The Sectoral Sanctions Identifications List (the "SSI List")

This publication of Treasury's Office of Foreign Assets Control ("OFAC") is a reference tool providing actual notice of actions by OFAC with respect to persons that are identified pursuant to Executive Order 13662. The latest changes may appear here prior to their publication in the Federal Register, and it is intended that users rely on changes indicated in this document. Such changes reflect official actions of OFAC, and will be reflected as soon as practicable in the Federal Register under the index heading "Foreign Assets Control." New Federal Register notices with regard to identifications made under Executive Order 13662 may be published at any time. Users are advised to check the Federal Register and this electronic publication routinely for additional names or other changes to the listings. Entities and individuals on the list are occasionally licensed by OFAC to transact business with U.S. persons in anticipation of removal from the list or because of foreign policy considerations in unique circumstances. Licensing in anticipation of official Federal Register publication of a notice of removal based on the unblocking of an entity's or individual's property is reflected in this publication by the removal of an identified name from the list.

Description of the SSI List:
