WHEREAS, the Company agrees to expand the flow of credit to U.S. consumers and businesses on competitive terms to promote the sustained growth and vitality of the U.S. economy;

WHEREAS, the Company agrees to work diligently, under existing programs, to modify the terms of residential mortgages as appropriate to strengthen the health of the U.S. housing market;

WHEREAS, the Company intends to issue in a private placement the number of shares of the series of its Preferred Stock (“Preferred Stock”) set forth on Schedule A to the Letter Agreement (the “Preferred Shares”) and a warrant to purchase the number of shares of its Common Stock (“Common Stock”) set forth on Schedule A to the Letter Agreement (the “Initial Warrant Shares”) (the “Warrant” and, together with the Preferred Shares, the “Purchased Securities”) and the Investor intends to purchase (the “Purchase”) from the Company the Purchased Securities; and

WHEREAS, the Purchase will be governed by this Securities Purchase Agreement – Standard Terms and the Letter Agreement, including the schedules thereto (the “Schedules”), specifying additional terms of the Purchase. This Securities Purchase Agreement – Standard Terms (including the Annexes hereto) and the Letter Agreement (including the Schedules thereto) are together referred to as this “Agreement”. All references in this Securities Purchase Agreement – Standard Terms to “Schedules” are to the Schedules attached to the Letter Agreement.

NOW, THEREFORE, in consideration of the premises, and of the representations, warranties, covenants and agreements set forth herein, the parties agree as follows:

Article I Purchase; Closing

1.1 Purchase. On the terms and subject to the conditions set forth in this Agreement, the Company agrees to sell to the Investor, and the Investor agrees to purchase from the Company, at the Closing (as hereinafter defined), the Purchased Securities for the price set forth on Schedule A (the “Purchase Price”).

1.2 Closing.

(a) On the terms and subject to the conditions set forth in this Agreement, the closing of the Purchase (the "*Closing*") will take place at the location specified in Schedule A, at the time and on the date set forth in Schedule A or as soon as practicable thereafter, or at such other place, time and date as shall be agreed between the Company and the Investor. The time and date on which the Closing occurs is referred to in this Agreement as the "*Closing Date*".

(b) Subject to the fulfillment or waiver of the conditions to the Closing in this Section 1.2, at the Closing the Company will deliver the Preferred Shares and the Warrant, in each case as evidenced by one or more certificates dated the Closing Date and bearing appropriate legends as hereinafter provided for, in exchange for payment in full of the Purchase Price by wire transfer of immediately available United States funds to a bank account designated by the Company on Schedule A.

(c) The respective obligations of each of the Investor and the Company to consummate the Purchase are subject to the fulfillment (or waiver by the Investor and the Company, as applicable) prior to the Closing of the conditions that (i) any approvals or authorizations of all United States and other governmental, regulatory or judicial authorities (collectively, "*Governmental Entities*") required for the consummation of the Purchase shall have been obtained or made in form and substance reasonably satisfactory to each party and shall be in full force and effect and all waiting periods required by United States and other applicable law, if any, shall have expired and (ii) no provision of any applicable United States or other law and no judgment, injunction, order or decree of any Governmental Entity shall prohibit the purchase and sale of the Purchased Securities as contemplated by this Agreement.

(d) The obligation of the Investor to consummate the Purchase is also subject to the fulfillment (or waiver by the Investor) at or prior to the Closing of each of the following conditions:

(i) (A) the representations and warranties of the Company set forth in (x) Section 2.2(g) of this Agreement shall be true and correct in all respects as though made on and as of the Closing Date, (y) Sections 2.2(a) through (f) shall be true and correct in all material respects as though made on and as of the Closing Date (other than representations and warranties that by their terms speak as of another date, which representations and warranties shall be true and correct in all material respects as of such other date) and (z) Sections 2.2(h) through (v) (disregarding all qualifications or limitations set forth in such representations and warranties as to "materiality", "Company Material Adverse Effect" and words of similar import) shall be true and correct as though made on and as of the Closing Date (other than representations and warranties that by their terms speak as of another date, which representations and warranties shall be true and correct as of such other date), except to the extent that the failure of such representations and warranties referred to in this Section 1.2(d)(i)(A)(z) to be so true and correct, individually or in the aggregate, does not have and would not reasonably be expected to have a Company Material Adverse Effect and (B) the Company shall have

performed in all material respects all obligations required to be performed by it under this Agreement at or prior to the Closing;

(ii) the Investor shall have received a certificate signed on behalf of the Company by a senior executive officer certifying to the effect that the conditions set forth in Section 1.2(d)(i) have been satisfied;

(iii) the Company shall have duly adopted and filed with the Secretary of State of its jurisdiction of organization or other applicable Governmental Entity the amendment to its certificate or articles of incorporation, articles of association, or similar organizational document ("*Charter*") in substantially the form attached hereto as Annex A (the "*Certificate of Designations*") and such filing shall have been accepted;

(iv) (A) the Company shall have effected such changes to its compensation, bonus, incentive and other benefit plans, arrangements and agreements (including golden parachute, severance and employment agreements) (collectively, "*Benefit Plans*") with respect to its Senior Executive Officers (and to the extent necessary for such changes to be legally enforceable, each of its Senior Executive Officers shall have duly consented in writing to such changes), as may be necessary, during the period that the Investor owns any debt or equity securities of the Company acquired pursuant to this Agreement or the Warrant, in order to comply with Section 111(b) of the Emergency Economic Stabilization Act of 2008 ("*EESA*") as implemented by guidance or regulation thereunder that has been issued and is in effect as of the Closing Date, and (B) the Investor shall have received a certificate signed on behalf of the Company by a senior executive officer certifying to the effect that the condition set forth in Section 1.2(d)(iv)(A) has been satisfied;

(v) each of the Company's Senior Executive Officers shall have delivered to the Investor a written waiver in the form attached hereto as Annex B releasing the Investor from any claims that such Senior Executive Officers may otherwise have as a result of the issuance, on or prior to the Closing Date, of any regulations which require the modification of, and the agreement of the Company hereunder to modify, the terms of any Benefit Plans with respect to its Senior Executive Officers to eliminate any provisions of such Benefit Plans that would not be in compliance with the requirements of Section 111(b) of the EESA as implemented by guidance or regulation thereunder that has been issued and is in effect as of the Closing Date;

(vi) the Company shall have delivered to the Investor a written opinion from counsel to the Company (which may be internal counsel), addressed to the Investor and dated as of the Closing Date, in substantially the form attached hereto as Annex C;

(vii) the Company shall have delivered certificates in proper form or, with the prior consent of the Investor, evidence of shares in book-entry form, evidencing the Preferred Shares to Investor or its designee(s); and

(viii) the Company shall have duly executed the Warrant in substantially the form attached hereto as Annex D and delivered such executed Warrant to the Investor or its designee(s).

1.3 Interpretation. When a reference is made in this Agreement to “Recitals,” “Articles,” “Sections,” or “Annexes” such reference shall be to a Recital, Article or Section of, or Annex to, this Securities Purchase Agreement – Standard Terms, and a reference to “Schedules” shall be to a Schedule to the Letter Agreement, in each case, unless otherwise indicated. The terms defined in the singular have a comparable meaning when used in the plural, and vice versa. References to “herein”, “hereof”, “hereunder” and the like refer to this Agreement as a whole and not to any particular section or provision, unless the context requires otherwise. The table of contents and headings contained in this Agreement are for reference purposes only and are not part of this Agreement. Whenever the words “include,” “includes” or “including” are used in this Agreement, they shall be deemed followed by the words “without limitation.” No rule of construction against the draftsman shall be applied in connection with the interpretation or enforcement of this Agreement, as this Agreement is the product of negotiation between sophisticated parties advised by counsel. All references to “\$” or “dollars” mean the lawful currency of the United States of America. Except as expressly stated in this Agreement, all references to any statute, rule or regulation are to the statute, rule or regulation as amended, modified, supplemented or replaced from time to time (and, in the case of statutes, include any rules and regulations promulgated under the statute) and to any section of any statute, rule or regulation include any successor to the section. References to a “*business day*” shall mean any day except Saturday, Sunday and any day on which banking institutions in the State of New York generally are authorized or required by law or other governmental actions to close.

Article II Representations and Warranties

2.1 Disclosure.

(a) “*Company Material Adverse Effect*” means a material adverse effect on (i) the business, results of operation or financial condition of the Company and its consolidated subsidiaries taken as a whole; *provided, however*, that Company Material Adverse Effect shall not be deemed to include the effects of (A) changes after the date of the Letter Agreement (the “*Signing Date*”) in general business, economic or market conditions (including changes generally in prevailing interest rates, credit availability and liquidity, currency exchange rates and price levels or trading volumes in the United States or foreign securities or credit markets), or any outbreak or escalation of hostilities, declared or undeclared acts of war or terrorism, in each case generally affecting the industries in which the Company and its subsidiaries operate, (B) changes or proposed changes after the Signing Date in generally accepted accounting principles in the United States (“*GAAP*”) or regulatory accounting requirements, or authoritative interpretations thereof, (C) changes or proposed changes after the Signing Date in securities, banking and other laws of general applicability or related policies or interpretations of Governmental Entities (in the case of each of these clauses (A), (B) and (C), other than changes

or occurrences to the extent that such changes or occurrences have or would reasonably be expected to have a materially disproportionate adverse effect on the Company and its consolidated subsidiaries taken as a whole relative to comparable U.S. banking or financial services organizations), or (D) changes in the market price or trading volume of the Common Stock or any other equity, equity-related or debt securities of the Company or its consolidated subsidiaries (it being understood and agreed that the exception set forth in this clause (D) does not apply to the underlying reason giving rise to or contributing to any such change); or (ii) the ability of the Company to consummate the Purchase and the other transactions contemplated by this Agreement and the Warrant and perform its obligations hereunder or thereunder on a timely basis.

(b) *“Previously Disclosed”* means information set forth or incorporated in the Company’s Annual Report on Form 10-K for the most recently completed fiscal year of the Company filed with the Securities and Exchange Commission (the “SEC”) prior to the Signing Date (the “*Last Fiscal Year*”) or in its other reports and forms filed with or furnished to the SEC under Sections 13(a), 14(a) or 15(d) of the Securities Exchange Act of 1934 (the “*Exchange Act*”) on or after the last day of the Last Fiscal Year and prior to the Signing Date.

2.2 Representations and Warranties of the Company. Except as Previously Disclosed, the Company represents and warrants to the Investor that as of the Signing Date and as of the Closing Date (or such other date specified herein):

(a) Organization, Authority and Significant Subsidiaries. The Company has been duly incorporated and is validly existing and in good standing under the laws of its jurisdiction of organization, with the necessary power and authority to own its properties and conduct its business in all material respects as currently conducted, and except as has not, individually or in the aggregate, had and would not reasonably be expected to have a Company Material Adverse Effect, has been duly qualified as a foreign corporation for the transaction of business and is in good standing under the laws of each other jurisdiction in which it owns or leases properties or conducts any business so as to require such qualification; each subsidiary of the Company that is a “significant subsidiary” within the meaning of Rule 1-02(w) of Regulation S-X under the Securities Act of 1933 (the “*Securities Act*”) has been duly organized and is validly existing in good standing under the laws of its jurisdiction of organization. The Charter and bylaws of the Company, copies of which have been provided to the Investor prior to the Signing Date, are true, complete and correct copies of such documents as in full force and effect as of the Signing Date.

(b) Capitalization. The authorized capital stock of the Company, and the outstanding capital stock of the Company (including securities convertible into, or exercisable or exchangeable for, capital stock of the Company) as of the most recent fiscal month-end preceding the Signing Date (the “*Capitalization Date*”) is set forth on Schedule B. The outstanding shares of capital stock of the Company have been duly authorized and are validly issued and outstanding, fully paid and nonassessable, and subject to no preemptive rights (and were not issued in violation of any preemptive rights). Except as provided in the Warrant, as of the Signing Date, the Company does not have outstanding any securities or other obligations providing the holder the right to acquire Common Stock that is not reserved for issuance as

specified on Schedule B, and the Company has not made any other commitment to authorize, issue or sell any Common Stock. Since the Capitalization Date, the Company has not issued any shares of Common Stock, other than (i) shares issued upon the exercise of stock options or delivered under other equity-based awards or other convertible securities or warrants which were issued and outstanding on the Capitalization Date and disclosed on Schedule B and (ii) shares disclosed on Schedule B.

(c) Preferred Shares. The Preferred Shares have been duly and validly authorized, and, when issued and delivered pursuant to this Agreement, such Preferred Shares will be duly and validly issued and fully paid and non-assessable, will not be issued in violation of any preemptive rights, and will rank *pari passu* with or senior to all other series or classes of Preferred Stock, whether or not issued or outstanding, with respect to the payment of dividends and the distribution of assets in the event of any dissolution, liquidation or winding up of the Company.

(d) The Warrant and Warrant Shares. The Warrant has been duly authorized and, when executed and delivered as contemplated hereby, will constitute a valid and legally binding obligation of the Company enforceable against the Company in accordance with its terms, except as the same may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and general equitable principles, regardless of whether such enforceability is considered in a proceeding at law or in equity ("*Bankruptcy Exceptions*"). The shares of Common Stock issuable upon exercise of the Warrant (the "*Warrant Shares*") have been duly authorized and reserved for issuance upon exercise of the Warrant and when so issued in accordance with the terms of the Warrant will be validly issued, fully paid and non-assessable, subject, if applicable, to the approvals of its stockholders set forth on Schedule C.

(e) Authorization, Enforceability.

(i) The Company has the corporate power and authority to execute and deliver this Agreement and the Warrant and, subject, if applicable, to the approvals of its stockholders set forth on Schedule C, to carry out its obligations hereunder and thereunder (which includes the issuance of the Preferred Shares, Warrant and Warrant Shares). The execution, delivery and performance by the Company of this Agreement and the Warrant and the consummation of the transactions contemplated hereby and thereby have been duly authorized by all necessary corporate action on the part of the Company and its stockholders, and no further approval or authorization is required on the part of the Company, subject, in each case, if applicable, to the approvals of its stockholders set forth on Schedule C. This Agreement is a valid and binding obligation of the Company enforceable against the Company in accordance with its terms, subject to the Bankruptcy Exceptions.

(ii) The execution, delivery and performance by the Company of this Agreement and the Warrant and the consummation of the transactions contemplated hereby and thereby and compliance by the Company with the provisions hereof and

thereof, will not (A) violate, conflict with, or result in a breach of any provision of, or constitute a default (or an event which, with notice or lapse of time or both, would constitute a default) under, or result in the termination of, or accelerate the performance required by, or result in a right of termination or acceleration of, or result in the creation of, any lien, security interest, charge or encumbrance upon any of the properties or assets of the Company or any Company Subsidiary under any of the terms, conditions or provisions of (i) subject, if applicable, to the approvals of the Company's stockholders set forth on Schedule C, its organizational documents or (ii) any note, bond, mortgage, indenture, deed of trust, license, lease, agreement or other instrument or obligation to which the Company or any Company Subsidiary is a party or by which it or any Company Subsidiary may be bound, or to which the Company or any Company Subsidiary or any of the properties or assets of the Company or any Company Subsidiary may be subject, or (B) subject to compliance with the statutes and regulations referred to in the next paragraph, violate any statute, rule or regulation or any judgment, ruling, order, writ, injunction or decree applicable to the Company or any Company Subsidiary or any of their respective properties or assets except, in the case of clauses (A)(ii) and (B), for those occurrences that, individually or in the aggregate, have not had and would not reasonably be expected to have a Company Material Adverse Effect.

(iii) Other than the filing of the Certificate of Designations with the Secretary of State of its jurisdiction of organization or other applicable Governmental Entity, any current report on Form 8-K required to be filed with the SEC, such filings and approvals as are required to be made or obtained under any state "blue sky" laws, the filing of any proxy statement contemplated by Section 3.1 and such as have been made or obtained, no notice to, filing with, exemption or review by, or authorization, consent or approval of, any Governmental Entity is required to be made or obtained by the Company in connection with the consummation by the Company of the Purchase except for any such notices, filings, exemptions, reviews, authorizations, consents and approvals the failure of which to make or obtain would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect.

(f) Anti-takeover Provisions and Rights Plan. The Board of Directors of the Company (the "*Board of Directors*") has taken all necessary action to ensure that the transactions contemplated by this Agreement and the Warrant and the consummation of the transactions contemplated hereby and thereby, including the exercise of the Warrant in accordance with its terms, will be exempt from any anti-takeover or similar provisions of the Company's Charter and bylaws, and any other provisions of any applicable "moratorium", "control share", "fair price", "interested stockholder" or other anti-takeover laws and regulations of any jurisdiction. The Company has taken all actions necessary to render any stockholders' rights plan of the Company inapplicable to this Agreement and the Warrant and the consummation of the transactions contemplated hereby and thereby, including the exercise of the Warrant by the Investor in accordance with its terms.

(g) No Company Material Adverse Effect. Since the last day of the last completed fiscal period for which the Company has filed a Quarterly Report on Form 10-Q or an Annual

Report on Form 10-K with the SEC prior to the Signing Date, no fact, circumstance, event, change, occurrence, condition or development has occurred that, individually or in the aggregate, has had or would reasonably be expected to have a Company Material Adverse Effect.

(h) Company Financial Statements. Each of the consolidated financial statements of the Company and its consolidated subsidiaries (collectively the "*Company Financial Statements*") included or incorporated by reference in the Company Reports filed with the SEC since December 31, 2006, present fairly in all material respects the consolidated financial position of the Company and its consolidated subsidiaries as of the dates indicated therein (or if amended prior to the Signing Date, as of the date of such amendment) and the consolidated results of their operations for the periods specified therein; and except as stated therein, such financial statements (A) were prepared in conformity with GAAP applied on a consistent basis (except as may be noted therein), (B) have been prepared from, and are in accordance with, the books and records of the Company and the Company Subsidiaries and (C) complied as to form, as of their respective dates of filing with the SEC, in all material respects with the applicable accounting requirements and with the published rules and regulations of the SEC with respect thereto.

(i) Reports.

(i) Since December 31, 2006, the Company and each subsidiary of the Company (each a "*Company Subsidiary*" and, collectively, the "*Company Subsidiaries*") has timely filed all reports, registrations, documents, filings, statements and submissions, together with any amendments thereto, that it was required to file with any Governmental Entity (the foregoing, collectively, the "*Company Reports*") and has paid all fees and assessments due and payable in connection therewith, except, in each case, as would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect. As of their respective dates of filing, the Company Reports complied in all material respects with all statutes and applicable rules and regulations of the applicable Governmental Entities. In the case of each such Company Report filed with or furnished to the SEC, such Company Report (A) did not, as of its date or if amended prior to the Signing Date, as of the date of such amendment, contain an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading, and (B) complied as to form in all material respects with the applicable requirements of the Securities Act and the Exchange Act. With respect to all other Company Reports, the Company Reports were complete and accurate in all material respects as of their respective dates. No executive officer of the Company or any Company Subsidiary has failed in any respect to make the certifications required of him or her under Section 302 or 906 of the Sarbanes-Oxley Act of 2002.

(ii) The records, systems, controls, data and information of the Company and the Company Subsidiaries are recorded, stored, maintained and operated under means (including any electronic, mechanical or photographic process, whether computerized or not) that are under the exclusive ownership and direct control of the Company or the

Company Subsidiaries or their accountants (including all means of access thereto and therefrom), except for any non-exclusive ownership and non-direct control that would not reasonably be expected to have a material adverse effect on the system of internal accounting controls described below in this Section 2.2(i)(ii). The Company (A) has implemented and maintains disclosure controls and procedures (as defined in Rule 13a-15(e) of the Exchange Act) to ensure that material information relating to the Company, including the consolidated Company Subsidiaries, is made known to the chief executive officer and the chief financial officer of the Company by others within those entities, and (B) has disclosed, based on its most recent evaluation prior to the Signing Date, to the Company's outside auditors and the audit committee of the Board of Directors (x) any significant deficiencies and material weaknesses in the design or operation of internal controls over financial reporting (as defined in Rule 13a-15(f) of the Exchange Act) that are reasonably likely to adversely affect the Company's ability to record, process, summarize and report financial information and (y) any fraud, whether or not material, that involves management or other employees who have a significant role in the Company's internal controls over financial reporting.

(j) No Undisclosed Liabilities. Neither the Company nor any of the Company Subsidiaries has any liabilities or obligations of any nature (absolute, accrued, contingent or otherwise) which are not properly reflected or reserved against in the Company Financial Statements to the extent required to be so reflected or reserved against in accordance with GAAP, except for (A) liabilities that have arisen since the last fiscal year end in the ordinary and usual course of business and consistent with past practice and (B) liabilities that, individually or in the aggregate, have not had and would not reasonably be expected to have a Company Material Adverse Effect.

(k) Offering of Securities. Neither the Company nor any person acting on its behalf has taken any action (including any offering of any securities of the Company under circumstances which would require the integration of such offering with the offering of any of the Purchased Securities under the Securities Act, and the rules and regulations of the SEC promulgated thereunder), which might subject the offering, issuance or sale of any of the Purchased Securities to Investor pursuant to this Agreement to the registration requirements of the Securities Act.

(l) Litigation and Other Proceedings. Except (i) as set forth on Schedule D or (ii) as would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect, there is no (A) pending or, to the knowledge of the Company, threatened, claim, action, suit, investigation or proceeding, against the Company or any Company Subsidiary or to which any of their assets are subject nor is the Company or any Company Subsidiary subject to any order, judgment or decree or (B) unresolved violation, criticism or exception by any Governmental Entity with respect to any report or relating to any examinations or inspections of the Company or any Company Subsidiaries.

(m) Compliance with Laws. Except as would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect, the Company and the
