SECURITIES PURCHASE AGREEMENT

Recitals:

WHEREAS, American International Group, Inc. (the “**Company**”) intends to issue in a private placement 4,000,000 shares of the Series D Fixed Rate Cumulative Perpetual Preferred Stock (the “**Preferred Stock**”) and a warrant (the “**Warrant**”, and together with the Preferred Stock, the “**Purchased Securities**”) to purchase 53,798,766 shares of the Company’s common stock and the United States Department of the Treasury (the “**Investor**”) intends to purchase (the “**Purchase**”) from the Company the Purchased Securities; and

WHEREAS, the Purchase will be governed by this Securities Purchase Agreement (including the Schedules and Annexes hereto) (the “**Agreement**”).

NOW, THEREFORE, in consideration of the premises, and of the representations, warranties, covenants and agreements set forth herein, the parties agree as follows:

Article 1 Purchase; Closing

1.1 *Purchase.* On the terms and subject to the conditions set forth in this Agreement, the Company agrees to sell to the Investor, and the Investor agrees to purchase from the Company, at the Closing (as hereinafter defined), the Purchased Securities for \$40,000,000,000 (the “**Purchase Price**”).

1.2 *Closing.*

(a) On the terms and subject to the conditions set forth in this Agreement, the closing of the Purchase (the “**Closing**”) will take place at the location specified in Schedule A, at the time and on the date set forth in Schedule A, or as soon as practicable thereafter, or at such other place, time and date as shall be agreed between the Company and the Investor. The time and date on which the Closing occurs is referred to in this Agreement as the “**Closing Date**”.

(b) Subject to the fulfillment or waiver of the conditions to the Closing in this Section 1.2, at the Closing (i) the Company will deliver the Preferred Stock and the Warrant, in each case as evidenced by one or more certificates dated the Closing Date and bearing appropriate legends as hereinafter provided for, (ii) upon verification of receipt of the Preferred Stock and Warrant at the Investor’s custodian, the Investor shall pay the Purchase Price by instructing the Federal Reserve Bank of New York (the “**FRBNY**”), acting as fiscal agent of the Investor, to debit the Investor’s General Account for the Purchase Price, and the Investor is hereby directed by the Company to pay the Purchase Price directly to the FRBNY as a credit to the account on the books of the FRBNY evidencing a prepayment in the amount of the Purchase Price of the Company’s indebtedness to the FRBNY under the Credit Agreement dated as of September 22,

2008 between the Company and the FRBNY, as amended from time to time (the “**Credit Agreement**”).

(c) The respective obligations of each of the Investor and the Company to consummate the Purchase are subject to the fulfillment (or waiver by the Investor and the Company, as applicable) prior to the Closing of the conditions that (i) any approvals or authorizations of all United States and other governmental, regulatory or judicial authorities (collectively, “**Governmental Entities**”) required for the consummation of the Purchase shall have been obtained or made in form and substance reasonably satisfactory to each party and shall be in full force and effect and all waiting periods required by United States and other applicable law, if any, shall have expired and (ii) no provision of any applicable United States or other law and no judgment, injunction, order or decree of any Governmental Entity shall prohibit the purchase and sale of the Purchased Securities as contemplated by this Agreement.

(d) The obligation of the Investor to consummate the Purchase is also subject to the fulfillment (or waiver by the Investor) at or prior to the Closing of each of the following conditions:

(i) (A) the representations and warranties of the Company set forth in (x) Section 2.2(g) of this Agreement shall be true and correct in all respects as though made on and as of the Closing Date, (y) Sections 2.2(a) through (f) shall be true and correct in all material respects as though made on and as of the Closing Date (other than representations and warranties that by their terms speak as of another date, which representations and warranties shall be true and correct in all material respects as of such other date) and (z) Sections 2.2(h) through (v) (disregarding all qualifications or limitations set forth in such representations and warranties as to “**materiality**”, “**Company Material Adverse Effect**” and words of similar import) shall be true and correct as though made on and as of the Closing Date (other than representations and warranties that by their terms speak as of another date, which representations and warranties shall be true and correct as of such other date), except to the extent that the failure of such representations and warranties referred to in this Section 1.2(d)(i)(A)(z) to be so true and correct, individually or in the aggregate, does not have and would not reasonably be expected to have a Company Material Adverse Effect and (B) the Company shall have performed in all material respects all obligations required to be performed by it under this Agreement at or prior to the Closing;

(ii) the Investor shall have received a certificate signed on behalf of the Company by a senior executive officer certifying to the effect that the conditions set forth in Section 1.2(d)(i) have been satisfied;

(iii) the Company shall have duly adopted and filed with the Secretary of State of its jurisdiction of organization or other applicable Governmental Entity the certificate of designations for the Preferred Stock in substantially the form attached hereto as Annex A (the “**Certificate of Designations**”) and such filing shall have been accepted;

(iv) (A) the Company shall have taken all necessary action to effect such changes to its compensation, bonus, incentive and other benefit plans, arrangements and agreements (including golden parachute, severance and employment agreements) (collectively, “Benefit Plans”) with respect to the Senior Executive Officers (and to the extent necessary for such changes to be legally enforceable, each of the Senior Executive Officers shall have duly consented in writing to such changes), as may be necessary, during the period that the Investor owns any debt or equity securities of the Company acquired pursuant to this Agreement or the Warrant, in order to comply with Section 111(b) of the Emergency Economic Stabilization Act of 2008 (“EESA”), including the provisions for Systemically Significant Failing Institutions, as implemented by guidance or regulation thereunder, including Notice 2008-PSSFI, that has been issued and is in effect as of the Closing Date, including provisions prohibiting severance payments to the Senior Executive Officers, (B) the Company shall have taken all necessary action to effect such changes to its Benefit Plans with respect to the U.S.-based Senior Partners (and to the extent necessary for such changes to be legally enforceable, each of the U.S.-based Senior Partners shall have duly consented in writing to such changes), as may be necessary, during the period that the Investor owns any debt or equity securities of the Company acquired pursuant to this Agreement or the Warrant, in order to comply with the requirements in Section 4.10 of this Agreement, (C) the Company shall have used its best efforts to take all necessary action to effect such changes to its Benefit Plans with respect to the other Senior Partners (and to the extent necessary for such changes to be legally enforceable, to have each of the other Senior Partners duly consent in writing to such changes), as may be necessary, during the period that the Investor owns any debt or equity securities of the Company acquired pursuant to this Agreement or the Warrant, in order to comply with the requirements in Section 4.10 of this Agreement and (D) the Investor shall have received a certificate signed on behalf of the Company by a senior executive officer certifying to the effect that the conditions set forth in Section 1.2(d)(iv)(A) and (B) have been satisfied;

(v) each of the Company’s Senior Executive Officers and the U.S.-based Senior Partners shall have delivered to the Investor, and the Company shall have delivered to the Investor, a written waiver in the form attached hereto as Annex B-1 (for the Senior Executive Officers and Senior Partners) or Annex B-2 (for the Company) releasing the Investor and the Company, and in the case of the Company’s waiver, releasing the Investor, from any claims that such Senior Executive Officers or Senior Partners may otherwise have against the Company or the Investor, and in the case of the Company, any claims it may have against the Investor, in each case as a result of the issuance, on or prior to the Closing Date, of any such guidance or regulations or as a result of the requirements in Section 4.10 of this Agreement which require the modification of, and the agreement of the Company hereunder to modify, the terms of any Benefit Plans with respect to the Senior Executive Officers and, as applicable, with respect to the Senior Partners to eliminate or modify any provisions of such Benefit Plans that would not be in compliance with the requirements of Section 111(b) of the EESA, including the provisions for Systemically Significant Failing Institutions, as implemented

by guidance or regulation thereunder, including Notice 2008-PSSF1, that has been issued and is in effect as of the Closing Date, and the requirements in Section 4.10 of this Agreement;

(vi) the Company shall have delivered to the Investor a written opinion from counsel to the Company (which may be internal counsel), addressed to the Investor and dated as of the Closing Date, in substantially the form attached hereto as Annex C;

(vii) the Company shall have delivered certificates in proper form or, with the prior consent of the Investor, evidence of shares in book-entry form, evidencing the Preferred Stock to the Investor or its designee(s); and

(viii) the Company shall have duly executed the Warrant in substantially the form attached hereto as Annex D and delivered such executed Warrant to the Investor or its designee(s).

1.3 *Interpretation.* When a reference is made in this Agreement to "Recitals," "Articles," "Sections," "Annexes" or "Schedules" such reference shall be to a Recital, Article or Section of, or Annex or Schedule to, this Agreement. The terms defined in the singular have a comparable meaning when used in the plural, and vice versa. References to "herein", "hereof", "hereunder" and the like refer to this Agreement as a whole and not to any particular section or provision, unless the context requires otherwise. The table of contents and headings contained in this Agreement are for reference purposes only and are not part of this Agreement. Whenever the words "include," "includes" or "including" are used in this Agreement, they shall be deemed followed by the words "without limitation." No rule of construction against the draftsman shall be applied in connection with the interpretation or enforcement of this Agreement, as this Agreement is the product of negotiation between sophisticated parties advised by counsel. All references to "\$" or "dollars" mean the lawful currency of the United States of America. Except as expressly stated in this Agreement, all references to any statute, rule or regulation are to the statute, rule or regulation as amended, modified, supplemented or replaced from time to time (and, in the case of statutes, include any rules and regulations promulgated under the statute) and to any section of any statute, rule or regulation include any successor to the section. References to a "business day" shall mean any day except Saturday, Sunday and any day on which banking institutions in the State of New York generally are authorized or required by law or other governmental actions to close.

Article 2

Representations and Warranties

2.1 Disclosure.

(a) "Company Material Adverse Effect" means a material adverse effect on (i) the business, results of operation or financial condition of the Company and its consolidated subsidiaries taken as a whole; *provided, however,* that Company Material Adverse Effect shall

not be deemed to include the effects of (A) changes after the date of this Agreement (the “**Signing Date**”) in general business, economic or market conditions (including changes generally in prevailing interest rates, credit availability and liquidity, currency exchange rates and price levels or trading volumes in the United States or foreign securities or credit markets), or any outbreak or escalation of hostilities, declared or undeclared acts of war or terrorism, in each case generally affecting the industries in which the Company and its subsidiaries operate, (B) changes or proposed changes after the Signing Date in generally accepted accounting principles in the United States (“**GAAP**”) or regulatory accounting requirements, or authoritative interpretations thereof, (C) changes or proposed changes after the Signing Date in securities, insurance and other laws of general applicability or related policies or interpretations of Governmental Entities (in the case of each of these clauses (A), (B) and (C), other than changes or occurrences to the extent that such changes or occurrences have or would reasonably be expected to have a materially disproportionate adverse effect on the Company and its consolidated subsidiaries taken as a whole relative to comparable U.S. insurance or financial services organizations), or (D) changes in the market price or trading volume of the Company’s common stock, par value \$2.50 per share (“**Common Stock**”), or any other equity, equity-related or debt securities of the Company or its consolidated subsidiaries (it being understood and agreed that the exception set forth in this clause (D) does not apply to the underlying reason giving rise to or contributing to any such change); or (ii) the ability of the Company to consummate the Purchase and the other transactions contemplated by this Agreement and the Warrant and perform its obligations hereunder or thereunder on a timely basis.

(b) “**Previously Disclosed**” means information set forth or incorporated in the Company’s Annual Report on Form 10-K for the most recently completed fiscal year of the Company filed with the Securities and Exchange Commission (the “**SEC**”) prior to the Signing Date (the “**Last Fiscal Year**”) or in its other reports and forms filed with or furnished to the SEC under Sections 13(a), 14(a) or 15(d) of the Securities Exchange Act of 1934 (the “**Exchange Act**”) on or after the last day of the Last Fiscal Year and prior to the Signing Date.

2.2 *Representations and Warranties of the Company.* Except as Previously Disclosed, the Company represents and warrants to the Investor that as of the Signing Date and as of the Closing Date (or such other date specified herein):

(a) Organization, Authority and Significant Subsidiaries. The Company has been duly incorporated and is validly existing and in good standing under the laws of its jurisdiction of organization, with the necessary power and authority to own its properties and conduct its business in all material respects as currently conducted; except as has not had, individually or in the aggregate, and would not reasonably be expected to have a Company Material Adverse Effect, the Company has been duly qualified as a foreign corporation for the transaction of business and is in good standing under the laws of each other jurisdiction in which it owns or leases properties or conducts any business so as to require such qualification; each subsidiary of the Company that is a “**significant subsidiary**” within the meaning of Rule 1-02(w) of Regulation S-X under the Securities Act of 1933 (the “**Securities Act**”) has been duly organized and is validly existing in good standing under the laws of its jurisdiction of organization. The Restated Certificate of Incorporation of the Company, as amended (the “**Charter**”) and bylaws

of the Company, copies of which have been provided to the Investor prior to the Signing Date, are true, complete and correct copies of such documents as in full force and effect as of the Signing Date.

(b) Capitalization. The authorized capital stock of the Company, and the outstanding capital stock of the Company (including securities convertible into, or exercisable or exchangeable for, capital stock of the Company) as of the most recent fiscal month-end preceding the Signing Date (the "**Capitalization Date**") is set forth on Schedule B. The outstanding shares of capital stock of the Company have been duly authorized and are validly issued and outstanding, fully paid and nonassessable, and subject to no preemptive rights (and were not issued in violation of any preemptive rights). As of the Signing Date, the Company does not have outstanding any securities or other obligations providing the holder the right to acquire Common Stock that is not reserved for issuance, and the Company has not made any other commitment to authorize, issue or sell any Common Stock, except as specified on Schedule B and including the Series C Perpetual, Convertible, Participating Preferred Stock, par value \$5.00 per share (the "**Series C Preferred Stock**"). Since the Capitalization Date, the Company has not issued any shares of Common Stock, other than (i) shares issued upon the exercise of stock options or delivered under other equity-based awards or other convertible securities or warrants which were issued and outstanding on the Capitalization Date and disclosed on Schedule B and (ii) shares disclosed on Schedule B.

(c) Preferred Stock. The Preferred Stock has been duly and validly authorized, and, when issued and delivered pursuant to this Agreement, such Preferred Stock will be duly and validly issued and fully paid and non-assessable, will not be issued in violation of any preemptive rights, and will rank pari passu with all other series or classes of the Company's preferred stock, whether or not issued or outstanding, with respect to the payment of dividends and the distribution of assets in the event of any dissolution, liquidation or winding up of the Company.

(d) The Warrant and Warrant Shares. The Warrant has been duly authorized and, when executed and delivered as contemplated hereby, will constitute a valid and legally binding obligation of the Company enforceable against the Company in accordance with its terms, except as the same may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and general equitable principles, regardless of whether such enforceability is considered in a proceeding at law or in equity ("**Bankruptcy Exceptions**"). The shares of Common Stock issuable upon exercise of the Warrant (the "**Warrant Shares**") have been duly authorized and reserved for issuance upon exercise of the Warrant and when so issued in accordance with the terms of the Warrant will be validly issued, fully paid and non-assessable.

(e) Authorization, Enforceability.

(i) The Company has the corporate power and authority to execute and deliver this Agreement and the Warrant and, subject to the approval of its stockholders described in Section 3.1(b), to carry out its obligations hereunder and thereunder (which

includes the issuance of the Preferred Stock, Warrant and Warrant Shares). The execution, delivery and performance by the Company of this Agreement and the Warrant and the consummation of the transactions contemplated hereby and thereby have been duly authorized by all necessary corporate action on the part of the Company and its stockholders, and no further approval or authorization is required on the part of the Company or its stockholders, except as described in Section 3.1(b). This Agreement is a valid and binding obligation of the Company enforceable against the Company in accordance with its terms, subject to the Bankruptcy Exceptions.

(ii) The execution, delivery and performance by the Company of this Agreement and the Warrant and the consummation of the transactions contemplated hereby and thereby and compliance by the Company with the provisions hereof and thereof, will not (A) violate, conflict with, or result in a breach of any provision of, or constitute a default (or an event which, with notice or lapse of time or both, would constitute a default) under, or result in the termination of, or accelerate the performance required by, or result in a right of termination or acceleration of, or result in the creation of, any lien, security interest, charge or encumbrance upon any of the properties or assets of the Company or any Company Subsidiary under any of the terms, conditions or provisions of (i) subject to the approval of the Company's stockholders as described in Section 3.1(b), its organizational documents or (ii) any note, bond, mortgage, indenture, deed of trust, license, lease, agreement or other instrument or obligation to which the Company or any Company Subsidiary is a party or by which it or any Company Subsidiary may be bound, or to which the Company or any Company Subsidiary or any of the properties or assets of the Company or any Company Subsidiary may be subject, or (B) subject to compliance with the statutes and regulations referred to in the next paragraph, violate any statute, rule or regulation or any judgment, ruling, order, writ, injunction or decree applicable to the Company or any Company Subsidiary or any of their respective properties or assets except, in the case of clauses (A)(ii) and (B), for those occurrences that, individually or in the aggregate, have not had and would not reasonably be expected to have a Company Material Adverse Effect.

(iii) Other than the filing of the Certificate of Designations with the Secretary of State of its jurisdiction of organization or other applicable Governmental Entity, any current report on Form 8-K required to be filed with the SEC, such filings and approvals as are required to be made or obtained under any state "blue sky" laws, the filing of any proxy statement contemplated by Section 3.1(b) and such as have been made or obtained, no notice to, filing with, exemption or review by, or authorization, consent or approval of, any Governmental Entity is required to be made or obtained by the Company in connection with the consummation by the Company of the Purchase except for any such notices, filings, exemptions, reviews, authorizations, consents and approvals the failure of which to make or obtain would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect.

(f) Anti-takeover Provisions and Rights Plan. The Board of Directors of the Company (the "Board of Directors") has taken all necessary action to ensure that the transactions

contemplated by this Agreement and the Warrant and the consummation of the transactions contemplated hereby and thereby, including the exercise of the Warrant in accordance with its terms, will be exempt from any anti-takeover or similar provisions of the Company's Charter and bylaws, and any other provisions of any applicable "moratorium", "control share", "fair price", "interested stockholder" or other anti-takeover laws and regulations of any jurisdiction. The Company has taken all actions necessary to render any stockholders' rights plan of the Company inapplicable to this Agreement and the Warrant and the consummation of the transactions contemplated hereby and thereby, including the exercise of the Warrant by the Investor in accordance with its terms.

(g) No Company Material Adverse Effect. Since the last day of the last completed fiscal period for which the Company has filed a Quarterly Report on Form 10-Q or an Annual Report on Form 10-K with the SEC prior to the Signing Date, no fact, circumstance, event, change, occurrence, condition or development has occurred that, individually or in the aggregate, has had or would reasonably be expected to have a Company Material Adverse Effect.

(h) Company Financial Statements. The financial statements of the Company and its consolidated subsidiaries (collectively, the "Company Financial Statements") included or incorporated by reference in the Company Reports filed with the SEC since December 31, 2006, present fairly in all material respects the consolidated financial position of the Company and its consolidated subsidiaries as of the dates indicated therein (or if amended prior to the Signing Date, as of the date of such amendment) and the consolidated results of their operations for the periods specified therein; and except as stated therein, such financial statements (A) were prepared in conformity with GAAP applied on a consistent basis (except as may be noted therein), (B) have been prepared from, and are in accordance with, the books and records of the Company and the Company Subsidiaries and (C) complied as to form, as of their respective dates of filing with the SEC, in all material respects with the applicable accounting requirements and with the published rules and regulations of the SEC with respect thereto.

(i) Reports.

(i) Since December 31, 2006, the Company and each subsidiary of the Company (each a "Company Subsidiary" and, collectively, the "Company Subsidiaries") has timely filed (subject to any permitted extension) all reports, registrations, documents, filings, statements and submissions, together with any amendments thereto, that it was required to file with any Governmental Entity (the foregoing, collectively, the "Company Reports") and has paid all fees and assessments due and payable in connection therewith, except, in each case, as would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect. As of their respective dates of filing, the Company Reports complied in all material respects with all statutes and applicable rules and regulations of the applicable Governmental Entities. In the case of each such Company Report filed with or furnished to the SEC, such Company Report (A) did not, as of its date or if amended prior to the Signing Date, as of the date of such amendment, contain an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made

therein, in light of the circumstances under which they were made, not misleading, and (B) complied as to form in all material respects with the applicable requirements of the Securities Act and the Exchange Act. With respect to all other Company Reports, the Company Reports were complete and accurate in all material respects as of their respective dates. No executive officer of the Company or any Company Subsidiary has failed in any respect to make the certifications required of him or her under Section 302 or 906 of the Sarbanes-Oxley Act of 2002.

(ii) The records, systems, controls, data and information of the Company and the Company Subsidiaries are recorded, stored, maintained and operated under means (including any electronic, mechanical or photographic process, whether computerized or not) that are under the exclusive ownership and direct control of the Company or the Company Subsidiaries or their accountants (including all means of access thereto and therefrom), except for any non-exclusive ownership and non-direct control that would not reasonably be expected to have a material adverse effect on the system of internal accounting controls described below in this Section 2.2(i)(ii). (i) there is no legal, administrative, or other proceeding, claim or action of any nature seeking to impose, or that would reasonably be expected to result in the

imposition of, on the Company or any Company Subsidiary, any liability relating to the release of hazardous substances as defined under any local, state or federal environmental statute, regulation or ordinance, including the Comprehensive Environmental Response, Compensation and Liability Act of 1980, pending or, to the Company's knowledge, threatened against the Company or any Company Subsidiary;

Neither the Company or the Company Subsidiaries, nor, to the knowledge of the Company, any other party thereto, is in breach of any of its obligations under any such agreement or arrangement other than such breaches that would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect.

Except as set forth on Schedule E, neither the Company nor any Company Subsidiary is subject to any material cease-and-desist or other similar order or enforcement action issued by, or is a party to any material written agreement, consent agreement or memorandum of understanding with, or is a party to any commitment letter or similar undertaking to, or is subject to any capital directive by, or since December 31, 2006, has adopted any board resolutions at the request of, any Governmental Entity (other than the primary insurance regulators with jurisdiction over the Company Subsidiaries) that currently restricts in any material respect the conduct of its business or that in any material manner relates to its capital adequacy, its liquidity and funding policies and practices, its ability to pay dividends, its credit, risk management or compliance policies or procedures, its internal controls, its management or its operations or business. Each item in the immediately preceding sentence and without taking into consideration of the parenthetical provided therein, is referred to herein as a "Regulatory Agreement." Neither the Company nor any Company Subsidiary has been advised since December 31, 2006 by any such Governmental Entity that it is considering issuing, initiating, ordering, or requesting any such Regulatory Agreement (other than any such Regulatory Agreement that does not have a Company Material Adverse Effect). Except as set forth on Schedule E, the Company and each Company Subsidiary are in compliance in all material respects with each Regulatory Agreement to which it is party or subject, and neither the

Company nor any Company Subsidiary has received any notice from any Governmental Entity indicating that either the Company or any Company Subsidiary is not in compliance in all material respects with any such Regulatory Agreement.

(t) Insurance. The Company and the Company Subsidiaries are insured with reputable insurers against such risks and in such amounts as the management of the Company reasonably has determined to be prudent and consistent with industry practice. The Company and the Company Subsidiaries are in material compliance with their insurance policies and are not in default under any of the material terms thereof, each such policy is outstanding and in full force and effect, all premiums and other payments due under any material policy have been paid, and all claims thereunder have been filed in due and timely fashion, except, in each case, as would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect.

Except as would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect, (i) the Company and each Company Subsidiary owns or otherwise has the right to use, all intellectual property rights, including all trademarks, trade dress, trade names, service marks, domain names, patents, inventions, trade secrets, know-how, works of authorship and copyrights therein, that are used in the conduct of their existing businesses and all rights relating to the plans, design and specifications of any of its branch facilities (“**Proprietary Rights**”) free and clear of all liens and any claims of ownership by current or former employees, contractors, designers or others and (ii) neither the Company nor any of the Company Subsidiaries is materially infringing, diluting, misappropriating or violating, nor has the Company or any of the Company Subsidiaries received any written (or, to the knowledge of the Company, oral) communications alleging that any of them has materially infringed, diluted, misappropriated or violated, any of the Proprietary Rights owned by any other person. Except as would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect, to the Company’s knowledge, no other person is infringing, diluting, misappropriating or violating, nor has the Company or any of the Company Subsidiaries sent any written communications since January 1, 2006 alleging that any person has infringed, diluted, misappropriated or violated, any of the Proprietary Rights owned by the Company and the Company Subsidiaries.

(v) Brokers and Finders. No broker, finder or investment banker is entitled to any financial advisory, brokerage, finder’s or other fee or commission in connection with this Agreement or the Warrant or the transactions contemplated hereby or thereby based upon arrangements made by or on behalf of the Company or any Company Subsidiary for which the Investor could have any liability.

Article 3 Covenants

3.1 *Consummation of Purchase and Charter Amendment*. Subject to the terms and conditions of this Agreement, each of the parties will use its commercially reasonable efforts in

good faith to take, or cause to be taken, all actions, and to do, or cause to be done, all things necessary, proper or desirable, or advisable under applicable laws, so as to permit consummation of the Purchase as promptly as practicable and otherwise to enable consummation of the transactions contemplated hereby and shall use commercially reasonable efforts to cooperate with the other party to that end.

(b) The Company shall call a special meeting of its stockholders to vote on a proposal (the "*Stockholder Proposal*") to amend the Company's Charter to allow the Preferred Stock to rank senior to the Series C Preferred Stock and any other series of preferred stock issued by the Company. In connection with such meeting, the Company shall prepare (and the Investor will reasonably cooperate with the Company to prepare) and file with the SEC as promptly as practicable (but in no event more than ten business days after the issuance of the Series C Preferred Stock) a preliminary proxy statement, shall use its reasonable best efforts to respond to any comments of the SEC or its staff thereon and to cause a definitive proxy statement related to such stockholders' meeting to be mailed to the Company's stockholders not more than five business days after clearance thereof by the SEC. The Company shall notify the Investor promptly of the receipt of any comments from the SEC or its staff with respect to the proxy statement and of any request by the SEC or its staff for amendments or supplements to such proxy statement or for additional information and will supply the Investor with copies of all correspondence between the Company or any of its representatives, on the one hand, and the SEC or its staff, on the other hand, with respect to such proxy statement. If at any time prior to such stockholders' meeting there shall occur any event that is required to be set forth in an amendment or supplement to the proxy statement, the Company shall as promptly as practicable prepare and mail to its stockholders such an amendment or supplement. Each of the Investor and the Company agrees promptly to correct any information provided by it or on its behalf for use in the proxy statement if and to the extent that such information shall have become false or misleading in any material respect, and the Company shall as promptly as practicable prepare and mail to its stockholders an amendment or supplement to correct such information to the extent required by applicable laws and regulations. The Company shall consult with the Investor prior to filing any proxy statement, or any amendment or supplement thereto, and provide the Investor with a reasonable opportunity to comment thereon. In the event that the approval of the Stockholder Proposal is not obtained at such special stockholders meeting, the Company shall include a proposal to approve such proposal at a meeting of its stockholders no less than once in each subsequent twelve-month period beginning on January 1, 2009 until such approval is obtained or made.

(c) None of the information supplied by the Company or any of the Company Subsidiaries for inclusion in any proxy statement in connection with any such stockholders meeting of the Company will, at the date it is filed with the SEC, when first mailed to the Company's stockholders and at the time of any stockholders meeting, and at the time of any amendment or supplement thereof, contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading.

3.2 *Expenses.* Unless otherwise provided in this Agreement or the Warrant, each of the parties hereto will bear and pay all costs and expenses incurred by it or on its behalf in connection with the transactions contemplated under this Agreement or the Warrant, including fees and expenses of its own financial or other consultants, investment bankers, accountants and counsel.

3.3 *Sufficiency of Authorized Common Stock; Exchange Listing.*

(a) During the period from the Closing Date until the date on which the Warrant has been fully exercised, the Company shall at all times have reserved for issuance, free of preemptive or similar rights, a sufficient number of authorized and unissued Warrant Shares to effectuate such exercise. Nothing in this Section 3.3 shall preclude the Company from satisfying its obligations in respect of the exercise of the Warrant by delivery of shares of Common Stock which are held in the treasury of the Company. As soon as reasonably practicable following the Closing, the Company shall, at its expense, cause the Warrant Shares to be listed on the same national securities exchange on which the Common Stock is listed, subject to official notice of issuance, and shall maintain such listing for so long as any Common Stock is listed on such exchange.

(b) If requested by the Investor, the Company shall promptly use its reasonable best efforts to cause the Preferred Stock to be approved for listing on a national securities exchange as promptly as practicable following such request.

3.4 *Certain Notifications Until Closing.* From the Signing Date until the Closing, the Company shall promptly notify the Investor of (i) any fact, event or circumstance of which it is aware and which would reasonably be expected to cause any representation or warranty of the Company contained in this Agreement to be untrue or inaccurate in any material respect or to cause any covenant or agreement of the Company contained in this Agreement not to be complied with or satisfied in any material respect and (ii) except as Previously Disclosed, any fact, circumstance, event, change, occurrence, condition or development of which the Company is aware and which, individually or in the aggregate, has had or would reasonably be expected to have a Company Material Adverse Effect; *provided, however*, that delivery of any notice pursuant to this Section 3.4 shall not limit or affect any rights of or remedies available to the Investor; *provided, further*, that a failure to comply with this Section 3.4 shall not constitute a breach of this Agreement or the failure of any condition set forth in Section 1.2 to be satisfied unless the underlying Company Material Adverse Effect or material breach would independently result in the failure of a condition set forth in Section 1.2 to be satisfied.

3.5 *Information and Confidentiality.*

(a) Until such time as the Investor ceases to own any Preferred Stock, or except as otherwise agreed, the Company shall provide the Investor (i) the information required to be provided by the Company to FRBNY pursuant to Section 5.04 of the Credit Agreement and within the time periods for delivery thereof specified in the Credit Agreement and (ii) the notices required by Section 5.05 of the Credit Agreement and within the time periods for delivery

thereof specified in the Credit Agreement. After the termination of the Credit Agreement, such informational and notice requirements as are provided in Section 5.04 and Section 5.05 of the Credit Agreement shall remain in full force and effect until such time as the Investor no longer owns any Preferred Stock. In addition, until such time as the Investor ceases to own any debt or equity securities pursuant to this Agreement or the Warrant, or except as otherwise agreed, the Company shall provide the Investor a bi-annual report on the steps taken by the Company to comply in all respects with Section 111(b) of the EESA, including the provisions for Systemically Significant Failing Institutions, as implemented by any guidance or regulation thereunder, including Notice 2008-PSSFI, and with Section 4.10 of this Agreement. In addition, the Company shall promptly provide the Investor such other information and notices as the Investor may reasonably request from time to time.

(b) The Investor will use reasonable best efforts to hold, and will use reasonable best efforts to cause its agents, consultants, contractors and advisors to hold, in confidence all non-public records, books, contracts, instruments, computer data and other data and information (collectively, “**Information**”) concerning the Company furnished or made available to it by the Company or its representatives pursuant to this Agreement (except to the extent that such information can be shown to have been (i) previously known by such party on a non-confidential basis, (ii) in the public domain through no fault of such party or (iii) later lawfully acquired from other sources by the party to which it was furnished (and without violation of any other confidentiality obligation)); provided that nothing herein shall prevent the Investor from disclosing any Information to the extent required by applicable laws or regulations or by any subpoena or similar legal process.

Article 4 Additional Agreements

4.1 *Purchase of Restricted Securities.* The Investor acknowledges that the Purchased Securities and the Warrant Shares have not been registered under the Securities Act or under any state securities laws. The Investor (a) is acquiring the Purchased Securities pursuant to an exemption from registration under the Securities Act with no present intention to distribute them to any person in violation of the Securities Act or any applicable U.S. state securities laws, (b) will not sell or otherwise dispose of any of the Purchased Securities or the Warrant Shares, except in compliance with the registration requirements or exemption provisions of the Securities Act and any applicable U.S. state securities laws, and (c) has such knowledge and experience in financial and business matters and in investments of this type that it is capable of evaluating the merits and risks of the Purchase and of making an informed investment decision.

4.2 *Legends.*

(a) The Investor agrees that all certificates or other instruments representing the Warrant and the Warrant Shares will bear a legend substantially to the following effect:

“THE SECURITIES REPRESENTED BY THIS INSTRUMENT HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR THE SECURITIES LAWS OF ANY STATE AND MAY NOT BE TRANSFERRED, SOLD OR OTHERWISE DISPOSED OF EXCEPT WHILE A REGISTRATION STATEMENT RELATING THERETO IS IN EFFECT UNDER SUCH ACT AND APPLICABLE STATE SECURITIES LAWS OR PURSUANT TO AN EXEMPTION FROM REGISTRATION UNDER SUCH ACT OR SUCH LAWS.”

(b) In addition, the Investor agrees that all certificates or other instruments representing the Preferred Stock will bear a legend substantially to the following effect:

“THE SECURITIES REPRESENTED BY THIS INSTRUMENT HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE “SECURITIES ACT”), OR THE SECURITIES LAWS OF ANY STATE AND MAY NOT BE TRANSFERRED, SOLD OR OTHERWISE DISPOSED OF EXCEPT WHILE A REGISTRATION STATEMENT RELATING THERETO IS IN EFFECT UNDER SUCH ACT AND APPLICABLE STATE SECURITIES LAWS OR PURSUANT TO AN EXEMPTION FROM REGISTRATION UNDER SUCH ACT OR SUCH LAWS. EACH PURCHASER OF THE SECURITIES REPRESENTED BY THIS INSTRUMENT IS NOTIFIED THAT THE SELLER MAY BE RELYING ON THE EXEMPTION FROM SECTION 5 OF THE SECURITIES ACT PROVIDED BY RULE 144A THEREUNDER. ANY TRANSFEREE OF THE SECURITIES REPRESENTED BY THIS INSTRUMENT BY ITS ACCEPTANCE HEREOF (1) REPRESENTS THAT IT IS A “QUALIFIED INSTITUTIONAL BUYER” (AS DEFINED IN RULE 144A UNDER THE SECURITIES ACT), (2) AGREES THAT IT WILL NOT OFFER, SELL OR OTHERWISE TRANSFER THE SECURITIES REPRESENTED BY THIS INSTRUMENT EXCEPT (A) PURSUANT TO A REGISTRATION STATEMENT WHICH IS THEN EFFECTIVE UNDER THE SECURITIES ACT, (B) FOR SO LONG AS THE SECURITIES REPRESENTED BY THIS INSTRUMENT ARE ELIGIBLE FOR RESALE PURSUANT TO RULE 144A, TO A PERSON IT REASONABLY BELIEVES IS A “QUALIFIED INSTITUTIONAL BUYER” AS DEFINED IN RULE 144A UNDER THE SECURITIES ACT THAT PURCHASES FOR ITS OWN ACCOUNT OR FOR THE ACCOUNT OF A QUALIFIED INSTITUTIONAL BUYER TO WHOM NOTICE IS GIVEN THAT THE TRANSFER IS BEING MADE IN RELIANCE ON RULE 144A, (C) TO THE ISSUER OR (D) PURSUANT TO ANY OTHER AVAILABLE EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT AND (3) AGREES THAT IT WILL GIVE TO EACH PERSON TO WHOM THE SECURITIES REPRESENTED BY THIS INSTRUMENT ARE TRANSFERRED A NOTICE SUBSTANTIALLY TO THE EFFECT OF THIS LEGEND.”

(c) In the event that any Purchased Securities or Warrant Shares (i) become registered under the Securities Act or (ii) are eligible to be transferred without restriction in accordance with Rule 144 or another exemption from registration under the Securities Act (other than Rule 144A), the Company shall issue new certificates or other instruments representing such

Purchased Securities or Warrant Shares, which shall not contain the applicable legends in Sections 4.2(a) and (b) above; provided that the Investor surrenders to the Company the previously issued certificates or other instruments. Upon Transfer of all or a portion of the Warrant in compliance with Section 4.4 the Company shall issue new certificates or other instruments representing the Warrant, which shall not contain the applicable legend in Section 4.2(b) above; provided that the Investor surrenders to the Company the previously issued certificates or other instruments.

4.3 *Certain Transactions.* The Company will not merge or consolidate with, or sell, transfer or lease all or substantially all of its property or assets to, any other party unless the successor, transferee or lessee party (or its ultimate parent entity), as the case may be (if not the Company), expressly assumes the due and punctual performance and observance of each and every covenant, agreement and condition of this Agreement to be performed and observed by the Company.

4.4 *Transfer of Purchased Securities, the Warrant and Warrant Shares.* Subject to compliance with applicable securities laws, the Investor shall be permitted to transfer, sell, assign or otherwise dispose of (“Transfer”) all or a portion of the Purchased Securities, the Warrant or Warrant Shares at any time, and the Company shall take all steps as may be reasonably requested by the Investor to facilitate the Transfer of the Purchased Securities, the Warrant and the Warrant Shares.

4.5 *Registration Rights.*

(a) Registration.

(i) Subject to the terms and conditions of this Agreement, the Company covenants and agrees that as promptly as practicable after notification from the Investor, and in any event no later than 15 days after such notification, the Company shall prepare and file with the SEC a Shelf Registration Statement covering all Registrable Securities (or otherwise designate an existing Shelf Registration Statement filed with the SEC to cover the Registrable Securities), and, to the extent the Shelf Registration Statement has not theretofore been declared effective or is not automatically effective upon such filing, the Company shall use reasonable best efforts to cause such Shelf Registration Statement to be declared or become effective and to keep such Shelf Registration Statement continuously effective and in compliance with the Securities Act and usable for resale of such Registrable Securities for a period from the date of its initial effectiveness until such time as there are no Registrable Securities remaining (including by refiling such Shelf Registration Statement (or a new Shelf Registration Statement) if the initial Shelf Registration Statement expires). So long as the Company is a well known seasoned issuer (as defined in Rule 405 under the Securities Act) at the time of filing of the Shelf Registration Statement with the SEC, such Shelf Registration Statement shall be designated by the Company as an automatic Shelf Registration Statement.

(ii) Any registration pursuant to Section 4.5(a)(i) shall be effected by means of a shelf registration on an appropriate form under Rule 415 under the Securities Act (a “**Shelf Registration Statement**”). If the Investor or any other Holder intends to distribute any Registrable Securities by means of an underwritten offering it shall promptly so advise the Company and the Company shall take all reasonable steps to facilitate such distribution, including the actions required pursuant to Section 4.5(c); provided that the Company shall not be required to facilitate an underwritten offering of Registrable Securities unless the expected gross proceeds from such offering exceed \$200 million. The lead underwriters in any such distribution shall be selected by the Holders of a majority of the Registrable Securities to be distributed.

(iii) The Company shall not be required to effect a registration (including a resale of Registrable Securities from an effective Shelf Registration Statement) or an underwritten offering pursuant to Section 4.5(a): (A) with respect to securities that are not Registrable Securities; or (B) if the Company has notified the Investor and all other Holders that in the good faith judgment of the Board of Directors, it would be materially detrimental to the Company or its securityholders for such registration or underwritten offering to be effected at such time, in which event the Company shall have the right to defer such registration for a period of not more than 45 days after receipt of the request of the Investor or any other Holder; provided that such right to delay a registration or underwritten offering shall be exercised by the Company (1) only if the Company has generally exercised (or is concurrently exercising) similar black-out rights against holders of similar securities that have registration rights and (2) not more than three times in any 12-month period and not more than 90 days in the aggregate in any 12-month period.

(iv) If during any period when an effective Shelf Registration Statement is not available, the Company proposes to register any of its equity securities, other than a registration pursuant to Section 4.5(a)(i) or a Special Registration, and the registration form to be filed may be used for the registration or qualification for distribution of Registrable Securities, the Company will give prompt written notice to the Investor and all other Holders of its intention to effect such a registration (but in no event less than ten days prior to the anticipated filing date) and will include in such registration all Registrable Securities with respect to which the Company has received written requests for inclusion therein within ten business days after the date of the Company’s notice (a “**Piggyback Registration**”). Any such person that has made such a written request may withdraw its Registrable Securities from such Piggyback Registration by giving written notice to the Company and the managing underwriter, if any, on or before the fifth business day prior to the planned effective date of such Piggyback Registration. The Company may terminate or withdraw any registration under this Section 4.5(a)(iv) prior to the effectiveness of such registration, whether or not Investor or any other Holders have elected to include Registrable Securities in such registration.

(v) If the registration referred to in Section 4.5(a)(iv) is proposed to be underwritten, the Company will so advise Investor and all other Holders as a part of the written notice given pursuant to Section 4.5(a)(iv). In such event, the right of Investor

and all other Holders to registration pursuant to Section 4.5(a) will be conditioned upon such persons' participation in such underwriting and the inclusion of such person's Registrable Securities in the underwriting if such securities are of the same class of securities as the securities to be offered in the underwritten offering, and each such person will (together with the Company and the other persons distributing their securities through such underwriting) enter into an underwriting agreement in customary form with the underwriter or underwriters selected for such underwriting by the Company; provided that the Investor (as opposed to other Holders) shall not be required to indemnify any person in connection with any registration. If any participating person disapproves of the terms of the underwriting, such person may elect to withdraw therefrom by written notice to the Company, the managing underwriters and the Investor (if the Investor is participating in the underwriting).

(vi) If either (x) the Company grants "piggyback" registration rights to one or more third parties to include their securities in an underwritten offering under a Shelf Registration Statement pursuant to Section 4.5(a)(ii) or (y) a Piggyback Registration under Section 4.5(a)(iv) relates to an underwritten offering on behalf of the Company, and in either case the managing underwriters advise the Company that in their reasonable opinion the number of securities requested to be included in such offering exceeds the number which can be sold without adversely affecting the marketability of such offering (including an adverse effect on the per share offering price), the Company will include in such offering only such number of securities that in the reasonable opinion of such managing underwriters can be sold without adversely affecting the marketability of the offering (including an adverse effect on the per share offering price), which securities will be so included in the following order of priority: (A) first, in the case of a Piggyback Registration under Section 4.5(a)(iv), the securities the Company proposes to sell, (B) then the Registrable Securities of the Investor and all other Holders who have requested inclusion of Registrable Securities pursuant to Section 4.5(a)(ii) or Section 4.5(a)(iv), as applicable, pro rata on the basis of the aggregate number of such securities or shares owned by each such person and (C) lastly, any other securities of the Company that have been requested to be so included, subject to the terms of this Agreement; *provided, however,* that if the Company has, prior to the Signing Date, entered into an agreement with respect to its securities that is inconsistent with the order of priority contemplated hereby then it shall apply the order of priority in such conflicting agreement to the extent that it would otherwise result in a breach under such agreement.

(b) Expenses of Registration. All Registration Expenses incurred in connection with any registration, qualification or compliance hereunder shall be borne by the Company. All Selling Expenses incurred in connection with any registrations hereunder shall be borne by the holders of the securities so registered pro rata on the basis of the aggregate offering or sale price of the securities so registered.

(c) Obligations of the Company. The Company shall use its reasonable best efforts, for so long as there are Registrable Securities outstanding, to take such actions as are in its control to become a well-known seasoned issuer (as defined in Rule 405 under the Securities Act)

and once the Company becomes a well-known seasoned issuer to take such actions as are in its control to remain a well-known seasoned issuer. In addition, whenever required to effect the registration of any Registrable Securities or facilitate the distribution of Registrable Securities pursuant to an effective Shelf Registration Statement, the Company shall, as expeditiously as reasonably practicable:

(i) Prepare and file with the SEC, not later than fifteen (15) days after the request, a registration statement with respect to such Registrable Securities and use all commercially reasonable efforts to cause such registration statement to become effective, or prepare and file with the SEC not later than ten (10) days after the request a prospectus supplement with respect to a proposed offering of such Registrable Securities pursuant to an effective registration statement, subject to Section 4.5(d), and, upon the request of the Holders of a majority of the Registrable Securities registered thereunder, use all commercially reasonable efforts to keep such registration statement effective and keep such prospectus supplement current until the securities described therein are no longer Registrable Securities.

(ii) Prepare and file with the SEC such amendments and supplements to the applicable registration statement and the prospectus or prospectus supplement used in connection with such registration statement as may be necessary to comply with the provisions of the Securities Act with respect to the disposition of all securities covered by such registration statement.

(iii) Furnish to the Holders and any underwriters such number of copies of the applicable registration statement and each such amendment and supplement thereto (including in each case all exhibits) and of a prospectus, including a preliminary prospectus, in conformity with the requirements of the Securities Act, and such other documents as they may reasonably request in order to facilitate the disposition of Registrable Securities owned or to be distributed by them.

(iv) Use its reasonable best efforts to register and qualify the securities covered by such registration statement under such other securities or Blue Sky laws of such jurisdictions as shall be reasonably requested by the Holders or any managing underwriter(s), to keep such registration or qualification in effect for so long as such registration statement remains in effect, and to take any other action which may be reasonably necessary to enable such seller to consummate the disposition in such jurisdictions of the securities owned by such Holder; provided that the Company shall not be required in connection therewith or as a condition thereto to qualify to do business or to file a general consent to service of process in any such states or jurisdictions.

(v) Notify each Holder of Registrable Securities at any time when a prospectus relating thereto is required to be delivered under the Securities Act of the happening of any event as a result of which the applicable prospectus, as then in effect, includes an untrue statement of a material fact or omits to state a material fact required to

be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing.

(vi) Give written notice to the Holders:

(A) when any registration statement filed pursuant to Section 4.5(a) or any amendment thereto has been filed with the SEC (except for any amendment effected by the filing of a document with the SEC pursuant to the Exchange Act) and when such registration statement or any post-effective amendment thereto has become effective;

(B) of any request by the SEC for amendments or supplements to any registration statement or the prospectus included therein or for additional information;

(C) of the issuance by the SEC of any stop order suspending the effectiveness of any registration statement or the initiation of any proceedings for that purpose;

(D) of the receipt by the Company or its legal counsel of any notification with respect to the suspension of the qualification of the Common Stock for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose;

(E) of the happening of any event that requires the Company to make changes in any effective registration statement or the prospectus related to the registration statement in order to make the statements therein not misleading (which notice shall be accompanied by an instruction to suspend the use of the prospectus until the requisite changes have been made); and

(F) if at any time the representations and warranties of the Company contained in any underwriting agreement contemplated by Section 4.5(c)(x) cease to be true and correct.

(vii) Use its reasonable best efforts to prevent the issuance or obtain the withdrawal of any order suspending the effectiveness of any registration statement referred to in Section 4.5(c)(vi)(C) at the earliest practicable time.

(viii) Upon the occurrence of any event contemplated by Section 4.5(c)(v) or 4.5(c)(vi)(E), promptly prepare a post-effective amendment to such registration statement or a supplement to the related prospectus or file any other required document so that, as thereafter delivered to the Holders and any underwriters, the prospectus will not contain an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. If the Company notifies the Holders in accordance with Section 4.5(c)(vi)(E)

to suspend the use of the prospectus until the requisite changes to the prospectus have been made, then the Holders and any underwriters shall suspend use of such prospectus and use their reasonable best efforts to return to the Company all copies of such prospectus (at the Company's expense) other than permanent file copies then in such Holders' or underwriters' possession. The total number of days that any such suspension may be in effect in any 12-month period shall not exceed 90 days.

(ix) Use reasonable best efforts to procure the cooperation of the Company's transfer agent in settling any offering or sale of Registrable Securities, including with respect to the transfer of physical stock certificates into book-entry form in accordance with any procedures reasonably requested by the Holders or any managing underwriter(s).

(x) If an underwritten offering is requested pursuant to Section 4.5(a)(ii), enter into an underwriting agreement in customary form, scope and substance and take all such other actions reasonably requested by the Holders of a majority of the Registrable Securities being sold in connection therewith or by the managing underwriter(s), if any, to expedite or facilitate the underwritten disposition of such Registrable Securities, and in connection therewith in any underwritten offering (including making members of management and executives of the Company available to participate in "road shows", similar sales events and other marketing activities), (A) make such representations and warranties to the Holders that are selling stockholders and the managing underwriter(s), if any, with respect to the business of the Company and its subsidiaries, and the Shelf Registration Statement, prospectus and documents, if any, incorporated or deemed to be incorporated by reference therein, in each case, in customary form, substance and scope, and, if true, confirm the same if and when requested, (B) use its reasonable best efforts to furnish the underwriters with opinions of counsel to the Company, addressed to the managing underwriter(s), if any, covering the matters customarily covered in such opinions requested in underwritten offerings, (C) use its reasonable best efforts to obtain "cold comfort" letters from the independent certified public accountants of the Company (and, if necessary, any other independent certified public accountants of any business acquired by the Company for which financial statements and financial data are included in the Shelf Registration Statement) who have certified the financial statements included in such Shelf Registration Statement, addressed to each of the managing underwriter(s), if any, such letters to be in customary form and covering matters of the type customarily covered in "cold comfort" letters, (D) if an underwriting agreement is entered into, the same shall contain indemnification provisions and procedures customary in underwritten offerings (provided that the Investor shall not be obligated to provide any indemnity), and (E) deliver such documents and certificates as may be reasonably requested by the Holders of a majority of the Registrable Securities being sold in connection therewith, their counsel and the managing underwriter(s), if any, to evidence the continued validity of the representations and warranties made pursuant to clause (A) above and to evidence compliance with any customary conditions contained in the underwriting agreement or other agreement entered into by the Company.

(xi) Make available for inspection by a representative of Holders that are selling stockholders, the managing underwriter(s), if any, and any attorneys or accountants retained by such Holders or managing underwriter(s), at the offices where normally kept, during reasonable business hours, financial and other records, pertinent corporate documents and properties of the Company, and cause the officers, directors and employees of the Company to supply all information in each case reasonably requested (and of the type customarily provided in connection with due diligence conducted in connection with a registered public offering of securities) by any such representative, managing underwriter(s), attorney or accountant in connection with such Shelf Registration Statement.

(xii) Use reasonable best efforts to cause all such Registrable Securities to be listed on each national securities exchange on which similar securities issued by the Company are then listed or, if no similar securities issued by the Company are then listed on any national securities exchange, use its reasonable best efforts to cause all such Registrable Securities to be listed on such securities exchange as the Investor may designate.

(xiii) If requested by Holders of a majority of the Registrable Securities being registered and/or sold in connection therewith, or the managing underwriter(s), if any, promptly include in a prospectus supplement or amendment such information as the Holders of a majority of the Registrable Securities being registered and/or sold in connection therewith or managing underwriter(s), if any, may reasonably request in order to permit the intended method of distribution of such securities and make all required filings of such prospectus supplement or such amendment as soon as practicable after the Company has received such request.

(xiv) Timely provide to its security holders earning statements satisfying the provisions of Section 11(a) of the Securities Act and Rule 158 thereunder.

(d) *Suspension of Sales.* Upon receipt of written notice from the Company that a registration statement, prospectus or prospectus supplement contains or may contain an untrue statement of a material fact or omits or may omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading or that circumstances exist that make inadvisable use of such registration statement, prospectus or prospectus supplement, the Investor and each Holder of Registrable Securities shall forthwith discontinue disposition of Registrable Securities until the Investor and/or Holder has received copies of a supplemented or amended prospectus or prospectus supplement, or until the Investor and/or such Holder is advised in writing by the Company that the use of the prospectus and, if applicable, prospectus supplement may be resumed, and, if so directed by the Company, the Investor and/or such Holder shall deliver to the Company (at the Company's expense) all copies, other than permanent file copies then in the Investor and/or such Holder's possession, of the prospectus and, if applicable, prospectus supplement covering such Registrable Securities current at the time of receipt of such notice. The total number of days that any such suspension may be in effect in any 12-month period shall not exceed 90 days.

(e) *Termination of Registration Rights.* A Holder's registration rights as to any securities held by such Holder (and its Affiliates, partners, members and former members) shall not be available unless such securities are Registrable Securities.

(f) *Furnishing Information.*

(i) Neither the Investor nor any Holder shall use any free writing prospectus (as defined in Rule 405) in connection with the sale of Registrable Securities without the prior written consent of the Company.

(ii) It shall be a condition precedent to the obligations of the Company to take any action pursuant to Section 4.5(c) that Investor and/or the selling Holders and the underwriters, if any, shall furnish to the Company such information regarding themselves, the Registrable Securities held by them and the intended method of disposition of such securities as shall be required to effect the registered offering of their Registrable Securities.

(g) *Indemnification.*

(i) The Company agrees to indemnify each Holder and, if a Holder is a person other than an individual, such Holder's officers, directors, employees, agents, representatives and Affiliates, and each Person, if any, that controls a Holder within the meaning of the Securities Act (each, an "Indemnitee"), against any and all losses, claims, damages, actions, liabilities, costs and expenses (including reasonable fees, expenses and disbursements of attorneys and other professionals incurred in connection with investigating, defending, settling, compromising or paying any such losses, claims, damages, actions, liabilities, costs and expenses), joint or several, arising out of or based upon any untrue statement or alleged untrue statement of material fact contained in any registration statement, including any preliminary prospectus or final prospectus contained therein or any amendments or supplements thereto or any documents incorporated therein by reference or contained in any free writing prospectus (as such term is defined in Rule 405) prepared by the Company or authorized by it in writing for use by such Holder (or any amendment or supplement thereto); or any omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; *provided* that the Company shall not be liable to such Indemnitee in any such case to the extent that any such loss, claim, damage, liability (or action or proceeding in respect thereof) or expense arises out of or is based upon (A) an untrue statement or omission made in such registration statement, including any such preliminary prospectus or final prospectus contained therein or any such amendments or supplements thereto or contained in any free writing prospectus (as such term is defined in Rule 405) prepared by the Company or authorized by it in writing for use by such Holder (or any amendment or supplement thereto), in reliance upon and in conformity with information regarding such Indemnitee or its plan of distribution or ownership interests which was furnished in writing to the Company by such Indemnitee for use in connection with such registration statement, including any

such preliminary prospectus or final prospectus contained therein or any such amendments or supplements thereto, or (B) offers or sales effected by or on behalf of such Indemnitee "by means of" (as defined in Rule 159A) a "free writing prospectus" (as defined in Rule 405) that was not authorized in writing by the Company.

(ii) If the indemnification provided for in Section 4.5(g)(i) is unavailable to an Indemnitee with respect to any losses, claims, damages, actions, liabilities, costs or expenses referred to therein or is insufficient to hold the Indemnitee harmless as contemplated therein, then the Company, in lieu of indemnifying such Indemnitee, shall contribute to the amount paid or payable by such Indemnitee as a result of such losses, claims, damages, actions, liabilities, costs or expenses in such proportion as is appropriate to reflect the relative fault of the Indemnitee, on the one hand, and the Company, on the other hand, in connection with the statements or omissions which resulted in such losses, claims, damages, actions, liabilities, costs or expenses as well as any other relevant equitable considerations. The relative fault of the Company, on the one hand, and of the Indemnitee, on the other hand, shall be determined by reference to, among other factors, whether the untrue statement of a material fact or omission to state a material fact relates to information supplied by the Company or by the Indemnitee and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission; the Company and each Holder agree that it would not be just and equitable if contribution pursuant to this Section 4.5(g)(ii) were determined by pro rata allocation or by any other method of allocation that does not take account of the equitable considerations referred to in Section 4.5(g)(i). No Indemnitee guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from the Company if the Company was not guilty of such fraudulent misrepresentation.

(h) Assignment of Registration Rights. The rights of the Investor to registration of Registrable Securities pursuant to Section 4.5(a) may be assigned by the Investor to a transferee or assignee of Registrable Securities with a liquidation preference or, in the case of Registrable Securities other than Preferred Stock, a market value, no less than an amount equal \$200 million; *provided, however*, the transferor shall, within ten days after such transfer, furnish to the Company written notice of the name and address of such transferee or assignee and the number and type of Registrable Securities that are being assigned. For purposes of this Section 4.5(h), "market value" per share of Common Stock shall be the last reported sale price of the Common Stock on the national securities exchange on which the Common Stock is listed or admitted to trading on the last trading day prior to the proposed transfer, and the "market value" for the Warrant (or any portion thereof) shall be the market value per share of Common Stock into which the Warrant (or such portion) is exercisable less the exercise price per share.

(i) Clear Market. With respect to any underwritten offering of Registrable Securities by the Investor or other Holders pursuant to this Section 4.5, the Company agrees not to effect (other than pursuant to such registration or pursuant to a Special Registration) any public sale or distribution, or to file any Shelf Registration Statement (other than such registration or a Special Registration) covering, in the case of an underwritten offering of Common Stock or Warrants,

any of its equity securities or, in the case of an underwritten offering of Preferred Stock, any preferred stock of the Company, or, in each case, any securities convertible into or exchangeable or exercisable for such securities, during the period not to exceed ten days prior and 60 days following the effective date of such offering or such longer period up to 90 days as may be requested by the managing underwriter for such underwritten offering. The Company also agrees to cause such of its directors and senior executive officers to execute and deliver customary lock-up agreements in such form and for such time period up to 90 days as may be requested by the managing underwriter. "Special Registration" means the registration of (A) equity securities and/or options or other rights in respect thereof solely registered on Form S-4 or Form S-8 (or successor form) or (B) shares of equity securities and/or options or other rights in respect thereof to be offered to directors, members of management, employees, consultants, customers, lenders or vendors of the Company or Company Subsidiaries or in connection with dividend reinvestment plans.

(j) Rule 144; Rule 144A. With a view to making available to the Investor and Holders the benefits of certain rules and regulations of the SEC which may permit the sale of the Registrable Securities to the public without registration, the Company agrees to use its reasonable best efforts to:

(i) make and keep public information available, as those terms are understood and defined in Rule 144(c)(1) or any similar or analogous rule promulgated under the Securities Act, at all times after the Signing Date;

(ii) (A) file with the SEC, in a timely manner, all reports and other documents required of the Company under the Exchange Act, and (B) if at any time the Company is not required to file such reports, make available, upon the request of any Holder, such information necessary to permit sales pursuant to Rule 144A (including the information required by Rule 144A(d)(4) under the Securities Act);

(iii) so long as the Investor or a Holder owns any Registrable Securities, furnish to the Investor or such Holder forthwith upon request: a written statement by the Company as to its compliance with the reporting requirements of Rule 144 under the Securities Act, and of the Exchange Act; a copy of the most recent annual or quarterly report of the Company; and such other reports and documents as the Investor or Holder may reasonably request in availing itself of any rule or regulation of the SEC allowing it to sell any such securities to the public without registration; and

(iv) take such further action as any Holder may reasonably request, all to the extent required from time to time to enable such Holder to sell Registrable Securities without registration under the Securities Act.

(k) As used in this Section 4.5, the following terms shall have the following respective meanings:

(i) **“Holder”** means the Investor and any other holder of Registrable Securities to whom the registration rights conferred by this Agreement have been transferred in compliance with Section 4.5(h) hereof.

(ii) **“Holders’ Counsel”** means one counsel for the selling Holders chosen by Holders holding a majority interest in the Registrable Securities being registered.

(iii) **“Register,” “registered,”** and **“registration”** shall refer to a registration effected by preparing and (A) filing a registration statement in compliance with the Securities Act and applicable rules and regulations thereunder, and the declaration or ordering of effectiveness of such registration statement or (B) filing a prospectus and/or prospectus supplement in respect of an appropriate effective registration statement on Form S-3.

(iv) **“Registrable Securities”** means (A) all Preferred Stock, (B) the Warrant (subject to Section 4.5(p)) and (C) any equity securities issued or issuable directly or indirectly with respect to the securities referred to in the foregoing clauses ((A) or (B) by way of conversion, exercise or exchange thereof, including the Warrant Shares, or share dividend or share split or in connection with a combination of shares, recapitalization, reclassification, merger, amalgamation, arrangement, consolidation or other reorganization, provided that, once issued, such securities will not be Registrable Securities when (1) they are sold pursuant to an effective registration statement under the Securities Act, (2) except as provided below in Section 4.5(o), they may be sold pursuant to Rule 144 without limitation thereunder on volume or manner of sale, (3) they shall have ceased to be outstanding or (4) they have been sold in a private transaction in which the transferor’s rights under this Agreement are not assigned to the transferee of the securities. No Registrable Securities may be registered under more than one registration statement at any one time.

(v) **“Registration Expenses”** mean all expenses incurred by the Company in effecting any registration pursuant to this Agreement (whether or not any registration or prospectus becomes effective or final) or otherwise complying with its obligations under this Section 4.5, including all registration, filing and listing fees, printing expenses, fees and disbursements of counsel for the Company, blue sky fees and expenses, expenses incurred in connection with any “road show”, the reasonable fees and disbursements of Holders’ Counsel, and expenses of the Company’s independent accountants in connection with any regular or special reviews or audits incident to or required by any such registration, but shall not include Selling Expenses.

(vi) **“Rule 144”, “Rule 144A”, “Rule 159A”, “Rule 405”** and **“Rule 415”** mean, in each case, such rule promulgated under the Securities Act (or any successor provision), as the same shall be amended from time to time.

(vii) **“Selling Expenses”** mean all discounts, selling commissions and stock transfer taxes applicable to the sale of Registrable Securities and fees and disbursements

of counsel for any Holder (other than the fees and disbursements of Holders' Counsel included in Registration Expenses).

(l) At any time, any holder of Securities (including any Holder) may elect to forfeit its rights set forth in this Section 4.5 from that date forward; *provided*, that a Holder forfeiting such rights shall nonetheless be entitled to participate under Section 4.5(a)(iv) – (vi) in any Pending Underwritten Offering to the same extent that such Holder would have been entitled to if the holder had not withdrawn; and *provided, further*, that no such forfeiture shall terminate a Holder's rights or obligations under Section 4.5(f) with respect to any prior registration or Pending Underwritten Offering. "**Pending Underwritten Offering**" means, with respect to any Holder forfeiting its rights pursuant to this Section 4.5(l), any underwritten offering of Registrable Securities in which such Holder has advised the Company of its intent to register its Registrable Securities either pursuant to Section 4.5(a)(ii) or 4.5(a)(iv) prior to the date of such Holder's forfeiture.

(m) **Specific Performance.** The parties hereto acknowledge that there would be no adequate remedy at law if the Company fails to perform any of its obligations under this Section 4.5 and that the Investor and the Holders from time to time may be irreparably harmed by any such failure, and accordingly agree that the Investor and such Holders, in addition to any other remedy to which they may be entitled at law or in equity, to the fullest extent permitted and enforceable under applicable law shall be entitled to compel specific performance of the obligations of the Company under this Section 4.5 in accordance with the terms and conditions of this Section 4.5.

(n) **No Inconsistent Agreements.** The Company shall not, on or after the Signing Date, enter into any agreement with respect to its securities that may impair the rights granted to the Investor and the Holders under this Section 4.5 or that otherwise conflicts with the provisions hereof in any manner that may impair the rights granted to the Investor and the Holders under this Section 4.5. In the event the Company has, prior to the Signing Date, entered into any agreement with respect to its securities that is inconsistent with the rights granted to the Investor and the Holders under this Section 4.5 (including agreements that are inconsistent with the order of priority contemplated by Section 4.5(a)(vi)) or that may otherwise conflict with the provisions hereof, the Company shall use its reasonable best efforts to amend such agreements to ensure they are consistent with the provisions of this Section 4.5.

(o) **Certain Offerings by the Investor.** In the case of any securities held by the Investor that cease to be Registrable Securities solely by reason of clause (2) in the definition of "**Registrable Securities**," the provisions of Sections 4.5(a)(ii), clauses (iv), (ix) and (x)-(xii) of Section 4.5(c), Section 4.5(g) and Section 4.5(i) shall continue to apply until such securities otherwise cease to be Registrable Securities. In any such case, an "**underwritten**" offering or other disposition shall include any distribution of such securities on behalf of the Investor by one or more broker-dealers, an "**underwriting agreement**" shall include any purchase agreement entered into by such broker-dealers, and any "**registration statement**" or "**prospectus**" shall include any offering document approved by the Company and used in connection with such distribution.

(p) Registered Sales of the Warrant. The Holders agree to sell the Warrant or any portion thereof under the Shelf Registration Statement only beginning 30 days after notifying the Company of any such sale, during which 30-day period the Investor and all Holders of the Warrant shall take reasonable steps to agree to revisions to the Warrant to permit a public distribution of the Warrant, including entering into a warrant agreement and appointing a warrant agent.

4.6 *Voting of Warrant Shares*. Notwithstanding anything in this Agreement to the contrary, the Investor shall not exercise any voting rights with respect to the Warrant Shares.

4.7 *Depository Shares*. Upon request by the Investor in connection with a proposed transfer of the Preferred Stock, the Company shall promptly enter into a depository arrangement, pursuant to customary agreements reasonably satisfactory to the Investor and with a depository reasonably acceptable to the Investor, pursuant to which the Preferred Stock may be deposited and depository shares, each representing a fraction of a Preferred Stock as specified by the Investor, may be issued. From and after the execution of any such depository arrangement, and the deposit of any Preferred Stock pursuant thereto, the depository shares issued pursuant thereto shall be deemed "Preferred Stock" and, as applicable, "Registrable Securities" for purposes of this Agreement.

4.8 *Restriction on Dividends and Repurchases*.

(a) Prior to the earlier of (x) the fifth anniversary of the Closing Date and (y) the date on which the Preferred Stock has been redeemed in whole or the Investor has transferred all of the Preferred Stock to third parties which are not Affiliates of the Investor, neither the Company nor any Company Subsidiary shall, without the consent of the Investor:

(i) declare or pay any dividend or make any distribution on the Common Stock (other than (A) regular quarterly cash dividends of not more than the amount of the last quarterly cash dividend per share declared or, if lower, publicly announced an intention to declare, on the Common Stock prior to November 25, 2008, as adjusted for any stock split, stock dividend, reverse stock split, reclassification or similar transaction, (B) dividends payable solely in shares of Common Stock and (C) dividends or distributions of rights or Junior Stock in connection with a stockholders' rights plan); or

(ii) redeem, purchase or acquire any shares of Common Stock or other capital stock or other equity securities of any kind of the Company, or any trust preferred securities issued by the Company or any Affiliate of the Company, other than (A) redemptions, purchases or other acquisitions of the Preferred Stock, (B) redemptions, purchases or other acquisitions of shares of Common Stock or other Junior Stock, in each case in this clause (B) in connection with the administration of any employee benefit plan in the ordinary course of business (including purchases to offset the Share Dilution Amount (as defined below) pursuant to a publicly announced repurchase plan) and consistent with past practice; provided that any purchases to offset the Share Dilution Amount shall in no event exceed the Share Dilution Amount, (C) any redemption or

repurchase of rights pursuant to any stockholders' rights plan, (D) the acquisition by the Company or any of the Company Subsidiaries of record ownership in Junior Stock or Parity Stock for the beneficial ownership of any other persons (other than the Company or any other Company Subsidiary), including as trustees or custodians (the "**Permitted Repurchases**"), and (E) the exchange or conversion of Junior Stock for or into other Junior Stock or of Parity Stock or trust preferred securities for or into other Parity Stock (with the same or lesser aggregate liquidation amount) or Junior Stock, in each case set forth in this clause (E), solely to the extent required pursuant to binding contractual agreements entered into prior to the Signing Date or any subsequent agreement for the accelerated exercise, settlement or exchange thereof for Common Stock. "**Share Dilution Amount**" means the increase in the number of diluted shares outstanding (determined in accordance with GAAP, and as measured from the date of the Company's most recently filed Company Financial Statements prior to the Closing Date) resulting from the grant, vesting or exercise of equity-based compensation to employees and equitably adjusted for any stock split, stock dividend, reverse stock split, reclassification or similar transaction.

(b) Until such time as the Investor ceases to own any Preferred Stock, the Company shall not repurchase any Preferred Stock from any holder thereof, whether by means of open market purchase, negotiated transaction, or otherwise, other than Permitted Repurchases, unless it offers to repurchase a ratable portion of the Preferred Stock then held by the Investor on the same terms and conditions.

(c) "**Junior Stock**" means Common Stock, the Series C Preferred Stock (after the Company's stockholders approve the amendment described in Section 3.1(b) to the Charter to have the Preferred Stock rank senior to the Series C Preferred Stock) and any other class or series of stock of the Company the terms of which expressly provide that it ranks junior to the Preferred Stock as to dividend rights and/or as to rights on liquidation, dissolution or winding up of the Company. "**Parity Stock**" means the Series C Preferred Stock (before the Company's stockholders approve the Charter amendment referred to above) and any class or series of stock of the Company the terms of which do not expressly provide that such class or series will rank senior or junior to the Preferred Stock as to dividend rights and/or as to rights on liquidation, dissolution or winding up of the Company (in each case without regard to whether dividends accrue cumulatively or non-cumulatively).

4.9 *Repurchase of Investor Securities.*

(a) Following the redemption in whole of the Preferred Stock held by the Investor or the Transfer by the Investor of all of the Preferred Stock to one or more third parties not affiliated with the Investor and so long as the Investor does not Control the Company, the Company may repurchase, in whole or in part, at any time any other equity or debt securities of the Company owned by the Investor or the Warrant or Warrant Shares and then held by the Investor, upon notice given as provided in clause (b) below, at the Fair Market Value of the equity security. For the avoidance of doubt, while there is Board of Directors control (or the potential to gain Board of Directors control as a result of existing contractual rights) by the

Investor (or any affiliate of the Investor), the Company may not exercise its rights under this Section 4.9.

(b) Notice of every repurchase of equity securities of the Company held by the Investor shall be given at the address and in the manner set forth for such party in Section 5.6. Each notice of repurchase given to the Investor shall state: (i) the number and type of securities to be repurchased, (ii) the Board of Directors' determination of Fair Market Value of such securities and (iii) the place or places where certificates representing such securities are to be surrendered for payment of the repurchase price. The repurchase of the securities specified in the notice shall occur as soon as practicable following the determination of the Fair Market Value of the securities.

(c) As used in this Section 4.9, the following terms shall have the following respective meanings:

(i) **"Appraisal Procedure"** means a procedure whereby two independent appraisers, one chosen by the Company and one by the Investor, shall mutually agree upon the Fair Market Value. Each party shall deliver a notice to the other appointing its appraiser within 10 days after the Appraisal Procedure is invoked. If within 30 days after appointment of the two appraisers they are unable to agree upon the Fair Market Value, a third independent appraiser shall be chosen within 10 days thereafter by the mutual consent of such first two appraisers. The decision of the third appraiser so appointed and chosen shall be given within 30 days after the selection of such third appraiser. If three appraisers shall be appointed and the determination of one appraiser is disparate from the middle determination by more than twice the amount by which the other determination is disparate from the middle determination, then the determination of such appraiser shall be excluded, the remaining two determinations shall be averaged and such average shall be binding and conclusive upon the Company and the Investor; otherwise, the average of all three determinations shall be binding upon the Company and the Investor. The costs of conducting any Appraisal Procedure shall be borne by the Company.

(ii) **"Fair Market Value"** means, with respect to any security, the fair market value of such security as determined by the Board of Directors, acting in good faith in reliance on an opinion of a nationally recognized independent investment banking firm retained by the Company for this purpose and certified in a resolution to the Investor. If the Investor does not agree with the Board of Directors' determination, it may object in writing within 10 days of receipt of the Board of Directors' determination. In the event of such an objection, an authorized representative of the Investor and the chief executive officer of the Company shall promptly meet to resolve the objection and to agree upon the Fair Market Value. If the chief executive officer and the authorized representative are unable to agree on the Fair Market Value during the 10-day period following the delivery of the Investor's objection, the Appraisal Procedure may be invoked by either party to determine the Fair Market Value by delivery of a written notification thereof not later than the 30th day after delivery of the Investor's objection.

(iii) “Control” means the power to direct the management and policies of the Company, directly or indirectly, whether through the ownership of voting securities, by contract, by the power to control the Board of Directors or otherwise.

4.10 *Executive Compensation.*

(a) Until such time as the Investor ceases to own any debt or equity securities of the Company acquired pursuant to this Agreement or the Warrant, the Company shall take all necessary action to ensure that its Benefit Plans with respect to the Senior Executive Officers comply in all respects with Section 111(b) of the EESA, including the provisions for Systemically Significant Failing Institutions, as implemented by any guidance or regulation thereunder, including Notice 2008-PSSFI, that has been issued and is in effect as of the Closing Date, including but not limited to provisions prohibiting severance payments to Senior Executive Officers, and shall not adopt any new Benefit Plan with respect to its Senior Executive Officers that does not comply therewith. “Senior Executive Officers” means the Company’s “senior executive officers” as defined in subsection 111(b)(3) of the EESA and regulations issued thereunder, including the rules set forth in 31 CFR Part 30, that have been issued and are in effect as of the Closing Date.

(b) (1) In addition, the Company shall, until such time as the Investor ceases to own any debt or equity securities of the Company acquired pursuant to this Agreement or the Warrant, take all necessary action to limit any “golden parachute payments” to the employees of the Company and the Company Subsidiaries who as of the Closing Date participate in the Company’s Senior Partners Plan (other than the Senior Executive Officers) (the “Senior Partners”) to the amounts permitted by the regulations relating to participants in the EESA Capital Purchase Program and the guidelines and rules relating thereto, including the rules set forth in 31 CFR Part 30, that have been issued and are in effect as of the Closing Date, as if such Senior Partners were Senior Executive Officers for purposes of the EESA (except that equity denominated awards settled solely in equity shall not be included in such limit on “golden parachute payments” to Senior Partners).

(2) In furtherance of the Company’s commitment to limit golden parachute payments to Senior Partners as set forth in Section 4.10(b)(1), and to ensure compliance with the provisions of the EESA Capital Purchase Program and the guidelines and regulations relating thereto applicable to Senior Partners pursuant to Section 4.10(b)(1), it is further agreed that the Company shall take all necessary action to ensure that the sum of (A) a Senior Partner’s annual bonus for 2009, (B) all retention payments paid or payable to such Senior Partner under any retention arrangement between the Senior Partner and the Company for any period ending on or prior to March 31, 2010 and (C) any and all amounts paid or payable to such Senior Partner in connection with the termination of such Senior Partner’s employment prior to March 31, 2010 which would be taken into account in applying the compensation limitation under Section 4.10(b)(1) above, other than any payments pursuant to outstanding awards under the Company’s Senior Partners Plan, shall not exceed 3.5 times the sum of such Senior Partner’s base salary and target annual bonus for 2008. For this purpose, actual annual bonus for 2009

and target annual bonus for 2008 will include supplemental bonus and quarterly cash payments under the Company's historic quarterly bonus program consistent with, and in amounts not exceeding, past practice.

(3) Notwithstanding the other provisions of this Section 4.10(b), the Company's obligations under this Section 4.10(b) shall be on a best efforts basis with respect to the Senior Partners who are not U.S.-based to the extent of its existing Benefit Plans. Without derogation of the condition set forth in Section 1.2(d)(v), the Company shall use its best efforts to obtain from all the Senior Partners and deliver to the Investor prior to the Closing or as promptly as possible thereafter a waiver in the form attached hereto as Annex B-1.

(c) Unless the Investor ceases to own any debt or equity securities of the Company acquired pursuant to this Agreement or the Warrant, the Company shall take all necessary action to ensure that the annual bonus pools payable to the Senior Executive Officers and the Senior Partners in respect of each of 2008 and 2009 shall not exceed the average of the annual bonus pools paid to the Senior Executive Officers and the Senior Partners for 2006 and 2007 (in each case exclusive of the Company's historic quarterly bonus program including but not limited to supplemental bonus and quarterly cash payments, the amount of which will not increase for any participant) and subject to appropriate adjustment for new hires and departures.

(d) For the reasons set forth in Section 4.10(b)(2) above and in furtherance thereof, the Company shall, as soon as practicable, take all necessary action to amend its Executive Severance Plan, effective not later than March 11, 2010, to require that the benefits thereunder will be reduced by any remuneration attributable to a participant's subsequent employment during the relevant severance period.

(e) The Company confirms that none of (i) the proceeds of the Purchase Price nor (ii) the funds provided to the Company under the Credit Agreement (collectively "the Funds"), shall be used to pay annual bonuses, or other future cash performance awards to executives of the Company or Senior Partners. The parties desire that this confirmation be auditable and agree that there are a number of appropriate methods for verifying this confirmation (particularly in light of expected business changes at the Company). Until the date that any annual bonuses in respect of 2009 are paid, it is agreed that the test for the foregoing will be that, at the time when any annual bonuses or cash performance awards granted after the date of this Agreement are paid to executive officers or Senior Partners, the Company will have received aggregate dividends, distributions and other payments from its subsidiaries subsequent to September 16, 2008 greater than the aggregate amount of such annual bonuses, such cash performance awards and amounts paid pursuant to AIG's historic quarterly bonus program (including but not limited to supplemental bonus and quarterly cash payments, the amount of which will not increase for any participant) paid to executive officers and Senior Partners subsequent to that date. At and after the date that any annual bonuses in respect of 2009 are paid, the test for the foregoing confirmation will be that, at the time when any annual bonuses or cash performance awards granted after the date of this Agreement are vested or otherwise earned by executive officers or Senior Partners, the aggregate adjusted net income for the relevant year (being the year in which

or in respect of which such bonuses or awards are vested or so earned) of the insurance company subsidiaries of the Company included for such year in the consolidated financial statements of the Company, excluding any such adjusted net income that was dividended or otherwise distributed to the Company and taken into account in satisfying the test under the prior sentence, shall exceed the aggregate amount of such annual bonuses, such cash performance awards and amounts pursuant to AIG's historic quarterly bonus program (including but not limited to supplemental bonus and quarterly cash payments, the amount of which will not increase for any participant), in each case vested or otherwise earned in or in respect of such year. Each party agrees to negotiate in good faith and promptly at the request of the other to develop additional or alternative appropriate formulations to test for this confirmation.

(f) The Company confirms that none of the Funds shall be used to pay any electively deferred compensation in respect of or otherwise resulting from the termination of the deferred compensation plans by the Company or the Company subsidiaries as described in Item 5.02 of the Company's Current Report on Form 8-K dated November 18, 2008.

4.11 *Restrictions on Lobbying.* Until such time as the Investor ceases to own any Preferred Stock, the Company shall continue to maintain and implement its comprehensive written policy on lobbying, governmental ethics and political activity and distribute such policy to all Company employees and lobbying firms involved in any such activity. Any material amendments to such policy shall require the prior written consent of the Investor until the Investor no longer owns any Preferred Stock, and any material deviations from such policy, whether in contravention thereof or pursuant to waivers provided for thereunder, shall promptly be reported to the Investor. Such policy shall, at a minimum, (i) require compliance with all applicable law; (ii) apply to the Company, the Company Subsidiaries and affiliated foundations; (iii) govern (a) the provision of items of value to any government officials; (b) lobbying and (c) political activities and contributions; and (iv) provide for (a) internal reporting and oversight and (b) mechanisms for addressing non-compliance with the policy.

4.12 *Restrictions on Expenses.* Until such time as the Investor ceases to own any Preferred Stock, the Company shall continue to maintain and implement its comprehensive written policy on corporate expenses and distribute such policy to all Company employees. Any material amendments to such policy shall require the prior written consent of the Investor until such time as the Investor no longer owns any Preferred Stock, and any material deviations from such policy, whether in contravention thereof or pursuant to waivers provided for thereunder, shall promptly be reported to the Investor. Such policy shall, at a minimum: (i) require compliance with all applicable law; (ii) apply to the Company and the Company Subsidiaries; (iii) govern (a) the hosting, sponsorship or other payment for conferences and events, (b) the use of corporate aircraft, (c) travel accommodations and expenditures, (d) consulting arrangements with outside service providers, (e) any new lease or acquisition of real estate, (f) expenses relating to office or facility renovations or relocations and (g) expenses relating to entertainment or holiday parties; and (iv) provide for (a) internal reporting and oversight and (b) mechanisms for addressing non-compliance with the policy.

4.13 *Risk Management Committee.* Within 30 days of the Closing Date, and until such time as the Investor ceases to own any Preferred Stock, the Warrant or any other equity or debt securities of the Company, the Company shall establish and maintain a risk management committee of the Board of Directors that will oversee the major risks involved in the Company's business operations and review the Company's actions to mitigate and manage those risks.

4.14 *Dividend Rate Adjustment.* The dividend rate on the Preferred Stock beneficially owned at the time by the Investor is subject to adjustment in the sole discretion of the Secretary of the Department of the Treasury in light of, inter alia, then-prevailing economic conditions and the financial condition of the Company, with the objective of protecting the U.S. taxpayer.

Article 5 Miscellaneous

5.1 *Termination.* This Agreement may be terminated at any time prior to the Closing:

(a) by either the Investor or the Company if the Closing shall not have occurred by the 30th calendar day following the Signing Date; *provided, however,* that in the event the Closing has not occurred by such 30th calendar day, the parties will consult in good faith to determine whether to extend the term of this Agreement, it being understood that the parties shall be required to consult only until the fifth day after such 30th calendar day and not be under any obligation to extend the term of this Agreement thereafter; *provided, further,* that the right to terminate this Agreement under this Section 5.1(a) shall not be available to any party whose breach of any representation or warranty or failure to perform any obligation under this Agreement shall have caused or resulted in the failure of the Closing to occur on or prior to such date; or

(b) by either the Investor or the Company in the event that any Governmental Entity shall have issued an order, decree or ruling or taken any other action restraining, enjoining or otherwise prohibiting the transactions contemplated by this Agreement and such order, decree, ruling or other action shall have become final and nonappealable; or

(c) by the mutual written consent of the Investor and the Company.

In the event of termination of this Agreement as provided in this Section 5.1, this Agreement shall forthwith become void and there shall be no liability on the part of either party hereto except that nothing herein shall relieve either party from liability for any breach of this Agreement.

5.2 *Survival of Representations and Warranties.* All covenants and agreements, other than those which by their terms apply in whole or in part after the Closing, shall terminate as of the Closing. The representations and warranties of the Company made herein or in any certificates delivered in connection with the Closing shall survive the Closing without limitation.

5.3 *Amendment.* No amendment of any provision of this Agreement will be effective unless made in writing and signed by an officer or a duly authorized representative of each party; provided that the Investor may unilaterally amend any provision of this Agreement to the extent required to comply with any changes after the Signing Date in applicable federal statutes. No failure or delay by any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise of any other right, power or privilege. The rights and remedies herein provided shall be cumulative of any rights or remedies provided by law.

5.4 *Waiver of Conditions.* The conditions to each party's obligation to consummate the Purchase are for the sole benefit of such party and may be waived by such party in whole or in part to the extent permitted by applicable law. No waiver will be effective unless it is in a writing signed by a duly authorized officer of the waiving party that makes express reference to the provision or provisions subject to such waiver.

5.5 *Governing Law: Submission to Jurisdiction, Etc.* This Agreement, and the rights and obligations of the parties hereunder, shall be governed by, and construed and interpreted in accordance with, United States federal law and not the law of any State. To the extent that a court looks to the laws of any State to determine or define the United States federal law, it is the intention of the parties hereto that such court shall look only to the laws of the State of New York without regard to the rules of conflicts of laws. Each of the parties hereto agrees (a) to submit to the exclusive jurisdiction and venue of the United States District Court for the District of Columbia and the United States Court of Federal Claims for any and all actions, suits or proceedings arising out of or relating to this Agreement or the Warrant or the transactions contemplated hereby or thereby, and (b) that notice may be served upon (i) the Company at the address and in the manner set forth for notices to the Company in Section 5.6 and (ii) the Investor in accordance with federal law. To the extent permitted by applicable law, each of the parties hereto hereby unconditionally waives trial by jury in any legal action or proceeding relating to this Agreement or the Warrant or the transactions contemplated hereby or thereby.

5.6 *Notices.* Any notice, request, instruction or other document to be given hereunder by any party to the other will be in writing and will be deemed to have been duly given (a) on the date of delivery if delivered personally, or by facsimile, upon confirmation of receipt, or (b) on the second business day following the date of dispatch if delivered by a recognized next day courier service. All notices to the Company shall be delivered to the address set forth below, or pursuant to such other instruction as may be designated in writing by the Company to the Investor. All notices to the Investor shall be delivered as set forth below, or pursuant to such other instructions as may be designated in writing by the Investor to the Company.

RESOLVED, that pursuant to the authority granted to and vested in the Board of Directors in accordance with the provisions of the Restated Certificate of Incorporation, as amended, the Board of Directors hereby creates a series of Serial Preferred Stock, par value \$5.00 per share, of the Company, and hereby states the designation and number of shares, and fixes the voting and other powers, and the relative rights and preferences, and the qualifications, limitations and restrictions thereof, as follows:

Series D Fixed Rate Cumulative Perpetual Preferred Stock:

Part 1. Designation and Number of Shares. There is hereby created out of the authorized and unissued shares of serial preferred stock of the Company a series of preferred stock designated as the "Series D Fixed Rate Cumulative Perpetual Preferred Stock" (the "Series D Preferred Stock"). The authorized number of shares of the Series D Preferred Stock shall be 4,000,000. Such number of shares may be decreased by resolution of the Board of Directors, subject to the terms and conditions hereof; provided that no decrease shall reduce the number of shares of the Series D Preferred Stock to a number less than the number of shares then outstanding.

Section 3. Dividends.

(a) Rate. Holders of the Series D Preferred Stock shall be entitled to receive, on each share of the Series D Preferred Stock if, as and when declared by the Board of Directors or any duly authorized committee of the Board of Directors, but only out of assets legally available therefor, cumulative cash dividends with respect to each Dividend Period (as defined below) at a rate per annum equal to the Applicable Dividend Rate on (i) the Liquidation Amount per share of the Series D Preferred Stock and (ii) the amount of accrued and unpaid dividends for any prior Dividend Period on such share of the Series D Preferred Stock, if any. Such dividends shall begin to accrue and be cumulative from the Original Issue Date, shall compound on each subsequent Dividend Payment Date (*i.e.*, no dividends shall accrue on other dividends unless and until the first Dividend Payment Date for such other dividends has passed without such other dividends having been paid on such date) and shall be payable quarterly in arrears on each Dividend Payment Date, commencing with the first such Dividend Payment Date to occur at least 20 calendar days after the Original Issue Date. In the event that any Dividend Payment Date would otherwise fall on a day that is not a Business Day, the dividend payment due on that date will be postponed to the next day that is a Business Day and no additional dividends will accrue as a result of that postponement. The period from and including any Dividend Payment Date to, but excluding, the next Dividend Payment Date is a “Dividend Period”, provided that the initial Dividend Period shall be the period from and including the Original Issue Date to, but excluding, the next Dividend Payment Date.

Dividends that are payable on Series D Preferred Stock in respect of any Dividend Period shall be computed on the basis of a 360-day year consisting of twelve 30-day months. The amount of dividends payable on Series D Preferred Stock on any date prior to the end of a Dividend Period, and for the initial Dividend Period, shall be computed on the basis of a 360-day year consisting of twelve 30-day months, and actual days elapsed over a 30-day month.

Dividends that are payable on Series D Preferred Stock on any Dividend Payment Date will be payable to holders of record of the Series D Preferred Stock as they appear on the stock register of the Company on the applicable record date, which shall be the 15th calendar day immediately preceding such Dividend Payment Date or such other record date fixed by the Board of Directors or any duly authorized committee of the Board of Directors that is not more than 60 nor less than 10 days prior to such Dividend Payment Date (each, a “Dividend Record”

Date”). Any such day that is a Dividend Record Date shall be a Dividend Record Date whether or not such day is a Business Day.

Holders of the Series D Preferred Stock shall not be entitled to any dividends, whether payable in cash, securities or other property, other than dividends (if any) declared and payable on the Series D Preferred Stock as specified in this Section 3 (subject to the other provisions of the Certificate of Designations).

(b) Priority of Dividends. So long as any share of the Series D Preferred Stock remains outstanding, no dividend or distribution shall be declared or paid on the Common Stock or any other shares of Junior Stock (other than dividends payable solely in shares of Common Stock) or Parity Stock, subject to the immediately following paragraph in the case of Parity Stock, and no Common Stock, Junior Stock or Parity Stock shall be, directly or indirectly, purchased, redeemed or otherwise acquired for consideration by the Corporation or any of its subsidiaries unless all accrued and unpaid dividends for all past Dividend Periods, including the latest completed Dividend Period (including, if applicable as provided in Section 3(a) above, dividends on such amount), on all outstanding shares of the Series D Preferred Stock have been or are contemporaneously declared and paid in full (or have been declared and a sum sufficient for the payment thereof has been set aside for the benefit of the holders of shares of the Series D Preferred Stock on the applicable record date). The foregoing limitation shall not apply to (i) a dividend payable on any Junior Stock in shares of any other Junior Stock, or to the acquisition of shares of any Junior Stock in exchange for, or through application of the proceeds of the sale of, shares of any other Junior Stock; (ii) redemptions, purchases or other acquisitions of shares of Common Stock or other Junior Stock in connection with the administration of any employee benefit plan in the ordinary course of business (including purchases to offset the Share Dilution Amount (as defined below) pursuant to a publicly announced repurchase plan) and consistent with past practice, *provided* that any purchases to offset the Share Dilution Amount shall in no event exceed the Share Dilution Amount; (iii) any dividends or distributions of rights or Junior Stock in connection with a stockholders' rights plan or any redemption or repurchase of rights pursuant to any stockholders' rights plan; (iv) the acquisition by the Company or any of its subsidiaries of record ownership in Junior Stock or Parity Stock for the beneficial ownership of any other persons (other than the Corporation or any of its subsidiaries), including as trustees or custodians; and (v) the exchange or conversion of Junior Stock for or into other Junior Stock or of Parity Stock for or into other Parity Stock (with the same or lesser aggregate liquidation amount) or Junior Stock, in each case, solely to the extent required pursuant to binding contractual agreements entered into prior to the Signing Date or any subsequent agreement for the accelerated exercise, settlement or exchange thereof for Common Stock. "Share Dilution Amount" means the increase in the number of diluted shares outstanding (determined in accordance with generally accepted accounting principles in the United States, and as measured from the date of the Company's consolidated financial statements most recently filed with the Securities and Exchange Commission prior to the Original Issue Date) resulting from the grant, vesting or exercise of equity-based compensation to employees and equitably adjusted for any stock split, stock dividend, reverse stock split, reclassification or similar transaction.

When dividends are not paid (or declared and a sum sufficient for payment thereof set aside for the benefit of the holders thereof on the applicable record date) on any Dividend Payment Date (or, in the case of Parity Stock having dividend payment dates different from the

Dividend Payment Dates, on a dividend payment date falling within a Dividend Period related to such Dividend Payment Date) in full upon the Series D Preferred Stock and any shares of Parity Stock, all dividends declared on the Series D Preferred Stock and all such Parity Stock and payable on such Dividend Payment Date (or, in the case of Parity Stock having dividend payment dates different from the Dividend Payment Dates, on a dividend payment date falling within the Dividend Period related to such Dividend Payment Date) shall be declared *pro rata* so that the respective amounts of such dividends declared shall bear the same ratio to each other as all accrued and unpaid dividends per share on the shares of the Series D Preferred Stock (including, if applicable as provided in Section 3(a) above, dividends on such amount) and all Parity Stock payable on such Dividend Payment Date (or, in the case of Parity Stock having dividend payment dates different from the Dividend Payment Dates, on a dividend payment date falling within the Dividend Period related to such Dividend Payment Date) (subject to their having been declared by the Board of Directors or a duly authorized committee of the Board of Directors out of legally available funds and including, in the case of Parity Stock that bears cumulative dividends, all accrued but unpaid dividends) bear to each other. If the Board of Directors or a duly authorized committee of the Board of Directors determines not to pay any dividend or a full dividend on a Dividend Payment Date, the Company will provide written notice to the holders of the Series D Preferred Stock prior to such Dividend Payment Date.

Subject to the foregoing, and not otherwise, such dividends (payable in cash, securities or other property) as may be determined by the Board of Directors or any duly authorized committee of the Board of Directors may be declared and paid on any securities, including Common Stock and other Junior Stock, from time to time out of any funds legally available for such payment, and holders of the Series D Preferred Stock shall not be entitled to participate in any such dividends.

Section 4. Liquidation, Dissolution or Winding Up. In the event of any voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Company, then, before any distribution or payment shall be made to the holders of Junior Stock, the holders of the Series D Preferred Stock and any shares of Preferred Stock ranking on a parity therewith as to liquidation shall be entitled to be paid in full the respective amounts of the liquidation preferences thereof, which in the case of the Series D Preferred Stock shall be \$10,000.00 per share, plus an amount equal to all accrued and unpaid dividends to such distribution or payment date, whether or not earned or declared (including, if applicable, as provided in Section 3(a) above, dividends on such accrued and unpaid dividends for all prior Dividend Periods). If such payment shall have been made in full to the holders of the Series D Preferred Stock and any series of Preferred Stock ranking on a parity therewith as to liquidation, the remaining assets and funds of the Company shall be distributed among the holders of Junior Stock, according to their respective rights and preferences and in each case according to their respective shares. If, upon any liquidation, dissolution or winding up of the affairs of the Company, the amounts so payable are not paid in full to the holders of all outstanding shares of the Series D Preferred Stock and any series of Preferred Stock ranking on a parity therewith as to liquidation, the holders of the Series D Preferred Stock and any series of Preferred Stock ranking on a parity therewith as to liquidation shall share ratably in any distribution of assets in proportion to the full amounts to which they would otherwise be respectively entitled. Neither the consolidation or merger of the Company, nor the sale, lease or conveyance of all or a part of its assets, shall be deemed a liquidation,

dissolution or winding up of the affairs of the Company within the meaning of the foregoing provisions of this Section 4.

Section 5. Redemption.

(a) Optional Redemption. Except as provided in this Section 5(a), the Designated Preferred Stock shall not be redeemable. At any time that (i) the Trust (or any successor entity established for the benefit of the United States Treasury) “beneficially owns” less than 30% of the aggregate voting power of the Company’s voting securities and (ii) no holder of the Series D Preferred Stock controls the Company, the Company may redeem, in whole or in part, at any time and from time to time, out of funds legally available therefor, the shares of the Series D Preferred Stock at the time outstanding, upon notice given as provided in Section 5(c) below, the Series D Preferred Stock in whole or in part at a redemption price equal to 100% of its Liquidation Amount, plus, except as set forth in the last sentence of the next paragraph, an amount equal to all accrued and unpaid dividends to such redemption date (including, if applicable, as provided in Section 3(a) above, dividends on accrued and unpaid dividends for all prior Dividend Periods). “Control” for purposes of this Section 5(a) means the power to direct the management and policies of the Company, directly or indirectly, whether through the ownership of voting securities, by contract, by the power to control the Board of Directors or otherwise. “Beneficially owns” for purposes of this Section 5(a) is defined in Rule 13d-3 under the Securities Exchange Act of 1934, as amended to the Signing Date. For the avoidance of doubt, while there is Board of Directors control (or the potential to gain Board of Directors control as a result of existing contractual rights) by any holder of the Series D Preferred Stock, the Company may not redeem any of the Series D Preferred Stock.

The redemption price for any shares of the Series D Preferred Stock shall be payable on the redemption date to the holder of such shares against surrender of the certificate(s) evidencing such shares to the Company or its agent. Any declared but unpaid dividends payable on a redemption date that occurs subsequent to the Dividend Record Date for a Dividend Period shall not be paid to the holder entitled to receive the redemption price on the redemption date, but rather shall be paid to the holder of record of the redeemed shares on such Dividend Record Date relating to the Dividend Payment Date as provided in Section 3 above.

(b) No Sinking Fund. The Series D Preferred Stock will not be subject to any mandatory redemption, sinking fund or other similar provisions. Holders of the Series D Preferred Stock will have no right to require redemption or repurchase of any shares of the Series D Preferred Stock.

(c) Notice of Redemption. Notice of every redemption of shares of the Series D Preferred Stock shall be given by first class mail, postage prepaid, addressed to the holders of record of the shares to be redeemed at their respective last addresses appearing on the books of the Company. Such mailing shall be at least 30 days and not more than 60 days before the date fixed for redemption. Any notice mailed as provided in this Subsection shall be conclusively presumed to have been duly given, whether or not the holder receives such notice, but failure duly to give such notice by mail, or any defect in such notice or in the mailing thereof, to any holder of shares of the Series D Preferred Stock designated for redemption shall not affect the validity of the proceedings for the redemption of any other shares of the Series D Preferred

Stock. Notwithstanding the foregoing, if shares of the Series D Preferred Stock are issued in book-entry form through The Depository Trust Corporation or any other similar facility, notice of redemption may be given to the holders of the Series D Preferred Stock at such time and in any manner permitted by such facility. Each notice of redemption given to a holder shall state: (1) the redemption date; (2) the number of shares of the Series D Preferred Stock to be redeemed and, if less than all the shares held by such holder are to be redeemed, the number of such shares to be redeemed from such holder; (3) the redemption price; and (4) the place or places where certificates for such shares are to be surrendered for payment of the redemption price, but failure duly to give such notice to any holder of shares of the Series D Preferred Stock designated for redemption or any defect in such notice shall not affect the validity of the proceedings for the redemption of any other shares of the Series D Preferred Stock.

(d) Partial Redemption. In case of any redemption of part of the shares of the Series D Preferred Stock at the time outstanding, the shares to be redeemed shall be selected either *pro rata* or in such other manner as the Board of Directors or a duly authorized committee thereof may determine to be fair and equitable. Subject to the provisions hereof, the Board of Directors or a duly authorized committee thereof shall have full power and authority to prescribe the terms and conditions upon which shares of the Series D Preferred Stock shall be redeemed from time to time. If fewer than all the shares represented by any certificate are redeemed, a new certificate shall be issued representing the unredeemed shares without charge to the holder thereof.

(e) Effectiveness of Redemption. If notice of redemption has been duly given and if on or before the redemption date specified in the notice all funds necessary for the redemption have been deposited by the Company, in trust for the *pro rata* benefit of the holders of the shares called for redemption, with a bank or trust company doing business in the Borough of Manhattan, The City of New York, and having a capital and surplus of at least \$500 million and selected by the Board of Directors, so as to be and continue to be available solely therefor, then, notwithstanding that any certificate for any share so called for redemption has not been surrendered for cancellation, on and after the redemption date dividends shall cease to accrue on all shares so called for redemption, all shares so called for redemption shall no longer be deemed outstanding and all rights with respect to such shares shall forthwith on such redemption date cease and terminate, except only the right of the holders thereof to receive the amount payable on such redemption from such bank or trust company, without interest. Any funds unclaimed at the end of three years from the redemption date shall, to the extent permitted by law, be released to the Company, after which time the holders of the shares so called for redemption shall look only to the Company for payment of the redemption price of such shares.

(f) Status of Redeemed Shares. Shares of the Series D Preferred Stock that are redeemed, repurchased or otherwise acquired by the Company shall revert to authorized but unissued shares of the Series D Preferred Stock (*provided* that any such cancelled shares of the Series D Preferred Stock may be reissued only as shares of any series of the Series D Preferred Stock other than the Series D Preferred Stock).

Section 6. Conversion. Holders of the Series D Preferred Stock shares shall have no right to exchange or convert such shares into any other securities.

Section 7. Voting Rights.

(a) General. The holders of the Series D Preferred Stock shall not have any voting rights except as set forth below or as otherwise from time to time required by law.

(b) Series D Preferred Stock Directors. Whenever, at any time or times, dividends payable on the shares of the Series D Preferred Stock have not been paid for an aggregate of four quarterly Dividend Periods or more, whether or not consecutive, the authorized number of directors of the Company shall automatically be increased to accommodate the number of the Preferred Directors specified below and the holders of the Series D Preferred Stock shall have the right, with holders of shares of any one or more other classes or series of Voting Parity Stock outstanding at the time, voting together as a class, to elect the greater of two directors and a number of directors (rounded upward) equal to 20% of the total number of directors of the Company after giving effect to such election (hereinafter the "Preferred Directors" and each a "Preferred Director") to fill such newly created directorships at the Company's next annual meeting of stockholders (or at a special meeting called for that purpose prior to such next annual meeting) and at each subsequent annual meeting of stockholders until all accrued and unpaid dividends for all past Dividend Periods, including the latest completed Dividend Period (including, if applicable as provided in Section 3(a) above, dividends on such amount), on all outstanding shares of the Series D Preferred Stock have been declared and paid in full at which time such right shall terminate with respect to the Series D Preferred Stock, except as herein or by law expressly provided, subject to reversion in the event of each and every subsequent payment failure of the character above mentioned; *provided* that it shall be a qualification for election for any Preferred Director that the election of such Preferred Director shall not cause the Company to violate any corporate governance requirements of any securities exchange or other trading facility on which securities of the Company may then be listed or traded that listed or traded companies must have a majority of independent directors. Upon any termination of the right of the holders of shares of the Series D Preferred Stock and Voting Parity Stock as a class to vote for directors as provided above, the Preferred Directors shall cease to be qualified as directors, the term of office of all Preferred Directors then in office shall terminate immediately and the authorized number of directors shall be reduced by the number of the Preferred Directors elected pursuant hereto. Any Preferred Director may be removed at any time, with or without cause, and any vacancy created thereby may be filled, only by the affirmative vote of the holders a majority of the shares of the Series D Preferred Stock at the time outstanding voting separately as a class together with the holders of shares of Voting Parity Stock, to the extent the voting rights of such holders described above are then exercisable. If the office of any Preferred Director becomes vacant for any reason other than removal from office as aforesaid, the remaining Preferred Director may choose a successor who shall hold office for the unexpired term in respect of which such vacancy occurred.

(c) Class Voting Rights as to Particular Matters. So long as any shares of the Series D Preferred Stock are outstanding, in addition to any other vote or consent of stockholders required by law or by the Charter, the vote or consent of the holders of at least 66 2/3% of the shares of the Series D Preferred Stock at the time outstanding, voting as a separate class, given in person or by proxy, either in writing without a meeting or by vote at any meeting called for the purpose, shall be necessary for effecting or validating:

(i) Authorization of Senior or Pari Passu Stock. Any amendment or alteration of the Certificate of Designations for the Series D Preferred Stock or the Charter to

authorize or create or increase the authorized amount of, or any issuance of, any shares of, or any securities convertible into or exchangeable or exercisable for shares of, any class or series of capital stock of the Company ranking senior to or pari passu with Series D Preferred Stock with respect to either or both the payment of dividends and/or the distribution of assets on any liquidation, dissolution or winding up of the Company; provided that no such vote or consent of the holders of the Series D Preferred Stock shall be required for the issuance of the Convertible Preferred Stock;

(ii) Amendment of the Series D Preferred Stock. Any amendment, alteration or repeal of any provision of the Certificate of Designations for the Series D Preferred Stock or the Charter (including, unless no vote on such merger or consolidation is required by Section 7(c)(iii) below, any amendment, alteration or repeal by means of a merger, consolidation or otherwise) so as to adversely affect the rights, preferences, privileges or voting powers of the Series D Preferred Stock; or

(iii) Share Exchanges, Reclassifications, Mergers and Consolidations. Any consummation of a binding share exchange or reclassification involving the Series D Preferred Stock, or of a merger or consolidation of the Company with or into another corporation or other entity, unless in each case (x) the shares of the Series D Preferred Stock remain outstanding and are not amended in any respect or, in the case of any such merger or consolidation with respect to which the Company is not the surviving or resulting entity, are converted into or exchanged for preference securities of the surviving or resulting entity or its ultimate parent, and (y) such shares remaining outstanding or such preference securities, as the case may be, have such rights, preferences, privileges and voting powers, and limitations and restrictions thereof, taken as a whole, as are not materially less favorable to the holders thereof than the rights, preferences, privileges and voting powers, and limitations and restrictions thereof, of the Series D Preferred Stock immediately prior to such consummation, taken as a whole;

provided, however, that for all purposes of this Section 7(c), any increase in the amount of the authorized Preferred Stock, including any increase in the authorized amount of the Series D Preferred Stock necessary to satisfy preemptive or similar rights granted by the Company to other persons prior to the Signing Date, or the creation and issuance, or an increase in the authorized or issued amount, whether pursuant to preemptive or similar rights or otherwise, of any other series of the Preferred Stock, or any securities convertible into or exchangeable or exercisable for any other series of the Preferred Stock, ranking junior to the Series D Preferred Stock with respect to the payment of dividends (whether such dividends are cumulative or non-cumulative) and the distribution of assets upon liquidation, dissolution or winding up of the Company will not be deemed to adversely affect the rights, preferences, privileges or voting powers, and shall not require the affirmative vote or consent of, the holders of outstanding shares of the Series D Preferred Stock.

(d) Changes after Provision for Redemption. No vote or consent of the holders of the Series D Preferred Stock shall be required pursuant to Section 7(c) above if, at or prior to the time when any such vote or consent would otherwise be required pursuant to such Section, all outstanding shares of the Series D Preferred Stock shall have been redeemed, or shall have been

called for redemption upon proper notice and sufficient funds shall have been deposited in trust for such redemption, in each case pursuant to Section 5 above.

(e) Procedures for Voting and Consents. The rules and procedures for calling and conducting any meeting of the holders of the Series D Preferred Stock (including, without limitation, the fixing of a record date in connection therewith), the solicitation and use of proxies at such a meeting, the obtaining of written consents and any other aspect or matter with regard to such a meeting or such consents shall be governed by any rules of the Board of Directors or any duly authorized committee of the Board of Directors, in its discretion, may adopt from time to time, which rules and procedures shall conform to the requirements of the Charter, the Bylaws, and applicable law and the rules of any national securities exchange or other trading facility on which Series D Preferred Stock is listed or traded at the time.

Section 8. Record Holders. To the fullest extent permitted by applicable law, the Company and the transfer agent for Series D Preferred Stock may deem and treat the record holder of any share of the Series D Preferred Stock as the true and lawful owner thereof for all purposes, and neither the Company nor such transfer agent shall be affected by any notice to the contrary.

Section 9. Notices. All notices or communications in respect of the Series D Preferred Stock shall be sufficiently given if given in writing and delivered in person or by first class mail, postage prepaid, or if given in such other manner as may be permitted in this Certificate of Designations, in the Charter or Bylaws or by applicable law. Notwithstanding the foregoing, if shares of the Series D Preferred Stock are issued in book-entry form through The Depository Trust Company or any similar facility, such notices may be given to the holders of the Series D Preferred Stock in any manner permitted by such facility.

Section 10. No Preemptive Rights. No holder of the Series D Preferred Stock shall be entitled as a matter of right to subscribe for or purchase, or have any preemptive right with respect to, any part of any new or additional issue of stock of any class whatsoever, or of securities convertible into any stock of any class whatsoever, whether now or hereafter authorized and whether issued for cash or other consideration or by way of dividend.

Section 11. Replacement Certificates. The Company shall replace any mutilated certificate at the holder's expense upon surrender of that certificate to the Company. The Company shall replace certificates that become destroyed, stolen or lost at the holder's expense upon delivery to the Company of reasonably satisfactory evidence that the certificate has been destroyed, stolen or lost, together with any indemnity that may be reasonably required by the Company.

Section 12. Form.

(a) The Series D Preferred Stock shall be initially issued in the form of one or more certificates in definitive, fully registered form with, until such time as otherwise determined by the Company, the restricted shares legend (the "Restricted Shares Legend"), as set forth on the form of the Series D Preferred Stock attached hereto as Exhibit A (each, a "Series D Preferred Share Certificate"), which is hereby incorporated in and expressly made a part of this Certificate

of Designations. The Series D Preferred Share Certificate may have notations, legends or endorsements required by law, stock exchange rules, agreements to which the Company is subject, if any, or usage (provided that any such notation, legend or endorsement is in a form acceptable to the Company).

(b) An Officer shall sign the Series D Preferred Share Certificate for the Company, in accordance with the Company's Bylaws and applicable law, by manual or facsimile signature. "Officer" means the Chairman, any Vice President, the Treasurer or the Secretary of the Company.

(c) If an Officer whose signature is on a Series D Preferred Share Certificate no longer holds that office at the time of the issuance of such Series D Preferred Share Certificate, such Series D Preferred Share Certificate shall be valid nevertheless.

(d) A Series D Preferred Share Certificate shall not be valid or obligatory until an authorized signatory of the Transfer Agent manually countersigns the Series D Preferred Share Certificate. The signature shall be conclusive evidence that such Series D Preferred Share Certificate has been authenticated under this Certificate of Designations. Each Series D Preferred Share Certificate shall be dated the date of its authentication.

Other than upon original issuance, all transfers and exchanges of the Designated Preferred Stock shall be made by direct registration on the books and records of the Company.

Section 13. Transfer Agent And Registrar. The duly appointed Transfer Agent and Registrar for the Series D Preferred Stock shall be Wells Fargo Bank, N.A. The Company may, in its sole discretion, remove the Transfer Agent in accordance with the agreement between the Company and the Transfer Agent; provided that the Company shall appoint a successor transfer agent who shall accept such appointment prior to the effectiveness of such removal.

Section 14. Other Rights. The shares of the Series D Preferred Stock shall not have any rights, preferences, privileges or voting powers or relative, participating, optional or other special rights, or qualifications, limitations or restrictions thereof, other than as set forth herein or in the Charter or as provided by applicable law.

FORM OF WAIVER FOR THE COMPANY

In consideration for the benefits that it will receive as a result of its participation in the United States Department of the Treasury's Programs for Systemically Significant Failing Institutions (as set forth in Notice 2008-PSSFI) and any other economic stabilization program implemented by the Department of the Treasury under the Emergency Economic Stabilization Act of 2008 (the "EESA") either prior to or subsequent to the date of this letter (any such program, including the Programs for Systemically Significant Failing Institutions, an "EESA Program"), American International Group, Inc. This waiver includes all claims the Company may have under the laws of the United States or any state related to the requirements imposed by the aforementioned regulations and such requirements, including without limitation a claim for any compensation or other payments or benefits the Company's employees would otherwise receive, any challenge to the process by which the aforementioned regulations are or were adopted and any tort or constitutional claim about the effect of these regulations on the Company's employment relationship with its employees.

(e) The Company has the corporate power and authority to execute and deliver the Agreement and the Warrant to carry out its obligations thereunder (which includes the issuance of the Preferred Stock, Warrant and Warrant Shares).

(f) The execution, delivery and performance by the Company of the Agreement and the Warrant and the consummation of the transactions contemplated thereby have been duly authorized by all necessary corporate action on the part of the Company and its stockholders, and no further approval or authorization is required on the part of the Company, other than the vote of the stockholders described in Section 3.1(b) of the Agreement.

(g) The Agreement is a valid and binding obligation of the Company enforceable against the Company in accordance with its terms, except as the same may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the creditors' rights and general equitable principles, regardless of whether such enforceability is considered in a proceeding at law or in equity; *provided, however*, such counsel need express no opinion with respect to Section 3.1(b) or Section 4.5(g) or the severability provisions of the Agreement insofar as Section 3.1(b) or Section 4.5(g) is concerned.

1. Definitions. Unless the context otherwise requires, when used herein the following terms shall have the meanings indicated.

"Affiliate" has the meaning ascribed to it in the Purchase Agreement.

"Appraisal Procedure" means a procedure whereby two independent appraisers, one chosen by the Company and one by the Original Warrantholder, shall mutually agree upon the determinations then the subject of appraisal. Each party shall deliver a notice to the other appointing its appraiser within 15 days after the Appraisal Procedure is invoked. If within 30 days after appointment of the two appraisers they are unable to agree upon the amount in question, a third independent appraiser shall be chosen within 10 days thereafter by the mutual consent of such first two appraisers. The decision of the third appraiser so appointed and chosen shall be given within 30 days after the selection of such third appraiser. If three appraisers shall be appointed and the determination of one appraiser is disparate from the middle determination by more than twice the amount by which the other determination is disparate from the middle determination, then the determination of such appraiser shall be excluded, the remaining two determinations shall be averaged and such average shall be binding and conclusive upon the Company and the Original Warrantholder; otherwise, the

average of all three determinations shall be binding upon the Company and the Original Warrantholder. The costs of conducting any Appraisal Procedure shall be borne by the Company.

“*Board of Directors*” means the board of directors of the Company, including any duly authorized committee thereof.

“*Business Combination*” means a merger, consolidation, statutory share exchange or similar transaction that requires the approval of the Company’s stockholders.

“*Charter*” means, with respect to any Person, its certificate or articles of incorporation, articles of association, or similar organizational document.

“*Charter Amendment*” means the amendments to the Company’s Restated Certificate of Incorporation to reduce the par value of the Common Stock to \$0.000001 per share and increase the number of authorized shares of Common Stock to 19 billion.

“*Common Stock*” has the meaning ascribed to it in the Purchase Agreement.

“*Company*” means the American International Group, Inc.

“*conversion*” has the meaning set forth in Section 13(C).

For so long as the Original Warrantholder holds this Warrant or any portion thereof, it may object in writing to the Board of Director’s calculation of fair market value within 10 days of receipt of written notice thereof. If the Original Warrantholder and the Company are unable to agree on fair market value during the 10-day period following the delivery of the Original Warrantholder’s objection, the Appraisal Procedure may be invoked by either party to determine Fair Market Value by delivering written notification thereof not later than the 30th day after delivery of the Original Warrantholder’s objection.

If such security is not listed and traded in a manner that the quotations referred to above are available for the period required hereunder, the Market Price per share of Common Stock shall be deemed to be (i) in the event that any portion of the Warrant is held by the Original Warrantholder, the fair market value per share of such security as determined in good faith by the Original Warrantholder or (ii) in all other circumstances, the fair market value per share of such security as determined in good faith by the Board of Directors in reliance on an opinion of a nationally recognized independent investment banking corporation retained by the Company for this purpose and certified in a resolution to the Warrantholder. specified event occurs at 5:00 p.m. on that day, the Market Price would be determined by reference to such 4:00 p.m. closing price).

The “*Effective Date*” of a Pro Rata Repurchase shall mean the date of acceptance of shares for purchase or exchange by the Company under any tender or exchange offer which is a Pro Rata Repurchase or the date of purchase with respect to any Pro Rata Repurchase that is not a tender or exchange offer.

“*U.S. GAAP*” means United States generally accepted accounting principles.

“*Warrantholder*” has the meaning set forth in Section 2.

“*Warrant*” means this Warrant, issued pursuant to the Purchase Agreement.

2. Number of Shares; Exercise Price. This certifies that, for value received, the United States Department of the Treasury or its permitted assigns (the “*Warrantholder*”) is entitled, upon the terms and subject to the conditions hereinafter set forth, to acquire from the Company, in whole or in part, after the receipt of all applicable Regulatory Approvals, if any, up to an aggregate of 53,798,766 fully paid and nonassessable shares of Common Stock, at a purchase price per share of Common Stock equal to the Exercise Price. The number of shares of Common Stock (the “*Shares*”) and the Exercise Price are subject to adjustment as provided herein, and all references to “Common Stock,” “Shares” and “Exercise Price” herein shall be deemed to include any such adjustment or series of adjustments.

3. Exercise of Warrant; Term. Subject to Section 2, to the extent permitted by applicable laws and regulations, the right to purchase the Shares represented by this Warrant is exercisable, in whole or in part by the Warrantholder, at any time or from time to time after the execution and delivery of this Warrant by the Company on the date hereof, but in no event later than 5:00 p.m., New York City time on the tenth anniversary of the Issue Date (the “*Expiration Time*”), by (A) the surrender of this Warrant and Notice of Exercise annexed hereto, duly completed and executed on behalf of the Warrantholder, at the principal executive office of the Company located at 70 Pine Street, New York, New York 10270 Attention: Chief Financial Officer (or such other office or

agency of the Company in the United States as it may designate by notice in writing to the Warrantholder at the address of the Warrantholder appearing on the books of the Company), and (B) payment of the Exercise Price for the Shares thereby purchased:

(i) by having the Company withhold, from the shares of Common Stock that would otherwise be delivered to the Warrantholder upon such exercise, shares of Common Stock issuable upon exercise of the Warrant equal in value to the aggregate Exercise Price as to which this Warrant is so exercised based on the Market Price of the Common Stock on the trading day on which this Warrant is exercised and the Notice of Exercise is delivered to the Company pursuant to this Section 3, or

(ii) with the consent of both the Company and the Warrantholder, by tendering in cash, by certified or cashier's check payable to the order of the Company, or by wire transfer of immediately available funds to an account designated by the Company.

If the Warrantholder does not exercise this Warrant in its entirety, the Warrantholder will be entitled to receive from the Company within a reasonable time, and in any event not exceeding three business days, a new warrant in substantially identical form for the purchase of that number of Shares equal to the difference between the number of Shares subject to this Warrant and the number of Shares as to which this Warrant is so exercised. Notwithstanding anything in this Warrant to the contrary, the Warrantholder hereby acknowledges and agrees that its exercise of this Warrant for Shares is subject to the condition that the Warrantholder will have first received any applicable Regulatory Approvals.

4. Issuance of Shares; Authorization; Listing. Book-entries representing Shares issued upon exercise of this Warrant will be promptly recorded in such name or names as the Warrantholder may designate. The Company hereby represents and warrants that any Shares issued upon the exercise of this Warrant in accordance with the provisions of Section 3 will be duly and validly authorized and issued, fully paid and nonassessable and free from all taxes, liens and charges (other than liens or charges created by the Warrantholder, income and franchise taxes incurred in connection with the exercise of the Warrant or taxes in respect of any transfer occurring contemporaneously therewith). The Company agrees that the Shares so issued will be deemed to have been issued to the Warrantholder as of the close of business on the date on which this Warrant and payment of the Exercise Price are delivered to the Company in accordance with the terms of this Warrant, notwithstanding that the stock transfer books of the Company may then be closed. The Company will at all times reserve and keep available, out of its authorized but unissued Common Stock, solely for the purpose of providing for the exercise of this Warrant, the aggregate number of shares of Common Stock then issuable upon exercise of this Warrant at any time. The Company will (A) procure, at its sole expense, the listing of the Shares issuable upon exercise of this Warrant at any time, subject to issuance or notice of

issuance, on all principal stock exchanges on which the Common Stock is then listed or traded and (B) maintain such listings of such Shares at all times after issuance. The Company will use reasonable best efforts to ensure that the Shares may be issued without violation of any applicable law or regulation or of any requirement of any securities exchange on which the Shares are listed or traded.

5. No Fractional Shares or Scrip. No fractional Shares or scrip representing fractional Shares shall be issued upon any exercise of this Warrant. In lieu of any fractional Share to which the Warrantholder would otherwise be entitled, the Warrantholder shall be entitled to receive a cash payment equal to the Market Price of the Common Stock on the last trading day preceding the date of exercise less the pro-rated Exercise Price for such fractional share.

6. No Rights as Stockholders; Transfer Books. This Warrant does not entitle the Warrantholder to any voting rights or other rights as a stockholder of the Company prior to the date of exercise hereof. The Company will at no time close its transfer books against transfer of this Warrant in any manner which interferes with the timely exercise of this Warrant.

7. Charges, Taxes and Expenses. Issuance of Shares to the Warrantholder upon the exercise of this Warrant shall be made without charge to the Warrantholder for any issue or transfer tax or other incidental expense in respect of the issuance of such Shares, all of which taxes and expenses shall be paid by the Company.

8. Transfer/Assignment.

(A) Subject to compliance with clause (B) of this Section 8, this Warrant and all rights hereunder are transferable, in whole or in part, upon the books of the Company by the registered holder hereof in person or by duly authorized attorney, and a new warrant shall be made and delivered by the Company, of the same tenor and date as this Warrant but registered in the name of one or more transferees, upon surrender of this Warrant, duly endorsed, to the office or agency of the Company described in Section 3. All expenses (other than stock transfer taxes) and other charges payable in connection with the preparation, execution and delivery of the new warrants pursuant to this Section 8 shall be paid by the Company.

(B) The transfer of the Warrant and the Shares issued upon exercise of the Warrant are subject to the restrictions set forth in Section 4.4 of the Purchase Agreement. If and for so long as required by the Purchase Agreement, this Warrant shall contain the legends as set forth in Section 4.2(a) of the Purchase Agreement.

9. Exchange and Registry of Warrant. This Warrant is exchangeable, upon the surrender hereof by the Warrantholder to the Company, for a new warrant or warrants of like tenor and representing the right to purchase the same

aggregate number of Shares. The Company shall maintain a registry showing the name and address of the Warrantholder as the registered holder of this Warrant. This Warrant may be surrendered for exchange or exercise in accordance with its terms, at the office of the Company, and the Company shall be entitled to rely in all respects, prior to written notice to the contrary, upon such registry.

10. Loss, Theft, Destruction or Mutilation of Warrant. Upon receipt by the Company of evidence reasonably satisfactory to it of the loss, theft, destruction or mutilation of this Warrant, and in the case of any such loss, theft or destruction, upon receipt of a bond, indemnity or security reasonably satisfactory to the Company, or, in the case of any such mutilation, upon surrender and cancellation of this Warrant, the Company shall make and deliver, in lieu of such lost, stolen, destroyed or mutilated Warrant, a new Warrant of like tenor and representing the right to purchase the same aggregate number of Shares as provided for in such lost, stolen, destroyed or mutilated Warrant.

11. Saturdays, Sundays, Holidays, etc. If the last or appointed day for the taking of any action or the expiration of any right required or granted herein shall not be a business day, then such action may be taken or such right may be exercised on the next succeeding day that is a business day.

12. Rule 144 Information. The Company covenants that it will use its reasonable best efforts to timely file all reports and other documents required to be filed by it under the Securities Act and the Exchange Act and the rules and regulations promulgated by the SEC thereunder (or, if the Company is not required to file such reports, it will, upon the request of any Warrantholder, make publicly available such information as necessary to permit sales pursuant to Rule 144 under the Securities Act), and it will use reasonable best efforts to take such further action as any Warrantholder may reasonably request, in each case to the extent required from time to time to enable such holder to, if permitted by the terms of this Warrant and the Purchase Agreement, sell this Warrant without registration under the Securities Act within the limitation of the exemptions provided by (A) Rule 144 under the Securities Act, as such rule may be amended from time to time, or (B) any successor rule or regulation hereafter adopted by the SEC. Upon the written request of any Warrantholder, the Company will deliver to such Warrantholder a written statement that it has complied with such requirements.

13. Adjustments and Other Rights. The Exercise Price and the number of Shares issuable upon exercise of this Warrant shall be subject to adjustment from time to time as follows; *provided*, that if more than one subsection of this Section 13 is applicable to a single event, the subsection shall be applied that produces the largest adjustment and no single event shall cause an adjustment under more than one subsection of this Section 13 so as to result in duplication:

(A) Charter Amendment. Upon the effectiveness of the Charter Amendment, the Exercise Price shall be adjusted from its initial value of \$2.50 to the amended par value per share of Common Stock.

(B) Stock Splits, Subdivisions, Reclassifications or Combinations. If the Company shall (i) declare and pay a dividend or make a distribution on its Common Stock in shares of Common Stock, (ii) subdivide or reclassify the outstanding shares of Common Stock into a greater number of shares, or (iii) combine or reclassify the outstanding shares of Common Stock into a smaller number of shares, the number of Shares issuable upon exercise of this Warrant at the time of the record date for such dividend or distribution or the effective date of such subdivision, combination or reclassification shall be proportionately adjusted so that the Warrantholder after such date shall be entitled to purchase the number of shares of Common Stock which such holder would have owned or been entitled to receive in respect of the shares of Common Stock subject to this Warrant after such date had this Warrant been exercised immediately prior to such date. In such event, the Exercise Price in effect at the time of the record date for such dividend or distribution or the effective date of such subdivision, combination or reclassification shall be adjusted to the number obtained by dividing (x) the product of (1) the number of Shares issuable upon the exercise of this Warrant before such adjustment and (2) the Exercise Price in effect immediately prior to the record or effective date, as the case may be, for the dividend, distribution, subdivision, combination or reclassification giving rise to this adjustment by (y) the new number of Shares issuable upon exercise of the Warrant determined pursuant to the immediately preceding sentence.

(C) Certain Issuances of Common Shares or Convertible Securities. Until the earlier of (i) the date on which the Original Warrantholder no longer holds this Warrant or any portion thereof and (ii) the third anniversary of the Issue Date, if the Company shall issue shares of Common Stock (or rights or warrants or other securities exercisable or convertible into or exchangeable (collectively, a "conversion") for shares of Common Stock) (collectively, "convertible securities") (other than in Permitted Transactions (as defined below) or a transaction to which subsection (B) of this Section 13 is applicable) without consideration or at a consideration per share (or having a conversion price per share) that is less than 90% of the Market Price on the last trading day preceding the date of the agreement on pricing such shares (or such convertible securities) then, in such event:

(A) the number of Shares issuable upon the exercise of this Warrant immediately prior to the date of the agreement on pricing of such shares (or of such convertible securities) (the "Initial Number") shall be increased to the number obtained by multiplying the Initial Number by a fraction (A) the numerator of which shall be the sum of (x) the number of shares of Common Stock of the Company outstanding on such date and (y) the number of additional shares of Common Stock issued (or into which convertible securities may be exercised or convert) and (B) the

denominator of which shall be the sum of (I) the number of shares of Common Stock outstanding on such date and (II) the number of shares of Common Stock which the aggregate consideration receivable by the Company for the total number of shares of Common Stock so issued (or into which convertible securities may be exercised or convert) would purchase at the Market Price on the last trading day preceding the date of the agreement on pricing such shares (or such convertible securities); and

(B) the Exercise Price payable upon exercise of the Warrant shall be adjusted by multiplying such Exercise Price in effect immediately prior to the date of the agreement on pricing of such shares (or of such convertible securities) by a fraction, the numerator of which shall be the number of shares of Common Stock issuable upon exercise of this Warrant prior to such date and the denominator of which shall be the number of shares of Common Stock issuable upon exercise of this Warrant immediately after the adjustment described in clause (A) above.

For purposes of the foregoing, the aggregate consideration receivable by the Company in connection with the issuance of such shares of Common Stock or convertible securities shall be deemed to be equal to the sum of the net offering price (including the Fair Market Value of any non-cash consideration and after deduction of any related expenses payable to third parties) of all such securities plus the minimum aggregate amount, if any, payable upon exercise or conversion of any such convertible securities into shares of Common Stock; and "*Permitted Transactions*" shall mean issuances (i) as consideration for or to fund the acquisition of businesses and/or related assets, (ii) in connection with employee benefit plans and compensation related arrangements in the ordinary course and consistent with past practice approved by the Board of Directors, (iii) in connection with a public or broadly marketed offering and sale of Common Stock or convertible securities for cash conducted by the Company or its affiliates pursuant to registration under the Securities Act or Rule 144A thereunder on a basis consistent with capital raising transactions by comparable financial institutions and (iv) in connection with the exercise of preemptive rights on terms existing as of the Issue Date. Any adjustment made pursuant to this Section 13(C) shall become effective immediately upon the date of such issuance.

(D) Other Distributions. In case the Company shall fix a record date for the making of a distribution to all holders of shares of its Common Stock of securities, evidences of indebtedness, assets, cash, rights or warrants (excluding dividends of its Common Stock and other dividends or distributions referred to in Section 13(B)), in each such case, the Exercise Price in effect prior to such record date shall be reduced immediately thereafter to the price determined by multiplying the Exercise Price in effect immediately prior to the reduction by the quotient of (x) the Market Price of the Common Stock on the last trading day preceding the first date on which the Common Stock trades regular way on the principal national securities exchange on which the Common Stock is listed or admitted to trading without the right to receive such distribution, minus the

amount of cash and/or the Fair Market Value of the securities, evidences of indebtedness, assets, rights or warrants to be so distributed in respect of one share of Common Stock (such amount and/or Fair Market Value, the "*Per Share Fair Market Value*") divided by (y) such Market Price on such date specified in clause (x); such adjustment shall be made successively whenever such a record date is fixed. In such event, the number of Shares issuable upon the exercise of this Warrant shall be increased to the number obtained by dividing (x) the product of (1) the number of Shares issuable upon the exercise of this Warrant before such adjustment, and (2) the Exercise Price in effect immediately prior to the distribution giving rise to this adjustment by (y) the new Exercise Price determined in accordance with the immediately preceding sentence. In the event that such distribution is not so made, the Exercise Price and the number of Shares issuable upon exercise of this Warrant then in effect shall be readjusted, effective as of the date when the Board of Directors determines not to distribute such shares, evidences of indebtedness, assets, rights, cash or warrants, as the case may be, to the Exercise Price that would then be in effect and the number of Shares that would then be issuable upon exercise of this Warrant if such record date had not been fixed.

(E) Certain Repurchases of Common Stock. In case the Company effects a Pro Rata Repurchase of Common Stock, then the Exercise Price shall be reduced to the price determined by multiplying the Exercise Price in effect immediately prior to the Effective Date of such Pro Rata Repurchase by a fraction of which the numerator shall be (i) the product of (x) the number of shares of Common Stock outstanding immediately before such Pro Rata Repurchase and (y) the Market Price of a share of Common Stock on the trading day immediately preceding the first public announcement by the Company or any of its Affiliates of the intent to effect such Pro Rata Repurchase, minus (ii) the aggregate purchase price of the Pro Rata Repurchase, and of which the denominator shall be the product of (i) the number of shares of Common Stock outstanding immediately prior to such Pro Rata Repurchase minus the number of shares of Common Stock so repurchased and (ii) the Market Price per share of Common Stock on the trading day immediately preceding the first public announcement by the Company or any of its Affiliates of the intent to effect such Pro Rata Repurchase. In such event, the number of shares of Common Stock issuable upon the exercise of this Warrant shall be increased to the number obtained by dividing (x) the product of (1) the number of Shares issuable upon the exercise of this Warrant before such adjustment, and (2) the Exercise Price in effect immediately prior to the Pro Rata Repurchase giving rise to this adjustment by (y) the new Exercise Price determined in accordance with the immediately preceding sentence. For the avoidance of doubt, no increase to the Exercise Price or decrease in the number of Shares issuable upon exercise of this Warrant shall be made pursuant to this Section 13(E).

(F) Business Combinations. In case of any Business Combination or reclassification of Common Stock (other than a reclassification of Common Stock

referred to in Section 13(B)), the Warrantholder's right to receive Shares upon exercise of this Warrant shall be converted into the right to exercise this Warrant to acquire the number of shares of stock or other securities or property (including cash) which the Common Stock issuable (at the time of such Business Combination or reclassification) upon exercise of this Warrant immediately prior to such Business Combination or reclassification would have been entitled to receive upon consummation of such Business Combination or reclassification; and in any such case, if necessary, the provisions set forth herein with respect to the rights and interests thereafter of the Warrantholder shall be appropriately adjusted so as to be applicable, as nearly as may reasonably be, to the Warrantholder's right to exercise this Warrant in exchange for any shares of stock or other securities or property pursuant to this paragraph. In determining the kind and amount of stock, securities or the property receivable upon exercise of this Warrant following the consummation of such Business Combination, if the holders of Common Stock have the right to elect the kind or amount of consideration receivable upon consummation of such Business Combination, then the consideration that the Warrantholder shall be entitled to receive upon exercise shall be deemed to be the types and amounts of consideration received by the majority of all holders of the shares of Common Stock that affirmatively make an election (or of all such holders if none make an election).

(G) Rounding of Calculations; Minimum Adjustments. All calculations under this Section 13 shall be made to the nearest one-tenth (1/10th) of a cent or to the nearest one-hundredth (1/100th) of a share, as the case may be. Any provision of this Section 13 to the contrary notwithstanding, no adjustment in the Exercise Price or the number of Shares into which this Warrant is exercisable shall be made if the amount of such adjustment would be less than \$0.01 or one-tenth (1/10th) of a share of Common Stock, but any such amount shall be carried forward and an adjustment with respect thereto shall be made at the time of and together with any subsequent adjustment which, together with such amount and any other amount or amounts so carried forward, shall aggregate \$0.01 or 1/10th of a share of Common Stock, or more.

(H) Timing of Issuance of Additional Common Stock Upon Certain Adjustments. In any case in which the provisions of this Section 13 shall require that an adjustment shall become effective immediately after a record date for an event, the Company may defer until the occurrence of such event (i) issuing to the Warrantholder of this Warrant exercised after such record date and before the occurrence of such event the additional shares of Common Stock issuable upon such exercise by reason of the adjustment required by such event over and above the shares of Common Stock issuable upon such exercise before giving effect to such adjustment and (ii) paying to such Warrantholder any amount of cash in lieu of a fractional share of Common Stock; *provided, however,* that the Company upon request shall deliver to such Warrantholder a due bill or other appropriate instrument evidencing such Warrantholder's right to receive such additional shares, and such cash, upon the occurrence of the event requiring such adjustment.

(I) Other Events. For so long as the Original Warrantholder holds this Warrant or any portion thereof, if any event occurs as to which the provisions of this Section 13 are not strictly applicable or, if strictly applicable, would not, in the good faith judgment of the Board of Directors of the Company, fairly and adequately protect the purchase rights of the Warrants in accordance with the essential intent and principles of such provisions, then the Board of Directors shall make such adjustments in the application of such provisions, in accordance with such essential intent and principles, as shall be reasonably necessary, in the good faith opinion of the Board of Directors, to protect such purchase rights as aforesaid. The Exercise Price and the number of Shares into which this Warrant is exercisable shall not be adjusted in the event of a change in the par value of the Common Stock (other than pursuant to the Charter Amendment) or a change in the jurisdiction of incorporation of the Company.

(J) Statement Regarding Adjustments. Whenever the Exercise Price or the number of Shares into which this Warrant is exercisable shall be adjusted as provided in Section 13, the Company shall forthwith file at the principal office of the Company a statement showing in reasonable detail the facts requiring such adjustment and the Exercise Price that shall be in effect and the number of Shares into which this Warrant shall be exercisable after such adjustment, and the Company shall also cause a copy of such statement to be sent by mail, first class postage prepaid, to each Warrantholder at the address appearing in the Company's records.

(K) Notice of Adjustment Event. In the event that the Company shall propose to take any action of the type described in this Section 13 (but only if the action of the type described in this Section 13 would result in an adjustment in the Exercise Price or the number of Shares into which this Warrant is exercisable or a change in the type of securities or property to be delivered upon exercise of this Warrant), the Company shall give notice to the Warrantholder, in the manner set forth in Section 13(J), which notice shall specify the record date, if any, with respect to any such action and the approximate date on which such action is to take place. Such notice shall also set forth the facts with respect thereto as shall be reasonably necessary to indicate the effect on the Exercise Price and the number, kind or class of shares or other securities or property which shall be deliverable upon exercise of this Warrant. In the case of any action which would require the fixing of a record date, such notice shall be given at least 10 days prior to the date so fixed, and in case of all other action, such notice shall be given at least 15 days prior to the taking of such proposed action. Failure to give such notice, or any defect therein, shall not affect the legality or validity of any such action.

(L) Proceedings Prior to Any Action Requiring Adjustment. As a condition precedent to the taking of any action which would require an adjustment pursuant to this Section 13, the Company shall take any action which may be necessary, including obtaining regulatory, New York Stock Exchange or stockholder approvals or exemptions, in order that the Company may thereafter validly and legally issue as fully paid and nonassessable all shares of Common

Stock that the Warrantholder is entitled to receive upon exercise of this Warrant pursuant to this Section 13.

(M) Adjustment Rules. Any adjustments pursuant to this Section 13 shall be made successively whenever an event referred to herein shall occur. If an adjustment in Exercise Price made hereunder would reduce the Exercise Price to an amount below par value of the Common Stock, then such adjustment in Exercise Price made hereunder shall reduce the Exercise Price to the par value of the Common Stock.

14. Exchange. At any time following the date on which the shares of Common Stock of the Company are no longer listed or admitted to trading on a national securities exchange (other than in connection with any Business Combination), the Original Warrantholder may cause the Company to exchange all or a portion of this Warrant for an economic interest (to be determined by the Original Warrantholder after consultation with the Company) of the Company classified as permanent equity under U.S. GAAP having a value equal to the Fair Market Value of the portion of the Warrant so exchanged. The Original Warrantholder shall calculate any Fair Market Value required to be calculated pursuant to this Section 14, which shall not be subject to the Appraisal Procedure.

15. No Impairment. The Company will not, by amendment of its Charter or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder by the Company, but will at all times in good faith assist in the carrying out of all the provisions of this Warrant and in taking of all such action as may be necessary or appropriate in order to protect the rights of the Warrantholder.

16. Governing Law. **This Warrant, and the rights and obligations of the parties hereunder, shall be governed by, and construed and interpreted in accordance with, United States federal law and not the law of any State. To the extent that a court looks to the laws of any State to determine or define the United States federal law, it is the intention of the parties hereto that such court shall look only to the laws of the State of New York without regard to the rules of conflicts of laws. Each of the Company and the Warrantholder agrees (a) to submit to the exclusive jurisdiction and venue of the United States District Court for the District of Columbia for any action, suit or proceeding arising out of or relating to this Warrant or the transactions contemplated hereby, and (b) that notice may be served upon the Company at the address in Section 20 below and upon the Warrantholder at the address for the Warrantholder set forth in the registry maintained by the Company pursuant to Section 9 hereof. To the extent permitted by applicable law, each of the Company and the Warrantholder hereby unconditionally waives trial by jury in any legal action or proceeding relating to the Warrant or the transactions contemplated hereby or thereby.**

17. Binding Effect. This Warrant shall be binding upon any successors or assigns of the Company.

18. Amendments. This Warrant may be amended and the observance of any term of this Warrant may be waived only with the written consent of the Company and the Warrantholder.

19. Prohibited Actions. The Company agrees that it will not take any action which would entitle the Warrantholder to an adjustment of the Exercise Price if the total number of shares of Common Stock issuable after such action upon exercise of this Warrant, together with all shares of Common Stock then outstanding and all shares of Common Stock then issuable upon the exercise of all outstanding options, warrants, conversion and other rights, would exceed the total number of shares of Common Stock then authorized by its Charter.

20. Notices. Any notice, request, instruction or other document to be given hereunder by any party to the other will be in writing and will be deemed to have been duly given (a) on the date of delivery if delivered personally, or by facsimile, upon confirmation of receipt, or (b) on the second business day following the date of dispatch if delivered by a recognized next day courier service. All notices hereunder shall be delivered as set forth below, or pursuant to such other instructions as may be designated in writing by the party to receive such notice.

OF

SERIES D FIXED RATE CUMULATIVE PERPETUAL PREFERRED STOCK

OF

AMERICAN INTERNATIONAL GROUP, INC.

American International Group, Inc., a corporation organized and existing under the General Corporation Law of the State of Delaware (the "Company"), hereby certifies that the following resolution was adopted by the Board of Directors of the Company (the "Board of Directors") as required by Section 151 of the General Corporation Law of the State of Delaware at a meeting duly held on November 19, 2008.

RESOLVED, that pursuant to the authority granted to and vested in the Board of Directors in accordance with the provisions of the Restated Certificate of Incorporation, as amended, the Board of Directors hereby creates a series of Serial Preferred Stock, par value \$5.00 per share, of the Company, and hereby states the designation and number of shares, and fixes the voting and other powers, and the relative rights and preferences, and the qualifications, limitations and restrictions thereof, as follows:

Series D Fixed Rate Cumulative Perpetual Preferred Stock:

Part 1. Designation and Number of Shares. There is hereby created out of the authorized and unissued shares of serial preferred stock of the Company a series of preferred stock designated as the "Series D Fixed Rate Cumulative Perpetual Preferred Stock" (the "Series D Preferred Stock"). The authorized number of shares of the Series D Preferred Stock shall be 4,000,000. Such number of shares may be decreased by resolution of the Board of Directors, subject to the terms and conditions hereof, provided that no decrease shall reduce the number of shares of the Series D Preferred Stock to a number less than the number of shares then outstanding.

Part 2. Standard Provisions. The Standard Provisions contained in Annex A attached hereto are incorporated herein by reference in their entirety and shall be deemed to be a part of this Certificate of Designations to the same extent as if such provisions had been set forth in full herein.

Part 3. Definitions. The following terms are used in this Certificate of Designations (including the Standard Provisions in Annex A hereto) as defined below:

- (a) "Common Stock" means the common stock, par value \$2.50 per share, of the Company.
- (b) "Convertible Preferred Stock" means the Series C Perpetual, Convertible, Participating Preferred Stock of the Company. The Convertible Preferred Stock shall be Parity

Stock; provided that the Convertible Preferred Stock shall be Junior Stock following the effectiveness of an amendment to the Charter to allow the Series D Preferred Stock to rank senior to the Convertible Preferred Stock as to dividends rights and/or rights upon the liquidation, dissolution and winding up (the "Amendment").

(c) "Dividend Payment Date" means February 1, May 1, August 1 and November 1 of each year.

(d) "Junior Stock" means the Common Stock, the Convertible Preferred Stock (following the Amendment) and any other class or series of stock of the Company the terms of which expressly provide that it ranks junior to the Series D Preferred Stock as to dividend rights and/or as to rights on liquidation, dissolution or winding up of the Company.

(e) "Liquidation Amount" means \$10,000 per share of the Series D Preferred Stock.

(f) "Parity Stock" means the Convertible Preferred Stock (before the Amendment) and any class or series of stock of the Company (other than the Series D Preferred Stock) the terms of which do not expressly provide that such class or series will rank senior or junior to the Series D Preferred Stock as to dividend rights and/or as to rights on liquidation, dissolution or winding up of the Company (in each case without regard to whether dividends accrue cumulatively or non-cumulatively).

(h) "Signing Date" means November 24, 2008.

Part. 4. Certain Voting Matters. Whether the vote or consent of the holders of a plurality, majority or other portion of the shares of the Series D Preferred Stock and any Voting Parity Stock has been cast or given on any matter on which the holders of shares of the Series D Preferred Stock and any Voting Parity Stock are entitled to vote or consent together as a class shall be determined by the Company by reference to the specified liquidation amount of the shares of the Series D Preferred Stock voted or with respect to which a consent has been received as if the Company were liquidated on the record date for such vote or consent, if any, or, in the absence of a record date, on the date for such vote or consent. For purposes of determining the voting rights of the holders of the Series D Preferred Stock under Section 7 of the Standard Provisions forming part of this Certificate of Designations, each holder will be entitled to one vote for each \$10,000 of liquidation preference to which such holder's shares are entitled.

Section 3. Dividends.

(a) Rate. Holders of the Series D Preferred Stock shall be entitled to receive, on each share of the Series D Preferred Stock if, as and when declared by the Board of Directors or any duly authorized committee of the Board of Directors, but only out of assets legally available therefor, cumulative cash dividends with respect to each Dividend Period (as defined below) at a rate per annum equal to the Applicable Dividend Rate on (i) the Liquidation Amount per share of the Series D Preferred Stock and (ii) the amount of accrued and unpaid dividends for any prior Dividend Period on such share of the Series D Preferred Stock, if any. Such dividends shall begin to accrue and be cumulative from the Original Issue Date, shall compound on each subsequent Dividend Payment Date (*i.e.*, no dividends shall accrue on other dividends unless and until the first Dividend Payment Date for such other dividends has passed without such other dividends having been paid on such date) and shall be payable quarterly in arrears on each Dividend Payment Date, commencing with the first such Dividend Payment Date to occur at least 20 calendar days after the Original Issue Date. In the event that any Dividend Payment Date would otherwise fall on a day that is not a Business Day, the dividend payment due on that date will be postponed to the next day that is a Business Day and no additional dividends will accrue as a result of that postponement. The period from and including any Dividend Payment Date to, but excluding, the next Dividend Payment Date is a "Dividend Period", provided that the initial Dividend Period shall be the period from and including the Original Issue Date to, but excluding, the next Dividend Payment Date.

Dividends that are payable on Series D Preferred Stock in respect of any Dividend Period shall be computed on the basis of a 360-day year consisting of twelve 30-day months. The amount of dividends payable on Series D Preferred Stock on any date prior to the end of a Dividend Period, and for the initial Dividend Period, shall be computed on the basis of a 360-day year consisting of twelve 30-day months, and actual days elapsed over a 30-day month.

Dividends that are payable on Series D Preferred Stock on any Dividend Payment Date will be payable to holders of record of the Series D Preferred Stock as they appear on the stock register of the Company on the applicable record date, which shall be the 15th calendar day immediately preceding such Dividend Payment Date or such other record date fixed by the Board of Directors or any duly authorized committee of the Board of Directors that is not more than 60 nor less than 10 days prior to such Dividend Payment Date (each, a "Dividend Record

Date”). Any such day that is a Dividend Record Date shall be a Dividend Record Date whether or not such day is a Business Day.

Holders of the Series D Preferred Stock shall not be entitled to any dividends, whether payable in cash, securities or other property, other than dividends (if any) declared and payable on the Series D Preferred Stock as specified in this Section 3 (subject to the other provisions of the Certificate of Designations).

(b) Priority of Dividends. So long as any share of the Series D Preferred Stock remains outstanding, no dividend or distribution shall be declared or paid on the Common Stock or any other shares of Junior Stock (other than dividends payable solely in shares of Common Stock) or Parity Stock, subject to the immediately following paragraph in the case of Parity Stock, and no Common Stock, Junior Stock or Parity Stock shall be, directly or indirectly, purchased, redeemed or otherwise acquired for consideration by the Corporation or any of its subsidiaries unless all accrued and unpaid dividends for all past Dividend Periods, including the latest completed Dividend Period (including, if applicable as provided in Section 3(a) above, dividends on such amount), on all outstanding shares of the Series D Preferred Stock have been or are contemporaneously declared and paid in full (or have been declared and a sum sufficient for the payment thereof has been set aside for the benefit of the holders of shares of the Series D Preferred Stock on the applicable record date). The foregoing limitation shall not apply to (i) a dividend payable on any Junior Stock in shares of any other Junior Stock, or to the acquisition of shares of any Junior Stock in exchange for, or through application of the proceeds of the sale of, shares of any other Junior Stock; (ii) redemptions, purchases or other acquisitions of shares of Common Stock or other Junior Stock in connection with the administration of any employee benefit plan in the ordinary course of business (including purchases to offset the Share Dilution Amount (as defined below) pursuant to a publicly announced repurchase plan) and consistent with past practice, *provided* that any purchases to offset the Share Dilution Amount shall in no event exceed the Share Dilution Amount; (iii) any dividends or distributions of rights or Junior Stock in connection with a stockholders' rights plan or any redemption or repurchase of rights pursuant to any stockholders' rights plan; (iv) the acquisition by the Company or any of its subsidiaries of record ownership in Junior Stock or Parity Stock for the beneficial ownership of any other persons (other than the Corporation or any of its subsidiaries), including as trustees or custodians; and (v) the exchange or conversion of Junior Stock for or into other Junior Stock or of Parity Stock for or into other Parity Stock (with the same or lesser aggregate liquidation amount) or Junior Stock, in each case, solely to the extent required pursuant to binding contractual agreements entered into prior to the Signing Date or any subsequent agreement for the accelerated exercise, settlement or exchange thereof for Common Stock. "Share Dilution Amount" means the increase in the number of diluted shares outstanding (determined in accordance with generally accepted accounting principles in the United States, and as measured from the date of the Company's consolidated financial statements most recently filed with the Securities and Exchange Commission prior to the Original Issue Date) resulting from the grant, vesting or exercise of equity-based compensation to employees and equitably adjusted for any stock split, stock dividend, reverse stock split, reclassification or similar transaction.

When dividends are not paid (or declared and a sum sufficient for payment thereof set aside for the benefit of the holders thereof on the applicable record date) on any Dividend Payment Date (or, in the case of Parity Stock having dividend payment dates different from the

Dividend Payment Dates, on a dividend payment date falling within a Dividend Period related to such Dividend Payment Date) in full upon the Series D Preferred Stock and any shares of Parity Stock, all dividends declared on the Series D Preferred Stock and all such Parity Stock and payable on such Dividend Payment Date (or, in the case of Parity Stock having dividend payment dates different from the Dividend Payment Dates, on a dividend payment date falling within the Dividend Period related to such Dividend Payment Date) shall be declared *pro rata* so that the respective amounts of such dividends declared shall bear the same ratio to each other as all accrued and unpaid dividends per share on the shares of the Series D Preferred Stock (including, if applicable as provided in Section 3(a) above, dividends on such amount) and all Parity Stock payable on such Dividend Payment Date (or, in the case of Parity Stock having dividend payment dates different from the Dividend Payment Dates, on a dividend payment date falling within the Dividend Period related to such Dividend Payment Date) (subject to their having been declared by the Board of Directors or a duly authorized committee of the Board of Directors out of legally available funds and including, in the case of Parity Stock that bears cumulative dividends, all accrued but unpaid dividends) bear to each other. If the Board of Directors or a duly authorized committee of the Board of Directors determines not to pay any dividend or a full dividend on a Dividend Payment Date, the Company will provide written notice to the holders of the Series D Preferred Stock prior to such Dividend Payment Date.

Subject to the foregoing, and not otherwise, such dividends (payable in cash, securities or other property) as may be determined by the Board of Directors or any duly authorized committee of the Board of Directors may be declared and paid on any securities, including Common Stock and other Junior Stock, from time to time out of any funds legally available for such payment, and holders of the Series D Preferred Stock shall not be entitled to participate in any such dividends.

Section 4. Liquidation, Dissolution or Winding Up. In the event of any voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Company, then, before any distribution or payment shall be made to the holders of Junior Stock, the holders of the Series D Preferred Stock and any shares of Preferred Stock ranking on a parity therewith as to liquidation shall be entitled to be paid in full the respective amounts of the liquidation preferences thereof, which in the case of the Series D Preferred Stock shall be \$10,000.00 per share, plus an amount equal to all accrued and unpaid dividends to such distribution or payment date, whether or not earned or declared (including, if applicable, as provided in Section 3(a) above, dividends on such accrued and unpaid dividends for all prior Dividend Periods). If such payment shall have been made in full to the holders of the Series D Preferred Stock and any series of Preferred Stock ranking on a parity therewith as to liquidation, the remaining assets and funds of the Company shall be distributed among the holders of Junior Stock, according to their respective rights and preferences and in each case according to their respective shares. If, upon any liquidation, dissolution or winding up of the affairs of the Company, the amounts so payable are not paid in full to the holders of all outstanding shares of the Series D Preferred Stock and any series of Preferred Stock ranking on a parity therewith as to liquidation, the holders of the Series D Preferred Stock and any series of Preferred Stock ranking on a parity therewith as to liquidation shall share ratably in any distribution of assets in proportion to the full amounts to which they would otherwise be respectively entitled. Neither the consolidation or merger of the Company, nor the sale, lease or conveyance of all or a part of its assets, shall be deemed a liquidation,

dissolution or winding up of the affairs of the Company within the meaning of the foregoing provisions of this Section 4.

Section 5. Redemption.

(a) **Optional Redemption.** Except as provided in this Section 5(a), the Designated Preferred Stock shall not be redeemable. At any time that (i) the Trust (or any successor entity established for the benefit of the United States Treasury) "beneficially owns" less than 30% of the aggregate voting power of the Company's voting securities and (ii) no holder of the Series D Preferred Stock controls the Company, the Company may redeem, in whole or in part, at any time and from time to time, out of funds legally available therefor, the shares of the Series D Preferred Stock at the time outstanding, upon notice given as provided in Section 5(c) below, the Series D Preferred Stock in whole or in part at a redemption price equal to 100% of its Liquidation Amount, plus, except as set forth in the last sentence of the next paragraph, an amount equal to all accrued and unpaid dividends to such redemption date (including, if applicable, as provided in Section 3(a) above, dividends on accrued and unpaid dividends for all prior Dividend Periods). "Control" for purposes of this Section 5(a) means the power to direct the management and policies of the Company, directly or indirectly, whether through the ownership of voting securities, by contract, by the power to control the Board of Directors or otherwise. "Beneficially owns" for purposes of this Section 5(a) is defined in Rule 13d-3 under the Securities Exchange Act of 1934, as amended to the Signing Date. For the avoidance of doubt, while there is Board of Directors control (or the potential to gain Board of Directors control as a result of existing contractual rights) by any holder of the Series D Preferred Stock, the Company may not redeem any of the Series D Preferred Stock.

The redemption price for any shares of the Series D Preferred Stock shall be payable on the redemption date to the holder of such shares against surrender of the certificate(s) evidencing such shares to the Company or its agent. Any declared but unpaid dividends payable on a redemption date that occurs subsequent to the Dividend Record Date for a Dividend Period shall not be paid to the holder entitled to receive the redemption price on the redemption date, but rather shall be paid to the holder of record of the redeemed shares on such Dividend Record Date relating to the Dividend Payment Date as provided in Section 3 above.

(b) **No Sinking Fund.** The Series D Preferred Stock will not be subject to any mandatory redemption, sinking fund or other similar provisions. Holders of the Series D Preferred Stock will have no right to require redemption or repurchase of any shares of the Series D Preferred Stock.

(c) **Notice of Redemption.** Notice of every redemption of shares of the Series D Preferred Stock shall be given by first class mail, postage prepaid, addressed to the holders of record of the shares to be redeemed at their respective last addresses appearing on the books of the Company. Such mailing shall be at least 30 days and not more than 60 days before the date fixed for redemption. Any notice mailed as provided in this Subsection shall be conclusively presumed to have been duly given, whether or not the holder receives such notice, but failure duly to give such notice by mail, or any defect in such notice or in the mailing thereof, to any holder of shares of the Series D Preferred Stock designated for redemption shall not affect the validity of the proceedings for the redemption of any other shares of the Series D Preferred

Stock. Notwithstanding the foregoing, if shares of the Series D Preferred Stock are issued in book-entry form through The Depository Trust Corporation or any other similar facility, notice of redemption may be given to the holders of the Series D Preferred Stock at such time and in any manner permitted by such facility. Each notice of redemption given to a holder shall state: (1) the redemption date; (2) the number of shares of the Series D Preferred Stock to be redeemed and, if less than all the shares held by such holder are to be redeemed, the number of such shares to be redeemed from such holder; (3) the redemption price; and (4) the place or places where certificates for such shares are to be surrendered for payment of the redemption price, but failure duly to give such notice to any holder of shares of the Series D Preferred Stock designated for redemption or any defect in such notice shall not affect the validity of the proceedings for the redemption of any other shares of the Series D Preferred Stock.

(d) Partial Redemption. In case of any redemption of part of the shares of the Series D Preferred Stock at the time outstanding, the shares to be redeemed shall be selected either *pro rata* or in such other manner as the Board of Directors or a duly authorized committee thereof may determine to be fair and equitable. Subject to the provisions hereof, the Board of Directors or a duly authorized committee thereof shall have full power and authority to prescribe the terms and conditions upon which shares of the Series D Preferred Stock shall be redeemed from time to time. If fewer than all the shares represented by any certificate are redeemed, a new certificate shall be issued representing the unredeemed shares without charge to the holder thereof.

(c) Effectiveness of Redemption. If notice of redemption has been duly given and if on or before the redemption date specified in the notice all funds necessary for the redemption have been deposited by the Company, in trust for the *pro rata* benefit of the holders of the shares called for redemption, with a bank or trust company doing business in the Borough of Manhattan, The City of New York, and having a capital and surplus of at least \$500 million and selected by the Board of Directors, so as to be and continue to be available solely therefor, then, notwithstanding that any certificate for any share so called for redemption has not been surrendered for cancellation, on and after the redemption date dividends shall cease to accrue on all shares so called for redemption, all shares so called for redemption shall no longer be deemed outstanding and all rights with respect to such shares shall forthwith on such redemption date cease and terminate, except only the right of the holders thereof to receive the amount payable on such redemption from such bank or trust company, without interest. Any funds unclaimed at the end of three years from the redemption date shall, to the extent permitted by law, be released to the Company, after which time the holders of the shares so called for redemption shall look only to the Company for payment of the redemption price of such shares.

(f) Status of Redeemed Shares. Shares of the Series D Preferred Stock that are redeemed, repurchased or otherwise acquired by the Company shall revert to authorized but unissued shares of the Series D Preferred Stock (*provided* that any such cancelled shares of the Series D Preferred Stock may be reissued only as shares of any series of the Series D Preferred Stock other than the Series D Preferred Stock).

Section 6. Conversion. Holders of the Series D Preferred Stock shares shall have no right to exchange or convert such shares into any other securities.

Section 7. Voting Rights.

(a) General. The holders of the Series D Preferred Stock shall not have any voting rights except as set forth below or as otherwise from time to time required by law.

(b) Series D Preferred Stock Directors. Whenever, at any time or times, dividends payable on the shares of the Series D Preferred Stock have not been paid for an aggregate of four quarterly Dividend Periods or more, whether or not consecutive, the authorized number of directors of the Company shall automatically be increased to accommodate the number of the Preferred Directors specified below and the holders of the Series D Preferred Stock shall have the right, with holders of shares of any one or more other classes or series of Voting Parity Stock outstanding at the time, voting together as a class, to elect the greater of two directors and a number of directors (rounded upward) equal to 20% of the total number of directors of the Company after giving effect to such election (hereinafter the "Preferred Directors" and each a "Preferred Director") to fill such newly created directorships at the Company's next annual meeting of stockholders (or at a special meeting called for that purpose prior to such next annual meeting) and at each subsequent annual meeting of stockholders until all accrued and unpaid dividends for all past Dividend Periods, including the latest completed Dividend Period (including, if applicable as provided in Section 3(a) above, dividends on such amount), on all outstanding shares of the Series D Preferred Stock have been declared and paid in full at which time such right shall terminate with respect to the Series D Preferred Stock, except as herein or by law expressly provided, subject to reversion in the event of each and every subsequent payment failure of the character above mentioned; *provided* that it shall be a qualification for election for any Preferred Director that the election of such Preferred Director shall not cause the Company to violate any corporate governance requirements of any securities exchange or other trading facility on which securities of the Company may then be listed or traded that listed or traded companies must have a majority of independent directors. Upon any termination of the right of the holders of shares of the Series D Preferred Stock and Voting Parity Stock as a class to vote for directors as provided above, the Preferred Directors shall cease to be qualified as directors, the term of office of all Preferred Directors then in office shall terminate immediately and the authorized number of directors shall be reduced by the number of the Preferred Directors elected pursuant hereto. Any Preferred Director may be removed at any time, with or without cause, and any vacancy created thereby may be filled, only by the affirmative vote of the holders a majority of the shares of the Series D Preferred Stock at the time outstanding voting separately as a class together with the holders of shares of Voting Parity Stock, to the extent the voting rights of such holders described above are then exercisable. If the office of any Preferred Director becomes vacant for any reason other than removal from office as aforesaid, the remaining Preferred Director may choose a successor who shall hold office for the unexpired term in respect of which such vacancy occurred.

(c) Class Voting Rights as to Particular Matters. So long as any shares of the Series D Preferred Stock are outstanding, in addition to any other vote or consent of stockholders required by law or by the Charter, the vote or consent of the holders of at least 66 2/3% of the shares of the Series D Preferred Stock at the time outstanding, voting as a separate class, given in person or by proxy, either in writing without a meeting or by vote at any meeting called for the purpose, shall be necessary for effecting or validating:

(i) Authorization of Senior or Pari Passu Stock. Any amendment or alteration of the Certificate of Designations for the Series D Preferred Stock or the Charter to

authorize or create or increase the authorized amount of, or any issuance of, any shares of, or any securities convertible into or exchangeable or exercisable for shares of, any class or series of capital stock of the Company ranking senior to or pari passu with Series D Preferred Stock with respect to either or both the payment of dividends and/or the distribution of assets on any liquidation, dissolution or winding up of the Company; provided that no such vote or consent of the holders of the Series D Preferred Stock shall be required for the issuance of the Convertible Preferred Stock;

(ii) Amendment of the Series D Preferred Stock. Any amendment, alteration or repeal of any provision of the Certificate of Designations for the Series D Preferred Stock or the Charter (including, unless no vote on such merger or consolidation is required by Section 7(c)(iii) below, any amendment, alteration or repeal by means of a merger, consolidation or otherwise) so as to adversely affect the rights, preferences, privileges or voting powers of the Series D Preferred Stock; or

(iii) Share Exchanges, Reclassifications, Mergers and Consolidations. Any consummation of a binding share exchange or reclassification involving the Series D Preferred Stock, or of a merger or consolidation of the Company with or into another corporation or other entity, unless in each case (x) the shares of the Series D Preferred Stock remain outstanding and are not amended in any respect or, in the case of any such merger or consolidation with respect to which the Company is not the surviving or resulting entity, are converted into or exchanged for preference securities of the surviving or resulting entity or its ultimate parent, and (y) such shares remaining outstanding or such preference securities, as the case may be, have such rights, preferences, privileges and voting powers, and limitations and restrictions thereof, taken as a whole, as are not materially less favorable to the holders thereof than the rights, preferences, privileges and voting powers, and limitations and restrictions thereof, of the Series D Preferred Stock immediately prior to such consummation, taken as a whole;

provided, however, that for all purposes of this Section 7(c), any increase in the amount of the authorized Preferred Stock, including any increase in the authorized amount of the Series D Preferred Stock necessary to satisfy preemptive or similar rights granted by the Company to other persons prior to the Signing Date, or the creation and issuance, or an increase in the authorized or issued amount, whether pursuant to preemptive or similar rights or otherwise, of any other series of the Preferred Stock, or any securities convertible into or exchangeable or exercisable for any other series of the Preferred Stock, ranking junior to the Series D Preferred Stock with respect to the payment of dividends (whether such dividends are cumulative or non-cumulative) and the distribution of assets upon liquidation, dissolution or winding up of the Company will not be deemed to adversely affect the rights, preferences, privileges or voting powers, and shall not require the affirmative vote or consent of, the holders of outstanding shares of the Series D Preferred Stock.

(d) Changes after Provision for Redemption. No vote or consent of the holders of the Series D Preferred Stock shall be required pursuant to Section 7(c) above if, at or prior to the time when any such vote or consent would otherwise be required pursuant to such Section, all outstanding shares of the Series D Preferred Stock shall have been redeemed, or shall have been

called for redemption upon proper notice and sufficient funds shall have been deposited in trust for such redemption, in each case pursuant to Section 5 above.

Section 8. Record Holders. To the fullest extent permitted by applicable law, the Company and the transfer agent for Series D Preferred Stock may deem and treat the record holder of any share of the Series D Preferred Stock as the true and lawful owner thereof for all purposes, and neither the Company nor such transfer agent shall be affected by any notice to the contrary.

Section 9. Notices. All notices or communications in respect of the Series D Preferred Stock shall be sufficiently given if given in writing and delivered in person or by first class mail, postage prepaid, or if given in such other manner as may be permitted in this Certificate of Designations, in the Charter or Bylaws or by applicable law. Notwithstanding the foregoing, if shares of the Series D Preferred Stock are issued in book-entry form through The Depository Trust Company or any similar facility, such notices may be given to the holders of the Series D Preferred Stock in any manner permitted by such facility.

Section 10. No Preemptive Rights. No holder of the Series D Preferred Stock shall be entitled as a matter of right to subscribe for or purchase, or have any preemptive right with respect to, any part of any new or additional issue of stock of any class whatsoever, or of securities convertible into any stock of any class whatsoever, whether now or hereafter authorized and whether issued for cash or other consideration or by way of dividend.

Section 11. Replacement Certificates. The Company shall replace any mutilated certificate at the holder's expense upon surrender of that certificate to the Company. The Company shall replace certificates that become destroyed, stolen or lost at the holder's expense upon delivery to the Company of reasonably satisfactory evidence that the certificate has been destroyed, stolen or lost, together with any indemnity that may be reasonably required by the Company.

1. **Definitions.** Unless the context otherwise requires, when used herein the following terms shall have the meanings indicated.

"Affiliate" has the meaning ascribed to it in the Purchase Agreement.

"Appraisal Procedure" means a procedure whereby two independent appraisers, one chosen by the Company and one by the Original Warrantholder, shall mutually agree upon the determinations then the subject of appraisal. Each party shall deliver a notice to the other appointing its appraiser within 15 days after the Appraisal Procedure is invoked. If within 30 days after appointment of the two appraisers they are unable to agree upon the amount in question, a third independent appraiser shall be chosen within 10 days thereafter by the mutual consent of such first two appraisers. The decision of the third appraiser so appointed and chosen shall be given within 30 days after the selection of such third appraiser. If three appraisers shall be appointed and the determination of one appraiser is disparate from the middle determination by more than twice the amount by which the other determination is disparate from the middle determination, then the determination of such appraiser shall be excluded, the

remaining two determinations shall be averaged and such average shall be binding and conclusive upon the Company and the Original Warrantholder; otherwise, the average of all three determinations shall be binding upon the Company and the Original Warrantholder. The costs of conducting any Appraisal Procedure shall be borne by the Company.

“*Board of Directors*” means the board of directors of the Company, including any duly authorized committee thereof.

For so long as the Original Warrantholder holds this Warrant or any portion thereof, it may object in writing to the Board of Director’s calculation of fair market value within 10 days of receipt of written notice thereof. If the Original Warrantholder and the Company are unable to agree on fair market value during the 10-day period following the delivery of the Original Warrantholder’s objection, the Appraisal Procedure may be invoked by either party to determine Fair Market Value by delivering written notification thereof not later than the 30th day after delivery of the Original Warrantholder’s objection.

If such security is not listed and traded in a manner that the quotations referred to above are available for the period required hereunder, the Market Price per share of Common Stock shall be deemed to be (i) in the event that any portion of the Warrant is held by the Original Warrantholder, the fair market value per share of such security as determined in good faith by the Original Warrantholder or (ii) in all other circumstances, the fair market value per share of such security as determined in good faith by the Board of Directors in reliance on an opinion of a nationally recognized independent investment banking corporation retained by the Company for this purpose and certified in a resolution to the Warrantholder. The number of shares of Common Stock (the “*Shares*”) and the Exercise Price are subject to adjustment as provided herein, and all references to “Common Stock,” “Shares” and “Exercise Price” herein shall be deemed to include any such adjustment or series of adjustments.

3. Exercise of Warrant; Term. Subject to Section 2, to the extent permitted by applicable laws and regulations, the right to purchase the Shares represented by this Warrant is exercisable, in whole or in part by the Warrantholder, at any time or from time to time after the execution and delivery of this Warrant by the Company on the date hereof, but in no event later than 5:00 p.m., New York City time on the tenth anniversary of the Issue Date (the “*Expiration Time*”), by (A) the surrender of this Warrant and Notice of Exercise annexed hereto, duly completed and executed on behalf of the Warrantholder, at the principal executive office of the Company located at 70 Pine Street, New York, New York 10270 Attention: Chief Financial Officer (or such other office or agency of the Company in the United States as it may designate by notice in writing to the Warrantholder at the address of the Warrantholder appearing on the books of the Company), and (B) payment of the Exercise Price for the Shares thereby purchased:

(i) by having the Company withhold, from the shares of Common Stock that would otherwise be delivered to the Warrantholder upon such exercise, shares of Common Stock issuable upon exercise of the Warrant equal in value to the aggregate Exercise Price as to which this Warrant is so exercised based on the Market Price of the Common Stock on the trading day on which this Warrant is exercised and the Notice of Exercise is delivered to the Company pursuant to this Section 3, or

(ii) with the consent of both the Company and the Warrantholder, by tendering in cash, by certified or cashier’s check payable to the order of the Company, or by wire transfer of immediately available funds to an account designated by the Company.

If the Warrantholder does not exercise this Warrant in its entirety, the Warrantholder will be entitled to receive from the Company within a reasonable time, and in any event not exceeding three business days, a new warrant in substantially identical form for the purchase of that number of Shares equal to the difference between the number of Shares subject to this Warrant and the number of Shares as to which this Warrant is so exercised. Notwithstanding anything in this Warrant to the contrary, the Warrantholder hereby acknowledges and agrees that its exercise of this Warrant for Shares is subject to the condition that the Warrantholder will have first received any applicable Regulatory Approvals.

4. Issuance of Shares; Authorization; Listing. Book-entries representing Shares issued upon exercise of this Warrant will be promptly recorded in such name or names as the Warrantholder may designate. The Company hereby represents and warrants that any Shares issued upon the exercise of this Warrant in accordance with the provisions of Section 3 will be duly and validly authorized and issued, fully paid and nonassessable and free from all taxes, liens and charges (other than liens or charges created by the Warrantholder,

income and franchise taxes incurred in connection with the exercise of the Warrant or taxes in respect of any transfer occurring contemporaneously therewith). The Company agrees that the Shares so issued will be deemed to have been issued to the Warrantholder as of the close of business on the date on which this Warrant and payment of the Exercise Price are delivered to the Company in accordance with the terms of this Warrant, notwithstanding that the stock transfer books of the Company may then be closed. The Company will at all times reserve and keep available, out of its authorized but unissued Common Stock, solely for the purpose of providing for the exercise of this Warrant, the aggregate number of shares of Common Stock then issuable upon exercise of this Warrant at any time. The Company will (A) procure, at its sole expense, the listing of the Shares issuable upon exercise of this Warrant at any time, subject to issuance or notice of issuance, on all principal stock exchanges on which the Common Stock is then listed or traded and (B) maintain such listings of such Shares at all times after issuance. The Company will use reasonable best efforts to ensure that the Shares may be issued without violation of any applicable law or regulation or of any requirement of any securities exchange on which the Shares are listed or traded.

5. No Fractional Shares or Scrip. No fractional Shares or scrip representing fractional Shares shall be issued upon any exercise of this Warrant. In lieu of any fractional Share to which the Warrantholder would otherwise be entitled, the Warrantholder shall be entitled to receive a cash payment equal to the Market Price of the Common Stock on the last trading day preceding the date of exercise less the pro-rated Exercise Price for such fractional share.

6. No Rights as Stockholders; Transfer Books. This Warrant does not entitle the Warrantholder to any voting rights or other rights as a stockholder of the Company prior to the date of exercise hereof. The Company will at no time close its transfer books against transfer of this Warrant in any manner which interferes with the timely exercise of this Warrant.

7. Charges, Taxes and Expenses. Issuance of Shares to the Warrantholder upon the exercise of this Warrant shall be made without charge to the Warrantholder for any issue or transfer tax or other incidental expense in respect of the issuance of such Shares, all of which taxes and expenses shall be paid by the Company.

8. Transfer/Assignment.

(A) Subject to compliance with clause (B) of this Section 8, this Warrant and all rights hereunder are transferable, in whole or in part, upon the books of the Company by the registered holder hereof in person or by duly authorized attorney, and a new warrant shall be made and delivered by the Company, of the same tenor and date as this Warrant but registered in the name of one or more transferees, upon surrender of this Warrant, duly endorsed, to the

office or agency of the Company described in Section 3. All expenses (other than stock transfer taxes) and other charges payable in connection with the preparation, execution and delivery of the new warrants pursuant to this Section 8 shall be paid by the Company.

(B) The transfer of the Warrant and the Shares issued upon exercise of the Warrant are subject to the restrictions set forth in Section 4.4 of the Purchase Agreement. If and for so long as required by the Purchase Agreement, this Warrant shall contain the legends as set forth in Section 4.2(a) of the Purchase Agreement.

9. Exchange and Registry of Warrant. This Warrant is exchangeable, upon the surrender hereof by the Warrantholder to the Company, for a new warrant or warrants of like tenor and representing the right to purchase the same aggregate number of Shares. The Company shall maintain a registry showing the name and address of the Warrantholder as the registered holder of this Warrant. This Warrant may be surrendered for exchange or exercise in accordance with its terms, at the office of the Company, and the Company shall be entitled to rely in all respects, prior to written notice to the contrary, upon such registry.

10. Loss, Theft, Destruction or Mutilation of Warrant. Upon receipt by the Company of evidence reasonably satisfactory to it of the loss, theft, destruction or mutilation of this Warrant, and in the case of any such loss, theft or destruction, upon receipt of a bond, indemnity or security reasonably satisfactory to the Company, or, in the case of any such mutilation, upon surrender and cancellation of this Warrant, the Company shall make and deliver, in lieu of such lost, stolen, destroyed or mutilated Warrant, a new Warrant of like tenor and representing the right to purchase the same aggregate number of Shares as provided for in such lost, stolen, destroyed or mutilated Warrant.

11. Saturdays, Sundays, Holidays, etc. If the last or appointed day for the taking of any action or the expiration of any right required or granted herein shall not be a business day, then such action may be taken or such right may be exercised on the next succeeding day that is a business day.

12. Rule 144 Information. The Company covenants that it will use its reasonable best efforts to timely file all reports and other documents required to be filed by it under the Securities Act and the Exchange Act and the rules and regulations promulgated by the SEC thereunder (or, if the Company is not required to file such reports, it will, upon the request of any Warrantholder, make publicly available such information as necessary to permit sales pursuant to Rule 144 under the Securities Act), and it will use reasonable best efforts to take such further action as any Warrantholder may reasonably request, in each case to the extent required from time to time to enable such holder to, if permitted by the terms of this Warrant and the Purchase Agreement, sell this Warrant without

registration under the Securities Act within the limitation of the exemptions provided by (A) Rule 144 under the Securities Act, as such rule may be amended from time to time, or (B) any successor rule or regulation hereafter adopted by the SEC. Upon the written request of any Warrantholder, the Company will deliver to such Warrantholder a written statement that it has complied with such requirements.

13. Adjustments and Other Rights. The Exercise Price and the number of Shares issuable upon exercise of this Warrant shall be subject to adjustment from time to time as follows; *provided*, that if more than one subsection of this Section 13 is applicable to a single event, the subsection shall be applied that produces the largest adjustment and no single event shall cause an adjustment under more than one subsection of this Section 13 so as to result in duplication:

(A) Charter Amendment. Upon the effectiveness of the Charter Amendment, the Exercise Price shall be adjusted from its initial value of \$2.50 to the amended par value per share of Common Stock.

(B) Stock Splits, Subdivisions, Reclassifications or Combinations. If the Company shall (i) declare and pay a dividend or make a distribution on its Common Stock in shares of Common Stock, (ii) subdivide or reclassify the outstanding shares of Common Stock into a greater number of shares, or (iii) combine or reclassify the outstanding shares of Common Stock into a smaller number of shares, the number of Shares issuable upon exercise of this Warrant at the time of the record date for such dividend or distribution or the effective date of such subdivision, combination or reclassification shall be proportionately adjusted so that the Warrantholder after such date shall be entitled to purchase the number of shares of Common Stock which such holder would have owned or been entitled to receive in respect of the shares of Common Stock subject to this Warrant after such date had this Warrant been exercised immediately prior to such date. In such event, the Exercise Price in effect at the time of the record date for such dividend or distribution or the effective date of such subdivision, combination or reclassification shall be adjusted to the number obtained by dividing (x) the product of (1) the number of Shares issuable upon the exercise of this Warrant before such adjustment and (2) the Exercise Price in effect immediately prior to the record or effective date, as the case may be, for the dividend, distribution, subdivision, combination or reclassification giving rise to this adjustment by (y) the new number of Shares issuable upon exercise of the Warrant determined pursuant to the immediately preceding sentence.

(C) Certain Issuances of Common Shares or Convertible Securities. Until the earlier of (i) the date on which the Original Warrantholder no longer holds this Warrant or any portion thereof and (ii) the third anniversary of the Issue Date, if the Company shall issue shares of Common Stock (or rights or warrants or other securities exercisable or convertible into or exchangeable (collectively, a

“conversion”) for shares of Common Stock) (collectively, “convertible securities”) (other than in Permitted Transactions (as defined below) or a transaction to which subsection (B) of this Section 13 is applicable) without consideration or at a consideration per share (or having a conversion price per share) that is less than 90% of the Market Price on the last trading day preceding the date of the agreement on pricing such shares (or such convertible securities) then, in such event:

(A) the number of Shares issuable upon the exercise of this Warrant immediately prior to the date of the agreement on pricing of such shares (or of such convertible securities) (the “Initial Number”) shall be increased to the number obtained by multiplying the Initial Number by a fraction (A) the numerator of which shall be the sum of (x) the number of shares of Common Stock of the Company outstanding on such date and (y) the number of additional shares of Common Stock issued (or into which convertible securities may be exercised or convert) and (B) the denominator of which shall be the sum of (I) the number of shares of Common Stock outstanding on such date and (II) the number of shares of Common Stock which the aggregate consideration receivable by the Company for the total number of shares of Common Stock so issued (or into which convertible securities may be exercised or convert) would purchase at the Market Price on the last trading day preceding the date of the agreement on pricing such shares (or such convertible securities); and

(B) the Exercise Price payable upon exercise of the Warrant shall be adjusted by multiplying such Exercise Price in effect immediately prior to the date of the agreement on pricing of such shares (or of such convertible securities) by a fraction, the numerator of which shall be the number of shares of Common Stock issuable upon exercise of this Warrant prior to such date and the denominator of which shall be the number of shares of Common Stock issuable upon exercise of this Warrant immediately after the adjustment described in clause (A) above.

For purposes of the foregoing, the aggregate consideration receivable by the Company in connection with the issuance of such shares of Common Stock or convertible securities shall be deemed to be equal to the sum of the net offering price (including the Fair Market Value of any non-cash consideration and after deduction of any related expenses payable to third parties) of all such securities plus the minimum aggregate amount, if any, payable upon exercise or conversion of any such convertible securities into shares of Common Stock; and “Permitted Transactions” shall mean issuances (i) as consideration for or to fund the acquisition of businesses and/or related assets, (ii) in connection with employee benefit plans and compensation related arrangements in the ordinary course and consistent with past practice approved by the Board of Directors, (iii) in connection with a public or broadly marketed offering and sale of Common Stock

or convertible securities for cash conducted by the Company or its affiliates pursuant to registration under the Securities Act or Rule 144A thereunder on a basis consistent with capital raising transactions by comparable financial institutions and (iv) in connection with the exercise of preemptive rights on terms existing as of the Issue Date. Any adjustment made pursuant to this Section 13(C) shall become effective immediately upon the date of such issuance.

(D) Other Distributions. In case the Company shall fix a record date for the making of a distribution to all holders of shares of its Common Stock of securities, evidences of indebtedness, assets, cash, rights or warrants (excluding dividends of its Common Stock and other dividends or distributions referred to in Section 13(B)), in each such case, the Exercise Price in effect prior to such record date shall be reduced immediately thereafter to the price determined by multiplying the Exercise Price in effect immediately prior to the reduction by the quotient of (x) the Market Price of the Common Stock on the last trading day preceding the first date on which the Common Stock trades regular way on the principal national securities exchange on which the Common Stock is listed or admitted to trading without the right to receive such distribution, minus the amount of cash and/or the Fair Market Value of the securities, evidences of indebtedness, assets, rights or warrants to be so distributed in respect of one share of Common Stock (such amount and/or Fair Market Value, the "*Per Share Fair Market Value*") divided by (y) such Market Price on such date specified in clause (x); such adjustment shall be made successively whenever such a record date is fixed. In such event, the number of Shares issuable upon the exercise of this Warrant shall be increased to the number obtained by dividing (x) the product of (1) the number of Shares issuable upon the exercise of this Warrant before such adjustment, and (2) the Exercise Price in effect immediately prior to the distribution giving rise to this adjustment by (y) the new Exercise Price determined in accordance with the immediately preceding sentence. In the event that such distribution is not so made, the Exercise Price and the number of Shares issuable upon exercise of this Warrant then in effect shall be readjusted, effective as of the date when the Board of Directors determines not to distribute such shares, evidences of indebtedness, assets, rights, cash or warrants, as the case may be, to the Exercise Price that would then be in effect and the number of Shares that would then be issuable upon exercise of this Warrant if such record date had not been fixed.

(E) Certain Repurchases of Common Stock. In case the Company effects a Pro Rata Repurchase of Common Stock, then the Exercise Price shall be reduced to the price determined by multiplying the Exercise Price in effect immediately prior to the Effective Date of such Pro Rata Repurchase by a fraction of which the numerator shall be (i) the product of (x) the number of shares of Common Stock outstanding immediately before such Pro Rata Repurchase and (y) the Market Price of a share of Common Stock on the trading day immediately preceding the first public announcement by the Company or any of its Affiliates

of the intent to effect such Pro Rata Repurchase, minus (ii) the aggregate purchase price of the Pro Rata Repurchase, and of which the denominator shall be the product of (i) the number of shares of Common Stock outstanding immediately prior to such Pro Rata Repurchase minus the number of shares of Common Stock so repurchased and (ii) the Market Price per share of Common Stock on the trading day immediately preceding the first public announcement by the Company or any of its Affiliates of the intent to effect such Pro Rata Repurchase. In such event, the number of shares of Common Stock issuable upon the exercise of this Warrant shall be increased to the number obtained by dividing (x) the product of (1) the number of Shares issuable upon the exercise of this Warrant before such adjustment, and (2) the Exercise Price in effect immediately prior to the Pro Rata Repurchase giving rise to this adjustment by (y) the new Exercise Price determined in accordance with the immediately preceding sentence. For the avoidance of doubt, no increase to the Exercise Price or decrease in the number of Shares issuable upon exercise of this Warrant shall be made pursuant to this Section 13(E).

(F) Business Combinations. In case of any Business Combination or reclassification of Common Stock (other than a reclassification of Common Stock referred to in Section 13(B)), the Warrantholder's right to receive Shares upon exercise of this Warrant shall be converted into the right to exercise this Warrant to acquire the number of shares of stock or other securities or property (including cash) which the Common Stock issuable (at the time of such Business Combination or reclassification) upon exercise of this Warrant immediately prior to such Business Combination or reclassification would have been entitled to receive upon consummation of such Business Combination or reclassification; and in any such case, if necessary, the provisions set forth herein with respect to the rights and interests thereafter of the Warrantholder shall be appropriately adjusted so as to be applicable, as nearly as may reasonably be, to the Warrantholder's right to exercise this Warrant in exchange for any shares of stock or other securities or property pursuant to this paragraph. In determining the kind and amount of stock, securities or the property receivable upon exercise of this Warrant following the consummation of such Business Combination, if the holders of Common Stock have the right to elect the kind or amount of consideration receivable upon consummation of such Business Combination, then the consideration that the Warrantholder shall be entitled to receive upon exercise shall be deemed to be the types and amounts of consideration received by the majority of all holders of the shares of Common Stock that affirmatively make an election (or of all such holders if none make an election).

(G) Rounding of Calculations; Minimum Adjustments. All calculations under this Section 13 shall be made to the nearest one-tenth (1/10th) of a cent or to the nearest one-hundredth (1/100th) of a share, as the case may be. Any provision of this Section 13 to the contrary notwithstanding, no adjustment in the Exercise Price or the number of Shares into which this Warrant is exercisable

shall be made if the amount of such adjustment would be less than \$0.01 or one-tenth (1/10th) of a share of Common Stock, but any such amount shall be carried forward and an adjustment with respect thereto shall be made at the time of and together with any subsequent adjustment which, together with such amount and any other amount or amounts so carried forward, shall aggregate \$0.01 or 1/10th of a share of Common Stock, or more.

(H) Timing of Issuance of Additional Common Stock Upon Certain Adjustments. In any case in which the provisions of this Section 13 shall require that an adjustment shall become effective immediately after a record date for an event, the Company may defer until the occurrence of such event (i) issuing to the Warrantholder of this Warrant exercised after such record date and before the occurrence of such event the additional shares of Common Stock issuable upon such exercise by reason of the adjustment required by such event over and above the shares of Common Stock issuable upon such exercise before giving effect to such adjustment and (ii) paying to such Warrantholder any amount of cash in lieu of a fractional share of Common Stock; *provided, however,* that the Company upon request shall deliver to such Warrantholder a due bill or other appropriate instrument evidencing such Warrantholder's right to receive such additional shares, and such cash, upon the occurrence of the event requiring such adjustment.

(I) Other Events. For so long as the Original Warrantholder holds this Warrant or any portion thereof, if any event occurs as to which the provisions of this Section 13 are not strictly applicable or, if strictly applicable, would not, in the good faith judgment of the Board of Directors of the Company, fairly and adequately protect the purchase rights of the Warrants in accordance with the essential intent and principles of such provisions, then the Board of Directors shall make such adjustments in the application of such provisions, in accordance with such essential intent and principles, as shall be reasonably necessary, in the good faith opinion of the Board of Directors, to protect such purchase rights as aforesaid. The Exercise Price and the number of Shares into which this Warrant is exercisable shall not be adjusted in the event of a change in the par value of the Common Stock (other than pursuant to the Charter Amendment) or a change in the jurisdiction of incorporation of the Company.

(J) Statement Regarding Adjustments. Whenever the Exercise Price or the number of Shares into which this Warrant is exercisable shall be adjusted as provided in Section 13, the Company shall forthwith file at the principal office of the Company a statement showing in reasonable detail the facts requiring such adjustment and the Exercise Price that shall be in effect and the number of Shares into which this Warrant shall be exercisable after such adjustment, and the Company shall also cause a copy of such statement to be sent by mail, first class postage prepaid, to each Warrantholder at the address appearing in the Company's records.

(K) Notice of Adjustment Event. In the event that the Company shall propose to take any action of the type described in this Section 13 (but only if the action of the type described in this Section 13 would result in an adjustment in the Exercise Price or the number of Shares into which this Warrant is exercisable or a change in the type of securities or property to be delivered upon exercise of this Warrant), the Company shall give notice to the Warrantholder, in the manner set forth in Section 13(J), which notice shall specify the record date, if any, with respect to any such action and the approximate date on which such action is to take place. Such notice shall also set forth the facts with respect thereto as shall be reasonably necessary to indicate the effect on the Exercise Price and the number, kind or class of shares or other securities or property which shall be deliverable upon exercise of this Warrant. In the case of any action which would require the fixing of a record date, such notice shall be given at least 10 days prior to the date so fixed, and in case of all other action, such notice shall be given at least 15 days prior to the taking of such proposed action. Failure to give such notice, or any defect therein, shall not affect the legality or validity of any such action.

(L) Proceedings Prior to Any Action Requiring Adjustment. As a condition precedent to the taking of any action which would require an adjustment pursuant to this Section 13, the Company shall take any action which may be necessary, including obtaining regulatory, New York Stock Exchange or stockholder approvals or exemptions, in order that the Company may thereafter validly and legally issue as fully paid and nonassessable all shares of Common Stock that the Warrantholder is entitled to receive upon exercise of this Warrant pursuant to this Section 13.

(M) Adjustment Rules. Any adjustments pursuant to this Section 13 shall be made successively whenever an event referred to herein shall occur. If an adjustment in Exercise Price made hereunder would reduce the Exercise Price to an amount below par value of the Common Stock, then such adjustment in Exercise Price made hereunder shall reduce the Exercise Price to the par value of the Common Stock.

14. Exchange. At any time following the date on which the shares of Common Stock of the Company are no longer listed or admitted to trading on a national securities exchange (other than in connection with any Business Combination), the Original Warrantholder may cause the Company to exchange all or a portion of this Warrant for an economic interest (to be determined by the Original Warrantholder after consultation with the Company) of the Company classified as permanent equity under U.S. GAAP having a value equal to the Fair Market Value of the portion of the Warrant so exchanged. The Original Warrantholder shall calculate any Fair Market Value required to be calculated pursuant to this Section 14, which shall not be subject to the Appraisal Procedure.

15. No Impairment. The Company will not, by amendment of its Charter or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder by the Company, but will at all times in good faith assist in the carrying out of all the provisions of this Warrant and in taking of all such action as may be necessary or appropriate in order to protect the rights of the Warrantholder.

16. Governing Law. This Warrant, and the rights and obligations of the parties hereunder, shall be governed by, and construed and interpreted in accordance with, United States federal law and not the law of any State. To the extent that a court looks to the laws of any State to determine or define the United States federal law, it is the intention of the parties hereto that such court shall look only to the laws of the State of New York without regard to the rules of conflicts of laws. Each of the Company and the Warrantholder agrees (a) to submit to the exclusive jurisdiction and venue of the United States District Court for the District of Columbia for any action, suit or proceeding arising out of or relating to this Warrant or the transactions contemplated hereby, and (b) that notice may be served upon the Company at the address in Section 20 below and upon the Warrantholder at the address for the Warrantholder set forth in the registry maintained by the Company pursuant to Section 9 hereof. To the extent permitted by applicable law, each of the Company and the Warrantholder hereby unconditionally waives trial by jury in any legal action or proceeding relating to the Warrant or the transactions contemplated hereby or thereby.

17. Binding Effect. This Warrant shall be binding upon any successors or assigns of the Company.

18. Amendments. This Warrant may be amended and the observance of any term of this Warrant may be waived only with the written consent of the Company and the Warrantholder.

19. Prohibited Actions. The Company agrees that it will not take any action which would entitle the Warrantholder to an adjustment of the Exercise Price if the total number of shares of Common Stock issuable after such action upon exercise of this Warrant, together with all shares of Common Stock then outstanding and all shares of Common Stock then issuable upon the exercise of all outstanding options, warrants, conversion and other rights, would exceed the total number of shares of Common Stock then authorized by its Charter.

20. Notices. Any notice, request, instruction or other document to be given hereunder by any party to the other will be in writing and will be deemed to have been duly given (a) on the date of delivery if delivered personally, or by

facsimile, upon confirmation of receipt, or (b) on the second business day following the date of dispatch if delivered by a recognized next day courier service. All notices hereunder shall be delivered as set forth below, or pursuant to such other instructions as may be designated in writing by the party to receive such notice.

November 25, 2008

United States Department of the Treasury,
1500 Pennsylvania Avenue, NW,
Washington, D.C. 20220.

Ladies and Gentlemen:

In connection with the purchase today by you pursuant to the Securities Purchase Agreement, dated as of November 25, 2008 (the "Purchase Agreement"), between American International Group, Inc., a Delaware corporation (the "Company"), and you, of 4,000,000 shares (the "Preferred Shares") of the Company's Series D Fixed Rate Cumulative Perpetual Preferred Stock, par value \$5.00 per share, and a warrant (the "Warrant") to purchase initially up to 53,798,766 shares (the "Warrant Shares") of the Company's common stock, par value \$2.50 per share (the "Common Stock"), we, as counsel for the Company, have examined such corporate records, certificates and other documents, and such questions of law, as we have considered necessary or appropriate for the purposes of this opinion. Upon the basis of such examination, it is our opinion that:

- (1) The Company has been duly incorporated and is an existing corporation in good standing under the laws of the State of Delaware.
- (2) The Preferred Shares have been duly authorized and, when issued and delivered against payment in accordance with the Purchase Agreement, will be validly issued and fully paid and nonassessable.
- (3) The Preferred Shares will not be issued in violation of any preemptive rights provided for in the Company's Restated Certificate of Incorporation, as amended to the date of this opinion (the "Restated Certificate of Incorporation"), or under the General Corporation Law of the State of Delaware.

(4) The Warrant has been duly authorized and, when executed and delivered by the Company, will constitute a valid and legally binding obligation of the Company enforceable against the Company in accordance with its terms, subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors' rights and to general equity principles.

(5) The Warrant Shares have been duly authorized and reserved for issuance upon exercise of the Warrant and, when and to the extent issued upon exercise of the Warrant in accordance with the terms and provisions of the Warrant, will be validly issued, fully paid and nonassessable.

(6) The Company has corporate power and authority to execute and deliver the Purchase Agreement and the Warrant and to perform its obligations thereunder (including the issuance of the Preferred Shares, the Warrant and the Warrant Shares).

(7) The execution, delivery and performance by the Company of the Purchase Agreement and the Warrant and the consummation of the transactions contemplated thereby have been duly authorized by all necessary corporate action on the part of the Company, and no further corporate action is required on the part of the Company other than the vote of stockholders to amend the Company's Restated Certificate of Incorporation to allow the Preferred Shares to rank senior to the Company's Series C Perpetual, Convertible, Participating Preferred Stock, par value \$5.00 per share, to be issued to a trust for the benefit of the United States Treasury in connection with the Credit Agreement, dated as of September 22, 2008, between the Company and the Federal Reserve Bank of New York, and any other series of serial preferred stock issued by the Company.

(8) The Purchase Agreement, assuming due authorization, execution and delivery by you, constitutes a valid and legally binding agreement of the Company enforceable in accordance with its terms, subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors' rights and general equity principles; provided, however, that we express no opinion with respect to Section 3.1(b) or Section 4.5(g) of the Purchase Agreement or the severability provisions of the Purchase Agreement insofar as Section 3.1(b) or Section 4.5(g) is concerned.

The foregoing opinion is limited to the laws of the State of New York and the General Corporation Law of the State of Delaware, and we are expressing no opinion as to the effect of the laws of any other jurisdiction.

We have relied as to certain matters upon information obtained from public officials, officers of the Company and other sources believed by us to be responsible, and we have assumed that the certificates for the Preferred Shares conform to the specimen thereof examined by us and have been duly countersigned by a transfer agent and duly registered by a registrar of the Preferred Shares, that the certificates (if any) for the Warrant Shares will conform to the specimen thereof examined by us and will be duly countersigned by a transfer agent and duly registered by a registrar of the Common Stock (and if the Warrant Shares are issued in uncertificated form, that they will be duly recorded by a transfer agent and duly registered by a registrar thereof) and that the signatures on all documents examined by us are genuine, assumptions which we have not independently verified.

This opinion is delivered by us to you as counsel to the Company, is solely for your benefit and may not be delivered or disclosed to any other person without our prior written consent.

Very truly yours,

Sullivan Abramson ^{LLP}

(i) The voting rights, if any, of the shares of such series in addition to those required by law, including the number of votes per share and any requirement for the approval by the holders of up to $66 \frac{2}{3}\%$ of all Serial Preferred Stock, or of the shares of one or more series, or of both, as a condition to specified corporate action or amendments to the Restated Certificate of Incorporation; and

(j) Any other relative rights, preferences or limitations of the shares of the series not inconsistent herewith or with applicable law.

(2) All Serial Preferred Stock (a) shall rank senior to the Common Stock in respect of the right to receive dividends and the right to receive payments out of the assets of the Company upon voluntary or involuntary liquidation, dissolution or winding up of the Company and (b) shall be of equal rank with all other shares of the Serial Preferred Stock as to the right to receive dividends and

the right to receive payments out of the assets of the Company upon voluntary or involuntary liquidation, dissolution or winding up of the Company.

(3) No dividend shall be paid upon, or declared or set apart for, any share of Serial Preferred Stock or any other share of preferred stock ranking on a parity with the Serial Preferred Stock as to dividends unless at the same time a like proportionate dividend, ratably in proportion to the respective dividend rates fixed therefor, shall be paid upon, or declared and set apart for, all shares of Serial Preferred Stock and preferred stock of all series ranking on a parity as to dividends then issued and outstanding and on which dividends are accrued and payable for all dividend periods terminating on or prior to the dividend payment date.

(4) In no event, so long as any shares of Serial Preferred Stock shall be outstanding, shall any dividend, whether in cash or property, be paid or declared, nor shall any distribution be made, on any junior stock, nor shall any shares of any junior stock be purchased, redeemed or otherwise acquired for value by the Company, unless all dividends on the Serial Preferred Stock of all series and any series of preferred stock ranking on a parity with the Serial Preferred Stock as to dividends for all past dividend periods and for the then current period shall have been paid or declared and a sum sufficient for the payment thereof set apart, and unless the Company shall not be in default with respect to any of its obligations with respect to any past period with respect to any sinking fund for any series of Serial Preferred Stock and preferred stock ranking on a parity with the Serial Preferred Stock as to dividends. The foregoing provisions of this sub-division (4) shall not, however, apply to a dividend payable on any junior stock, or to the acquisition of shares of any junior stock in exchange for, or through application of the proceeds of the sale of, shares of any other junior stock.

(5) In the event of any voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Company, then, before any distribution or payment shall be made to the holders of any junior stock, the holders of the Serial Preferred Stock and any shares of preferred stock ranking on a parity therewith as to liquidation shall be entitled to be paid in full the respective amounts of the liquidation preferences thereof, which in the case of Serial Preferred Stock shall be the amounts fixed in accordance with the provisions of subdivision (1) of this Article Four, together with accrued dividends to such distribution or payment date whether or not earned or declared. If such payment shall have been made in full to the holders of the Serial Preferred Stock and any series of preferred stock ranking on a parity therewith as to liquidation, the remaining assets and funds of the Company shall be distributed among the holders of the junior stock, according to their respective rights and preferences and in each case according

to their respective shares. If, upon any liquidation, dissolution or winding up of the affairs of the Company, the amounts so payable are not paid in full to the holders of all outstanding shares of Serial Preferred Stock and any series of preferred stock ranking on a parity therewith as to liquidation, the holders of all series of Serial Preferred Stock and any series of preferred stock ranking on a parity therewith as to liquidation shall share ratably in any distribution of assets in proportion to the full amounts to which they would otherwise be respectively entitled. Neither the consolidation or merger of the Company, nor the sale, lease or conveyance of all or a part of its assets, shall be deemed a liquidation, dissolution or winding up of the affairs of the Company within the meaning of the foregoing provisions of this subdivision (5).

(6) No holder of Serial Preferred Stock shall be entitled as a matter of right to subscribe for or purchase, or have any preemptive right with respect to, any part of any new or additional issue of stock of any class whatsoever, or of securities convertible into any stock of any class whatsoever, whether now or hereafter authorized and whether issued for cash or other consideration or by way of dividend.

(7) As used herein with respect to the Serial Preferred Stock or in any resolution adopted by the Board of Directors providing for the issue of any particular series of the Serial Preferred Stock as authorized by subdivision (1) of this Article Four, the following terms shall have the following meanings:

(a) The term "junior stock" shall mean the Common Stock and any other class of stock of the Company hereafter authorized over which the Serial Preferred Stock has preference or priority in the payment of dividends or in the distribution of assets on any liquidation, dissolution or winding up of the Company.

(b) The term "sinking fund" shall mean any fund or requirement for the periodic retirement of shares.

(c) The term "accrued dividends", with respect to any share of any series, shall mean an amount computed at the annual dividend rate for the series of which the particular share is a part, from the date on which dividends on such share became cumulative to and including the date to which such dividends are to be accrued, less the aggregate amount of all dividends theretofore paid thereon.

(8) No holder of any share or shares of stock of the Company shall be entitled as of right to subscribe for, purchase or receive any shares of stock of any class or any other securities which the Company may issue, whether now or hereafter authorized, and whether such stock or securities be issued for money or for a consideration

other than money or by way of a dividend and all such shares of stock or other securities may be issued or disposed of by the Board of Directors to such persons, firms, corporations, and associations and on such terms as it, in its absolute discretion, may deem advisable, without offering to stockholders then of record or any class of stockholders any thereof upon the same terms or upon any terms.

(9) The holders of the shares of Common Stock will be entitled to one vote per share of such stock on all matters except as herein or by statute otherwise provided.

ARTICLE FIVE.

Minimum Capital.

The minimum amount of capital with which the Company will commence business is \$1,000.

ARTICLE SIX.

Corporate Existence.

The Company is to have perpetual existence.

ARTICLE SEVEN.

Liability of Holders of Capital Stock for Corporate Debts.

The private property of the stockholders shall not be subject to the payment of corporate debts to any extent whatever.

ARTICLE EIGHT.

Powers of Board of Directors; Meetings; Corporate Books; Etc.

The following provisions are inserted for the management of the business and for the conduct of the affairs of the Company, and for further definition, limitation and regulation of the powers of the Company and of its directors and stockholders:

(1) Subject to the provisions of subdivision (6) of Article Four hereof, the number of directors of the Company shall be such as from time to time shall be fixed by, or in the manner provided in the By-Laws. Election of directors need not be by ballot unless the By-Laws so provide.

(2) The Board of Directors shall have power:

(a) Without the assent or vote of the stockholders, to make, alter, amend, change, add to, or repeal the By-Laws of the Company; to fix and vary the amount to be reserved for any proper purpose and to abolish any such reserve in the manner in which it was created; to authorize and cause to be executed mortgages and liens upon any part of the property of the Company provided it be less than substantially all; to determine the use and disposition of any surplus or net profits and to fix the times for the declaration and payment of dividends.

(b) To determine from time to time whether, and to what extent, and at what times and places, and under what conditions and regulations, the accounts and books of the Company (other than the stock ledger) or any of them, shall be open to the inspection of the stockholders.

(c) By resolution passed by a majority of the whole board, to designate one or more committees, each committee to consist of two or more of the directors of the Company, which, to the extent provided in the resolution or in the By-Laws of the Company, shall have and may exercise the powers of the Board of Directors in the management of the business and affairs of the Company, and may authorize the seal of the Company to be affixed to all papers which may require it. Such committee or committees shall have such name or names as may be stated in the By-Laws of the Company or as may be determined from time to time by resolution adopted by the Board of Directors.

(d) When and as authorized by the affirmative vote of the holders of a majority of the stock issued and outstanding having voting power given at a stockholders' meeting duly called for that purpose, or when authorized by the written consent of the holders of a majority of the voting stock issued and outstanding, to sell, lease or exchange all of the property and assets of the Company, including its good will and its corporate franchises, upon such terms and conditions and for such consideration, which may be in whole or in part shares of stock in, and/or other securities of, any other corporation or corporations, as its Board of Directors shall deem expedient and for the best interests of the Company.

(3) The directors in their discretion may submit any contract or act for approval or ratification at any annual meeting of the stockholders or at any meeting of the stockholders called for the purpose of considering any such act or contract, and any contract or act that shall be approved or be ratified by the vote of the holders of a majority of the stock of the Company which is represented in person or by proxy at such meeting and entitled to

vote thereat (provided that a lawful quorum of stockholders be there represented in person or by proxy) shall be as valid and as binding upon the Company and upon all the stockholders, as though it had been approved or ratified by every stockholder of the Company, whether or not the contract or act would otherwise be open to legal attack because of directors' interest, or for any other reason.

(4) The stockholders and directors shall have power to hold their meetings if the By-Laws so provide and (except as the laws of the State of Delaware shall otherwise provide) keep the books, documents and papers of the Company, outside of the State of Delaware, and to have one or more offices within or without the State of Delaware, at such places as may be from time to time designated by the By-Laws or by resolution of the stockholders or directors, except as otherwise required by the laws of Delaware.

(5) In addition to the powers and authorities hereinbefore or by statute expressly conferred upon them, the directors are hereby empowered to exercise all such powers and do all such acts and things as may be exercised or done by the Company; subject, nevertheless, to the provisions of the statutes of Delaware, of this certificate, and to any By-Laws from time to time made by the stockholders; provided, however, that no By-Laws so made shall invalidate any prior act of the directors which would have been valid if such By-Laws had not been made.

ARTICLE NINE.

Transactions with Directors.

No contract or other transaction between the Company and any other corporation, whether or not a majority of the shares of the capital stock of such other corporation is owned by the Company, and no act of the Company shall in any way be affected or invalidated by the fact that any of the directors of the Company are financially or otherwise interested in, or are directors or officers of, such other corporation; any director individually, or any firm of which such director may be a member, may be a party to, or may be financially or otherwise interested in, any contract or transaction of the Company, provided that the fact that he or such firm is so interested shall be disclosed or shall have been known to the Board of Directors or a majority thereof; and any director of the Company who is also a director or officer of such other corporation, or who is so interested, may be counted in determining the existence of a quorum at any meeting of the Board of Directors of the Company which shall authorize such contract or transaction and may vote thereat to authorize such contract or transaction, with like force and effect as if he were not such director or officer of such other corporation or not so interested.

ARTICLE TEN.

Indemnification of Directors and Officers.

The Company shall indemnify to the full extent permitted by law any person made, or threatened to be made, a party to an action, suit or proceeding (whether civil, criminal, administrative or investigative) by reason of the fact that he, his testator or intestate is or was a director, officer or employee of the Company or serves or served any other enterprise at the request of the Company.

ARTICLE ELEVEN.

Reservation of Right to Amend
Certificate of Incorporation.

The Company reserves the right to amend, alter, change or repeal any provision contained in this Certificate of Incorporation in the manner now or hereafter prescribed by law, and all rights and powers conferred herein on stockholders, directors and officers are subject to this reserved power.

ARTICLE TWELVE.

No director of the Company shall be liable to the Company or its stockholders for monetary damages for breach of fiduciary duty as a director, except to the extent such an exemption from liability or limitation thereof is not permitted under the Delaware General Corporation Law as presently in effect or as the same may hereafter be amended. No amendment to or repeal of these provisions shall apply to or have any effect on the liability or alleged liability of any director of the Company for or with respect to any acts or omissions of such director occurring prior to such amendment or repeal."

BY-LAWS

Amended June 15, 2008

ARTICLE I

Stockholders

Section 1.1. Annual Meetings. An annual meeting of stockholders shall be held for the election of directors at such date, time and place either within or without the State of Delaware as may be designated by the Board of Directors from time to time. Any other proper business may be transacted at the annual meeting.

Section 1.2. Special Meetings. Special meetings of stockholders for any purpose or purposes may be called at any time by the Chairman, if any, the Chief Executive Officer, if any, the Secretary or the Board of Directors, to be held at such date, time and place either within or without the State of Delaware as may be stated in the notice of the meeting. A special meeting of stockholders shall be called by the Secretary upon the written request, stating the purpose of the meeting, of stockholders who together own of record twenty-five (25) percent of the outstanding shares of each class of stock entitled to vote at such meeting.

Section 1.3. Notice of Meetings. Whenever stockholders are required or permitted to take any action at a meeting, a written notice of the meeting shall be given which shall state the place, date and time of the meeting, and, in the case of a special meeting, the purpose or purposes for which the meeting is called. Unless otherwise provided by law, the written notice of any meeting shall be given not less than ten (10) nor more than sixty (60) days before the date of such meeting to each stockholder entitled to vote at such meeting. If mailed, such notice shall be deemed to be given when deposited in the United States mail, postage prepaid, directed to the stockholder at such stockholder's address as it appears on the records of the Corporation. No business other than that stated in the notice shall be transacted at any special meeting without the unanimous consent of all the stockholders entitled to vote thereat.

Section 1.4. Adjournments. Any meeting of stockholders, annual or special, may adjourn from time to time to reconvene at the same or some other place, and notice need not be given of any such adjourned meeting if the time and place thereof are announced at the meeting at which the adjournment is taken; provided, that if the adjournment is for more than thirty (30) days, or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the meeting. At the adjourned meeting the Corporation may transact any business which might have been transacted at the original meeting.

Section 1.5. Quorum. At each meeting of stockholders, except where otherwise provided by law or the certificate of incorporation or these by-laws, the holders of a majority of the outstanding shares of each class of stock entitled to vote at the meeting, present in person or represented by proxy, shall constitute a quorum. In the absence of a quorum, the stockholders so present may, by majority vote, adjourn the meeting from time to time in the manner provided by Section 1.4 of these by-laws until a quorum shall attend. Shares of its own capital stock belonging on the record date for the meeting to the Corporation or to another corporation, if a majority of the shares entitled to vote in the election of directors of such other corporation is held, directly or indirectly, by the Corporation, shall neither be entitled to vote nor be counted for quorum purposes; provided, however, that the foregoing shall not limit the right of the Corporation to vote stock, including but not limited to its own stock, held by it in a fiduciary capacity.

Section 1.6. Organization. Meetings of stockholders shall be presided over by the Chairman, or in the absence of the Chairman by the Chief Executive Officer, or in the absence of the Chief Executive Officer by the Chairman of the Nominating and Corporate Governance Committee, or in the absence of the foregoing persons by a chairman designated by the Board of Directors, or in the absence of such designation by a chairman chosen at the meeting. The Secretary shall act as secretary of the meeting, or in the absence of the Secretary an Assistant Secretary shall so act, or in their absence the chairman of the meeting may appoint any person to act as secretary of the meeting.

The order of business at each such meeting shall be as determined by the chairman of the meeting. The chairman of the meeting shall have the right and authority to prescribe such rules, regulations and procedures and to do all such acts and things as are necessary or desirable for the proper conduct of the meeting, including, without limitation, the establishment of procedures for the maintenance of order and safety, limitations on the time allotted to questions or comments on the affairs of the Corporation, restrictions on entry to such meeting after the time prescribed for the commencement thereof and the opening and closing of the voting polls.

Section 1.7. Inspectors. Prior to any meeting of stockholders, the Board of Directors or the Chief Executive Officer shall appoint one or more inspectors to act at such meeting and make a written report thereof and may designate one or more persons as alternate inspectors to replace any inspector who fails to act. If no inspector or alternate is able to act at the meeting of stockholders, the person presiding at the meeting shall appoint one or more inspectors to act at the meeting. Each inspector, before entering upon the discharge of his duties, shall take and sign an oath faithfully to execute the duties of inspector with strict impartiality and according to the best of his or her ability. The inspectors shall ascertain the number of shares outstanding and the voting power of each, determine the shares represented at the meeting and the validity of proxies and ballots, count all votes and ballots, determine and retain for a reasonable period a record of the disposition of any challenges made to any determination by the inspectors and certify their determination of the number of shares represented at the meeting and their count of all votes and ballots. The inspectors may appoint or retain other persons to assist them in the performance of their duties. The date and time of the opening and closing of the

polls for each matter upon which the stockholders will vote at a meeting shall be announced at the meeting. No ballot, proxy or vote, nor any revocation thereof or change thereto, shall be accepted by the inspectors after the closing of the polls. In determining the validity and counting of proxies and ballots, the inspectors shall be limited to an examination of the proxies, any envelopes submitted therewith, any information provided by a stockholder who submits a proxy by telegram, cablegram or other electronic transmission from which it can be determined that the proxy was authorized by the stockholder, ballots and the regular books and records of the Corporation, and they may also consider other reliable information for the limited purpose of reconciling proxies and ballots submitted by or on behalf of banks, brokers, their nominees or similar persons which represent more votes than the holder of a proxy is authorized by the record owner to cast or more votes than the stockholder holds of record. If the inspectors consider other reliable information for such purpose, they shall, at the time they make their certification, specify the precise information considered by them, including the person or persons from whom they obtained the information, when the information was obtained, the means by which the information was obtained and the basis for the inspectors' belief that such information is accurate and reliable.

Section 1.8. Classes or Series of Stock; Voting Proxies. For purposes of this Article I, two or more classes or series of stock shall be considered a single class if and to the extent that the holders thereof are entitled to vote together as a single class at the meeting. Unless otherwise provided in the certificate of incorporation, each stockholder entitled to vote at any meeting of stockholders shall be entitled to one vote for each share of stock held by such stockholder which has voting power upon the matter in question. Each stockholder entitled to vote at a meeting of stockholders or to express consent or dissent to corporate action in writing without a meeting may authorize another person or persons to act for such stockholder by proxy, but no such proxy shall be voted or acted upon after three years from its date, unless the proxy provides for a longer period. A duly executed proxy shall be irrevocable if it states that it is irrevocable and if and only as long as, it is coupled with an interest sufficient in law to support an irrevocable power. A stockholder may revoke any proxy which is not irrevocable by attending the meeting and voting in person or by filing an instrument in writing revoking the proxy or another duly executed proxy bearing a later date with the Secretary of the Corporation. Voting at meetings of stockholders need not be by written ballot and need not be conducted by inspectors unless the holders of a majority of the outstanding shares of all classes of stock entitled to vote thereon present in person or by proxy at such meeting shall so determine. At all meetings for the election of directors, directors shall be elected as provided in Section 2.2 of these by-laws. With respect to other matters, unless otherwise provided by law or by the certificate of incorporation or these by-laws, the affirmative vote of the holders of a majority of the shares of all classes of stock present in person or represented by proxy at the meeting and entitled to vote on the subject matter shall be the act of the stockholders, provided that (except as otherwise required by law or by the certificate of incorporation) the Board of Directors may require in the notice of meeting a larger vote upon any such matter. Only votes cast "for" or "against" a matter shall be considered affirmative votes; abstentions, broker non-votes and withheld votes shall not be treated as affirmative votes and shall not be taken into account in determining whether a matter is approved. Where a separate vote by class is required, the affirmative vote of the holders of a majority of the shares of each class present in person or represented by proxy at the meeting shall

be the act of such class, except as otherwise provided by law or by the certificate of incorporation or these by-laws.

Section 1.9. Fixing Date for Determination of Stockholders of Record. In order that the Corporation may determine the stockholders entitled to notice of or to vote at any meeting of stockholders or any adjournment thereof, the Board of Directors may fix, a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board of Directors, and which shall not be more than sixty (60) nor less than ten (10) days before the date of such meeting. If no record date is fixed by the Board of Directors the record date for determining stockholders entitled to notice of or to vote at a meeting of stockholders shall be at the close of business on the day next preceding the day on which notice is given, or, if notice is waived, at the close of business on the day next preceding the day on which the meeting is held. A determination of stockholders of record entitled to notice of or to vote at a meeting of stockholders shall apply to any adjournment of the meeting; provided, however, that the Board of Directors may fix a new record date for the adjourned meeting.

In order that the Corporation may determine the stockholders entitled to consent to corporate action in writing without a meeting, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board of Directors, and which date shall not be more than ten (10) days after the date upon which the resolution fixing the record date is adopted by the Board of Directors. If no record date has been fixed by the Board of Directors, the record date for determining stockholders entitled to consent to corporate action in writing without a meeting, when no prior action by the Board of Directors is required by law, shall be the first date on which a signed written consent setting forth the action taken or proposed to be taken is delivered to the Corporation by delivery to its registered office in the State of Delaware, its principal place of business, or an officer or agent of the Corporation having custody of the book in which proceedings of meetings of stockholders are recorded. Delivery made to the Corporation's registered office shall be by hand or by certified or registered mail, return receipt requested. If no record date has been fixed by the Board of Directors and prior action by the Board of Directors is required by law, the record date for determining stockholders entitled to consent to corporate action in writing without a meeting shall be at the close of business on the day on which the Board of Directors adopts the resolution taking such prior action.

In order that the Corporation may determine the stockholders entitled to receive payment of any dividend or other distribution or allotment of any rights or the stockholders entitled to exercise any rights in respect of any change, conversion or exchange of stock, or for the purpose of any other lawful action, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted, and which record date shall be not more than sixty (60) days prior to such action. If no record date is fixed, the record date for determining stockholders for any such purpose shall be at the close of business on the day on which the Board of Directors adopts the resolution relating thereto.

Section 1.10. List of Stockholders Entitled to Vote. The Secretary shall prepare and make, at least ten (10) days before every meeting of stockholders, a complete list of the stockholders entitled to vote at the meeting, arranged in alphabetical order, and showing the address of each stockholder and the number of shares registered in the name of each stockholder. Such list shall be open to the examination of any stockholder, for any purpose germane to the meeting, during ordinary business hours, for a period of at least ten (10) days prior to the meeting, either at a place within the city where the meeting is to be held, which place shall be specified in the notice of the meeting, or, if not so specified, at the place where the meeting is to be held. The list shall also be produced and kept at the time and place of the meeting during the whole time thereof and may be inspected by any stockholder who is present.

Section 1.11. Consent of Stockholders in Lieu of Meeting. Unless otherwise provided in the certificate of incorporation or these by-laws, any action required by law to be taken at any annual or special meeting of stockholders of the Corporation, or any action which may be taken at any annual or special meeting of such stockholders, may be taken without a meeting, without prior notice and without a vote, if a consent or consents in writing, setting forth the action so taken, shall be signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted and shall be delivered to the Corporation by delivery to (a) its registered office in the State of Delaware by hand or by certified mail or registered mail, return receipt requested, (b) its principal place of business, or (c) an officer or agent of the Corporation having custody of the book in which proceedings of meetings of stockholders are recorded. Every written consent shall bear the date of signature of each stockholder who signs the consent and no written consent shall be effective to take the corporate action referred to therein unless, within sixty (60) days of the earliest dated consent delivered in the manner required by this Section 1.11 to the Corporation, written consents signed by a sufficient number of holders to take action are delivered to the Corporation by delivery to (a) its registered office in the State of Delaware by hand or by certified or registered mail, return receipt requested, (b) its principal place of business, or (c) an officer or agent of the Corporation having custody of the book in which proceedings of meetings of stockholders are recorded. Prompt notice of the taking of the corporate action without a meeting by less than unanimous written consent shall be given to those stockholders who have not consented in writing and who, if the action had been taken at a meeting, would have been entitled to notice of the meeting if the record date for such meeting had been the date that written consents signed by a sufficient number of stockholders to take the action were delivered to the Corporation as provided in this Section 1.11.

Section 1.12. Advance Notice of Stockholder Nominees for Director and Other Stockholder Proposals. (a) The matters to be considered and brought before any annual or special meeting of stockholders of the Corporation shall be limited to only such matters, including the nomination and election of directors, as shall be brought properly before such meeting in compliance with the procedures set forth in this Section 1.12.

For any matter to be properly brought before any annual meeting of stockholders, the matter must be (i) specified in the notice of annual meeting given by or at the direction of the

Board of Directors, (ii) otherwise brought before the annual meeting by or at the direction of the Board of Directors or (iii) brought before the annual meeting in the manner specified in this Section 1.12(b)(x) by a stockholder that holds of record stock of the Corporation entitled to vote at the annual meeting on such matter (including any election of a director) or (y) by a person (a "Nominee Holder") that holds such stock through a nominee or "street name" holder of record of such stock and can demonstrate to the Corporation such indirect ownership of, and such Nominee Holder's entitlement to vote, such stock on such matter. In addition to any other requirements under applicable law, the certificate of incorporation and these by-laws, persons nominated by stockholders for election as directors of the Corporation and any other proposals by stockholders shall be properly brought before an annual meeting of stockholders only if notice of any such matter to be presented by a stockholder at such meeting (a "Stockholder Notice") shall be delivered to the Secretary at the principal executive office of the Corporation not less than ninety (90) nor more than one hundred and twenty (120) days prior to the first anniversary date of the annual meeting for the preceding year; provided, however, that if and only if the annual meeting is not scheduled to be held within a period that commences thirty (30) days before and ends thirty (30) days after such anniversary date (an annual meeting date outside such period being referred to herein as an "Other Meeting Date"), such Stockholder Notice shall be given in the manner provided herein by the later of (i) the close of business on the date ninety (90) days prior to such Other Meeting Date or (ii) the close of business on the tenth (10) day following the date on which such Other Meeting Date is first publicly announced or disclosed. Any stockholder desiring to nominate any person or persons (as the case may be) for election as a director or directors of the Corporation at an annual meeting of stockholders shall deliver, as part of such Stockholder Notice, a statement in writing setting forth the name of the person or persons to be nominated, the number and class of all shares of each class of stock of the Corporation owned of record and beneficially by each such person, as reported to such stockholder by such person, the information regarding each such person required by paragraphs (a), (e) and (f) of Item 401 of Regulation S-K adopted by the Securities and Exchange Commission, each such person's signed consent to serve as a director of the Corporation if elected, such stockholder's name and address, the number and class of all shares of each class of stock of the Corporation owned of record and beneficially by such stockholder and, in the case of a Nominee Holder, evidence establishing such Nominee Holder's indirect ownership of stock and entitlement to vote such stock for the election of directors at the annual meeting. The Corporation may require any proposed nominee to furnish such other information as it may reasonably require to determine whether the nominee would be considered "independent" under the various rules and standards applicable to the Corporation. Any stockholder who gives a Stockholder Notice of any matter (other than a nomination for director) proposed to be brought before an annual meeting of stockholders shall deliver, as part of such Stockholder Notice, the text of the proposal to be presented and a brief written statement of the reasons why such stockholder favors the proposal and setting forth such stockholder's name and address, the number and class of all shares of each class of stock of the Corporation owned of record and beneficially by such stockholder, any material interest of such stockholder in the matter proposed (other than as a stockholder), if applicable, and, in the case of a Nominee Holder, evidence establishing such Nominee Holder's indirect ownership of stock and entitlement to vote such stock on the matter proposed at the annual meeting. As used in these by-laws, shares "beneficially owned" shall mean all shares which such person is deemed to beneficially own

pursuant to Rules 13d-3 and 13d-5 under the Securities Exchange Act of 1934 (the "Exchange Act"). If a stockholder is entitled to vote only for a specific class or category of directors at a meeting (annual or special), such stockholder's right to nominate one or more individuals for election as a director at the meeting shall be limited to such class or category of directors. Notwithstanding any provision of this Section 1.12 to the contrary, in the event that the number of directors to be elected to the Board of Directors of the Corporation at the next annual meeting of stockholders is increased by virtue of an increase in the size of the Board of Directors and either all of the nominees for director at the next annual meeting of stockholders or the size of the increased Board of Directors is not publicly announced or disclosed by the Corporation at least one hundred (100) days prior to the first anniversary of the preceding year's annual meeting, a Stockholder Notice shall also be considered timely hereunder, but only with respect to nominees to stand for election at the next annual meeting as the result of any new positions created by such increase, if it shall be delivered to the Secretary at the principal executive office of the Corporation not later than the close of business on the tenth (10) day following the first day on which all such nominees or the size of the increased Board of Directors shall have been publicly announced or disclosed.

(b) Except as provided in the immediately following sentence, no matter shall be properly brought before a special meeting of stockholders unless such matter shall have been brought before the meeting pursuant to the Corporation's notice of such meeting. In the event the Corporation calls a special meeting of stockholders for the purpose of electing one or more directors to the Board of Directors, any stockholder entitled to vote for the election of such director(s) at such meeting may nominate a person or persons (as the case may be) for election to such position(s) as are specified in the Corporation's notice of such meeting, but only if the Stockholder Notice required by Section 1.11(b) hereof shall be delivered to the Secretary at the principal executive office of the Corporation not later than the close of business on the tenth (10) day following the first day on which the date of the special meeting and either the names of all nominees proposed by the Board of Directors to be elected at such meeting or the number of directors to be elected shall have been publicly announced or disclosed.

(c) For purposes of this Section 1.12, a matter shall be deemed to have been "publicly announced or disclosed" if such matter is disclosed in a press release reported by the Dow Jones News Service, the Associated Press or a comparable national news service or in a document publicly filed by the Corporation with the Securities and Exchange Commission.

(d) In no event shall the adjournment of an annual meeting or a special meeting, or any announcement thereof, commence a new period for the giving of notice as provided in this Section 1.12. This Section 1.12 shall not apply to (i) any stockholder proposal made pursuant to Rule 14a-8 under the Exchange Act or (ii) any nomination of a director in an election in which only the holders of one or more series of Preferred Stock of the Corporation issued pursuant to Article FOUR of the certificate of incorporation are entitled to vote (unless otherwise provided in the terms of such stock).

(e) The chairman of any meeting of stockholders, in addition to making any other determinations that may be appropriate to the conduct of the meeting, shall have the power

and duty to determine whether notice of nominees and other matters proposed to be brought before a meeting has been duly given in the manner provided in this Section 1.12 and, if not so given, shall direct and declare at the meeting that such nominees and other matters shall not be considered.

Section 1.13. Approval of Stockholder Proposals. Except as otherwise required by law, any matter (other than a nomination for director) that has been properly brought before an annual or special meeting of stockholders of the Corporation by a stockholder (including a Nominee Holder) in compliance with the procedures set forth in Section 1.12 and any stockholder proposal pursuant to Rule 14a-8 shall require for approval thereof the affirmative vote of the holders of not less than a majority of all outstanding shares of Common Stock of the Corporation and all other outstanding shares of stock of the Corporation entitled to vote on such matter, with such outstanding shares of Common Stock and other stock considered for this purpose as a single class. Any vote of stockholders required by this Section 1.13 shall be in addition to any other vote of stockholders of the Corporation that may be required by law, the certificate of incorporation or these by-laws, by any agreement with a national securities exchange or otherwise.

Section 1.14. Reimbursement. If a stockholder (including a Nominee Holder) has brought a matter before an annual or special meeting of stockholders of the Corporation and the matter is included in the Corporation's proxy materials pursuant to Rule 14a-8 under the Exchange Act and is approved by the affirmative vote of not less than a majority of all outstanding shares of Common Stock of the Corporation and all other outstanding shares of stock of the Corporation entitled to vote on such matter (with such outstanding shares of Common Stock and other stock considered for this purpose as a single class), the Corporation shall reimburse the stockholder for all reasonable out-of-pocket costs and expenses incurred in bringing the matter before the meeting of stockholders, including reasonable out-of-pocket costs and expenses incurred in opposing any efforts by the Corporation to (i) exclude the matter from the Corporation's proxy materials and (ii) solicit votes in opposition; provided, however, that such reimbursement shall not exceed the amount spent by the Corporation in efforts to exclude the matter from the Corporation's proxy materials and solicit votes in opposition.

ARTICLE II

Board of Directors

Section 2.1. Powers; Number; Qualifications. The business and affairs of the Corporation shall be managed by or under the direction of the Board of Directors, except as may be otherwise provided by law or in the certificate of incorporation. The Board shall consist of not less than seven nor more than twenty-one (21) members, the number thereof to be determined from time to time by the Board; provided, however, that in determining the number of directors no account shall be taken of any non-voting director, including any advisory or honorary director, that may be elected from time to time by a majority of the Board of Directors. The number of directors may be increased by amendment of these by-laws by the affirmative vote of a majority of the directors then in office, although less than a quorum, or by the

affirmative vote of the holders of a majority of the outstanding shares of all classes of stock entitled to vote thereon, and by like vote the additional directors may be elected to hold office until the next succeeding annual meeting of stockholders and until their respective successors are elected and qualified or until their respective earlier resignations or removals. Directors need not be stockholders.

Section 2.2. Election; Term of Office; Resignation; Removal; Vacancies. Each director shall hold office until the annual meeting of stockholders next succeeding his or her election and until his or her successor is elected and qualified or until his or her earlier resignation or removal. Any director may resign at any time upon written notice to the Board of Directors or to the Chairman or the Secretary of the Corporation. Such resignation shall take effect at the time specified therein, and no acceptance of such resignation shall be necessary to make it effective. Any director or the entire Board of Directors may be removed, with or without cause, by the affirmative vote of holders of a majority of the shares then entitled to vote at an election of directors; and any vacancy so created may be filled by the affirmative vote of holders of a majority of the shares then entitled to vote at an election of directors. Whenever the holders of any class or series of stock are entitled to elect one or more directors by the provisions of the certificate of incorporation, the provisions of the preceding sentence shall apply, in respect to the removal without cause of a director or directors so elected, to the vote of the holders of the outstanding shares of that class or series and not to the vote of the outstanding shares as a whole. Unless otherwise provided in the certificate of incorporation or these by-laws, vacancies (other than any vacancy created by removal of a director by shareholder vote) and newly created directorships resulting from any increase in the authorized number of directors elected by all of the stockholders having the right to vote as a single class or from any other cause may be filled by a majority of the directors then in office, although less than a quorum, or by the sole remaining director. Whenever the holders of any class or classes of stock or series thereof are entitled to elect one or more directors by the provisions of the certificate of incorporation, vacancies and newly created directorships of such class or classes or series may, unless otherwise provided in the certificate of incorporation, be filled by a majority of the directors elected by such class or classes or series thereof then in office, or by the sole remaining director so elected.

Except as may be otherwise required by the Certificate of Incorporation, each director shall be elected by the vote of the majority of the votes cast (meaning the number of shares voted "for" a nominee must exceed the number of shares voted "against" such nominee) at any meeting for the election of directors at which a quorum is present, provided that the directors shall be elected by a plurality of the votes cast (instead of by votes for or against a nominee) at any meeting involving a contested election for one or more directors (meaning more directors have been nominated for election than directorship positions available). Abstentions and broker non-votes will not be deemed a vote "for" or "against" a director. The Corporation's Corporate Governance Guidelines contain the Corporation's policy regarding the director resignation process.

Section 2.3. Regular Meetings. Regular meetings of the Board of Directors may be held at such places within or without the State of Delaware and at such times as the Board may from time to time determine, and if so determined notice thereof need not be given.

Section 2.4. Special Meetings. Special meetings of the Board of Directors may be held at any time or place within or without the State of Delaware whenever called by the Chairman or by the Chief Executive Officer or the Lead Independent Director on the written request of any two directors. Reasonable notice thereof, which may be by telephone or email, shall be given by the person calling the meeting.

Section 2.5. Participation in Meetings by Conference Telephone Permitted. Unless otherwise restricted by the certificate of incorporation or these by-laws, members of the Board of Directors, or any committee designated by the Board, may participate in a meeting of the Board or of such committee, as the case may be, by means of conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other, and participation in a meeting pursuant to this Section 2.5 shall constitute presence in person at such meeting.

Section 2.6. Quorum; Vote Required for Action. At all meetings of the Board of Directors a majority of the entire Board shall constitute a quorum for the transaction of business. The vote of a majority of the directors present at a meeting at which a quorum is present shall be the act of the Board unless the certificate of incorporation or these by-laws shall require a vote of a greater number. In case at any meeting of the Board a quorum shall not be present, a majority of the members of the Board present may adjourn the meeting from time to time until a quorum shall attend, and notice need not be given of any such adjourned meeting if the time and place thereof are announced at the meeting at which adjournment is taken.

Section 2.7. Chairman. The Board of Directors shall annually select one of its members to be Chairman and shall fill any vacancy in the position of Chairman at such time and in such manner as the Board of Directors shall determine.

Section 2.8. Lead Independent Director. Those members of the Board of Directors who are independent under the New York Stock Exchange listing standards shall annually select one of their number to be Lead Independent Director and shall fill any vacancy in the position of Lead Independent Director at such time and in such manner as the Board of Directors shall determine.

Section 2.9. Organization. Section 2.11. Compensation of Directors. The Board of Directors shall have the authority to fix the compensation of directors.

Section 2.12. Approval or Ratification of Chief Executive Officer Compensation. The determination of the Compensation and Management Resources Committee (or such other committee of the Board of Directors assigned to make such determination) with respect to the compensation of the Chief Executive Officer shall be subject to the approval or ratification of the Board. The Board of Directors may, by resolution passed by a majority of the whole Board, designate one or more committees, each committee to consist of two or more of the directors of the Corporation. The Board may designate one or more directors as alternate members of any committee, who may replace any absent or disqualified member at any meeting of the committee. In the absence or disqualification of a member of a committee, the member or members thereof present at any meeting and not disqualified from voting, whether or not such member or members constitute a quorum, may unanimously appoint another member of the Board to act at the meeting in place of any such absent or disqualified member. Any such committee, to the extent permitted by applicable law and provided in the resolution of the Board or in these by-laws, shall have and may exercise all the powers and authority of the Board in the management of the business and affairs of the Corporation, and may authorize the seal of the Corporation to be affixed to all papers which may require it. The standing committees of the Board of Directors shall be the Audit Committee, the Nominating and Corporate Governance Committee, the Compensation and Management Resources Committee, such additional committees as may be required by the New York Stock Exchange listing standards or other applicable law and such additional committees as the Board of Directors may designate pursuant to this Section 3.1, in each case with such name or names as may be stated in these by-laws or as may be determined from time to time by resolution adopted by the Board of Directors. The committees shall keep regular minutes of their proceedings and report the same to the Board of Directors when required.

The Executive Committee, if one shall be designated, to the extent permitted by applicable law shall have and may exercise all the powers and authority of the Board of Directors in the management of the business and affairs of the Corporation, and may authorize the seal of the Corporation to be affixed to all papers which may require it. Except as otherwise provided

from time to time in resolutions passed by a majority of the whole Board of Directors, the powers and authority of the Executive Committee shall include the power and authority to declare a dividend on stock, to authorize the issuance of stock and to adopt a certificate of ownership and merger pursuant to Section 253 of the Delaware General Corporation Law. Except as otherwise provided from time to time in resolutions passed by a majority of the whole Board of Directors, the power and authority of the Executive Committee shall not include the power or authority to nominate persons to serve as directors or to fill vacancies or newly created directorships, which power and authority shall be vested in the Board of Directors.

Section 3.2. Committee Rules. Unless the Board of Directors otherwise provides, each committee designated by the Board may adopt, amend and repeal rules for the conduct of its business. In the absence of a provision by the Board or a provision in the rules of such committee to the contrary, a majority of the members of such committee shall constitute a quorum for the transaction of business, the vote of a majority of the members present at a meeting at the time of such vote if a quorum is then present shall be the act of such committee, and in other respects each committee shall conduct its business in the same manner as the Board conducts its business pursuant to Article II of these by-laws.

As soon as practicable after the annual meeting of stockholders in each year, the Board of Directors shall elect a Chief Executive Officer and a Secretary, and it may, if it so determines, elect one or more Vice Chairmen. The Board may also elect a President, one or more Vice Presidents, one or more Assistant Vice Presidents, one or more Assistant Secretaries, a Treasurer and one or more Assistant Treasurers and such other officers as the Board may deem desirable or appropriate and may give any of them such further designations or alternate titles as it considers desirable. Any officer may resign at any time upon written notice to the Board or to the Chairman or to the Chief Executive Officer or to the Secretary of the Corporation. Such resignation shall take effect at the time specified therein, and no acceptance of such resignation shall be necessary to make it effective. The Board may remove any officer with or without cause at any time. Any such removal shall be without prejudice to the contractual rights of such officer, if any, with the Corporation, but the election of an officer shall not of itself create contractual rights. Any vacancy occurring in any office of the Corporation by death, resignation, removal or otherwise may be filled for the unexpired portion of the term by the Board at any regular or special meeting.

Section 4.3. Chief Executive Officer. The Chief Executive Officer shall have general charge and supervision of the business of the Corporation and shall perform all duties incident to the office of a Chief Executive Officer of a corporation and such other duties as may, from time to time, be assigned to him or her by the Board.

Section 4.7. Treasurer. The Treasurer shall have charge of and be responsible for all funds, securities, receipts and disbursements of the Corporation and shall deposit or cause to be deposited, in the name of the Corporation, all moneys or other valuable effects in such banks, trust companies or other depositories as shall, from time to time, be selected by or under authority of the Board of Directors. If required by the Board, the Treasurer shall give a bond for the faithful discharge of his or her duties, with such surety or sureties as the Board may determine. The Treasurer shall keep or cause to be kept full and accurate records of all receipts and disbursements in books of the Corporation, shall render to the Chief Executive Officer and to the Board, whenever requested, an account of the financial condition of the Corporation, and, in general, shall perform all the duties incident to the office of treasurer of a corporation and such other duties as may, from time to time, be assigned to him or her by the Board or the Chief Executive Officer or as may be provided by law.

Section 4.8. Other Officers. The other officers, if any, of the Corporation, including any Assistant Vice Presidents, Assistant Treasurers and Assistant Secretaries, shall have such powers and duties in the management of the Corporation as shall be stated in a resolution of the Board of Directors which is not inconsistent with these by-laws and, to the extent not so stated, as generally pertain to their respective offices, subject to the control of the Board. The Board may require any officer, agent or employee to give security for the faithful performance of his or her duties.

ARTICLE V

Stock

Section 5.1. Certificates. Except as otherwise determined by the Board of Directors, every holder of stock in the Corporation shall be entitled to have a certificate signed by or in the name of the Corporation by the Chairman or a Vice Chairman, if any, or the Chief Executive Officer, if any, or a Vice President and by the Treasurer or an Assistant Treasurer, or the Secretary or an Assistant Secretary, of the Corporation, certifying the number of shares owned by such holder in the Corporation. If such certificate is manually signed by one officer or manually countersigned by a transfer agent or by a registrar, any other signature on the certificate may be a facsimile. In case any officer, transfer agent or registrar who has signed or whose facsimile signature has been placed upon a certificate shall have ceased to be such officer, transfer agent or registrar before such certificate is issued, it may be issued by the Corporation with the same effect as if such person were such officer, transfer agent or registrar at the date of issue.

Section 5.2. Lost, Stolen or Destroyed Stock Certificates; Issuance of New Certificates. The Corporation may issue a new certificate of stock in the place of any certificate theretofore issued by it, alleged to have been lost, stolen or destroyed, and the Corporation may require the owner of the lost, stolen or destroyed certificate, or such owner's legal representative, to give the Corporation a bond sufficient to indemnify it against any claim that may be made against it on account of the alleged loss, theft or destruction of any such certificate or the issuance of such new certificate.

ARTICLE VI

Miscellaneous

Section 6.1. Fiscal Year. The fiscal year of the Corporation shall be the calendar year.

Section 6.2. Seal. The Corporation may have a corporate seal which shall have the name of the Corporation inscribed thereon and shall be in such form as may be approved from time to time by the Board of Directors. The corporate seal may be used by causing it or a facsimile thereof to be impressed or affixed or in any other manner reproduced.

Section 6.3. Waiver of Notice of Meetings of Stockholders, Directors and Committees. Whenever notice is required to be given by law or under any provision of the certificate of incorporation or these by-laws, a written waiver thereof, signed by the person entitled to notice, whether before or after the time stated therein, shall be deemed equivalent to notice. Attendance of a person at a meeting shall constitute a waiver of notice of such meeting, except when the person attends a meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened. Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the stockholders, directors or members of a committee of directors need be specified

in any written waiver of notice unless so required by the certificate of incorporation or these by-laws.

Section 6.4. Indemnification of Directors, Officers and Employees.

1. Indemnification – General.

(a) Except as provided in Section 6.4(3), the Corporation shall indemnify the Indemnitees to the full extent permitted by Delaware law.

(b) For the purposes of this Section 6.4, the term "Indemnitee" shall mean any person made or threatened to be made a party to any civil, criminal, administrative or investigative action, suit or proceeding by reason of the fact that such person or such person's testator or intestate is or was a director, officer or employee of the Corporation or serves or served at the request of the Corporation any other enterprise as a director, officer or employee.

(c) For purposes of this Section 6.4, the term "Corporation" shall include any predecessor of the Corporation and any constituent corporation (including any constituent of a constituent) absorbed by the Corporation in a consolidation or merger; the term "other enterprise" shall include any corporation, partnership, joint venture, trust or employee benefit plan; service "at the request of the Corporation" shall include service as a director, officer, employee or agent of the Corporation which imposes duties on, or involves services by, such director, officer, employee or agent with respect to an employee benefit plan, its participants or beneficiaries; any excise taxes assessed on a person with respect to an employee benefit plan shall be deemed to be an Expense; and action by a person with respect to an employee benefit plan which such person reasonably believes to be in the interest of the participants and beneficiaries of such plan shall be deemed to be action not opposed to the best interests of the Corporation.

2. Expenses.

(a) Expenses reasonably incurred by Indemnitee in defending any such action, suit or proceeding, as described in Section 6.4(1)(b), shall be paid or reimbursed by the Corporation promptly upon receipt by it of an undertaking of Indemnitee to repay such expenses if it shall ultimately be determined that he or she is not entitled to be indemnified by the Corporation.

(b) For the purposes of this Section 6.4, the term "Expenses" shall include all reasonable out of pocket fees, costs and expenses, including without limitation, attorneys' fees, retainers, court costs, transcript costs, fees of experts, witness fees, travel expenses, duplicating costs, printing and binding costs, telephone charges, postage, delivery service fees, and all other disbursements or expenses of the types customarily incurred in connection with defending, preparing to defend, or investigating an action, suit or proceeding, whether civil, criminal, administrative or investigative but shall exclude the costs of acquiring and maintaining an appeal or supersedeas bond or similar instrument. For the avoidance of doubt, "Expenses" shall not include (i) any amounts incurred in an action, suit or proceeding in which Indemnitee is a

plaintiff and (ii) any amounts incurred in connection with any non-compulsory counterclaim brought by the Indemnitee.

3. Limitations. The Corporation shall not indemnify Indemnitee or advance Indemnitee's Expenses if the action, suit or proceeding alleges (1) claims under Section 16 of the Securities Exchange Act of 1934 or (2) violations of Federal or state insider trading laws, unless, in the case of this clause (2), Indemnitee has been successful on the merits or settled the case with the written consent of the Corporation, in which case the Corporation shall indemnify and reimburse Indemnitee.

4. Standard of Conduct. No claim for indemnification shall be paid by the Corporation unless the Corporation has determined that Indemnitee acted in good faith and in a manner Indemnitee reasonably believed to be in or not opposed to the best interest of the Corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe that his or her conduct was unlawful. Unless ordered by a court, such determinations shall be made by (1) a majority vote of the directors who are not parties to the action, suit or proceeding for which indemnification are sought, even though less than a quorum, or (2) by a committee of such directors designated by a majority vote of directors, even though less than a quorum, or (3) if there are no such directors, or if such directors direct, by independent legal counsel in a written opinion, or (4) by stockholders.

5. Period of Indemnity. No claim for indemnification or the reimbursement of Expenses shall be made by Indemnitee or paid by the Corporation unless the Indemnitee gives notice of such claim for indemnification within one year after the Indemnitee received notice of the claim, action, suit or proceeding.

6. Confidentiality. Except as required by law or as otherwise becomes public through no action by the Indemnitee or as necessary to assert Indemnitee's rights under this Section 6.4, Indemnitee will keep confidential any information that arises in connection with this Section 6.4, including but not limited to, claims for indemnification or reimbursement of Expenses, amounts paid or payable under this Section 6.4 and any communications between the parties.

7. Subrogation. In the event of payment under this Section 6.4, the Corporation shall be subrogated to the extent of such payment to all of the rights of recovery of Indemnitee (under any insurance policy or otherwise), who shall execute all papers required and shall do everything necessary to secure such rights, including the execution of such documents necessary to enable the Corporation to effectively bring suit to enforce such rights.

8. Notice by Indemnitee. Indemnitee shall promptly notify the Corporation in writing upon being served with any summons, citation, subpoena, complaint, indictment, information or other document relating to any matter which may be subject to indemnification or reimbursement of Expenses covered by this Section 6.4. As a condition to indemnification or reimbursement of expenses, any demand for payment by Indemnitee hereunder shall be in writing and shall provide an accounting of the amounts to be paid by Corporation (which shall include detailed invoices and other relevant documentation).

9. Venue. Any action, suit or proceeding regarding indemnification or advancement or reimbursement of Expenses arising out of the by-laws or otherwise shall only be brought and heard in Delaware Court of Chancery.

10. Amendment. No amendment of this Section 6.4 shall impair the rights of any Indemnitee arising at any time with respect to events occurring prior to such amendment.

Section 6.5. Interested Directors; Quorum. No contract or transaction between the Corporation and one or more of its directors or officers, or between the Corporation and any other corporation, partnership, association or other organization in which one or more of its directors or officers are directors or officers, or have a financial interest, shall be void or voidable solely for this reason, or solely because the director or officer is present at or participates in the meeting of the Board of Directors or committee thereof which authorizes the contract or transaction, or solely because his or her or their votes are counted for such purpose, if: (1) the material facts as to his or her relationship or interest and as to the contract or transaction are disclosed or are known to the Board or the committee, and the Board or committee in good faith authorizes the contract or transaction by the affirmative votes of a majority of the disinterested directors, even though the disinterested directors be less than a quorum; or (2) the material facts as to his or her relationship or interest and as to the contract or transaction are disclosed or are known to the stockholders entitled to vote thereon, and the contract or transaction is specifically approved in good faith by vote of the stockholders; or (3) the contract or transaction is fair as to the Corporation as of the time it is authorized, approved or ratified, by the Board, a committee thereof or the stockholders. Common or interested directors may be counted in determining the presence of a quorum at a meeting of the Board or of a committee which authorizes the contract or transaction.

Section 6.6. Form of Records. Any records maintained by the Corporation in the regular course of its business, including its stock ledger, books of account and minute books, may be kept on, or be in the form of, punch cards, magnetic tape, photographs, microphotographs or any other information storage device, provided that the records so kept can be converted into clearly legible form within a reasonable time. The Corporation shall so convert any records so kept upon the request of any person entitled to inspect the same.

Section 6.7. Dividends. Subject to the provisions of the certificate of incorporation, the Board of Directors may, out of funds legally available therefor at any regular or special meeting, declare dividends upon the capital stock of the Corporation as and when they deem expedient. Before declaring any dividend, the Board may cause to be set apart out of any funds of the Corporation available for dividends, such sum or sums as the directors from time to time in their discretion deem proper for working capital or as a reserve fund to meet contingencies or for equalizing dividends or for such other purposes as the directors shall deem conducive to the interests of the Corporation.

Section 6.8. Amendment of By-Laws. These by-laws may be amended or repealed, and new by-laws adopted, by the affirmative vote of a majority of the Board of

Directors, but the holders of a majority of the shares then entitled to vote may adopt additional by-laws and may amend or repeal any by-law whether or not adopted by them.

TARP AIG SSFI Investment

Senior Preferred Stock and Warrant

Summary of Senior Preferred Terms

Issuer:	American International Group, Inc. ("AIG").
Initial Holder:	United States Department of the Treasury (the "UST").
Size:	\$40 Billion aggregate liquidation preference.
Security:	Senior Preferred, liquidation preference \$10,000 per share; provided that UST may, upon transfer of the Senior Preferred, require AIG to appoint a depository to hold the Senior Preferred and issue depository receipts.
Ranking:	Senior to common stock and pari passu with existing preferred shares other than preferred shares which by their terms rank junior to the Senior Preferred. At the meeting of stockholders called to effect the amendments to AIG's Restated Certificate of Incorporation contemplated by the terms of the convertible preferred stock, AIG shall propose an amendment to its Restated Certificate of Incorporation to allow the Senior Preferred to rank senior to the convertible preferred stock.
Term:	Perpetual life.
Dividend:	The Senior Preferred will accrue cumulative dividends at a rate of 10% per annum. Dividends will be payable quarterly in arrears on February 1, May 1, August 1 and November 1 of each year. Dividends will be payable when, as and if declared by the Board of Directors of AIG. Accrued but unpaid dividends shall compound quarterly.
Redemption:	At any time that (i) the AIG Credit Facility Trust (or any successor entity established for the benefit of the United States Treasury) "beneficially owns" less than 30% of the aggregate voting power of AIG's voting securities and (ii) no holder of the Senior Preferred controls AIG, then AIG may redeem the Senior Preferred in whole or in part at a redemption price equal to 100% of its liquidation preference, plus an amount equal to accrued and unpaid dividends (including, if applicable, dividends on such amount). "Control" for this purpose means the power to direct the management and policies of AIG, directly or indirectly, whether through the ownership of voting securities, by contract, by the power to control AIG's Board of Directors or otherwise. "Beneficially owns" is as defined in Rule 13d-3 under the Securities Exchange Act of 1934. For the avoidance of doubt, while there is AIG's Board of Directors control (or the potential to gain AIG's Board of Directors control) by the holder of the Senior Preferred, then AIG is not permitted to redeem the Senior Preferred.
Restrictions on Dividends:	Subject to certain exceptions, for as long as any Senior Preferred

is outstanding, no dividends may be declared or paid on junior preferred shares, preferred shares ranking pari passu with the Senior Preferred ("Parity Stock"), or common shares (other than (i) in the case of pari passu preferred shares, dividends on a pro rata basis with the Senior Preferred and (ii) in the case of junior preferred shares, dividends payable solely in common shares), nor may AIG repurchase or redeem any junior preferred shares, preferred shares ranking pari passu with the Senior Preferred or common shares, unless all accrued and unpaid dividends for all past dividend periods on the Senior Preferred are fully paid or declared and a sum sufficient for the payment thereof set apart.

Common dividends: The UST's consent shall be required for any increase in common dividends per share until the fifth anniversary of the date of this investment unless prior to such fifth anniversary the Senior Preferred is redeemed in whole or the UST has transferred all of the Senior Preferred to third parties.

Repurchases: The UST's consent shall be required for repurchases of any common shares, other capital stock, trust preferred securities or other equity securities (other than (i) repurchases of the Senior Preferred, (ii) repurchases of junior preferred shares or common shares ("Junior Stock") in connection with the administration of any employee benefit plan in the ordinary course of business and consistent with past practice (including purchases to offset share dilution pursuant to a publicly announced repurchase plan), (iii) any redemption or repurchase of rights pursuant to any stockholders' rights plan and (iv) the exchange or conversion of Junior Stock for or into other Junior Stock or of Parity Stock or trust preferred securities for or into other Parity Stock (with the same or lesser aggregate liquidation amount) or Junior Stock, in each case, solely to the extent required pursuant to binding contractual agreements entered into prior to the signing date of UST's agreement to purchase the Senior Preferred or any subsequent agreement for the accelerated exercise, settlement or exchange thereof for common stock), until the fifth anniversary of the date of this investment unless prior to such fifth anniversary the Senior Preferred is redeemed in whole or the UST has transferred all of the Senior Preferred to third parties. Notwithstanding the foregoing, following the redemption in whole of the Senior Preferred held by UST or the transfer by UST of all of the Senior Preferred to one or more third parties not affiliated with UST, AIG may repurchase, in whole or in part, at any time the Warrant then held by UST at the fair market value of the Warrant so long as no holder of the Warrant controls AIG as provided in clause (ii) of "Redemption" above.

Voting rights: The Senior Preferred shall be non-voting, other than class voting rights on (i) any authorization or issuance of shares other than the convertible preferred stock ranking senior or pari passu to the Senior Preferred, (ii) any amendment that adversely affects the rights of Senior Preferred, or (iii) any merger, exchange or similar transaction unless the Senior Preferred remains outstanding or is converted into or exchanged for preference securities of the surviving or resulting entity or its ultimate parent and the Senior Preferred or such preference shares have such rights, preferences, privileges and voting powers, and limitations and restrictions thereof, taken as a whole, as are not materially less

favorable to the holders thereof than those of the Senior Preferred immediately prior to such transaction, taken as a whole.

If dividends on the Senior Preferred are not paid in full for four dividend periods, whether or not consecutive, the Senior Preferred will have the right to elect the greater of 2 directors and a number of directors (rounded upward) equal to 20% of the total number of directors after giving effect to such election. The right to elect directors will end when full dividends have been paid for all past dividend periods.

Transferability: The Senior Preferred will not be subject to any contractual restrictions on transfer other than such as are necessary to insure compliance with U.S. federal and state securities laws. AIG will file a registration statement (which may be a shelf registration statement) covering the Senior Preferred as promptly as practicable, but in any event within 15 days, after notification by the UST and, if necessary, shall take all action required to cause such registration statement to be declared effective as soon as possible. During any period that an effective registration statement is not available for the resale by the UST of the Senior Preferred, AIG will also grant to the UST piggyback registration rights for the Senior Preferred and will take such other steps as may be reasonably requested to facilitate the transfer of the Senior Preferred including, if requested by the UST, using reasonable best efforts to list the Senior Preferred on a national securities exchange. If requested by the UST, AIG will appoint a depository to hold the Senior Preferred and issue depository receipts.

Claim in Bankruptcy: Equity claim with liquidation preference to common equity claim.

Acceleration Rights: None

Use of Proceeds: To repay the senior secured revolving credit facility governed by the Credit Agreement dated as of September 22, 2008 (the "Credit Agreement") between AIG and the Federal Reserve Bank of New York ("FRBNY").

Tax Treatment: Dividends on the Senior Preferred are non tax-deductible to AIG.

Restrictions on Expenses: AIG shall continue to maintain and implement its comprehensive written policy on corporate expenses and distribute such policy to all AIG employees. Such policy, as may be amended from time to time, shall remain in effect at least until such time as any of the shares of the Senior Preferred are owned by the UST. Any material amendments to such policy shall require the prior written consent of the UST until such time as the UST no longer owns any shares of Senior Preferred, and any material deviations from such policy, whether in contravention thereof or pursuant to waivers provided for thereunder, shall promptly be reported to the UST. Such policy shall, at a minimum: (i) require compliance with all applicable law; (ii) apply to AIG and all of its subsidiaries; (iii) govern (a) the hosting, sponsorship or other

payment for conferences and events, (b) the use of corporate aircraft, (c) travel accommodations and expenditures, (d) consulting arrangements with outside service providers, (e) any new lease or acquisition of real estate, (f) expenses relating to office or facility renovations or relocations and (g) expenses relating to entertainment or holiday parties; and (iv) provide for (a) internal reporting and oversight and (b) mechanisms for addressing non-compliance with the policy.

**Restrictions on
Lobbying:**

AIG shall continue to maintain and implement its comprehensive written policy on lobbying, governmental ethics and political activity and distribute such policy to all AIG employees and lobbying firms involved in any such activity. Such policy, as may be amended from time to time, shall remain in effect at least until such time as any of the shares of the Senior Preferred are owned by the UST. Any material amendments to such policy shall require the prior written consent of the UST until such time as the UST no longer owns any shares of Senior Preferred, and any material deviations from such policy, whether in contravention thereof or pursuant to waivers provided for thereunder, shall promptly be reported to the UST. Such policy shall, at a minimum: (i) require compliance with all applicable law; (ii) apply to AIG and all of its subsidiaries and affiliated foundations; (iii) govern (a) the provision of items of value to any government officials, (b) lobbying and (c) political activities and contributions; and (iv) provide for (a) internal reporting and oversight and (b) mechanisms for addressing non-compliance with the policy.

Reporting:

Except as otherwise agreed, AIG shall provide the UST (i) the information required to be provided by AIG to the FRBNY pursuant to Section 5.04 of the Credit Agreement, (ii) the notices required by Section 5.05 of the Credit Agreement, in each case within the time periods for delivery thereof specified in the Credit Agreement and (iii) such executive compensation information as is required for purposes of the Emergency Economic Stabilization Act of 2008 ("EESA") and the regulations and guidelines thereunder; provided that, after the termination of the Credit Agreement, such informational and notice requirements as are provided in Section 5.04 and Section 5.05 of the Credit Agreement shall remain in full force and effect until such time as the UST no longer owns any shares of Senior Preferred. In addition, AIG shall promptly provide the UST such other information and notices as the UST may reasonably request from time to time.

**Executive
Compensation:**

As a condition to the closing of this investment, AIG shall be subject to the executive compensation and corporate governance requirements of Section 111(b) of the EESA and the UST's guidelines that carry out the provisions of such subsection for systemically significant failing institutions as set forth in Notice 2008-PSSF1. Accordingly, as a condition to the closing of this investment, AIG and its senior executive officers covered by the EESA ("SEOs") shall modify or terminate all benefit plans, arrangements and agreements (including golden parachute agreements) to the extent necessary to be in compliance with,

and following the closing and for so long as the UST holds any equity or debt securities of AIG issued under this agreement (the "Relevant Period"), AIG shall agree to be bound by the executive compensation and corporate governance requirements of Section 111(b) of the EESA and the guidelines set forth in Notice 2008-PSSFI. As an additional condition to the closing, AIG and its SEOs shall grant to the UST and the SEOs shall grant to AIG waivers releasing the UST, and, in the case of the SEOs release, AIG, from any claims that AIG and such SEOs may otherwise have as a result of any modification of the terms of any benefit plans, arrangements and agreements to eliminate any provisions that would not be in compliance with the executive compensation and corporate governance requirements of Section 111 of the EESA and the guidelines set forth in Notice 2008-PSSFI.

In addition to Notice 2008-PSSFI, the following will apply:

1. AIG shall undertake during the Relevant Period to limit any golden parachute payments to its most senior employee group, who are currently referred to as Senior Partners ("Senior Partners"), (other than its SEOs) to the amounts permitted by the regulations relating to participants in the EESA Capital Purchase Program and the guidelines and Interim Final Rule (31 CFR Part 30) relating thereto as if they were SEOs (except that equity denominated awards settled solely in equity shall not be included in such limit), and AIG shall grant the UST a waiver releasing the UST, and shall use its best efforts to obtain waivers from the Senior Partners releasing the UST and AIG, from claims that AIG may have against the UST and that such Senior Partners may have against the UST or AIG as a result of such limits, and shall have obtained such waivers from AIG and its U.S.-based Senior Partners prior to and as an additional condition to the closing.

2. The annual bonus pools payable to Senior Partners in respect of each of 2008 and 2009 shall not exceed the average of the annual bonus pools paid to Senior Partners for 2006 and 2007 (in each case exclusive of AIG's historic quarterly bonus program, the amount of which will not increase for any participant, and subject to appropriate adjustment for new hires and departures).

Risk Management Committee:

AIG shall establish, within 30 days of the issuance of the Senior Preferred, and maintain, at least until the UST ceases to own any shares of the Senior Preferred, the Warrant or any other equity or debt securities of AIG, a risk management committee of the AIG's Board of Directors that will oversee the major risks involved in AIG's business operations and review AIG's actions to mitigate and manage those risks.

Miscellaneous:

The dividend rate as provided in "Dividend" above is subject to adjustment in the sole discretion of the Secretary of the Treasury in light of, inter alia, then-prevailing economic conditions and the financial condition of AIG, with the objective of protecting the U.S. taxpayer.

Summary of Warrant Terms

The initial exercise price for the Warrant shall be \$2.50 per share of Common Stock (representing the par value of the Common Stock on the date of the investment), subject to customary anti-dilution adjustments; provided that the initial exercise price per share of Common Stock shall be adjusted to the par value per share of the Common Stock following the amendments to AIG's Restated Certificate of Incorporation contemplated by the terms of the convertible preferred stock. The Warrant shall be net share settled or, if consented to by AIG and the UST, on a full physical basis.
- Term:** 10 years
- Exercisability:** Immediately exercisable, in whole or in part.
- Transferability:** The Warrant will not be subject to any contractual restrictions on transfer other than such as are necessary to ensure compliance with U.S. federal and state securities laws. AIG will file a registration statement (which may be a shelf registration statement) covering the Warrant and the Common Stock underlying the Warrant as promptly as practicable, but in any event within 15 days after notification by the UST, and, if necessary, shall take all action required to cause such registration statement to be declared effective as soon as possible. During any period that an effective registration statement is not available for the resale by the UST of the Warrant or the Common Stock underlying the Warrant, AIG will also grant to the UST piggyback registration rights for the Warrant and the Common Stock underlying the Warrant. AIG will apply for the listing on the New York Stock Exchange of the Common Stock underlying the Warrant and will take such other steps as may be reasonably requested to facilitate the transfer of the Warrant and the underlying Common Stock.
- Voting:** The UST will agree not to exercise voting power with respect to any shares of Common Stock issued to it upon exercise of the Warrant.
- Substitution:** In the event AIG is no longer listed or traded on a national securities exchange the Warrant will be exchangeable (in whole or in part), at the option of the UST, for an economic interest (to be determined by the UST after consultation with AIG) of AIG classified as permanent equity under GAAP having a fair market value (as determined by the UST) equal to the portion of the Warrant so exchanged.

Section 3. Dividends.

(a) Rate. Holders of the Series D Preferred Stock shall be entitled to receive, on each share of the Series D Preferred Stock if, as and when declared by the Board of Directors or any duly authorized committee of the Board of Directors, but only out of assets legally available therefor, cumulative cash dividends with respect to each Dividend Period (as defined below) at a rate per annum equal to the Applicable Dividend Rate on (i) the Liquidation Amount per share of the Series D Preferred Stock and (ii) the amount of accrued and unpaid dividends for any prior Dividend Period on such share of the Series D Preferred Stock, if any. Such dividends shall begin to accrue and be cumulative from the Original Issue Date, shall compound on each subsequent Dividend Payment Date (i.e., no dividends shall accrue on other dividends unless and until the first Dividend Payment Date for such other dividends has passed without such other dividends having been paid on such date) and shall be payable quarterly in arrears on each Dividend Payment Date, commencing with the first such Dividend Payment Date to occur at least 20 calendar days after the Original Issue Date. In the event that any Dividend Payment Date would otherwise fall on a day that is not a Business Day, the dividend payment due on that date will be postponed to the next day that is a Business Day and no additional dividends will accrue as a result of that postponement. The period from and including any Dividend Payment Date to, but excluding, the next Dividend Payment Date is a "Dividend Period", provided that the initial Dividend Period shall be the period from and including the Original Issue Date to, but excluding, the next Dividend Payment Date.

Dividends that are payable on Series D Preferred Stock in respect of any Dividend Period shall be computed on the basis of a 360-day year consisting of twelve 30-day months. The amount of dividends payable on Series D Preferred Stock on any date prior to the end of a Dividend Period, and for the initial Dividend Period, shall be computed on the basis of a 360-day year consisting of twelve 30-day months, and actual days elapsed over a 30-day month.

Date”). Any such day that is a Dividend Record Date shall be a Dividend Record Date whether or not such day is a Business Day.

Holders of the Series D Preferred Stock shall not be entitled to any dividends, whether payable in cash, securities or other property, other than dividends (if any) declared and payable on the Series D Preferred Stock as specified in this Section 3 (subject to the other provisions of the Certificate of Designations).

(b) Priority of Dividends. So long as any share of the Series D Preferred Stock remains outstanding, no dividend or distribution shall be declared or paid on the Common Stock or any other shares of Junior Stock (other than dividends payable solely in shares of Common Stock) or Parity Stock, subject to the immediately following paragraph in the case of Parity Stock, and no Common Stock, Junior Stock or Parity Stock shall be, directly or indirectly, purchased, redeemed or otherwise acquired for consideration by the Corporation or any of its subsidiaries unless all accrued and unpaid dividends for all past Dividend Periods, including the latest completed Dividend Period (including, if applicable as provided in Section 3(a) above, dividends on such amount), on all outstanding shares of the Series D Preferred Stock have been or are contemporaneously declared and paid in full (or have been declared and a sum sufficient for the payment thereof has been set aside for the benefit of the holders of shares of the Series D Preferred Stock on the applicable record date). The foregoing limitation shall not apply to (i) a dividend payable on any Junior Stock in shares of any other Junior Stock, or to the acquisition of shares of any Junior Stock in exchange for, or through application of the proceeds of the sale of, shares of any other Junior Stock; (ii) redemptions, purchases or other acquisitions of shares of Common Stock or other Junior Stock in connection with the administration of any employee benefit plan in the ordinary course of business (including purchases to offset the Share Dilution Amount (as defined below) pursuant to a publicly announced repurchase plan) and consistent with past practice, *provided* that any purchases to offset the Share Dilution Amount shall in no event exceed the Share Dilution Amount; (iii) any dividends or distributions of rights or Junior Stock in connection with a stockholders' rights plan or any redemption or repurchase of rights pursuant to any stockholders' rights plan; (iv) the acquisition by the Company or any of its subsidiaries of record ownership in Junior Stock or Parity Stock for the beneficial ownership of any other persons (other than the Corporation or any of its subsidiaries), including as trustees or custodians; and (v) the exchange or conversion of Junior Stock for or into other Junior Stock or of Parity Stock for or into other Parity Stock (with the same or lesser aggregate liquidation amount) or Junior Stock, in each case, solely to the extent required pursuant to binding contractual agreements entered into prior to the Signing Date or any subsequent agreement for the accelerated exercise, settlement or exchange thereof for Common Stock. "Share Dilution Amount" means the increase in the number of diluted shares outstanding (determined in accordance with generally accepted accounting principles in the United States, and as measured from the date of the Company's consolidated financial statements most recently filed with the Securities and Exchange Commission prior to the Original Issue Date) resulting from the grant, vesting or exercise of equity-based compensation to employees and equitably adjusted for any stock split, stock dividend, reverse stock split, reclassification or similar transaction.

When dividends are not paid (or declared and a sum sufficient for payment thereof set aside for the benefit of the holders thereof on the applicable record date) on any Dividend Payment Date (or, in the case of Parity Stock having dividend payment dates different from the

Dividend Payment Dates, on a dividend payment date falling within a Dividend Period related to such Dividend Payment Date) in full upon the Series D Preferred Stock and any shares of Parity Stock, all dividends declared on the Series D Preferred Stock and all such Parity Stock and payable on such Dividend Payment Date (or, in the case of Parity Stock having dividend payment dates different from the Dividend Payment Dates, on a dividend payment date falling within the Dividend Period related to such Dividend Payment Date) shall be declared *pro rata* so that the respective amounts of such dividends declared shall bear the same ratio to each other as all accrued and unpaid dividends per share on the shares of the Series D Preferred Stock (including, if applicable as provided in Section 3(a) above, dividends on such amount) and all Parity Stock payable on such Dividend Payment Date (or, in the case of Parity Stock having dividend payment dates different from the Dividend Payment Dates, on a dividend payment date falling within the Dividend Period related to such Dividend Payment Date) (subject to their having been declared by the Board of Directors or a duly authorized committee of the Board of Directors out of legally available funds and including, in the case of Parity Stock that bears cumulative dividends, all accrued but unpaid dividends) bear to each other. If the Board of Directors or a duly authorized committee of the Board of Directors determines not to pay any dividend or a full dividend on a Dividend Payment Date, the Company will provide written notice to the holders of the Series D Preferred Stock prior to such Dividend Payment Date.

Subject to the foregoing, and not otherwise, such dividends (payable in cash, securities or other property) as may be determined by the Board of Directors or any duly authorized committee of the Board of Directors may be declared and paid on any securities, including Common Stock and other Junior Stock, from time to time out of any funds legally available for such payment, and holders of the Series D Preferred Stock shall not be entitled to participate in any such dividends.

Section 4. Liquidation, Dissolution or Winding Up. In the event of any voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Company, then, before any distribution or payment shall be made to the holders of Junior Stock, the holders of the Series D Preferred Stock and any shares of Preferred Stock ranking on a parity therewith as to liquidation shall be entitled to be paid in full the respective amounts of the liquidation preferences thereof, which in the case of the Series D Preferred Stock shall be \$10,000.00 per share, plus an amount equal to all accrued and unpaid dividends to such distribution or payment date, whether or not earned or declared (including, if applicable, as provided in Section 3(a) above, dividends on such accrued and unpaid dividends for all prior Dividend Periods). If such payment shall have been made in full to the holders of the Series D Preferred Stock and any series of Preferred Stock ranking on a parity therewith as to liquidation, the remaining assets and funds of the Company shall be distributed among the holders of Junior Stock, according to their respective rights and preferences and in each case according to their respective shares. If, upon any liquidation, dissolution or winding up of the affairs of the Company, the amounts so payable are not paid in full to the holders of all outstanding shares of the Series D Preferred Stock and any series of Preferred Stock ranking on a parity therewith as to liquidation, the holders of the Series D Preferred Stock and any series of Preferred Stock ranking on a parity therewith as to liquidation shall share ratably in any distribution of assets in proportion to the full amounts to which they would otherwise be respectively entitled. Neither the consolidation or merger of the Company, nor the sale, lease or conveyance of all or a part of its assets, shall be deemed a liquidation,

dissolution or winding up of the affairs of the Company within the meaning of the foregoing provisions of this Section 4.

Section 5. Redemption.

(a) Optional Redemption. Except as provided in this Section 5(a), the Designated Preferred Stock shall not be redeemable. At any time that (i) the Trust (or any successor entity established for the benefit of the United States Treasury) “beneficially owns” less than 30% of the aggregate voting power of the Company’s voting securities and (ii) no holder of the Series D Preferred Stock controls the Company, the Company may redeem, in whole or in part, at any time and from time to time, out of funds legally available therefor, the shares of the Series D Preferred Stock at the time outstanding, upon notice given as provided in Section 5(c) below, the Series D Preferred Stock in whole or in part at a redemption price equal to 100% of its Liquidation Amount, plus, except as set forth in the last sentence of the next paragraph, an amount equal to all accrued and unpaid dividends to such redemption date (including, if applicable, as provided in Section 3(a) above, dividends on accrued and unpaid dividends for all prior Dividend Periods). “Control” for purposes of this Section 5(a) means the power to direct the management and policies of the Company, directly or indirectly, whether through the ownership of voting securities, by contract, by the power to control the Board of Directors or otherwise. “Beneficially owns” for purposes of this Section 5(a) is defined in Rule 13d-3 under the Securities Exchange Act of 1934, as amended to the Signing Date. For the avoidance of doubt, while there is Board of Directors control (or the potential to gain Board of Directors control as a result of existing contractual rights) by any holder of the Series D Preferred Stock, the Company may not redeem any of the Series D Preferred Stock.

The redemption price for any shares of the Series D Preferred Stock shall be payable on the redemption date to the holder of such shares against surrender of the certificate(s) evidencing such shares to the Company or its agent. Any declared but unpaid dividends payable on a redemption date that occurs subsequent to the Dividend Record Date for a Dividend Period shall not be paid to the holder entitled to receive the redemption price on the redemption date, but rather shall be paid to the holder of record of the redeemed shares on such Dividend Record Date relating to the Dividend Payment Date as provided in Section 3 above.

(b) No Sinking Fund. The Series D Preferred Stock will not be subject to any mandatory redemption, sinking fund or other similar provisions. Holders of the Series D Preferred Stock will have no right to require redemption or repurchase of any shares of the Series D Preferred Stock.

(c) Notice of Redemption. Notice of every redemption of shares of the Series D Preferred Stock shall be given by first class mail, postage prepaid, addressed to the holders of record of the shares to be redeemed at their respective last addresses appearing on the books of the Company. Such mailing shall be at least 30 days and not more than 60 days before the date fixed for redemption. Any notice mailed as provided in this Subsection shall be conclusively presumed to have been duly given, whether or not the holder receives such notice, but failure duly to give such notice by mail, or any defect in such notice or in the mailing thereof, to any holder of shares of the Series D Preferred Stock designated for redemption shall not affect the validity of the proceedings for the redemption of any other shares of the Series D Preferred

Stock. Notwithstanding the foregoing, if shares of the Series D Preferred Stock are issued in book-entry form through The Depository Trust Corporation or any other similar facility, notice of redemption may be given to the holders of the Series D Preferred Stock at such time and in any manner permitted by such facility. Each notice of redemption given to a holder shall state: (1) the redemption date; (2) the number of shares of the Series D Preferred Stock to be redeemed and, if less than all the shares held by such holder are to be redeemed, the number of such shares to be redeemed from such holder; (3) the redemption price; and (4) the place or places where certificates for such shares are to be surrendered for payment of the redemption price, but failure duly to give such notice to any holder of shares of the Series D Preferred Stock designated for redemption or any defect in such notice shall not affect the validity of the proceedings for the redemption of any other shares of the Series D Preferred Stock.

(d) Partial Redemption. In case of any redemption of part of the shares of the Series D Preferred Stock at the time outstanding, the shares to be redeemed shall be selected either *pro rata* or in such other manner as the Board of Directors or a duly authorized committee thereof may determine to be fair and equitable. Subject to the provisions hereof, the Board of Directors or a duly authorized committee thereof shall have full power and authority to prescribe the terms and conditions upon which shares of the Series D Preferred Stock shall be redeemed from time to time. If fewer than all the shares represented by any certificate are redeemed, a new certificate shall be issued representing the unredeemed shares without charge to the holder thereof.

(e) Effectiveness of Redemption. If notice of redemption has been duly given and if on or before the redemption date specified in the notice all funds necessary for the redemption have been deposited by the Company, in trust for the *pro rata* benefit of the holders of the shares called for redemption, with a bank or trust company doing business in the Borough of Manhattan, The City of New York, and having a capital and surplus of at least \$500 million and selected by the Board of Directors, so as to be and continue to be available solely therefor, then, notwithstanding that any certificate for any share so called for redemption has not been surrendered for cancellation, on and after the redemption date dividends shall cease to accrue on all shares so called for redemption, all shares so called for redemption shall no longer be deemed outstanding and all rights with respect to such shares shall forthwith on such redemption date cease and terminate, except only the right of the holders thereof to receive the amount payable on such redemption from such bank or trust company, without interest. Any funds unclaimed at the end of three years from the redemption date shall, to the extent permitted by law, be released to the Company, after which time the holders of the shares so called for redemption shall look only to the Company for payment of the redemption price of such shares.

(f) Status of Redeemed Shares. Shares of the Series D Preferred Stock that are redeemed, repurchased or otherwise acquired by the Company shall revert to authorized but unissued shares of the Series D Preferred Stock (*provided* that any such cancelled shares of the Series D Preferred Stock may be reissued only as shares of any series of the Series D Preferred Stock other than the Series D Preferred Stock).

Section 6. Conversion. Holders of the Series D Preferred Stock shares shall have no right to exchange or convert such shares into any other securities.

Section 7. Voting Rights.

(a) General. The holders of the Series D Preferred Stock shall not have any voting rights except as set forth below or as otherwise from time to time required by law.

(b) Series D Preferred Stock Directors. Whenever, at any time or times, dividends payable on the shares of the Series D Preferred Stock have not been paid for an aggregate of four quarterly Dividend Periods or more, whether or not consecutive, the authorized number of directors of the Company shall automatically be increased to accommodate the number of the Preferred Directors specified below and the holders of the Series D Preferred Stock shall have the right, with holders of shares of any one or more other classes or series of Voting Parity Stock outstanding at the time, voting together as a class, to elect the greater of two directors and a number of directors (rounded upward) equal to 20% of the total number of directors of the Company after giving effect to such election (hereinafter the "Preferred Directors" and each a "Preferred Director") to fill such newly created directorships at the Company's next annual meeting of stockholders (or at a special meeting called for that purpose prior to such next annual meeting) and at each subsequent annual meeting of stockholders until all accrued and unpaid dividends for all past Dividend Periods, including the latest completed Dividend Period (including, if applicable as provided in Section 3(a) above, dividends on such amount), on all outstanding shares of the Series D Preferred Stock have been declared and paid in full at which time such right shall terminate with respect to the Series D Preferred Stock, except as herein or by law expressly provided, subject to reversion in the event of each and every subsequent payment failure of the character above mentioned; *provided* that it shall be a qualification for election for any Preferred Director that the election of such Preferred Director shall not cause the Company to violate any corporate governance requirements of any securities exchange or other trading facility on which securities of the Company may then be listed or traded that listed or traded companies must have a majority of independent directors. Upon any termination of the right of the holders of shares of the Series D Preferred Stock and Voting Parity Stock as a class to vote for directors as provided above, the Preferred Directors shall cease to be qualified as directors, the term of office of all Preferred Directors then in office shall terminate immediately and the authorized number of directors shall be reduced by the number of the Preferred Directors elected pursuant hereto. Any Preferred Director may be removed at any time, with or without cause, and any vacancy created thereby may be filled, only by the affirmative vote of the holders a majority of the shares of the Series D Preferred Stock at the time outstanding voting separately as a class together with the holders of shares of Voting Parity Stock, to the extent the voting rights of such holders described above are then exercisable. If the office of any Preferred Director becomes vacant for any reason other than removal from office as aforesaid, the remaining Preferred Director may choose a successor who shall hold office for the unexpired term in respect of which such vacancy occurred.

(c) Class Voting Rights as to Particular Matters. So long as any shares of the Series D Preferred Stock are outstanding, in addition to any other vote or consent of stockholders required by law or by the Charter, the vote or consent of the holders of at least 66 2/3% of the shares of the Series D Preferred Stock at the time outstanding, voting as a separate class, given in person or by proxy, either in writing without a meeting or by vote at any meeting called for the purpose, shall be necessary for effecting or validating:

(i) Authorization of Senior or Pari Passu Stock. Any amendment or alteration of the Certificate of Designations for the Series D Preferred Stock or the Charter to

authorize or create or increase the authorized amount of; or any issuance of, any shares of, or any securities convertible into or exchangeable or exercisable for shares of, any class or series of capital stock of the Company ranking senior to or pari passu with Series D Preferred Stock with respect to either or both the payment of dividends and/or the distribution of assets on any liquidation, dissolution or winding up of the Company; provided that no such vote or consent of the holders of the Series D Preferred Stock shall be required for the issuance of the Convertible Preferred Stock;

(ii) Amendment of the Series D Preferred Stock. Any amendment, alteration or repeal of any provision of the Certificate of Designations for the Series D Preferred Stock or the Charter (including, unless no vote on such merger or consolidation is required by Section 7(c)(iii) below, any amendment, alteration or repeal by means of a merger, consolidation or otherwise) so as to adversely affect the rights, preferences, privileges or voting powers of the Series D Preferred Stock; or

(iii) Share Exchanges, Reclassifications, Mergers and Consolidations. Any consummation of a binding share exchange or reclassification involving the Series D Preferred Stock, or of a merger or consolidation of the Company with or into another corporation or other entity, unless in each case (x) the shares of the Series D Preferred Stock remain outstanding and are not amended in any respect or, in the case of any such merger or consolidation with respect to which the Company is not the surviving or resulting entity, are converted into or exchanged for preference securities of the surviving or resulting entity or its ultimate parent, and (y) such shares remaining outstanding or such preference securities, as the case may be, have such rights, preferences, privileges and voting powers, and limitations and restrictions thereof, taken as a whole, as are not materially less favorable to the holders thereof than the rights, preferences, privileges and voting powers, and limitations and restrictions thereof, of the Series D Preferred Stock immediately prior to such consummation, taken as a whole;

provided, however, that for all purposes of this Section 7(c), any increase in the amount of the authorized Preferred Stock, including any increase in the authorized amount of the Series D Preferred Stock necessary to satisfy preemptive or similar rights granted by the Company to other persons prior to the Signing Date, or the creation and issuance, or an increase in the authorized or issued amount, whether pursuant to preemptive or similar rights or otherwise, of any other series of the Preferred Stock, or any securities convertible into or exchangeable or exercisable for any other series of the Preferred Stock, ranking junior to the Series D Preferred Stock with respect to the payment of dividends (whether such dividends are cumulative or non-cumulative) and the distribution of assets upon liquidation, dissolution or winding up of the Company will not be deemed to adversely affect the rights, preferences, privileges or voting powers, and shall not require the affirmative vote or consent of, the holders of outstanding shares of the Series D Preferred Stock.

(d) Changes after Provision for Redemption. No vote or consent of the holders of the Series D Preferred Stock shall be required pursuant to Section 7(c) above if, at or prior to the time when any such vote or consent would otherwise be required pursuant to such Section, all outstanding shares of the Series D Preferred Stock shall have been redeemed, or shall have been

called for redemption upon proper notice and sufficient funds shall have been deposited in trust for such redemption, in each case pursuant to Section 5 above.

Section 8. Record Holders. To the fullest extent permitted by applicable law, the Company and the transfer agent for Series D Preferred Stock may deem and treat the record holder of any share of the Series D Preferred Stock as the true and lawful owner thereof for all purposes, and neither the Company nor such transfer agent shall be affected by any notice to the contrary.

Section 9. Notices. All notices or communications in respect of the Series D Preferred Stock shall be sufficiently given if given in writing and delivered in person or by first class mail, postage prepaid, or if given in such other manner as may be permitted in this Certificate of Designations, in the Charter or Bylaws or by applicable law. Notwithstanding the foregoing, if shares of the Series D Preferred Stock are issued in book-entry form through The Depository Trust Company or any similar facility, such notices may be given to the holders of the Series D Preferred Stock in any manner permitted by such facility.

Section 10. No Preemptive Rights. No holder of the Series D Preferred Stock shall be entitled as a matter of right to subscribe for or purchase, or have any preemptive right with respect to, any part of any new or additional issue of stock of any class whatsoever, or of securities convertible into any stock of any class whatsoever, whether now or hereafter authorized and whether issued for cash or other consideration or by way of dividend.

1. Definitions. Unless the context otherwise requires, when used herein the following terms shall have the meanings indicated.

“Affiliate” has the meaning ascribed to it in the Purchase Agreement.

“Appraisal Procedure” means a procedure whereby two independent appraisers, one chosen by the Company and one by the Original Warrantholder, shall mutually agree upon the determinations then the subject of appraisal. Each party shall deliver a notice to the other appointing its appraiser within 15 days after the Appraisal Procedure is invoked. If within 30 days after appointment of the two appraisers they are unable to agree upon the amount in question, a third independent appraiser shall be chosen within 10 days thereafter by the mutual consent of such first two appraisers. The decision of the third appraiser so appointed and chosen shall be given within 30 days after the selection of such third appraiser. If three appraisers shall be appointed and the determination of one appraiser is disparate from the middle determination by more than twice the amount by which the other determination is disparate from the middle determination, then the determination of such appraiser shall be excluded, the

remaining two determinations shall be averaged and such average shall be binding and conclusive upon the Company and the Original Warrantholder; otherwise, the average of all three determinations shall be binding upon the Company and the Original Warrantholder. The costs of conducting any Appraisal Procedure shall be borne by the Company.

“*Board of Directors*” means the board of directors of the Company, including any duly authorized committee thereof.

“*Business Combination*” means a merger, consolidation, statutory share exchange or similar transaction that requires the approval of the Company’s stockholders.

“*business day*” means any day except Saturday, Sunday and any day on which banking institutions in the State of New York generally are authorized or required by law or other governmental actions to close.

“*Capital Stock*” means (A) with respect to any Person that is a corporation or company, any and all shares, interests, participations or other equivalents (however designated) of capital or capital stock of such Person and (B) with respect to any Person that is not a corporation or company, any and all partnership or other equity interests of such Person.

“*Charter*” means, with respect to any Person, its certificate or articles of incorporation, articles of association, or similar organizational document.

“*Charter Amendment*” means the amendments to the Company’s Restated Certificate of Incorporation to reduce the par value of the Common Stock to \$0.000001 per share and increase the number of authorized shares of Common Stock to 19 billion.

“*Common Stock*” has the meaning ascribed to it in the Purchase Agreement.

“*Company*” means the American International Group, Inc.

“*conversion*” has the meaning set forth in Section 13(C).

“*convertible securities*” has the meaning set forth in Section 13(C).

“*Exchange Act*” means the Securities Exchange Act of 1934, as amended, or any successor statute, and the rules and regulations promulgated thereunder.

For so long as the Original Warrantholder holds this Warrant or any portion thereof, it may object in writing to the Board of Director’s calculation of fair market value within 10 days of receipt of written notice thereof. If the Original Warrantholder and the Company are unable to agree on fair market value during the 10-day period following the delivery of the Original Warrantholder’s objection, the Appraisal Procedure may be invoked by either party to determine Fair Market Value by delivering written notification thereof not later than the 30th day after delivery of the Original Warrantholder’s objection.

“*Governmental Entities*” has the meaning ascribed to it in the Purchase Agreement.

“*Initial Number*” has the meaning set forth in Section 13(C).

“*Issue Date*” means November [], 2008.

“*Market Price*” means, with respect to a particular security, on any given day, the last reported sale price regular way or, in case no such reported sale takes place on such day, the average of the last closing bid and ask prices regular way, in either case on the principal national securities exchange on which the applicable securities are listed or admitted to trading, or if not listed or admitted to trading on any national securities exchange, the average of the closing bid and ask prices as furnished by two members of the Financial Industry Regulatory Authority, Inc. selected from time to time by the Company for that purpose. “Market Price” shall be determined without reference to after hours or extended hours trading. If such security is not listed and traded in a manner that the quotations referred to above are available for the period required hereunder, the Market Price per share of Common Stock shall be deemed to be (i) in the event that any portion of the Warrant is held by the Original Warrantholder, the fair market value per share of such security as determined in good faith by the Original Warrantholder or (ii) in all other circumstances, the fair market value per share of such security as determined in good faith by the Board of Directors in reliance on an opinion of a nationally recognized independent investment banking corporation retained by the Company for this purpose and certified in a resolution to the Warrantholder. For the purposes of determining the Market Price of the Common Stock on the “trading day” preceding, on or following the occurrence of an event, (i) that trading day shall be deemed to commence immediately after the regular scheduled closing time of trading on the New York Stock Exchange or, if trading is closed at an earlier time, such earlier time and (ii) that trading day shall end at the next regular scheduled closing time, or if trading is closed at an earlier time, such earlier time (for the avoidance of doubt, and as an example, if the Market Price is to be determined as of the last trading day preceding a specified event and the closing time of trading on a particular day is 4:00 p.m. and the

specified event occurs at 5:00 p.m. on that day, the Market Price would be determined by reference to such 4:00 p.m. closing price).

“*Original Warrantholder*” means the United States Department of the Treasury. Any actions specified to be taken by the Original Warrantholder hereunder may only be taken by such Person and not by any other Warrantholder.

The “*Effective Date*” of a Pro Rata Repurchase shall mean the date of acceptance of shares for purchase or exchange by the Company under any tender or exchange offer which is a Pro Rata Repurchase or the date of purchase with respect to any Pro Rata Repurchase that is not a tender or exchange offer.

“*U.S. GAAP*” means United States generally accepted accounting principles.

“*Warrantholder*” has the meaning set forth in Section 2.

“*Warrant*” means this Warrant, issued pursuant to the Purchase Agreement.

2. Number of Shares; Exercise Price. This certifies that, for value received, the United States Department of the Treasury or its permitted assigns (the “*Warrantholder*”) is entitled, upon the terms and subject to the conditions hereinafter set forth, to acquire from the Company, in whole or in part, after the receipt of all applicable Regulatory Approvals, if any, up to an aggregate of 53,798,766 fully paid and nonassessable shares of Common Stock, at a purchase price per share of Common Stock equal to the Exercise Price. The number of shares of Common Stock (the “*Shares*”) and the Exercise Price are subject to adjustment as provided herein, and all references to “Common Stock,” “Shares” and “Exercise Price” herein shall be deemed to include any such adjustment or series of adjustments.

3. Exercise of Warrant; Term. Subject to Section 2, to the extent permitted by applicable laws and regulations, the right to purchase the Shares represented by this Warrant is exercisable, in whole or in part by the Warrantholder, at any time or from time to time after the execution and delivery of this Warrant by the Company on the date hereof, but in no event later than 5:00 p.m., New York City time on the tenth anniversary of the Issue Date (the “*Expiration Time*”), by (A) the surrender of this Warrant and Notice of Exercise annexed hereto, duly completed and executed on behalf of the Warrantholder, at the principal executive office of the Company located at 70 Pine Street, New York, New York 10270 Attention: Chief Financial Officer (or such other office or

agency of the Company in the United States as it may designate by notice in writing to the Warrantholder at the address of the Warrantholder appearing on the books of the Company), and (B) payment of the Exercise Price for the Shares thereby purchased:

(i) by having the Company withhold, from the shares of Common Stock that would otherwise be delivered to the Warrantholder upon such exercise, shares of Common Stock issuable upon exercise of the Warrant equal in value to the aggregate Exercise Price as to which this Warrant is so exercised based on the Market Price of the Common Stock on the trading day on which this Warrant is exercised and the Notice of Exercise is delivered to the Company pursuant to this Section 3, or

(ii) with the consent of both the Company and the Warrantholder, by tendering in cash, by certified or cashier's check payable to the order of the Company, or by wire transfer of immediately available funds to an account designated by the Company.

If the Warrantholder does not exercise this Warrant in its entirety, the Warrantholder will be entitled to receive from the Company within a reasonable time, and in any event not exceeding three business days, a new warrant in substantially identical form for the purchase of that number of Shares equal to the difference between the number of Shares subject to this Warrant and the number of Shares as to which this Warrant is so exercised. Notwithstanding anything in this Warrant to the contrary, the Warrantholder hereby acknowledges and agrees that its exercise of this Warrant for Shares is subject to the condition that the Warrantholder will have first received any applicable Regulatory Approvals.

4. Issuance of Shares; Authorization; Listing. Book-entries representing Shares issued upon exercise of this Warrant will be promptly recorded in such name or names as the Warrantholder may designate. The Company hereby represents and warrants that any Shares issued upon the exercise of this Warrant in accordance with the provisions of Section 3 will be duly and validly authorized and issued, fully paid and nonassessable and free from all taxes, liens and charges (other than liens or charges created by the Warrantholder, income and franchise taxes incurred in connection with the exercise of the Warrant or taxes in respect of any transfer occurring contemporaneously therewith). The Company agrees that the Shares so issued will be deemed to have been issued to the Warrantholder as of the close of business on the date on which this Warrant and payment of the Exercise Price are delivered to the Company in accordance with the terms of this Warrant, notwithstanding that the stock transfer books of the Company may then be closed. The Company will at all times reserve and keep available, out of its authorized but unissued Common Stock, solely for the purpose of providing for the exercise of this Warrant, the aggregate number of shares of Common Stock then issuable upon exercise of this Warrant at any time. The Company will (A) procure, at its sole expense, the listing of the Shares issuable upon exercise of this Warrant at any time, subject to issuance or notice of

issuance, on all principal stock exchanges on which the Common Stock is then listed or traded and (B) maintain such listings of such Shares at all times after issuance. The Company will use reasonable best efforts to ensure that the Shares may be issued without violation of any applicable law or regulation or of any requirement of any securities exchange on which the Shares are listed or traded.

5. No Fractional Shares or Scrip. No fractional Shares or scrip representing fractional Shares shall be issued upon any exercise of this Warrant. In lieu of any fractional Share to which the Warrantholder would otherwise be entitled, the Warrantholder shall be entitled to receive a cash payment equal to the Market Price of the Common Stock on the last trading day preceding the date of exercise less the pro-rated Exercise Price for such fractional share.

6. No Rights as Stockholders; Transfer Books. This Warrant does not entitle the Warrantholder to any voting rights or other rights as a stockholder of the Company prior to the date of exercise hereof. The Company will at no time close its transfer books against transfer of this Warrant in any manner which interferes with the timely exercise of this Warrant.

7. Charges, Taxes and Expenses. Issuance of Shares to the Warrantholder upon the exercise of this Warrant shall be made without charge to the Warrantholder for any issue or transfer tax or other incidental expense in respect of the issuance of such Shares, all of which taxes and expenses shall be paid by the Company.

8. Transfer/Assignment.

(A) Subject to compliance with clause (B) of this Section 8, this Warrant and all rights hereunder are transferable, in whole or in part, upon the books of the Company by the registered holder hereof in person or by duly authorized attorney, and a new warrant shall be made and delivered by the Company, of the same tenor and date as this Warrant but registered in the name of one or more transferees, upon surrender of this Warrant, duly endorsed, to the office or agency of the Company described in Section 3. All expenses (other than stock transfer taxes) and other charges payable in connection with the preparation, execution and delivery of the new warrants pursuant to this Section 8 shall be paid by the Company.

(B) The transfer of the Warrant and the Shares issued upon exercise of the Warrant are subject to the restrictions set forth in Section 4.4 of the Purchase Agreement. If and for so long as required by the Purchase Agreement, this Warrant shall contain the legends as set forth in Section 4.2(a) of the Purchase Agreement.

9. Exchange and Registry of Warrant. This Warrant is exchangeable, upon the surrender hereof by the Warrantholder to the Company, for a new warrant or warrants of like tenor and representing the right to purchase the same

aggregate number of Shares. The Company shall maintain a registry showing the name and address of the Warrantholder as the registered holder of this Warrant. This Warrant may be surrendered for exchange or exercise in accordance with its terms, at the office of the Company, and the Company shall be entitled to rely in all respects, prior to written notice to the contrary, upon such registry.

10. Loss, Theft, Destruction or Mutilation of Warrant. Upon receipt by the Company of evidence reasonably satisfactory to it of the loss, theft, destruction or mutilation of this Warrant, and in the case of any such loss, theft or destruction, upon receipt of a bond, indemnity or security reasonably satisfactory to the Company, or, in the case of any such mutilation, upon surrender and cancellation of this Warrant, the Company shall make and deliver, in lieu of such lost, stolen, destroyed or mutilated Warrant, a new Warrant of like tenor and representing the right to purchase the same aggregate number of Shares as provided for in such lost, stolen, destroyed or mutilated Warrant.

11. Saturdays, Sundays, Holidays, etc. If the last or appointed day for the taking of any action or the expiration of any right required or granted herein shall not be a business day, then such action may be taken or such right may be exercised on the next succeeding day that is a business day.

12. Rule 144 Information. The Company covenants that it will use its reasonable best efforts to timely file all reports and other documents required to be filed by it under the Securities Act and the Exchange Act and the rules and regulations promulgated by the SEC thereunder (or, if the Company is not required to file such reports, it will, upon the request of any Warrantholder, make publicly available such information as necessary to permit sales pursuant to Rule 144 under the Securities Act), and it will use reasonable best efforts to take such further action as any Warrantholder may reasonably request, in each case to the extent required from time to time to enable such holder to, if permitted by the terms of this Warrant and the Purchase Agreement, sell this Warrant without registration under the Securities Act within the limitation of the exemptions provided by (A) Rule 144 under the Securities Act, as such rule may be amended from time to time, or (B) any successor rule or regulation hereafter adopted by the SEC. Upon the written request of any Warrantholder, the Company will deliver to such Warrantholder a written statement that it has complied with such requirements.

13. Adjustments and Other Rights. The Exercise Price and the number of Shares issuable upon exercise of this Warrant shall be subject to adjustment from time to time as follows; *provided*, that if more than one subsection of this Section 13 is applicable to a single event, the subsection shall be applied that produces the largest adjustment and no single event shall cause an adjustment under more than one subsection of this Section 13 so as to result in duplication:

(A) Charter Amendment. Upon the effectiveness of the Charter Amendment, the Exercise Price shall be adjusted from its initial value of \$2.50 to the amended par value per share of Common Stock.

(B) Stock Splits, Subdivisions, Reclassifications or Combinations. If the Company shall (i) declare and pay a dividend or make a distribution on its Common Stock in shares of Common Stock, (ii) subdivide or reclassify the outstanding shares of Common Stock into a greater number of shares, or (iii) combine or reclassify the outstanding shares of Common Stock into a smaller number of shares, the number of Shares issuable upon exercise of this Warrant at the time of the record date for such dividend or distribution or the effective date of such subdivision, combination or reclassification shall be proportionately adjusted so that the Warrantholder after such date shall be entitled to purchase the number of shares of Common Stock which such holder would have owned or been entitled to receive in respect of the shares of Common Stock subject to this Warrant after such date had this Warrant been exercised immediately prior to such date. In such event, the Exercise Price in effect at the time of the record date for such dividend or distribution or the effective date of such subdivision, combination or reclassification shall be adjusted to the number obtained by dividing (x) the product of (1) the number of Shares issuable upon the exercise of this Warrant before such adjustment and (2) the Exercise Price in effect immediately prior to the record or effective date, as the case may be, for the dividend, distribution, subdivision, combination or reclassification giving rise to this adjustment by (y) the new number of Shares issuable upon exercise of the Warrant determined pursuant to the immediately preceding sentence.

(C) Certain Issuances of Common Shares or Convertible Securities. Until the earlier of (i) the date on which the Original Warrantholder no longer holds this Warrant or any portion thereof and (ii) the third anniversary of the Issue Date, if the Company shall issue shares of Common Stock (or rights or warrants or other securities exercisable or convertible into or exchangeable (collectively, a "conversion") for shares of Common Stock) (collectively, "convertible securities") (other than in Permitted Transactions (as defined below) or a transaction to which subsection (B) of this Section 13 is applicable) without consideration or at a consideration per share (or having a conversion price per share) that is less than 90% of the Market Price on the last trading day preceding the date of the agreement on pricing such shares (or such convertible securities) then, in such event:

(A) the number of Shares issuable upon the exercise of this Warrant immediately prior to the date of the agreement on pricing of such shares (or of such convertible securities) (the "Initial Number") shall be increased to the number obtained by multiplying the Initial Number by a fraction (A) the numerator of which shall be the sum of (x) the number of shares of Common Stock of the Company outstanding on such date and (y) the number of additional shares of Common Stock issued (or into which convertible securities may be exercised or convert) and (B) the

denominator of which shall be the sum of (I) the number of shares of Common Stock outstanding on such date and (II) the number of shares of Common Stock which the aggregate consideration receivable by the Company for the total number of shares of Common Stock so issued (or into which convertible securities may be exercised or convert) would purchase at the Market Price on the last trading day preceding the date of the agreement on pricing such shares (or such convertible securities); and

(B) the Exercise Price payable upon exercise of the Warrant shall be adjusted by multiplying such Exercise Price in effect immediately prior to the date of the agreement on pricing of such shares (or of such convertible securities) by a fraction, the numerator of which shall be the number of shares of Common Stock issuable upon exercise of this Warrant prior to such date and the denominator of which shall be the number of shares of Common Stock issuable upon exercise of this Warrant immediately after the adjustment described in clause (A) above.

For purposes of the foregoing, the aggregate consideration receivable by the Company in connection with the issuance of such shares of Common Stock or convertible securities shall be deemed to be equal to the sum of the net offering price (including the Fair Market Value of any non-cash consideration and after deduction of any related expenses payable to third parties) of all such securities plus the minimum aggregate amount, if any, payable upon exercise or conversion of any such convertible securities into shares of Common Stock; and "*Permitted Transactions*" shall mean issuances (i) as consideration for or to fund the acquisition of businesses and/or related assets, (ii) in connection with employee benefit plans and compensation related arrangements in the ordinary course and consistent with past practice approved by the Board of Directors, (iii) in connection with a public or broadly marketed offering and sale of Common Stock or convertible securities for cash conducted by the Company or its affiliates pursuant to registration under the Securities Act or Rule 144A thereunder on a basis consistent with capital raising transactions by comparable financial institutions and (iv) in connection with the exercise of preemptive rights on terms existing as of the Issue Date. Any adjustment made pursuant to this Section 13(C) shall become effective immediately upon the date of such issuance.

(D) Other Distributions. In case the Company shall fix a record date for the making of a distribution to all holders of shares of its Common Stock of securities, evidences of indebtedness, assets, cash, rights or warrants (excluding dividends of its Common Stock and other dividends or distributions referred to in Section 13(B)), in each such case, the Exercise Price in effect prior to such record date shall be reduced immediately thereafter to the price determined by multiplying the Exercise Price in effect immediately prior to the reduction by the quotient of (x) the Market Price of the Common Stock on the last trading day preceding the first date on which the Common Stock trades regular way on the principal national securities exchange on which the Common Stock is listed or admitted to trading without the right to receive such distribution, minus the

amount of cash and/or the Fair Market Value of the securities, evidences of indebtedness, assets, rights or warrants to be so distributed in respect of one share of Common Stock (such amount and/or Fair Market Value, the "*Per Share Fair Market Value*") divided by (y) such Market Price on such date specified in clause (x); such adjustment shall be made successively whenever such a record date is fixed. In such event, the number of Shares issuable upon the exercise of this Warrant shall be increased to the number obtained by dividing (x) the product of (1) the number of Shares issuable upon the exercise of this Warrant before such adjustment, and (2) the Exercise Price in effect immediately prior to the distribution giving rise to this adjustment by (y) the new Exercise Price determined in accordance with the immediately preceding sentence. In the event that such distribution is not so made, the Exercise Price and the number of Shares issuable upon exercise of this Warrant then in effect shall be readjusted, effective as of the date when the Board of Directors determines not to distribute such shares, evidences of indebtedness, assets, rights, cash or warrants, as the case may be, to the Exercise Price that would then be in effect and the number of Shares that would then be issuable upon exercise of this Warrant if such record date had not been fixed.

(E) Certain Repurchases of Common Stock. In case the Company effects a Pro Rata Repurchase of Common Stock, then the Exercise Price shall be reduced to the price determined by multiplying the Exercise Price in effect immediately prior to the Effective Date of such Pro Rata Repurchase by a fraction of which the numerator shall be (i) the product of (x) the number of shares of Common Stock outstanding immediately before such Pro Rata Repurchase and (y) the Market Price of a share of Common Stock on the trading day immediately preceding the first public announcement by the Company or any of its Affiliates of the intent to effect such Pro Rata Repurchase, minus (ii) the aggregate purchase price of the Pro Rata Repurchase, and of which the denominator shall be the product of (i) the number of shares of Common Stock outstanding immediately prior to such Pro Rata Repurchase minus the number of shares of Common Stock so repurchased and (ii) the Market Price per share of Common Stock on the trading day immediately preceding the first public announcement by the Company or any of its Affiliates of the intent to effect such Pro Rata Repurchase. In such event, the number of shares of Common Stock issuable upon the exercise of this Warrant shall be increased to the number obtained by dividing (x) the product of (1) the number of Shares issuable upon the exercise of this Warrant before such adjustment, and (2) the Exercise Price in effect immediately prior to the Pro Rata Repurchase giving rise to this adjustment by (y) the new Exercise Price determined in accordance with the immediately preceding sentence. For the avoidance of doubt, no increase to the Exercise Price or decrease in the number of Shares issuable upon exercise of this Warrant shall be made pursuant to this Section 13(E).

(F) Business Combinations. In case of any Business Combination or reclassification of Common Stock (other than a reclassification of Common Stock

referred to in Section 13(B)), the Warrantholder's right to receive Shares upon exercise of this Warrant shall be converted into the right to exercise this Warrant to acquire the number of shares of stock or other securities or property (including cash) which the Common Stock issuable (at the time of such Business Combination or reclassification) upon exercise of this Warrant immediately prior to such Business Combination or reclassification would have been entitled to receive upon consummation of such Business Combination or reclassification; and in any such case, if necessary, the provisions set forth herein with respect to the rights and interests thereafter of the Warrantholder shall be appropriately adjusted so as to be applicable, as nearly as may reasonably be, to the Warrantholder's right to exercise this Warrant in exchange for any shares of stock or other securities or property pursuant to this paragraph. In determining the kind and amount of stock, securities or the property receivable upon exercise of this Warrant following the consummation of such Business Combination, if the holders of Common Stock have the right to elect the kind or amount of consideration receivable upon consummation of such Business Combination, then the consideration that the Warrantholder shall be entitled to receive upon exercise shall be deemed to be the types and amounts of consideration received by the majority of all holders of the shares of Common Stock that affirmatively make an election (or of all such holders if none make an election).

(G) Rounding of Calculations; Minimum Adjustments. All calculations under this Section 13 shall be made to the nearest one-tenth (1/10th) of a cent or to the nearest one-hundredth (1/100th) of a share, as the case may be. Any provision of this Section 13 to the contrary notwithstanding, no adjustment in the Exercise Price or the number of Shares into which this Warrant is exercisable shall be made if the amount of such adjustment would be less than \$0.01 or one-tenth (1/10th) of a share of Common Stock, but any such amount shall be carried forward and an adjustment with respect thereto shall be made at the time of and together with any subsequent adjustment which, together with such amount and any other amount or amounts so carried forward, shall aggregate \$0.01 or 1/10th of a share of Common Stock, or more.

(H) Timing of Issuance of Additional Common Stock Upon Certain Adjustments. In any case in which the provisions of this Section 13 shall require that an adjustment shall become effective immediately after a record date for an event, the Company may defer until the occurrence of such event (i) issuing to the Warrantholder of this Warrant exercised after such record date and before the occurrence of such event the additional shares of Common Stock issuable upon such exercise by reason of the adjustment required by such event over and above the shares of Common Stock issuable upon such exercise before giving effect to such adjustment and (ii) paying to such Warrantholder any amount of cash in lieu of a fractional share of Common Stock; *provided, however*, that the Company upon request shall deliver to such Warrantholder a due bill or other appropriate instrument evidencing such Warrantholder's right to receive such additional shares, and such cash, upon the occurrence of the event requiring such adjustment.

(I) Other Events. For so long as the Original Warrantholder holds this Warrant or any portion thereof, if any event occurs as to which the provisions of this Section 13 are not strictly applicable or, if strictly applicable, would not, in the good faith judgment of the Board of Directors of the Company, fairly and adequately protect the purchase rights of the Warrants in accordance with the essential intent and principles of such provisions, then the Board of Directors shall make such adjustments in the application of such provisions, in accordance with such essential intent and principles, as shall be reasonably necessary, in the good faith opinion of the Board of Directors, to protect such purchase rights as aforesaid. The Exercise Price and the number of Shares into which this Warrant is exercisable shall not be adjusted in the event of a change in the par value of the Common Stock (other than pursuant to the Charter Amendment) or a change in the jurisdiction of incorporation of the Company.

(J) Statement Regarding Adjustments. Whenever the Exercise Price or the number of Shares into which this Warrant is exercisable shall be adjusted as provided in Section 13, the Company shall forthwith file at the principal office of the Company a statement showing in reasonable detail the facts requiring such adjustment and the Exercise Price that shall be in effect and the number of Shares into which this Warrant shall be exercisable after such adjustment, and the Company shall also cause a copy of such statement to be sent by mail, first class postage prepaid, to each Warrantholder at the address appearing in the Company's records.

(K) Notice of Adjustment Event. In the event that the Company shall propose to take any action of the type described in this Section 13 (but only if the action of the type described in this Section 13 would result in an adjustment in the Exercise Price or the number of Shares into which this Warrant is exercisable or a change in the type of securities or property to be delivered upon exercise of this Warrant), the Company shall give notice to the Warrantholder, in the manner set forth in Section 13(J), which notice shall specify the record date, if any, with respect to any such action and the approximate date on which such action is to take place. Such notice shall also set forth the facts with respect thereto as shall be reasonably necessary to indicate the effect on the Exercise Price and the number, kind or class of shares or other securities or property which shall be deliverable upon exercise of this Warrant. In the case of any action which would require the fixing of a record date, such notice shall be given at least 10 days prior to the date so fixed, and in case of all other action, such notice shall be given at least 15 days prior to the taking of such proposed action. Failure to give such notice, or any defect therein, shall not affect the legality or validity of any such action.

(L) Proceedings Prior to Any Action Requiring Adjustment. As a condition precedent to the taking of any action which would require an adjustment pursuant to this Section 13, the Company shall take any action which may be necessary, including obtaining regulatory, New York Stock Exchange or stockholder approvals or exemptions, in order that the Company may thereafter validly and legally issue as fully paid and nonassessable all shares of Common

Stock that the Warrantholder is entitled to receive upon exercise of this Warrant pursuant to this Section 13.

(M) Adjustment Rules. Any adjustments pursuant to this Section 13 shall be made successively whenever an event referred to herein shall occur. If an adjustment in Exercise Price made hereunder would reduce the Exercise Price to an amount below par value of the Common Stock, then such adjustment in Exercise Price made hereunder shall reduce the Exercise Price to the par value of the Common Stock.

14. Exchange. At any time following the date on which the shares of Common Stock of the Company are no longer listed or admitted to trading on a national securities exchange (other than in connection with any Business Combination), the Original Warrantholder may cause the Company to exchange all or a portion of this Warrant for an economic interest (to be determined by the Original Warrantholder after consultation with the Company) of the Company classified as permanent equity under U.S. GAAP having a value equal to the Fair Market Value of the portion of the Warrant so exchanged. The Original Warrantholder shall calculate any Fair Market Value required to be calculated pursuant to this Section 14, which shall not be subject to the Appraisal Procedure.

15. No Impairment. The Company will not, by amendment of its Charter or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder by the Company, but will at all times in good faith assist in the carrying out of all the provisions of this Warrant and in taking of all such action as may be necessary or appropriate in order to protect the rights of the Warrantholder.

16. Governing Law. **This Warrant, and the rights and obligations of the parties hereunder, shall be governed by, and construed and interpreted in accordance with, United States federal law and not the law of any State. To the extent that a court looks to the laws of any State to determine or define the United States federal law, it is the intention of the parties hereto that such court shall look only to the laws of the State of New York without regard to the rules of conflicts of laws. Each of the Company and the Warrantholder agrees (a) to submit to the exclusive jurisdiction and venue of the United States District Court for the District of Columbia for any action, suit or proceeding arising out of or relating to this Warrant or the transactions contemplated hereby, and (b) that notice may be served upon the Company at the address in Section 20 below and upon the Warrantholder at the address for the Warrantholder set forth in the registry maintained by the Company pursuant to Section 9 hereof. To the extent permitted by applicable law, each of the Company and the Warrantholder hereby unconditionally waives trial by jury in any legal action or proceeding relating to the Warrant or the transactions contemplated hereby or thereby.**

17. Binding Effect. This Warrant shall be binding upon any successors or assigns of the Company.

18. Amendments. This Warrant may be amended and the observance of any term of this Warrant may be waived only with the written consent of the Company and the Warrantholder.

19. Prohibited Actions. The Company agrees that it will not take any action which would entitle the Warrantholder to an adjustment of the Exercise Price if the total number of shares of Common Stock issuable after such action upon exercise of this Warrant, together with all shares of Common Stock then outstanding and all shares of Common Stock then issuable upon the exercise of all outstanding options, warrants, conversion and other rights, would exceed the total number of shares of Common Stock then authorized by its Charter.

20. Notices. Any notice, request, instruction or other document to be given hereunder by any party to the other will be in writing and will be deemed to have been duly given (a) on the date of delivery if delivered personally, or by facsimile, upon confirmation of receipt, or (b) on the second business day following the date of dispatch if delivered by a recognized next day courier service. All notices hereunder shall be delivered as set forth below, or pursuant to such other instructions as may be designated in writing by the party to receive such notice.

RESOLVED, that this Board hereby determines that the consideration for the issuance of the Warrant Shares shall be the cash payment described in Annex A (subject to anti-dilution adjustment as provided in the Warrants) or the withholding of a number of shares of Common Stock with a value equal to the exercise price as calculated in accordance with the terms of the Warrants, and that such consideration is adequate consideration for the Warrant Shares. The Board hereby declares that a portion of such consideration equal to the then par value of the Common Stock per share shall become part

of, and shall be credited to, the capital of the Corporation upon issuance of each Warrant Share upon exercise of a Warrant. All of the Warrant Shares when issued in accordance with the Warrant shall be validly issued, fully paid and nonassessable;

TARP AIG SSFI Investment

Senior Preferred Stock and Warrant

Summary of Senior Preferred Terms

Issuer:	American International Group, Inc. ("AIG").
Initial Holder:	United States Department of the Treasury (the "UST").
Size:	\$40 Billion aggregate liquidation preference.
Security:	Senior Preferred, liquidation preference \$10,000 per share; provided that UST may, upon transfer of the Senior Preferred, require AIG to appoint a depository to hold the Senior Preferred and issue depository receipts.
Ranking:	Senior to common stock and pari passu with existing preferred shares other than preferred shares which by their terms rank junior to the Senior Preferred. At the meeting of stockholders called to effect the amendments to AIG's Restated Certificate of Incorporation contemplated by the terms of the convertible preferred stock, AIG shall propose an amendment to its Restated Certificate of Incorporation to allow the Senior Preferred to rank senior to the convertible preferred stock.
Term:	Perpetual life.
Dividend:	The Senior Preferred will accrue cumulative dividends at a rate of 10% per annum. Dividends will be payable quarterly in arrears on February 1, May 1, August 1 and November 1 of each year. Dividends will be payable when, as and if declared by the Board of Directors of AIG. Accrued but unpaid dividends shall compound quarterly.
Redemption:	At any time that (i) the AIG Credit Facility Trust (or any successor entity established for the benefit of the United States Treasury) "beneficially owns" less than 30% of the aggregate voting power of AIG's voting securities and (ii) no holder of the Senior Preferred controls AIG, then AIG may redeem the Senior Preferred in whole or in part at a redemption price equal to 100% of its liquidation preference, plus an amount equal to accrued and unpaid dividends (including, if applicable, dividends on such amount). "Control" for this purpose means the power to direct the management and policies of AIG, directly or indirectly, whether through the ownership of voting securities, by contract, by the power to control AIG's Board of Directors or otherwise. "Beneficially owns" is as defined in Rule 13d-3 under the Securities Exchange Act of 1934. For the avoidance of doubt, while there is AIG's Board of Directors control (or the potential to gain AIG's Board of Directors control) by the holder of the Senior Preferred, then AIG is not permitted to redeem the Senior Preferred.
Restrictions on Dividends:	Subject to certain exceptions, for as long as any Senior Preferred

is outstanding, no dividends may be declared or paid on junior preferred shares, preferred shares ranking pari passu with the Senior Preferred ("Parity Stock"), or common shares (other than (i) in the case of pari passu preferred shares, dividends on a pro rata basis with the Senior Preferred and (ii) in the case of junior preferred shares, dividends payable solely in common shares), nor may AIG repurchase or redeem any junior preferred shares, preferred shares ranking pari passu with the Senior Preferred or common shares, unless all accrued and unpaid dividends for all past dividend periods on the Senior Preferred are fully paid or declared and a sum sufficient for the payment thereof set apart.

Common dividends: The UST's consent shall be required for any increase in common dividends per share until the fifth anniversary of the date of this investment unless prior to such fifth anniversary the Senior Preferred is redeemed in whole or the UST has transferred all of the Senior Preferred to third parties.

Repurchases: The UST's consent shall be required for repurchases of any common shares, other capital stock, trust preferred securities or other equity securities (other than (i) repurchases of the Senior Preferred, (ii) repurchases of junior preferred shares or common shares ("Junior Stock") in connection with the administration of any employee benefit plan in the ordinary course of business and consistent with past practice (including purchases to offset share dilution pursuant to a publicly announced repurchase plan), (iii) any redemption or repurchase of rights pursuant to any stockholders' rights plan and (iv) the exchange or conversion of Junior Stock for or into other Junior Stock or of Parity Stock or trust preferred securities for or into other Parity Stock (with the same or lesser aggregate liquidation amount) or Junior Stock, in each case, solely to the extent required pursuant to binding contractual agreements entered into prior to the signing date of UST's agreement to purchase the Senior Preferred or any subsequent agreement for the accelerated exercise, settlement or exchange thereof for common stock), until the fifth anniversary of the date of this investment unless prior to such fifth anniversary the Senior Preferred is redeemed in whole or the UST has transferred all of the Senior Preferred to third parties. Notwithstanding the foregoing, following the redemption in whole of the Senior Preferred held by UST or the transfer by UST of all of the Senior Preferred to one or more third parties not affiliated with UST, AIG may repurchase, in whole or in part, at any time the Warrant then held by UST at the fair market value of the Warrant so long as no holder of the Warrant controls AIG as provided in clause (ii) of "Redemption" above.

Voting rights: The Senior Preferred shall be non-voting, other than class voting rights on (i) any authorization or issuance of shares other than the convertible preferred stock ranking senior or pari passu to the Senior Preferred, (ii) any amendment that adversely affects the rights of Senior Preferred, or (iii) any merger, exchange or similar transaction unless the Senior Preferred remains outstanding or is converted into or exchanged for preference securities of the surviving or resulting entity or its ultimate parent and the Senior Preferred or such preference shares have such rights, preferences, privileges and voting powers, and limitations and restrictions thereof, taken as a whole, as are not materially less

favorable to the holders thereof than those of the Senior Preferred immediately prior to such transaction, taken as a whole.

If dividends on the Senior Preferred are not paid in full for four dividend periods, whether or not consecutive, the Senior Preferred will have the right to elect the greater of 2 directors and a number of directors (rounded upward) equal to 20% of the total number of directors after giving effect to such election. The right to elect directors will end when full dividends have been paid for all past dividend periods.

- Transferability:** The Senior Preferred will not be subject to any contractual restrictions on transfer other than such as are necessary to insure compliance with U.S. federal and state securities laws. AIG will file a registration statement (which may be a shelf registration statement) covering the Senior Preferred as promptly as practicable, but in any event within 15 days, after notification by the UST and, if necessary, shall take all action required to cause such registration statement to be declared effective as soon as possible. During any period that an effective registration statement is not available for the resale by the UST of the Senior Preferred, AIG will also grant to the UST piggyback registration rights for the Senior Preferred and will take such other steps as may be reasonably requested to facilitate the transfer of the Senior Preferred including, if requested by the UST, using reasonable best efforts to list the Senior Preferred on a national securities exchange. If requested by the UST, AIG will appoint a depository to hold the Senior Preferred and issue depository receipts.
- Claim in Bankruptcy:** Equity claim with liquidation preference to common equity claim.
- Acceleration Rights:** None
- Use of Proceeds:** To repay the senior secured revolving credit facility governed by the Credit Agreement dated as of September 22, 2008 (the "Credit Agreement") between AIG and the Federal Reserve Bank of New York ("FRBNY").
- Tax Treatment:** Dividends on the Senior Preferred are non tax-deductible to AIG.
- Restrictions on Expenses:** AIG shall continue to maintain and implement its comprehensive written policy on corporate expenses and distribute such policy to all AIG employees. Such policy, as may be amended from time to time, shall remain in effect at least until such time as any of the shares of the Senior Preferred are owned by the UST. Any material amendments to such policy shall require the prior written consent of the UST until such time as the UST no longer owns any shares of Senior Preferred, and any material deviations from such policy, whether in contravention thereof or pursuant to waivers provided for thereunder, shall promptly be reported to the UST. Such policy shall, at a minimum: (i) require compliance with all applicable law; (ii) apply to AIG and all of its subsidiaries; (iii) govern (a) the hosting, sponsorship or other

payment for conferences and events, (b) the use of corporate aircraft, (c) travel accommodations and expenditures, (d) consulting arrangements with outside service providers, (e) any new lease or acquisition of real estate, (f) expenses relating to office or facility renovations or relocations and (g) expenses relating to entertainment or holiday parties; and (iv) provide for (a) internal reporting and oversight and (b) mechanisms for addressing non-compliance with the policy.

Restrictions on Lobbying:

AIG shall continue to maintain and implement its comprehensive written policy on lobbying, governmental ethics and political activity and distribute such policy to all AIG employees and lobbying firms involved in any such activity. Such policy, as may be amended from time to time, shall remain in effect at least until such time as any of the shares of the Senior Preferred are owned by the UST. Any material amendments to such policy shall require the prior written consent of the UST until such time as the UST no longer owns any shares of Senior Preferred, and any material deviations from such policy, whether in contravention thereof or pursuant to waivers provided for thereunder, shall promptly be reported to the UST. Such policy shall, at a minimum: (i) require compliance with all applicable law; (ii) apply to AIG and all of its subsidiaries and affiliated foundations; (iii) govern (a) the provision of items of value to any government officials, (b) lobbying and (c) political activities and contributions; and (iv) provide for (a) internal reporting and oversight and (b) mechanisms for addressing non-compliance with the policy.

Reporting:

Except as otherwise agreed, AIG shall provide the UST (i) the information required to be provided by AIG to the FRBNY pursuant to Section 5.04 of the Credit Agreement, (ii) the notices required by Section 5.05 of the Credit Agreement, in each case within the time periods for delivery thereof specified in the Credit Agreement and (iii) such executive compensation information as is required for purposes of the Emergency Economic Stabilization Act of 2008 ("EESA") and the regulations and guidelines thereunder; provided that, after the termination of the Credit Agreement, such informational and notice requirements as are provided in Section 5.04 and Section 5.05 of the Credit Agreement shall remain in full force and effect until such time as the UST no longer owns any shares of Senior Preferred. In addition, AIG shall promptly provide the UST such other information and notices as the UST may reasonably request from time to time.

Executive Compensation:

As a condition to the closing of this investment, AIG shall be subject to the executive compensation and corporate governance requirements of Section 111(b) of the EESA and the UST's guidelines that carry out the provisions of such subsection for systemically significant failing institutions as set forth in Notice 2008-PSSFI. Accordingly, as a condition to the closing of this investment, AIG and its senior executive officers covered by the EESA ("SEOs") shall modify or terminate all benefit plans, arrangements and agreements (including golden parachute agreements) to the extent necessary to be in compliance with,

and following the closing and for so long as the UST holds any equity or debt securities of AIG issued under this agreement (the "Relevant Period"), AIG shall agree to be bound by the executive compensation and corporate governance requirements of Section 111(b) of the EESA and the guidelines set forth in Notice 2008-PSSFI. As an additional condition to the closing, AIG and its SEOs shall grant to the UST and the SEOs shall grant to AIG waivers releasing the UST, and, in the case of the SEOs release, AIG, from any claims that AIG and such SEOs may otherwise have as a result of any modification of the terms of any benefit plans, arrangements and agreements to eliminate any provisions that would not be in compliance with the executive compensation and corporate governance requirements of Section 111 of the EESA and the guidelines set forth in Notice 2008-PSSFI.

In addition to Notice 2008-PSSFI, the following will apply:

1. AIG shall undertake during the Relevant Period to limit any golden parachute payments to its most senior employee group, who are currently referred to as Senior Partners ("Senior Partners"), (other than its SEOs) to the amounts permitted by the regulations relating to participants in the EESA Capital Purchase Program and the guidelines and Interim Final Rule (31 CFR Part 30) relating thereto as if they were SEOs (except that equity denominated awards settled solely in equity shall not be included in such limit), and AIG shall grant the UST a waiver releasing the UST, and shall use its best efforts to obtain waivers from the Senior Partners releasing the UST and AIG, from claims that AIG may have against the UST and that such Senior Partners may have against the UST or AIG as a result of such limits, and shall have obtained such waivers from AIG and its U.S.-based Senior Partners prior to and as an additional condition to the closing.

2. The annual bonus pools payable to Senior Partners in respect of each of 2008 and 2009 shall not exceed the average of the annual bonus pools paid to Senior Partners for 2006 and 2007 (in each case exclusive of AIG's historic quarterly bonus program, the amount of which will not increase for any participant, and subject to appropriate adjustment for new hires and departures).

Risk Management Committee:

AIG shall establish, within 30 days of the issuance of the Senior Preferred, and maintain, at least until the UST ceases to own any shares of the Senior Preferred, the Warrant or any other equity or debt securities of AIG, a risk management committee of the AIG's Board of Directors that will oversee the major risks involved in AIG's business operations and review AIG's actions to mitigate and manage those risks.

Miscellaneous:

The dividend rate as provided in "Dividend" above is subject to adjustment in the sole discretion of the Secretary of the Treasury in light of, inter alia, then-prevailing economic conditions and the financial condition of AIG, with the objective of protecting the U.S. taxpayer.

Summary of Warrant Terms

- Warrant:** The UST will receive a warrant ("Warrant") to purchase a number of shares of common stock of AIG ("Common Stock") equal to 2% of the issued and outstanding shares of Common Stock on the date of investment. The initial exercise price for the Warrant shall be \$2.50 per share of Common Stock (representing the par value of the Common Stock on the date of the investment), subject to customary anti-dilution adjustments; provided that the initial exercise price per share of Common Stock shall be adjusted to the par value per share of the Common Stock following the amendments to AIG's Restated Certificate of Incorporation contemplated by the terms of the convertible preferred stock. The Warrant shall be net share settled or, if consented to by AIG and the UST, on a full physical basis.
- Term:** 10 years
- Exercisability:** Immediately exercisable, in whole or in part.
- Transferability:** The Warrant will not be subject to any contractual restrictions on transfer other than such as are necessary to ensure compliance with U.S. federal and state securities laws. AIG will file a registration statement (which may be a shelf registration statement) covering the Warrant and the Common Stock underlying the Warrant as promptly as practicable, but in any event within 15 days after notification by the UST, and, if necessary, shall take all action required to cause such registration statement to be declared effective as soon as possible. During any period that an effective registration statement is not available for the resale by the UST of the Warrant or the Common Stock underlying the Warrant, AIG will also grant to the UST piggyback registration rights for the Warrant and the Common Stock underlying the Warrant. AIG will apply for the listing on the New York Stock Exchange of the Common Stock underlying the Warrant and will take such other steps as may be reasonably requested to facilitate the transfer of the Warrant and the underlying Common Stock.
- Voting:** The UST will agree not to exercise voting power with respect to any shares of Common Stock issued to it upon exercise of the Warrant.
- Substitution:** In the event AIG is no longer listed or traded on a national securities exchange the Warrant will be exchangeable (in whole or in part), at the option of the UST, for an economic interest (to be determined by the UST after consultation with AIG) of AIG classified as permanent equity under GAAP having a fair market value (as determined by the UST) equal to the portion of the Warrant so exchanged.

Holders of the Series D Preferred Stock shall not be entitled to any dividends, whether payable in cash, securities or other property, other than dividends (if any) declared and payable on the Series D Preferred Stock as specified in this Section 3 (subject to the other provisions of the Certificate of Designations).

(b) Priority of Dividends. So long as any share of the Series D Preferred Stock remains outstanding, no dividend or distribution shall be declared or paid on the Common Stock or any other shares of Junior Stock (other than dividends payable solely in shares of Common Stock) or Parity Stock, subject to the immediately following paragraph in the case of Parity Stock, and no Common Stock, Junior Stock or Parity Stock shall be, directly or indirectly, purchased, redeemed or otherwise acquired for consideration by the Corporation or any of its subsidiaries unless all accrued and unpaid dividends for all past Dividend Periods, including the latest completed Dividend Period (including, if applicable as provided in Section 3(a) above, dividends on such amount), on all outstanding shares of the Series D Preferred Stock have been or are contemporaneously declared and paid in full (or have been declared and a sum sufficient for the payment thereof has been set aside for the benefit of the holders of shares of the Series D Preferred Stock on the applicable record date). The foregoing limitation shall not apply to (i) a dividend payable on any Junior Stock in shares of any other Junior Stock, or to the acquisition of shares of any Junior Stock in exchange for, or through application of the proceeds of the sale of, shares of any other Junior Stock; (ii) redemptions, purchases or other acquisitions of shares of Common Stock or other Junior Stock in connection with the administration of any employee benefit plan in the ordinary course of business (including purchases to offset the Share Dilution Amount (as defined below) pursuant to a publicly announced repurchase plan) and consistent with past practice, *provided* that any purchases to offset the Share Dilution Amount shall in no event exceed the Share Dilution Amount; (iii) any dividends or distributions of rights or Junior Stock in connection with a stockholders' rights plan or any redemption or repurchase of rights pursuant to any stockholders' rights plan; (iv) the acquisition by the Company or any of its subsidiaries of record ownership in Junior Stock or Parity Stock for the beneficial ownership of any other persons (other than the Corporation or any of its subsidiaries), including as trustees or custodians; and (v) the exchange or conversion of Junior Stock for or into other Junior Stock or of Parity Stock for or into other Parity Stock (with the same or lesser aggregate liquidation amount) or Junior Stock, in each case, solely to the extent required pursuant to binding contractual agreements entered into prior to the Signing Date or any subsequent agreement for the accelerated exercise, settlement or exchange thereof for Common Stock. "Share Dilution Amount" means the increase in the number of diluted shares outstanding (determined in accordance with generally accepted accounting principles in the United States, and as measured from the date of the Company's consolidated financial statements most recently filed with the Securities and Exchange Commission prior to the Original Issue Date) resulting from the grant, vesting or exercise of equity-based compensation to employees and equitably adjusted for any stock split, stock dividend, reverse stock split, reclassification or similar transaction.

When dividends are not paid (or declared and a sum sufficient for payment thereof set aside for the benefit of the holders thereof on the applicable record date) on any Dividend Payment Date (or, in the case of Parity Stock having dividend payment dates different from the

Dividend Payment Dates, on a dividend payment date falling within a Dividend Period related to such Dividend Payment Date) in full upon the Series D Preferred Stock and any shares of Parity Stock, all dividends declared on the Series D Preferred Stock and all such Parity Stock and payable on such Dividend Payment Date (or, in the case of Parity Stock having dividend payment dates different from the Dividend Payment Dates, on a dividend payment date falling within the Dividend Period related to such Dividend Payment Date) shall be declared *pro rata* so that the respective amounts of such dividends declared shall bear the same ratio to each other as all accrued and unpaid dividends per share on the shares of the Series D Preferred Stock (including, if applicable as provided in Section 3(a) above, dividends on such amount) and all Parity Stock payable on such Dividend Payment Date (or, in the case of Parity Stock having dividend payment dates different from the Dividend Payment Dates, on a dividend payment date falling within the Dividend Period related to such Dividend Payment Date) (subject to their having been declared by the Board of Directors or a duly authorized committee of the Board of Directors out of legally available funds and including, in the case of Parity Stock that bears cumulative dividends, all accrued but unpaid dividends) bear to each other. If the Board of Directors or a duly authorized committee of the Board of Directors determines not to pay any dividend or a full dividend on a Dividend Payment Date, the Company will provide written notice to the holders of the Series D Preferred Stock prior to such Dividend Payment Date.

Subject to the foregoing, and not otherwise, such dividends (payable in cash, securities or other property) as may be determined by the Board of Directors or any duly authorized committee of the Board of Directors may be declared and paid on any securities, including Common Stock and other Junior Stock, from time to time out of any funds legally available for such payment, and holders of the Series D Preferred Stock shall not be entitled to participate in any such dividends.

Section 4. Liquidation, Dissolution or Winding Up. In the event of any voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Company, then, before any distribution or payment shall be made to the holders of Junior Stock, the holders of the Series D Preferred Stock and any shares of Preferred Stock ranking on a parity therewith as to liquidation shall be entitled to be paid in full the respective amounts of the liquidation preferences thereof, which in the case of the Series D Preferred Stock shall be \$10,000.00 per share, plus an amount equal to all accrued and unpaid dividends to such distribution or payment date, whether or not earned or declared (including, if applicable, as provided in Section 3(a) above, dividends on such accrued and unpaid dividends for all prior Dividend Periods). If such payment shall have been made in full to the holders of the Series D Preferred Stock and any series of Preferred Stock ranking on a parity therewith as to liquidation, the remaining assets and funds of the Company shall be distributed among the holders of Junior Stock, according to their respective rights and preferences and in each case according to their respective shares. If, upon any liquidation, dissolution or winding up of the affairs of the Company, the amounts so payable are not paid in full to the holders of all outstanding shares of the Series D Preferred Stock and any series of Preferred Stock ranking on a parity therewith as to liquidation, the holders of the Series D Preferred Stock and any series of Preferred Stock ranking on a parity therewith as to liquidation shall share ratably in any distribution of assets in proportion to the full amounts to which they would otherwise be respectively entitled. Neither the consolidation or merger of the Company, nor the sale, lease or conveyance of all or a part of its assets, shall be deemed a liquidation,

dissolution or winding up of the affairs of the Company within the meaning of the foregoing provisions of this Section 4.

Section 5. Redemption.

(a) Optional Redemption. Except as provided in this Section 5(a), the Designated Preferred Stock shall not be redeemable. At any time that (i) the Trust (or any successor entity established for the benefit of the United States Treasury) “beneficially owns” less than 30% of the aggregate voting power of the Company’s voting securities and (ii) no holder of the Series D Preferred Stock controls the Company, the Company may redeem, in whole or in part, at any time and from time to time, out of funds legally available therefor, the shares of the Series D Preferred Stock at the time outstanding, upon notice given as provided in Section 5(c) below, the Series D Preferred Stock in whole or in part at a redemption price equal to 100% of its Liquidation Amount, plus, except as set forth in the last sentence of the next paragraph, an amount equal to all accrued and unpaid dividends to such redemption date (including, if applicable, as provided in Section 3(a) above, dividends on accrued and unpaid dividends for all prior Dividend Periods). “Control” for purposes of this Section 5(a) means the power to direct the management and policies of the Company, directly or indirectly, whether through the ownership of voting securities, by contract, by the power to control the Board of Directors or otherwise. “Beneficially owns” for purposes of this Section 5(a) is defined in Rule 13d-3 under the Securities Exchange Act of 1934, as amended to the Signing Date. For the avoidance of doubt, while there is Board of Directors control (or the potential to gain Board of Directors control as a result of existing contractual rights) by any holder of the Series D Preferred Stock, the Company may not redeem any of the Series D Preferred Stock.

The redemption price for any shares of the Series D Preferred Stock shall be payable on the redemption date to the holder of such shares against surrender of the certificate(s) evidencing such shares to the Company or its agent. Any declared but unpaid dividends payable on a redemption date that occurs subsequent to the Dividend Record Date for a Dividend Period shall not be paid to the holder entitled to receive the redemption price on the redemption date, but rather shall be paid to the holder of record of the redeemed shares on such Dividend Record Date relating to the Dividend Payment Date as provided in Section 3 above.

(b) No Sinking Fund. The Series D Preferred Stock will not be subject to any mandatory redemption, sinking fund or other similar provisions. Holders of the Series D Preferred Stock will have no right to require redemption or repurchase of any shares of the Series D Preferred Stock.

(c) Notice of Redemption. Notice of every redemption of shares of the Series D Preferred Stock shall be given by first class mail, postage prepaid, addressed to the holders of record of the shares to be redeemed at their respective last addresses appearing on the books of the Company. Such mailing shall be at least 30 days and not more than 60 days before the date fixed for redemption. Any notice mailed as provided in this Subsection shall be conclusively presumed to have been duly given, whether or not the holder receives such notice, but failure duly to give such notice by mail, or any defect in such notice or in the mailing thereof, to any holder of shares of the Series D Preferred Stock designated for redemption shall not affect the validity of the proceedings for the redemption of any other shares of the Series D Preferred

Stock. Notwithstanding the foregoing, if shares of the Series D Preferred Stock are issued in book-entry form through The Depository Trust Corporation or any other similar facility, notice of redemption may be given to the holders of the Series D Preferred Stock at such time and in any manner permitted by such facility. Each notice of redemption given to a holder shall state: (1) the redemption date; (2) the number of shares of the Series D Preferred Stock to be redeemed and, if less than all the shares held by such holder are to be redeemed, the number of such shares to be redeemed from such holder; (3) the redemption price; and (4) the place or places where certificates for such shares are to be surrendered for payment of the redemption price, but failure duly to give such notice to any holder of shares of the Series D Preferred Stock designated for redemption or any defect in such notice shall not affect the validity of the proceedings for the redemption of any other shares of the Series D Preferred Stock.

(d) Partial Redemption. In case of any redemption of part of the shares of the Series D Preferred Stock at the time outstanding, the shares to be redeemed shall be selected either *pro rata* or in such other manner as the Board of Directors or a duly authorized committee thereof may determine to be fair and equitable. Subject to the provisions hereof, the Board of Directors or a duly authorized committee thereof shall have full power and authority to prescribe the terms and conditions upon which shares of the Series D Preferred Stock shall be redeemed from time to time. If fewer than all the shares represented by any certificate are redeemed, a new certificate shall be issued representing the unredeemed shares without charge to the holder thereof.

(e) Effectiveness of Redemption. If notice of redemption has been duly given and if on or before the redemption date specified in the notice all funds necessary for the redemption have been deposited by the Company, in trust for the *pro rata* benefit of the holders of the shares called for redemption, with a bank or trust company doing business in the Borough of Manhattan, The City of New York, and having a capital and surplus of at least \$500 million and selected by the Board of Directors, so as to be and continue to be available solely therefor, then, notwithstanding that any certificate for any share so called for redemption has not been surrendered for cancellation, on and after the redemption date dividends shall cease to accrue on all shares so called for redemption, all shares so called for redemption shall no longer be deemed outstanding and all rights with respect to such shares shall forthwith on such redemption date cease and terminate, except only the right of the holders thereof to receive the amount payable on such redemption from such bank or trust company, without interest. Any funds unclaimed at the end of three years from the redemption date shall, to the extent permitted by law, be released to the Company, after which time the holders of the shares so called for redemption shall look only to the Company for payment of the redemption price of such shares.

(f) Status of Redeemed Shares. Shares of the Series D Preferred Stock that are redeemed, repurchased or otherwise acquired by the Company shall revert to authorized but unissued shares of the Series D Preferred Stock (*provided* that any such cancelled shares of the Series D Preferred Stock may be reissued only as shares of any series of the Series D Preferred Stock other than the Series D Preferred Stock).

Section 6. Conversion. Holders of the Series D Preferred Stock shares shall have no right to exchange or convert such shares into any other securities.

Section 7. Voting Rights.

(a) General. The holders of the Series D Preferred Stock shall not have any voting rights except as set forth below or as otherwise from time to time required by law.

(b) Series D Preferred Stock Directors. Whenever, at any time or times, dividends payable on the shares of the Series D Preferred Stock have not been paid for an aggregate of four quarterly Dividend Periods or more, whether or not consecutive, the authorized number of directors of the Company shall automatically be increased to accommodate the number of the Preferred Directors specified below and the holders of the Series D Preferred Stock shall have the right, with holders of shares of any one or more other classes or series of Voting Parity Stock outstanding at the time, voting together as a class, to elect the greater of two directors and a number of directors (rounded upward) equal to 20% of the total number of directors of the Company after giving effect to such election (hereinafter the "Preferred Directors" and each a "Preferred Director") to fill such newly created directorships at the Company's next annual meeting of stockholders (or at a special meeting called for that purpose prior to such next annual meeting) and at each subsequent annual meeting of stockholders until all accrued and unpaid dividends for all past Dividend Periods, including the latest completed Dividend Period (including, if applicable as provided in Section 3(a) above, dividends on such amount), on all outstanding shares of the Series D Preferred Stock have been declared and paid in full at which time such right shall terminate with respect to the Series D Preferred Stock, except as herein or by law expressly provided, subject to revesting in the event of each and every subsequent payment failure of the character above mentioned; *provided* that it shall be a qualification for election for any Preferred Director that the election of such Preferred Director shall not cause the Company to violate any corporate governance requirements of any securities exchange or other trading facility on which securities of the Company may then be listed or traded that listed or traded companies must have a majority of independent directors. Upon any termination of the right of the holders of shares of the Series D Preferred Stock and Voting Parity Stock as a class to vote for directors as provided above, the Preferred Directors shall cease to be qualified as directors, the term of office of all Preferred Directors then in office shall terminate immediately and the authorized number of directors shall be reduced by the number of the Preferred Directors elected pursuant hereto. Any Preferred Director may be removed at any time, with or without cause, and any vacancy created thereby may be filled, only by the affirmative vote of the holders a majority of the shares of the Series D Preferred Stock at the time outstanding voting separately as a class together with the holders of shares of Voting Parity Stock, to the extent the voting rights of such holders described above are then exercisable. If the office of any Preferred Director becomes vacant for any reason other than removal from office as aforesaid, the remaining Preferred Director may choose a successor who shall hold office for the unexpired term in respect of which such vacancy occurred.

(c) Class Voting Rights as to Particular Matters. So long as any shares of the Series D Preferred Stock are outstanding, in addition to any other vote or consent of stockholders required by law or by the Charter, the vote or consent of the holders of at least 66 2/3% of the shares of the Series D Preferred Stock at the time outstanding, voting as a separate class, given in person or by proxy, either in writing without a meeting or by vote at any meeting called for the purpose, shall be necessary for effecting or validating:

(i) Authorization of Senior or Pari Passu Stock. Any amendment or alteration of the Certificate of Designations for the Series D Preferred Stock or the Charter to

authorize or create or increase the authorized amount of, or any issuance of, any shares of, or any securities convertible into or exchangeable or exercisable for shares of, any class or series of capital stock of the Company ranking senior to or pari passu with Series D Preferred Stock with respect to either or both the payment of dividends and/or the distribution of assets on any liquidation, dissolution or winding up of the Company; provided that no such vote or consent of the holders of the Series D Preferred Stock shall be required for the issuance of the Convertible Preferred Stock;

(ii) Amendment of the Series D Preferred Stock. Any amendment, alteration or repeal of any provision of the Certificate of Designations for the Series D Preferred Stock or the Charter (including, unless no vote on such merger or consolidation is required by Section 7(c)(iii) below, any amendment, alteration or repeal by means of a merger, consolidation or otherwise) so as to adversely affect the rights, preferences, privileges or voting powers of the Series D Preferred Stock; or

(iii) Share Exchanges, Reclassifications, Mergers and Consolidations. Any consummation of a binding share exchange or reclassification involving the Series D Preferred Stock, or of a merger or consolidation of the Company with or into another corporation or other entity, unless in each case (x) the shares of the Series D Preferred Stock remain outstanding and are not amended in any respect or, in the case of any such merger or consolidation with respect to which the Company is not the surviving or resulting entity, are converted into or exchanged for preference securities of the surviving or resulting entity or its ultimate parent, and (y) such shares remaining outstanding or such preference securities, as the case may be, have such rights, preferences, privileges and voting powers, and limitations and restrictions thereof, taken as a whole, as are not materially less favorable to the holders thereof than the rights, preferences, privileges and voting powers, and limitations and restrictions thereof, of the Series D Preferred Stock immediately prior to such consummation, taken as a whole;

provided, however, that for all purposes of this Section 7(c), any increase in the amount of the authorized Preferred Stock, including any increase in the authorized amount of the Series D Preferred Stock necessary to satisfy preemptive or similar rights granted by the Company to other persons prior to the Signing Date, or the creation and issuance, or an increase in the authorized or issued amount, whether pursuant to preemptive or similar rights or otherwise, of any other series of the Preferred Stock, or any securities convertible into or exchangeable or exercisable for any other series of the Preferred Stock, ranking junior to the Series D Preferred Stock with respect to the payment of dividends (whether such dividends are cumulative or non-cumulative) and the distribution of assets upon liquidation, dissolution or winding up of the Company will not be deemed to adversely affect the rights, preferences, privileges or voting powers, and shall not require the affirmative vote or consent of, the holders of outstanding shares of the Series D Preferred Stock.

(d) Changes after Provision for Redemption. No vote or consent of the holders of the Series D Preferred Stock shall be required pursuant to Section 7(c) above if, at or prior to the time when any such vote or consent would otherwise be required pursuant to such Section, all outstanding shares of the Series D Preferred Stock shall have been redeemed, or shall have been

called for redemption upon proper notice and sufficient funds shall have been deposited in trust for such redemption, in each case pursuant to Section 5 above.

(e) Procedures for Voting and Consents. The rules and procedures for calling and conducting any meeting of the holders of the Series D Preferred Stock (including, without limitation, the fixing of a record date in connection therewith), the solicitation and use of proxies at such a meeting, the obtaining of written consents and any other aspect or matter with regard to such a meeting or such consents shall be governed by any rules of the Board of Directors or any duly authorized committee of the Board of Directors, in its discretion, may adopt from time to time, which rules and procedures shall conform to the requirements of the Charter, the Bylaws, and applicable law and the rules of any national securities exchange or other trading facility on which Series D Preferred Stock is listed or traded at the time.

Section 8. Record Holders. To the fullest extent permitted by applicable law, the Company and the transfer agent for Series D Preferred Stock may deem and treat the record holder of any share of the Series D Preferred Stock as the true and lawful owner thereof for all purposes, and neither the Company nor such transfer agent shall be affected by any notice to the contrary.

Section 9. Notices. All notices or communications in respect of the Series D Preferred Stock shall be sufficiently given if given in writing and delivered in person or by first class mail, postage prepaid, or if given in such other manner as may be permitted in this Certificate of Designations, in the Charter or Bylaws or by applicable law. Notwithstanding the foregoing, if shares of the Series D Preferred Stock are issued in book-entry form through The Depository Trust Company or any similar facility, such notices may be given to the holders of the Series D Preferred Stock in any manner permitted by such facility.

Section 10. No Preemptive Rights. No holder of the Series D Preferred Stock shall be entitled as a matter of right to subscribe for or purchase, or have any preemptive right with respect to, any part of any new or additional issue of stock of any class whatsoever, or of securities convertible into any stock of any class whatsoever, whether now or hereafter authorized and whether issued for cash or other consideration or by way of dividend.

Section 11. Replacement Certificates. The Company shall replace any mutilated certificate at the holder's expense upon surrender of that certificate to the Company. The Company shall replace certificates that become destroyed, stolen or lost at the holder's expense upon delivery to the Company of reasonably satisfactory evidence that the certificate has been destroyed, stolen or lost, together with any indemnity that may be reasonably required by the Company.

Section 12. Form.

(a) The Series D Preferred Stock shall be initially issued in the form of one or more certificates in definitive, fully registered form with, until such time as otherwise determined by the Company, the restricted shares legend (the "Restricted Shares Legend"), as set forth on the form of the Series D Preferred Stock attached hereto as Exhibit A (each, a "Series D Preferred Share Certificate"), which is hereby incorporated in and expressly made a part of this Certificate

of Designations. The Series D Preferred Share Certificate may have notations, legends or endorsements required by law, stock exchange rules, agreements to which the Company is subject, if any, or usage (provided that any such notation, legend or endorsement is in a form acceptable to the Company).

(b) An Officer shall sign the Series D Preferred Share Certificate for the Company, in accordance with the Company's Bylaws and applicable law, by manual or facsimile signature. "Officer" means the Chairman, any Vice President, the Treasurer or the Secretary of the Company.

(c) If an Officer whose signature is on a Series D Preferred Share Certificate no longer holds that office at the time the of the issuance of such Series D Preferred Share Certificate, such Series D Preferred Share Certificate shall be valid nevertheless.

(d) A Series D Preferred Share Certificate shall not be valid or obligatory until an authorized signatory of the Transfer Agent manually countersigns the Series D Preferred Share Certificate. The signature shall be conclusive evidence that such Series D Preferred Share Certificate has been authenticated under this Certificate of Designations. Each Series D Preferred Share Certificate shall be dated the date of its authentication.

Other than upon original issuance, all transfers and exchanges of the Designated Preferred Stock shall be made by direct registration on the books and records of the Company.

Section 13. Transfer Agent And Registrar. The duly appointed Transfer Agent and Registrar for the Series D Preferred Stock shall be Wells Fargo Bank, N.A. Section 14. Other Rights. 1. Definitions. Unless the context otherwise requires, when used herein the following terms shall have the meanings indicated.

"Affiliate" has the meaning ascribed to it in the Purchase Agreement.

"Appraisal Procedure" means a procedure whereby two independent appraisers, one chosen by the Company and one by the Original Warrantholder, shall mutually agree upon the determinations then the subject of appraisal. Each party shall deliver a notice to the other appointing its appraiser within 15 days after the Appraisal Procedure is invoked. If within 30 days after appointment of the two appraisers they are unable to agree upon the amount in question, a third independent appraiser shall be chosen within 10 days thereafter by the mutual consent of such first two appraisers. The decision of the third appraiser so appointed and chosen shall be given within 30 days after the selection of such third appraiser. If three appraisers shall be appointed and the determination of one appraiser is disparate from the middle determination by more than twice the amount by which the other determination is disparate from the middle determination, then the determination of such appraiser shall be excluded, the

remaining two determinations shall be averaged and such average shall be binding and conclusive upon the Company and the Original Warrantholder; otherwise, the average of all three determinations shall be binding upon the Company and the Original Warrantholder. The costs of conducting any Appraisal Procedure shall be borne by the Company.

“*Board of Directors*” means the board of directors of the Company, including any duly authorized committee thereof.

“*Business Combination*” means a merger, consolidation, statutory share exchange or similar transaction that requires the approval of the Company’s stockholders.

“*Fair Market Value*” means, with respect to any security or other property, the fair market value of such security or other property as determined by the Board of Directors, acting in good faith or, with respect to Section 14, as determined by the Original Warrantholder acting in good faith. For so long as the Original Warrantholder holds this Warrant or any portion thereof, it may object in writing to the Board of Director’s calculation of fair market value within 10 days of receipt of written notice thereof. If the Original Warrantholder and the Company are unable to agree on fair market value during the 10-day period following the delivery of the Original Warrantholder’s objection, the Appraisal Procedure may be invoked by either party to determine Fair Market Value by delivering written notification thereof not later than the 30th day after delivery of the Original Warrantholder’s objection.

If such security is not listed and traded in a manner that the quotations referred to above are available for the period required hereunder, the Market Price per share of Common Stock shall be deemed to be (i) in the event that any portion of the Warrant is held by the Original Warrantholder, the fair market value per share of such security as determined in good faith by the Original Warrantholder or (ii) in all other circumstances, the fair market value per share of such security as determined in good faith by the Board of Directors in reliance on an opinion of a nationally recognized independent investment banking corporation retained by the Company for this purpose and certified in a resolution to the Warrantholder. For the purposes of determining the Market Price of the Common Stock on the “trading day” preceding, on or following the occurrence of an event, (i) that trading day shall be deemed to commence immediately after the regular scheduled closing time of trading on the New York Stock Exchange or, if trading is closed at an earlier time, such earlier time and (ii) that trading day shall

end at the next regular scheduled closing time, or if trading is closed at an earlier time, such earlier time (for the avoidance of doubt, and as an example, if the Market Price is to be determined as of the last trading day preceding a specified event and the closing time of trading on a particular day is 4:00 p.m. and the specified event occurs at 5:00 p.m. on that day, the Market Price would be determined by reference to such 4:00 p.m. closing price).

“Original Warrantholder” means the United States Department of the Treasury. Any actions specified to be taken by the Original Warrantholder hereunder may only be taken by such Person and not by any other Warrantholder.

The *“Effective Date”* of a Pro Rata Repurchase shall mean the date of acceptance of shares for purchase or exchange by the Company under any tender or exchange offer which is a Pro Rata Repurchase or the date of purchase with respect to any Pro Rata Repurchase that is not a tender or exchange offer.

“*U.S. GAAP*” means United States generally accepted accounting principles.

“*Warrantholder*” has the meaning set forth in Section 2.

“*Warrant*” means this Warrant, issued pursuant to the Purchase Agreement.

2. Number of Shares; Exercise Price. This certifies that, for value received, the United States Department of the Treasury or its permitted assigns (the “*Warrantholder*”) is entitled, upon the terms and subject to the conditions hereinafter set forth, to acquire from the Company, in whole or in part, after the receipt of all applicable Regulatory Approvals, if any, up to an aggregate of 53,798,766 fully paid and nonassessable shares of Common Stock, at a purchase price per share of Common Stock equal to the Exercise Price. The number of shares of Common Stock (the “*Shares*”) and the Exercise Price are subject to adjustment as provided herein, and all references to “Common Stock,” “Shares” and “Exercise Price” herein shall be deemed to include any such adjustment or series of adjustments.

3. Exercise of Warrant; Term. Subject to Section 2, to the extent permitted by applicable laws and regulations, the right to purchase the Shares represented by this Warrant is exercisable, in whole or in part by the Warrantholder, at any time or from time to time after the execution and delivery of this Warrant by the Company on the date hereof, but in no event later than 5:00 p.m., New York City time on the tenth anniversary of the Issue Date (the “*Expiration Time*”), by (A) the surrender of this Warrant and Notice of Exercise annexed hereto, duly completed and executed on behalf of the Warrantholder, at the principal executive office of the Company located at 70 Pine Street, New York, New York 10270 Attention: Chief Financial Officer (or such other office or agency of the Company in the United States as it may designate by notice in writing to the Warrantholder at the address of the Warrantholder appearing on the books of the Company), and (B) payment of the Exercise Price for the Shares thereby purchased:

(i) by having the Company withhold, from the shares of Common Stock that would otherwise be delivered to the Warrantholder upon such exercise, shares of Common Stock issuable upon exercise of the Warrant equal in value to the aggregate Exercise Price as to which this Warrant is so exercised based on the Market Price of the Common Stock on the trading day on which this Warrant is exercised and the Notice of Exercise is delivered to the Company pursuant to this Section 3, or

(ii) with the consent of both the Company and the Warrantholder, by tendering in cash, by certified or cashier’s check payable to the order of the Company, or by wire transfer of immediately available funds to an account designated by the Company.

If the Warrantholder does not exercise this Warrant in its entirety, the Warrantholder will be entitled to receive from the Company within a reasonable time, and in any event not exceeding three business days, a new warrant in substantially identical form for the purchase of that number of Shares equal to the difference between the number of Shares subject to this Warrant and the number of Shares as to which this Warrant is so exercised. Notwithstanding anything in this Warrant to the contrary, the Warrantholder hereby acknowledges and agrees that its exercise of this Warrant for Shares is subject to the condition that the Warrantholder will have first received any applicable Regulatory Approvals.

4. Issuance of Shares; Authorization; Listing. Book-entries representing Shares issued upon exercise of this Warrant will be promptly recorded in such name or names as the Warrantholder may designate. The Company hereby represents and warrants that any Shares issued upon the exercise of this Warrant in accordance with the provisions of Section 3 will be duly and validly authorized and issued, fully paid and nonassessable and free from all taxes, liens and charges (other than liens or charges created by the Warrantholder,

income and franchise taxes incurred in connection with the exercise of the Warrant or taxes in respect of any transfer occurring contemporaneously therewith). The Company agrees that the Shares so issued will be deemed to have been issued to the Warranholder as of the close of business on the date on which this Warrant and payment of the Exercise Price are delivered to the Company in accordance with the terms of this Warrant, notwithstanding that the stock transfer books of the Company may then be closed. The Company will at all times reserve and keep available, out of its authorized but unissued Common Stock, solely for the purpose of providing for the exercise of this Warrant, the aggregate number of shares of Common Stock then issuable upon exercise of this Warrant at any time. The Company will (A) procure, at its sole expense, the listing of the Shares issuable upon exercise of this Warrant at any time, subject to issuance or notice of issuance, on all principal stock exchanges on which the Common Stock is then listed or traded and (B) maintain such listings of such Shares at all times after issuance. The Company will use reasonable best efforts to ensure that the Shares may be issued without violation of any applicable law or regulation or of any requirement of any securities exchange on which the Shares are listed or traded.

5. No Fractional Shares or Scrip. No fractional Shares or scrip representing fractional Shares shall be issued upon any exercise of this Warrant. In lieu of any fractional Share to which the Warranholder would otherwise be entitled, the Warranholder shall be entitled to receive a cash payment equal to the Market Price of the Common Stock on the last trading day preceding the date of exercise less the pro-rated Exercise Price for such fractional share.

6. No Rights as Stockholders; Transfer Books. This Warrant does not entitle the Warranholder to any voting rights or other rights as a stockholder of the Company prior to the date of exercise hereof. The Company will at no time close its transfer books against transfer of this Warrant in any manner which interferes with the timely exercise of this Warrant.

7. Charges, Taxes and Expenses. Issuance of Shares to the Warranholder upon the exercise of this Warrant shall be made without charge to the Warranholder for any issue or transfer tax or other incidental expense in respect of the issuance of such Shares, all of which taxes and expenses shall be paid by the Company.

8. Transfer/Assignment.

(A) Subject to compliance with clause (B) of this Section 8, this Warrant and all rights hereunder are transferable, in whole or in part, upon the books of the Company by the registered holder hereof in person or by duly authorized attorney, and a new warrant shall be made and delivered by the Company, of the same tenor and date as this Warrant but registered in the name of one or more transferees, upon surrender of this Warrant, duly endorsed, to the

office or agency of the Company described in Section 3. All expenses (other than stock transfer taxes) and other charges payable in connection with the preparation, execution and delivery of the new warrants pursuant to this Section 8 shall be paid by the Company.

(B) The transfer of the Warrant and the Shares issued upon exercise of the Warrant are subject to the restrictions set forth in Section 4.4 of the Purchase Agreement. If and for so long as required by the Purchase Agreement, this Warrant shall contain the legends as set forth in Section 4.2(a) of the Purchase Agreement.

9. Exchange and Registry of Warrant. This Warrant is exchangeable, upon the surrender hereof by the Warrantholder to the Company, for a new warrant or warrants of like tenor and representing the right to purchase the same aggregate number of Shares. The Company shall maintain a registry showing the name and address of the Warrantholder as the registered holder of this Warrant. This Warrant may be surrendered for exchange or exercise in accordance with its terms, at the office of the Company, and the Company shall be entitled to rely in all respects, prior to written notice to the contrary, upon such registry.

10. Loss, Theft, Destruction or Mutilation of Warrant. Upon receipt by the Company of evidence reasonably satisfactory to it of the loss, theft, destruction or mutilation of this Warrant, and in the case of any such loss, theft or destruction, upon receipt of a bond, indemnity or security reasonably satisfactory to the Company, or, in the case of any such mutilation, upon surrender and cancellation of this Warrant, the Company shall make and deliver, in lieu of such lost, stolen, destroyed or mutilated Warrant, a new Warrant of like tenor and representing the right to purchase the same aggregate number of Shares as provided for in such lost, stolen, destroyed or mutilated Warrant.

11. Saturdays, Sundays, Holidays, etc. If the last or appointed day for the taking of any action or the expiration of any right required or granted herein shall not be a business day, then such action may be taken or such right may be exercised on the next succeeding day that is a business day.

12. Rule 144 Information. The Company covenants that it will use its reasonable best efforts to timely file all reports and other documents required to be filed by it under the Securities Act and the Exchange Act and the rules and regulations promulgated by the SEC thereunder (or, if the Company is not required to file such reports, it will, upon the request of any Warrantholder, make publicly available such information as necessary to permit sales pursuant to Rule 144 under the Securities Act), and it will use reasonable best efforts to take such further action as any Warrantholder may reasonably request, in each case to the extent required from time to time to enable such holder to, if permitted by the terms of this Warrant and the Purchase Agreement, sell this Warrant without

registration under the Securities Act within the limitation of the exemptions provided by (A) Rule 144 under the Securities Act, as such rule may be amended from time to time, or (B) any successor rule or regulation hereafter adopted by the SEC. Upon the written request of any Warrantholder, the Company will deliver to such Warrantholder a written statement that it has complied with such requirements.

13. Adjustments and Other Rights. The Exercise Price and the number of Shares issuable upon exercise of this Warrant shall be subject to adjustment from time to time as follows; *provided*, that if more than one subsection of this Section 13 is applicable to a single event, the subsection shall be applied that produces the largest adjustment and no single event shall cause an adjustment under more than one subsection of this Section 13 so as to result in duplication:

(A) Charter Amendment. Upon the effectiveness of the Charter Amendment, the Exercise Price shall be adjusted from its initial value of \$2.50 to the amended par value per share of Common Stock.

(B) Stock Splits, Subdivisions, Reclassifications or Combinations. If the Company shall (i) declare and pay a dividend or make a distribution on its Common Stock in shares of Common Stock, (ii) subdivide or reclassify the outstanding shares of Common Stock into a greater number of shares, or (iii) combine or reclassify the outstanding shares of Common Stock into a smaller number of shares, the number of Shares issuable upon exercise of this Warrant at the time of the record date for such dividend or distribution or the effective date of such subdivision, combination or reclassification shall be proportionately adjusted so that the Warrantholder after such date shall be entitled to purchase the number of shares of Common Stock which such holder would have owned or been entitled to receive in respect of the shares of Common Stock subject to this Warrant after such date had this Warrant been exercised immediately prior to such date. In such event, the Exercise Price in effect at the time of the record date for such dividend or distribution or the effective date of such subdivision, combination or reclassification shall be adjusted to the number obtained by dividing (x) the product of (1) the number of Shares issuable upon the exercise of this Warrant before such adjustment and (2) the Exercise Price in effect immediately prior to the record or effective date, as the case may be, for the dividend, distribution, subdivision, combination or reclassification giving rise to this adjustment by (y) the new number of Shares issuable upon exercise of the Warrant determined pursuant to the immediately preceding sentence.

(C) Certain Issuances of Common Shares or Convertible Securities. Until the earlier of (i) the date on which the Original Warrantholder no longer holds this Warrant or any portion thereof and (ii) the third anniversary of the Issue Date, if the Company shall issue shares of Common Stock (or rights or warrants or other securities exercisable or convertible into or exchangeable (collectively, a

“conversion”) for shares of Common Stock) (collectively, “convertible securities”) (other than in Permitted Transactions (as defined below) or a transaction to which subsection (B) of this Section 13 is applicable) without consideration or at a consideration per share (or having a conversion price per share) that is less than 90% of the Market Price on the last trading day preceding the date of the agreement on pricing such shares (or such convertible securities) then, in such event:

(A) the number of Shares issuable upon the exercise of this Warrant immediately prior to the date of the agreement on pricing of such shares (or of such convertible securities) (the “Initial Number”) shall be increased to the number obtained by multiplying the Initial Number by a fraction (A) the numerator of which shall be the sum of (x) the number of shares of Common Stock of the Company outstanding on such date and (y) the number of additional shares of Common Stock issued (or into which convertible securities may be exercised or convert) and (B) the denominator of which shall be the sum of (I) the number of shares of Common Stock outstanding on such date and (II) the number of shares of Common Stock which the aggregate consideration receivable by the Company for the total number of shares of Common Stock so issued (or into which convertible securities may be exercised or convert) would purchase at the Market Price on the last trading day preceding the date of the agreement on pricing such shares (or such convertible securities); and

(B) the Exercise Price payable upon exercise of the Warrant shall be adjusted by multiplying such Exercise Price in effect immediately prior to the date of the agreement on pricing of such shares (or of such convertible securities) by a fraction, the numerator of which shall be the number of shares of Common Stock issuable upon exercise of this Warrant prior to such date and the denominator of which shall be the number of shares of Common Stock issuable upon exercise of this Warrant immediately after the adjustment described in clause (A) above.

For purposes of the foregoing, the aggregate consideration receivable by the Company in connection with the issuance of such shares of Common Stock or convertible securities shall be deemed to be equal to the sum of the net offering price (including the Fair Market Value of any non-cash consideration and after deduction of any related expenses payable to third parties) of all such securities plus the minimum aggregate amount, if any, payable upon exercise or conversion of any such convertible securities into shares of Common Stock; and “Permitted Transactions” shall mean issuances (i) as consideration for or to fund the acquisition of businesses and/or related assets, (ii) in connection with employee benefit plans and compensation related arrangements in the ordinary course and consistent with past practice approved by the Board of Directors, (iii) in connection with a public or broadly marketed offering and sale of Common Stock

or convertible securities for cash conducted by the Company or its affiliates pursuant to registration under the Securities Act or Rule 144A thereunder on a basis consistent with capital raising transactions by comparable financial institutions and (iv) in connection with the exercise of preemptive rights on terms existing as of the Issue Date. Any adjustment made pursuant to this Section 13(C) shall become effective immediately upon the date of such issuance.

(D) Other Distributions. In case the Company shall fix a record date for the making of a distribution to all holders of shares of its Common Stock of securities, evidences of indebtedness, assets, cash, rights or warrants (excluding dividends of its Common Stock and other dividends or distributions referred to in Section 13(B)), in each such case, the Exercise Price in effect prior to such record date shall be reduced immediately thereafter to the price determined by multiplying the Exercise Price in effect immediately prior to the reduction by the quotient of (x) the Market Price of the Common Stock on the last trading day preceding the first date on which the Common Stock trades regular way on the principal national securities exchange on which the Common Stock is listed or admitted to trading without the right to receive such distribution, minus the amount of cash and/or the Fair Market Value of the securities, evidences of indebtedness, assets, rights or warrants to be so distributed in respect of one share of Common Stock (such amount and/or Fair Market Value, the "*Per Share Fair Market Value*") divided by (y) such Market Price on such date specified in clause (x); such adjustment shall be made successively whenever such a record date is fixed. In such event, the number of Shares issuable upon the exercise of this Warrant shall be increased to the number obtained by dividing (x) the product of (1) the number of Shares issuable upon the exercise of this Warrant before such adjustment, and (2) the Exercise Price in effect immediately prior to the distribution giving rise to this adjustment by (y) the new Exercise Price determined in accordance with the immediately preceding sentence. In the event that such distribution is not so made, the Exercise Price and the number of Shares issuable upon exercise of this Warrant then in effect shall be readjusted, effective as of the date when the Board of Directors determines not to distribute such shares, evidences of indebtedness, assets, rights, cash or warrants, as the case may be, to the Exercise Price that would then be in effect and the number of Shares that would then be issuable upon exercise of this Warrant if such record date had not been fixed.

(E) Certain Repurchases of Common Stock. In case the Company effects a Pro Rata Repurchase of Common Stock, then the Exercise Price shall be reduced to the price determined by multiplying the Exercise Price in effect immediately prior to the Effective Date of such Pro Rata Repurchase by a fraction of which the numerator shall be (i) the product of (x) the number of shares of Common Stock outstanding immediately before such Pro Rata Repurchase and (y) the Market Price of a share of Common Stock on the trading day immediately preceding the first public announcement by the Company or any of its Affiliates

of the intent to effect such Pro Rata Repurchase, minus (ii) the aggregate purchase price of the Pro Rata Repurchase, and of which the denominator shall be the product of (i) the number of shares of Common Stock outstanding immediately prior to such Pro Rata Repurchase minus the number of shares of Common Stock so repurchased and (ii) the Market Price per share of Common Stock on the trading day immediately preceding the first public announcement by the Company or any of its Affiliates of the intent to effect such Pro Rata Repurchase. In such event, the number of shares of Common Stock issuable upon the exercise of this Warrant shall be increased to the number obtained by dividing (x) the product of (1) the number of Shares issuable upon the exercise of this Warrant before such adjustment, and (2) the Exercise Price in effect immediately prior to the Pro Rata Repurchase giving rise to this adjustment by (y) the new Exercise Price determined in accordance with the immediately preceding sentence. For the avoidance of doubt, no increase to the Exercise Price or decrease in the number of Shares issuable upon exercise of this Warrant shall be made pursuant to this Section 13(E).

(F) Business Combinations. In case of any Business Combination or reclassification of Common Stock (other than a reclassification of Common Stock referred to in Section 13(B)), the Warrantholder's right to receive Shares upon exercise of this Warrant shall be converted into the right to exercise this Warrant to acquire the number of shares of stock or other securities or property (including cash) which the Common Stock issuable (at the time of such Business Combination or reclassification) upon exercise of this Warrant immediately prior to such Business Combination or reclassification would have been entitled to receive upon consummation of such Business Combination or reclassification; and in any such case, if necessary, the provisions set forth herein with respect to the rights and interests thereafter of the Warrantholder shall be appropriately adjusted so as to be applicable, as nearly as may reasonably be, to the Warrantholder's right to exercise this Warrant in exchange for any shares of stock or other securities or property pursuant to this paragraph. In determining the kind and amount of stock, securities or the property receivable upon exercise of this Warrant following the consummation of such Business Combination, if the holders of Common Stock have the right to elect the kind or amount of consideration receivable upon consummation of such Business Combination, then the consideration that the Warrantholder shall be entitled to receive upon exercise shall be deemed to be the types and amounts of consideration received by the majority of all holders of the shares of Common Stock that affirmatively make an election (or of all such holders if none make an election).

(G) Rounding of Calculations; Minimum Adjustments. All calculations under this Section 13 shall be made to the nearest one-tenth (1/10th) of a cent or to the nearest one-hundredth (1/100th) of a share, as the case may be. Any provision of this Section 13 to the contrary notwithstanding, no adjustment in the Exercise Price or the number of Shares into which this Warrant is exercisable

shall be made if the amount of such adjustment would be less than \$0.01 or one-tenth (1/10th) of a share of Common Stock, but any such amount shall be carried forward and an adjustment with respect thereto shall be made at the time of and together with any subsequent adjustment which, together with such amount and any other amount or amounts so carried forward, shall aggregate \$0.01 or 1/10th of a share of Common Stock, or more.

(H) Timing of Issuance of Additional Common Stock Upon Certain Adjustments. In any case in which the provisions of this Section 13 shall require that an adjustment shall become effective immediately after a record date for an event, the Company may defer until the occurrence of such event (i) issuing to the Warrantholder of this Warrant exercised after such record date and before the occurrence of such event the additional shares of Common Stock issuable upon such exercise by reason of the adjustment required by such event over and above the shares of Common Stock issuable upon such exercise before giving effect to such adjustment and (ii) paying to such Warrantholder any amount of cash in lieu of a fractional share of Common Stock; *provided, however*, that the Company upon request shall deliver to such Warrantholder a due bill or other appropriate instrument evidencing such Warrantholder's right to receive such additional shares, and such cash, upon the occurrence of the event requiring such adjustment.

(I) Other Events. For so long as the Original Warrantholder holds this Warrant or any portion thereof, if any event occurs as to which the provisions of this Section 13 are not strictly applicable or, if strictly applicable, would not, in the good faith judgment of the Board of Directors of the Company, fairly and adequately protect the purchase rights of the Warrants in accordance with the essential intent and principles of such provisions, then the Board of Directors shall make such adjustments in the application of such provisions, in accordance with such essential intent and principles, as shall be reasonably necessary, in the good faith opinion of the Board of Directors, to protect such purchase rights as aforesaid. The Exercise Price and the number of Shares into which this Warrant is exercisable shall not be adjusted in the event of a change in the par value of the Common Stock (other than pursuant to the Charter Amendment) or a change in the jurisdiction of incorporation of the Company.

(J) Statement Regarding Adjustments. Whenever the Exercise Price or the number of Shares into which this Warrant is exercisable shall be adjusted as provided in Section 13, the Company shall forthwith file at the principal office of the Company a statement showing in reasonable detail the facts requiring such adjustment and the Exercise Price that shall be in effect and the number of Shares into which this Warrant shall be exercisable after such adjustment, and the Company shall also cause a copy of such statement to be sent by mail, first class postage prepaid, to each Warrantholder at the address appearing in the Company's records.

(K) Notice of Adjustment Event. In the event that the Company shall propose to take any action of the type described in this Section 13 (but only if the action of the type described in this Section 13 would result in an adjustment in the Exercise Price or the number of Shares into which this Warrant is exercisable or a change in the type of securities or property to be delivered upon exercise of this Warrant), the Company shall give notice to the Warrantholder, in the manner set forth in Section 13(J), which notice shall specify the record date, if any, with respect to any such action and the approximate date on which such action is to take place. Such notice shall also set forth the facts with respect thereto as shall be reasonably necessary to indicate the effect on the Exercise Price and the number, kind or class of shares or other securities or property which shall be deliverable upon exercise of this Warrant. In the case of any action which would require the fixing of a record date, such notice shall be given at least 10 days prior to the date so fixed, and in case of all other action, such notice shall be given at least 15 days prior to the taking of such proposed action. Failure to give such notice, or any defect therein, shall not affect the legality or validity of any such action.

(L) Proceedings Prior to Any Action Requiring Adjustment. As a condition precedent to the taking of any action which would require an adjustment pursuant to this Section 13, the Company shall take any action which may be necessary, including obtaining regulatory, New York Stock Exchange or stockholder approvals or exemptions, in order that the Company may thereafter validly and legally issue as fully paid and nonassessable all shares of Common Stock that the Warrantholder is entitled to receive upon exercise of this Warrant pursuant to this Section 13.

(M) Adjustment Rules. Any adjustments pursuant to this Section 13 shall be made successively whenever an event referred to herein shall occur. If an adjustment in Exercise Price made hereunder would reduce the Exercise Price to an amount below par value of the Common Stock, then such adjustment in Exercise Price made hereunder shall reduce the Exercise Price to the par value of the Common Stock.

14. Exchange. At any time following the date on which the shares of Common Stock of the Company are no longer listed or admitted to trading on a national securities exchange (other than in connection with any Business Combination), the Original Warrantholder may cause the Company to exchange all or a portion of this Warrant for an economic interest (to be determined by the Original Warrantholder after consultation with the Company) of the Company classified as permanent equity under U.S. GAAP having a value equal to the Fair Market Value of the portion of the Warrant so exchanged. The Original Warrantholder shall calculate any Fair Market Value required to be calculated pursuant to this Section 14, which shall not be subject to the Appraisal Procedure.

15. No Impairment. The Company will not, by amendment of its Charter or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder by the Company, but will at all times in good faith assist in the carrying out of all the provisions of this Warrant and in taking of all such action as may be necessary or appropriate in order to protect the rights of the Warrantholder.

16. Governing Law. **This Warrant, and the rights and obligations of the parties hereunder, shall be governed by, and construed and interpreted in accordance with, United States federal law and not the law of any State. To the extent that a court looks to the laws of any State to determine or define the United States federal law, it is the intention of the parties hereto that such court shall look only to the laws of the State of New York without regard to the rules of conflicts of laws. Each of the Company and the Warrantholder agrees (a) to submit to the exclusive jurisdiction and venue of the United States District Court for the District of Columbia for any action, suit or proceeding arising out of or relating to this Warrant or the transactions contemplated hereby, and (b) that notice may be served upon the Company at the address in Section 20 below and upon the Warrantholder at the address for the Warrantholder set forth in the registry maintained by the Company pursuant to Section 9 hereof. To the extent permitted by applicable law, each of the Company and the Warrantholder hereby unconditionally waives trial by jury in any legal action or proceeding relating to the Warrant or the transactions contemplated hereby or thereby.**

17. Binding Effect. This Warrant shall be binding upon any successors or assigns of the Company.

18. Amendments. This Warrant may be amended and the observance of any term of this Warrant may be waived only with the written consent of the Company and the Warrantholder.

19. Prohibited Actions. The Company agrees that it will not take any action which would entitle the Warrantholder to an adjustment of the Exercise Price if the total number of shares of Common Stock issuable after such action upon exercise of this Warrant, together with all shares of Common Stock then outstanding and all shares of Common Stock then issuable upon the exercise of all outstanding options, warrants, conversion and other rights, would exceed the total number of shares of Common Stock then authorized by its Charter.

20. Notices. Any notice, request, instruction or other document to be given hereunder by any party to the other will be in writing and will be deemed to have been duly given (a) on the date of delivery if delivered personally, or by

facsimile, upon confirmation of receipt, or (b) on the second business day following the date of dispatch if delivered by a recognized next day courier service. All notices hereunder shall be delivered as set forth below, or pursuant to such other instructions as may be designated in writing by the party to receive such notice.

Ladies and Gentlemen:

In connection with the purchase today by you pursuant to the Securities Purchase Agreement, dated as of November 25, 2008 (the "Purchase Agreement"), between American International Group, Inc., a Delaware corporation (the "Company"), and you, of 4,000,000 shares (the "Preferred Shares") of the Company's Series D Fixed Rate Cumulative Perpetual Preferred Stock, par value \$5.00 per share, and a warrant (the "Warrant") to purchase initially up to 53,798,766 shares (the "Warrant Shares") of the Company's common stock, par value \$2.50 per share (the "Common Stock"), we, as counsel for the Company, have examined such corporate records, certificates and other documents, and such questions of law, as we have considered necessary or appropriate for the purposes of this opinion. Upon the basis of such examination, it is our opinion that:

- (1) The Company has been duly incorporated and is an existing corporation in good standing under the laws of the State of Delaware.
- (2) The Preferred Shares have been duly authorized and, when issued and delivered against payment in accordance with the Purchase Agreement, will be validly issued and fully paid and nonassessable.
- (3) The Preferred Shares will not be issued in violation of any preemptive rights provided for in the Company's Restated Certificate of Incorporation, as amended to the date of this opinion (the "Restated Certificate of Incorporation"), or under the General Corporation Law of the State of Delaware.

(4) The Warrant has been duly authorized and, when executed and delivered by the Company, will constitute a valid and legally binding obligation of the Company enforceable against the Company in accordance with its terms, subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors' rights and to general equity principles.

(5) The Warrant Shares have been duly authorized and reserved for issuance upon exercise of the Warrant and, when and to the extent issued upon exercise of the Warrant in accordance with the terms and provisions of the Warrant, will be validly issued, fully paid and nonassessable.

(6) The Company has corporate power and authority to execute and deliver the Purchase Agreement and the Warrant and to perform its obligations thereunder (including the issuance of the Preferred Shares, the Warrant and the Warrant Shares).

(7) The execution, delivery and performance by the Company of the Purchase Agreement and the Warrant and the consummation of the transactions contemplated thereby have been duly authorized by all necessary corporate action on the part of the Company, and no further corporate action is required on the part of the Company other than the vote of stockholders to amend the Company's Restated Certificate of Incorporation to allow the Preferred Shares to rank senior to the Company's Series C Perpetual, Convertible, Participating Preferred Stock, par value \$5.00 per share, to be issued to a trust for the benefit of the United States Treasury in connection with the Credit Agreement, dated as of September 22, 2008, between the Company and the Federal Reserve Bank of New York, and any other series of serial preferred stock issued by the Company.

(8) The Purchase Agreement, assuming due authorization, execution and delivery by you, constitutes a valid and legally binding agreement of the Company enforceable in accordance with its terms, subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors' rights and general equity principles; provided, however, that we express no opinion with respect to Section 3.1(b) or Section 4.5(g) of the Purchase Agreement or the severability provisions of the Purchase Agreement insofar as Section 3.1(b) or Section 4.5(g) is concerned.

The foregoing opinion is limited to the laws of the State of New York and the General Corporation Law of the State of Delaware, and we are expressing no opinion as to the effect of the laws of any other jurisdiction.

We have relied as to certain matters upon information obtained from public officials, officers of the Company and other sources believed by us to be responsible, and we have assumed that the certificates for the Preferred Shares conform to the specimen thereof examined by us and have been duly countersigned by a transfer agent and duly registered by a registrar of the Preferred Shares, that the certificates (if any) for the Warrant Shares will conform to the specimen thereof examined by us and will be duly countersigned by a transfer agent and duly registered by a registrar of the Common Stock (and if the Warrant Shares are issued in uncertificated form, that they will be duly recorded by a transfer agent and duly registered by a registrar thereof) and that the signatures on all documents examined by us are genuine, assumptions which we have not independently verified.

This opinion is delivered by us to you as counsel to the Company, is solely for your benefit and may not be delivered or disclosed to any other person without our prior written consent.

Very truly yours,

Sullivan & Cromwell CLP

Item 1.01. Entry into a Material Definitive Agreement*Securities Purchase Agreement*

On November 25, 2008, American International Group, Inc. ("AIG") entered into a Securities Purchase Agreement (the "Purchase Agreement") by and between AIG and the United States Department of the Treasury (the "Treasury Department") pursuant to which, among other things, AIG would issue and sell to the Treasury Department, and the Treasury Department would purchase, as part of the Troubled Assets Relief Program ("TARP"), for an aggregate purchase price of \$40,000,000,000 (the "Purchase Price"), (i) 4,000,000 shares of Series D Fixed Rate Cumulative Perpetual Preferred Stock, par value \$5.00 per share, of AIG (the "Series D Preferred Stock") and (ii) a warrant to purchase up to 53,798,766 shares of common stock, par value \$2.50 per share (the "Common Stock"), of AIG (the "Warrant" and, together with the Series D Preferred Stock, the "Securities").

Following execution of the Purchase Agreement, on November 25, 2008 (the "Issue Date"), AIG and the Treasury Department completed the purchase and sale of the Securities.

The description of the Purchase Agreement contained or incorporated herein is a summary and is qualified in its entirety by reference to the full text of the Purchase Agreement attached as Exhibit 10.1 hereto, which is incorporated into this Item 1.01 by reference.

Series D Preferred Stock

Dividends on the Series D Preferred Stock are payable, if, as and when declared by the Board of Directors of AIG (the "Board"), on a cumulative basis, out of assets legally available therefor, in cash, at the rate per annum of 10 percent of the liquidation preference of \$10,000 per share (the "Liquidation Preference"). The Series D Preferred Stock will rank senior to the Common Stock. Pursuant to the Purchase Agreement, AIG has agreed to call a special meeting of stockholders to vote on a proposal to amend AIG's Restated Certificate of Incorporation to allow the Series D Preferred Stock to rank senior to the Series C Perpetual, Convertible, Participating Preferred Stock (the "Series C Preferred Stock"), to be issued pursuant to the Credit Agreement, dated September 22, 2008, as amended from time to time (the "Credit Agreement"), and any other series of preferred stock issued by AIG. AIG will not be able to declare or pay any dividends on the Common Stock or on any series of its preferred stock ranking *pari passu* with, or junior to, the Series D Preferred Stock in any quarter unless all accrued and unpaid dividends are paid on the Series D Preferred Stock for all past dividend periods (including the latest completed dividend period), subject to certain limited exceptions.

AIG may redeem the Series D Preferred Stock at the Liquidation Preference, plus accumulated but unpaid dividends, at any time that the trust established for the benefit of the United States Treasury (the "Trust") pursuant to the Credit Agreement, or a successor entity, beneficially owns less than 30 percent of AIG's voting securities and no holder of the Series D Preferred Stock controls or has the potential to control AIG.

Pursuant to the Purchase Agreement, for as long as the Treasury Department owns any of the Series D Preferred Stock, AIG will be subject to restrictions on its ability to repurchase capital stock, and will be required to adopt and maintain policies limiting corporate expenses, lobbying activities and executive compensation. As a condition to the closing of the Securities sale, each of AIG's Senior Executive Officers and other senior employees as required by the Purchase Agreement, (i) executed a waiver (the "Waiver") voluntarily waiving any claim against the Treasury Department or AIG for any changes to such Senior Executive Officer's or senior employee's compensation or benefits that are required to comply with the guidelines issued by the Treasury Department under the TARP Program for Systemically Significant Failing Institutions as issued on October 14, 2008 (the "Guidelines") and the Purchase Agreement, and acknowledging that the Guidelines and the compensation limits under the Purchase Agreement may require modification of the compensation, bonus, incentive and other benefit plans, arrangements and policies and agreements (including so-called "golden parachute" agreements) (collectively, "Benefit Plans") as they relate to the period the Treasury Department holds any equity or debt securities of AIG issued pursuant to the Purchase Agreement or the Warrant; and (ii) entered into a letter agreement with AIG amending the Benefit Plans with respect to such Senior Executive Officer and senior employee as may be necessary, during the period that the Treasury Department owns any debt or equity securities of AIG issued pursuant to the Purchase Agreement or the Warrant, as necessary to comply with the Guidelines and the Purchase Agreement.

Holders of the Series D Preferred Stock will be entitled to vote for the election of the greater of two additional members of AIG's Board of Directors and a number of directors (rounded upward) equal to 20 percent of the total number of directors of AIG if dividends have not been declared and paid for four or more dividend periods, whether or not consecutive.

The description of the Series D Preferred Stock contained herein is a summary and is qualified in its entirety by reference to the full text of the Certificate of Designations, which is attached as Exhibit 3.1 hereto and incorporated into this Item 1.01 by reference.

Warrant

The Warrant will be exercisable for up to 53,798,766 shares of Common Stock, representing two percent of AIG's Common Stock on November 25, 2008, at an initial exercise price of \$2.50 per share (representing the par value of the Common Stock on the date of investment). The initial exercise price will be adjusted to the par value per share of the Common Stock following any amendments to AIG's Restated Certificate of Incorporation to reduce the par value per share of the Common Stock. The ultimate number of shares of Common Stock to be issued under the terms of the Warrant and the exercise price of the Warrant are also subject to certain customary anti-dilution adjustments as set forth in the Warrant certificate, including among others, upon the issuances, in certain circumstances, of Common Stock or securities convertible into Common Stock.

The Warrant will have a term of 10 years and may be exercisable at any time, in whole or in part. The Warrant will not be subject to any contractual restrictions on transfer other than such as are necessary to ensure compliance with U.S. federal and state securities laws. The Treasury Department has agreed that it will not exercise any voting rights with respect to the Common Stock issued upon exercise of the Warrant. AIG will be obligated, at the request of the Treasury Department, to file a registration statement with respect to the Warrant and the Common Stock for which the Warrant can be exercised. If the Series D Preferred Stock issued in connection with the Warrant is redeemed in whole or is transferred in whole to one or more third parties, AIG may repurchase the Warrant then held by the Treasury Department at any time thereafter for its fair market value so long as no holder of the Warrant controls or has the potential to control AIG. In connection with the issuance of the Warrant, the number of shares into which the Series C Preferred Stock will be convertible will be reduced to 77.9 percent of the outstanding shares of Common Stock.

The description of the Warrant contained herein is a summary and is qualified in its entirety by reference to the full text of the Warrant, which is attached as Exhibit 10.2 hereto and incorporated into this Item 1.01.

Item 3.02. Unregistered Sale of Equity Securities.

The issuance and sale of the Securities were exempt from registration under the Securities Act of 1933 pursuant to Section 4(2) of the Securities Act of 1933.

Item 3.03. Material Modification to Rights of Security Holders

Pursuant to the Purchase Agreement, on November 25, 2008, AIG issued and sold 4,000,000 shares of its Series D Preferred Stock. The holders of the Series D Preferred Stock will have preferential dividend and liquidation rights over the holders of Common Stock, and if the stockholder proposal to amend AIG's Restated Certificate of Incorporation is approved, over the holders of the Series C Preferred Stock. The applicable terms and preferences attached to the Series D Preferred Stock are more fully described in Item 1.01 above, and are contained in the Certificate of Designations, which was filed with the Secretary of State of the State of Delaware on November 24, 2008.

The above summary is qualified in its entirety by reference to the full text of the Certificate of Designations, which is attached hereto as Exhibit 3.1 and is incorporated herein by reference.

Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year

On November 24, 2008, AIG filed the Certificate of Designations with the Secretary of State of the State of Delaware.

(f) "Parity Stock" means the Convertible Preferred Stock (before the Amendment) and any class or series of stock of the Company (other than the Series D Preferred Stock) the terms of which do not expressly provide that such class or series will rank senior or junior to the Series D Preferred Stock as to dividend rights and/or as to rights on liquidation, dissolution or winding up of the Company (in each case without regard to whether dividends accrue cumulatively or non-cumulatively).

(h) "Signing Date" means November 24, 2008.

Section 3. Dividends.

(a) Rate. Holders of the Series D Preferred Stock shall be entitled to receive, on each share of the Series D Preferred Stock if, as and when declared by the Board of Directors or any duly authorized committee of the Board of Directors, but only out of assets legally available therefor, cumulative cash dividends with respect to each Dividend Period (as defined below) at a rate per annum equal to the Applicable Dividend Rate on (i) the Liquidation Amount per share of the Series D Preferred Stock and (ii) the amount of accrued and unpaid dividends for any prior Dividend Period on such share of the Series D Preferred Stock, if any. Such dividends shall begin to accrue and be cumulative from the Original Issue Date, shall compound on each subsequent Dividend Payment Date (*i.e.*, no dividends shall accrue on other dividends unless and until the first Dividend Payment Date for such other dividends has passed without such other dividends having been paid on such date) and shall be payable quarterly in arrears on each Dividend Payment Date, commencing with the first such Dividend Payment Date to occur at least 20 calendar days after the Original Issue Date. In the event that any Dividend Payment Date would otherwise fall on a day that is not a Business Day, the dividend payment due on that date will be postponed to the next day that is a Business Day and no additional dividends will accrue as a result of that postponement. The period from and including any Dividend Payment Date to, but excluding, the next Dividend Payment Date is a "Dividend Period", provided that the initial Dividend Period shall be the period from and including the Original Issue Date to, but excluding, the next Dividend Payment Date.

Dividends that are payable on Series D Preferred Stock in respect of any Dividend Period shall be computed on the basis of a 360-day year consisting of twelve 30-day months. The amount of dividends payable on Series D Preferred Stock on any date prior to the end of a Dividend Period, and for the initial Dividend Period, shall be computed on the basis of a 360-day year consisting of twelve 30-day months, and actual days elapsed over a 30-day month.

Dividends that are payable on Series D Preferred Stock on any Dividend Payment Date will be payable to holders of record of the Series D Preferred Stock as they appear on the stock register of the Company on the applicable record date, which shall be the 15th calendar day immediately preceding such Dividend Payment Date or such other record date fixed by the Board of Directors or any duly authorized committee of the Board of Directors that is not more than 60 nor less than 10 days prior to such Dividend Payment Date (each, a "Dividend Record").

Date”). Any such day that is a Dividend Record Date shall be a Dividend Record Date whether or not such day is a Business Day.

Holders of the Series D Preferred Stock shall not be entitled to any dividends, whether payable in cash, securities or other property, other than dividends (if any) declared and payable on the Series D Preferred Stock as specified in this Section 3 (subject to the other provisions of the Certificate of Designations).

(b) Priority of Dividends. So long as any share of the Series D Preferred Stock remains outstanding, no dividend or distribution shall be declared or paid on the Common Stock or any other shares of Junior Stock (other than dividends payable solely in shares of Common Stock) or Parity Stock, subject to the immediately following paragraph in the case of Parity Stock, and no Common Stock, Junior Stock or Parity Stock shall be, directly or indirectly, purchased, redeemed or otherwise acquired for consideration by the Corporation or any of its subsidiaries unless all accrued and unpaid dividends for all past Dividend Periods, including the latest completed Dividend Period (including, if applicable as provided in Section 3(a) above, dividends on such amount), on all outstanding shares of the Series D Preferred Stock have been or are contemporaneously declared and paid in full (or have been declared and a sum sufficient for the payment thereof has been set aside for the benefit of the holders of shares of the Series D Preferred Stock on the applicable record date). The foregoing limitation shall not apply to (i) a dividend payable on any Junior Stock in shares of any other Junior Stock, or to the acquisition of shares of any Junior Stock in exchange for, or through application of the proceeds of the sale of, shares of any other Junior Stock; (ii) redemptions, purchases or other acquisitions of shares of Common Stock or other Junior Stock in connection with the administration of any employee benefit plan in the ordinary course of business (including purchases to offset the Share Dilution Amount (as defined below) pursuant to a publicly announced repurchase plan) and consistent with past practice, *provided* that any purchases to offset the Share Dilution Amount shall in no event exceed the Share Dilution Amount; (iii) any dividends or distributions of rights or Junior Stock in connection with a stockholders' rights plan or any redemption or repurchase of rights pursuant to any stockholders' rights plan; (iv) the acquisition by the Company or any of its subsidiaries of record ownership in Junior Stock or Parity Stock for the beneficial ownership of any other persons (other than the Corporation or any of its subsidiaries), including as trustees or custodians; and (v) the exchange or conversion of Junior Stock for or into other Junior Stock or of Parity Stock for or into other Parity Stock (with the same or lesser aggregate liquidation amount) or Junior Stock, in each case, solely to the extent required pursuant to binding contractual agreements entered into prior to the Signing Date or any subsequent agreement for the accelerated exercise, settlement or exchange thereof for Common Stock. "Share Dilution Amount" means the increase in the number of diluted shares outstanding (determined in accordance with generally accepted accounting principles in the United States, and as measured from the date of the Company's consolidated financial statements most recently filed with the Securities and Exchange Commission prior to the Original Issue Date) resulting from the grant, vesting or exercise of equity-based compensation to employees and equitably adjusted for any stock split, stock dividend, reverse stock split, reclassification or similar transaction.

When dividends are not paid (or declared and a sum sufficient for payment thereof set aside for the benefit of the holders thereof on the applicable record date) on any Dividend Payment Date (or, in the case of Parity Stock having dividend payment dates different from the

Dividend Payment Dates, on a dividend payment date falling within a Dividend Period related to such Dividend Payment Date) in full upon the Series D Preferred Stock and any shares of Parity Stock, all dividends declared on the Series D Preferred Stock and all such Parity Stock and payable on such Dividend Payment Date (or, in the case of Parity Stock having dividend payment dates different from the Dividend Payment Dates, on a dividend payment date falling within the Dividend Period related to such Dividend Payment Date) shall be declared *pro rata* so that the respective amounts of such dividends declared shall bear the same ratio to each other as all accrued and unpaid dividends per share on the shares of the Series D Preferred Stock (including, if applicable as provided in Section 3(a) above, dividends on such amount) and all Parity Stock payable on such Dividend Payment Date (or, in the case of Parity Stock having dividend payment dates different from the Dividend Payment Dates, on a dividend payment date falling within the Dividend Period related to such Dividend Payment Date) (subject to their having been declared by the Board of Directors or a duly authorized committee of the Board of Directors out of legally available funds and including, in the case of Parity Stock that bears cumulative dividends, all accrued but unpaid dividends) bear to each other. If the Board of Directors or a duly authorized committee of the Board of Directors determines not to pay any dividend or a full dividend on a Dividend Payment Date, the Company will provide written notice to the holders of the Series D Preferred Stock prior to such Dividend Payment Date.

Subject to the foregoing, and not otherwise, such dividends (payable in cash, securities or other property) as may be determined by the Board of Directors or any duly authorized committee of the Board of Directors may be declared and paid on any securities, including Common Stock and other Junior Stock, from time to time out of any funds legally available for such payment, and holders of the Series D Preferred Stock shall not be entitled to participate in any such dividends.

Section 4. Liquidation, Dissolution or Winding Up. In the event of any voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Company, then, before any distribution or payment shall be made to the holders of Junior Stock, the holders of the Series D Preferred Stock and any shares of Preferred Stock ranking on a parity therewith as to liquidation shall be entitled to be paid in full the respective amounts of the liquidation preferences thereof, which in the case of the Series D Preferred Stock shall be \$10,000.00 per share, plus an amount equal to all accrued and unpaid dividends to such distribution or payment date, whether or not earned or declared (including, if applicable, as provided in Section 3(a) above, dividends on such accrued and unpaid dividends for all prior Dividend Periods). If such payment shall have been made in full to the holders of the Series D Preferred Stock and any series of Preferred Stock ranking on a parity therewith as to liquidation, the remaining assets and funds of the Company shall be distributed among the holders of Junior Stock, according to their respective rights and preferences and in each case according to their respective shares. If, upon any liquidation, dissolution or winding up of the affairs of the Company, the amounts so payable are not paid in full to the holders of all outstanding shares of the Series D Preferred Stock and any series of Preferred Stock ranking on a parity therewith as to liquidation, the holders of the Series D Preferred Stock and any series of Preferred Stock ranking on a parity therewith as to liquidation shall share ratably in any distribution of assets in proportion to the full amounts to which they would otherwise be respectively entitled. Neither the consolidation or merger of the Company, nor the sale, lease or conveyance of all or a part of its assets, shall be deemed a liquidation,

dissolution or winding up of the affairs of the Company within the meaning of the foregoing provisions of this Section 4.

Section 5. Redemption.

(a) Optional Redemption. Except as provided in this Section 5(a), the Designated Preferred Stock shall not be redeemable. At any time that (i) the Trust (or any successor entity established for the benefit of the United States Treasury) "beneficially owns" less than 30% of the aggregate voting power of the Company's voting securities and (ii) no holder of the Series D Preferred Stock controls the Company, the Company may redeem, in whole or in part, at any time and from time to time, out of funds legally available therefor, the shares of the Series D Preferred Stock at the time outstanding, upon notice given as provided in Section 5(c) below, the Series D Preferred Stock in whole or in part at a redemption price equal to 100% of its Liquidation Amount, plus, except as set forth in the last sentence of the next paragraph, an amount equal to all accrued and unpaid dividends to such redemption date (including, if applicable, as provided in Section 3(a) above, dividends on accrued and unpaid dividends for all prior Dividend Periods). "Control" for purposes of this Section 5(a) means the power to direct the management and policies of the Company, directly or indirectly, whether through the ownership of voting securities, by contract, by the power to control the Board of Directors or otherwise. "Beneficially owns" for purposes of this Section 5(a) is defined in Rule 13d-3 under the Securities Exchange Act of 1934, as amended to the Signing Date. For the avoidance of doubt, while there is Board of Directors control (or the potential to gain Board of Directors control as a result of existing contractual rights) by any holder of the Series D Preferred Stock, the Company may not redeem any of the Series D Preferred Stock.

The redemption price for any shares of the Series D Preferred Stock shall be payable on the redemption date to the holder of such shares against surrender of the certificate(s) evidencing such shares to the Company or its agent. Any declared but unpaid dividends payable on a redemption date that occurs subsequent to the Dividend Record Date for a Dividend Period shall not be paid to the holder entitled to receive the redemption price on the redemption date, but rather shall be paid to the holder of record of the redeemed shares on such Dividend Record Date relating to the Dividend Payment Date as provided in Section 3 above.

(b) No Sinking Fund. The Series D Preferred Stock will not be subject to any mandatory redemption, sinking fund or other similar provisions. Holders of the Series D Preferred Stock will have no right to require redemption or repurchase of any shares of the Series D Preferred Stock.

(c) Notice of Redemption. Notice of every redemption of shares of the Series D Preferred Stock shall be given by first class mail, postage prepaid, addressed to the holders of record of the shares to be redeemed at their respective last addresses appearing on the books of the Company. Such mailing shall be at least 30 days and not more than 60 days before the date fixed for redemption. Any notice mailed as provided in this Subsection shall be conclusively presumed to have been duly given, whether or not the holder receives such notice, but failure duly to give such notice by mail, or any defect in such notice or in the mailing thereof, to any holder of shares of the Series D Preferred Stock designated for redemption shall not affect the validity of the proceedings for the redemption of any other shares of the Series D Preferred Stock. Notwithstanding the foregoing, if shares of the Series D Preferred

Stock are issued in book-entry form through The Depository Trust Corporation or any other similar facility, notice of redemption may be given to the holders of the Series D Preferred Stock at such time and in any manner permitted by such facility. Each notice of redemption given to a holder shall state: (1) the redemption date; (2) the number of shares of the Series D Preferred Stock to be redeemed and, if less than all the shares held by such holder are to be redeemed, the number of such shares to be redeemed from such holder; (3) the redemption price; and (4) the place or places where certificates for such shares are to be surrendered for payment of the redemption price, but failure duly to give such notice to any holder of shares of the Series D Preferred Stock designated for redemption or any defect in such notice shall not affect the validity of the proceedings for the redemption of any other shares of the Series D Preferred Stock.

(d) Partial Redemption. In case of any redemption of part of the shares of the Series D Preferred Stock at the time outstanding, the shares to be redeemed shall be selected either *pro rata* or in such other manner as the Board of Directors or a duly authorized committee thereof may determine to be fair and equitable. Subject to the provisions hereof, the Board of Directors or a duly authorized committee thereof shall have full power and authority to prescribe the terms and conditions upon which shares of the Series D Preferred Stock shall be redeemed from time to time. If fewer than all the shares represented by any certificate are redeemed, a new certificate shall be issued representing the unredeemed shares without charge to the holder thereof.

(e) Effectiveness of Redemption. If notice of redemption has been duly given and if on or before the redemption date specified in the notice all funds necessary for the redemption have been deposited by the Company, in trust for the *pro rata* benefit of the holders of the shares called for redemption, with a bank or trust company doing business in the Borough of Manhattan, The City of New York, and having a capital and surplus of at least \$500 million and selected by the Board of Directors, so as to be and continue to be available solely therefor, then, notwithstanding that any certificate for any share so called for redemption has not been surrendered for cancellation, on and after the redemption date dividends shall cease to accrue on all shares so called for redemption, all shares so called for redemption shall no longer be deemed outstanding and all rights with respect to such shares shall forthwith on such redemption date cease and terminate, except only the right of the holders thereof to receive the amount payable on such redemption from such bank or trust company, without interest. Any funds unclaimed at the end of three years from the redemption date shall, to the extent permitted by law, be released to the Company, after which time the holders of the shares so called for redemption shall look only to the Company for payment of the redemption price of such shares.

(f) Status of Redeemed Shares. Shares of the Series D Preferred Stock that are redeemed, repurchased or otherwise acquired by the Company shall revert to authorized but unissued shares of the Series D Preferred Stock (*provided* that any such cancelled shares of the Series D Preferred Stock may be reissued only as shares of any series of the Series D Preferred Stock other than the Series D Preferred Stock).

Section 6. Conversion. Holders of the Series D Preferred Stock shares shall have no right to exchange or convert such shares into any other securities.

Section 7. Voting Rights.

(a) General. The holders of the Series D Preferred Stock shall not have any voting rights except as set forth below or as otherwise from time to time required by law.

(b) Series D Preferred Stock Directors. Whenever, at any time or times, dividends payable on the shares of the Series D Preferred Stock have not been paid for an aggregate of four quarterly Dividend Periods or more, whether or not consecutive, the authorized number of directors of the Company shall automatically be increased to accommodate the number of the Preferred Directors specified below and the holders of the Series D Preferred Stock shall have the right, with holders of shares of any one or more other classes or series of Voting Parity Stock outstanding at the time, voting together as a class, to elect the greater of two directors and a number of directors (rounded upward) equal to 20% of the total number of directors of the Company after giving effect to such election (hereinafter the "Preferred Directors" and each a "Preferred Director") to fill such newly created directorships at the Company's next annual meeting of stockholders (or at a special meeting called for that purpose prior to such next annual meeting) and at each subsequent annual meeting of stockholders until all accrued and unpaid dividends for all past Dividend Periods, including the latest completed Dividend Period (including, if applicable as provided in Section 3(a) above, dividends on such amount), on all outstanding shares of the Series D Preferred Stock have been declared and paid in full at which time such right shall terminate with respect to the Series D Preferred Stock, except as herein or by law expressly provided, subject to vesting in the event of each and every subsequent payment failure of the character above mentioned; *provided* that it shall be a qualification for election for any Preferred Director that the election of such Preferred Director shall not cause the Company to violate any corporate governance requirements of any securities exchange or other trading facility on which securities of the Company may then be listed or traded that listed or traded companies must have a majority of independent directors. Upon any termination of the right of the holders of shares of the Series D Preferred Stock and Voting Parity Stock as a class to vote for directors as provided above, the Preferred Directors shall cease to be qualified as directors, the term of office of all Preferred Directors then in office shall terminate immediately and the authorized number of directors shall be reduced by the number of the Preferred Directors elected pursuant hereto. Any Preferred Director may be removed at any time, with or without cause, and any vacancy created thereby may be filled, only by the affirmative vote of the holders a majority of the shares of the Series D Preferred Stock at the time outstanding voting separately as a class together with the holders of shares of Voting Parity Stock, to the extent the voting rights of such holders described above are then exercisable. If the office of any Preferred Director becomes vacant for any reason other than removal from office as aforesaid, the remaining Preferred Director may choose a successor who shall hold office for the unexpired term in respect of which such vacancy occurred.

(c) Class Voting Rights as to Particular Matters. So long as any shares of the Series D Preferred Stock are outstanding, in addition to any other vote or consent of stockholders required by law or by the Charter, the vote or consent of the holders of at least 66 2/3% of the shares of the Series D Preferred Stock at the time outstanding, voting as a separate class, given in person or by proxy, either in writing without a meeting or by vote at any meeting called for the purpose, shall be necessary for effecting or validating:

(i) Authorization of Senior or Pari Passu Stock. Any amendment or alteration of the Certificate of Designations for the Series D Preferred Stock or the Charter to

authorize or create or increase the authorized amount of, or any issuance of, any shares of, or any securities convertible into or exchangeable or exercisable for shares of, any class or series of capital stock of the Company ranking senior to or pari passu with Series D Preferred Stock with respect to either or both the payment of dividends and/or the distribution of assets on any liquidation, dissolution or winding up of the Company; provided that no such vote or consent of the holders of the Series D Preferred Stock shall be required for the issuance of the Convertible Preferred Stock;

(ii) Amendment of the Series D Preferred Stock. Any amendment, alteration or repeal of any provision of the Certificate of Designations for the Series D Preferred Stock or the Charter (including, unless no vote on such merger or consolidation is required by Section 7(c)(iii) below, any amendment, alteration or repeal by means of a merger, consolidation or otherwise) so as to adversely affect the rights, preferences, privileges or voting powers of the Series D Preferred Stock; or

(iii) Share Exchanges, Reclassifications, Mergers and Consolidations. Any consummation of a binding share exchange or reclassification involving the Series D Preferred Stock, or of a merger or consolidation of the Company with or into another corporation or other entity, unless in each case (x) the shares of the Series D Preferred Stock remain outstanding and are not amended in any respect or, in the case of any such merger or consolidation with respect to which the Company is not the surviving or resulting entity, are converted into or exchanged for preference securities of the surviving or resulting entity or its ultimate parent, and (y) such shares remaining outstanding or such preference securities, as the case may be, have such rights, preferences, privileges and voting powers, and limitations and restrictions thereof, taken as a whole, as are not materially less favorable to the holders thereof than the rights, preferences, privileges and voting powers, and limitations and restrictions thereof, of the Series D Preferred Stock immediately prior to such consummation, taken as a whole;

provided, however, that for all purposes of this Section 7(c), any increase in the amount of the authorized Preferred Stock, including any increase in the authorized amount of the Series D Preferred Stock necessary to satisfy preemptive or similar rights granted by the Company to other persons prior to the Signing Date, or the creation and issuance, or an increase in the authorized or issued amount, whether pursuant to preemptive or similar rights or otherwise, of any other series of the Preferred Stock, or any securities convertible into or exchangeable or exercisable for any other series of the Preferred Stock, ranking junior to the Series D Preferred Stock with respect to the payment of dividends (whether such dividends are cumulative or non-cumulative) and the distribution of assets upon liquidation, dissolution or winding up of the Company will not be deemed to adversely affect the rights, preferences, privileges or voting powers, and shall not require the affirmative vote or consent of, the holders of outstanding shares of the Series D Preferred Stock.

(d) Changes after Provision for Redemption. No vote or consent of the holders of the Series D Preferred Stock shall be required pursuant to Section 7(c) above if, at or prior to the time when any such vote or consent would otherwise be required pursuant to such Section, all outstanding shares of the Series D Preferred Stock shall have been redeemed, or shall have been

called for redemption upon proper notice and sufficient funds shall have been deposited in trust for such redemption, in each case pursuant to Section 5 above.

(e) Procedures for Voting and Consents. The rules and procedures for calling and conducting any meeting of the holders of the Series D Preferred Stock (including, without limitation, the fixing of a record date in connection therewith), the solicitation and use of proxies at such a meeting, the obtaining of written consents and any other aspect or matter with regard to such a meeting or such consents shall be governed by any rules of the Board of Directors or any duly authorized committee of the Board of Directors, in its discretion, may adopt from time to time, which rules and procedures shall conform to the requirements of the Charter, the Bylaws, and applicable law and the rules of any national securities exchange or other trading facility on which Series D Preferred Stock is listed or traded at the time.

Section 8. Record Holders. To the fullest extent permitted by applicable law, the Company and the transfer agent for Series D Preferred Stock may deem and treat the record holder of any share of the Series D Preferred Stock as the true and lawful owner thereof for all purposes, and neither the Company nor such transfer agent shall be affected by any notice to the contrary.

Section 9. Notices. All notices or communications in respect of the Series D Preferred Stock shall be sufficiently given if given in writing and delivered in person or by first class mail, postage prepaid, or if given in such other manner as may be permitted in this Certificate of Designations, in the Charter or Bylaws or by applicable law. Notwithstanding the foregoing, if shares of the Series D Preferred Stock are issued in book-entry form through The Depository Trust Company or any similar facility, such notices may be given to the holders of the Series D Preferred Stock in any manner permitted by such facility.

Section 10. No Preemptive Rights. No holder of the Series D Preferred Stock shall be entitled as a matter of right to subscribe for or purchase, or have any preemptive right with respect to, any part of any new or additional issue of stock of any class whatsoever, or of securities convertible into any stock of any class whatsoever, whether now or hereafter authorized and whether issued for cash or other consideration or by way of dividend.

Section 11. Replacement Certificates. The Company shall replace any mutilated certificate at the holder's expense upon surrender of that certificate to the Company. The Company shall replace certificates that become destroyed, stolen or lost at the holder's expense upon delivery to the Company of reasonably satisfactory evidence that the certificate has been destroyed, stolen or lost, together with any indemnity that may be reasonably required by the Company.

Section 12. Form.

(a) The Series D Preferred Stock shall be initially issued in the form of one or more certificates in definitive, fully registered form with, until such time as otherwise determined by the Company, the restricted shares legend (the "Restricted Shares Legend"), as set forth on the form of the Series D Preferred Stock attached hereto as Exhibit A (each, a "Series D Preferred Share Certificate"), which is hereby incorporated in and expressly made a part of this Certificate

of Designations. The Series D Preferred Share Certificate may have notations, legends or endorsements required by law, stock exchange rules, agreements to which the Company is subject, if any, or usage (provided that any such notation, legend or endorsement is in a form acceptable to the Company).

(b) An Officer shall sign the Series D Preferred Share Certificate for the Company, in accordance with the Company's Bylaws and applicable law, by manual or facsimile signature. "Officer" means the Chairman, any Vice President, the Treasurer or the Secretary of the Company.

(c) If an Officer whose signature is on a Series D Preferred Share Certificate no longer holds that office at the time the of the issuance of such Series D Preferred Share Certificate, such Series D Preferred Share Certificate shall be valid nevertheless.

(d) A Series D Preferred Share Certificate shall not be valid or obligatory until an authorized signatory of the Transfer Agent manually countersigns the Series D Preferred Share Certificate. The signature shall be conclusive evidence that such Series D Preferred Share Certificate has been authenticated under this Certificate of Designations. Each Series D Preferred Share Certificate shall be dated the date of its authentication.

Other than upon original issuance, all transfers and exchanges of the Designated Preferred Stock shall be made by direct registration on the books and records of the Company.

Section 13. Transfer Agent And Registrar. The duly appointed Transfer Agent and Registrar for the Series D Preferred Stock shall be Wells Fargo Bank, N.A. SECURITIES PURCHASE AGREEMENT

Recitals:

WHEREAS, American International Group, Inc. (the "**Company**") intends to issue in a private placement 4,000,000 shares of the Series D Fixed Rate Cumulative Perpetual Preferred Stock (the "**Preferred Stock**") and a warrant (the "**Warrant**", and together with the Preferred Stock, the "**Purchased Securities**") to purchase 53,798,766 shares of the Company's common stock and the United States Department of the Treasury (the "**Investor**") intends to purchase (the "**Purchase**") from the Company the Purchased Securities; and

WHEREAS, the Purchase will be governed by this Securities Purchase Agreement (including the Schedules and Annexes hereto) (the "**Agreement**").

NOW, THEREFORE, in consideration of the premises, and of the representations, warranties, covenants and agreements set forth herein, the parties agree as follows:

Article 1 Purchase; Closing

1.1 *Purchase*. On the terms and subject to the conditions set forth in this Agreement, the Company agrees to sell to the Investor, and the Investor agrees to purchase from the Company, at the Closing (as hereinafter defined), the Purchased Securities for \$40,000,000,000 (the "**Purchase Price**").

1.2 *Closing*.

(a) On the terms and subject to the conditions set forth in this Agreement, the closing of the Purchase (the "**Closing**") will take place at the location specified in Schedule A, at the time and on the date set forth in Schedule A, or as soon as practicable thereafter, or at such other place, time and date as shall be agreed between the Company and the Investor. The time and date on which the Closing occurs is referred to in this Agreement as the "**Closing Date**".

(b) Subject to the fulfillment or waiver of the conditions to the Closing in this Section 1.2, at the Closing (i) the Company will deliver the Preferred Stock and the Warrant, in each case as evidenced by one or more certificates dated the Closing Date and bearing appropriate legends as hereinafter provided for, (ii) upon verification of receipt of the Preferred Stock and Warrant at the Investor's custodian, the Investor shall pay the Purchase Price by instructing the Federal Reserve Bank of New York (the "**FRBNY**"), acting as fiscal agent of the Investor, to debit the Investor's General Account for the Purchase Price, and the Investor is hereby directed by the Company to pay the Purchase Price directly to the FRBNY as a credit to the account on the books of the FRBNY evidencing a prepayment in the amount of the Purchase Price of the Company's indebtedness to the FRBNY under the Credit Agreement dated as of September 22,

2008 between the Company and the FRBNY, as amended from time to time (the "**Credit Agreement**").

(c) The respective obligations of each of the Investor and the Company to consummate the Purchase are subject to the fulfillment (or waiver by the Investor and the Company, as applicable) prior to the Closing of the conditions that (i) any approvals or authorizations of all United States and other governmental, regulatory or judicial authorities (collectively, "**Governmental Entities**") required for the consummation of the Purchase shall have been obtained or made in form and substance reasonably satisfactory to each party and shall be in full force and effect and all waiting periods required by United States and other applicable law, if any, shall have expired and (ii) no provision of any applicable United States or other law and no judgment, injunction, order or decree of any Governmental Entity shall prohibit the purchase and sale of the Purchased Securities as contemplated by this Agreement.

(d) The obligation of the Investor to consummate the Purchase is also subject to the fulfillment (or waiver by the Investor) at or prior to the Closing of each of the following conditions:

(i) (A) the representations and warranties of the Company set forth in (x) Section 2.2(g) of this Agreement shall be true and correct in all respects as though made on and as of the Closing Date, (y) Sections 2.2(a) through (f) shall be true and correct in all material respects as though made on and as of the Closing Date (other than representations and warranties that by their terms speak as of another date, which representations and warranties shall be true and correct in all material respects as of such other date) and (z) Sections 2.2(h) through (v) (disregarding all qualifications or limitations set forth in such representations and warranties as to "**materiality**", "**Company Material Adverse Effect**" and words of similar import) shall be true and correct as though made on and as of the Closing Date (other than representations and warranties that by their terms speak as of another date, which representations and warranties shall be true and correct as of such other date), except to the extent that the failure of such representations and warranties referred to in this Section 1.2(d)(i)(A)(z) to be so true and correct, individually or in the aggregate, does not have and would not reasonably be expected to have a Company Material Adverse Effect and (B) the Company shall have performed in all material respects all obligations required to be performed by it under this Agreement at or prior to the Closing;

(ii) the Investor shall have received a certificate signed on behalf of the Company by a senior executive officer certifying to the effect that the conditions set forth in Section 1.2(d)(i) have been satisfied;

(iii) the Company shall have duly adopted and filed with the Secretary of State of its jurisdiction of organization or other applicable Governmental Entity the certificate of designations for the Preferred Stock in substantially the form attached hereto as Annex A (the "**Certificate of Designations**") and such filing shall have been accepted;

(iv) (A) the Company shall have taken all necessary action to effect such changes to its compensation, bonus, incentive and other benefit plans, arrangements and agreements (including golden parachute, severance and employment agreements) (collectively, "**Benefit Plans**") with respect to the Senior Executive Officers (and to the extent necessary for such changes to be legally enforceable, each of the Senior Executive Officers shall have duly consented in writing to such changes), as may be necessary, during the period that the Investor owns any debt or equity securities of the Company acquired pursuant to this Agreement or the Warrant, in order to comply with Section 111(b) of the Emergency Economic Stabilization Act of 2008 ("**EESA**"), including the provisions for Systemically Significant Failing Institutions, as implemented by guidance or regulation thereunder, including Notice 2008-PSSFI, that has been issued and is in effect as of the Closing Date, including provisions prohibiting severance payments to the Senior Executive Officers, (B) the Company shall have taken all necessary action to effect such changes to its Benefit Plans with respect to the U.S.-based Senior Partners (and to the extent necessary for such changes to be legally enforceable, each of the U.S.-based Senior Partners shall have duly consented in writing to such changes), as may be necessary, during the period that the Investor owns any debt or equity securities of the Company acquired pursuant to this Agreement or the Warrant, in order to comply with the requirements in Section 4.10 of this Agreement, (C) the Company shall have used its best efforts to take all necessary action to effect such changes to its Benefit Plans with respect to the other Senior Partners (and to the extent necessary for such changes to be legally enforceable, to have each of the other Senior Partners duly consent in writing to such changes), as may be necessary, during the period that the Investor owns any debt or equity securities of the Company acquired pursuant to this Agreement or the Warrant, in order to comply with the requirements in Section 4.10 of this Agreement and (D) the Investor shall have received a certificate signed on behalf of the Company by a senior executive officer certifying to the effect that the conditions set forth in Section 1.2(d)(iv)(A) and (B) have been satisfied;

(v) each of the Company's Senior Executive Officers and the U.S.-based Senior Partners shall have delivered to the Investor, and the Company shall have delivered to the Investor, a written waiver in the form attached hereto as Annex B-1 (for the Senior Executive Officers and Senior Partners) or Annex B-2 (for the Company) releasing the Investor and the Company, and in the case of the Company's waiver, releasing the Investor, from any claims that such Senior Executive Officers or Senior Partners may otherwise have against the Company or the Investor, and in the case of the Company, any claims it may have against the Investor, in each case as a result of the issuance, on or prior to the Closing Date, of any such guidance or regulations or as a result of the requirements in Section 4.10 of this Agreement which require the modification of, and the agreement of the Company hereunder to modify, the terms of any Benefit Plans with respect to the Senior Executive Officers and, as applicable, with respect to the Senior Partners to eliminate or modify any provisions of such Benefit Plans that would not be in compliance with the requirements of Section 111(b) of the EESA, including the provisions for Systemically Significant Failing Institutions, as implemented

by guidance or regulation thereunder, including Notice 2008-PSSFI, that has been issued and is in effect as of the Closing Date, and the requirements in Section 4.10 of this Agreement;

(vi) the Company shall have delivered to the Investor a written opinion from counsel to the Company (which may be internal counsel), addressed to the Investor and dated as of the Closing Date, in substantially the form attached hereto as Annex C;

(vii) the Company shall have delivered certificates in proper form or, with the prior consent of the Investor, evidence of shares in book-entry form, evidencing the Preferred Stock to the Investor or its designee(s); and

1.3 Interpretation. When a reference is made in this Agreement to "Recitals," "Articles," "Sections," "Annexes" or "Schedules" such reference shall be to a Recital, Article or Section of, or Annex or Schedule to, this Agreement. The terms defined in the singular have a comparable meaning when used in the plural, and vice versa. References to "herein", "hereof", "hereunder" and the like refer to this Agreement as a whole and not to any particular section or provision, unless the context requires otherwise. The table of contents and headings contained in this Agreement are for reference purposes only and are not part of this Agreement. Whenever the words "include," "includes" or "including" are used in this Agreement, they shall be deemed followed by the words "without limitation." No rule of construction against the draftsman shall be applied in connection with the interpretation or enforcement of this Agreement, as this Agreement is the product of negotiation between sophisticated parties advised by counsel. All references to "\$" or "dollars" mean the lawful currency of the United States of America. Except as expressly stated in this Agreement, all references to any statute, rule or regulation are to the statute, rule or regulation as amended, modified, supplemented or replaced from time to time (and, in the case of statutes, include any rules and regulations promulgated under the statute) and to any section of any statute, rule or regulation include any successor to the section. References to a "business day" shall mean any day except Saturday, Sunday and any day on which banking institutions in the State of New York generally are authorized or required by law or other governmental actions to close.

Article 2 Representations and Warranties

2.1 Disclosure.

(a) "**Company Material Adverse Effect**" means a material adverse effect on (i) the business, results of operation or financial condition of the Company and its consolidated subsidiaries taken as a whole; *provided, however*, that Company Material Adverse Effect shall

not be deemed to include the effects of (A) changes after the date of this Agreement (the “**Signing Date**”) in general business, economic or market conditions (including changes generally in prevailing interest rates, credit availability and liquidity, currency exchange rates and price levels or trading volumes in the United States or foreign securities or credit markets), or any outbreak or escalation of hostilities, declared or undeclared acts of war or terrorism, in each case generally affecting the industries in which the Company and its subsidiaries operate, (B) changes or proposed changes after the Signing Date in generally accepted accounting principles in the United States (“**GAAP**”) or regulatory accounting requirements, or authoritative interpretations thereof, (C) changes or proposed changes after the Signing Date in securities, insurance and other laws of general applicability or related policies or interpretations of Governmental Entities (in the case of each of these clauses (A), (B) and (C), other than changes or occurrences to the extent that such changes or occurrences have or would reasonably be expected to have a materially disproportionate adverse effect on the Company and its consolidated subsidiaries taken as a whole relative to comparable U.S. insurance or financial services organizations), or (D) changes in the market price or trading volume of the Company’s common stock, par value \$2.50 per share (“**Common Stock**”), or any other equity, equity-related or debt securities of the Company or its consolidated subsidiaries (it being understood and agreed that the exception set forth in this clause (D) does not apply to the underlying reason giving rise to or contributing to any such change); or (ii) the ability of the Company to consummate the Purchase and the other transactions contemplated by this Agreement and the Warrant and perform its obligations hereunder or thereunder on a timely basis.

(b) “**Previously Disclosed**” means information set forth or incorporated in the Company’s Annual Report on Form 10-K for the most recently completed fiscal year of the Company filed with the Securities and Exchange Commission (the “**SEC**”) prior to the Signing Date (the “**Last Fiscal Year**”) or in its other reports and forms filed with or furnished to the SEC under Sections 13(a), 14(a) or 15(d) of the Securities Exchange Act of 1934 (the “**Exchange Act**”) on or after the last day of the Last Fiscal Year and prior to the Signing Date.

2.2 Representations and Warranties of the Company. Except as Previously Disclosed, the Company represents and warrants to the Investor that as of the Signing Date and as of the Closing Date (or such other date specified herein):

(a) Organization, Authority and Significant Subsidiaries. The Company has been duly incorporated and is validly existing and in good standing under the laws of its jurisdiction of organization, with the necessary power and authority to own its properties and conduct its business in all material respects as currently conducted; except as has not had, individually or in the aggregate, and would not reasonably be expected to have a Company Material Adverse Effect, the Company has been duly qualified as a foreign corporation for the transaction of business and is in good standing under the laws of each other jurisdiction in which it owns or leases properties or conducts any business so as to require such qualification; each subsidiary of the Company that is a “**significant subsidiary**” within the meaning of Rule 1-02(w) of Regulation S-X under the Securities Act of 1933 (the “**Securities Act**”) has been duly organized and is validly existing in good standing under the laws of its jurisdiction of organization. The Restated Certificate of Incorporation of the Company, as amended (the “**Charter**”) and bylaws

of the Company, copies of which have been provided to the Investor prior to the Signing Date, are true, complete and correct copies of such documents as in full force and effect as of the Signing Date.

(b) Capitalization. The authorized capital stock of the Company, and the outstanding capital stock of the Company (including securities convertible into, or exercisable or exchangeable for, capital stock of the Company) as of the most recent fiscal month-end preceding the Signing Date (the "**Capitalization Date**") is set forth on Schedule B. The outstanding shares of capital stock of the Company have been duly authorized and are validly issued and outstanding, fully paid and nonassessable, and subject to no preemptive rights (and were not issued in violation of any preemptive rights). As of the Signing Date, the Company does not have outstanding any securities or other obligations providing the holder the right to acquire Common Stock that is not reserved for issuance, and the Company has not made any other commitment to authorize, issue or sell any Common Stock, except as specified on Schedule B and including the Series C Perpetual, Convertible, Participating Preferred Stock, par value \$5.00 per share (the "**Series C Preferred Stock**"). Since the Capitalization Date, the Company has not issued any shares of Common Stock, other than (i) shares issued upon the exercise of stock options or delivered under other equity-based awards or other convertible securities or warrants which were issued and outstanding on the Capitalization Date and disclosed on Schedule B and (ii) shares disclosed on Schedule B.

(c) Preferred Stock. The Preferred Stock has been duly and validly authorized, and, when issued and delivered pursuant to this Agreement, such Preferred Stock will be duly and validly issued and fully paid and non-assessable, will not be issued in violation of any preemptive rights, and will rank pari passu with all other series or classes of the Company's preferred stock, whether or not issued or outstanding, with respect to the payment of dividends and the distribution of assets in the event of any dissolution, liquidation or winding up of the Company.

(d) The Warrant and Warrant Shares. The Warrant has been duly authorized and, when executed and delivered as contemplated hereby, will constitute a valid and legally binding obligation of the Company enforceable against the Company in accordance with its terms, except as the same may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and general equitable principles, regardless of whether such enforceability is considered in a proceeding at law or in equity ("**Bankruptcy Exceptions**"). The shares of Common Stock issuable upon exercise of the Warrant (the "**Warrant Shares**") have been duly authorized and reserved for issuance upon exercise of the Warrant and when so issued in accordance with the terms of the Warrant will be validly issued, fully paid and non-assessable.

(e) Authorization, Enforceability.

(i) The Company has the corporate power and authority to execute and deliver this Agreement and the Warrant and, subject to the approval of its stockholders described in Section 3.1(b), to carry out its obligations hereunder and thereunder (which

includes the issuance of the Preferred Stock, Warrant and Warrant Shares). The execution, delivery and performance by the Company of this Agreement and the Warrant and the consummation of the transactions contemplated hereby and thereby have been duly authorized by all necessary corporate action on the part of the Company and its stockholders, and no further approval or authorization is required on the part of the Company or its stockholders, except as described in Section 3.1(b). This Agreement is a valid and binding obligation of the Company enforceable against the Company in accordance with its terms, subject to the Bankruptcy Exceptions.

(ii) The execution, delivery and performance by the Company of this Agreement and the Warrant and the consummation of the transactions contemplated hereby and thereby and compliance by the Company with the provisions hereof and thereof, will not (A) violate, conflict with, or result in a breach of any provision of, or constitute a default (or an event which, with notice or lapse of time or both, would constitute a default) under, or result in the termination of, or accelerate the performance required by, or result in a right of termination or acceleration of, or result in the creation of, any lien, security interest, charge or encumbrance upon any of the properties or assets of the Company or any Company Subsidiary under any of the terms, conditions or provisions of (i) subject to the approval of the Company's stockholders as described in Section 3.1(b), its organizational documents or (ii) any note, bond, mortgage, indenture, deed of trust, license, lease, agreement or other instrument or obligation to which the Company or any Company Subsidiary is a party or by which it or any Company Subsidiary may be bound, or to which the Company or any Company Subsidiary or any of the properties or assets of the Company or any Company Subsidiary may be subject, or (B) subject to compliance with the statutes and regulations referred to in the next paragraph, violate any statute, rule or regulation or any judgment, ruling, order, writ, injunction or decree applicable to the Company or any Company Subsidiary or any of their respective properties or assets except, in the case of clauses (A)(ii) and (B), for those occurrences that, individually or in the aggregate, have not had and would not reasonably be expected to have a Company Material Adverse Effect.

(iii) Other than the filing of the Certificate of Designations with the Secretary of State of its jurisdiction of organization or other applicable Governmental Entity, any current report on Form 8-K required to be filed with the SEC, such filings and approvals as are required to be made or obtained under any state "blue sky" laws, the filing of any proxy statement contemplated by Section 3.1(b) and such as have been made or obtained, no notice to, filing with, exemption or review by, or authorization, consent or approval of, any Governmental Entity is required to be made or obtained by the Company in connection with the consummation by the Company of the Purchase except for any such notices, filings, exemptions, reviews, authorizations, consents and approvals the failure of which to make or obtain would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect.

(f) Anti-takeover Provisions and Rights Plan. The Board of Directors of the Company (the "Board of Directors") has taken all necessary action to ensure that the transactions

contemplated by this Agreement and the Warrant and the consummation of the transactions contemplated hereby and thereby, including the exercise of the Warrant in accordance with its terms, will be exempt from any anti-takeover or similar provisions of the Company's Charter and bylaws, and any other provisions of any applicable "moratorium", "control share", "fair price", "interested stockholder" or other anti-takeover laws and regulations of any jurisdiction. The Company has taken all actions necessary to render any stockholders' rights plan of the Company inapplicable to this Agreement and the Warrant and the consummation of the transactions contemplated hereby and thereby, including the exercise of the Warrant by the Investor in accordance with its terms.

(g) **No Company Material Adverse Effect.** Since the last day of the last completed fiscal period for which the Company has filed a Quarterly Report on Form 10-Q or an Annual Report on Form 10-K with the SEC prior to the Signing Date, no fact, circumstance, event, change, occurrence, condition or development has occurred that, individually or in the aggregate, has had or would reasonably be expected to have a Company Material Adverse Effect.

(h) **Company Financial Statements.** The financial statements of the Company and its consolidated subsidiaries (collectively, the "**Company Financial Statements**") included or incorporated by reference in the Company Reports filed with the SEC since December 31, 2006, present fairly in all material respects the consolidated financial position of the Company and its consolidated subsidiaries as of the dates indicated therein (or if amended prior to the Signing Date, as of the date of such amendment) and the consolidated results of their operations for the periods specified therein; and except as stated therein, such financial statements (A) were prepared in conformity with GAAP applied on a consistent basis (except as may be noted therein), (B) have been prepared from, and are in accordance with, the books and records of the Company and the Company Subsidiaries and (C) complied as to form, as of their respective dates of filing with the SEC, in all material respects with the applicable accounting requirements and with the published rules and regulations of the SEC with respect thereto.

(i) **Reports.**

(i) Since December 31, 2006, the Company and each subsidiary of the Company (each a "**Company Subsidiary**" and, collectively, the "**Company Subsidiaries**") has timely filed (subject to any permitted extension) all reports, registrations, documents, filings, statements and submissions, together with any amendments thereto, that it was required to file with any Governmental Entity (the foregoing, collectively, the "**Company Reports**") and has paid all fees and assessments due and payable in connection therewith, except, in each case, as would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect. As of their respective dates of filing, the Company Reports complied in all material respects with all statutes and applicable rules and regulations of the applicable Governmental Entities. In the case of each such Company Report filed with or furnished to the SEC, such Company Report (A) did not, as of its date or if amended prior to the Signing Date, as of the date of such amendment, contain an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made

therein, in light of the circumstances under which they were made, not misleading, and (B) complied as to form in all material respects with the applicable requirements of the Securities Act and the Exchange Act. With respect to all other Company Reports, the Company Reports were complete and accurate in all material respects as of their respective dates. No executive officer of the Company or any Company Subsidiary has failed in any respect to make the certifications required of him or her under Section 302 or 906 of the Sarbanes-Oxley Act of 2002.

(ii) The records, systems, controls, data and information of the Company and the Company Subsidiaries are recorded, stored, maintained and operated under means (including any electronic, mechanical or photographic process, whether computerized or not) that are under the exclusive ownership and direct control of the Company or the Company Subsidiaries or their accountants (including all means of access thereto and therefrom), except for any non-exclusive ownership and non-direct control that would not reasonably be expected to have a material adverse effect on the system of internal accounting controls described below in this Section 2.2(i)(ii). The Company (A) has implemented and maintains disclosure controls and procedures (as defined in Rule 13a-15(e) of the Exchange Act) to ensure that material information relating to the Company, including the consolidated Company Subsidiaries, is made known to the chief executive officer and the chief financial officer of the Company by others within those entities, and (B) has disclosed, based on its most recent evaluation prior to the Signing Date, to the Company's outside auditors and the audit committee of the Board of Directors (x) any significant deficiencies and material weaknesses in the design or operation of internal controls over financial reporting (as defined in Rule 13a-15(f) of the Exchange Act) that are reasonably likely to adversely affect the Company's ability to record, process, summarize and report financial information and (y) any fraud, whether or not material, that involves management or other employees who have a significant role in the Company's internal controls over financial reporting.

Neither the Company nor any person acting on its behalf has taken any action (including any offering of any securities of the Company under circumstances which would require the integration of such offering with the offering of any of the Purchased Securities under the Securities Act, and the rules and regulations of the SEC promulgated thereunder), which might subject the offering, issuance or sale of any of the Purchased Securities to Investor pursuant to this Agreement to the registration requirements of the Securities Act.

Except for statutory or regulatory restrictions of general application or as set forth on Schedule D, no Governmental Entity has placed any restriction on the business or properties of the Company or any Company Subsidiary that would, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect.

Except as would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect, the Company and the Company Subsidiaries hold all leased real or personal property under valid and enforceable leases with no exceptions that would interfere with the use made or to be made thereof by them.

(q) Environmental Liability. Except as would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect:

(i) there is no legal, administrative, or other proceeding, claim or action of any nature seeking to impose, or that would reasonably be expected to result in the

imposition of, on the Company or any Company Subsidiary, any liability relating to the release of hazardous substances as defined under any local, state or federal environmental statute, regulation or ordinance, including the Comprehensive Environmental Response, Compensation and Liability Act of 1980, pending or, to the Company's knowledge, threatened against the Company or any Company Subsidiary;

(iii) neither the Company nor any Company Subsidiary is subject to any agreement, order, judgment or decree by or with any court, Governmental Entity or third party imposing any such environmental liability.

(r) Risk Management Instruments. Except as would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect, all derivative instruments, including, swaps, caps, floors and option agreements, whether entered into for the Company's own account, or for the account of one or more of the Company Subsidiaries or its or their customers, were entered into (i) only in the ordinary course of business, (ii) in accordance with prudent practices and in all material respects with all applicable laws, rules, regulations and regulatory policies and (iii) with counterparties believed to be financially responsible at the time; and each of such instruments constitutes the valid and legally binding obligation of the Company or one of the Company Subsidiaries, enforceable in accordance with its terms, except as may be limited by the Bankruptcy Exceptions. Neither the Company or the Company Subsidiaries, nor, to the knowledge of the Company, any other party thereto, is in breach of any of its obligations under any such agreement or arrangement other than such breaches that would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect.

(s) Agreements with Regulatory Agencies. Except as set forth on Schedule E, neither the Company nor any Company Subsidiary is subject to any material cease-and-desist or other similar order or enforcement action issued by, or is a party to any material written agreement, consent agreement or memorandum of understanding with, or is a party to any commitment letter or similar undertaking to, or is subject to any capital directive by, or since December 31, 2006, has adopted any board resolutions at the request of, any Governmental Entity (other than the primary insurance regulators with jurisdiction over the Company Subsidiaries) that currently restricts in any material respect the conduct of its business or that in any material manner relates to its capital adequacy, its liquidity and funding policies and practices, its ability to pay dividends, its credit, risk management or compliance policies or procedures, its internal controls, its management or its operations or business. Each item in the immediately preceding sentence and without taking into consideration of the parenthetical provided therein, is referred to herein as a "**Regulatory Agreement**." Neither the Company nor any Company Subsidiary has been advised since December 31, 2006 by any such Governmental Entity that it is considering issuing, initiating, ordering, or requesting any such Regulatory Agreement (other than any such Regulatory Agreement that does not have a Company Material Adverse Effect). Except as set forth on Schedule E, the Company and each Company Subsidiary are in compliance in all material respects with each Regulatory Agreement to which it is party or subject, and neither the

Company nor any Company Subsidiary has received any notice from any Governmental Entity indicating that either the Company or any Company Subsidiary is not in compliance in all material respects with any such Regulatory Agreement.

(t) Insurance. The Company and the Company Subsidiaries are insured with reputable insurers against such risks and in such amounts as the management of the Company reasonably has determined to be prudent and consistent with industry practice. The Company and the Company Subsidiaries are in material compliance with their insurance policies and are not in default under any of the material terms thereof, each such policy is outstanding and in full force and effect, all premiums and other payments due under any material policy have been paid, and all claims thereunder have been filed in due and timely fashion, except, in each case, as would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect.

(u) Intellectual Property. Except as would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect, (i) the Company and each Company Subsidiary owns or otherwise has the right to use, all intellectual property rights, including all trademarks, trade dress, trade names, service marks, domain names, patents, inventions, trade secrets, know-how, works of authorship and copyrights therein, that are used in the conduct of their existing businesses and all rights relating to the plans, design and specifications of any of its branch facilities ("**Proprietary Rights**") free and clear of all liens and any claims of ownership by current or former employees, contractors, designers or others and (ii) neither the Company nor any of the Company Subsidiaries is materially infringing, diluting, misappropriating or violating, nor has the Company or any of the Company Subsidiaries received any written (or, to the knowledge of the Company, oral) communications alleging that any of them has materially infringed, diluted, misappropriated or violated, any of the Proprietary Rights owned by any other person. Except as would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect, to the Company's knowledge, no other person is infringing, diluting, misappropriating or violating, nor has the Company or any of the Company Subsidiaries sent any written communications since January 1, 2006 alleging that any person has infringed, diluted, misappropriated or violated, any of the Proprietary Rights owned by the Company and the Company Subsidiaries.

(v) Brokers and Finders. No broker, finder or investment banker is entitled to any financial advisory, brokerage, finder's or other fee or commission in connection with this Agreement or the Warrant or the transactions contemplated hereby or thereby based upon arrangements made by or on behalf of the Company or any Company Subsidiary for which the Investor could have any liability.

Article 3 Covenants

3.1 *Consummation of Purchase and Charter Amendment.*

(a) Subject to the terms and conditions of this Agreement, each of the parties will use its commercially reasonable efforts in

good faith to take, or cause to be taken, all actions, and to do, or cause to be done, all things necessary, proper or desirable, or advisable under applicable laws, so as to permit consummation of the Purchase as promptly as practicable and otherwise to enable consummation of the transactions contemplated hereby and shall use commercially reasonable efforts to cooperate with the other party to that end.

(b) The Company shall call a special meeting of its stockholders to vote on a proposal (the "*Stockholder Proposal*") to amend the Company's Charter to allow the Preferred Stock to rank senior to the Series C Preferred Stock and any other series of preferred stock issued by the Company. In connection with such meeting, the Company shall prepare (and the Investor will reasonably cooperate with the Company to prepare) and file with the SEC as promptly as practicable (but in no event more than ten business days after the issuance of the Series C Preferred Stock) a preliminary proxy statement, shall use its reasonable best efforts to respond to any comments of the SEC or its staff thereon and to cause a definitive proxy statement related to such stockholders' meeting to be mailed to the Company's stockholders not more than five business days after clearance thereof by the SEC. The Company shall notify the Investor promptly of the receipt of any comments from the SEC or its staff with respect to the proxy statement and of any request by the SEC or its staff for amendments or supplements to such proxy statement or for additional information and will supply the Investor with copies of all correspondence between the Company or any of its representatives, on the one hand, and the SEC or its staff, on the other hand, with respect to such proxy statement. If at any time prior to such stockholders' meeting there shall occur any event that is required to be set forth in an amendment or supplement to the proxy statement, the Company shall as promptly as practicable prepare and mail to its stockholders such an amendment or supplement. Each of the Investor and the Company agrees promptly to correct any information provided by it or on its behalf for use in the proxy statement if and to the extent that such information shall have become false or misleading in any material respect, and the Company shall as promptly as practicable prepare and mail to its stockholders an amendment or supplement to correct such information to the extent required by applicable laws and regulations. The Company shall consult with the Investor prior to filing any proxy statement, or any amendment or supplement thereto, and provide the Investor with a reasonable opportunity to comment thereon. In the event that the approval of the Stockholder Proposal is not obtained at such special stockholders meeting, the Company shall include a proposal to approve such proposal at a meeting of its stockholders no less than once in each subsequent twelve-month period beginning on January 1, 2009 until such approval is obtained or made.

(c) None of the information supplied by the Company or any of the Company Subsidiaries for inclusion in any proxy statement in connection with any such stockholders meeting of the Company will, at the date it is filed with the SEC, when first mailed to the Company's stockholders and at the time of any stockholders meeting, and at the time of any amendment or supplement thereof, contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading.

3.2 *Expenses.* Unless otherwise provided in this Agreement or the Warrant, each of the parties hereto will bear and pay all costs and expenses incurred by it or on its behalf in connection with the transactions contemplated under this Agreement or the Warrant, including fees and expenses of its own financial or other consultants, investment bankers, accountants and counsel.

3.3 *Sufficiency of Authorized Common Stock; Exchange Listing.*

(a) During the period from the Closing Date until the date on which the Warrant has been fully exercised, the Company shall at all times have reserved for issuance, free of preemptive or similar rights, a sufficient number of authorized and unissued Warrant Shares to effectuate such exercise. Nothing in this Section 3.3 shall preclude the Company from satisfying its obligations in respect of the exercise of the Warrant by delivery of shares of Common Stock which are held in the treasury of the Company. As soon as reasonably practicable following the Closing, the Company shall, at its expense, cause the Warrant Shares to be listed on the same national securities exchange on which the Common Stock is listed, subject to official notice of issuance, and shall maintain such listing for so long as any Common Stock is listed on such exchange.

(b) If requested by the Investor, the Company shall promptly use its reasonable best efforts to cause the Preferred Stock to be approved for listing on a national securities exchange as promptly as practicable following such request.

3.4 *Certain Notifications Until Closing.* From the Signing Date until the Closing, the Company shall promptly notify the Investor of (i) any fact, event or circumstance of which it is aware and which would reasonably be expected to cause any representation or warranty of the Company contained in this Agreement to be untrue or inaccurate in any material respect or to cause any covenant or agreement of the Company contained in this Agreement not to be complied with or satisfied in any material respect and (ii) except as Previously Disclosed, any fact, circumstance, event, change, occurrence, condition or development of which the Company is aware and which, individually or in the aggregate, has had or would reasonably be expected to have a Company Material Adverse Effect; *provided, however*, that delivery of any notice pursuant to this Section 3.4 shall not limit or affect any rights of or remedies available to the Investor; *provided, further*, that a failure to comply with this Section 3.4 shall not constitute a breach of this Agreement or the failure of any condition set forth in Section 1.2 to be satisfied unless the underlying Company Material Adverse Effect or material breach would independently result in the failure of a condition set forth in Section 1.2 to be satisfied.

3.5 *Information and Confidentiality.*

(a) Until such time as the Investor ceases to own any Preferred Stock, or except as otherwise agreed, the Company shall provide the Investor (i) the information required to be provided by the Company to FRBNY pursuant to Section 5.04 of the Credit Agreement and within the time periods for delivery thereof specified in the Credit Agreement and (ii) the notices required by Section 5.05 of the Credit Agreement and within the time periods for delivery

thereof specified in the Credit Agreement. After the termination of the Credit Agreement, such informational and notice requirements as are provided in Section 5.04 and Section 5.05 of the Credit Agreement shall remain in full force and effect until such time as the Investor no longer owns any Preferred Stock. In addition, until such time as the Investor ceases to own any debt or equity securities pursuant to this Agreement or the Warrant, or except as otherwise agreed, the Company shall provide the Investor a bi-annual report on the steps taken by the Company to comply in all respects with Section 111(b) of the EESA, including the provisions for Systemically Significant Failing Institutions, as implemented by any guidance or regulation thereunder, including Notice 2008-PSSFI, and with Section 4.10 of this Agreement. In addition, the Company shall promptly provide the Investor such other information and notices as the Investor may reasonably request from time to time.

(b) The Investor will use reasonable best efforts to hold, and will use reasonable best efforts to cause its agents, consultants, contractors and advisors to hold, in confidence all non-public records, books, contracts, instruments, computer data and other data and information (collectively, "Information") concerning the Company furnished or made available to it by the Company or its representatives pursuant to this Agreement (except to the extent that such information can be shown to have been (i) previously known by such party on a non-confidential basis, (ii) in the public domain through no fault of such party or (iii) later lawfully acquired from other sources by the party to which it was furnished (and without violation of any other confidentiality obligation)); provided that nothing herein shall prevent the Investor from disclosing any Information to the extent required by applicable laws or regulations or by any subpoena or similar legal process.

Article 4 Additional Agreements

4.1 *Purchase of Restricted Securities.* The Investor acknowledges that the Purchased Securities and the Warrant Shares have not been registered under the Securities Act or under any state securities laws. The Investor (a) is acquiring the Purchased Securities pursuant to an exemption from registration under the Securities Act with no present intention to distribute them to any person in violation of the Securities Act or any applicable U.S. state securities laws, (b) will not sell or otherwise dispose of any of the Purchased Securities or the Warrant Shares, except in compliance with the registration requirements of the exemption provisions of the Securities Act and any applicable U.S. state securities laws, and (c) has such knowledge and experience in financial and business matters and in investments of this type that it is capable of evaluating the merits and risks of the Purchase and of making an informed investment decision.

4.2 *Legends.*

The Investor agrees that all certificates or other instruments representing the Warrant and the Warrant Shares will bear a legend substantially to the following effect:

“THE SECURITIES REPRESENTED BY THIS INSTRUMENT HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR THE SECURITIES LAWS OF ANY STATE AND MAY NOT BE TRANSFERRED, SOLD OR OTHERWISE DISPOSED OF EXCEPT WHILE A REGISTRATION STATEMENT RELATING THERETO IS IN EFFECT UNDER SUCH ACT AND APPLICABLE STATE SECURITIES LAWS OR PURSUANT TO AN EXEMPTION FROM REGISTRATION UNDER SUCH ACT OR SUCH LAWS.”

(b) In addition, the Investor agrees that all certificates or other instruments representing the Preferred Stock will bear a legend substantially to the following effect:

“THE SECURITIES REPRESENTED BY THIS INSTRUMENT HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE “SECURITIES ACT”), OR THE SECURITIES LAWS OF ANY STATE AND MAY NOT BE TRANSFERRED, SOLD OR OTHERWISE DISPOSED OF EXCEPT WHILE A REGISTRATION STATEMENT RELATING THERETO IS IN EFFECT UNDER SUCH ACT AND APPLICABLE STATE SECURITIES LAWS OR PURSUANT TO AN EXEMPTION FROM REGISTRATION UNDER SUCH ACT OR SUCH LAWS. EACH PURCHASER OF THE SECURITIES REPRESENTED BY THIS INSTRUMENT IS NOTIFIED THAT THE SELLER MAY BE RELYING ON THE EXEMPTION FROM SECTION 5 OF THE SECURITIES ACT PROVIDED BY RULE 144A THEREUNDER. ANY TRANSFEREE OF THE SECURITIES REPRESENTED BY THIS INSTRUMENT BY ITS ACCEPTANCE HEREOF (1) REPRESENTS THAT IT IS A “QUALIFIED INSTITUTIONAL BUYER” (AS DEFINED IN RULE 144A UNDER THE SECURITIES ACT), (2) AGREES THAT IT WILL NOT OFFER, SELL OR OTHERWISE TRANSFER THE SECURITIES REPRESENTED BY THIS INSTRUMENT EXCEPT (A) PURSUANT TO A REGISTRATION STATEMENT WHICH IS THEN EFFECTIVE UNDER THE SECURITIES ACT, (B) FOR SO LONG AS THE SECURITIES REPRESENTED BY THIS INSTRUMENT ARE ELIGIBLE FOR RESALE PURSUANT TO RULE 144A, TO A PERSON IT REASONABLY BELIEVES IS A “QUALIFIED INSTITUTIONAL BUYER” AS DEFINED IN RULE 144A UNDER THE SECURITIES ACT THAT PURCHASES FOR ITS OWN ACCOUNT OR FOR THE ACCOUNT OF A QUALIFIED INSTITUTIONAL BUYER TO WHOM NOTICE IS GIVEN THAT THE TRANSFER IS BEING MADE IN RELIANCE ON RULE 144A, (C) TO THE ISSUER OR (D) PURSUANT TO ANY OTHER AVAILABLE EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT AND (3) AGREES THAT IT WILL GIVE TO EACH PERSON TO WHOM THE SECURITIES REPRESENTED BY THIS INSTRUMENT ARE TRANSFERRED A NOTICE SUBSTANTIALLY TO THE EFFECT OF THIS LEGEND.”

(c) In the event that any Purchased Securities or Warrant Shares (i) become registered under the Securities Act or (ii) are eligible to be transferred without restriction in accordance with Rule 144 or another exemption from registration under the Securities Act (other than Rule 144A), the Company shall issue new certificates or other instruments representing such

Purchased Securities or Warrant Shares, which shall not contain the applicable legends in Sections 4.2(a) and (b) above; provided that the Investor surrenders to the Company the previously issued certificates or other instruments. Upon Transfer of all or a portion of the Warrant in compliance with Section 4.4 the Company shall issue new certificates or other instruments representing the Warrant, which shall not contain the applicable legend in Section 4.2(b) above; provided that the Investor surrenders to the Company the previously issued certificates or other instruments.

4.3 *Certain Transactions.* The Company will not merge or consolidate with, or sell, transfer or lease all or substantially all of its property or assets to, any other party unless the successor, transferee or lessee party (or its ultimate parent entity), as the case may be (if not the Company), expressly assumes the due and punctual performance and observance of each and every covenant, agreement and condition of this Agreement to be performed and observed by the Company.

4.4 *Transfer of Purchased Securities, the Warrant and Warrant Shares.* Subject to compliance with applicable securities laws, the Investor shall be permitted to transfer, sell, assign or otherwise dispose of (“Transfer”) all or a portion of the Purchased Securities, the Warrant or Warrant Shares at any time, and the Company shall take all steps as may be reasonably requested by the Investor to facilitate the Transfer of the Purchased Securities, the Warrant and the Warrant Shares.

4.5 *Registration Rights.*

(a) Registration.

(i) Subject to the terms and conditions of this Agreement, the Company covenants and agrees that as promptly as practicable after notification from the Investor, and in any event no later than 15 days after such notification, the Company shall prepare and file with the SEC a Shelf Registration Statement covering all Registrable Securities (or otherwise designate an existing Shelf Registration Statement filed with the SEC to cover the Registrable Securities), and, to the extent the Shelf Registration Statement has not theretofore been declared effective or is not automatically effective upon such filing, the Company shall use reasonable best efforts to cause such Shelf Registration Statement to be declared or become effective and to keep such Shelf Registration Statement continuously effective and in compliance with the Securities Act and usable for resale of such Registrable Securities for a period from the date of its initial effectiveness until such time as there are no Registrable Securities remaining (including by refiling such Shelf Registration Statement (or a new Shelf Registration Statement) if the initial Shelf Registration Statement expires). So long as the Company is a well known seasoned issuer (as defined in Rule 405 under the Securities Act) at the time of filing of the Shelf Registration Statement with the SEC, such Shelf Registration Statement shall be designated by the Company as an automatic Shelf Registration Statement.

(ii) Any registration pursuant to Section 4.5(a)(i) shall be effected by means of a shelf registration on an appropriate form under Rule 415 under the Securities Act (a "**Shelf Registration Statement**"). If the Investor or any other Holder intends to distribute any Registrable Securities by means of an underwritten offering it shall promptly so advise the Company and the Company shall take all reasonable steps to facilitate such distribution, including the actions required pursuant to Section 4.5(c); provided that the Company shall not be required to facilitate an underwritten offering of Registrable Securities unless the expected gross proceeds from such offering exceed \$200 million. The lead underwriters in any such distribution shall be selected by the Holders of a majority of the Registrable Securities to be distributed.

(iii) The Company shall not be required to effect a registration (including a resale of Registrable Securities from an effective Shelf Registration Statement) or an underwritten offering pursuant to Section 4.5(a): (A) with respect to securities that are not Registrable Securities; or (B) if the Company has notified the Investor and all other Holders that in the good faith judgment of the Board of Directors, it would be materially detrimental to the Company or its securityholders for such registration or underwritten offering to be effected at such time, in which event the Company shall have the right to defer such registration for a period of not more than 45 days after receipt of the request of the Investor or any other Holder; provided that such right to delay a registration or underwritten offering shall be exercised by the Company (1) only if the Company has generally exercised (or is concurrently exercising) similar black-out rights against holders of similar securities that have registration rights and (2) not more than three times in any 12-month period and not more than 90 days in the aggregate in any 12-month period.

(iv) If during any period when an effective Shelf Registration Statement is not available, the Company proposes to register any of its equity securities, other than a registration pursuant to Section 4.5(a)(i) or a Special Registration, and the registration form to be filed may be used for the registration or qualification for distribution of Registrable Securities, the Company will give prompt written notice to the Investor and all other Holders of its intention to effect such a registration (but in no event less than ten days prior to the anticipated filing date) and will include in such registration all Registrable Securities with respect to which the Company has received written requests for inclusion therein within ten business days after the date of the Company's notice (a "**Piggyback Registration**"). Any such person that has made such a written request may withdraw its Registrable Securities from such Piggyback Registration by giving written notice to the Company and the managing underwriter, if any, on or before the fifth business day prior to the planned effective date of such Piggyback Registration. The Company may terminate or withdraw any registration under this Section 4.5(a)(iv) prior to the effectiveness of such registration, whether or not Investor or any other Holders have elected to include Registrable Securities in such registration.

(v) If the registration referred to in Section 4.5(a)(iv) is proposed to be underwritten, the Company will so advise Investor and all other Holders as a part of the written notice given pursuant to Section 4.5(a)(iv). In such event, the right of Investor

and all other Holders to registration pursuant to Section 4.5(a) will be conditioned upon such persons' participation in such underwriting and the inclusion of such person's Registrable Securities in the underwriting if such securities are of the same class of securities as the securities to be offered in the underwritten offering, and each such person will (together with the Company and the other persons distributing their securities through such underwriting) enter into an underwriting agreement in customary form with the underwriter or underwriters selected for such underwriting by the Company; provided that the Investor (as opposed to other Holders) shall not be required to indemnify any person in connection with any registration. If any participating person disapproves of the terms of the underwriting, such person may elect to withdraw therefrom by written notice to the Company, the managing underwriters and the Investor (if the Investor is participating in the underwriting).

(vi) If either (x) the Company grants "piggyback" registration rights to one or more third parties to include their securities in an underwritten offering under a Shelf Registration Statement pursuant to Section 4.5(a)(ii) or (y) a Piggyback Registration under Section 4.5(a)(iv) relates to an underwritten offering on behalf of the Company, and in either case the managing underwriters advise the Company that in their reasonable opinion the number of securities requested to be included in such offering exceeds the number which can be sold without adversely affecting the marketability of such offering (including an adverse effect on the per share offering price), the Company will include in such offering only such number of securities that in the reasonable opinion of such managing underwriters can be sold without adversely affecting the marketability of the offering (including an adverse effect on the per share offering price), which securities will be so included in the following order of priority: (A) first, in the case of a Piggyback Registration under Section 4.5(a)(iv), the securities the Company proposes to sell, (B) then the Registrable Securities of the Investor and all other Holders who have requested inclusion of Registrable Securities pursuant to Section 4.5(a)(ii) or Section 4.5(a)(iv), as applicable, pro rata on the basis of the aggregate number of such securities or shares owned by each such person and (C) lastly, any other securities of the Company that have been requested to be so included, subject to the terms of this Agreement; *provided, however*, that if the Company has, prior to the Signing Date, entered into an agreement with respect to its securities that is inconsistent with the order of priority contemplated hereby then it shall apply the order of priority in such conflicting agreement to the extent that it would otherwise result in a breach under such agreement.

(b) Expenses of Registration. All Registration Expenses incurred in connection with any registration, qualification or compliance hereunder shall be borne by the Company. All Selling Expenses incurred in connection with any registrations hereunder shall be borne by the holders of the securities so registered pro rata on the basis of the aggregate offering or sale price of the securities so registered.

(c) Obligations of the Company. The Company shall use its reasonable best efforts, for so long as there are Registrable Securities outstanding, to take such actions as are in its control to become a well-known seasoned issuer (as defined in Rule 405 under the Securities Act)

and once the Company becomes a well-known seasoned issuer to take such actions as are in its control to remain a well-known seasoned issuer. In addition, whenever required to effect the registration of any Registrable Securities or facilitate the distribution of Registrable Securities pursuant to an effective Shelf Registration Statement, the Company shall, as expeditiously as reasonably practicable:

(i) Prepare and file with the SEC, not later than fifteen (15) days after the request, a registration statement with respect to such Registrable Securities and use all commercially reasonable efforts to cause such registration statement to become effective, or prepare and file with the SEC not later than ten (10) days after the request a prospectus supplement with respect to a proposed offering of such Registrable Securities pursuant to an effective registration statement, subject to Section 4.5(d), and, upon the request of the Holders of a majority of the Registrable Securities registered thereunder, use all commercially reasonable efforts to keep such registration statement effective and keep such prospectus supplement current until the securities described therein are no longer Registrable Securities.

(ii) Prepare and file with the SEC such amendments and supplements to the applicable registration statement and the prospectus or prospectus supplement used in connection with such registration statement as may be necessary to comply with the provisions of the Securities Act with respect to the disposition of all securities covered by such registration statement.

(iii) Furnish to the Holders and any underwriters such number of copies of the applicable registration statement and each such amendment and supplement thereto (including in each case all exhibits) and of a prospectus, including a preliminary prospectus, in conformity with the requirements of the Securities Act, and such other documents as they may reasonably request in order to facilitate the disposition of Registrable Securities owned or to be distributed by them.

(iv) Use its reasonable best efforts to register and qualify the securities covered by such registration statement under such other securities or Blue Sky laws of such jurisdictions as shall be reasonably requested by the Holders or any managing underwriter(s), to keep such registration or qualification in effect for so long as such registration statement remains in effect, and to take any other action which may be reasonably necessary to enable such seller to consummate the disposition in such jurisdictions of the securities owned by such Holder; provided that the Company shall not be required in connection therewith or as a condition thereto to qualify to do business or to file a general consent to service of process in any such states or jurisdictions.

(v) Notify each Holder of Registrable Securities at any time when a prospectus relating thereto is required to be delivered under the Securities Act of the happening of any event as a result of which the applicable prospectus, as then in effect, includes an untrue statement of a material fact or omits to state a material fact required to

be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing.

(vi) Give written notice to the Holders:

(A) when any registration statement filed pursuant to Section 4.5(a) or any amendment thereto has been filed with the SEC (except for any amendment effected by the filing of a document with the SEC pursuant to the Exchange Act) and when such registration statement or any post-effective amendment thereto has become effective;

(B) of any request by the SEC for amendments or supplements to any registration statement or the prospectus included therein or for additional information;

(C) of the issuance by the SEC of any stop order suspending the effectiveness of any registration statement or the initiation of any proceedings for that purpose;

(D) of the receipt by the Company or its legal counsel of any notification with respect to the suspension of the qualification of the Common Stock for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose;

(E) of the happening of any event that requires the Company to make changes in any effective registration statement or the prospectus related to the registration statement in order to make the statements therein not misleading (which notice shall be accompanied by an instruction to suspend the use of the prospectus until the requisite changes have been made); and

(F) if at any time the representations and warranties of the Company contained in any underwriting agreement contemplated by Section 4.5(c)(x) cease to be true and correct.

(vii) Use its reasonable best efforts to prevent the issuance or obtain the withdrawal of any order suspending the effectiveness of any registration statement referred to in Section 4.5(c)(vi)(C) at the earliest practicable time.

(viii) Upon the occurrence of any event contemplated by Section 4.5(c)(v) or 4.5(c)(vi)(E), promptly prepare a post-effective amendment to such registration statement or a supplement to the related prospectus or file any other required document so that, as thereafter delivered to the Holders and any underwriters, the prospectus will not contain an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. If the Company notifies the Holders in accordance with Section 4.5(c)(vi)(E)

to suspend the use of the prospectus until the requisite changes to the prospectus have been made, then the Holders and any underwriters shall suspend use of such prospectus and use their reasonable best efforts to return to the Company all copies of such prospectus (at the Company's expense) other than permanent file copies then in such Holders' or underwriters' possession. The total number of days that any such suspension may be in effect in any 12-month period shall not exceed 90 days.

(ix) Use reasonable best efforts to procure the cooperation of the Company's transfer agent in settling any offering or sale of Registrable Securities, including with respect to the transfer of physical stock certificates into book-entry form in accordance with any procedures reasonably requested by the Holders or any managing underwriter(s).

(x) If an underwritten offering is requested pursuant to Section 4.5(a)(ii), enter into an underwriting agreement in customary form, scope and substance and take all such other actions reasonably requested by the Holders of a majority of the Registrable Securities being sold in connection therewith or by the managing underwriter(s), if any, to expedite or facilitate the underwritten disposition of such Registrable Securities, and in connection therewith in any underwritten offering (including making members of management and executives of the Company available to participate in "road shows", similar sales events and other marketing activities), (A) make such representations and warranties to the Holders that are selling stockholders and the managing underwriter(s), if any, with respect to the business of the Company and its subsidiaries, and the Shelf Registration Statement, prospectus and documents, if any, incorporated or deemed to be incorporated by reference therein, in each case, in customary form, substance and scope, and, if true, confirm the same if and when requested, (B) use its reasonable best efforts to furnish the underwriters with opinions of counsel to the Company, addressed to the managing underwriter(s), if any, covering the matters customarily covered in such opinions requested in underwritten offerings, (C) use its reasonable best efforts to obtain "cold comfort" letters from the independent certified public accountants of the Company (and, if necessary, any other independent certified public accountants of any business acquired by the Company for which financial statements and financial data are included in the Shelf Registration Statement) who have certified the financial statements included in such Shelf Registration Statement, addressed to each of the managing underwriter(s), if any, such letters to be in customary form and covering matters of the type customarily covered in "cold comfort" letters, (D) if an underwriting agreement is entered into, the same shall contain indemnification provisions and procedures customary in underwritten offerings (provided that the Investor shall not be obligated to provide any indemnity), and (E) deliver such documents and certificates as may be reasonably requested by the Holders of a majority of the Registrable Securities being sold in connection therewith, their counsel and the managing underwriter(s), if any, to evidence the continued validity of the representations and warranties made pursuant to clause (A) above and to evidence compliance with any customary conditions contained in the underwriting agreement or other agreement entered into by the Company.

(xi) Make available for inspection by a representative of Holders that are selling stockholders, the managing underwriter(s), if any, and any attorneys or accountants retained by such Holders or managing underwriter(s), at the offices where normally kept, during reasonable business hours, financial and other records, pertinent corporate documents and properties of the Company, and cause the officers, directors and employees of the Company to supply all information in each case reasonably requested (and of the type customarily provided in connection with due diligence conducted in connection with a registered public offering of securities) by any such representative, managing underwriter(s), attorney or accountant in connection with such Shelf Registration Statement.

(xii) Use reasonable best efforts to cause all such Registrable Securities to be listed on each national securities exchange on which similar securities issued by the Company are then listed or, if no similar securities issued by the Company are then listed on any national securities exchange, use its reasonable best efforts to cause all such Registrable Securities to be listed on such securities exchange as the Investor may designate.

(xiii) If requested by Holders of a majority of the Registrable Securities being registered and/or sold in connection therewith, or the managing underwriter(s), if any, promptly include in a prospectus supplement or amendment such information as the Holders of a majority of the Registrable Securities being registered and/or sold in connection therewith or managing underwriter(s), if any, may reasonably request in order to permit the intended method of distribution of such securities and make all required filings of such prospectus supplement or such amendment as soon as practicable after the Company has received such request.

(xiv) Timely provide to its security holders earning statements satisfying the provisions of Section 11(a) of the Securities Act and Rule 158 thereunder.

(d) *Suspension of Sales.* Upon receipt of written notice from the Company that a registration statement, prospectus or prospectus supplement contains or may contain an untrue statement of a material fact or omits or may omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading or that circumstances exist that make inadvisable use of such registration statement, prospectus or prospectus supplement, the Investor and each Holder of Registrable Securities shall forthwith discontinue disposition of Registrable Securities until the Investor and/or Holder has received copies of a supplemented or amended prospectus or prospectus supplement, or until the Investor and/or such Holder is advised in writing by the Company that the use of the prospectus and, if applicable, prospectus supplement may be resumed, and, if so directed by the Company, the Investor and/or such Holder shall deliver to the Company (at the Company's expense) all copies, other than permanent file copies then in the Investor and/or such Holder's possession, of the prospectus and, if applicable, prospectus supplement covering such Registrable Securities current at the time of receipt of such notice. The total number of days that any such suspension may be in effect in any 12-month period shall not exceed 90 days.

(e) *Termination of Registration Rights.* A Holder's registration rights as to any securities held by such Holder (and its Affiliates, partners, members and former members) shall not be available unless such securities are Registrable Securities.

(f) *Furnishing Information.*

(i) Neither the Investor nor any Holder shall use any free writing prospectus (as defined in Rule 405) in connection with the sale of Registrable Securities without the prior written consent of the Company.

(ii) It shall be a condition precedent to the obligations of the Company to take any action pursuant to Section 4.5(c) that Investor and/or the selling Holders and the underwriters, if any, shall furnish to the Company such information regarding themselves, the Registrable Securities held by them and the intended method of disposition of such securities as shall be required to effect the registered offering of their Registrable Securities.

(g) *Indemnification.*

(i) The Company agrees to indemnify each Holder and, if a Holder is a person other than an individual, such Holder's officers, directors, employees, agents, representatives and Affiliates, and each Person, if any, that controls a Holder within the meaning of the Securities Act (each, an "**Indemnitee**"), against any and all losses, claims, damages, actions, liabilities, costs and expenses (including reasonable fees, expenses and disbursements of attorneys and other professionals incurred in connection with investigating, defending, settling, compromising or paying any such losses, claims, damages, actions, liabilities, costs and expenses), joint or several, arising out of or based upon any untrue statement or alleged untrue statement of material fact contained in any registration statement, including any preliminary prospectus or final prospectus contained therein or any amendments or supplements thereto or any documents incorporated therein by reference or contained in any free writing prospectus (as such term is defined in Rule 405) prepared by the Company or authorized by it in writing for use by such Holder (or any amendment or supplement thereto); or any omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; *provided* that the Company shall not be liable to such Indemnitee in any such case to the extent that any such loss, claim, damage, liability (or action or proceeding in respect thereof) or expense arises out of or is based upon (A) an untrue statement or omission made in such registration statement, including any such preliminary prospectus or final prospectus contained therein or any such amendments or supplements thereto or contained in any free writing prospectus (as such term is defined in Rule 405) prepared by the Company or authorized by it in writing for use by such Holder (or any amendment or supplement thereto), in reliance upon and in conformity with information regarding such Indemnitee or its plan of distribution or ownership interests which was furnished in writing to the Company by such Indemnitee for use in connection with such registration statement, including any

such preliminary prospectus or final prospectus contained therein or any such amendments or supplements thereto, or (B) offers or sales effected by or on behalf of such Indemnitee "by means of" (as defined in Rule 159A) a "free writing prospectus" (as defined in Rule 405) that was not authorized in writing by the Company.

(ii) If the indemnification provided for in Section 4.5(g)(i) is unavailable to an Indemnitee with respect to any losses, claims, damages, actions, liabilities, costs or expenses referred to therein or is insufficient to hold the Indemnitee harmless as contemplated therein, then the Company, in lieu of indemnifying such Indemnitee, shall contribute to the amount paid or payable by such Indemnitee as a result of such losses, claims, damages, actions, liabilities, costs or expenses in such proportion as is appropriate to reflect the relative fault of the Indemnitee, on the one hand, and the Company, on the other hand, in connection with the statements or omissions which resulted in such losses, claims, damages, actions, liabilities, costs or expenses as well as any other relevant equitable considerations. The relative fault of the Company, on the one hand, and of the Indemnitee, on the other hand, shall be determined by reference to, among other factors, whether the untrue statement of a material fact or omission to state a material fact relates to information supplied by the Company or by the Indemnitee and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission; the Company and each Holder agree that it would not be just and equitable if contribution pursuant to this Section 4.5(g)(ii) were determined by pro rata allocation or by any other method of allocation that does not take account of the equitable considerations referred to in Section 4.5(g)(i). No Indemnitee guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from the Company if the Company was not guilty of such fraudulent misrepresentation.

(h) Assignment of Registration Rights. The rights of the Investor to registration of Registrable Securities pursuant to Section 4.5(a) may be assigned by the Investor to a transferee or assignee of Registrable Securities with a liquidation preference or, in the case of Registrable Securities other than Preferred Stock, a market value, no less than an amount equal \$200 million; *provided, however*, the transferor shall, within ten days after such transfer, furnish to the Company written notice of the name and address of such transferee or assignee and the number and type of Registrable Securities that are being assigned. For purposes of this Section 4.5(h), "market value" per share of Common Stock shall be the last reported sale price of the Common Stock on the national securities exchange on which the Common Stock is listed or admitted to trading on the last trading day prior to the proposed transfer, and the "market value" for the Warrant (or any portion thereof) shall be the market value per share of Common Stock into which the Warrant (or such portion) is exercisable less the exercise price per share.

(i) Clear Market. With respect to any underwritten offering of Registrable Securities by the Investor or other Holders pursuant to this Section 4.5, the Company agrees not to effect (other than pursuant to such registration or pursuant to a Special Registration) any public sale or distribution, or to file any Shelf Registration Statement (other than such registration or a Special Registration) covering, in the case of an underwritten offering of Common Stock or Warrants,

any of its equity securities or, in the case of an underwritten offering of Preferred Stock, any preferred stock of the Company, or, in each case, any securities convertible into or exchangeable or exercisable for such securities, during the period not to exceed ten days prior and 60 days following the effective date of such offering or such longer period up to 90 days as may be requested by the managing underwriter for such underwritten offering. The Company also agrees to cause such of its directors and senior executive officers to execute and deliver customary lock-up agreements in such form and for such time period up to 90 days as may be requested by the managing underwriter. "Special Registration" means the registration of (A) equity securities and/or options or other rights in respect thereof solely registered on Form S-4 or Form S-8 (or successor form) or (B) shares of equity securities and/or options or other rights in respect thereof to be offered to directors, members of management, employees, consultants, customers, lenders or vendors of the Company or Company Subsidiaries or in connection with dividend reinvestment plans.

(j) Rule 144; Rule 144A. With a view to making available to the Investor and Holders the benefits of certain rules and regulations of the SEC which may permit the sale of the Registrable Securities to the public without registration, the Company agrees to use its reasonable best efforts to:

(i) make and keep public information available, as those terms are understood and defined in Rule 144(c)(1) or any similar or analogous rule promulgated under the Securities Act, at all times after the Signing Date;

(ii) (A) file with the SEC, in a timely manner, all reports and other documents required of the Company under the Exchange Act, and (B) if at any time the Company is not required to file such reports, make available, upon the request of any Holder, such information necessary to permit sales pursuant to Rule 144A (including the information required by Rule 144A(d)(4) under the Securities Act);

(iii) so long as the Investor or a Holder owns any Registrable Securities, furnish to the Investor or such Holder forthwith upon request: a written statement by the Company as to its compliance with the reporting requirements of Rule 144 under the Securities Act, and of the Exchange Act; a copy of the most recent annual or quarterly report of the Company; and such other reports and documents as the Investor or Holder may reasonably request in availing itself of any rule or regulation of the SEC allowing it to sell any such securities to the public without registration; and

(iv) take such further action as any Holder may reasonably request, all to the extent required from time to time to enable such Holder to sell Registrable Securities without registration under the Securities Act.

(k) As used in this Section 4.5, the following terms shall have the following respective meanings:

(i) **"Holder"** means the Investor and any other holder of Registrable Securities to whom the registration rights conferred by this Agreement have been transferred in compliance with Section 4.5(h) hereof.

(ii) **"Holders' Counsel"** means one counsel for the selling Holders chosen by Holders holding a majority interest in the Registrable Securities being registered.

(iii) **"Register," "registered,"** and **"registration"** shall refer to a registration effected by preparing and (A) filing a registration statement in compliance with the Securities Act and applicable rules and regulations thereunder, and the declaration or ordering of effectiveness of such registration statement or (B) filing a prospectus and/or prospectus supplement in respect of an appropriate effective registration statement on Form S-3.

(iv) **"Registrable Securities"** means (A) all Preferred Stock, (B) the Warrant (subject to Section 4.5(p)) and (C) any equity securities issued or issuable directly or indirectly with respect to the securities referred to in the foregoing clauses ((A) or (B) by way of conversion, exercise or exchange thereof, including the Warrant Shares, or share dividend or share split or in connection with a combination of shares, recapitalization, reclassification, merger, amalgamation, arrangement, consolidation or other reorganization, provided that, once issued, such securities will not be Registrable Securities when (1) they are sold pursuant to an effective registration statement under the Securities Act, (2) except as provided below in Section 4.5(o), they may be sold pursuant to Rule 144 without limitation thereunder on volume or manner of sale, (3) they shall have ceased to be outstanding or (4) they have been sold in a private transaction in which the transferor's rights under this Agreement are not assigned to the transferee of the securities. No Registrable Securities may be registered under more than one registration statement at any one time.

(v) **"Registration Expenses"** mean all expenses incurred by the Company in effecting any registration pursuant to this Agreement (whether or not any registration or prospectus becomes effective or final) or otherwise complying with its obligations under this Section 4.5, including all registration, filing and listing fees, printing expenses, fees and disbursements of counsel for the Company, blue sky fees and expenses, expenses incurred in connection with any "road show", the reasonable fees and disbursements of Holders' Counsel, and expenses of the Company's independent accountants in connection with any regular or special reviews or audits incident to or required by any such registration, but shall not include Selling Expenses.

(vi) **"Rule 144," "Rule 144A," "Rule 159A," "Rule 405" and "Rule 415"** mean, in each case, such rule promulgated under the Securities Act (or any successor provision), as the same shall be amended from time to time.

(vii) **"Selling Expenses"** mean all discounts, selling commissions and stock transfer taxes applicable to the sale of Registrable Securities and fees and disbursements

of counsel for any Holder (other than the fees and disbursements of Holders' Counsel included in Registration Expenses).

(l) At any time, any holder of Securities (including any Holder) may elect to forfeit its rights set forth in this Section 4.5 from that date forward; *provided*, that a Holder forfeiting such rights shall nonetheless be entitled to participate under Section 4.5(a)(iv) — (vi) in any Pending Underwritten Offering to the same extent that such Holder would have been entitled to if the holder had not withdrawn; and *provided, further*, that no such forfeiture shall terminate a Holder's rights or obligations under Section 4.5(f) with respect to any prior registration or Pending Underwritten Offering. "**Pending Underwritten Offering**" means, with respect to any Holder forfeiting its rights pursuant to this Section 4.5(l), any underwritten offering of Registrable Securities in which such Holder has advised the Company of its intent to register its Registrable Securities either pursuant to Section 4.5(a)(ii) or 4.5(a)(iv) prior to the date of such Holder's forfeiture.

(m) Specific Performance. The parties hereto acknowledge that there would be no adequate remedy at law if the Company fails to perform any of its obligations under this Section 4.5 and that the Investor and the Holders from time to time may be irreparably harmed by any such failure, and accordingly agree that the Investor and such Holders, in addition to any other remedy to which they may be entitled at law or in equity, to the fullest extent permitted and enforceable under applicable law shall be entitled to compel specific performance of the obligations of the Company under this Section 4.5 in accordance with the terms and conditions of this Section 4.5.

(n) No Inconsistent Agreements. The Company shall not, on or after the Signing Date, enter into any agreement with respect to its securities that may impair the rights granted to the Investor and the Holders under this Section 4.5 or that otherwise conflicts with the provisions hereof in any manner that may impair the rights granted to the Investor and the Holders under this Section 4.5. In the event the Company has, prior to the Signing Date, entered into any agreement with respect to its securities that is inconsistent with the rights granted to the Investor and the Holders under this Section 4.5 (including agreements that are inconsistent with the order of priority contemplated by Section 4.5(a)(vi)) or that may otherwise conflict with the provisions hereof, the Company shall use its reasonable best efforts to amend such agreements to ensure they are consistent with the provisions of this Section 4.5.

(o) Certain Offerings by the Investor. In the case of any securities held by the Investor that cease to be Registrable Securities solely by reason of clause (2) in the definition of "**Registrable Securities**," the provisions of Sections 4.5(a)(ii), clauses (iv), (ix) and (x)-(xii) of Section 4.5(c), Section 4.5(g) and Section 4.5(i) shall continue to apply until such securities otherwise cease to be Registrable Securities. In any such case, an "**underwritten**" offering or other disposition shall include any distribution of such securities on behalf of the Investor by one or more broker-dealers, an "underwriting agreement" shall include any purchase agreement entered into by such broker-dealers, and any "registration statement" or "prospectus" shall include any offering document approved by the Company and used in connection with such distribution.

(p) Registered Sales of the Warrant. The Holders agree to sell the Warrant or any portion thereof under the Shelf Registration Statement only beginning 30 days after notifying the Company of any such sale, during which 30-day period the Investor and all Holders of the Warrant shall take reasonable steps to agree to revisions to the Warrant to permit a public distribution of the Warrant, including entering into a warrant agreement and appointing a warrant agent.

4.6 *Voting of Warrant Shares*. Notwithstanding anything in this Agreement to the contrary, the Investor shall not exercise any voting rights with respect to the Warrant Shares.

4.7 *Depository Shares*. Upon request by the Investor in connection with a proposed transfer of the Preferred Stock, the Company shall promptly enter into a depository arrangement, pursuant to customary agreements reasonably satisfactory to the Investor and with a depository reasonably acceptable to the Investor, pursuant to which the Preferred Stock may be deposited and depository shares, each representing a fraction of a Preferred Stock as specified by the Investor, may be issued. From and after the execution of any such depository arrangement, and the deposit of any Preferred Stock pursuant thereto, the depository shares issued pursuant thereto shall be deemed "**Preferred Stock**" and, as applicable, "**Registrable Securities**" for purposes of this Agreement.

4.8 *Restriction on Dividends and Repurchases*.

(a) Prior to the earlier of (x) the fifth anniversary of the Closing Date and (y) the date on which the Preferred Stock has been redeemed in whole or the Investor has transferred all of the Preferred Stock to third parties which are not Affiliates of the Investor, neither the Company nor any Company Subsidiary shall, without the consent of the Investor:

(i) declare or pay any dividend or make any distribution on the Common Stock (other than (A) regular quarterly cash dividends of not more than the amount of the last quarterly cash dividend per share declared or, if lower, publicly announced an intention to declare, on the Common Stock prior to November 25, 2008, as adjusted for any stock split, stock dividend, reverse stock split, reclassification or similar transaction, (B)) dividends payable solely in shares of Common Stock and (C) dividends or distributions of rights or Junior Stock in connection with a stockholders' rights plan); or

(ii) redeem, purchase or acquire any shares of Common Stock or other capital stock or other equity securities of any kind of the Company, or any trust preferred securities issued by the Company or any Affiliate of the Company, other than (A) redemptions, purchases or other acquisitions of the Preferred Stock, (B) redemptions, purchases or other acquisitions of shares of Common Stock or other Junior Stock, in each case in this clause (B) in connection with the administration of any employee benefit plan in the ordinary course of business (including purchases to offset the Share Dilution Amount (as defined below) pursuant to a publicly announced repurchase plan) and consistent with past practice; provided that any purchases to offset the Share Dilution Amount shall in no event exceed the Share Dilution Amount, (C) any redemption or

repurchase of rights pursuant to any stockholders' rights plan, (D) the acquisition by the Company or any of the Company Subsidiaries of record ownership in Junior Stock or Parity Stock for the beneficial ownership of any other persons (other than the Company or any other Company Subsidiary), including as trustees or custodians (the "**Permitted Repurchases**"), and (E) the exchange or conversion of Junior Stock for or into other Junior Stock or of Parity Stock or trust preferred securities for or into other Parity Stock (with the same or lesser aggregate liquidation amount) or Junior Stock, in each case set forth in this clause (E), solely to the extent required pursuant to binding contractual agreements entered into prior to the Signing Date or any subsequent agreement for the accelerated exercise, settlement or exchange thereof for Common Stock. "**Share Dilution Amount**" means the increase in the number of diluted shares outstanding (determined in accordance with GAAP, and as measured from the date of the Company's most recently filed Company Financial Statements prior to the Closing Date) resulting from the grant, vesting or exercise of equity-based compensation to employees and equitably adjusted for any stock split, stock dividend, reverse stock split, reclassification or similar transaction.

(b) Until such time as the Investor ceases to own any Preferred Stock, the Company shall not repurchase any Preferred Stock from any holder thereof, whether by means of open market purchase, negotiated transaction, or otherwise, other than Permitted Repurchases, unless it offers to repurchase a ratable portion of the Preferred Stock then held by the Investor on the same terms and conditions.

(c) "**Junior Stock**" means Common Stock, the Series C Preferred Stock (after the Company's stockholders approve the amendment described in Section 3.1(b) to the Charter to have the Preferred Stock rank senior to the Series C Preferred Stock) and any other class or series of stock of the Company the terms of which expressly provide that it ranks junior to the Preferred Stock as to dividend rights and/or as to rights on liquidation, dissolution or winding up of the Company. "**Parity Stock**" means the Series C Preferred Stock (before the Company's stockholders approve the Charter amendment referred to above) and any class or series of stock of the Company the terms of which do not expressly provide that such class or series will rank senior or junior to the Preferred Stock as to dividend rights and/or as to rights on liquidation, dissolution or winding up of the Company (in each case without regard to whether dividends accrue cumulatively or non-cumulatively).

4.9 Repurchase of Investor Securities.

(a) Following the redemption in whole of the Preferred Stock held by the Investor or the Transfer by the Investor of all of the Preferred Stock to one or more third parties not affiliated with the Investor and so long as the Investor does not Control the Company, the Company may repurchase, in whole or in part, at any time any other equity or debt securities of the Company owned by the Investor or the Warrant or Warrant Shares and then held by the Investor, upon notice given as provided in clause (b) below, at the Fair Market Value of the equity security. For the avoidance of doubt, while there is Board of Directors control (or the potential to gain Board of Directors control as a result of existing contractual rights) by the

Investor (or any affiliate of the Investor), the Company may not exercise its rights under this Section 4.9.

(b) Notice of every repurchase of equity securities of the Company held by the Investor shall be given at the address and in the manner set forth for such party in Section 5.6. Each notice of repurchase given to the Investor shall state: (i) the number and type of securities to be repurchased, (ii) the Board of Directors' determination of Fair Market Value of such securities and (iii) the place or places where certificates representing such securities are to be surrendered for payment of the repurchase price. The repurchase of the securities specified in the notice shall occur as soon as practicable following the determination of the Fair Market Value of the securities.

(c) As used in this Section 4.9, the following terms shall have the following respective meanings:

(i) "**Appraisal Procedure**" means a procedure whereby two independent appraisers, one chosen by the Company and one by the Investor, shall mutually agree upon the Fair Market Value. Each party shall deliver a notice to the other appointing its appraiser within 10 days after the Appraisal Procedure is invoked. If within 30 days after appointment of the two appraisers they are unable to agree upon the Fair Market Value, a third independent appraiser shall be chosen within 10 days thereafter by the mutual consent of such first two appraisers. The decision of the third appraiser so appointed and chosen shall be given within 30 days after the selection of such third appraiser. If three appraisers shall be appointed and the determination of one appraiser is disparate from the middle determination by more than twice the amount by which the other determination is disparate from the middle determination, then the determination of such appraiser shall be excluded, the remaining two determinations shall be averaged and such average shall be binding and conclusive upon the Company and the Investor; otherwise, the average of all three determinations shall be binding upon the Company and the Investor. The costs of conducting any Appraisal Procedure shall be borne by the Company.

(ii) "**Fair Market Value**" means, with respect to any security, the fair market value of such security as determined by the Board of Directors, acting in good faith in reliance on an opinion of a nationally recognized independent investment banking firm retained by the Company for this purpose and certified in a resolution to the Investor. If the Investor does not agree with the Board of Directors' determination, it may object in writing within 10 days of receipt of the Board of Directors' determination. In the event of such an objection, an authorized representative of the Investor and the chief executive officer of the Company shall promptly meet to resolve the objection and to agree upon the Fair Market Value. If the chief executive officer and the authorized representative are unable to agree on the Fair Market Value during the 10-day period following the delivery of the Investor's objection, the Appraisal Procedure may be invoked by either party to determine the Fair Market Value by delivery of a written notification thereof not later than the 30th day after delivery of the Investor's objection.

(iii) “**Control**” means the power to direct the management and policies of the Company, directly or indirectly, whether through the ownership of voting securities, by contract, by the power to control the Board of Directors or otherwise.

4.10 *Executive Compensation.*

(a) Until such time as the Investor ceases to own any debt or equity securities of the Company acquired pursuant to this Agreement or the Warrant, the Company shall take all necessary action to ensure that its Benefit Plans with respect to the Senior Executive Officers comply in all respects with Section 111(b) of the EESA, including the provisions for Systemically Significant Failing Institutions, as implemented by any guidance or regulation thereunder, including Notice 2008-PSSFI, that has been issued and is in effect as of the Closing Date, including but not limited to provisions prohibiting severance payments to Senior Executive Officers, and shall not adopt any new Benefit Plan with respect to its Senior Executive Officers that does not comply therewith. “**Senior Executive Officers**” means the Company’s “senior executive officers” as defined in subsection 111(b)(3) of the EESA and regulations issued thereunder, including the rules set forth in 31 CFR Part 30, that have been issued and are in effect as of the Closing Date.

(b) (1) In addition, the Company shall, until such time as the Investor ceases to own any debt or equity securities of the Company acquired pursuant to this Agreement or the Warrant, take all necessary action to limit any “golden parachute payments” to the employees of the Company and the Company Subsidiaries who as of the Closing Date participate in the Company’s Senior Partners Plan (other than the Senior Executive Officers) (the “**Senior Partners**”) to the amounts permitted by the regulations relating to participants in the EESA Capital Purchase Program and the guidelines and rules relating thereto, including the rules set forth in 31 CFR Part 30, that have been issued and are in effect as of the Closing Date, as if such Senior Partners were Senior Executive Officers for purposes of the EESA (except that equity denominated awards settled solely in equity shall not be included in such limit on “golden parachute payments” to Senior Partners).

(2) In furtherance of the Company’s commitment to limit golden parachute payments to Senior Partners as set forth in Section 4.10(b)(1), and to ensure compliance with the provisions of the EESA Capital Purchase Program and the guidelines and regulations relating thereto applicable to Senior Partners pursuant to Section 4.10(b)(1), it is further agreed that the Company shall take all necessary action to ensure that the sum of (A) a Senior Partner’s annual bonus for 2009, (B) all retention payments paid or payable to such Senior Partner under any retention arrangement between the Senior Partner and the Company for any period ending on or prior to March 31, 2010 and (C) any and all amounts paid or payable to such Senior Partner in connection with the termination of such Senior Partner’s employment prior to March 31, 2010 which would be taken into account in applying the compensation limitation under Section 4.10(b)(1) above, other than any payments pursuant to outstanding awards under the Company’s Senior Partners Plan, shall not exceed 3.5 times the sum of such Senior Partner’s base salary and target annual bonus for 2008. For this purpose, actual annual bonus for 2009

and target annual bonus for 2008 will include supplemental bonus and quarterly cash payments under the Company's historic quarterly bonus program consistent with, and in amounts not exceeding, past practice.

(3) Notwithstanding the other provisions of this Section 4.10(b), the Company's obligations under this Section 4.10(b) shall be on a best efforts basis with respect to the Senior Partners who are not U.S.-based to the extent of its existing Benefit Plans. Without derogation of the condition set forth in Section 1.2(d)(v), the Company shall use its best efforts to obtain from all the Senior Partners and deliver to the Investor prior to the Closing or as promptly as possible thereafter a waiver in the form attached hereto as Annex B-1.

(c) Unless the Investor ceases to own any debt or equity securities of the Company acquired pursuant to this Agreement or the Warrant, the Company shall take all necessary action to ensure that the annual bonus pools payable to the Senior Executive Officers and the Senior Partners in respect of each of 2008 and 2009 shall not exceed the average of the annual bonus pools paid to the Senior Executive Officers and the Senior Partners for 2006 and 2007 (in each case exclusive of the Company's historic quarterly bonus program including but not limited to supplemental bonus and quarterly cash payments, the amount of which will not increase for any participant) and subject to appropriate adjustment for new hires and departures.

(d) For the reasons set forth in Section 4.10(b)(2) above and in furtherance thereof, the Company shall, as soon as practicable, take all necessary action to amend its Executive Severance Plan, effective not later than March 11, 2010, to require that the benefits thereunder will be reduced by any remuneration attributable to a participant's subsequent employment during the relevant severance period.

(e) The Company confirms that none of (i) the proceeds of the Purchase Price nor (ii) the funds provided to the Company under the Credit Agreement (collectively "the Funds"), shall be used to pay annual bonuses, or other future cash performance awards to executives of the Company or Senior Partners. The parties desire that this confirmation be auditable and agree that there are a number of appropriate methods for verifying this confirmation (particularly in light of expected business changes at the Company). Until the date that any annual bonuses in respect of 2009 are paid, it is agreed that the test for the foregoing will be that, at the time when any annual bonuses or cash performance awards granted after the date of this Agreement are paid to executive officers or Senior Partners, the Company will have received aggregate dividends, distributions and other payments from its subsidiaries subsequent to September 16, 2008 greater than the aggregate amount of such annual bonuses, such cash performance awards and amounts paid pursuant to AIG's historic quarterly bonus program (including but not limited to supplemental bonus and quarterly cash payments, the amount of which will not increase for any participant) paid to executive officers and Senior Partners subsequent to that date. At and after the date that any annual bonuses in respect of 2009 are paid, the test for the foregoing confirmation will be that, at the time when any annual bonuses or cash performance awards granted after the date of this Agreement are vested or otherwise earned by executive officers or Senior Partners, the aggregate adjusted net income for the relevant year (being the year in which

or in respect of which such bonuses or awards are vested or so earned) of the insurance company subsidiaries of the Company included for such year in the consolidated financial statements of the Company, excluding any such adjusted net income that was dividended or otherwise distributed to the Company and taken into account in satisfying the test under the prior sentence, shall exceed the aggregate amount of such annual bonuses, such cash performance awards and amounts pursuant to AIG's historic quarterly bonus program (including but not limited to supplemental bonus and quarterly cash payments, the amount of which will not increase for any participant), in each case vested or otherwise earned in or in respect of such year. Each party agrees to negotiate in good faith and promptly at the request of the other to develop additional or alternative appropriate formulations to test for this confirmation.

(f) The Company confirms that none of the Funds shall be used to pay any electively deferred compensation in respect of or otherwise resulting from the termination of the deferred compensation plans by the Company or the Company subsidiaries as described in Item 5.02 of the Company's Current Report on Form 8-K dated November 18, 2008.

4.11 Restrictions on Lobbying. Until such time as the Investor ceases to own any Preferred Stock, the Company shall continue to maintain and implement its comprehensive written policy on lobbying, governmental ethics and political activity and distribute such policy to all Company employees and lobbying firms involved in any such activity. Any material amendments to such policy shall require the prior written consent of the Investor until the Investor no longer owns any Preferred Stock, and any material deviations from such policy, whether in contravention thereof or pursuant to waivers provided for thereunder, shall promptly be reported to the Investor. Such policy shall, at a minimum, (i) require compliance with all applicable law; (ii) apply to the Company, the Company Subsidiaries and affiliated foundations; (iii) govern (a) the provision of items of value to any government officials; (b) lobbying and (c) political activities and contributions; and (iv) provide for (a) internal reporting and oversight and (b) mechanisms for addressing non-compliance with the policy.

4.12 Restrictions on Expenses. Until such time as the Investor ceases to own any Preferred Stock, the Company shall continue to maintain and implement its comprehensive written policy on corporate expenses and distribute such policy to all Company employees. Any material amendments to such policy shall require the prior written consent of the Investor until such time as the Investor no longer owns any Preferred Stock, and any material deviations from such policy, whether in contravention thereof or pursuant to waivers provided for thereunder, shall promptly be reported to the Investor. Such policy shall, at a minimum: (i) require compliance with all applicable law; (ii) apply to the Company and the Company Subsidiaries; (iii) govern (a) the hosting, sponsorship or other payment for conferences and events, (b) the use of corporate aircraft, (c) travel accommodations and expenditures, (d) consulting arrangements with outside service providers, (e) any new lease or acquisition of real estate, (f) expenses relating to office or facility renovations or relocations and (g) expenses relating to entertainment or holiday parties; and (iv) provide for (a) internal reporting and oversight and (b) mechanisms for addressing non-compliance with the policy.

4.13 *Risk Management Committee*. Within 30 days of the Closing Date, and until such time as the Investor ceases to own any Preferred Stock, the Warrant or any other equity or debt securities of the Company, the Company shall establish and maintain a risk management committee of the Board of Directors that will oversee the major risks involved in the Company's business operations and review the Company's actions to mitigate and manage those risks.

4.14 *Dividend Rate Adjustment*. The dividend rate on the Preferred Stock beneficially owned at the time by the Investor is subject to adjustment in the sole discretion of the Secretary of the Department of the Treasury in light of, inter alia, then-prevailing economic conditions and the financial condition of the Company, with the objective of protecting the U.S. taxpayer.

Article 5 Miscellaneous

5.1 *Termination*. This Agreement may be terminated at any time prior to the Closing:

(a) by either the Investor or the Company if the Closing shall not have occurred by the 30th calendar day following the Signing Date; *provided, however*, that in the event the Closing has not occurred by such 30th calendar day, the parties will consult in good faith to determine whether to extend the term of this Agreement, it being understood that the parties shall be required to consult only until the fifth day after such 30th calendar day and not be under any obligation to extend the term of this Agreement thereafter; *provided, further*, that the right to terminate this Agreement under this Section 5.1(a) shall not be available to any party whose breach of any representation or warranty or failure to perform any obligation under this Agreement shall have caused or resulted in the failure of the Closing to occur on or prior to such date; or

(b) by either the Investor or the Company in the event that any Governmental Entity shall have issued an order, decree or ruling or taken any other action restraining, enjoining or otherwise prohibiting the transactions contemplated by this Agreement and such order, decree, ruling or other action shall have become final and nonappealable; or

(c) by the mutual written consent of the Investor and the Company.

In the event of termination of this Agreement as provided in this Section 5.1, this Agreement shall forthwith become void and there shall be no liability on the part of either party hereto except that nothing herein shall relieve either party from liability for any breach of this Agreement.

5.2 *Survival of Representations and Warranties*. All covenants and agreements, other than those which by their terms apply in whole or in part after the Closing, shall terminate as of the Closing. The representations and warranties of the Company made herein or in any certificates delivered in connection with the Closing shall survive the Closing without limitation.

5.3 *Amendment.* No amendment of any provision of this Agreement will be effective unless made in writing and signed by an officer or a duly authorized representative of each party; provided that the Investor may unilaterally amend any provision of this Agreement to the extent required to comply with any changes after the Signing Date in applicable federal statutes. No failure or delay by any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise of any other right, power or privilege. The rights and remedies herein provided shall be cumulative of any rights or remedies provided by law.

5.4 *Waiver of Conditions.* The conditions to each party's obligation to consummate the Purchase are for the sole benefit of such party and may be waived by such party in whole or in part to the extent permitted by applicable law. No waiver will be effective unless it is in a writing signed by a duly authorized officer of the waiving party that makes express reference to the provision or provisions subject to such waiver.

5.5 *Governing Law: Submission to Jurisdiction, Etc.* This Agreement, and the rights and obligations of the parties hereunder, shall be governed by, and construed and interpreted in accordance with, United States federal law and not the law of any State. To the extent that a court looks to the laws of any State to determine or define the United States federal law, it is the intention of the parties hereto that such court shall look only to the laws of the State of New York without regard to the rules of conflicts of laws. Each of the parties hereto agrees (a) to submit to the exclusive jurisdiction and venue of the United States District Court for the District of Columbia and the United States Court of Federal Claims for any and all actions, suits or proceedings arising out of or relating to this Agreement or the Warrant or the transactions contemplated hereby or thereby, and (b) that notice may be served upon (i) the Company at the address and in the manner set forth for notices to the Company in Section 5.6 and (ii) the Investor in accordance with federal law. To the extent permitted by applicable law, each of the parties hereto hereby unconditionally waives trial by jury in any legal action or proceeding relating to this Agreement or the Warrant or the transactions contemplated hereby or thereby.

5.6 *Notices.* Any notice, request, instruction or other document to be given hereunder by any party to the other will be in writing and will be deemed to have been duly given (a) on the date of delivery if delivered personally, or by facsimile, upon confirmation of receipt, or (b) on the second business day following the date of dispatch if delivered by a recognized next day courier service. All notices to the Company shall be delivered to the address set forth below, or pursuant to such other instruction as may be designated in writing by the Company to the Investor. Upon such determination, the parties shall negotiate in good faith in an effort to agree upon a suitable and equitable substitute provision to effect the original intent of the parties.

5.10 *Entire Agreement*. This Agreement (including the Annexes and Schedules hereto) constitutes the entire agreement, and supersedes all other prior agreements, understandings, representations and warranties, both written and oral, between the parties, with respect to the subject matter hereof.

5.11 *No Third Party Beneficiaries*. Nothing contained in this Agreement, expressed or implied, is intended to confer upon any person or entity other than the Company and the Investor any benefit, right or remedies, except that the provisions of Section 4.5 shall inure to the benefit of the persons referred to in that Section.

**FORM OF WAIVER FOR THE SENIOR EXECUTIVE OFFICERS
AND THE SENIOR PARTNERS**

In consideration for the benefits I will receive as a result of the participation of American International Group, Inc. (together with its subsidiaries and affiliates, the "**Company**") in the United States Department of the Treasury's Program for Systemically Significant Failing Institutions (as set forth in Notice 2008-PSSFT) and any other economic stabilization program implemented by the Department of the Treasury under the Emergency Economic Stabilization Act of 2008 (the "**Act**") either prior to or subsequent to the date of this letter from me (any such program, including the Program for Systemically Significant Failing Institutions, an "**EESA Program**"), I hereby voluntarily waive any claim against any of the United States and the Company, the Company's Board of Directors, any individual member of the Company's Board of Directors and the Company's officers, employees, representatives and agents for any changes to my compensation or benefits that are required to comply with the regulations issued by the Department of the Treasury in connection with an EESA Program, including without limitation the regulations issued on October 20, 2008, as well as the limitations under the letter agreement between me and the Company dated November 12, 2008 regarding the term sheet agreement between the Company and United States Department of the Treasury (the "**Limitations**").

I acknowledge that the aforementioned regulations and Limitations may require modification of the compensation, bonus, incentive and other benefit plans, arrangements, policies and agreements (including so-called "golden parachute" agreements), whether or not in writing, that I may have with the Company or in which I may participate as they relate to the period the United States holds any equity or debt securities of the Company acquired through an EESA Program, including without limitation the Program for Systemically Significant Failing Institutions, or for any other period applicable under such EESA Program or Limitations, as the case may be.

(together with its subsidiaries and affiliates, the "Company") hereby voluntarily waives any claim against the United States for any changes to compensation or benefits of the Company's employees that are required to comply with the regulations issued by the Department of the Treasury in connection with an EESA Program, including without limitation the regulations issued on October 14, 2008 and the requirements of Section 4.10 of the Securities Purchase Agreement dated as of November 25, 2008 between the Company and the United States Department of the Treasury.

The Company acknowledges that the aforementioned regulations and such requirements may require modification of the compensation, bonus, incentive and other benefit plans, arrangements, policies and agreements (including so-called "golden parachute" agreements), whether or not in writing, that the Company may have with its employees or in which such employees may participate as the regulations and such requirements relate to the period the United States holds any equity or debt securities of the Company acquired through an EESA Program, including without limitation the Programs for Systemically Significant Failing Institutions Program, or for any other period applicable under such EESA Program.

Issue Date: November 25, 2008

1. Definitions. Unless the context otherwise requires, when used herein the following terms shall have the meanings indicated.

“*Affiliate*” has the meaning ascribed to it in the Purchase Agreement.

“*Appraisal Procedure*” means a procedure whereby two independent appraisers, one chosen by the Company and one by the Original Warrantholder, shall mutually agree upon the determinations then the subject of appraisal. Each party shall deliver a notice to the other appointing its appraiser within 15 days after the Appraisal Procedure is invoked. If within 30 days after appointment of the two appraisers they are unable to agree upon the amount in question, a third independent appraiser shall be chosen within 10 days thereafter by the mutual consent of such first two appraisers. The decision of the third appraiser so appointed and chosen shall be given within 30 days after the selection of such third appraiser. If three appraisers shall be appointed and the determination of one appraiser is disparate from the middle determination by more than twice the amount by which the other determination is disparate from the middle determination, then the determination of such appraiser shall be excluded, the

remaining two determinations shall be averaged and such average shall be binding and conclusive upon the Company and the Original Warrantholder; otherwise, the average of all three determinations shall be binding upon the Company and the Original Warrantholder. The costs of conducting any Appraisal Procedure shall be borne by the Company.

“*Board of Directors*” means the board of directors of the Company, including any duly authorized committee thereof.

“*Business Combination*” means a merger, consolidation, statutory share exchange or similar transaction that requires the approval of the Company’s stockholders.

“*business day*” means any day except Saturday, Sunday and any day on which banking institutions in the State of New York generally are authorized or required by law or other governmental actions to close.

“*Capital Stock*” means (A) with respect to any Person that is a corporation or company, any and all shares, interests, participations or other equivalents (however designated) of capital or capital stock of such Person and (B) with respect to any Person that is not a corporation or company, any and all partnership or other equity interests of such Person.

“*Charter*” means, with respect to any Person, its certificate or articles of incorporation, articles of association, or similar organizational document.

“*Charter Amendment*” means the amendments to the Company’s Restated Certificate of Incorporation to reduce the par value of the Common Stock to \$0.000001 per share and increase the number of authorized shares of Common Stock to 19 billion.

“*Common Stock*” has the meaning ascribed to it in the Purchase Agreement.

“*Company*” means the American International Group, Inc.

“*conversion*” has the meaning set forth in Section 13(C).

“*convertible securities*” has the meaning set forth in Section 13(C).

“*Exchange Act*” means the Securities Exchange Act of 1934, as amended, or any successor statute, and the rules and regulations promulgated thereunder.

“*Exercise Price*” means, with respect to this Warrant, initially, \$2.50, and upon the effectiveness of the Charter Amendment, the amended par value per share of Common Stock.

“*Expiration Time*” has the meaning set forth in Section 3.

“*Fair Market Value*” means, with respect to any security or other property, the fair market value of such security or other property as determined by the Board of Directors, acting in good faith or, with respect to Section 14, as determined by the Original Warrantholder acting in good faith. For so long as the Original Warrantholder holds this Warrant or any portion thereof, it may object in writing to the Board of Director’s calculation of fair market value within 10 days of receipt of written notice thereof. If the Original Warrantholder and the Company are unable to agree on fair market value during the 10-day period following the delivery of the Original Warrantholder’s objection, the Appraisal Procedure may be invoked by either party to determine Fair Market Value by delivering written notification thereof not later than the 30th day after delivery of the Original Warrantholder’s objection.

If such security is not listed and traded in a manner that the quotations referred to above are available for the period required hereunder, the Market Price per share of Common Stock shall be deemed to be (i) in the event that any portion of the Warrant is held by the Original Warrantholder, the fair market value per share of such security as determined in good faith by the Original Warrantholder or (ii) in all other circumstances, the fair market value per share of such security as determined in good faith by the Board of Directors in reliance on an opinion of a nationally recognized independent investment banking corporation retained by the Company for this purpose and certified in a resolution to the Warrantholder. end at the next regular scheduled closing time, or if trading is closed at an earlier time, such earlier time (for the avoidance of doubt, and as an example, if the Market Price is to be determined as of the last trading day preceding a specified event and the closing time of trading on a particular day is 4:00 p.m. and the specified event occurs at 5:00 p.m. on that day, the Market Price would be determined by reference to such 4:00 p.m. closing price).

2. Number of Shares; Exercise Price. This certifies that, for value received, the United States Department of the Treasury or its permitted assigns (the “*Warrantholder*”) is entitled, upon the terms and subject to the conditions hereinafter set forth, to acquire from the Company, in whole or in part, after the receipt of all applicable Regulatory Approvals, if any, up to an aggregate of 53,798,766 fully paid and nonassessable shares of Common Stock, at a purchase price per share of Common Stock equal to the Exercise Price. The number of shares of Common Stock (the “*Shares*”) and the Exercise Price are subject to adjustment as provided herein, and all references to “Common Stock,” “Shares” and “Exercise Price” herein shall be deemed to include any such adjustment or series of adjustments.

3. Exercise of Warrant; Term. Subject to Section 2, to the extent permitted by applicable laws and regulations, the right to purchase the Shares represented by this Warrant is exercisable, in whole or in part by the Warrantholder, at any time or from time to time after the execution and delivery of this Warrant by the Company on the date hereof, but in no event later than 5:00 p.m., New York City time on the tenth anniversary of the Issue Date (the "*Expiration Time*"), by (A) the surrender of this Warrant and Notice of Exercise annexed hereto, duly completed and executed on behalf of the Warrantholder, at the principal executive office of the Company located at 70 Pine Street, New York, New York 10270 Attention: Chief Financial Officer (or such other office or agency of the Company in the United States as it may designate by notice in writing to the Warrantholder at the address of the Warrantholder appearing on the books of the Company), and (B) payment of the Exercise Price for the Shares thereby purchased:

(i) by having the Company withhold, from the shares of Common Stock that would otherwise be delivered to the Warrantholder upon such exercise, shares of Common Stock issuable upon exercise of the Warrant equal in value to the aggregate Exercise Price as to which this Warrant is so exercised based on the Market Price of the Common Stock on the trading day on which this Warrant is exercised and the Notice of Exercise is delivered to the Company pursuant to this Section 3, or

(ii) with the consent of both the Company and the Warrantholder, by tendering in cash, by certified or cashier's check payable to the order of the Company, or by wire transfer of immediately available funds to an account designated by the Company.

If the Warrantholder does not exercise this Warrant in its entirety, the Warrantholder will be entitled to receive from the Company within a reasonable time, and in any event not exceeding three business days, a new warrant in substantially identical form for the purchase of that number of Shares equal to the difference between the number of Shares subject to this Warrant and the number of Shares as to which this Warrant is so exercised. Notwithstanding anything in this Warrant to the contrary, the Warrantholder hereby acknowledges and agrees that its exercise of this Warrant for Shares is subject to the condition that the Warrantholder will have first received any applicable Regulatory Approvals.

4. Issuance of Shares; Authorization; Listing. Book-entries representing Shares issued upon exercise of this Warrant will be promptly recorded in such name or names as the Warrantholder may designate. The Company hereby represents and warrants that any Shares issued upon the exercise of this Warrant in accordance with the provisions of Section 3 will be duly and validly authorized and issued, fully paid and nonassessable and free from all taxes, liens and charges (other than liens or charges created by the Warrantholder,

income and franchise taxes incurred in connection with the exercise of the Warrant or taxes in respect of any transfer occurring contemporaneously therewith). The Company agrees that the Shares so issued will be deemed to have been issued to the Warrantholder as of the close of business on the date on which this Warrant and payment of the Exercise Price are delivered to the Company in accordance with the terms of this Warrant, notwithstanding that the stock transfer books of the Company may then be closed. The Company will at all times reserve and keep available, out of its authorized but unissued Common Stock, solely for the purpose of providing for the exercise of this Warrant, the aggregate number of shares of Common Stock then issuable upon exercise of this Warrant at any time. The Company will (A) procure, at its sole expense, the listing of the Shares issuable upon exercise of this Warrant at any time, subject to issuance or notice of issuance, on all principal stock exchanges on which the Common Stock is then listed or traded and (B) maintain such listings of such Shares at all times after issuance. The Company will use reasonable best efforts to ensure that the Shares may be issued without violation of any applicable law or regulation or of any requirement of any securities exchange on which the Shares are listed or traded.

5. No Fractional Shares or Scrip. No fractional Shares or scrip representing fractional Shares shall be issued upon any exercise of this Warrant. In lieu of any fractional Share to which the Warrantholder would otherwise be entitled, the Warrantholder shall be entitled to receive a cash payment equal to the Market Price of the Common Stock on the last trading day preceding the date of exercise less the pro-rated Exercise Price for such fractional share.

6. No Rights as Stockholders; Transfer Books. This Warrant does not entitle the Warrantholder to any voting rights or other rights as a stockholder of the Company prior to the date of exercise hereof. The Company will at no time close its transfer books against transfer of this Warrant in any manner which interferes with the timely exercise of this Warrant.

7. Charges, Taxes and Expenses. Issuance of Shares to the Warrantholder upon the exercise of this Warrant shall be made without charge to the Warrantholder for any issue or transfer tax or other incidental expense in respect of the issuance of such Shares, all of which taxes and expenses shall be paid by the Company.

8. Transfer/Assignment.

(A) Subject to compliance with clause (B) of this Section 8, this Warrant and all rights hereunder are transferable, in whole or in part, upon the books of the Company by the registered holder hereof in person or by duly authorized attorney, and a new warrant shall be made and delivered by the Company, of the same tenor and date as this Warrant but registered in the name of one or more transferees, upon surrender of this Warrant, duly endorsed, to the

office or agency of the Company described in Section 3. All expenses (other than stock transfer taxes) and other charges payable in connection with the preparation, execution and delivery of the new warrants pursuant to this Section 8 shall be paid by the Company.

(B) The transfer of the Warrant and the Shares issued upon exercise of the Warrant are subject to the restrictions set forth in Section 4.4 of the Purchase Agreement. If and for so long as required by the Purchase Agreement, this Warrant shall contain the legends as set forth in Section 4.2(a) of the Purchase Agreement.

9. Exchange and Registry of Warrant. This Warrant is exchangeable, upon the surrender hereof by the Warrantholder to the Company, for a new warrant or warrants of like tenor and representing the right to purchase the same aggregate number of Shares. The Company shall maintain a registry showing the name and address of the Warrantholder as the registered holder of this Warrant. This Warrant may be surrendered for exchange or exercise in accordance with its terms, at the office of the Company, and the Company shall be entitled to rely in all respects, prior to written notice to the contrary, upon such registry.

10. Loss, Theft, Destruction or Mutilation of Warrant. Upon receipt by the Company of evidence reasonably satisfactory to it of the loss, theft, destruction or mutilation of this Warrant, and in the case of any such loss, theft or destruction, upon receipt of a bond, indemnity or security reasonably satisfactory to the Company, or, in the case of any such mutilation, upon surrender and cancellation of this Warrant, the Company shall make and deliver, in lieu of such lost, stolen, destroyed or mutilated Warrant, a new Warrant of like tenor and representing the right to purchase the same aggregate number of Shares as provided for in such lost, stolen, destroyed or mutilated Warrant.

11. Saturdays, Sundays, Holidays, etc. If the last or appointed day for the taking of any action or the expiration of any right required or granted herein shall not be a business day, then such action may be taken or such right may be exercised on the next succeeding day that is a business day.

12. Rule 144 Information. The Company covenants that it will use its reasonable best efforts to timely file all reports and other documents required to be filed by it under the Securities Act and the Exchange Act and the rules and regulations promulgated by the SEC thereunder (or, if the Company is not required to file such reports, it will, upon the request of any Warrantholder, make publicly available such information as necessary to permit sales pursuant to Rule 144 under the Securities Act), and it will use reasonable best efforts to take such further action as any Warrantholder may reasonably request, in each case to the extent required from time to time to enable such holder to, if permitted by the terms of this Warrant and the Purchase Agreement, sell this Warrant without

registration under the Securities Act within the limitation of the exemptions provided by (A) Rule 144 under the Securities Act, as such rule may be amended from time to time, or (B) any successor rule or regulation hereafter adopted by the SEC. Upon the written request of any Warrantholder, the Company will deliver to such Warrantholder a written statement that it has complied with such requirements.

13. Adjustments and Other Rights. The Exercise Price and the number of Shares issuable upon exercise of this Warrant shall be subject to adjustment from time to time as follows; *provided*, that if more than one subsection of this Section 13 is applicable to a single event, the subsection shall be applied that produces the largest adjustment and no single event shall cause an adjustment under more than one subsection of this Section 13 so as to result in duplication:

(A) Charter Amendment. Upon the effectiveness of the Charter Amendment, the Exercise Price shall be adjusted from its initial value of \$2.50 to the amended par value per share of Common Stock.

(B) Stock Splits, Subdivisions, Reclassifications or Combinations. If the Company shall (i) declare and pay a dividend or make a distribution on its Common Stock in shares of Common Stock, (ii) subdivide or reclassify the outstanding shares of Common Stock into a greater number of shares, or (iii) combine or reclassify the outstanding shares of Common Stock into a smaller number of shares, the number of Shares issuable upon exercise of this Warrant at the time of the record date for such dividend or distribution or the effective date of such subdivision, combination or reclassification shall be proportionately adjusted so that the Warrantholder after such date shall be entitled to purchase the number of shares of Common Stock which such holder would have owned or been entitled to receive in respect of the shares of Common Stock subject to this Warrant after such date had this Warrant been exercised immediately prior to such date. In such event, the Exercise Price in effect at the time of the record date for such dividend or distribution or the effective date of such subdivision, combination or reclassification shall be adjusted to the number obtained by dividing (x) the product of (1) the number of Shares issuable upon the exercise of this Warrant before such adjustment and (2) the Exercise Price in effect immediately prior to the record or effective date, as the case may be, for the dividend, distribution, subdivision, combination or reclassification giving rise to this adjustment by (y) the new number of Shares issuable upon exercise of the Warrant determined pursuant to the immediately preceding sentence.

(C) Certain Issuances of Common Shares or Convertible Securities. Until the earlier of (i) the date on which the Original Warrantholder no longer holds this Warrant or any portion thereof and (ii) the third anniversary of the Issue Date, if the Company shall issue shares of Common Stock (or rights or warrants or other securities exercisable or convertible into or exchangeable (collectively, a

“conversion”) for shares of Common Stock) (collectively, “convertible securities”) (other than in Permitted Transactions (as defined below) or a transaction to which subsection (B) of this Section 13 is applicable) without consideration or at a consideration per share (or having a conversion price per share) that is less than 90% of the Market Price on the last trading day preceding the date of the agreement on pricing such shares (or such convertible securities) then, in such event:

(A) the number of Shares issuable upon the exercise of this Warrant immediately prior to the date of the agreement on pricing of such shares (or of such convertible securities) (the “Initial Number”) shall be increased to the number obtained by multiplying the Initial Number by a fraction (A) the numerator of which shall be the sum of (x) the number of shares of Common Stock of the Company outstanding on such date and (y) the number of additional shares of Common Stock issued (or into which convertible securities may be exercised or convert) and (B) the denominator of which shall be the sum of (I) the number of shares of Common Stock outstanding on such date and (II) the number of shares of Common Stock which the aggregate consideration receivable by the Company for the total number of shares of Common Stock so issued (or into which convertible securities may be exercised or convert) would purchase at the Market Price on the last trading day preceding the date of the agreement on pricing such shares (or such convertible securities); and

(B) the Exercise Price payable upon exercise of the Warrant shall be adjusted by multiplying such Exercise Price in effect immediately prior to the date of the agreement on pricing of such shares (or of such convertible securities) by a fraction, the numerator of which shall be the number of shares of Common Stock issuable upon exercise of this Warrant prior to such date and the denominator of which shall be the number of shares of Common Stock issuable upon exercise of this Warrant immediately after the adjustment described in clause (A) above.

For purposes of the foregoing, the aggregate consideration receivable by the Company in connection with the issuance of such shares of Common Stock or convertible securities shall be deemed to be equal to the sum of the net offering price (including the Fair Market Value of any non-cash consideration and after deduction of any related expenses payable to third parties) of all such securities plus the minimum aggregate amount, if any, payable upon exercise or conversion of any such convertible securities into shares of Common Stock; and “Permitted Transactions” shall mean issuances (i) as consideration for or to fund the acquisition of businesses and/or related assets, (ii) in connection with employee benefit plans and compensation related arrangements in the ordinary course and consistent with past practice approved by the Board of Directors, (iii) in connection with a public or broadly marketed offering and sale of Common Stock

or convertible securities for cash conducted by the Company or its affiliates pursuant to registration under the Securities Act or Rule 144A thereunder on a basis consistent with capital raising transactions by comparable financial institutions and (iv) in connection with the exercise of preemptive rights on terms existing as of the Issue Date. Any adjustment made pursuant to this Section 13(C) shall become effective immediately upon the date of such issuance.

(D) Other Distributions. In case the Company shall fix a record date for the making of a distribution to all holders of shares of its Common Stock of securities, evidences of indebtedness, assets, cash, rights or warrants (excluding dividends of its Common Stock and other dividends or distributions referred to in Section 13(B)), in each such case, the Exercise Price in effect prior to such record date shall be reduced immediately thereafter to the price determined by multiplying the Exercise Price in effect immediately prior to the reduction by the quotient of (x) the Market Price of the Common Stock on the last trading day preceding the first date on which the Common Stock trades regular way on the principal national securities exchange on which the Common Stock is listed or admitted to trading without the right to receive such distribution, minus the amount of cash and/or the Fair Market Value of the securities, evidences of indebtedness, assets, rights or warrants to be so distributed in respect of one share of Common Stock (such amount and/or Fair Market Value, the "*Per Share Fair Market Value*") divided by (y) such Market Price on such date specified in clause (x); such adjustment shall be made successively whenever such a record date is fixed. In such event, the number of Shares issuable upon the exercise of this Warrant shall be increased to the number obtained by dividing (x) the product of (1) the number of Shares issuable upon the exercise of this Warrant before such adjustment, and (2) the Exercise Price in effect immediately prior to the distribution giving rise to this adjustment by (y) the new Exercise Price determined in accordance with the immediately preceding sentence. In the event that such distribution is not so made, the Exercise Price and the number of Shares issuable upon exercise of this Warrant then in effect shall be readjusted, effective as of the date when the Board of Directors determines not to distribute such shares, evidences of indebtedness, assets, rights, cash or warrants, as the case may be, to the Exercise Price that would then be in effect and the number of Shares that would then be issuable upon exercise of this Warrant if such record date had not been fixed.

(E) Certain Repurchases of Common Stock. In case the Company effects a Pro Rata Repurchase of Common Stock, then the Exercise Price shall be reduced to the price determined by multiplying the Exercise Price in effect immediately prior to the Effective Date of such Pro Rata Repurchase by a fraction of which the numerator shall be (i) the product of (x) the number of shares of Common Stock outstanding immediately before such Pro Rata Repurchase and (y) the Market Price of a share of Common Stock on the trading day immediately preceding the first public announcement by the Company or any of its Affiliates

of the intent to effect such Pro Rata Repurchase, minus (ii) the aggregate purchase price of the Pro Rata Repurchase, and of which the denominator shall be the product of (i) the number of shares of Common Stock outstanding immediately prior to such Pro Rata Repurchase minus the number of shares of Common Stock so repurchased and (ii) the Market Price per share of Common Stock on the trading day immediately preceding the first public announcement by the Company or any of its Affiliates of the intent to effect such Pro Rata Repurchase. In such event, the number of shares of Common Stock issuable upon the exercise of this Warrant shall be increased to the number obtained by dividing (x) the product of (1) the number of Shares issuable upon the exercise of this Warrant before such adjustment, and (2) the Exercise Price in effect immediately prior to the Pro Rata Repurchase giving rise to this adjustment by (y) the new Exercise Price determined in accordance with the immediately preceding sentence. For the avoidance of doubt, no increase to the Exercise Price or decrease in the number of Shares issuable upon exercise of this Warrant shall be made pursuant to this Section 13(E).

(F) Business Combinations. In case of any Business Combination or reclassification of Common Stock (other than a reclassification of Common Stock referred to in Section 13(B)), the Warranholder's right to receive Shares upon exercise of this Warrant shall be converted into the right to exercise this Warrant to acquire the number of shares of stock or other securities or property (including cash) which the Common Stock issuable (at the time of such Business Combination or reclassification) upon exercise of this Warrant immediately prior to such Business Combination or reclassification would have been entitled to receive upon consummation of such Business Combination or reclassification; and in any such case, if necessary, the provisions set forth herein with respect to the rights and interests thereafter of the Warranholder shall be appropriately adjusted so as to be applicable, as nearly as may reasonably be, to the Warranholder's right to exercise this Warrant in exchange for any shares of stock or other securities or property pursuant to this paragraph. In determining the kind and amount of stock, securities or the property receivable upon exercise of this Warrant following the consummation of such Business Combination, if the holders of Common Stock have the right to elect the kind or amount of consideration receivable upon consummation of such Business Combination, then the consideration that the Warranholder shall be entitled to receive upon exercise shall be deemed to be the types and amounts of consideration received by the majority of all holders of the shares of Common Stock that affirmatively make an election (or of all such holders if none make an election).

(G) Rounding of Calculations; Minimum Adjustments. All calculations under this Section 13 shall be made to the nearest one-tenth (1/10th) of a cent or to the nearest one-hundredth (1/100th) of a share, as the case may be. Any provision of this Section 13 to the contrary notwithstanding, no adjustment in the Exercise Price or the number of Shares into which this Warrant is exercisable

shall be made if the amount of such adjustment would be less than \$0.01 or one-tenth (1/10th) of a share of Common Stock, but any such amount shall be carried forward and an adjustment with respect thereto shall be made at the time of and together with any subsequent adjustment which, together with such amount and any other amount or amounts so carried forward, shall aggregate \$0.01 or 1/10th of a share of Common Stock, or more.

(H) Timing of Issuance of Additional Common Stock Upon Certain Adjustments. In any case in which the provisions of this Section 13 shall require that an adjustment shall become effective immediately after a record date for an event, the Company may defer until the occurrence of such event (i) issuing to the Warrantholder of this Warrant exercised after such record date and before the occurrence of such event the additional shares of Common Stock issuable upon such exercise by reason of the adjustment required by such event over and above the shares of Common Stock issuable upon such exercise before giving effect to such adjustment and (ii) paying to such Warrantholder any amount of cash in lieu of a fractional share of Common Stock; *provided, however*, that the Company upon request shall deliver to such Warrantholder a due bill or other appropriate instrument evidencing such Warrantholder's right to receive such additional shares, and such cash, upon the occurrence of the event requiring such adjustment.

(I) Other Events. For so long as the Original Warrantholder holds this Warrant or any portion thereof, if any event occurs as to which the provisions of this Section 13 are not strictly applicable or, if strictly applicable, would not, in the good faith judgment of the Board of Directors of the Company, fairly and adequately protect the purchase rights of the Warrants in accordance with the essential intent and principles of such provisions, then the Board of Directors shall make such adjustments in the application of such provisions, in accordance with such essential intent and principles, as shall be reasonably necessary, in the good faith opinion of the Board of Directors, to protect such purchase rights as aforesaid. The Exercise Price and the number of Shares into which this Warrant is exercisable shall not be adjusted in the event of a change in the par value of the Common Stock (other than pursuant to the Charter Amendment) or a change in the jurisdiction of incorporation of the Company.

(J) Statement Regarding Adjustments. Whenever the Exercise Price or the number of Shares into which this Warrant is exercisable shall be adjusted as provided in Section 13, the Company shall forthwith file at the principal office of the Company a statement showing in reasonable detail the facts requiring such adjustment and the Exercise Price that shall be in effect and the number of Shares into which this Warrant shall be exercisable after such adjustment, and the Company shall also cause a copy of such statement to be sent by mail, first class postage prepaid, to each Warrantholder at the address appearing in the Company's records.

(K) Notice of Adjustment Event. In the event that the Company shall propose to take any action of the type described in this Section 13 (but only if the action of the type described in this Section 13 would result in an adjustment in the Exercise Price or the number of Shares into which this Warrant is exercisable or a change in the type of securities or property to be delivered upon exercise of this Warrant), the Company shall give notice to the Warrantholder, in the manner set forth in Section 13(J), which notice shall specify the record date, if any, with respect to any such action and the approximate date on which such action is to take place. Such notice shall also set forth the facts with respect thereto as shall be reasonably necessary to indicate the effect on the Exercise Price and the number, kind or class of shares or other securities or property which shall be deliverable upon exercise of this Warrant. In the case of any action which would require the fixing of a record date, such notice shall be given at least 10 days prior to the date so fixed, and in case of all other action, such notice shall be given at least 15 days prior to the taking of such proposed action. Failure to give such notice, or any defect therein, shall not affect the legality or validity of any such action.

(L) Proceedings Prior to Any Action Requiring Adjustment. As a condition precedent to the taking of any action which would require an adjustment pursuant to this Section 13, the Company shall take any action which may be necessary, including obtaining regulatory, New York Stock Exchange or stockholder approvals or exemptions, in order that the Company may thereafter validly and legally issue as fully paid and nonassessable all shares of Common Stock that the Warrantholder is entitled to receive upon exercise of this Warrant pursuant to this Section 13.

(M) Adjustment Rules. Any adjustments pursuant to this Section 13 shall be made successively whenever an event referred to herein shall occur. If an adjustment in Exercise Price made hereunder would reduce the Exercise Price to an amount below par value of the Common Stock, then such adjustment in Exercise Price made hereunder shall reduce the Exercise Price to the par value of the Common Stock.

14. Exchange. At any time following the date on which the shares of Common Stock of the Company are no longer listed or admitted to trading on a national securities exchange (other than in connection with any Business Combination), the Original Warrantholder may cause the Company to exchange all or a portion of this Warrant for an economic interest (to be determined by the Original Warrantholder after consultation with the Company) of the Company classified as permanent equity under U.S. GAAP having a value equal to the Fair Market Value of the portion of the Warrant so exchanged. The Original Warrantholder shall calculate any Fair Market Value required to be calculated pursuant to this Section 14, which shall not be subject to the Appraisal Procedure.

15. **No Impairment.** The Company will not, by amendment of its Charter or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder by the Company, but will at all times in good faith assist in the carrying out of all the provisions of this Warrant and in taking of all such action as may be necessary or appropriate in order to protect the rights of the Warrantholder.

16. **Governing Law.** This Warrant, and the rights and obligations of the parties hereunder, shall be governed by, and construed and interpreted in accordance with, United States federal law and not the law of any State. To the extent that a court looks to the laws of any State to determine or define the United States federal law, it is the intention of the parties hereto that such court shall look only to the laws of the State of New York without regard to the rules of conflicts of laws. Each of the Company and the Warrantholder agrees (a) to submit to the exclusive jurisdiction and venue of the United States District Court for the District of Columbia for any action, suit or proceeding arising out of or relating to this Warrant or the transactions contemplated hereby, and (b) that notice may be served upon the Company at the address in Section 20 below and upon the Warrantholder at the address for the Warrantholder set forth in the registry maintained by the Company pursuant to Section 9 hereof. To the extent permitted by applicable law, each of the Company and the Warrantholder hereby unconditionally waives trial by jury in any legal action or proceeding relating to the Warrant or the transactions contemplated hereby or thereby.

17. **Binding Effect.** This Warrant shall be binding upon any successors or assigns of the Company.

18. **Amendments.** This Warrant may be amended and the observance of any term of this Warrant may be waived only with the written consent of the Company and the Warrantholder.

19. **Prohibited Actions.** The Company agrees that it will not take any action which would entitle the Warrantholder to an adjustment of the Exercise Price if the total number of shares of Common Stock issuable after such action upon exercise of this Warrant, together with all shares of Common Stock then outstanding and all shares of Common Stock then issuable upon the exercise of all outstanding options, warrants, conversion and other rights, would exceed the total number of shares of Common Stock then authorized by its Charter.

20. **Notices.** Any notice, request, instruction or other document to be given hereunder by any party to the other will be in writing and will be deemed to have been duly given (a) on the date of delivery if delivered personally, or by

facsimile, upon confirmation of receipt, or (b) on the second business day following the date of dispatch if delivered by a recognized next day courier service. All notices hereunder shall be delivered as set forth below, or pursuant to such other instructions as may be designated in writing by the party to receive such notice.

In consideration for the benefits that it will receive as a result of its participation in the United States Department of the Treasury's Programs for Systemically Significant Failing Institutions (as set forth in Notice 2008-PSSFI) and any other economic stabilization program implemented by the Department of the Treasury under the Emergency Economic Stabilization Act of 2008 (the "EESA") either prior to or subsequent to the date of this letter (any such program, including the Programs for Systemically Significant Failing Institutions, an "EESA Program"), American International Group, Inc.
