WHEREAS, the Secretary of the Treasury of the United States is authorizing by statute 31 U. S. C 9703 (l) to warrant title to a purchaser of forfeited property and this authority has been delegated to the Internal Revenue Service; and Buyer (name will be put in later)

WHEREAS, the following described property known as 10944 Waterloo-Munith Road, Munith, MI 49259 was forfeited to the United States of America on **April 13, 2011** pursuant to Criminal Case 1:10-CR-222, U.S. v. (removed), in the U.S. District Court for the Western District of Michigan, as part of that criminal case.

(SEE EXHIBIT "A" FOR LEGAL DESCRIPTION)

WHEREAS, the United States **SPECIALLY WARRANTS** its title against defects or clouds arising out of the forfeiture process and holds the buyer harmless as a result of such defects in title or clouds involving the propriety of the forfeiture of the property.

NOW THEREFORE, the United States of America hereby agrees that in the event a court, in a final judgment rules that the United States did not acquire valid legal title to the real property through the forfeiture process and therefore was not able to convey clear title to the buyer, to the extent of available appropriations, the United States will refund the buyer, the amount of the purchase price of the property, plus the value of any improvements made to the property by the buyer, plus any interest earned on that amount from the date of purchase of the property by the buyer to the date of final judgment; however, the United States of America shall be allowed to defend against such claim before acceding to it. The buyer shall tender any claim made upon them to the United States to defend as soon as the claim arises and prior to incurring any expenses to defend such a claim. Payment of any refund or claim will be paid out of the Treasury Forfeiture Fund and/or other available appropriations.

The United States does not warrant the title of the prior owner of the property whom acquired title before the forfeiture.
