DEPARTMENT OF THE TREASURY
Office of Foreign Assets Control
31 CFR Parts 560 and 575

Authorization of Certain Humanitarian Activities by Nongovernmental Organizations in Iraq and Iran

AGENCY: Office of Foreign Assets Control, Treasury.

ACTION: Interim final rule.

SUMMARY: The Office of Foreign Assets Control (“OFAC”) of the U.S. Department of the Treasury is adding new provisions to the Iraqi Sanctions Regulations, 31 CFR part 575, to facilitate certain humanitarian activities in and around Iraq. These new regulations provide for the establishment of a registration program that would authorize nongovernmental organizations to engage in humanitarian activities in the areas of Iraq not controlled by the Government of Iraq. They also permit certain humanitarian assessment missions in Iraq. Related regulations are being added to the Iranian Transactions Regulations, 31 CFR part 560, authorizing certain activities in Iran by nongovernmental organizations to the extent necessary to support authorized humanitarian activities in Iraq, as well as certain assessment activities in Iran.

Written comments must be received no later than May 12, 2003.

ADDRESSES: Comments may be submitted to the Chief of Records, ATTN: Request for Comments, Office of Foreign Assets Control, Department of the Treasury, 1500 Pennsylvania Avenue, NW., Washington, DC 20220. Alternatively, comments may be submitted via facsimile to the Chief of Records at (202) 622–1657 or via OFAC’s Web site <http://www.treas.gov/offices/enforcement/ofac/comment.html>.

SUPPLEMENTARY INFORMATION:

Background

On August 2, 1990, upon Iraq’s invasion of Kuwait, the President issued Executive Order 12722, declaring a national emergency with respect to Iraq. This order, issued under the authority of, inter alia, the International Emergency Economic Powers Act (50 U.S.C. 1701 et seq.), the National Emergencies Act (50 U.S.C. 1601 et seq.), and section 301 of title 3 of the U.S. Code, imposed economic sanctions, including a complete trade embargo, against Iraq. In keeping with United Nations Security Council Resolution 661 of August 6, 1990, and under the United Nations Participation Act (22 U.S.C. 287c), the President also issued Executive Order 12724 of August 9, 1990, which imposed additional restrictions. The Iraqi Sanctions Regulations, 31 CFR part 575, implement Executive Orders 12722 and 12724 and are administered by the Treasury Department’s Office of Foreign Assets Control (“OFAC”).

The new sections published today are intended to facilitate humanitarian activities with respect to Iraq, including certain activities in neighboring Iran that are directly incidental and essential to such humanitarian activities. Section 575.527 provides for the case-by-case authorization of nongovernmental organizations to conduct certain defined humanitarian activities in the areas of Iraq not controlled by the Government of Iraq. These provisions incorporate the procedures and requirements set forth in 31 CFR 561.801(c) with respect to the application for obtaining a registration number. Applications from interested
nongovernmental organizations should be submitted to OFAC as described in section 575.527. Section 575.528 authorizes, by general license, more limited survey or assessment missions in Iraq (including those areas controlled by the Government of Iraq).

Sections 575.329 and 575.330 provide definitions of the terms “areas of Iraq not controlled by the Government of Iraq,” “humanitarian activities,” “humanitarian purposes,” and “humanitarian support.”

Section 560.536 provides that nongovernmental organizations authorized by specific license or under the new provisions of the Iraqi Sanctions Regulations may conduct certain activities in Iran that are directly incidental to their authorized humanitarian activities in Iraq. Section 560.537 authorizes such organizations to conduct limited survey or assessment missions in Iran pertaining to the planning of or preparation for the provision of humanitarian support to the Iraqi people.

Where relevant, each of the regulatory changes referenced above indicates that, with limited exceptions, exportations and re-exportations to Iraq and Iran remain proscribed. To the extent that nongovernmental organizations seek specific authorization from OFAC for the exportation or re-exportation of any item to Iraq or Iran, they are advised to ascertain the Export Control Classification Number assigned to the item by the Department of Commerce’s Bureau of Industry and Security prior to submitting their request to OFAC.

Request for Comments

Because amendment of these regulations involves a foreign affairs function, the provisions of Executive Order 12866 and the Administrative Procedure Act (5 U.S.C. 553) (the “APA”) requiring notice of proposed rulemaking, opportunity for public participation, and delay in effective date, are inapplicable. However, because of the importance of the issues addressed in these regulations, this rule is being issued in interim form and comments will be considered in the development of final regulations. Accordingly, the Department encourages interested persons who wish to comment to do so at the earliest possible time to permit the fullest consideration of their views. Comments may address the impact of the Regulations on the submitter’s activities, whether of a commercial, non-commercial or humanitarian nature, as well as changes that would improve the clarity and organization of the Regulations.

The period for submission of comments will close May 12, 2003. The address for submitting comments appears near the beginning of this notice. The Department will consider all comments received before the close of the comment period in developing final regulations. Comments received after the end of the comment period will be considered if possible, but their consideration cannot be assured. The Department will not accept public comments accompanied by a request that a part or all of the submission be treated confidentially because of its business proprietary nature or for any other reason. The Department will return such a submission to the originator without considering the comments in the development of final regulations. In the interest of accuracy and completeness, the Department requires comments in written form.

All public comments on these Regulations will be a matter of public record. Copies of the public record concerning these Regulations will be made available not sooner than June 10, 2003 and will be obtainable from OFAC’s Web site <http://www.treas.gov/ofac>. If that service is unavailable, written requests for copies may be sent to Office of Foreign Assets Control, U.S. Department of the Treasury, 1500 Pennsylvania Ave. NW., Washington, DC 20220, Attn: Chief, Records Division.

7. Add a new §575.527 to subpart E to read as follows:

§575.527 Registration of nongovernmental organizations for humanitarian activities. (a) Registration numbers may be issued on a case-by-case basis for the registration of nongovernmental organizations involved in humanitarian activities in areas of Iraq not controlled by the Government of Iraq, authorizing transactions by such organizations otherwise prohibited by this part, including the exportation of services, certain goods, software, or technology to area of Iraq not controlled by the Government of Iraq and the transfer of funds to and from such areas for humanitarian purposes. Applicants for registration numbers must comply with the requirements of §501.801(c), 31 CFR chapter V.

(b) Successful applicants for registration under this section must comply with the following conditions:

(1) No goods or technology, whether U.S. or foreign origin, of types controlled under the Department of Commerce’s Export Administration Regulations for exportation or re-exportation to Iraq, controlled on the United States Munitions List, or listed on the United Nations Goods Review List may be exported or re-exported to Iraq or purchased or used locally in Iraq.

(c) This section does not authorize transfers from blocked accounts.

Note to §575.527: Registration does not excuse a U.S. person from compliance with other provisions of 31 CFR chapter V or with applicable U.S. laws governing the exportation or re-exportation of U.S.-origin goods, software, or technology (including technical data) to Iraq, Iran, or other countries. See, e.g., the Export Administration Regulations administered by the U.S. Department of Commerce (15 CFR chapter VII, subchapter C) and the International Traffic in Arms Regulations (22 CFR chapters 120–130) administered by the Department of State.

Section 553 of the Administrative Procedure Act (APA). 5 U.S.C. 553(b)(B), provides that, when an agency for good cause finds that notice and public procedure are impracticable, unnecessary, or contrary to the public interest, the agency may issue a rule without providing notice and an opportunity for public comment. We have determined that there is good cause for making today’s action final without prior proposal and opportunity for comment because the changes to the rule are minor technical corrections, are noncontroversial, and do not substantively change the requirements of the rule. Thus, notice and public procedure are unnecessary. We find that this constitutes good cause under 5 U.S.C. 553(b)(B) (see also the final sentence of section 307(d)(1) of the Clean Air Act, 42 U.S.C. 7607(d)(1), indicating that the good cause provisions of the APA continue to apply to this type of rulemaking under the Clean Air Act).

Section 553(d)(3) allows an agency, upon a finding of good cause, to make a rule effective immediately. Because today’s changes do not substantively change the requirements of the rule, we find good cause to make these technical corrections effective immediately.
