# Rescue Payment Assistance Program

## Summary Guidelines

### 1. Program Overview

The Rescue Payment Assistance Program will provide funds to lenders/servicers on behalf of homeowners who are delinquent on their mortgage payments due to a delay in receiving unemployment benefits, insufficient income, or other unforeseen circumstances, by bringing them current on delinquent mortgage obligations.

Allowable uses of the funds will include the following:

- Delinquent mortgage payments;
- Late fees, inspection fees, and attorney fees related to a successful/closed loan modification;
- Delinquent property taxes advanced by the servicer or escrow shortage; and
- Up to one year of standard homeowner’s insurance if a lender/servicer has previously imposed forced-placed insurance on the property. Forced-placed insurance is high cost insurance which serves only to protect the mortgagee’s interest in the property.

If Rescue Payment Assistance is used to pay delinquent property taxes or homeowner’s insurance, the homeowner must request that the lender/servicer set up an escrow account for property taxes and homeowner’s insurance if none is in place. If the homeowner’s lender/servicer will not agree to set up an escrow account, the homeowner’s taxes and insurance must be considered in calculating the Sustainable Monthly Payment.

Assistance is subject to approval of the homeowner’s HHF Action Plan which is a plan relating solely to TARP-funded modification programs that will be developed by a housing counseling agency and approved by OHFA (the “HHF Action Plan”). Homeowners may receive assistance from one or more HHF Programs. The HHF Action Plan will determine the type(s) and amount of HHF assistance for each homeowner, up to the maximum total benefit amount for which the homeowner qualifies.

### 2. Program Goals

The goal of this program is to prevent avoidable foreclosure for homeowners who have experienced a temporary hardship by reinstating their past due first mortgage loans.

### 3. Target Population/Areas

The Program will be available to eligible low- and moderate-income homeowners throughout Ohio, up to the maximum benefit...

**SERVICE SCHEDULE B-2**

**Ohio Housing Finance Agency (OHFA)**

**Partial Mortgage Payment Assistance Program**  
**Summary Guidelines**

| 1. **Program Overview** | The Partial Mortgage Payment Assistance Program will support unemployed homeowners by assisting with their mortgage payments for up to 15 months while they search for a new job and/or participate in a job training program.  
Full mortgage payments will be made to the homeowner’s lender/servicer as long as the homeowner remains eligible for assistance. To remain eligible for assistance, the homeowner must pay their Affordable Monthly Payment, as calculated and in their approved HHF Action Plan (hereinafter defined), to the Ohio HHF servicer, a special third-party servicer selected by Ohio Housing Finance Agency (the “Ohio HHF Servicer”) to receive homeowners’ partial payments under the Ohio HHF program. Affordable Monthly Payment is equal to 20% of current household income or 25% of homeowner’s monthly mortgage principal, interest taxes and insurance (PITI) payment, whichever is greater, unless the Affordable Monthly Payment is waived because the homeowner has exhausted unemployment compensation benefits. The Affordable Monthly Payment amount may change if homeowner’s income increases 20% or more or decreases 10% or less.  
Homeowners will resume their regular payments at the end of the term approved in their HHF Action Plan or two months after resuming employment, whichever occurs first.  
Assistance is subject to approval of the homeowner’s HHF action plan which is a plan relating solely to TARP funded modification programs that will be developed by a housing counseling agency and approved by OHFA (the “HHF Action Plan”). Homeowners may receive assistance from one or more HHF Programs. The HHF Action Plan will determine type(s) and amount of HHF assistance for each homeowner, up to the maximum total benefit amount for which the homeowner qualifies. |
<p>| 2. <strong>Program Goals</strong> | The goal of the Program is to assist unemployed homeowners to remain in their homes and make on-time, monthly payments on their mortgages during unemployment so that they may avoid delinquency and foreclosure; and to assist homeowners with obtaining a sustainable loan modification after they have regained employment. |</p>

| **16. Qualify as an Unemployment Program** | ☑ Yes ☐ No |
1. **Program Overview**

The Mortgage Modification with Principal Reduction Program will provide assistance to homeowners who do not qualify for existing loan modification programs due to severe negative equity. Funds will be used to incentivize lenders/servicers to reduce homeowners’ mortgage principal balance to the level necessary to achieve a loan modification with a target of 115% of loan to value or less, and to achieve an Affordable Payment for the homeowner. Affordable Monthly Payment is equal to 31% or less of current household income.

Lenders/servicers will provide principal forbearance or forgiveness equal to or greater than the Program payment. If principal forgiveness is permissible by the lender/servicer, it must be offered to the homeowner before any principal forbearance could occur and qualify for the Program. This option should increase the number of loan modifications that are approved and will be available to both HAMP-eligible and non-HAMP eligible borrowers.

This program also offers the option of Lien Elimination Assistance to substitute for a loan modification. Lien Elimination Assistance applies in cases where the lien holder agrees to accept up to $15,000 in HHF funds in return for extinguishing the existing lien. This is most likely to occur in cases where the property is valued at $60,000 or less. To receive Lien Elimination Assistance, homeowners must demonstrate the ability to stay current on their property taxes and homeowner’s insurance. To be considered sustainable, the homeowner’s property taxes and insurance must be equal to 31% or less of current household income.

Assistance is subject to approval of the homeowner’s HHF action plan which is a plan relating solely to TARP funded modification programs that will be developed by a housing counseling agency and approved by OHFA (the “HHF Action Plan”). Homeowners may receive assistance from one or more HHF Programs. The HHF Action Plan will determine type(s) and amount of HHF assistance for each homeowner, up to the maximum total benefit amount for which the homeowner qualifies.

2. **Program Goals**

The goals of the Program are to:

- Help homeowners obtain mortgage loan modifications to
achieve an affordable monthly loan payment;
- Reduce the probability of re-default after the loan modification by incentivizing lenders/servicers to include principal reduction as part of a modification when that reduction is necessary to achieve an affordable monthly payment; and
- Reduce the risk of re-default due to severe negative equity.

3. **Target Population/Areas**

The Program will be available to eligible low- and moderate-income homeowners throughout Ohio, up to the maximum benefit amount of $15,000.

4. **Program Allocation (Excluding Administrative Expenses)**

$22,717,635.00

5. **Borrower Eligibility Criteria**

Homeowner must meet the following criteria:

- First mortgage debt less than the highest FHA maximum loan amount among all Ohio counties;
- Liquid assets equal to or less than three months of mortgage payments;
- Hardship due to involuntary loss or reduction in income, divorce, disability, or illness resulting in a loss of income or significant medical expenses, which shall be documented in part by a financial hardship affidavit signed by the homeowner; and
- Homeowner must have been turned down for a loan modification due to the failure of the lender/servicer’s Net Present Value (NPV) calculation.

6. **Property/Loan Eligibility Criteria**

One to four unit owner-occupied primary residences located in Ohio, including condominiums. Manufactured homes are eligible only if the mortgage is recorded as real property and the home is permanently affixed to the land.

 **Principal Reduction Matched Assistance (HAMP Eligible)**

 Contributions will be made to the homeowner’s principal reduction with the goal of reducing the LTV to at least 115%. For every dollar of principal forbearance or forgiveness offered by the lender/servicer, one dollar of Program funds will be contributed. All late fees and other non-out-of-pocket collections costs must be waived by the lender/servicer and cannot be capitalized.

 **Principal Reduction Matched Assistance (Non HAMP Eligible)**

 Contributions will be made to the homeowner’s principal reduction with the goal of reducing the LTV. For every dollar of principal forgiveness granted by the lender/servicer, one dollar of...

**SERVICE SCHEDULE B-5**

Ohio Housing Finance Agency (OHFA)
Short Refinance Program
Summary Guidelines

| 1. Program Overview | The Short Refinance Program will provide funds to lenders/servicers on behalf of homeowners who wish to refinance to a new mortgage loan in order to lower their monthly payment. Funds will be used to reduce the principal balance of homeowner’s mortgage, which will incentivize lenders/servicers to match the Program payment in the form of principal forgiveness to, in the aggregate, reduce homeowner’s mortgage principal balance to the level necessary to qualify for a refinance, with a target of 95 percent to 100 percent combined loan-to-value ratio. The resulting refinance should result in an affordable monthly payment, including all subordinate mortgage loans, lower than 31 percent of their gross income. The mortgage refinance will be originated by the homeowner’s lender, and homeowners must qualify under their lender’s underwriting guidelines.

Lenders/servicers will provide principal forgiveness equal to or greater than the Program payment. This option is available to homeowners who are current on their mortgage, employed, and have good credit history.

Assistance is subject to approval of the homeowner’s HHF action plan which is a plan relating solely to TARP funded modification programs that will be developed by a housing counseling agency and approved by OHFA (the “HHF Action Plan”). Homeowners may receive assistance from one or more HHF Programs. The HHF Action Plan will determine type(s) and amount of HHF assistance for each homeowner, up to the maximum total benefit amount for which the homeowner qualifies. |

| 2. Program Goals | The goals of the Program are to:
