GENERAL INFORMATION: The placement of a successful bid at a U.S. Department of the Treasury online auction establishes a legally binding contract between the successful bidder and the Government. An e-mail notice sent to the high bidder establishes the contract, which is subject to final acceptance by the Government. This contract is bound by these Terms and Conditions, any Special Terms and Conditions published by the Contractor for the specific auction, 19 CFR Customs Duties Part 162 and all other Federal regulations governing contracts for the purchase of Government property, which may be found at http://www.acquistion.gov. The successful bidder is legally bound to pay for property awarded in accordance with his/her bid.

ELIGIBILITY OF BIDDERS: The bidder warrants that he/she is not: (a) under 18 years of age, (b) an employee of any department or agency of the Federal Government prohibited by the regulations of that agency from purchasing property sold hereunder; (c) an agent or immediate member of the household of the owner of the property being sold; (d) the bidder, contractor, subcontractor or vendor, or any agent of a person who has access to information concerning the property to be sold at U.S. Department of the Treasury auctions that is not generally available to the public; (e) present or former parolee or declared ineligible for the award of contracts by any Federal agency in accordance with 41 CFR 10145.6; or (f) the party, or agent of the party(s), from whom the property was seized.

The Contractor’s subcontractor may not act as a agent for a third party in purchasing U.S. Department of the Treasury real property that is or has been in their custody or control. For breach of this warranty, the Government shall have the right to cancel the contract without liability.

REGISTRATION: If you are a new bidder, please create an account. Go to “Login” and click on either “Sign up now” (desktop) or “Create Account” (mobile device). Fill out the proper information (must have an approved credit card) and click on “Register.” Credit cards are required during registration to verify your identity. U.S. Treasury auctions do not accept credit cards as a form of payment for deposits. The credit card will be charged $5.00 for this process. This is an authorization only and the amount is released after verification. Bidders will need to accept the Terms & Conditions in order to establish an account.

DEPOSIT: A $5,000 deposit bid is required to bid. U.S. funds only. Persons wishing to participate in the bidding process for the sale of real property are required to register online for each specific auction you are interested in. To complete the registration process, download the Bid Deposit Form and mail with the cashier's check. Once the deposit is received, the bidder will be sent an email notification confirming they are approved to bid. If you have downloaded the CWS Auctions App, you will also receive an approval text alert on your mobile device.

The success of the high bidder’s deposit will be retained as the initial payment for the property. Cashier's checks payable to the bidder’s name CANNOT be accepted. Unsuccessful deposit checks will be returned within 5 business days.

The registrant agrees that, should the registrant be the successful bidder of a property, the following information regarding the transaction shall be published on the U.S. Department of the Treasury auction website: (1) the registrant’s name, (2) the property’s address, and (3) the purchase price of the property. Electronic Federal Information Act Amendments of 1996 (5 U.S.C. 552 (2000).

BACK-UP BIDDER: The back-up bidder’s deposit will be mailed after receiving government approval of the high bidder, the total deposit from the high bidder, and all losses incurred due to the delay in the release of the high bidder’s deposit. The back-up bidder’s deposit will become the high bidder at the Purchase Price stated in the back-up bidder contract. The back-up bidder is obligated to transmit money as stated above within three (3) business days of notification.

The following liquidated damages provision shall apply to the back-up bidder.

INSPECTION OF PROPERTY: The bidder is invited, urged, and cautioned to inspect the property prior to submitting a bid. Failure to inspect property shall not constitute cause for cancellation of sale. Property will be available for inspection at the times specified by the Contractor. Absolutely no access to property is allowed without prior Contractor authorization. At their own expense, potential bidders may have property inspectors examine the property during regularly scheduled open houses.

LEAD-BASED PAINT: For properties built before 1978: Disclosure of Information on Lead-Based Paint and Lead-Based Paint Hazards and the EPA pamphlet “Protect Your Family From Lead In Your Home” may be obtained by calling 1-800-424-LEAD or visiting http://www.epa.gov/lead. Buyer acknowledges responsibility for all costs associated with the abatement and remediation of any disclosed or potential hazards associated with the property.

TECHNICAL PROBLEMS AND TRANSMISSION ISSUES: CWSAMS has made every reasonable effort to facilitate online bidding. However, it is possible that technical problems and transmission issues may arise and affect the CWSAMS website, bidding system and/or computer or server or your computer, personal device or software which is beyond the control of CWSAMS. By bidding online Bidder acknowledges that CWSAMS is not responsible for technical problems or transmission issues associated with a bid and that, in the event technical problems interfere with or prevent a bid, it may be necessary to withdraw items from bidding due to technical errors or uncontrollable circumstances. Further, in the event of the occurrence of a technical problem during any bid in any auction, CWSAMS in its sole discretion reserves the right to declare an item sold, postpone or cancel the auction, extend the bidding time for this auction and/or re-list the property for auction at another date and time. The decision of CWSAMS on this matter shall be final. Bidder acknowledges that, by bidding in any auction held by CWSAMS, Bidder accepts the terms and conditions of this Disclaimer.

Auction End & Bid Approvals: When the auction closes, the page will display either SOLD or ENDED. SOLD indicates the reserve (if there is a reserve) was met and establishes the high bid. Successful bidders will be notified via email of their status as the winning bidder and will be bound by the payment terms as found in the “Offering of Property for Auction and Submission of Bids” paragraph. ENDED indicates the final bid did not meet the reserve. In this case, CWS will provide the high bid to the Government for consideration. If the Government accepts the high bid, the bidder will be notified.

CONSIDERATION OF BIDS: The Government reserves the right to reject any or all bids, and to waive any technical defects in bids. Property is sold with a minimum reserve price unless the property is, in explicit terms, offered without a minimum reserve price. If the minimum reserve price is not achieved, the Government may withdraw the property at any time before the sales contract is executed.

FINANCING: The buyer is responsible for obtaining his or her own financing arrangements as required. The Government does not provide financing for the purchase of any property offered under these Terms and Conditions. Buyers are strongly recommended to investigate and secure financing arrangements if required, prior to bidding on a public offering.

Failure to obtain financing during the closing process does not relieve the buyer of his/her legal responsibility and obligation for completion of the contract. Failure to comply with all provisions of the sales contract regarding closing may result in termination of the contract because of buyer’s default and may result in the forfeiture of any earnest/deposit funds.

CLOSING: Closing will be held within 45 calendar days of the date the Government receives the sales contract accepting the Buyer’s offer. Closing may be held sooner, with mutual agreement of Buyer and Seller. Only the Seller may, at its discretion, exceed closing beyond 45 calendar days. Closing costs including, without limitation, transfer taxes, documentary stamps, recording fees, and escrow fees will be paid by the Buyer and Seller in accordance with the customs of the county in which the property is located. In the event Buyer desires title insurance, it will be at the Buyer’s expense.

GOVERNMENT DEED: Clear Title will be transferred via a Government Deed. Liens and other encumbrances will be paid by the Government. Title Insurance is available at Buyer’s expense.

DEFAULTS: Failure to make required deposit or final payments and/or comply with the time frames specified on the website shall be deemed default of the high bidder and may result in cancellation of the contract and forfeiture of any rights, title, and interest the Buyer may have acquired. In that case, title of the property will remain with the Government and will result in the forfeiture of the deposit. If the default occurs because of failure to make the required deposit, the Buyer shall be liable to the Government for liquidated damages in the amount of that deposit.

PROPERTY OFFERED FOR SALE BY IRS-CI, HSI, OR SECRET SERVICE: In accordance with 18 USC. Section 1963(f) and 28 USC. Section 309(b) of the Comprehensive Crime Control Act of 1984 and Department of the Treasury Policy, forfeited (real) property will not be sold to the defendant or person(s) acting as his/her agent. A real property sales contract may be cancelled by the Government in compliance with the above statutes or policy.
