

**United
Nations**

S/RES/1175 (1998)

19 June 1998

RESOLUTION 1175 (1998)

Adopted by the Security Council at its 3893rd meeting,
on 19 June 1998

The Security Council,

Recalling its previous relevant resolutions and in particular its resolutions 986 (1995) of 14 April 1995, 1111 (1997) of 4 June 1997, 1129 (1997) of 12 September 1997, 1143 (1997) of 4 December 1997, 1153 (1998) of 20 February 1998 and 1158 (1998) of 25 March 1998,

Welcoming the letter of the Secretary-General of 15 April 1998 (S/1998/330) annexing the summary of the report of the group of experts established pursuant to paragraph 12 of resolution 1153 (1998) and noting the assessment that under existing circumstances **Iraq** is unable to export petroleum or petroleum products sufficient to produce the total sum of 5.256 billion United States dollars referred to in resolution 1153 (1998),

Welcoming the letter of the Secretary-General of 29 May 1998 (S/1998/446) expressing his approval of the distribution plan submitted by the Government of **Iraq**,

Convinced of the need to continue the programme authorized by resolution 1153 (1998) as a temporary measure to provide for the humanitarian needs of the Iraqi people until fulfilment by the Government of **Iraq** of the relevant resolutions, including notably resolution 687 (1991) of 3 April 1991, allows the Council to take further action with regard to the prohibitions referred to in resolution 661 (1990) of 6 August 1990 in accordance with the provisions of those resolutions,

Reaffirming its endorsement, in paragraph 5 of resolution 1153 (1998), of the recommendations of the Secretary-General in his report of 1 February 1998 (S/1998/90) concerning an improved, ongoing and project-based distribution plan,

Reaffirming also the commitment of all Member States to the sovereignty and territorial integrity of **Iraq**,

Acting under Chapter VII of the Charter of the United Nations,

1. Authorizes States, subject to the provisions of paragraph 2 below, to permit, notwithstanding the provisions of paragraph 3 (c) of resolution 661 (1990), the export to **Iraq** of the necessary parts and equipment to enable **Iraq** to increase the export of petroleum and petroleum products, in quantities sufficient to produce the sum established in paragraph 2 of resolution 1153 (1998);
2. Requests the Committee established by resolution 661 (1990), or a panel of experts appointed by that Committee for this purpose, to approve contracts for the parts and equipment referred to in paragraph 1 above according to lists of parts and equipment approved by that Committee for each individual project;
3. Decides that the funds in the escrow account produced pursuant to resolution 1153 (1998) up to a total of 300 million United States dollars may be used to meet any reasonable expenses, other than expenses payable in **Iraq**, which follow directly from contracts approved in accordance with paragraph 2 above;
4. Decides also that the expenses directly related to such exports may, until the necessary funds are paid into the escrow account, and following approval of each contract, be financed by letters of credit drawn against future oil sales, the proceeds of which are to be deposited in the escrow account;
5. Notes that the distribution plan approved by the Secretary-General on 29 May 1998, or any new distribution plan agreed by the Government of **Iraq** and the Secretary-General, will remain in effect, as required, for each subsequent periodic renewal of the temporary humanitarian arrangements for **Iraq** and that, for this purpose, the plan will be kept under constant review and amended as necessary through the agreement of the Secretary-General and the Government of **Iraq** and in a manner consistent with resolution 1153 (1998);
6. Expresses its gratitude to the Secretary-General for making available to the Committee established by resolution 661 (1990) a comprehensive review, with comments by the group of experts established pursuant to paragraph 12 of resolution 1153 (1998), of the list of parts and equipment presented by the Government of **Iraq**, and requests the Secretary-General, in accordance with the intention expressed in his letter of 15 April 1998, to provide for the monitoring of the parts and equipment inside **Iraq**;
7. Decides to remain seized of the matter.
