OFFERING OF PROPERTY FOR AUCTION/SUBMISSION OF BIDS: The placement of a successful bid at a Department of the Treasury online auction establishes a legally binding contract between the successful bidder and the Government and is subject to final acceptance by the Government. Once the successful high bid is established a final written sales contract will be prepared to include the individual information of the high bidder along with the high bid amount. A contract will be established with the recognized back-up bidder for execution.

At the conclusion of bidding, all e-mail will be sent to the successful high and backup bidder confirming the bid amount. This acknowledgement confirms the price offered by the bidder and is subject to final acceptance by the Government. A contract document will be sent to the successful high and backup bidder for signature. The contract must be returned to CWS within 24 hours of receipt. At this time the contract will be presented to the Government and is subject to their final acceptance. The Government may withdraw the property at any time before the sales contract is accepted. During this process the successful bidder may not withdraw their bid at any time. Unilateral conditions asserted by any bidder will not be accepted.
