1. Program Overview

The Georgia Housing Finance Authority (GHFA) Mortgage Payment Assistance (MPA) program will provide loans to unemployed and substantially underemployed homeowners to help them remain in their homes and prevent avoidable foreclosures despite loss of income due to involuntary job loss. Loan proceeds will be used to pay mortgage payments (PITIA) while the homeowner seeks employment or completes training for a new career. Full payments will be remitted to the homeowners’ servicer each month. Homeowners may pay an affordable portion of the mortgage payment directly to GHFA. The MPA program is limited to once per household.

2. Program Goals

The goal is to provide assistance to 9,000 homeowners to prevent foreclosures. Mortgage Payment Assistance (MPA) will be provided as follows:

**Mortgage Payment Assistance**
Up to 24 monthly mortgage payments on first and closed-end second mortgages to assist unemployed or substantially underemployed homeowners while they seek employment or complete training for a new career.

Homeowners who are enrolled in an eligible educational institution and making satisfactory academic progress toward a degree prior to the end of such 24-month period may be eligible for an additional 12 months of assistance (“Education Extension”). If homeowner ceases to participate in the education program after 24 months, benefits would end at that time.

**Reinstatement Assistance**
Up to 15 months of the 24 MPA payments plus eligible lender fees may be used for the reinstatement of delinquent first and closed-end second mortgages.

3. Target Population/ Areas

Homeowners who are or were unemployed or substantially underemployed and suffered a substantial loss of income, causing the mortgage to become delinquent or be in imminent default.

This Program will be available in all Georgia counties.

4. Program Allocation (Excluding)

$216,845,126
5. **Borrower Eligibility Criteria**

| 8. Structure of Assistance | No (0%) interest, non-recourse, deferred-payment, forgivable, subordinate loan. Twenty percent (20%) of the loan balance will be forgiven each year on the anniversary of the final monthly assistance payment.

The loan will only be repaid if the borrower sells or refines the property before the forgiveness period expires, and there are equity proceeds available to pay towards the portion of the loan that has not yet been forgiven. If the property is sold and does not generate proceeds sufficient to repay the entire note, the portion of the note remaining unpaid after the proceeds are applied will be forgiven.

The loan will be in the form of a subordinate mortgage evidenced by a promissory note and secured by a deed on the property. Borrowers will be required to sign and acknowledge the program guidelines via written agreement.

| **13. Program Interactions with Other HFA Programs** | None. |
| **14. Program Interactions with HAMP** | The MPA program will provide assistance to eligible unemployed or substantially underemployed homeowners first, and then the servicer would follow with any eligible programs offered by the investor, servicer, or GSE.
Borrowers can receive HAMP assistance prior to or after receiving Hardest Hit Fund assistance. For example, a borrower can receive UP assistance for 3-6 months and then receive MPA Assistance. GHFA will agree to subordinate all assistance loans for borrowers who refinance their mortgage(s) to receive more favorable loan terms.
To the maximum extent possible, GHFA will coordinate with eligible homeowners’ servicers to assist them in obtaining a loan modification from HAMP, if needed after program completion. |
| **15. Program Leverage with Other Financial Resources** | The program will strongly encourage servicers to waive late fees and any other non-3rd party expenses. |
