Except as permitted by the contract, the Contractor agrees that it, its employees, its subcontractors, and its subcontract employees will not disclose to any third party, or otherwise use, any information it obtains or prepares in the course of performance of this agreement for any purpose other than to perform work under the contract without first receiving written permission from the Contracting Officer. The Contractor shall secure information received from or prepared or gathered for the Treasury Department under this contract in a secure location with access limited to only those personnel with a “need to know.” Notwithstanding any other language contained herein, the Contractor shall comply with 31 CFR § 31.217.

H.2 KEY PERSONNEL

During the contract performance period, any substitution or replacement of key personnel must be proposed by the Contractor and authorized by the Contracting Officer.

H.3 COOPERATION WITH OTHER ORGANIZATIONS

The Contractor agrees to cooperate with representatives of other contractors, Federal Reserve Banks, Federal agencies, governmental entities, and other organizations when the Treasury determines it to be in the best interest of the Government.

H.4 LABOR RATES

Labor provided under this contract and its task orders shall use the labor rates and categories provided in Contractor’s proposal as set forth in the Labor Rate Table. Labor rates may be lower than, but may not exceed those set forth in the Labor Rate Table.

H.5 CONFLICTS OF INTEREST

(a) Treasury HAS NOT WAIVED any potential conflicts of interest as defined by Rules 1.7—1.11 of the ABA’s Model Rules of Professional Conduct, the Federal Acquisition Regulation (FAR), or 31 CFR Part 31. Further, Contractor agrees that its future attorney-client relationship with Treasury will be governed by the FAR, 31 CFR Part 31, and this contract. The Contractor agrees to negotiate in good faith concerning the inclusion of any different or additional conflict of interest policies and procedures that may be issued by Treasury pursuant to Section 108(b) of the Emergency Economic Stabilization Act of 2008 (EESA).

(b) Contractor shall include in its response to this request for proposal, and upon each assignment of a new legal matter hereunder, a detailed written explanation of all actual conflicts, potential conflicts, or matters that may present the appearance of a conflict under the ABA's Model Rules, the FAR, or 31 CFR Part 31, and shall provide a detailed written plan explaining any and all steps the Contractor will undertake to avoid or mitigate such conflicts. The Contractor's disclosure submission shall include the information specified in 31 CFR § 31.211(b)(1) – (b)(6), including:

1. The Contractor's relationship to any related entities.
2. The categories of troubled assets owned or controlled by the Contractor and its related entities, if the arrangement relates to the acquisition, valuation, disposition, or management of troubled assets.
3. Information concerning all other business or financial interests of the Contractor, its proposed subcontractors, or its related entities, which could conflict with the Contractor's obligations under the arrangement with Treasury.
4. A description of all organizational conflicts of interest and potential conflicts of interest.
5. A written detailed plan to mitigate all organizational conflicts of interest, along with supporting documents.

Only after receiving this information will Treasury determine whether conflicts prevent the Contractor from representing Treasury in that specific legal matter.

(c) Failure to make full and timely disclosure of actual or potential conflicts of interest, or matters that may present the appearance of a conflict, as well as failure to comply with 31 CFR Part 31 or Treasury conflicts of interest policies and procedures are extremely serious matters. Such failures may subject the Contractor to corrective action including but not limited to: (1) refusal to waive a conflict; (2) termination of this contract for default; (3) debarment of the contractor from federal contracting; (4) referral to the appropriate state licensing authorities; and/or, in appropriate cases (5) civil or criminal actions.

(d) It is solely within the discretion of the Treasury Department to determine whether or not a conflict of interest exists and whether any mitigation plan submitted by the Contractor avoids or mitigates a conflict. Even the appearance of a conflict may result in the denial of a waiver or other appropriate actions. In the event that matters are transferred to another contractor or entity pursuant to the corrective actions listed above, the Contractor is expected to follow Treasury Department policies and procedures and to cooperate fully in the orderly transfer of such matters.

(e) In addition to complying with 31 CFR Part 31 and any other applicable restrictions, the Contractor will: (1) not represent any parties against the United States in any matter that is the subject of a task order during the term of the contract and after the end of the contract; (2) not represent any other parties with respect to matters directly related to, or matters that may have a direct effect on, a specific transaction that is the subject of a task order during the term of the contract; and (3) have all attorneys assigned to work under this agreement receive conflicts training in consultation with the EESA Compliance Office. It is, however, understood that the Contractor may represent clients who seek to engage in a transaction with Treasury under other programs in support of the EESA.

Further, the Contractor shall enter into and enforce agreements with all attorneys assigned to work under this contract prohibiting such attorneys from representing any other party regarding a specific matter that is the subject of a task order under this contract during the term of the contract and for six months thereafter.

(f) Prior to beginning work on each assignment of a new matter involving a named institution, or assigning a new attorney to that matter, the Contractor shall obtain and review the submissions required by 31 CFR § 31.212 for personal conflicts of interest, and certify in writing to Treasury that all such individuals have no personal conflicts of interest, or are subject to a mitigation plan or waiver approved by Treasury. Contractor agrees not to permit any such individual to perform work under the Contract for any such institution or related entities of such institution with which such attorney has disclosed a personal conflict of interest pursuant to 31 CFR § 31.212, absent obtaining Treasury's prior consent. In making this determination, the Contractor may rely on the information obtained pursuant to 31 CFR § 31.212(b), unless the Contractor knows or should have known that the information provided is false or inaccurate.

(g) As noted in Section C, it is anticipated that this Contractor may be required to perform transactional work related to one or more institutions. Prior to beginning work on such a matter, the Contractor agrees to negotiate in good faith, and incorporate into the task order, additional conflicts of interest provisions as the parties deem appropriate.

(h) The Contractor shall include this clause in all subcontracts, consultant agreements, and lower tier subcontracts unless a waiver is requested from, and granted by, the Contracting Officer.

(i) The Contractor agrees to provide to Treasury the initial certifications required pursuant to 31 C.F.R. §§ 31.211(d), 31.216(b) and 31.217(c)(5) prior to executing an arrangement, and the initial certification pursuant to 31 C.F.R. §§ 31.212(d) with ten (10) days of executing the arrangement.

H.6 PUBLICITY REQUIREMENTS

PUBLICITY REQUIREMENTS. The contractor agrees to submit, within 48 hours of contract or task order award, a .pdf file of the fully executed contract or order with all proprietary information redacted for the purposes of having the redacted contract made public at the sole discretion of the Department of the Treasury. The contractor shall supply the point of contact to work directly with the Public Affairs office of the Department of the Treasury.
