List of Foreign Financial Institutions Subject to Correspondent Account or Payable-Through Account Sanctions (CAPTA List)

This publication by Treasury's Office of Foreign Assets Control (OFAC) is designed as a reference tool providing actual notice of OFAC actions with respect to foreign financial institutions (FFIs) for which the opening or maintaining of a correspondent account or a payable-through account in the United States is prohibited or subject to one or more strict conditions. Upon a finding that an FFI meets one or more of the criteria set forth in one of the authorities listed below, certain prohibitions or strict conditions may be imposed on the opening or maintaining in the United States of a correspondent account or a payable-through account for such an FFI. Upon the imposition of such prohibitions or strict conditions, OFAC will place the name and other relevant identifiers of the FFI on the CAPTA List. The CAPTA List also will specify the applicable prohibition or strict condition(s) to be imposed on the opening or maintaining of a correspondent account or a payable-through account.

The latest changes to the CAPTA List may appear here prior to their publication in the Federal Register, and financial institutions should rely on changes indicated in this document. Such changes reflect official actions of OFAC and will be published as soon as practicable in the Federal Register under the index heading "Foreign Assets Control." New Federal Register notices regarding FFIs subject to correspondent account or payable-through account sanctions may be published at any time. Users are advised to check the Federal Register and this electronic publication routinely for additional names or other changes to the CAPTA List.

Description of the CAPTA List:

- Section 5 of the Ukraine Freedom Support Act, as amended by section 226 of the Countering America's Adversaries Through Sanctions Act of 2017, Public Law 115-44.

The CAPTA List may be expanded in the future to identify FFIs subject to correspondent account or payable-through account sanctions pursuant to authorities other than those listed above.

The CAPTA List does not include FFIs subject to other sanctions measures, such as those included on other OFAC lists, including the List of Special Designated Nationals and Blocked Persons (SDN List) and the Sectoral Sanctions Identification (SSI) List.
