Electronic Freedom of Information Act Amendments of 1996 (5 U.S.C. 552 (2000).

In the event money is not received from the high bidder within the time period specified, the back-up bidder will become the high bidder at the Purchase Price stated in the back-up bid contract. The back-up bidder is obligated to transmit money as stated above within three (3) business days of notification. The foregoing liquidated damages provision shall apply to the back-up bidder.

INSPECTION OF PROPERTY: The bidder is invited, urged, and cautioned to inspect the property prior to submitting a bid. Failure to inspect property shall not constitute cause for cancellation of sale. Property will be available for inspection at the times specified by the Contractor. Absolutely no access to property is allowed without prior Contractor authorization. LEAD-BASED PAINT: (for properties built before 1978) Disclosure of Information on Lead-Based Paint and Lead-Based Paint Hazards and the EPA pamphlet “Protect Your Family From Lead in Your Home” may be obtained by calling 1-800-424-LEAD or visiting http://www.epa.gov/lead. Buyer acknowledges responsibility for all costs associated with the abatement and remediation of any disclosed or potential hazards associated with the property.

ORAL STATEMENTS AND MODIFICATIONS: Changes may be made on the day of the sale to the property status or descriptions on the auction site. These changes take precedence over previous auction site information pertinent to that property, but do not alter in any way the basic Terms and Conditions of sale. Further, no interpretation of any provision of the sales contract, including applicable performance requirements, shall be binding on the Government unless furnished to and agreed upon, in writing, by the Contracting Officer or his/her designated representative.

REAL PROPERTY DESCRIPTIONS: The bidder understands and agrees that the property is offered, purchased, and accepted by the buyer AS IS and WITH ALL LIENS AND OTHER ENCUMBRANCES. The buyer is responsible for verifying all the information given on the auction site. These include but are not limited to: a) property address, b) property description, c) minimum/maximum reserves, d) opening reserve, e) opening bid amount (including but not limited to fines and penalties). The Government and its agents make no warranties or guarantees whatsoever written, oral, or implied, as to quality, condition, or habitability. All information contained on the website and marketing was derived from sources believed to be correct, but there is no guarantee. Buyer acknowledges that he/she relied entirely on his/her own information, judgment, and inspection of the property. If a legal misrepresentation is determined before the final closing on the property, the Government reserves the right to cancel the sale and refund any earnest deposit money paid.

OFFERING OF PROPERTY FOR AUCTION/SUBMISSION OF BIDS: The placement of a successful bid at a Department of the Treasury online auction establishes a legally binding contract between the successful bidder and the Government and is subject to final acceptance by the Government. Once the successful high bid is established a final written sales contract will be prepared to include the individual information of the high bidder along with the high bid amount. A contract will be established with the recognized back-up bidder for execution.

At the conclusion of bidding, an e-mail will be sent to the successful high and backup bidder confirming the bid amount. The successful high and backup bidders may, at the Government’s discretion, exceed the minimum reserve price unless the property is, in explicit terms, offered without a minimum reserve price. If the minimum reserve price is not achieved, the Government may withdraw the property at any time before the sales contract is executed.

The high bidder shall deliver ten percent (10%) of the Purchase Price less the initial money deposit, whichever is greater, to CWS by cashier’s/certified check, wire transfer, or by other agreed upon means if any bid is placed within the last 3 minutes of the close of the auction, the bid will automatically extend the closing time an additional 3 minutes. This feature protects bidders from being outbid without the opportunity to be notified and place another bid before the close of the auction.

TECHNICAL PROBLEMS AND TRANSMISSION ISSUES: CWSAMS has made every reasonable effort to facilitate online bidding. However, it is possible that technical problems and transmission issues may arise and affect the CWSAMS website, bidding system and/or computer or server or your computer, personal device or software which is beyond the control of CWSAMS. By bidding online, the bidder acknowledges that CWSAMS is not responsible for technical problems or transmission issues associated with a bid and that, in event technical problems interfere with or prevent a bid, it may be necessary to withdraw items from bidding due to technical errors or uncontrollable circumstances. Further, in the event of the occurrence of a technical problem during any bid in any auction, CWSAMS in its sole discretion reserves the right to declare an item sold, postpone or cancel the auction, extend the bidding time for this auction and/or re-post the property for auction at another date and time.

The decision of CWSAMS on this matter shall be final. Bidder acknowledges that, by bidding in any auction held by CWSAMS, Bidder accepts the terms and conditions of this Disclaimer.

AUCTION END & BID APPROVALS: When the auction closes, the page will display either SOLD or ENDED. SOLD indicates the reserve (if there is a reserve) was met and establishes the high bid. Successful bidders will be notified via email of their status as the winning bidder and will be bound by the payment terms as found in the “Offering of Property for Auction and Submission of Bids” paragraph. ENDED indicates the final bid did not meet the reserve. In this case, CWS will provide the high bid to the Government for consideration. If the Government accepts the high bid, the bidder will be notified.

CONSIDERATION OF BIDS: The Government reserves the right to reject any or all bids, and to waive any technical defects in bids. Property is sold with a minimum reserve price unless the property is, in explicit terms, offered without a minimum reserve price. If the minimum reserve price is not achieved, the Government may withdraw the property at any time before the sales contract is executed.

FINANCING: The buyer is responsible for obtaining his/her own financing arrangements as required. The Government does not provide financing for the purchase of any property offered under these Terms and Conditions. Buyers are strongly recommended to investigate and secure financing arrangements, if required, prior to bidding on a public offering.

Failure to obtain financing during the closing process does not relieve the buyer of his/her legal responsibility and obligation for completion of the contract. Failure to comply with all provisions of the sales contract regarding closing may result in termination of the contract because of buyer’s default and may result in the forfeiture of any earnest deposit funds.

CLOSING: Closing will be held within 45 calendar days of the date the Government signs the sales contract accepting the Buyer’s offer. Closing may be delayed with mutual agreement of Buyer and Seller. Only the Seller may, at its discretion, exceed closing beyond 45 calendar days. Closing costs including, without limitation, transfer taxes, documentary stamps, recording fees, and escrow fees will be paid by the Buyer and Seller in accordance with the customs of the county in which the property is located. In the event Buyer desists title insurance, it will be at the Buyer’s expense.

GOVERNMENT DEED: Clear Title will be transferred via a Government Deed. Liens and other encumbrances will be paid by the Government. Title Insurance is available at Buyer’s expense.

DEFECTS: Failure to make required deposit or final payments and/or comply with the time frames specified on the website shall be deemed default of the high bidder and may result in cancellation of the contract and forfeiture of any rights, title, and interest the Buyer may have acquired. In that case, title of the property will remain with the Government and will result in the forfeiture of the deposit. If the default occurs because of failure to make the required deposit, the buyer shall be liable to the Government for liquidated damages in the amount of that deposit.

PROPERTY OFFERED FOR SALE BY IRS-CI, HSI, OR SECRET SERVICE: In accordance with 18 U.S.C Section 1963(f) and 21 U.S.C Section 839(h) of the Comprehensive Crime Control Act of 1984 and Department of Treasury, Assets Forfeiture Policy, forfeited (real) property will not be sold to the defendant or person(s) acting as his/her agent. A real property sales contract may be cancelled by the Government in compliance with the above statutes or policy.
