TECHNICAL PROBLEMS AND TRANSMISSION ISSUES: CWSAMS has made every reasonable effort to facilitate online bidding. However, it is possible that technical problems and transmission issues may arise and affect the CWSAMS website, bidding system and/or computer or server or your computer, personal device or software which is beyond the control of CWSAMS. By bidding online Bidder acknowledges that CWSAMS is not responsible for technical problems or transmission issues associated with a bid and that, in the event technical problems interfere with or prevent a bid, it may be necessary to withdraw items from bidding due to technical errors or uncontrollable circumstances. Further, in the event of the occurrence of a technical problem during any bid in any auction, CWSAMS in its sole discretion reserves the right to declare an item sold, postpone or cancel the auction, extend the bidding time for this auction and/or re-list the property for auction at another date and time. The decision of CWSAMS on this matter shall be final. Bidder acknowledges that, by bidding in any auction held by CWSAMS, Bidder accepts the terms and conditions of this Disclaimer.

AUCTION END & BID APPROVALS: When the auction closes, the page will display either SOLID or ENDED. SOLID indicates the reserve (if there is a reserve) was met and establishes the high bid. Successful bidders will be notified via email of their status as the winning bidder and will be bound by the payment terms as found in the “Offering of Property for Auction and Submission of Bids” paragraph. ENDED indicates the final bid did not meet the reserve. In this case, CWS will provide the high bid to the Government for consideration. If the Government accepts the high bid, the bidder will be notified.

CONSIDERATION OF BIDS: The Government reserves the right to reject any and all bids, and to waive any technical defects in bids. Property is sold with a minimum reserve price unless the property is, in explicit terms, offered without minimum reserve price. If the minimum reserve price is not achieved, the Government may withdraw the property at any time before the sales contract is executed.

FINANCING: The buyer is responsible for obtaining his/her own financing arrangements as required. The Government does not provide financing for the purchase of any property offered under these Terms and Conditions. Bidders are strongly recommended to investigate and secure financing arrangements, if required, prior to bidding on a public offering.

Failure to obtain financing during the closing process does not relieve the buyer of his/her legal responsibility and obligation for completion of the contract. Failure to comply with all provisions of the sales contract regarding closing may result in termination of the contract because of buyer’s default and may result in the forfeiture of any earnest deposit funds paid.

PROPERTY OFFERED FOR SALE BY IRS-Cl, HSI, OR SECRET SERVICE: In accordance with 18 USC Section 1963(f) and 21 USC Section 831(h) of the Comprehensive Crime Control Act of 1984 and Department of the Treasury Security Policy, forfeited (real) property will not be sold to the defendant or person(s) acting as his/her agent. A real property sales contract may be cancelled by the Government in compliance with the above statutes or policy.
