The successful bidder's deposit will be retained as the initial payment for the property. Cashier's checks made payable to the bidder's name CANNOT be accepted. Unsuccessful deposit checks will be returned within 5 business days.

Electronic Freedom of Information Act Amendments of 1996 (5 U.S.C. 552 (2000)).

INSPECTION OF PROPERTY:

The bidder is invited, urged, and cautioned to inspect the property prior to submitting a bid. Failure to inspect property shall not constitute cause for cancellation of sale. Property will be available for

inspection at the times specified by the Contractor. Absolutely no access to property is allowed without prior Contractor authorization. At their own expense, potential bidders may have property inspectors examine the property during regularly scheduled open houses.

LEAD-BASED PAINT (for properties built before 1978):

Disclosure of Information on Lead-Based Paint and Lead-Based Paint Hazards and the EPA pamphlet "Protect Your Family From Lead In Your Home" may be obtained by calling 1-800-424-LEAD or visiting <http://www.epa.gov/lead>. Buyer acknowledges responsibility for all costs associated with the abatement and remediation of any disclosed or potential hazards associated with the property.

ORAL STATEMENTS AND MODIFICATIONS:

Changes may be made on the day of the sale to the property status or descriptions on the auction site. These changes take precedence over previous auction site information pertinent to that property, but do not alter in any way the basic Terms and Conditions of sale. Further, no interpretation of any provision of the sales contract, including applicable performance requirements, shall be binding on the Government unless furnished to and agreed upon, in writing, by the Contracting Officer or his/her designated representative.

REAL PROPERTY DESCRIPTIONS:

The bidder understands and agrees that the property is offered, purchased, and accepted by the buyer "AS IS" and "WITH ALL FAULTS." The Government and its agent make no warranties or guarantees whatsoever whether written, oral, or implied as to quality, condition, or habitability.

All information contained on the website and marketing was derived from sources believed to be correct, but there is no guarantee. Buyer acknowledges that he/she relied entirely on his/her own information, judgment, and inspection of the property.

If a legal misrepresentation is determined before the final closing on the property, the Government reserves the right to cancel the sale and refund any earnest/deposit money paid.

OFFERING OF PROPERTY FOR AUCTION AND SUBMISSION OF BIDS:

The placement of a successful bid at a Department of the Treasury online auction establishes a legally binding contract between the successful bidder and the Government and is subject to final acceptance by the Government. Once the successful high bid is established a final written sales contract will be prepared to include the individual information of the high bidder along with the high bid amount. A contract may also be conditionally established with the recognized back-up bidder for execution if the high bidder defaults for any reason or is rejected by the Government.

At the conclusion of bidding, an e-mail will be sent to the successful bidder confirming the bid amount. The successful bidder must acknowledge receipt of notice and supply information requested to validate the bid acceptance within 24 hours of the time the notice was sent. This acknowledgement confirms the price offered by the bidder and is subject to final acceptance by the Government. A contract document will be sent to the successful bidder for signature. The contract must be returned to CWS within 48 hours of receipt. At this time the contract will be presented to the Government and is subject to their final acceptance. The Government may withdraw the property at any time before the sales contract is accepted. During this process the successful bidder may not withdraw their bid at any time. Unilateral conditions asserted by any bidder will not be accepted.

The high bidder shall deliver ten percent (10%) of the Purchase Price less the initial money deposit, whichever is greater, to CWS by cashier's/certified check, payable to CWS Marketing Group, Inc or by bank wire transfer. Within three business days, should the high bidder fail to deliver the earnest money, Seller shall have all rights and remedies provided in the Terms of Sale, including the right to retain the initial money deposit and any other deposits or payments made by the high bidder as liquidated damages.

The successful bidder's deposit(s) will be retained as the initial payment for the property. Personal or business checks, bank letters, or letters of credit will not be accepted. Cashier's checks made payable to the bidder's name CANNOT be accepted. The bidder who placed the bid accepted by the Government, is legally bound to pay for property awarded to him/her in accordance with the successful bid. Payment of the full purchase price must be made within the time specified on the auction site.

CONSIDERATION OF BIDS:

The Government reserves the right to reject any or all bids, and to waive any technical defects in bids. Property is sold with a minimum reserve price unless the property is, in explicit terms, offered without a minimum reserve price. If the minimum reserve price is not achieved, the Government may withdraw the property at any time before the sales contract is executed.

FINANCING:

The buyer is responsible for obtaining his or her own financing arrangements as required. The Government does not provide financing for the purchase of any property offered under these Terms and Conditions. Bidders are strongly recommended to investigate and secure financing arrangements, if required, prior to bidding on a public offering.

Failure to obtain financing during the closing process does not relieve the buyer of his/her legal responsibility and obligation for completion of the contract. Failure to comply with all provisions of the sales contract regarding closing may result in termination of the contract because of buyer's default and may result in the forfeiture of any earnest/deposit funds.

CLOSING:

Closing will be held within 30 calendar days of the date the Government signs the sales contract accepting the Buyer's offer. Closing may be held sooner, with mutual agreement of Buyer and Seller. Only the Seller may, at its discretion, exceed closing beyond 30 calendar days. Closing costs including, without limitation, transfer taxes, documentary stamps, recording fees, and escrow fees will be paid by the Buyer and Seller in accordance with the customs of the county in which the property is located. In the event Buyer desires title insurance, it will be at the Buyer's expense.

SPECIAL WARRANTY DEED:

Insurable Title will be transferred via a Special Warranty Deed. Liens and other encumbrances will be paid by the Government. Title Insurance is available at Buyer's expense.

DEFAULTS:

Failure to make required deposit or final payments and/or comply with the time frames specified on the website shall be deemed default of the high bidder and may result in cancellation of the contract and forfeiture of any rights, title, and interest the Buyer may have acquired. In that case, title of the property will remain with the Government and will result in the forfeiture of the deposit. If the default occurs because of failure to make the required deposit, the buyer shall be liable to the Government for liquidated damages in the amount of that deposit.

PROPERTY OFFERED FOR SALE BY ICE, SECRET SERVICE, OR IRS-CI:

In accordance with 18 USC Section 1963(f) and 21 USC Section 853(h) of the Comprehensive Crime Control Act of 1984 and Department of the Treasury Policy, forfeited (real) property will not be sold to the defendant or person(s) acting as his/her agent. A real property sales contract may be cancelled by the Government in compliance with the above statutes or policy.
