ARTICLE III

REPRESENTATIONS AND WARRANTIES

Section 3.01 Representations and Warranties of the Purchaser. The Purchaser hereby represents and warrants to the Seller as follows:

(A) Existence and Power. The Purchaser is duly organized and validly existing as a corporation under the Laws of the State of Delaware and has all requisite power and authority to execute and deliver this Agreement and, assuming that the consents, approvals, filings and registrations referred to in Section 3.01(D) are received or made (as applicable), to consummate the transactions contemplated by this Agreement.

(B) Authorization. The execution and delivery of this Agreement, and the consummation by the Purchaser of the transactions contemplated hereby, have been duly and validly approved by all necessary corporate action of the Purchaser, and no other corporate or shareholder proceedings on the part of the Purchaser are necessary to approve this Agreement or to consummate the transactions contemplated hereby. This Agreement has been duly and validly executed and delivered by the Purchaser, and (assuming the due authorization, execution and delivery of this Agreement by the Seller and the Company) this Agreement constitutes a valid and binding obligation of the Purchaser, enforceable against the Purchaser in accordance with its terms, except as enforcement may be limited by general principles of equity whether applied in a court of law or a court of equity and by bankruptcy, insolvency and similar Laws affecting creditors’ rights and remedies generally.

(C) Non-Contravention. Neither the execution and delivery of this Agreement nor the consummation by the Purchaser of the transactions contemplated hereby, will violate any provision of the charter or bylaws or similar governing documents of the Purchaser or, assuming

that the consents, approvals, filings and registrations referred to in Section 3.01(D) are received or made (as applicable), applicable Law.

(D) Consents and Approvals. Except for any consents, approvals, filings or registrations required in connection with the transactions contemplated by the Merger Agreement, and required filings with and approvals of bank regulatory authorities, if any, under applicable banking law and regulations for Purchaser's purchase of the Shares, no consents or approvals of, or filings or registrations with, any Governmental Entity or of or with any other third party by and on behalf of the Purchaser are necessary in connection with the execution and delivery by the Purchaser of this Agreement and the consummation by the Purchaser of the transactions contemplated hereby.

(E) Securities Matters.

(1) The Purchaser is either (i) an "accredited investor" as defined in Rule 501 under the Securities Act with total assets of not less than \$25 million, or (ii) a "qualified institutional buyer" as defined in Rule 144A under the Securities Act. The Shares are being acquired by the Purchaser for its own account and without a view to the public distribution or sale of such Shares.

(2) The Purchaser understands that (i) the Shares are being sold in a transaction not involving any public offering within the meaning of the Securities Act, and accordingly, such Shares are "restricted securities" within the meaning of Rule 144; (ii) such Shares have not been and will not be registered under the Securities Act; (iii) if, prior to the expiration of the holding period specified in Rule 144, it decides to offer, resell, pledge or otherwise transfer such Shares, such Shares may be offered, resold, pledged or transferred only (a) in compliance with Rule 144 or otherwise pursuant to an exemption from registration under the Securities Act or (b) to the Company or one of its Subsidiaries, in each case in accordance with any applicable securities laws of any state of the United States; and (iv) the Purchaser will, and each subsequent holder is required to, provide the Company and its transfer agent with such certificates and other information as they may reasonably require to confirm that the transfer complies with the foregoing restrictions.

(3) The Purchaser understands that none of the Seller or the Company is making any representation as to the availability of Rule 144 or Rule 144A under the Securities Act for the offer, resale, pledge or transfer of any Shares, or that any Shares purchased by the Purchaser will ever be able to be sold.

(4) The Purchaser understands that the Shares will, until the expiration of the applicable holding period set forth in Rule 144, unless sold in compliance with Rule 144, bear a legend to substantially the following effect:

THE SECURITIES REPRESENTED BY THIS INSTRUMENT HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR THE SECURITIES LAWS OF ANY STATE AND MAY NOT BE TRANSFERRED, SOLD, OFFERED, PLEDGED OR OTHERWISE

DISPOSED OF EXCEPT WHILE A REGISTRATION STATEMENT RELATING THERETO IS IN EFFECT UNDER SUCH ACT AND APPLICABLE STATE SECURITIES LAWS OR PURSUANT TO AN EXEMPTION FROM REGISTRATION UNDER SUCH ACT OR SUCH LAWS.

(5) The Purchaser acknowledges and agrees that it (i) is a sophisticated investor; (ii) does not require the assistance of an investment advisor or other purchaser representative to purchase the Shares; (iii) has such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of its prospective investment in the Shares; (iv) has the ability to bear the economic risks of its prospective investment for an indefinite period of time; (v) can afford the complete loss of such investment; and (vi) recognizes that the investment in the Shares involves substantial risk.

(6) The Purchaser understands that the Seller may have access to information about the Company that is not generally available to the public, and acknowledges and agrees that, to the extent the Seller has any such information, such information need not (and shall not) be provided to the Purchaser by the Seller. The Purchaser further understands that the Seller is a federal agency and that the Purchaser's ability to bring a claim against the Seller under the federal securities laws may be limited.

(7) The Purchaser acknowledges that it is not relying on any advice or recommendation from the Seller or the Company, or any investigation or examination that the Seller may have conducted, with respect to the Shares or the Company, the Seller has not made any representation, warranty or covenant, express or implied, to the Purchaser, including, without limitation, regarding any governmental investigations, and the Seller shall not have any liability to the Purchaser therefrom. The Purchaser has relied solely upon its own investigation and diligence in making its decision to execute, deliver and consummate this Agreement and the transactions contemplated hereby, including the Securities Purchase.

(8) The Purchaser acknowledges that: (i) (a) it has completed to its satisfaction its own investigation and due diligence review with respect to the Company, including a review of information provided by the Company and publicly available information regarding the Company, (b) it has had an opportunity to ask questions of the Company and its counsel, including, without limitation, regarding any governmental investigations, and such questions were answered to its satisfaction, and (c) it is entering into this Agreement based on such review; (ii) it has had access to its full satisfaction to the Company and the books, records, employees and representatives of the Company, including, but not limited to books, records and other data regarding loans made by and other assets of the Company or its Subsidiaries and borrowers from the Company or its Subsidiaries; and (iii) it has had such opportunity to seek financial, accounting, legal and other advice or information in connection with the execution and delivery of this Agreement as it has seen fit.

(9) Neither the Purchaser nor any person or entity controlling, controlled by or under common control with it, nor, to the knowledge of the Purchaser, any person or entity having a beneficial interest in it, nor, to the knowledge of the Purchaser, any director, officer, agent, employee or Affiliate thereof: (i) is a person or entity listed in the annex to Executive Order No. 13224 (2001) issued by the President of the United States (Executive Order Blocking Property and Prohibiting Transactions with Persons Who Commit, Threaten to Commit, or Support Terrorism); (ii) is named on the List of Specially Designated Nationals and Blocked Persons maintained by the U.S. Office of Foreign Assets Control (OFAC); (iii) is a Designated National other than an “unblocked national” as defined in the Cuban Assets Control Regulations, 31 C.F.R. Part 515; (iv) is a non-U.S. shell bank (as set forth in Section 313 of the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001 (USA PATRIOT Act)) or is providing banking services indirectly to a non-U.S. shell bank; (v) is a person who the Purchaser knows to be a senior non-U.S. political figure or an immediate family member or close associate of such figure or an entity owned or controlled by such a figure; (vi) is a person with whom a U.S. citizen or entity is prohibited from transacting business, whether such prohibition arises under U.S. law, regulation, executive order, anti-money laundering, antiterrorist, financial institution and asset control laws, regulations, rules or orders, or as a result of any list published by the U.S. Department of Commerce, the U.S. Department of the Treasury, or the U.S. Department of State, including any agency or office thereof; (vii) is a person who the Purchaser knows to have funded or supported terrorism or a suspected terrorist organization or who the Purchaser knows to have engaged in, or derived funds from, activities that relate to the laundering of the proceeds of illegal activity; or (viii) is a person or entity that would cause the Company to violate any Law (including bank or other financial institution regulatory laws, regulations or orders) to which the Company is subject by reason of such person’s or entity’s purchase of the Shares (categories (i) through (viii), each, a “Prohibited Investor”).

(10) The Purchaser has met and will continue to meet all of its obligations under the Bank Secrecy Act, as amended (31 U.S.C. Section 5311 et seq.) and its implementing regulations, if applicable.

(11) The funds to be used to purchase the Shares will be legally derived from legitimate sources and not from any Prohibited Investor.

(F) Availability of Funds. The Purchaser will have as of the Closing sufficient funds available to consummate the transactions contemplated hereunder.

Section 3.02 Representations and Warranties of the Company. The Company hereby represents and warrants to the Seller as follows:

(A) Existence and Power. The Company is duly organized and validly existing as a corporation under the Laws of the State of Texas and has all requisite power and authority to execute and deliver this Agreement and, assuming that the consents, approvals, filings and registrations referred to in Section 3.02(D) are received or made (as applicable), to consummate the transactions contemplated by this Agreement.

(B) Authorization. The execution and delivery of this Agreement, and the consummation by the Company of the transactions contemplated hereby, have been duly and validly approved by all necessary corporate action of the Company, and no other corporate or shareholder proceedings on the part of the Company are necessary to approve this Agreement or to consummate the transactions contemplated hereby. This Agreement has been duly and validly executed and delivered by the Company, and (assuming the due authorization, execution and delivery of this Agreement by the Seller and the Purchaser) this Agreement constitutes a valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, except as enforcement may be limited by general principles of equity whether applied in a court of law or a court of equity and by bankruptcy, insolvency and similar Laws affecting creditors' rights and remedies generally.

(C) Non-Contravention. Neither the execution and delivery of this Agreement nor the consummation by the Company of the transactions contemplated hereby, will violate any provision of the charter or bylaws or similar governing documents of the Company or, assuming that the consents, approvals, filings and registrations referred to in Section 3.02(D) are received or made (as applicable), applicable Law.

(D) Consents and Approvals. Except for any consents, approvals, filings or registrations required in connection with the transactions contemplated by the Merger Agreement, no consents or approvals of, or filings or registrations with, any Governmental Entity or of or with any other third party by and on behalf of the Company are necessary in connection with the execution and delivery by the Company of this Agreement and the consummation by the Company of the transactions contemplated hereby.

ARTICLE IV

COVENANTS

Section 4.01 Forbearances of the Seller. From the date hereof until the Closing, without the prior written consent of the Purchaser, the Seller will not:

(A) directly or indirectly transfer, sell, assign, distribute, exchange, pledge, hypothecate, mortgage, encumber or otherwise dispose of or engage in or enter into any hedging transactions with respect to, any of the Shares or any portion thereof or interest therein (other than pursuant to the Securities Purchase); or

(B) agree, commit to or enter into any agreement to take any of the actions referred to in Section 4.01(A).

Notwithstanding the foregoing, the Seller may undertake any of the actions set forth in Section 4.01(A) with an Affiliate of the Seller so long as this Agreement is assigned to such Affiliate in accordance with Section 7.07 of this Agreement. For the avoidance of doubt, until the Closing, except as expressly set forth in this Section 4.01, the Seller shall continue to be able to exercise all rights and privileges with respect to the Shares.

Section 4.02 Further Action. The Seller, the Purchaser and the Company (A) shall each execute and deliver, or shall cause to be executed and delivered, such documents and other instruments and shall take, or shall cause to be taken, such further action as may be reasonably necessary to carry out the provisions of this Agreement and give effect to the transactions contemplated by this Agreement and (B) shall refrain from taking any actions that could reasonably be expected to impair, delay or impede the Closing or the consummation of the transactions contemplated by this Agreement (except as expressly permitted by the Merger Agreement).

Section 4.03 Merger Agreement. The Purchaser will not agree to any amendment, modification or waiver of any provision of the Merger Agreement (other than corrections of obvious errors, if any, or other ministerial amendments) to the extent such amendment, modification or waiver would adversely affect the Seller, without the prior written consent of the Seller.

Section 4.04 Merger. The Purchaser shall (i) keep the Seller reasonably apprised of its progress in obtaining necessary regulatory approvals for the Merger, (ii) deliver to the Seller copies of any written notices the Purchaser and the Company deliver to one another under the Merger Agreement to the extent such notices relate to such approvals, the failure to obtain any such approvals or the termination of the Merger Agreement and (iii) provide at least seven (7) days' prior written notice of the anticipated Closing Date to the Seller. The holders of the Company Common Stock approved the Merger Agreement at a special meeting of shareholders on April 17, 2014.

Section 4.05 Remaining Certification and Disclosure Requirements. The Company and the Purchaser acknowledge, the Company agrees to comply with, and following the Closing, the Purchaser agrees to cause the Company and its successors to comply with, the certification and disclosure requirements set forth in the Compensation Regulations, including without limitation those submissions that are required with respect to the final portion of the Relevant Period (see, for example, Sections 30.7(c) and (d), Sections 30.11(b) and (c) and Section 30.15(a)(3) of the Compensation Regulations and FAQ-14 in the Frequently Asked Questions to the Compensation Regulations, available at www.financialstability.gov).

Section 4.06 Transferability Restrictions Related to Long-Term Restricted Stock. The Company and the Purchaser acknowledge that any long-term restricted stock (as defined in Section 30.1 of the Compensation Regulations) awarded by the Company that has otherwise vested may not become transferable, or payable in the case of a restricted stock unit, at any time earlier than as permitted under the schedule set forth in the definition of long-term restricted stock in Section 30.1 of the Compensation Regulations. For this purpose, aggregate financial assistance received (for purposes of the definition of long-term restricted stock) includes the full original liquidation amount with respect to 22,500 Shares (see FAQ-15 in the Frequently Asked Questions to the Compensation Regulations, available at www.financialstability.gov). Upon the sale of the Shares to the Purchaser, in the event that any long-term restricted stock awarded by the Company is not permitted to become transferable, or payable in the case of a restricted stock unit, under the schedule set forth in the definition of long-term restricted stock in Section 30.1 of the Compensation Regulations, the Company shall cancel such long-term restricted stock and/or restricted stock units.

(4) any Regulatory Event not otherwise existing on the date hereof.

(B) Representations and Warranties. The representations and warranties set forth in Article III of this Agreement shall be true and correct as though made on and as of the Closing Date.

(D) Performance Obligations. The Purchaser shall have performed in all material respects all obligations required to be performed by it under this Agreement at or prior to the Closing.

(E) Closing Certificate. The Purchaser shall deliver to the Seller a certificate, dated as of the Closing Date, signed on behalf of the Purchaser by a senior executive officer thereof certifying to the effect that all conditions precedent to the Closing have been satisfied.

Section 6.01 Termination Events. This Agreement may be terminated at any time prior to the Closing:

(A) by mutual written agreement of the Purchaser and the Seller; or

(B) by the Purchaser, upon written notice to the Seller, or by the Seller, upon written notice to the Purchaser, in the event that the Closing Date does not occur on or before September 30, 2014; provided, however, that the respective rights to terminate this Agreement pursuant to this Section 6.01(B) shall not be available to any party whose failure to fulfill any obligation under this Agreement shall have been the cause of, or shall have resulted in, the failure of the Closing Date to occur on or prior to such date.

This Agreement shall automatically terminate upon the termination of the Merger Agreement in accordance with its terms.

Section 6.02 Effect of Termination. In the event of termination of this Agreement as provided in Section 6.01, this Agreement shall forthwith become void and have no effect, and none of the Seller, the Company, the Purchaser, any affiliates of the Seller, the Company or the Purchaser or any officers, directors or employees of the Seller, the Company or the Purchaser or any of their respective affiliates shall have any liability of any nature whatsoever hereunder, or in connection with the transactions contemplated hereby, except that this Section 6.02 and Sections 7.03, 7.04, 7.05 and 7.06 shall survive any termination of this Agreement.

ARTICLE VII

MISCELLANEOUS

Section 7.01 Waiver; Amendment. Any provision of this Agreement may be (A) waived in writing by the party benefiting by the provision, or (B) amended or modified at any time by an agreement in writing signed by each of the parties hereto. Neither any failure nor any delay by any party in exercising any right, power or privilege under this Agreement or any of the documents referred to in this Agreement will operate as a waiver of such right, power or privilege, and no single or partial exercise of any such right, power or privilege will preclude any other or further exercise of such right, power or privilege.

Section 7.02 Counterparts. This Agreement may be executed by facsimile or other electronic means and in counterparts, all of which shall be considered an original and one and the same agreement and shall become effective when counterparts have been signed by each of the parties and delivered to the other parties, it being understood that all parties need not sign the same counterpart.

Section 7.03 Governing Law; Choice of Forum; Waiver of Jury Trial. (A) This Agreement and any claim, controversy or dispute arising under or related to this Agreement, the relationship of the parties, and/or the interpretation and enforcement of the rights and duties of the parties shall be enforced, governed, and construed in all respects (whether in contract or in tort) in accordance with the federal law of the United States if and to the extent such law is applicable, and otherwise in accordance with the laws of the State of New York applicable to contracts made and to be performed entirely within such State. Each of the parties hereto agrees (a) to submit to the exclusive jurisdictions and venue of the United States District Court of the District of Columbia and the United States Court of Federal Claims for any and all civil actions, suits or proceedings arising out of or relating to this Agreement or the transactions

contemplated hereby, and (b) that notice may be served upon (i) the Purchaser at the address and in the manner set forth for notices to the Purchaser in Section 7.05, (ii) the Company at the address and in the manner set forth for notices to the Company in Section 7.05 and (iii) the Seller at the address and in the manner set forth for notices to the Seller in Section 7.05, but otherwise in accordance with federal law.

(B) To the extent permitted by applicable Law, each of the parties hereto hereby unconditionally waives trial by jury in any civil legal action or proceeding relating to this Agreement or the transactions contemplated hereby.

Section 7.04 Expenses. If requested by the Seller, the Purchaser shall pay all reasonable out of pocket and documented costs and expenses associated with this Agreement and the transactions contemplated by this Agreement, including, but not limited to, the reasonable fees, disbursements and other charges of the Seller's legal counsel and financial advisors.

Section 7.06 Entire Understanding; No Third Party Beneficiaries. This Agreement (together with the documents, agreements and instruments referred to herein) represents the entire understanding of the parties with respect to the subject matter hereof and supersedes any and all other oral or written agreements heretofore made with respect to the subject matter hereof. Nothing in this Agreement, expressed or implied, is intended to confer upon any person, other than the parties hereto, any rights or remedies hereunder.

Section 7.07 Assignment. Neither this Agreement nor any right, remedy, obligation or liability arising hereunder or by reason hereof shall be assignable by any party hereto without the prior written consent of the other parties, and any attempt to assign any right, remedy, obligation or liability hereunder without such consent shall be null and void; provided, however, that the Seller may assign this Agreement to an Affiliate of the Seller. If the Seller assigns this Agreement to an Affiliate, the Seller shall be relieved of its obligations and liabilities under this Agreement but (i) all rights, remedies, obligations and liabilities of the Seller hereunder shall continue and be enforceable by and against and assumed by such Affiliate, (ii) the Purchaser's obligations and liabilities hereunder shall continue to be outstanding and (iii) all references to the Seller herein shall be deemed to be references to such Affiliate. The Seller will give the Purchaser and the Company notice of any such assignment; provided, that the failure to provide such notice shall not void any such assignment.

Section 7.08 Severability. Any term or provision of this Agreement which is determined by a court of competent jurisdiction to be invalid, illegal or unenforceable in any jurisdiction shall, as to that jurisdiction, be ineffective to the extent of such invalidity or

unenforceability without rendering invalid, illegal or unenforceable the remaining terms and provisions of this Agreement or affecting the validity, legality or enforceability of any of the terms or provisions of this Agreement in any other jurisdiction, and if any provision of this Agreement is determined to be so broad as to be unenforceable, the provision shall be interpreted to be only so broad as is enforceable, in all cases so long as neither the economic nor legal substance of the transactions contemplated hereby is affected in any manner materially adverse to any party or its shareholders. Upon any such determination, the parties shall negotiate in good faith in an effort to agree upon a suitable and equitable substitute provision to effect the original intent of the parties.
