have evaluated this rule under the Department's consultation policy and have identified substantial direct effects on federally recognized Indian Tribes that will result from this rule. This rule will relieve a regulatory burden from Tribes and allow time for consultation on an appropriate replacement or deletion of regulatory requirements.

I. Paperwork Reduction Act

This rule contains information collection requirements, and the Office of Management and Budget (OMB) has approved the information collections under the Paperwork Reduction Act (PRA) under OMB Control Number 1076–0161, which expires December 31, 2019. Please note that an agency may not sponsor or request, and an individual need not respond to, a collection of information unless it displays a valid OMB Control Number.

J. National Environmental Policy Act

This rulemaking does not constitute a major Federal action significantly affecting the quality of the human environment because it is of an administrative, technical, and procedural nature. It is therefore subject to categorical exclusion, see 43 CFR 46.210(i), and no extraordinary circumstances exist, see 43 CFR 46.215.

K. Effects on the Energy Supply (E.O. 13211)

This rulemaking is not a significant energy action under the definition in E.O. 13211. A Statement of Energy Effects is not required.

L. Clarity of This Regulation

We are required by Executive Orders 12866 (section 1(b)(12)), and 12988 (section 3(b)(1)(B)), and 13563 (section 1(a)), and by the Presidential Memorandum of June 1, 1998, to write all rules in plain language. This means that each rule we publish must:
(a) Be logically organized;
(b) Use the active voice to address readers directly;
(c) Use common, everyday words and clear language rather than jargon;
(d) Be divided into short sections and sentences; and
(e) Use lists and tables wherever possible.

If you feel that we have not met these requirements, send us comments by one of the methods listed in the ADDRESSES section. To better help us revise the rule, your comments should be as specific as possible. For example, you should tell us the numbers of the sections or paragraphs that you find unclear, which sections or sentences are too long, the sections where you think lists or tables would be useful, etc.

M. E.O. 13771: Reducing Regulation and Controlling Regulatory Costs

Background

CAATSA. The President signed CAATSA into law on August 2, 2017. Section 105 of CAATSA requires the President to impose the sanctions applicable with respect to a foreign person pursuant to E.O. 13224 on Iran’s Islamic Revolutionary Guard Corps (IRGC) and foreign persons that are officials, agents, or affiliates of the IRGC. Such sanctions must be imposed beginning on the date that is 90 days after enactment of CAATSA, which is October 31, 2017. Section 111(b) of CAATSA provides that the President may exercise all authorities provided under sections 203 and 205 of the International Emergency Economic Powers Act (50 U.S.C. 1702 and 1704) to carry out the purposes of CAATSA. Pursuant to Presidential Memorandum of October 11, 2017: Delegation of Certain Functions and Authorities under the Countering America’s Adversaries Through Sanctions Act of 2017, the President delegated to the Secretary of State and the Secretary of the Treasury the functions and authorities vested in the President by section 105(b) of CAATSA.
to be exercised in consultation with each other and commensurate with their respective areas of responsibility set forth in previous Presidential actions under the International Emergency Economic Powers Act (50 U.S.C. 1701 et seq.), including E.O. 13224, and the functions and authorities set forth in section 111(b) of CAATSA to be exercised commensurate with their respective areas of responsibility set forth in the delegation memorandum.

Sanctions applicable with respect to a foreign person pursuant to E.O. 13224. E.O. 13224 blocks and prohibits all transactions in, with certain exceptions, all property and interests in property of foreign persons listed in the Annex to E.O. 13224 or persons designated pursuant to criteria set forth in that order by the Secretary of State or the Secretary of the Treasury. On October 13, 2017, OFAC designated the IRGC pursuant to E.O. 13224 and consistent with the CAATSA for its activities in support of the IRGC-Qods Force (82 FR 48591, October 18, 2017), which was designated pursuant to E.O. 13224 on October 25, 2007 (72 FR 65837, November 23, 2007).

Regulatory action. OFAC is taking this regulatory action pursuant to section 105(b) of CAATSA to extend the sanctions applicable pursuant to E.O. 13224 to foreign persons that are officials, agents, or affiliates of the IRGC. Subpart B of the Regulations currently implements the prohibitions contained in E.O. 13224. See, e.g., §§ 594.201 and 594.204. With this rule, OFAC is adding § 594.201(a)(5) to Subpart B of the Regulations to include the following as persons whose property and interests in property are blocked pursuant to the Regulations: Foreign persons that are identified on the Specially Designated Nationals and Blocked Persons List (SDN List) maintained by OFAC as officials, agents, or affiliates of the IRGC.

The names of persons whose property and interests in property are blocked pursuant to § 594.201(a) are published in the Federal Register and incorporated into OFAC’s SDN List with the identifier “[SDGT].” Persons who have been identified by OFAC as officials, agents, or affiliates of the IRGC are identified by a special reference to the “IRGC” at the end of their entries on the SDN List. Additional information pertaining to the SDN List can be found in appendix A to this chapter. See § 594.412 concerning entities that may not be listed on the SDN List but whose property and interests in property are nevertheless blocked pursuant to paragraph (a) of this section.

Drawbridge Operation Regulation; China Basin, San Francisco, CA

AGENCY: Coast Guard, DHS.

ACTION: Notice of deviation from drawbridge regulation.

SUMMARY: The Coast Guard has issued a temporary deviation from the operating schedule that governs the 3rd Street Drawbridge across China Basin, mile 0.0 at San Francisco, CA. The deviation is necessary to allow participants to cross the bridge during the Leukemia Lymphoma Society Light the Night Walk. This deviation allows the bridge to remain in the closed-to-navigation position during the deviation period.

DATES: This deviation is effective from 6 p.m. to 9 p.m. on November 16, 2017.

ADDRESSES: The docket for this deviation, USCG–2017–1012, is available at http://www.regulations.gov. Type the docket number in the “SEARCH” box and click “SEARCH.” Click on Open Docket Folder on the line associated with this deviation.

FOR FURTHER INFORMATION CONTACT: If you have questions on this temporary deviation, call or email Carl T. Hausner, Chief, Bridge Section, Eleventh Coast Guard District; telephone 510–437–3516; email Carl.T.Hausner@uscg.mil.

SUPPLEMENTARY INFORMATION: The City of San Francisco has requested a temporary change to the operation of the 3rd Street Drawbridge over China Basin, mile 0.0, at San Francisco, CA. The drawbridge navigation span provides a vertical clearance of 3 feet above Mean High Water in the closed-to-navigation position. The draw opens on signal if at least one hour notice is given, as required by 33 CFR 117.149. Navigation on the waterway is recreational. The drawspan will be secured in the closed-to-navigation position from 6 p.m. to 9 p.m. on November 16, 2017, to allow participants to cross the bridge during the Leukemia Lymphoma Society Light the Night Walk. This temporary deviation has been coordinated with the waterway users. No objections to the proposed temporary deviation were raised. Vessels able to pass through the bridge in the closed position may do so at anytime. The bridge will be able to open for emergencies and there is no immediate alternate route for vessels to pass. The Coast Guard will also inform the users of the waterway through our Local and Broadcast Notices to Mariners of the change in operating schedule for the bridge so that vessel operators can arrange their transits to minimize any impact caused by the temporary deviation.

In accordance with 33 CFR 117.35(e), the drawbridge must return to its regular operating schedule immediately at the end of the effective period of this temporary deviation. This deviation from the operating regulations is authorized under 33 CFR 117.35.

II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because doing so would be impracticable and contrary to the public interest. Immediate action is needed to respond to the potential safety hazards associated with a boat parade. The Coast Guard received information on October 5, 2017 regarding the operations beginning on November 25, 2017. The operation would begin before the rulemaking process would be completed. Because of the dangers posed by the parade, the safety zone is necessary to provide for the safety of persons, vessels, and the marine environment in the event area. Therefore, it is impracticable and contrary to the public interest to delay promulgating this rule, as it is necessary to protect the safety of waterway users.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the Federal Register. Delaying the effective date of this rule would be impracticable because immediate action is needed to respond to the potential safety hazards associated with the boat parade.
