with the entities listed in appendix A. A U.S. person also is prohibited from engaging in most transactions with entities located in Iran that are not owned or controlled by the Government of Iran. Public Participation

Because the amendment of the ITR involves a foreign affairs function, the provisions of Executive Order 12866 and the Administrative Procedure Act (5 U.S.C. 553) requiring notice of proposed rulemaking, opportunity for public participation, and delay in effective date are inapplicable. Because no notice of proposed rulemaking is required for this rule, the Regulatory Flexibility Act (5 U.S.C. 601–612) does not apply.

Paperwork Reduction Act

The collections of information related to the ITR are contained in 31 CFR part 501 (the “Reporting, Procedures and Penalties Regulations”). Pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3514), those collections of information have been approved by the Office of Management and Budget under the Paperwork Reduction Act of 1995 (44 U.S.C. 3507), those collections of information unless the person is not required to respond to, a person may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid control number.

§ 20. Amend Appendix A to Part 560 by revising the heading and introductory text, as well as redesignating paragraphs 19 and 20 as 22 and 23, respectively, and adding new paragraphs 19, 20, and 21, to read as follows:

This non-exhaustive appendix lists entities determined by the Office of Foreign Assets Control (“OFAC”) to be entities owned or controlled by the Government of Iran within the meaning of §§560.304 and 560.313 of this part 560. The entities listed below are considered to be entities owned or controlled by the Government of Iran when they operate not only from the locations listed below, but also from any other location. The names and addresses are subject to change. This part 560 contains prohibitions against engaging in most transactions with entities owned or controlled by the Government of Iran, whether such entities are located or incorporated inside or outside of Iran. Moreover, regardless of whether an entity is listed below, if the entity is owned or controlled by the Government of Iran, the prohibitions on engaging in transactions with the entity, wherever located worldwide, apply to the same extent they would apply if the entity were listed in this appendix. Note that the prohibitions in this part 560 also apply to transactions with entities located in Iran that are not owned or controlled by the Government of Iran. Finally, please be aware that certain entities listed in this appendix may be subject to further sanctions under other sanctions programs.
