

Agreement between the United States of America and the Republic of Austria for Cooperation to Facilitate the Implementation of FATCA

Whereas, the United States of America and the Republic of Austria (each, a “Party,” and together, the “Parties”) seek to build on their existing relationship with respect to mutual assistance in tax matters and desire to conclude an agreement to improve their cooperation in combating international tax evasion;

Whereas, Article 25 of the Convention between the United States of America and the Republic of Austria for the Avoidance of Double Taxation and the Prevention of Fiscal Evasion with Respect to Taxes on Income, signed May 31, 1996 (the “Convention”), as it may be amended, authorizes the exchange of information for tax purposes;

Whereas, the United States of America enacted provisions commonly known as the Foreign Account Tax Compliance Act (“FATCA”), which introduce a reporting regime for financial institutions with respect to certain accounts;

Whereas, the Republic of Austria is supportive of the underlying policy goal of FATCA to improve tax compliance;

Whereas, FATCA has raised a number of issues, including that Austrian financial institutions may not be able to comply with certain aspects of FATCA due to domestic legal impediments;

Whereas, intergovernmental cooperation to facilitate FATCA implementation would address these issues and reduce burdens for Austrian financial institutions;

Whereas, the Parties desire to conclude an agreement to provide for cooperation to facilitate the implementation of FATCA based on direct reporting by Austrian financial institutions to the U.S. Internal Revenue Service, supplemented by the exchange of information upon request pursuant to the Convention, and subject to the confidentiality and other protections provided for therein, including the provisions limiting the use of the information exchanged under the Convention;

Now, therefore, the Parties have agreed as follows:

Article 2

Reporting and Exchange of Information

1. **Directive to Austrian Financial Institutions.** Austria agrees to direct and enable, and hereby directs and enables, all Reporting Austrian Financial Institutions to:
 - a) register on the IRS FATCA registration website with the IRS by July 1, 2014, and comply with the requirements of an FFI Agreement, including with respect to due diligence, reporting, and withholding;
 - b) with respect to Financial Accounts maintained by Reporting Austrian Financial Institutions as of June 30, 2014 identified as U.S. Accounts,
 - (i) request from each Account Holder the Account Holder’s U.S. TIN and consent to report and simultaneously inform the Account Holder in writing that, if the U.S. TIN and consent are not given, (1) aggregate information about the account shall be reported to the IRS, (2) information about the account may give rise to a group request by the IRS for specific information about the account, (3) in such case, the account information shall be transmitted to the Austrian tax administration, and (4) the Austrian tax administration may exchange this information with the IRS in accordance with paragraph 2 of this Article;
 - (ii) report annually to the IRS, in the time and manner required by an FFI Agreement and relevant U.S. Treasury Regulations, the aggregate information required with respect to Non-Consenting U.S. Accounts;
 - c) with respect to accounts of, or obligations to, Nonparticipating Financial Institutions that exist as of June 30, 2014, and in connection with which the

Reporting Austrian Financial Institution expects to pay a Foreign Reportable Amount,

- (i) with respect to calendar years 2015 and 2016, request from each such Nonparticipating Financial Institution the Nonparticipating Financial Institution's consent to report and simultaneously inform the Nonparticipating Financial Institution in writing that, if such consent is not given, (1) aggregate information about Foreign Reportable Amounts paid to the Nonparticipating Financial Institution shall be reported to the IRS, (2) such information may give rise to a group request by the IRS for specific information about the account or obligation, (3) in such case, the information about the account or obligation shall be transmitted to the Austrian tax administration, and (4) the Austrian tax administration may exchange this information with the IRS in accordance with paragraph 2 of this Article;
 - (ii) with respect to calendar years 2015 and 2016, report to the IRS the number of non-consenting Nonparticipating Financial Institutions to which Foreign Reportable Amounts were paid during the year and the aggregate value of all such payments no later than January 31 of the year following the year to which the information relates;
- d) with respect to New Accounts identified as U.S. Accounts, obtain from each Account Holder consent to report, consistent with the requirements of an FFI Agreement, as a condition of account opening; and
 - e) with respect to new accounts opened by, or obligations entered into with, a Nonparticipating Financial Institution on or after July 1, 2014, and in connection with which the Reporting Austrian Financial Institution expects to pay a Foreign Reportable Amount, obtain from each such Nonparticipating Financial Institution consent to report, consistent with the requirements of an FFI Agreement, as a condition of opening the account, or entering into the obligation.

2. **Exchange of Information.**

- a) In the context of FATCA implementation, the U.S. Competent Authority may make group requests to the Austrian Competent Authority based on the aggregate information reported to the IRS pursuant to the directive described in subparagraphs 1(b)(ii) and 1(c)(ii) of this Article, for all the information about Non-Consenting U.S. Accounts and Foreign Reportable Amounts paid to Nonparticipating Financial Institutions that the Reporting Austrian Financial Institution would have had to report under an FFI Agreement had it obtained consent. Such requests shall be made pursuant to Article 25 of the Convention and shall apply to information for the time period beginning on or after July 1, 2014.

- b) The information requested pursuant to subparagraph 2(a) of this Article shall be considered information that is foreseeably relevant for carrying out the administration or enforcement of the domestic laws of the United States concerning taxes covered by the Convention and under which taxation is not contrary to the Convention, without regard to whether the Reporting Austrian Financial Institution or another party has contributed to non-compliance of the taxpayers in the group request.
- c) The Austrian Competent Authority shall, within eight months of the receipt of the group request, provide the U.S. Competent Authority with all such requested information in the same format in which the information would have been reported if it had been reported directly to the IRS by the Reporting Austrian Financial Institution. The Austrian Competent Authority shall notify the U.S. Competent Authority and the relevant Reporting Austrian Financial Institution if there will be any delay in the exchange of the requested information. In such case, the provisions of subparagraph 2(b) of Article 3 of this Agreement shall apply with respect to the Reporting Austrian Financial Institution, and the Austrian Competent Authority must exchange the requested information with the U.S. Competent Authority as soon as possible.
- d) Notwithstanding subparagraph 2(c) of this Article, the Austrian Competent Authority is not required to obtain and exchange the U.S. TIN of the Account Holder of a Non-Consenting U.S. Account if such U.S. TIN is not in the records of the Reporting Austrian Financial Institution. In such a case, the Austrian Competent Authority shall obtain and include in the exchanged information the date of birth of the relevant person, if the Reporting Austrian Financial Institution has such date of birth in its records.

Article 3

Application of FATCA to Austrian Financial Institutions

1. **Treatment of Reporting Austrian Financial Institutions.** Subject to the provisions of paragraph 2 of Article 4 of this Agreement, each Reporting Austrian Financial Institution that registers with the IRS on the IRS FATCA registration website and complies with the terms of an FFI Agreement shall be treated as complying with the requirements of, and as not subject to withholding under, section 1471 of the U.S. Internal Revenue Code.

2. **Suspension of Rules Relating to Non-Consenting U.S. Accounts.**

- a) Subject to subparagraph 2(b) of this Article, the United States shall not require a Reporting Austrian Financial Institution to withhold tax under section 1471 or 1472 of the U.S. Internal Revenue Code with respect to an account held by a recalcitrant account holder (as defined in section 1471(d)(6) of the U.S. Internal Revenue Code), or to close such account, if:

- (i) the Reporting Austrian Financial Institution complies with the directives in paragraph 1 of Article 2 of this Agreement with respect to the account; and
 - (ii) the Austrian Competent Authority exchanges with the U.S. Competent Authority the requested information described in subparagraph 2(a) of Article 2 of this Agreement within eight months from the date of the receipt of such request.
- b) If the condition of subparagraph 2(a)(ii) of this Article is not fulfilled, the Reporting Austrian Financial Institution shall be required either to immediately close the account or to treat the account as held by a recalcitrant account holder as defined in relevant U.S. Treasury Regulations, including by withholding tax where required by those U.S. Treasury Regulations, beginning on the date that is eight months after the date of the receipt of the request described in subparagraph 2(a) of Article 2 of this Agreement and ending on the date on which the Austrian Competent Authority exchanges the requested information with the U.S. Competent Authority.

3. **Specific Treatment of Austrian Retirement Plans.** The United States shall treat as deemed-compliant FFIs or exempt beneficial owners, as appropriate, for purposes of sections 1471 and 1472 of the U.S. Internal Revenue Code, Austrian retirement plans described in Annex II. For this purpose, an Austrian retirement plan includes an Entity established or located in, and regulated by, Austria, or a predetermined contractual or legal arrangement, operated to provide pension or retirement benefits or earn income for providing such benefits under the laws of Austria and regulated with respect to contributions, distributions, reporting, sponsorship, and taxation.

4. **Identification and Treatment of Other Deemed Compliant FFIs and Exempt Beneficial Owners.** The United States shall treat each Non-Reporting Austrian Financial Institution as a deemed-compliant FFI or as an exempt beneficial owner, as appropriate, for purposes of section 1471 of the U.S. Internal Revenue Code.

5. **Special Rules Regarding Related Entities and Branches That Are Nonparticipating Financial Institutions.** If an Austrian Financial Institution, that otherwise meets the requirements described in Article 2 of this Agreement or is described in paragraph 3 or 4 of this Article, has a Related Entity or branch that operates in a jurisdiction that prevents such Related Entity or branch from fulfilling the requirements of a participating FFI or deemed-compliant FFI for purposes of section 1471 of the U.S. Internal Revenue Code or has a Related Entity or branch that is treated as a Nonparticipating Financial Institution solely due to the expiration of the transitional rule for limited FFIs and limited branches under relevant U.S. Treasury Regulations, such Austrian Financial Institution shall continue to be treated as a participating FFI, deemed-compliant FFI, or exempt beneficial owner, as appropriate, for purposes of section 1471 of the U.S. Internal Revenue Code, provided that:

- a) the Austrian Financial Institution treats each such Related Entity or branch as a separate Nonparticipating Financial Institution and each such Related Entity or

branch identifies itself to withholding agents as a Nonparticipating Financial Institution;

- b) each such Related Entity or branch identifies its U.S. accounts and reports to the IRS the information with respect to those accounts as required under section 1471 of the U.S. Internal Revenue Code to the extent permitted under the relevant laws pertaining to the Related Entity or branch; and
- c) such Related Entity or branch does not specifically solicit U.S. accounts held by persons that are not resident in the jurisdiction where such Related Entity or branch is located or accounts held by Nonparticipating Financial Institutions that are not established in the jurisdiction where such Related Entity or branch is located, and such Related Entity or branch is not used by the Austrian Financial Institution or any other Related Entity to circumvent the obligations under this Agreement or under section 1471 of the U.S. Internal Revenue Code, as appropriate.

6. **Coordination of Definitions with U.S. Treasury Regulations.** Notwithstanding Article 1 of this Agreement and the definitions provided in the Annexes to this Agreement, in implementing this Agreement, Austria may use, and may permit Austrian Financial Institutions to use, a definition in relevant U.S. Treasury Regulations in lieu of a corresponding definition in this Agreement, provided that such application would not frustrate the purposes of this Agreement.

Article 4 Verification and Enforcement

1. **Minor and Administrative Errors.** Consistent with the terms of an FFI Agreement, the U.S. Competent Authority may make an inquiry directly to a Reporting Austrian Financial Institution where it has reason to believe that administrative errors or other minor errors may have led to incorrect or incomplete information reporting inconsistent with the requirements of an FFI Agreement. The competent authority agreement or arrangement may provide that the U.S. Competent Authority would notify the Austrian Competent Authority when the U.S. Competent Authority makes such an inquiry of a Reporting Austrian Financial Institution regarding the Reporting Austrian Financial Institution's compliance with the conditions set forth in this Agreement.

2. **Significant Non-Compliance.** The U.S. Competent Authority shall notify the Austrian Competent Authority when the U.S. Competent Authority has determined that there is significant non-compliance with the requirements of an FFI Agreement or this Agreement with respect to a Reporting Austrian Financial Institution. If the non-compliance is not resolved within a period of 12 months after notification of significant non-compliance is first provided by the U.S. Competent Authority, the United States shall treat the Reporting Austrian Financial Institution as a Nonparticipating Financial Institution pursuant to this paragraph 2.

3. **Competent Authority Agreement or Arrangement.** The Competent Authorities of Austria and the United States shall enter into an agreement or arrangement under the mutual agreement procedure provided for in Article 24 of the Convention which shall:

- a) establish the procedures for the exchange of information described in paragraph 2 of Article 2 of this Agreement; and
- b) prescribe rules and procedures as may be necessary to implement this Article.

4. **Reliance on Third Party Service Providers.** In accordance with the provisions of an FFI Agreement and relevant U.S. Treasury Regulations, Reporting Austrian Financial Institutions may use third party service providers to fulfill the requirements of an FFI Agreement, but these requirements shall remain the responsibility of the Reporting Austrian Financial Institutions.

Article 5 Treatment of Passthru Payments and Gross Proceeds

The Parties are committed to work together, along with Partner Jurisdictions, to develop a practical and effective alternative approach to achieve the policy objectives of foreign passthru payment and gross proceeds withholding that minimizes burden.

Article 6 Consistency in the Application of FATCA to Partner Jurisdictions

1. Austria shall be granted the benefit of any more favorable terms under Article 3 or Annex I of this Agreement relating to the application of FATCA to Austrian Financial Institutions afforded to another Partner Jurisdiction under a signed bilateral agreement pursuant to which the other Partner Jurisdiction commits to undertake the same obligations as Austria described in Article 2 of this Agreement, and subject to the same terms and conditions as described therein and in Articles 4, 6, 8, and 9 of this Agreement.

2. The United States shall notify Austria of any such more favorable terms, and such more favorable terms shall apply automatically under this Agreement as if such terms were specified in this Agreement and effective as of the date of the entry into force of the agreement incorporating the more favorable terms, unless Austria declines the application thereof.

Article 7 Reciprocal Information Exchange

Consistent with its obligations under the Convention, the United States shall continue to cooperate with Austria to respond to requests pursuant to the Convention to collect and exchange information on accounts held in U.S. financial institutions by residents of Austria. In addition, when and to the extent Austria seeks to collaborate with the United States to implement FATCA based on direct reporting by Austrian Financial Institutions to Austria, followed by the transmission of such information to the United States, the United States is willing to negotiate such an agreement on a reciprocal basis on the same terms and conditions as similar agreements concluded with Partner Jurisdictions, subject to the Parties having determined that the standards of confidentiality and other prerequisites for such cooperation are fulfilled.

Article 8
Consultations and Amendments

1. In case any difficulties in the implementation or interpretation of this Agreement arise, either Party may request consultations to develop appropriate measures to ensure the fulfillment of this Agreement.
2. This Agreement may be amended by written mutual agreement of the Parties. Unless otherwise agreed upon, such an amendment shall enter into force through the same procedures as set forth in paragraph 1 of Article 10 of this Agreement.

Article 9
Annexes

The Annexes form an integral part of this Agreement.

Article 10
Term of Agreement

1. This Agreement shall enter into force on the date of Austria's written notification to the United States that Austria has completed its necessary internal procedures for entry into force of this Agreement and shall continue in force until terminated.
2. Either Party may terminate this Agreement by giving notice of termination in writing to the other Party. Such termination shall become effective on the first day of the month following the expiration of a period of 12 months after the date of the notice of termination.

In witness whereof, the undersigned, being duly authorized thereto by their respective Governments, have signed this Agreement.

ANNEX I

DUE DILIGENCE OBLIGATIONS FOR IDENTIFYING AND REPORTING ON U.S. ACCOUNTS AND ON PAYMENTS TO CERTAIN NONPARTICIPATING FINANCIAL INSTITUTIONS

I. General.

A. Reporting Austrian Financial Institutions must identify U.S. Accounts and accounts held by Nonparticipating Financial Institutions in accordance with the due diligence procedures contained in this Annex I.

B. For purposes of the Agreement,

1. All dollar amounts are in U.S. dollars and shall be read to include the equivalent in other currencies.

2. Except as otherwise provided herein, the balance or value of an account shall be determined as of the last day of the calendar year, or in the case of a Cash Value Insurance Contract or an Annuity Contract, as of the last day of the calendar year or the most recent contract anniversary date.

3. Subject to subparagraph E(1) of section II of this Annex I, an account shall be treated as a U.S. Account beginning as of the date it is identified as such pursuant to the due diligence procedures in this Annex I.

4. Unless otherwise provided, information with respect to a U.S. Account must be reported annually in the calendar year following the year to which the information relates.

C. As an alternative to the procedures described in each section of this Annex I, Reporting Austrian Financial Institutions may rely on the procedures described in relevant U.S. Treasury Regulations to establish whether an account is a U.S. Account or an account held by a Nonparticipating Financial Institution, except that if an account is treated as held by a recalcitrant account holder under procedures described in relevant U.S. Treasury Regulations, such account shall be treated as a U.S. Account for purposes of this Agreement. Reporting Austrian Financial Institutions may make such election separately for each section of this Annex I either with respect to all relevant Financial Accounts or, separately, with respect to any clearly identified group of such accounts (such as by line of business or the location of where the account is maintained). Except as otherwise provided in an FFI Agreement, once a Reporting Austrian Financial Institution has chosen to rely on the procedures in relevant U.S. Treasury Regulations with respect to any group of accounts, such Reporting Austrian Financial Institution must continue to apply such procedures consistently in all subsequent years, unless there has been a material modification to relevant U.S. Treasury Regulations.

II. **Preexisting Individual Accounts.** The following rules and procedures apply for purposes of identifying U.S. Accounts among Preexisting Accounts held by individuals (“Preexisting Individual Accounts”).

A. **Accounts Not Required to Be Reviewed, Identified, or Reported.** Unless the Reporting Austrian Financial Institution elects otherwise, either with respect to all Preexisting Individual Accounts or, separately, with respect to any clearly identified group of such accounts, the following Preexisting Individual Accounts are not required to be reviewed, identified, or reported as U.S. Accounts:

1. Subject to subparagraph E(2) of this section, a Preexisting Individual Account with a balance or value that does not exceed \$50,000 as of June 30, 2014.
2. Subject to subparagraph E(2) of this section, a Preexisting Individual Account that is a Cash Value Insurance Contract or an Annuity Contract with a balance or value of \$250,000 or less as of June 30, 2014.
3. A Preexisting Individual Account that is a Cash Value Insurance Contract or an Annuity Contract, provided the law or regulations of Austria or the United States effectively prevent the sale of such a Cash Value Insurance Contract or an Annuity Contract to U.S. residents (*e.g.*, if the relevant Financial Institution does not have the required registration under U.S. law, and the law of Austria requires reporting or withholding with respect to insurance products held by residents of Austria).
4. A Depository Account with a balance of \$50,000 or less.

B. **Review Procedures for Preexisting Individual Accounts With a Balance or Value as of June 30, 2014, that Exceeds \$50,000 (\$250,000 for a Cash Value Insurance Contract or Annuity Contract), But Does Not Exceed \$1,000,000 (“Lower Value Accounts”).**

1. **Electronic Record Search.** The Reporting Austrian Financial Institution must review electronically searchable data maintained by the Reporting Austrian Financial Institution for any of the following U.S. indicia:
 - a) Identification of the Account Holder as a U.S. citizen or resident;
 - b) Unambiguous indication of a U.S. place of birth;
 - c) Current U.S. mailing or residence address (including a U.S. post office box);
 - d) Current U.S. telephone number;

- e) Standing instructions to transfer funds to an account maintained in the United States;
- f) Currently effective power of attorney or signatory authority granted to a person with a U.S. address; or
- g) An “in-care-of” or “hold mail” address that is the *sole* address the Reporting Austrian Financial Institution has on file for the Account Holder. In the case of a Preexisting Individual Account that is a Lower Value Account, an “in-care-of” address outside the United States or “hold mail” address shall not be treated as U.S. indicia.

2. If none of the U.S. indicia listed in subparagraph B(1) of this section are discovered in the electronic search, then no further action is required until there is a change in circumstances that results in one or more U.S. indicia being associated with the account, or the account becomes a High Value Account described in paragraph D of this section.

3. If any of the U.S. indicia listed in subparagraph B(1) of this section are discovered in the electronic search, or if there is a change in circumstances that results in one or more U.S. indicia being associated with the account, then the Reporting Austrian Financial Institution must treat the account as a U.S. Account unless it elects to apply subparagraph B(4) of this section and one of the exceptions in such subparagraph applies with respect to that account.

4. Notwithstanding a finding of U.S. indicia under subparagraph B(1) of this section, a Reporting Austrian Financial Institution is not required to treat an account as a U.S. Account if:

a) Where the Account Holder information unambiguously indicates a *U.S. place of birth*, the Reporting Austrian Financial Institution obtains, or has previously reviewed and maintains a record of:

(1) A self-certification that the Account Holder is neither a U.S. citizen nor a U.S. resident for tax purposes (which may be on an IRS Form W-8 or other similar agreed form);

(2) A non-U.S. passport or other government-issued identification evidencing the Account Holder’s citizenship or nationality in a country other than the United States; *and*

(3) A copy of the Account Holder’s Certificate of Loss of Nationality of the United States or a reasonable explanation of:

(a) The reason the Account Holder does not have such a certificate despite relinquishing U.S. citizenship; *or*

(b) The reason the Account Holder did not obtain U.S. citizenship at birth.

b) Where the Account Holder information contains a ***current U.S. mailing or residence address, or one or more U.S. telephone numbers that are the only telephone numbers associated with the account***, the Reporting Austrian Financial Institution obtains, or has previously reviewed and maintains a record of:

(1) A self-certification that the Account Holder is neither a U.S. citizen nor a U.S. resident for tax purposes (which may be on an IRS Form W-8 or other similar agreed form); ***and***

(2) Documentary evidence, as defined in paragraph D of section VI of this Annex I, establishing the Account Holder's non-U.S. status.

c) Where the Account Holder information contains ***standing instructions to transfer funds to an account maintained in the United States***, the Reporting Austrian Financial Institution obtains, or has previously reviewed and maintains a record of:

(1) A self-certification that the Account Holder is neither a U.S. citizen nor a U.S. resident for tax purposes (which may be on an IRS Form W-8 or other similar agreed form); ***and***

(2) Documentary evidence, as defined in paragraph D of section VI of this Annex I, establishing the Account Holder's non-U.S. status.

d) Where the Account Holder information contains ***a currently effective power of attorney or signatory authority granted to a person with a U.S. address, has an "in-care-of" address or "hold mail" address that is the sole address identified for the Account Holder, or has one or more U.S. telephone numbers (if a non-U.S. telephone number is also associated with the account)***, the Reporting Austrian Financial Institution obtains, or has previously reviewed and maintains a record of:

(1) A self-certification that the Account Holder is neither a U.S. citizen nor a U.S. resident for tax purposes (which may be on an IRS Form W-8 or other similar agreed form); ***or***

(2) Documentary evidence, as defined in paragraph D of section VI of this Annex I, establishing the Account Holder's non-U.S. status.

C. Additional Procedures Applicable to Preexisting Individual Accounts That Are Lower Value Accounts.

1. Review of Preexisting Individual Accounts that are Lower Value Accounts for U.S. indicia must be completed by June 30, 2016.
2. If there is a change of circumstances with respect to a Preexisting Individual Account that is a Lower Value Account that results in one or more U.S. indicia described in subparagraph B(1) of this section being associated with the account, then the Reporting Austrian Financial Institution must treat the account as a U.S. Account unless subparagraph B(4) of this section applies.
3. Except for Depository Accounts described in subparagraph A(4) of this section, any Preexisting Individual Account that has been identified as a U.S. Account under this section shall be treated as a U.S. Account in all subsequent years, unless the Account Holder ceases to be a Specified U.S. Person.

D. Enhanced Review Procedures for Preexisting Individual Accounts With a Balance or Value That Exceeds \$1,000,000 as of June 30, 2014, or December 31 of 2015 or Any Subsequent Year (“High Value Accounts”).

1. **Electronic Record Search.** The Reporting Austrian Financial Institution must review electronically searchable data maintained by the Reporting Austrian Financial Institution for any of the U.S. indicia described in subparagraph B(1) of this section.
2. **Paper Record Search.** If the Reporting Austrian Financial Institution’s electronically searchable databases include fields for, and capture all of the information described in, subparagraph D(3) of this section, then no further paper record search is required. If the electronic databases do not capture all of this information, then with respect to a High Value Account, the Reporting Austrian Financial Institution must also review the current customer master file and, to the extent not contained in the current customer master file, the following documents associated with the account and obtained by the Reporting Austrian Financial Institution within the last five years for any of the U.S. indicia described in subparagraph B(1) of this section:
 - a) The most recent documentary evidence collected with respect to the account;
 - b) The most recent account opening contract or documentation;
 - c) The most recent documentation obtained by the Reporting Austrian Financial Institution pursuant to AML/KYC Procedures or for other regulatory purposes;

- d) Any power of attorney or signature authority forms currently in effect; and
- e) Any standing instructions to transfer funds currently in effect.

3. **Exception Where Databases Contain Sufficient Information.** A Reporting Austrian Financial Institution is not required to perform the paper record search described in subparagraph D(2) of this section if the Reporting Austrian Financial Institution's electronically searchable information includes the following:

- a) The Account Holder's nationality or residence status;
- b) The Account Holder's residence address and mailing address currently on file with the Reporting Austrian Financial Institution;
- c) The Account Holder's telephone number(s) currently on file, if any, with the Reporting Austrian Financial Institution;
- d) Whether there are standing instructions to transfer funds in the account to another account (including an account at another branch of the Reporting Austrian Financial Institution or another Financial Institution);
- e) Whether there is a current "in-care-of" address or "hold mail" address for the Account Holder; *and*
- f) Whether there is any power of attorney or signatory authority for the account.

4. **Relationship Manager Inquiry for Actual Knowledge.** In addition to the electronic and paper record searches described above, the Reporting Austrian Financial Institution must treat as a U.S. Account any High Value Account assigned to a relationship manager (including any Financial Accounts aggregated with such High Value Account) if the relationship manager has actual knowledge that the Account Holder is a Specified U.S. Person.

5. **Effect of Finding U.S. Indicia.**

- a) If none of the U.S. indicia listed in subparagraph B(1) of this section are discovered in the enhanced review of High Value Accounts described above, and the account is not identified as held by a Specified U.S. Person in subparagraph D(4) of this section, then no further action is required until there is a change in circumstances that results in one or more U.S. indicia being associated with the account.

b) If any of the U.S. indicia listed in subparagraph B(1) of this section are discovered in the enhanced review of High Value Accounts described above, or if there is a subsequent change in circumstances that results in one or more U.S. indicia being associated with the account, then the Reporting Austrian Financial Institution must treat the account as a U.S. Account unless it elects to apply subparagraph B(4) of this section and one of the exceptions in such subparagraph applies with respect to that account.

c) Except for Depository Accounts described in subparagraph A(4) of this section, any Preexisting Individual Account that has been identified as a U.S. Account under this section shall be treated as a U.S. Account in all subsequent years, unless the Account Holder ceases to be a Specified U.S. Person.

E. Additional Procedures Applicable to High Value Accounts.

1. If a Preexisting Individual Account is a High Value Account as of June 30, 2014, the Reporting Austrian Financial Institution must complete the enhanced review procedures described in paragraph D of this section with respect to such account by June 30, 2015. If based on this review such account is identified as a U.S. Account on or before December 31, 2014, the Reporting Austrian Financial Institution must report the required information about such account with respect to 2014 in the first report on the account and on an annual basis thereafter. In the case of an account identified as a U.S. Account after December 31, 2014, and on or before June 30, 2015, the Reporting Austrian Financial Institution is not required to report information about such account with respect to 2014, but must report information about the account on an annual basis thereafter.

2. If a Preexisting Individual Account is not a High Value Account as of June 30, 2014, but becomes a High Value Account as of the last day of 2015 or any subsequent calendar year, the Reporting Austrian Financial Institution must complete the enhanced review procedures described in paragraph D of this section with respect to such account within six months after the last day of the calendar year in which the account becomes a High Value Account. If based on this review such account is identified as a U.S. Account, the Reporting Austrian Financial Institution must report the required information about such account with respect to the year in which it is identified as a U.S. Account and subsequent years on an annual basis, unless the Account Holder ceases to be a Specified U.S. Person.

3. Once a Reporting Austrian Financial Institution applies the enhanced review procedures described in paragraph D of this section to a High Value Account, the Reporting Austrian Financial Institution is not required to re-apply such procedures, other than the relationship manager inquiry described in

subparagraph D(4) of this section, to the same High Value Account in any subsequent year.

4. If there is a change of circumstances with respect to a High Value Account that results in one or more U.S. indicia described in subparagraph B(1) of this section being associated with the account, then the Reporting Austrian Financial Institution must treat the account as a U.S. Account unless it elects to apply subparagraph B(4) of this section and one of the exceptions in such subparagraph applies with respect to that account.

5. A Reporting Austrian Financial Institution must implement procedures to ensure that a relationship manager identifies any change in circumstances of an account. For example, if a relationship manager is notified that the Account Holder has a new mailing address in the United States, the Reporting Austrian Financial Institution is required to treat the new address as a change in circumstances and, if it elects to apply subparagraph B(4) of this section, is required to obtain the appropriate documentation from the Account Holder.

F. **Preexisting Individual Accounts That Have Been Documented for Certain Other Purposes.** A Reporting Austrian Financial Institution that has previously obtained documentation from an Account Holder to establish the Account Holder's status as neither a U.S. citizen nor a U.S. resident in order to meet its obligations under a qualified intermediary, withholding foreign partnership, or withholding foreign trust agreement with the IRS, or to fulfill its obligations under chapter 61 of Title 26 of the United States Code, is not required to perform the procedures described in subparagraph B(1) of this section with respect to Lower Value Accounts or subparagraphs D(1) through D(3) of this section with respect to High Value Accounts.

III. **New Individual Accounts.** The following rules and procedures apply for purposes of identifying U.S. Accounts among Financial Accounts held by individuals and opened on or after July 1, 2014 ("New Individual Accounts").

A. **Accounts Not Required to Be Reviewed, Identified, or Reported.** Unless the Reporting Austrian Financial Institution elects otherwise, either with respect to all New Individual Accounts or, separately, with respect to any clearly identified group of such accounts, the following New Individual Accounts are not required to be reviewed, identified, or reported as U.S. Accounts:

1. A Depository Account unless the account balance exceeds \$50,000 at the end of any calendar year.
2. A Cash Value Insurance Contract unless the cash value exceeds \$50,000 at the end of any calendar year.

B. **Other New Individual Accounts.** With respect to New Individual Accounts not described in paragraph A of this section, upon account opening (or within 90 days after the end of the calendar year in which the account ceases to be described in paragraph A of

this section), the Reporting Austrian Financial Institution must obtain a self-certification, which may be part of the account opening documentation, that allows the Reporting Austrian Financial Institution to determine whether the Account Holder is resident in the United States for tax purposes (for this purpose, a U.S. citizen is considered to be resident in the United States for tax purposes, even if the Account Holder is also a tax resident of another jurisdiction) and confirm the reasonableness of such self-certification based on the information obtained by the Reporting Austrian Financial Institution in connection with the opening of the account, including any documentation collected pursuant to AML/KYC Procedures.

1. If the self-certification establishes that the Account Holder is resident in the United States for tax purposes, the Reporting Austrian Financial Institution must treat the account as a U.S. Account and obtain a self-certification that includes the Account Holder's U.S. TIN (which may be an IRS Form W-9 or other similar agreed form).

2. If there is a change of circumstances with respect to a New Individual Account that causes the Reporting Austrian Financial Institution to know, or have reason to know, that the original self-certification is incorrect or unreliable, the Reporting Austrian Financial Institution cannot rely on the original self-certification and must obtain a valid self-certification that establishes whether the Account Holder is a U.S. citizen or resident for U.S. tax purposes. If the Reporting Austrian Financial Institution is unable to obtain a valid self-certification, the Reporting Austrian Financial Institution must treat the account as a Non-Consenting U.S. Account.

IV. **Preexisting Entity Accounts.** The following rules and procedures apply for purposes of identifying U.S. Accounts and accounts held by Nonparticipating Financial Institutions among Preexisting Accounts held by Entities ("Preexisting Entity Accounts").

A. **Entity Accounts Not Required to Be Reviewed, Identified, or Reported.**

Unless the Reporting Austrian Financial Institution elects otherwise, either with respect to all Preexisting Entity Accounts or, separately, with respect to any clearly identified group of such accounts, a Preexisting Entity Account with an account balance or value that does not exceed \$250,000 as of June 30, 2014, is not required to be reviewed, identified, or reported as a U.S. Account until the account balance or value exceeds \$1,000,000.

B. **Entity Accounts Subject to Review.** A Preexisting Entity Account that has an account balance or value that exceeds \$250,000 as of June 30, 2014, and a Preexisting Entity Account that does not exceed \$250,000 as of June 30, 2014, but the account balance or value of which exceeds \$1,000,000 as of the last day of 2015 or any subsequent calendar year, must be reviewed in accordance with the procedures set forth in paragraph D of this section.

C. **Entity Accounts With Respect to Which Reporting Is Required.** With respect to Preexisting Entity Accounts described in paragraph B of this section, only accounts

that are held by one or more Entities that are Specified U.S. Persons, or by Passive NFFEs with one or more Controlling Persons who are U.S. citizens or residents, shall be treated as U.S. Accounts. In addition, accounts held by Nonparticipating Financial Institutions shall be treated as accounts for which aggregate payments are required to be reported under an FFI Agreement.

D. **Review Procedures for Identifying Entity Accounts With Respect to Which Reporting Is Required.** For Preexisting Entity Accounts described in paragraph B of this section, the Reporting Austrian Financial Institution must apply the following review procedures to determine whether the account is held by one or more Specified U.S. Persons, by Passive NFFEs with one or more Controlling Persons who are U.S. citizens or residents, or by Nonparticipating Financial Institutions:

1. **Determine Whether the Entity Is a Specified U.S. Person.**

a) Review information maintained for regulatory or customer relationship purposes (including information collected pursuant to AML/KYC Procedures) to determine whether the information indicates that the Account Holder is a U.S. Person. For this purpose, information indicating that the Account Holder is a U.S. Person includes a U.S. place of incorporation or organization, or a U.S. address.

b) If the information indicates that the Account Holder is a U.S. Person, the Reporting Austrian Financial Institution must treat the account as a U.S. Account unless it obtains a self-certification from the Account Holder (which may be on an IRS Form W-8 or W-9, or a similar agreed form), or reasonably determines based on information in its possession or that is publicly available, that the Account Holder is not a Specified U.S. Person.

2. **Determine Whether a Non-U.S. Entity Is a Financial Institution.**

a) Review information maintained for regulatory or customer relationship purposes (including information collected pursuant to AML/KYC Procedures) to determine whether the information indicates that the Account Holder is a Financial Institution.

b) If the information indicates that the Account Holder is a Financial Institution, or the Reporting Austrian Financial Institution verifies the Account Holder's Global Intermediary Identification Number on the published IRS FFI list, then the account is not a U.S. Account.

3. Determine Whether a Financial Institution Is a Nonparticipating Financial Institution Payments to Which Are Subject to Aggregate Reporting Consistent with the Requirements of an FFI Agreement.

a) Subject to subparagraph D(3)(b) of this section, a Reporting Austrian Financial Institution may determine that the Account Holder is an Austrian Financial Institution or other Partner Jurisdiction Financial Institution if the Reporting Austrian Financial Institution reasonably determines that the Account Holder has such status on the basis of the Account Holder's Global Intermediary Identification Number on the published IRS FFI list or other information that is publicly available or in the possession of the Reporting Austrian Financial Institution, as applicable. In such case, no further review, identification, or reporting is required with respect to the account.

b) If the Account Holder is an Austrian Financial Institution or other Partner Jurisdiction Financial Institution treated by the IRS as a Nonparticipating Financial Institution, then the account is not a U.S. Account, but payments to the Account Holder must be reported consistent with the requirements of an FFI Agreement.

c) If the Account Holder is not an Austrian Financial Institution or other Partner Jurisdiction Financial Institution, then the Reporting Austrian Financial Institution must treat the Account Holder as a Nonparticipating Financial Institution payments to which are reportable consistent with the requirements of an FFI Agreement, unless the Reporting Austrian Financial Institution:

(1) Obtains a self-certification (which may be on an IRS Form W-8 or similar agreed form) from the Account Holder that it is a certified deemed-compliant FFI, or an exempt beneficial owner, as those terms are defined in relevant U.S. Treasury Regulations; *or*

(2) In the case of a participating FFI or registered deemed-compliant FFI, verifies the Account Holder's Global Intermediary Identification Number on the published IRS FFI list.

4. Determine Whether an Account Held by an NFFE Is a U.S. Account.

With respect to an Account Holder of a Preexisting Entity Account that is not identified as either a U.S. Person or a Financial Institution, the Reporting Austrian Financial Institution must identify (i) whether the Account Holder has Controlling Persons, (ii) whether the Account Holder is a Passive NFFE, and (iii) whether any of the Controlling Persons of the Account Holder is a U.S. citizen or resident. In making these determinations the Reporting Austrian Financial Institution must follow the guidance in subparagraphs D(4)(a) through D(4)(d) of this section in the order most appropriate under the circumstances.

a) For purposes of determining the Controlling Persons of an Account Holder, a Reporting Austrian Financial Institution may rely on information collected and maintained pursuant to AML/KYC Procedures.

b) For purposes of determining whether the Account Holder is a Passive NFFE, the Reporting Austrian Financial Institution must obtain a self-certification (which may be on an IRS Form W-8 or W-9, or on a similar agreed form) from the Account Holder to establish its status, unless it has information in its possession or that is publicly available, based on which it can reasonably determine that the Account Holder is an Active NFFE.

c) For purposes of determining whether a Controlling Person of a Passive NFFE is a U.S. citizen or resident for tax purposes, a Reporting Austrian Financial Institution may rely on:

(1) Information collected and maintained pursuant to AML/KYC Procedures in the case of a Preexisting Entity Account held by one or more NFFEs with an account balance or value that does not exceed \$1,000,000; *or*

(2) A self-certification (which may be on an IRS Form W-8 or W-9, or on a similar agreed form) from the Account Holder or such Controlling Person in the case of a Preexisting Entity Account held by one or more NFFEs with an account balance or value that exceeds \$1,000,000.

d) If any Controlling Person of a Passive NFFE is a U.S. citizen or resident, the account shall be treated as a U.S. Account.

E. Timing of Review and Additional Procedures Applicable to Preexisting Entity Accounts.

1. Review of Preexisting Entity Accounts with an account balance or value that exceeds \$250,000 as of June 30, 2014 must be completed by June 30, 2016.

2. Review of Preexisting Entity Accounts with an account balance or value that does not exceed \$250,000 as of June 30, 2014, but exceeds \$1,000,000 as of December 31 of 2015 or any subsequent year, must be completed within six months after the last day of the calendar year in which the account balance or value exceeds \$1,000,000.

3. If there is a change of circumstances with respect to a Preexisting Entity Account that causes the Reporting Austrian Financial Institution to know, or have reason to know, that the self-certification or other documentation associated with

an account is incorrect or unreliable, the Reporting Austrian Financial Institution must redetermine the status of the account in accordance with the procedures set forth in paragraph D of this section.

V. **New Entity Accounts.** The following rules and procedures apply for purposes of identifying U.S. Accounts and accounts held by Nonparticipating Financial Institutions among Financial Accounts held by Entities and opened on or after July 1, 2014 (“New Entity Accounts”).

A. **Entity Accounts Not Required to Be Reviewed, Identified or Reported.**

Unless the Reporting Austrian Financial Institution elects otherwise, either with respect to all New Entity Accounts or, separately, with respect to any clearly identified group of such accounts, a credit card account or a revolving credit facility treated as a New Entity Account is not required to be reviewed, identified, or reported, provided that the Reporting Austrian Financial Institution maintaining such account implements policies and procedures to prevent an account balance owed to the Account Holder that exceeds \$50,000.

B. **Other New Entity Accounts.** With respect to New Entity Accounts not described in paragraph A of this section, the Reporting Austrian Financial Institution must determine whether the Account Holder is: (i) a Specified U.S. Person; (ii) an Austrian Financial Institution or other Partner Jurisdiction Financial Institution; (iii) a participating FFI, a deemed-compliant FFI, or an exempt beneficial owner, as those terms are defined in relevant U.S. Treasury Regulations; or (iv) an Active NFFE or Passive NFFE.

1. Subject to subparagraph B(2) of this section, a Reporting Austrian Financial Institution may determine that the Account Holder is an Active NFFE, an Austrian Financial Institution, or other Partner Jurisdiction Financial Institution if the Reporting Austrian Financial Institution reasonably determines that the Account Holder has such status on the basis of the Account Holder’s Global Intermediary Identification Number or other information that is publicly available or in the possession of the Reporting Austrian Financial Institution, as applicable.

2. If the Account Holder is an Austrian Financial Institution or other Partner Jurisdiction Financial Institution treated by the IRS as a Nonparticipating Financial Institution, then the account is not a U.S. Account, but payments to the Account Holder must be reported consistent with the requirements of an FFI Agreement.

3. In all other cases, a Reporting Austrian Financial Institution must obtain a self-certification from the Account Holder to establish the Account Holder’s status. Based on the self-certification, the following rules apply:

a) If the Account Holder is *a Specified U.S. Person*, the Reporting Austrian Financial Institution must treat the account as a U.S. Account.

b) If the Account Holder is *a Passive NFFE*, the Reporting Austrian Financial Institution must identify the Controlling Persons as determined under AML/KYC Procedures, and must determine whether any such person is a U.S. citizen or resident on the basis of a self-certification from the Account Holder or such person. If any such person is a U.S. citizen or resident, the Reporting Austrian Financial Institution must treat the account as a U.S. Account.

c) If the Account Holder is: (i) a U.S. Person that is not a Specified U.S. Person; (ii) subject to subparagraph B(3)(d) of this section, an Austrian Financial Institution or other Partner Jurisdiction Financial Institution; (iii) a participating FFI, a deemed-compliant FFI, or an exempt beneficial owner, as those terms are defined in relevant U.S. Treasury Regulations; (iv) an Active NFFE; or (v) a Passive NFFE none of the Controlling Persons of which is a U.S. citizen or resident, then the account is not a U.S. Account, and no reporting is required with respect to the account.

d) If the Account Holder is a Nonparticipating Financial Institution (including an Austrian Financial Institution or other Partner Jurisdiction Financial Institution treated by the IRS as a Nonparticipating Financial Institution), then the account is not a U.S. Account, but payments to the Account Holder must be reported consistent with the requirements of an FFI Agreement.

VI. **Special Rules and Definitions.** The following additional rules and definitions apply in implementing the due diligence procedures described above:

A. **Reliance on Self-Certifications and Documentary Evidence.** A Reporting Austrian Financial Institution may not rely on a self-certification or documentary evidence if the Reporting Austrian Financial Institution knows or has reason to know that the self-certification or documentary evidence is incorrect or unreliable.

B. **Definitions.** The following definitions apply for purposes of this Annex I.

1. **AML/KYC Procedures.** “AML/KYC Procedures” means the customer due diligence procedures of a Reporting Austrian Financial Institution pursuant to the anti-money laundering or similar requirements of Austria to which such Reporting Austrian Financial Institution is subject.

2. **NFFE.** An “NFFE” means any Non-U.S. Entity that is not an FFI as defined in relevant U.S. Treasury Regulations or is an Entity described in subparagraph B(4)(j) of this section, and also includes any Non-U.S. Entity that is established in Austria or another Partner Jurisdiction and that is not a Financial Institution.

3. **Passive NFFE.** A “Passive NFFE” means any NFFE that is not (i) an Active NFFE, or (ii) a withholding foreign partnership or withholding foreign trust pursuant to relevant U.S. Treasury Regulations.
4. **Active NFFE.** An “Active NFFE” means any NFFE that meets any of the following criteria:
- a) Less than 50 percent of the NFFE’s gross income for the preceding calendar year or other appropriate reporting period is passive income and less than 50 percent of the assets held by the NFFE during the preceding calendar year or other appropriate reporting period are assets that produce or are held for the production of passive income;
 - b) The stock of the NFFE is regularly traded on an established securities market or the NFFE is a Related Entity of an Entity the stock of which is regularly traded on an established securities market. For purposes of this Agreement, interests are “regularly traded” if there is a meaningful volume of trading with respect to the interests on an ongoing basis, and an “established securities market” means an exchange that is officially recognized and supervised by a governmental authority in which the market is located and that has a meaningful annual value of shares traded on the exchange;
 - c) The NFFE is organized in a U.S. Territory and all of the owners of the payee are bona fide residents of that U.S. Territory;
 - d) The NFFE is a government (other than the U.S. government), a political subdivision of such government (which, for the avoidance of doubt, includes a state, province, county, or municipality), or a public body performing a function of such government or a political subdivision thereof, a government of a U.S. Territory, an international organization, a non-U.S. central bank of issue, or an Entity wholly owned by one or more of the foregoing;
 - e) Substantially all of the activities of the NFFE consist of holding (in whole or in part) the outstanding stock of, or providing financing and services to, one or more subsidiaries that engage in trades or businesses other than the business of a Financial Institution, except that an NFFE shall not qualify for this status if the NFFE functions (or holds itself out) as an investment fund, such as a private equity fund, venture capital fund, leveraged buyout fund, or any investment vehicle whose purpose is to acquire or fund companies and then hold interests in those companies as capital assets for investment purposes;
 - f) The NFFE is not yet operating a business and has no prior operating history, but is investing capital into assets with the intent to operate a business other than that of a Financial Institution, provided that the NFFE

shall not qualify for this exception after the date that is 24 months after the date of the initial organization of the NFFE;

g) The NFFE was not a Financial Institution in the past five years, and is in the process of liquidating its assets or is reorganizing with the intent to continue or recommence operations in a business other than that of a Financial Institution;

h) The NFFE primarily engages in financing and hedging transactions with, or for, Related Entities that are not Financial Institutions, and does not provide financing or hedging services to any Entity that is not a Related Entity, provided that the group of any such Related Entities is primarily engaged in a business other than that of a Financial Institution;

i) The NFFE is an “excepted NFFE” as described in relevant U.S. Treasury Regulations; *or*

j) The NFFE meets all of the following requirements:

i. It is established and operated in its jurisdiction of residence exclusively for religious, charitable, scientific, artistic, cultural, athletic, or educational purposes; or it is established and operated in its jurisdiction of residence and it is a professional organization, business league, chamber of commerce, labor organization, agricultural or horticultural organization, civic league or an organization operated exclusively for the promotion of social welfare;

ii. It is exempt from income tax in its jurisdiction of residence;

iii. It has no shareholders or members who have a proprietary or beneficial interest in its income or assets;

iv. The applicable laws of the NFFE’s jurisdiction of residence or the NFFE’s formation documents do not permit any income or assets of the NFFE to be distributed to, or applied for the benefit of, a private person or non-charitable Entity other than pursuant to the conduct of the NFFE’s charitable activities, or as payment of reasonable compensation for services rendered, or as payment representing the fair market value of property which the NFFE has purchased; and

v. The applicable laws of the NFFE’s jurisdiction of residence or the NFFE’s formation documents require that, upon the NFFE’s liquidation or dissolution, all of its assets be distributed to a governmental entity or other non-profit organization, or escheat to

the government of the NFFE's jurisdiction of residence or any political subdivision thereof.

5. **Preexisting Account.** A "Preexisting Account" means a Financial Account maintained by a Reporting Austrian Financial Institution as of June 30, 2014.

C. **Account Balance Aggregation and Currency Translation Rules.**

1. **Aggregation of Individual Accounts.** For purposes of determining the aggregate balance or value of Financial Accounts held by an individual, a Reporting Austrian Financial Institution is required to aggregate all Financial Accounts maintained by the Reporting Austrian Financial Institution, or by a Related Entity, but only to the extent that the Reporting Austrian Financial Institution's computerized systems link the Financial Accounts by reference to a data element such as client number or taxpayer identification number, and allow account balances or values to be aggregated. Each holder of a jointly held Financial Account shall be attributed the entire balance or value of the jointly held Financial Account for purposes of applying the aggregation requirements described in this paragraph 1.

2. **Aggregation of Entity Accounts.** For purposes of determining the aggregate balance or value of Financial Accounts held by an Entity, a Reporting Austrian Financial Institution is required to take into account all Financial Accounts that are maintained by the Reporting Austrian Financial Institution, or by a Related Entity, but only to the extent that the Reporting Austrian Financial Institution's computerized systems link the Financial Accounts by reference to a data element such as client number or taxpayer identification number, and allow account balances or values to be aggregated.

3. **Special Aggregation Rule Applicable to Relationship Managers.** For purposes of determining the aggregate balance or value of Financial Accounts held by a person to determine whether a Financial Account is a High Value Account, a Reporting Austrian Financial Institution is also required, in the case of any Financial Accounts that a relationship manager knows, or has reason to know, are directly or indirectly owned, controlled, or established (other than in a fiduciary capacity) by the same person, to aggregate all such accounts.

4. **Currency Translation Rule.** For purposes of determining the balance or value of Financial Accounts denominated in a currency other than the U.S. dollar, a Reporting Austrian Financial Institution must convert the U.S. dollar threshold amounts described in this Annex I into such currency using a published spot rate determined as of the last day of the calendar year preceding the year in which the Reporting Austrian Financial Institution is determining the balance or value.

- D. **Documentary Evidence.** For purposes of this Annex I, acceptable documentary evidence includes any of the following:

1. A certificate of residence issued by an authorized government body (for example, a government or agency thereof, or a municipality) of the jurisdiction in which the payee claims to be a resident.
2. With respect to an individual, any valid identification issued by an authorized government body (for example, a government or agency thereof, or a municipality), that includes the individual's name and is typically used for identification purposes.
3.
