warranty, the Government shall have the right to cancel the contract without liability.

REGISTRATION OF BIDDERS: Persons wishing to participate in the bidding process of the sale are required to obtain, fill out, and deliver the bidder registration card during the registration process for each sale. In the event a person is bidding on behalf of another party, an original notarized Power of Attorney must be presented at the time of registration. Power of Attorney must include the buying party’s social security number.

If you are planning to bid in the name of a corporation, business, or LLC, you must have the appropriate official documentation to show proof of eligibility to bid on behalf of that corporation, business, or LLC.

An individual’s signature on the bidder registration card is an acknowledgment of his/her full and complete understanding of all Terms and Conditions and his/her agreement to be bound thereunder. Therefore, bidders are cautioned to carefully read all applicable Terms and Conditions contained in this document and the sales flyer/brochure before signing the bidder registration card. Bidders must present a photo ID and evidence of earnest money deposit in the amount of $50,000 in the form of cashier’s or certified check made payable to CWS Marketing Group, Inc as a prerequisite of registration. Personal or business checks, money orders, cash, bank letters, or letters of credit WILL NOT be accepted. Cashier’s checks made payable to the bidder’s name CANNOT be accepted.

Each registered bidder will be issued a bidder number upon completion of the registration process. Each bidder is solely responsible for the use of his/her bidder number and any use by another person is presumed to be with the consent of and contractually binding on the registered bidder.

The registrant agrees that, should the registrant be the successful bidder of a property lot, the following information regarding the transaction shall be published on the U.S. Department of the Treasury auction website: (1) the registered bidder’s name; (2) the property’s address; (3) the purchase price of the property; (4) the sale date; and (5) the sale price. Additionally, the bidder is required to obtain a special warranty deed from the seller. The bidder will be responsible for the recording fees and any other costs associated with the transfer of title.
