

**TARP Capital Purchase Program
(Public Holding Companies
with a Mutual Top-Tier Parent)**

Senior Preferred Stock and Warrants

Summary of Senior Preferred Terms

Issuer: Qualifying Financial Institution (“QFI”) means any Bank Holding Company (“BHC”), or Savings and Loan Holding Company (“SLHC”) that (i) engages solely or predominately in activities permissible for financial holding companies under relevant law (ii) is publicly traded¹ and (iii) is directly owned and controlled by a BHC or SLHC that is organized in mutual form (a “Mutual HC”). Separate Term Sheets are being issued for BHCs and SLHCs that are directly owned and controlled by a Mutual HC but are not publicly traded, and for Mutual HCs that do not directly own and control any BHC or SLHC. The term QFI shall not mean any institution that is controlled by a foreign bank or company. For purposes of this program, “U.S. bank”, “U.S. savings association”, “BHC” and “SLHC” means a bank, savings association, BHC or SLHC organized under the laws of the United States or any State of the United States, the District of Columbia, any territory or possession of the United States, Puerto Rico, Northern Mariana Islands, Guam, American Samoa, or the Virgin Islands. **The United States Department of the Treasury will determine the eligibility and allocation for QFIs after consultation with the appropriate Federal banking agency.**

Initial Holder: United States Department of the Treasury (the “UST”).

¹ For the purposes of this term sheet “publicly traded” means a company (1) whose securities are traded on a national securities exchange and (2) required to file, under the federal securities laws, periodic reports such as the annual (Form 10-K) and quarterly (Form 10-Q) reports with either the Securities and Exchange Commission or its primary federal bank regulator. A company may be required to do so by virtue of having securities registered under Section 12 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), which applies to all companies that are traded on an exchange or that have \$10 million in assets and 500 shareholders of record or Section 15(d) of the Exchange Act which requires companies that have filed a registration statement under the Securities Act of 1933, as amended, and have 300 or more security holders of record of the registered class to file reports required under Section 13 of the Exchange Act, e.g., periodic reports.

Size: QFIs may sell preferred to the UST subject to the limits and terms described below.

Each QFI may issue an amount of Senior Preferred equal to not less than 1% of its risk-weighted assets and not more than the lesser of (i) \$25 billion and (ii) 3% of its risk-weighted assets.

Security: Senior Preferred, liquidation preference \$1,000 per share. (Depending upon the QFI's available authorized preferred shares, the UST may agree to purchase Senior Preferred with a higher liquidation preference per share, in which case the UST may require the QFI to appoint a depository to hold the Senior Preferred and issue depository receipts.)

Ranking: Senior to common stock and pari passu with existing preferred shares other than preferred shares which by their terms rank junior to any existing preferred shares.

**Regulatory
Capital
Status:** Tier 1.

Term: Perpetual life.

Dividend: The Senior Preferred will pay cumulative dividends at a rate of 5% per annum until the fifth anniversary of the date of this investment and thereafter at a rate of 9% per annum. Dividends will be payable quarterly in arrears on February 15, May 15, August 15 and November 15 of each year.

Redemption: All redemptions of the Senior Preferred shall be at 100% of the issue price, plus any accrued and unpaid dividends and shall be subject to the approval of the QFI's primary federal bank regulator.

Following the redemption in whole of the Senior Preferred held by the UST, the QFI shall have the right to repurchase any other equity security of the QFI held by the UST at fair market value.

**Restriction on
Dividends:** For as long as any Senior Preferred is outstanding, no dividends may be declared or paid on junior preferred shares, preferred shares ranking pari passu with the Senior Preferred, or common shares (other than in the case of pari passu preferred shares, dividends on a pro rata basis with the Senior Preferred), nor may the QFI repurchase or redeem any junior preferred shares, preferred shares ranking pari passu with the Senior Preferred or

common shares, unless all accrued and unpaid dividends for all past dividend periods on the Senior Preferred are fully paid.

Common dividends: The UST's consent shall be required for any increase in common dividends per share until the third anniversary of the date of this investment unless prior to such third anniversary the Senior Preferred is redeemed in whole or the UST has transferred all of the Senior Preferred to third parties.

Repurchases: The UST's consent shall be required for any share repurchases (other than (i) repurchases of the Senior Preferred and (ii) repurchases of junior preferred shares or common shares in connection with any benefit plan in the ordinary course of business consistent with past practice) until the third anniversary of the date of this investment unless prior to such third anniversary the Senior Preferred is redeemed in whole or the UST has transferred all of the Senior Preferred to third parties. In addition, there shall be no share repurchases of junior preferred shares, preferred shares ranking pari passu with the Senior Preferred, or common shares if prohibited as described above under "Restrictions on Dividends".

Voting Rights: The Senior Preferred shall be non-voting, other than class voting rights on (i) any authorization or issuance of shares ranking senior to the Senior Preferred, (ii) any amendment to the rights of Senior Preferred, or (iii) any merger, exchange or similar transaction which would adversely affect the rights of the Senior Preferred.

If dividends on the Senior Preferred are not paid in full for six dividend periods, whether or not consecutive, the Senior Preferred will have the right to elect 2 directors. The right to elect directors will end when full dividends have been paid for four consecutive dividend periods.

Transferability: The Senior Preferred will not be subject to any contractual restrictions on transfer. The QFI will file a shelf registration statement covering the Senior Preferred as promptly as practicable after the date of this investment and, if necessary, shall take all action required to cause such shelf registration statement to be declared effective as soon as possible. The QFI will also grant to the UST piggyback registration rights for the Senior Preferred and will take such other steps as may be reasonably requested to facilitate the transfer of the Senior Preferred including, if requested by the UST, using reasonable efforts to list the Senior Preferred on a national securities exchange. If requested by the UST, the QFI will appoint a

depository to hold the Senior Preferred and issue depository receipts.

**Executive
Compensation
Transparency,
Accountability,
Monitoring:**

As a condition to the closing of this investment, the QFI and its covered officers and employees shall agree to comply with the rules, regulations and guidance of the UST with respect to executive compensation, transparency, accountability and monitoring, as published and in effect at the time of the investment closing.

Summary of Warrant Terms

Warrant:

The UST will receive warrants to purchase a number of shares of common stock of the QFI having an aggregate market price equal to 15% of the Senior Preferred amount on the date of investment, subject to reduction as set forth below under “Reduction”. The initial exercise price for the warrants, and the market price for determining the number of shares of common stock subject to the warrants, shall be the market price for the common stock on the date that the UST Office of Financial Stability's investment committee recommends approval of the Senior Preferred investment to the Assistant Secretary for Financial Stability (calculated on a 20-trading day trailing average), subject to customary anti-dilution adjustments. The exercise price shall be reduced by 15% of the original exercise price on each six-month anniversary of the issue date of the warrants if the consent of the QFI stockholders described below has not been received, subject to a maximum reduction of 45% of the original exercise price.

Term:

10 years.

Exercisability:

Immediately exercisable, in whole or in part

Transferability:

The warrants will not be subject to any contractual restrictions on transfer; provided that the UST may only transfer or exercise an aggregate of one half of the warrants prior to the earlier of (i) the date on which the QFI has received aggregate gross proceeds of not less than 100% of the issue price of the Senior Preferred from one or more Qualified Equity Offerings (as defined below) and

(ii) December 31, 2009. The QFI will file a shelf registration statement covering the warrants and the common stock underlying the warrants as promptly as practicable after the date of this investment and, if necessary, shall take all action required to cause such shelf registration statement to be declared effective as soon as possible. The QFI will also grant to the UST piggyback registration rights for the warrants and the common stock underlying the warrants and will take such other steps as may be reasonably requested to facilitate the transfer of the warrants and the common stock underlying the warrants. The QFI will apply for the listing on the national exchange on which the QFI's common stock is traded of the common stock underlying the warrants and will take such other steps as may be reasonably requested to facilitate the transfer of the warrants or the common stock.

“Qualified Equity Offering” shall mean the sale by the QFI after the date of this investment of Tier 1 qualifying perpetual preferred stock or common stock for cash.

- Voting:** The UST will agree not to exercise voting power with respect to any shares of common stock of the QFI issued to it upon exercise of the warrants.
- Reduction:** In the event that the QFI has received aggregate gross proceeds of not less than 100% of the issue price of the Senior Preferred from one or more Qualified Equity Offerings on or prior to December 31, 2009, the number of shares of common stock underlying the warrants then held by the UST shall be reduced by a number of shares equal to the product of (i) the number of shares originally underlying the warrants (taking into account all adjustments) and (ii) 0.5.
- Consent:** In the event that the QFI does not have sufficient available authorized shares of common stock to reserve for issuance upon exercise of the warrants and/or stockholder approval is required for such issuance under applicable stock exchange rules, the QFI will call a meeting of its stockholders as soon as practicable after the date of this investment to increase the number of authorized shares of common stock and/or comply with such exchange rules, and to take any other measures deemed by the UST to be necessary to allow the exercise of warrants into common stock.
- Substitution:** In the event the QFI is no longer listed or traded on a national securities exchange or securities association, or the consent of the

QFI stockholders described above has not been received within 18 months after the issuance date of the warrants, the warrants will be exchangeable, at the option of the UST, for senior term debt or another economic instrument or security of the QFI such that the UST is appropriately compensated for the value of the warrant, as determined by the UST.
