**Designation of Jamil Mukulu Pursuant to Executive Order 13413**

The U.S. Department of the Treasury's Office of Foreign Assets Control (OFAC) today designated Jamil Mukulu, Commander of the Allied Democratic Forces (ADF), for his role as head of a foreign armed group operating in the Democratic Republic of the Congo (DRC) that impedes the disarmament, repatriation, or resettlement of combatants.

The ADF is a Uganda-based armed rebel group that operates regionally, including from bases in eastern DRC. Today's action was taken pursuant to Executive Order 13413, which targets individuals and entities determined to be contributing to the conflict in the DRC. Mukulu is also the subject of a February 2011 INTERPOL red notice for his connection with terrorism.

As a result of today's action, U.S. persons are generally prohibited from engaging in transactions with Mukulu and any assets he may have under U.S. jurisdiction are frozen.
