(i) Applications for licenses to export or reexport items to meet the needs of the Cuban people, including exports and reexports of such items to state-owned enterprises, agencies, and other organizations of the Cuban government that provide goods and services for the use and benefit of the Cuban people may be authorized on a case-by-case basis. This policy of case-by-case review includes applications for licenses to export or reexport items for:

(A) Agricultural production, artistic endeavors (including the creation of public content, historic and cultural works and preservation), education, food processing, disaster preparedness, relief and response, public health and sanitation, residential construction and renovation and public transportation;

(B) Wholesale and retail distribution for domestic consumption by the Cuban people;

Note 2 to paragraph (b)(3)(i): The policy of case-by-case review in this paragraph is intended to facilitate exports and reexports to meet the needs of the Cuban people. Accordingly, BIS generally will deny applications to export or reexport items for use by state-owned enterprises, agencies, and other organizations that primarily generate revenue for the state, including those engaged in tourism and those engaged in the extraction or production of minerals or other raw materials. Applications for export or reexport of items related to the Cuban military, police, intelligence or security services also generally will be denied.

(ii) Applications for exports or reexports of aircraft or vessels on temporary sojourn to Cuba either to deliver humanitarian goods or services, or consistent with the foreign policy interests of the United States, may be authorized on a case-by-case basis.

BILLING CODE 3510–33–P

DEPARTMENT OF THE TREASURY
Office of Foreign Assets Control

31 CFR Part 515
Cuban Assets Control Regulations

AGENCY: Office of Foreign Assets Control, Treasury.

ACTION: Final rule.

SUMMARY: The Department of the Treasury’s Office of Foreign Assets Control (OFAC) is amending the Cuban Assets Control Regulations to further implement elements of the policy announced by the President on December 17, 2014 to engage and empower the Cuban people. These amendments remove certain payment and financing restrictions for authorized exports and reexports to Cuba of items other than agricultural items or commodities and further facilitate travel to Cuba for authorized purposes by allowing blocked space, code-sharing, and leasing arrangements with Cuban airlines and authorizing additional travel-related and other transactions directly incident to the temporary sojourn of aircraft and vessels. These amendments also authorize additional transactions related to professional meetings and other events, disaster preparedness and response projects, and information and informational materials, including transactions incident to professional media or artistic productions in Cuba.

SUPPLEMENTARY INFORMATION:

Electronic and Facsimile Availability

This document and additional information concerning OFAC are available from OFAC’s Web site (www.treasury.gov/ofac). Certain general information pertaining to OFAC’s sanctions programs also is available via facsimile through a 24-hour fax-on-demand service, tel.: 202–622–0077.

Background

The Department of the Treasury issued the Cuban Assets Control Regulations, 31 CFR part 515 (the “Regulations”), on July 8, 1963, under the Trading With the Enemy Act (50 U.S.C. App. 5 et seq.). OFAC has amended the Regulations on numerous occasions.

Most recently, on January 16 and September 21, 2015, OFAC amended the Regulations, in coordinated actions with the Department of Commerce, to implement certain policy measures announced by the President on December 17, 2014 to further engage and empower the Cuban people. Today, OFAC and the Department of Commerce are taking additional coordinated actions in support of the President’s Cuba policy.

The Department of Commerce is amending the exceptions to the general policy of denial in the Export Administration Regulations (EAR) for exports and reexports to Cuba by identifying additional types of exports and reexports that are subject to a general policy of approval, including items for safety of civil aviation and safe operation of commercial aircraft engaged in international air transportation. Commerce is also amending the exception to the general policy of denial in the EAR for exports and reexports to Cuba by identifying types of exports and reexports that will be reviewed to determine, on a case-by-case basis, whether such transactions meet the needs of the Cuban People.

OFAC is making additional amendments to the Regulations with respect to non-agricultural export trade financing and travel and related services, as set forth below.

Non-Agricultural Export Trade Financing

OFAC is amending section 515.533(a) to remove the former limitations on payment and financing terms for all exports from the United States or reexports of 100 percent U.S.-origin items from a third country that are licensed or otherwise authorized by the Department of Commerce, other than exports of agricultural items or commodities. As required by the Trade
Sanctions Reform and Export Enhancement Act of 2000, 22 U.S.C. 7207(b)(1), such agricultural exports continue to be authorized only if one of the payment and financing terms specified in the statute are used. OFAC also is amending section 515.584 to add an authorization for depository institutions to provide financing for such authorized exports and making a conforming change to section 515.421.

Travel and Related Services

Carrier services by air. In parallel with the Department of Commerce’s amendments relating to the safety of civil aviation, OFAC is amending section 515.572 to authorize the entry into blocked space, code-sharing, and leasing arrangements to facilitate the provision of carrier services by air authorized pursuant to section 515.572(a)(2), including the entry into such arrangements with a national of Cuba.

Temporary sojourn. OFAC is amending section 515.533 to authorize travel-related and other transactions directly incident to the facilitation of the temporary sojourn of aircraft and vessels as authorized by the Department of Commerce for travel between the United States and Cuba, including by certain personnel required for normal operation and service on board a vessel or aircraft to provide services to a vessel in port or aircraft on the ground.

Transactions related to information and informational materials. OFAC is amending section 515.545 to expand the list of authorized humanitarian projects to include disaster preparedness and response.

Public Participation

Because the amendments of the Regulations involve a foreign affairs function, Executive Order 12866 and the provisions of the Administrative Procedure Act (5 U.S.C. 553) requiring notice of proposed rulemaking, opportunity for public participation, and delay in effective date are inapplicable. Because no notice of proposed rulemaking is required for this rule, the Regulatory Flexibility Act (5 U.S.C. 601–612) does not apply.

Paperwork Reduction Act

The collections of information related to the Regulations are contained in 31 CFR part 501 (the “Reporting, Procedures and Penalties Regulations”) and section 515.572 of this part. Pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3507), those collections of information are covered by the Office of Management and Budget under control numbers 1505–0164, 1505–0167, and 1505–0168. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid control number.
