### 1. Program Overview

The Monthly Payment Assistance Program will assist eligible borrowers by making their full monthly mortgage payments for a period of time. The terms and length of assistance will vary based on borrower circumstances and the unemployment rate for the county in which the property is located, and will be reviewed periodically during the assistance period.

Assistant under this Program will be capped at 24 months and $36,000 per household, depending on borrower circumstances (See Section 5) and county unemployment. (See Section 3 for more information.)

### 2. Program Goals

To bridge eligible borrowers across a gap in employment or other reduction in income, and allow them to stay current on their mortgages.

### 3. Target Population/Areas

This Program will be available in all 46 counties in South Carolina, and is intended to assist borrowers with a short-term affordability problem.

Additional assistance will be available to eligible unemployed homeowners living in targeted or "hardest hit" counties, those with unemployment rates greater than or equal to 12%. Such employment rate will be evaluated from time to time and may be adjusted due to changing economic conditions.

### 4. Program Allocation (Excluding Administrative Expenses)

$162,425,563.00

### 5. Borrower Eligibility Criteria

An eligible borrower must be a “Responsible Borrower.” A “Responsible Borrower” is a borrower who is facing possible foreclosure due to underemployment, unemployment, or a significant reduction in self-employment income, in addition to satisfying certain criteria.

Other specific criteria:

- To qualify as unemployed for the Program, a borrower must be unemployed and receiving unemployment insurance (“UI”) payments as administered by the State of South Carolina, or unemployed with available UI benefits exhausted within the previous 12 months.
- To qualify as underemployed, a borrower must show a

| 12. Program Inception/Duration | This Program was originally rolled out statewide on January 20, 2011 and is expected to be available for 60 months. |
| 13. Program Interactions with Other Programs (e.g. other HFA programs) | This Program will interact with:  
  - Direct Loan Assistance Program - Households that are delinquent at the time monthly assistance begins may be eligible for direct assistance to help with any capitalized arrearage that exists.  
  - HAMP Assistance Program - Households successfully coming out of the Program may be eligible for HAMP Assistance to obtain a permanent modification.  
  - Property Disposition Assistance Program - Households that are not self-supporting after exhausting allowable funding under this Program may be eligible for the Property Disposition Assistance Program. |
| 14. Program Interactions with HAMP | The Program could effectively “hand off” the borrower to HAMP once the borrower is reemployed, if required. Households successfully coming out of the Program may be eligible for HAMP assistance to obtain a permanent modification.  

The funds from this Program would be utilized prior to UP. Implementing the Program in this order is most beneficial to the borrower and the investor since payments would continue to be made instead of capitalized and no late charges or adverse credit report would occur. Should the borrower still be unemployed after the assistance from this Program ends, they may be eligible to roll into UP.  

Beneficiaries who participated in UP prior to making application to SC HELP would be eligible to participate in this Program.  

It is also expected that this Program may act as a front-end extension of existing forbearance with deed-in-lieu wrap programs. |

Direct Loan Assistance Program
Summary Guidelines

1. Program Overview

In some cases borrowers may have fallen behind on their mortgage payments, and have since regained the ability to make the full payment, or are eligible for funding under the Monthly Payment (“MPA”) program. However, there may still be an accrued arrearage owed to the lender which, until paid, places a hardship on the borrower due to a continued accumulation of late fees and other charges. Under the Direct Loan Assistance Program, funding will be provided to bring such loans current. Funds may also be made available for principal reductions in order ensure long-term affordability.

The terms of assistance will vary based on the unemployment rate for the county in which the property is located, and will be reviewed periodically during the assistance period.

Assistance under this Program will be capped at $20,000 per household.

Program is a one-time payment per borrower household.

2. Program Goals

To help borrowers become current on their mortgage during or following a brief interruption or reduction in income and to ensure long-term affordability.

3. Target Population/ Areas

This Program will be available in all 46 counties in South Carolina.

4. Program Allocation (Excluding Administrative Expenses)

$56,000,000.00

Other specific criteria:
- Must be able to demonstrate that delinquency was the
result of circumstances beyond the borrower’s control.
- Payment to Income ratio must not exceed an affordable level as outlined in program and underwriting guidelines unless Borrower is approved for funding under the MPA program.
- Borrower must provide a financial hardship affidavit.
- Borrower must demonstrate that circumstances that led to the delinquency have been resolved unless borrower is approved for funding under the MPA program.
- All final eligibility determinations will be made by SCHC.
- Funds will be available on a first-come first served basis.

<td>1. Program Overview</td>
<td>The majority of lenders in South Carolina are offering troubled borrowers the opportunity to modify their loans under certain circumstances. The most notable of these programs is the Home Affordable Modification Program (“HAMP”). According to many loan servicers, there are many borrowers whose proposed modifications fail the net-present-value (NPV) test for eligibility by a relatively small amount. Under the HAMP Assistance Program, funding will be provided to bridge the gap so that the mortgage can be modified to an affordable level. 1. Program Overview
   There may be a segment of borrowers whose position is unrecoverable, and who need assistance in gracefully exiting homeownership. The Property Disposition Assistance Program will be used to encourage short sales and deeds in lieu of foreclosure by providing deposits and other funds needed to transition families from homeownership to renting.

   Assistance under this Program will be capped at $5,000 per household. (See Section 3 for more detail.)

   Program is a one-time payment per borrower household.

2. Program Goals
   To assist borrowers in un recoverable situations in transitioning from homeownership to rental housing.

3. Target Population/ Areas
   This Program will be available in all 46 counties in South Carolina, and is intended to assist borrowers with a long-term or permanent affordability problem with little expectation for financial recovery.

4. Program Allocation (Excluding Administrative Expenses)
   $18,000,000.00

5. Borrower Eligibility Criteria
   • Borrower must provide a financial hardship affidavit.
   • Delinquency event must be ongoing with little or no expectation for financial recovery (i.e. prolonged under-employment, divorce, death of a spouse, etc.).
   • Short sale or deed-in-lieu of foreclosure must be complete prior to final approval and funding.
   • All final eligibility determinations will be made by SCHC.
   • Funds will be available on a first-come first served basis.

6. Property/Loan Eligibility Criteria
   • Eligible properties must be owner-occupied primary residence located in South Carolina.

7. Program Exclusions
   • Borrower receiving assistance under the Home Affordable Foreclosure Alternative (HAFA) Program.

8. Structure of Assistance
   Assistance under this Program will be provided directly to the homeowner, and will not be structured as a loan, nor will it be secured by the subject property. No payments may be made directly to homeowners until a short sale or deed-in-lieu agreement is executed.

9. Per Household Assistance
   Assistance under this Program will be capped at $5,000 for all counties.
