Legal Representation in Matters Pending before the International Criminal Tribunal for the former Yugoslavia

The provision by a U.S. person of professional legal services relating to the representation of persons whose property or interests in property are blocked pursuant to § 588.201(a) in matters pending before the International Criminal Tribunal for the former Yugoslavia ("the Tribunal") is authorized. With respect to such representation, receipt of payment of professional fees and reimbursement of incurred expenses are authorized if such payments or reimbursements are made by the Tribunal. Such payments and reimbursements from any other source must be specifically licensed. Section 501.601 of the Reporting and Procedures Regulations (31 CFR part 501) requires that records on each transaction subject to this license be maintained and available for examination for a minimum of five years following the transaction date.
